FORM OF REGISTER.

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—

For Men.	For Women.
R = Residence qualification.	Rw = Residence qualification.

O = Occupation qualification.	Ow = Occupation qualification.
D = Qualification through wife's occupation.	Dw = Qualification through husband's occupation.

Where no Index letter is entered in one or other of those columns against a name, the elector is not entitled to the franchise to which the column relates.

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows: —

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—

FORM OF REGISTER.

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—

FORM OF REGISTER.

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—

FORM OF REGISTER.

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—

FORM OF REGISTER.

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—
