FORM OF REGISTER.

The Register contains the names in street order of all persons entitled to vote as parliamentary and as local government electors.

Where no Index letter is entered in one or other of those columns against a name, the elector is not entitled to the franchise to which the column relates.

The Register contains the names in street order of all persons entitled to vote as parliamentary and as local government electors.

FORM OF REGISTER.

The Register contains the names in street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary" or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—

The entry of the appropriate Index letter or letters against a name in the column 2 (*a*) headed "Parliamentary" indicates that the elector is a parliamentary elector, and the entry of the appropriate letter or letters against a name in the column 2 (*b*) headed "Local Govt." indicates that the elector is a local government elector (for headings, see first page of Register). Where no Index letter is entered in one or other of those columns against a name, the elector is not entitled to the franchise to which the column relates.
