F.L.Bernays, M.A., O.B.E., Rector of Finchley, stating that he was proposing to hold a Service especially for men at St. Mary's Parish Church, on Industrial Sunday, the 27th instant, at 3.30 p.m. The Chairman stated that it was his intention to be present and that he would be pleased if any of the Members would accompany him.

URBAN DISTRICT OF FINCHLEY.

RECOMMENDATIONS OF THE COUNCIL IN COMMITTEE
REFERRED TO IN MINUTE No. 24 -

OPEN SPACES - PROPOSED GOLF COURSE - NETHER COURT, FRITH GRANGE AND LAND ADJOINING,- LEASE, ETC.

(a) The Clerk reported as follows:-

"Considerable difficulty has been experienced in getting Mr. Ward to execute the Conveyance of the Chestnut Drive to the Council.

When the draft Conveyance was originally forwarded to him for his approval he maintained that he had agreed to bequeath the Chestnut Drive to the Council in his Will, at the same time allowing them to use it, subject to certain conditions, during his lifetime. After several interviews, however, between Mr.Chambers, Mr.Ward's Solicitor (Mr.Pearce) and Mr. Ward himself, the latter was satisfied on being shown the original agreement, draft agreement and correspondence, that he had agreed to convey the property when the Council purchased the Nether Court, Frith Grange and Lewin Trust Estates.

Mr. Pearce (Mr.Ward's Solicitor) explained that it would be very difficult to obtain Mr. Ward's signature to the Conveyance as originally drafted, and at his suggestion certain amendments were made therein, the effect being to show that Mr. Ward was making a free gift of the property provided the Council purchased the adjoining Estates above mentioned. It does not appear that these amendments will bring the Conveyance within the meaning of a voluntary Conveyance, and this is the view held by Mr. Chambers and Mr. Pearce. I have, however, written to Mr. Chambers informing him that should any difficulty arise at a later date with regard to the stamp duty or estate duty on the Chestnut Drive, the Club will have to refund to the Council any expense incurred by them in connection therewith.

Mr. Ward has requested, and made it a condition of his signature, that the fencing of the Chestnut Drive be extended to the fence of the Lake Field. This will involve extra expenditure, and I have informed Mr.Chambers that the Club will have to refund this amount to the Council.

I shall be glad of your instructions to insert the amount of the sanction (viz. £42,760) in the Lease as being the amount upon which the annual repayments are to be based, and also that the Club shall undertake to refund to the Council any expense incurred in connection with the estates over and above that amount."

The above was supplemented by an oral statement made by Mr. P. H. Chambers who kindly attended the meeting on behalf of the Golf Club. After discussion it was

was

RECOMMENDED

(1) that the draft Conveyance of the Chestnut Drive from Mr. Ward to the Council as amended be approved by the Council;

(2) that in the event of any further slight amendments being required therein by Mr. Ward, the Chairman and the Vice-Chairman of the Council , Councillor Briant and the Clerk be authorised to deal therewith in conjunction with Mr.P.H.Chambers and the Solicitors acting for Mr.Ward, subject to report;

(3) that the extension of the fencing of the Chestnut Drive to the fence of the Lake Field be approved by the Council;

(4) that the liability for estate duty in respect of the Chstnut Drive, should it accrue, be borne by the Council;

(5) that the accounts shewing the total cost of the above Estates be referred to the Councillors mentioned in (2) above to deal with and that the figure of £ be inserted in the Lease to the Golf Club as being the amount upon which the annual repayments are to be based.

(b) A letter dated 17th April 1930 from Mr. J. J. Ward was submitted and considered;

RECOMMENDED that same be referred to the Legal and Parliamentary ~~Sub~~-Committee for consideration.

The above are the recommendations of the Council in Committee referred to in paragraph 24 of the Council Minutes of the 23rd April 1930.

Chairman.

26 **Civic Sunday.**—The Chairman of the Council submitted a letter received from the Rev. S. F. L. Bernays, M.A., O.B.E., Rector of Finchley, hereon;

RECOMMENDED that the Rector be informed that the Members of the Council and the Officials will be pleased to attend Divine Service at the Parish Church on Sunday, the 1st June, 1930.

PERCIVAL T. HARRISON.
Engineer and Surveyor.

23rd April, 1930.

This (together with the two preceding pages) is the Surveyor's report referred to in paragraph 27 (a) of the Council Minutes of the 23rd April 1930.

Chairman.

(*c*) **RECOMMENDED** that the under-mentioned plan be referred to the Town Planning and Open Spaces Committee for consideration :—

No. of Plan	Premises	Where situate	Owner
7238	New road and sewers to be known as Winnington Road	Off Lyttelton Road	Co-Partnership Tenants, Ltd.

28 **Street Widenings—Regents Park Road.**—The Clerk reported that the conveyance of the strips of land from Mr. E. C. Arden for the widening of the above road had been completed and that the following sums had been paid :—

	£	s.	d.
Purchase money	1600	0	0
Surveyors' and Solicitors' costs ...	59	10	6
	£1,659	10	6

He also reported that he had obtained an extension of the time within which the work was to be carried out from nine to twelve months.

29 **Maternity and Child Welfare Centre—East Finchley—Bourchier House.**—The Clerk reported that terms had been **provisionally** agreed for the acquisition of a portion of the above-mentioned property;

RECOMMENDED that the plan shewing the proposed acquisition be approved by the Council, and that the suggested terms be referred to the appropriate Committee for consideration.

30 **Travelling Facilities—Electrification of the London and North-Eastern Railway Suburban Lines.**—The Deputy Clerk reported upon an interview which he had had on the 12th April, 1930, with the Surveyor to the London and North-Eastern Railway Company with regard to the question of the electrification of the Company's Suburban lines and the proposed construction of a new Tube Railway to Cockfosters.

After discussion it was

RECOMMENDED—

(*a*) that having carefully considered the schemes of the London Electric Railways and the London and North-Eastern Railway for the relief of congested areas in the North of London and the promotion of better travelling facilities therein, the Council expresses its unqualified preference for the proposals of the latter Company, as if adopted, they will more economically and better meet the urgent growing needs of a far greater developed area and would include the whole of the district of Finchley;

(*b*) that the Chairman of the Council be and he is hereby authorised to give evidence before the House of Lords Committee on behalf of the Council in support of any proposals which may be put forward by the London and North-Eastern Railway Company for the electrification of their Suburban lines.

31 **Small Dwellings Acquisition Acts, 1899 to 1925—Advance No. 376—Yarranabbe, Church Lane, Finchley.**—The Clerk reported as follows :—

"At a recent Meeting of the Council, instructions were given for the above property to be sold by Public auction and the Solicitors and Auctioneers were instructed accordingly.

On the 3rd April, 1930, I received an intimation from the Solicitors acting for the Second Mortgagee that their Client desired to pay the Council the amount due to them. In view of the wording of Section 6 (1) of the Act a difference of opinion arose as to whether the Council should not proceed with the sale by public auction and with the approval of the Chairman of the Council the Opinion of Counsel was taken and a copy of such Opinion is attached hereto.

Annexed

The amount outstanding is £615 3s. 8d. for principal and £16 12s. 0d. interest from 31st December, 1929, to 30th June, 1930. The Second Charge on the property is in favour of Mrs. Bryett to secure the sum of £267 5s. 6d.

I understand that the Second Mortgagee's Solicitors are prepared to tender the amount due to the Council plus their costs and I shall be glad of instructions in the matter."

Counsel is asked to advise :-	Counsel's opinion :-
(1) Whether the Council must proceed by virtue of their resolution of the 24th March, 1920 with the sale under Sections 3(4) and 6(1) of the Act of 1899 and refuse to transfer their mortgage to Mrs. Bryett.	The Act of 1899 contains nothing which excludes, or is inconsistent with, the ordinary rule that a mortgagor, or any person deriving title through him, is entitled, at any time before the right of redemption has become barred by sale or foreclosure or otherwise, to redeem the mortgage on payment of the amount payable to the mortgagee for principal and interest, and for any mortgagee's costs or expenses properly chargeable under the mortgage. It follows, in my opinion, that the right of redemption is still available in this case. Sub-Sect. 6(1) does not impose on a Local Authority, which has ordered a sale, an absolute obligation to proceed to a sale, notwithstanding any offer to redeem, the sub-section, in my opinion merely prescribes the procedure to be followed where the order for sale is acted upon.
(2) Whether Mrs. Bryett can require the Council under the ordinary law of mortgagor and mortgagee to transfer the mortgage to her, and if so, what powers will pass, and whether the Council can insist upon payment of the costs to date incurred in connection with the authorised sale.	The right of redemption is exercisable by Mrs. Bryett by virtue of the interest in the equity of redemption vested in her under the Second Charge. That being so, Mrs. Bryett is now entitled to pay off the Council, and take over the benefit of the Council's security For this purpose she must pay the outstanding balance of principal together with interest up to the next quarter day (24th June, see Sec. 1(5) of the Act of 1899), and the Council's costs, including costs incurred down to the date of redemption in connection with the intended sale, as well as the costs of a discharge receipt or transfer.

(3) Whe
to (2)
the Cou
any lia
Proprie
out str
Act.

(4) Gen

gage un
to the
latter.

A limited time should be allowed to Mrs. Bryott within which to pay the amount due to the Council, so that, if she fails to take advantage of the opportunity, the arrangements for a sale may proceed without undue delay.
A formal transfer will not be necessary. An endorsed receipt in the prescribed form will operate as a transfer.

(3) Whether, if the answer to (2) is in the affirmative, the Council would be under any liability to the Proprietor for not carrying out strictly the terms of the Act.

When the Council has been paid off by Mrs. Bryott, she will be in the position of a transferee of the mortgage. The Council will be under no liability to the "Proprietor", by reason of its having accepted repayment from Mrs. Bryott, and need not concern itself with the resulting situation as between her and the Proprietor.

(4) Generally whether the ordinary law of mortgagor and mortagee applies to a mortgage under these Acts, subject to the provisions of the latter.

As indicated above I think that the Acts in question do not exclude or affect the ordinary law applicable as between mortgagor and mortgagee, except to such extent as may be necessary for giving effect to the express provisions of the Acts.

This (together with the preceding page) is a copy of the Opinion of Counsel referred to in paragraph 31 of the Council Minutes of the 23rd April 1930.

Chairman.

2

Annex

RECOMMENDED—

(*a*) that the resolution passed by the Council on the 24th March, 1930, authorising the sale of the property, be rescinded;

(*b*) that the Council agree to the transfer, subject to payment by Mrs. Bryett of principal due, together with interest to 30th June, 1930; all costs incurred in connection with the sale authorised by the Council, and Solicitors' costs in and about the receipt and transfer;

(*c*) that payment of Counsel's fees, amounting to £3 5s. 6d. be approved.

32 **Allotments—East Finchley and Cherry Tree Hill.—Ecclesiastical Commissioners to the Council.**—The Clerk reported as follows:

When the Council agreed to purchase the East Finchley Allotments in January, 1928, the Commissioners agreed to lend the sum of £3,850 to cover the purchase price and costs, at £5 per cent., subject to the sanction of the Minister of Health, the repayment to be made by equal half-yearly instalments of principal and interest combined.

Since that date the Council have agreed to purchase the Cherry Tree Hill Allotments, and the two purchases are now being combined in one conveyance. I have written to the Secretary of the Ecclesiastical Commission asking him whether the Commissioners would be prepared to lend to the Council the sum of £4,573, being the amount sanctioned by the Minister of Health in respect of the two properties and I have heard from him to the effect that the Commissioners will be prepared to advance the sum of £4,573 at £5 per centum per annum, the payment of interest and repayment of principal to be made by 160 half-yearly payments of principal and interest combined, provided the costs of the Commissioners' Solicitors are paid.

I shall be glad of your instructions hereon.

RECOMMENDED—

(*a*) that the offer of the Commissioners as above-mentioned be accepted and that the Clerk be instructed to take the necessary steps in the matter;

(*b*) that the mortgage be added to the list of documents for sealing.

33 **Sewage Disposal Works—Extension Scheme—Proposed Loan £33,000.**—It was reported that the Ministry of Health proposed to hold a Public Inquiry on the 30th instant, at 11 a.m. in regard to the above.

34 **Examination of Drains—(Section 41 of the Public Health Act, 1875)—Nos. 20, 22, 24 and 26, Trinity Road, N. 2.**—The Sanitary Inspector reported that he had reason to suspect that the single private drain and the branch drains which connected thereto, on or belonging to the above-named premises were a nuisance or injurious to health; that a portion of the said drains at No. 22, Trinity Road had already been exposed and found to be in a defective condition;

RECOMMENDED that authority be given to the Inspector to enter the said premises, open up the ground, and examine the said drains after twenty-four hours' written notice thereof to the occupiers of the premises.

35 **Staff—Absence through Illness.**—Referring to Minute No. 1890 1929/30, the Surveyor reported that neither Mr. H. Lawford (First Assistant in the Surveyor's Department) nor Mr. W. J. Hall (Farm Clerk) had yet been able to return to their respective duties;

RECOMMENDED—

(*a*) that leave of absence with full pay be extended to such Members of the Staff until the date of the Ordinary Meeting of the Council in May, 1930; and

(*b*) that the Surveyor be authorised to arrange for the continuance of the temporary clerical assistance in the Department consequent upon the illness of the First Clerk until the date of the Ordinary Meeting of the Council in May, 1930, at a cost at the rate of £4 10s. 0d. a week.

36 **Council Employees—A. Kimpton—Sick Pay.**—Referring to Minute No. 1909 1929/30, the Surveyor reported that the above employee had not yet been able to return to his duties;

RECOMMENDED that half pay be continued until the date of the Ordinary Meeting of the Council in May, 1930.

37 **Resumption of Council.—**

RESOLVED that the Council do now resume and that the recommendations above set forth be adopted.

38 **Open Spaces—Victoria Recreation Ground.**—Councillor Pulham, on behalf of the Finchley Horticultural Society, asked that the Council would allow that Society to hold their Annual Show on the 12th July, 1930, in the above Recreation Ground;

RESOLVED that such permission be granted, subject to such conditions as the Town Planning and Open Spaces Committee may impose.

39 **Bowling Match.**—Reference was made by the Chairman of the Council to an invitation which had been extended by the Victoria Bowling Club to the Members of the Council to play a Match during the coming season;

RESOLVED that such invitation be accepted and that the necessary arrangements be left in the hands of Councillor Pateman.

Chairman.

2. Joint Special School for Mentally Defective Children.—

Councillor C. S. Syrett.
Miss L. Davey, M.A.
The Rev. F. S. Goldie, B.A.
Mrs. A. S. Miall, B.A.

3. Barnett School for Girls.—
Councillor W. Langlands.
Mrs. A. S. Miall, B.A.

4. Institute Council, Hampstead Garden Suburb.—
Councillor W. Langlands.

46 **Representatives on Other Bodies.—**

1. Joint Committee, Local.—
Councillor L. W. Bennett.
Councillor F. J. Grocott.
Councillor D. A. A. Merry.
Councillor H. G. Sommerfield.
Councillor C. S. Syrett.
Mrs. A. S. Miall, B.A.

2. Joint Committee, Middlesex County Council.
The Chairman of the Education Committee.

3. Association of Education Committees.—
The Chairman of the Education Committee and the Secretary.

4. Juvenile Organizations Committee.—
The Chairman of the Education Committee.
Councillor F. J. Grocott.
Mrs. A. S. Miall, B.A.
Miss L. Davey, M.A.

47 **Bourchier House—School Clinic.**—The Committee have had before them the report of the District Valuer upon this property.

The Committee approve the terms mentioned in the report so far as the educational services are concerned.

RECOMMENDED that the Council proceed to acquire the property.

48 **School for Mentally Defective Children—Oak Lodge.**—The report of the District Valuer upon this property has been considered. The Committee approve the terms of purchase mentioned in the report and

RECOMMEND that the property be acquired in accordance with the conditions referred to in the resolutions adopted by the Council in February last.

Your Committee suggest that in negotiating the purchase it might be desirable to so arrange that the property be conveyed to the Finchley Council, and suitable arrangements made with the other two Authorities concerned, viz. :—Hornsey and Wood Green, as joint users thereof.

49 **School Playing Field—Glebe Land Site "C."**—The Committee have considered a letter from the Clerk to the Council relating to the use by children in the Elementary Schools of football pitch No. 2. The Committee are of opinion that football pitch No. 2 referred to would not be suitable to them by reason of it being for seasonal use only, and

RECOMMEND that, subject to the consent of the Board of Education, the Council allocate to the Education Committee the ground about to be vacated by the Finchley Football Club (known as the Gun Station Site) at a rental of £50 per annum until such time as the Council require it for other Municipal purposes.

50 **Local Government and Other Officers' Superannuation Act, 1922—Vacant Designated Posts.**—In January, Mr. H. O. Tomkins was appointed to commence duties as School Attendance Officer and Mr. G. G. King as Clerk in the Education Office. Both Officers have produced satisfactory medical certificates and their services since the date of appointment have been satisfactory. The General Purposes Committee have been requested to arrange for the inclusion of these Officers in the Local Government and Other Officers' Superannuation Act, 1922, with any adjustments arising therefrom.

51 **Appointment.—**

RECOMMENDED that Miss Martha Jane Davies be appointed assistant mistress in the full-time service of the Finchley Education Authority, exclusively in the capacity of a teacher, in the place of Miss Andrews, resigned, as from 1st May, 1930, at the Albert Street School, Senior Department, or in such other School as the Authority may from time to time direct, at a commencing salary in

accordance with the Burnham Scale, subject to the usual terms and conditions approved by the Council in September, 1927.

52 **Association of Education Committees.**—Notification has been received of the Annual Conference of the Association of Education Committees which will be held at Eastbourne on the 5th and 6th June. The Chairman of the Education Committee and Secretary will attend.

53 **Re-organisation of Schools—White Paper.**—A White Paper issued by the Board of Education has been received relating to proposals for enabling Local Education Authorities to enter into agreements with the Managers of Non-Provided Schools, with conditions attached thereto, for purposes of re-organisation. The proposals refer to the provision of financial assistance to Managers of Non-Provided Schools in respect of certain enlargements, reconstructions or improvements required to give effect to re-organisation developments, and will be considered by the Committee in due course. A copy has been supplied to all members of the Council.

54 **Day and Hour of Meetings.**—Your Committee reports that the Education Committee and the Sub-Committees will meet during the ensuing year as under :—

Education—Monday in 2nd week before Council, 8.15 p.m.

School Management—Wednesday in 4th week before Council, 8.0 p.m.

Works and Accounts—Wednesday in 4th week before Council at the Education Offices, 4.0 p.m.

(If there are only minor matters for consideration with the Accounts, the members to be summoned to meet half-an-hour before the School Management Sub-Committee).

School Attendance—Monday in week before Council, 7.30 p.m.

Children's Care—Thursday in 4th week May, October and January, 7.0 p.m.

Juvenile Employment—Thursday in 4th week May, October and January, 7.30 p.m.

C. S. SYRETT,

Chairman.

REPORT OF EDUCATION COMMITTEE,

held on 12th May, 1930.

Present: Councillor C. S. Syrett (Chairman), Councillors L. W. Bennett, W. C. Langlands, D. A. A. Merry, J. H. Jones, Vyvyan Wells, H. G. Sommerfield; Mrs. A. S. Miall, Miss L. Davey and the Rev. F. S. Goldie.

55 **Accounts.**—Accounts amounting to £5,662 6s. 1d. have been examined and passed to the Finance Committee for payment, including:—

	£	s.	d.
Association of Education Committees, annual subscription	7	7	0
Finchley Schools' Athletic Association, annual grant	20	0	0
Finchley Schools' Swimming Association, annual grant	10	0	0

56 **Student Teacher—Appointment.—**

RECOMMENDED that Miss Ethel W. Taylor, a pupil of the Finchley County School, be appointed a student teacher in an elementary school during the year commencing 1st August, 1930, under the terms and conditions of the Committee's Scale of Salaries and subject to the requirements of the Board of Education and also subject to the approval of the Chairman of the Education Committee after an interview.

57 **Children's Cot Fund.**—A statement of the receipts received from the schools during the past year has been considered and a cheque for £50 has been forwarded to the Treasurer of the Finchley Memorial Hospital.

58 **Death of Father Joyce.**—Reference was made to the death of the Rev. J. C. Joyce, Chairman of the Managers of the Roman Catholic School in Bow Lane. The Secretary was directed to convey to the relatives of Father Joyce the sympathy and condolence of the members of the Education Authority in their loss.

59 **Special Schools.—**

RECOMMENDED—

(*a*) that this Authority accept responsibility for the cost of the education of a girl aged nine years, whose name appears in the Education Committee's Minute Book, at a Special Day School for partially blind children at Lordship Lane, Wood Green. The fee chargeable to be the net annual cost to the Authority of that area (the cost for the year 1929/30 was £9 17s. 10d. per child).

(*b*) Physically Defective Children.—That this Authority accepts responsibility for the cost of the education and maintenance of a girl aged 12 years, and a boy aged 13 years, whose names appear in the Education Committee's Minute Book, at Special (Heart) Homes, for a period of three months. In each case the fees chargeable to be 29s. 0d. per week, the parents to contribute 5s. 0d. weekly towards these expenses.

60 **Tenders.—**

(*a*) Decoration and Repairs.—

RECOMMENDED that authority be given to the Education Committee to open the tenders and to report to the Council in June.

(*b*) Fuel 1930/31.—It is usual at this period of the year to invite tenders for the supply of coal and coke, such tenders to apply to all services of the Council.

RECOMMENDED that authority be given to the Education Committee to obtain and open the tenders received, for report to the Council.

61 **Queen Elizabeth's Grammar School, Barnet.**—A copy of the draft scheme made by the Board of Education under the Charitable Trusts Acts, 1853 to 1925, in the matter of the Grammar School of Queen Elizabeth at Chipping Barnet has been received.

62 **School Playing Fields.**—Educational Pamphlet No. 80, being a booklet relating to the provision of school playing fields

issued by the Board of Education has been received. A copy has been supplied to each member.

63 **Date of Next Meeting.**—The next meeting of the Education Committee will fall due on Whit-Monday. In these circumstances it has been decided to meet on Thursday, 12th June, 1930, at 8.15 p.m.

64 **Re-organisation — The Hadow Report.**—Your Committee have given consideration to the recommendations contained in the Hadow Report with a view to effecting a re-organisation in the Finchley Elementary Schools, and from time to time references thereto have been made to the Council. The Committee are preparing, as promised, a full report thereon to submit to the Council. The announcement by the Government of the withdrawal of the School Attendance Bill and the substitution therefor of a new Bill has influenced the Committee to defer presenting the report abovementioned until the new Bill is issued. It is therefore

RECOMMENDED that the Council authorise the Education Committee to prepare a report embodying complete proposals for the re-organisatin of the public elementary schools in Finchley, such report to be submitted as soon as the intentions of the Government in relation to matters of Education are available.

C. S. SYRETT,

Chairman.

TOWN PLANNING AND OPEN SPACES COMMITTEE'S REPORT.

23rd April, 1930.

Present: Councillors Jones, Langlands, Merry, Pateman, Pike, Pulham, Mrs. Timberlake and Wells.

65 **Chairman.—**

RECOMMENDED that Councillor Pike be appointed Chairman of the Committee for the ensuing year.

A. T. PIKE.

Chairman.

TOWN PLANNING AND OPEN SPACES COMMITTEE'S REPORT.

5th May, 1930.

Present: Councillor Pike (Chairman), Councillors Jones, Langlands, Merry, Pateman, Pulham, Mrs. Timberlake and Wells, and Councillors Ryan and H. O. Syrett (non-members).

66 **Minutes.**—The Minutes of a meeting of the Committee held on the 3rd March, 1930, were taken as read, confirmed and signed.

67 **Vice-Chairman.**—

RECOMMENDED that Councillor Langlands be appointed Vice-Chairman of the Committee for the ensuing year.

68 **Requisitions.**—

RECOMMENDED that the lists of requisitions (circulated) be approved. Annexed

69 **Town Planning Scheme No. 1.**—

(*a*) Policy Witness's Report.—The Committee considered the report of the Chairman (circulated) on the negotiations conducted by him in connection with questions of policy which arose at the Public Inquiry; Annexed

RECOMMENDED that such report be adopted by the Council.

(*b*) Clerk's Report.—The Committee also considered the report of the Clerk (circulated) on the Inquiry generally; Annexed

RECOMMENDED that such report be adopted by the Council.

(*c*) Objections of Co-Partnership Tenants, Ltd.—The Clerk reported that he had received a copy of correspondence which had passed between Co-Partnership Tenants, Ltd., and the Ministry of Health; that on the 7th April, 1930, the Society named addressed a letter to the Ministry referring to the Department's intimation that after the Public Inquiry had been held the Minister would consider whether there would be any advantage in a conference

on the lines which had been suggested by the Society, and stating that it was considered that it would assist the completion of the Scheme if such a conference were now convened. The letter also reiterated a number of objections to the Scheme which the Society had already raised. The reply of the Ministry, dated 16th April, 1930, stated that the Minister had not yet received and considered his Inspector's Report on the Inquiry, and in view of the opportunity for making representations afforded by the Inquiry, he was not satisfied that a special conference would be needed or desirable; that if, however, it appeared to him on completing his consideration of the Inspector's Report that there were any points on which he wished to confer with the parties together, he would notify them to that effect. The letter added that the Minister would endeavour to intimate his proposed decision as regards the playing fields as soon as possible.

70 **Town Planning Scheme No. 2.**—The Clerk reported hereon, and intimated that Article 12 (1) of the Town Planning Regulations prescribed that within six months from the date of the resolution adopting the draft Scheme the local authority should pass a resolution finally approving the Scheme with or without modifications, and that the Council should therefore finally approve the Scheme not later than the 23rd June, 1930.

He further reported that compliance had not yet been made with Article 10 (2) of the Regulations, which provided that as soon as might be after the passing of the resolution adopting the draft Scheme, the Council should serve notice thereof on the prescribed persons, and that the necessary information to enable the requisite services to be effected was being collated by the Surveyor; furthermore, that the Council had not yet been able to comply with Article 11 of the Regulations as to the consideration of objections and representations;

RECOMMENDED—

(*a*) that in the above circumstances the Clerk be directed to apply to the Minister under Article 19 of the Regulations for an extension of six months in which finally to approve the Scheme;

(*b*) that a Sub-Committee consisting of the Chairman and the Vice-Chairman of the Committee be appointed for

URBAN DISTRICT OF FINCHLEY.

TOWN PLANNING SCHEME NO. 1.

The Local Inquiry into the Finchley No. 1 Town Planning Scheme was held before Mr. C.H. Eyles, F.S.I. at the King Edward Hall on the 4th March, 1930.

Mr. Trustram Eve appeared for this Council, and put the Council's case before the Inspector, and called me to give evidence as a policy witness and Mr. Harrison, as a technical witness.

In support of the Scheme there appeared Mr. Hayward on behalf of the Hampstead Borough Council (for whom Councillor B.S. Townroe gave evidence), Mr. J. Youatt on behalf of the Hampstead Garden Suburb Residents' Association, Mr. W.H. Pringle on behalf of the Hampstead Garden Suburb Sports Council, Mr. H.J. Gregory on behalf of the Acorn Club and Mr. H.J. Mitchieson on behalf of the Hampstead Golf Club. The London County Council were also represented by Mr. Hinman, and appeared in support of the Scheme as a whole, but objected to two particular items thereof, namely the reservation of only 8 acres of Turner's Wood as a private open space, and the proposal to erect flats along the frontage to Hampstead Lane.

In opposition to the Scheme Mr. Maxwell appeared on behalf of Co-Partnership Tenants Ltd. and its associated companies, Mr. John Hodson on behalf of the Middlesex County Council, Mr. K.M. Johnson on behalf of the Ecclesiastical Commissioners and Mr. H.A. Rawlins on behalf of Mr. Arden.

The Inquiry closed at 6 p.m.

Following upon the authority given to me at the last meeting of the Council to negotiate with any of the objectors, I beg to report that with regard to the agreement with the Hampstead Garden Suburb Trust Ltd. it became necessary for a slight modification of the terms reported to you at the above meeting.

The agreement eventually arrived at is as follows:-

The Hampstead Garden Suburb Trust Ltd. agreed

(1) not to claim compensation for the reservation of the new portion of Turner's Wood amounting to 8 acres as a private open space;

(2) to a limitation of 4 houses to the acre over the remaining 36 acres of their land within the Scheme, counting 3 flats as one building unit;

(3) to withdraw their representation for the frontage to Hampstead Lane being made available for the erection of shops.

I agreed on behalf of the Council

(1) to the area of Turner's Wood being reduced from 11 acres as scheduled to 8 acres, and the shape in accordance with the drawing submitted by the Trust;

(2) to the withdrawal of Turner's Wood from clause 33(4)(b). (This clause gave to the Council by agreement with the owner power to purchase the scheduled private open space mentioned therein);

(3) to permit the erection of a block of flats on the frontage to Hampstead Lane, the buildings not to exceed 3 storeys in height exclusive of a basement to be used for garages, and to the erection of not more than 30 flats on this frontage.

Acting on the advice of Counsel, a submission was made at the Inquiry that these terms be embodied in a formal agreement which should be scheduled to the Scheme and thus save the necessity for altering the map. The Ecclesiastical Commissioners also accepted these terms and withdrew their objections in respect of the land let to the Trust.

Mr. Hunt, the County Council Valuer, who was appearing as witness for the London County Council, stated that his Council were definitely against the erection of the above flats, but following upon my request, Mr. Soutar on behalf of the Trust agreed that the flats should not exceed 50 feet in height and be of a type similar to those known as Heathcroft already erected in the Suburb; further he (Mr. Hunt) thought this might meet the objection of the County Council.

The Middlesex County Council had at the draft stage of the Scheme asked for a clause to be inserted in the Scheme for the protection of their statutory property. To this representation I agreed, subject to the form of clause similar to that submitted by the County Council being settled by the Ministry.

Further representations were received from the County Council on the Saturday before the Inquiry, and acting on the advice of Counsel, I agreed that a clause might be inserted in the Scheme preserving them their rights under the general law, such clause to be settled by the Minister.

With regard to their representation to be made the Town Planning Authority as regards the Barnet By-Pass Road and the North Circular Road, I felt that the clause referred to above, preserving their powers, to which I had already agreed, should be sufficient to protect their interests, and accordingly Counsel objected to this representation.

I also instructed Counsel to object to a further representation that the clauses as to advertisements and trees should not apply to the County Council's property.

Mr. E.H. Waterman had lodged a formal objection to the Scheme, but it was pointed out to him that powers were given in the Scheme to the Council to agree to the representations he made, viz:- that the position of roads Nos. 62 and 63 might be slightly altered, and that as regards building lines, if any other were given preferential treatment, he should have the same terms when developing his land, and I agreed that should the position be similar in his case, then the Council would give him the same consideration.

The Billposting Companies did not appear to support their objections, but Counsel made a submission to which I agreed that if the Minister thought it more desirable that the 1938 model clause relating thereto should be inserted, the Council would offer no objection.

With regard to the issue of the new model clauses of 1938, Counsel on my instructions made a submission that if the Minister desired, these should be inserted instead of the 1936 model clauses upon which the Scheme was based, and this Council would offer no objection thereto.

Counsel also made a submission at the Inquiry that the land coloured on the map and known as Cutbush's allotments should be coloured and allowed for residential purposes in accordance with the Interim Development Order granted to Mr. Arden. Mr. Rawlins, who appeared for Mr. Arden, was satisfied with this.

With regard to the objections lodged by Co-Partnership Tenants Ltd., certain technical objections raised by them were agreed to by me, these being mainly with regard to the use of the preliminary statement forms instead of the draft scheme forms.

Where the Council were given power under certain clauses of the Scheme to deviation from the provisions thereof, I agreed that the Council would give due consideration to any proposal submitted in regard thereto by Co-Partnership Tenants Ltd. in relation to their land as and when occasion arose.

A.T. PIKE,

Chairman of the Town Planning
and Open Spaces Committee.

URBAN DISTRICT OF FINCHLEY

Clerk's Office,
Church End,
Finchley, N. 3.

1st May, 1930.

TO THE CHAIRMAN AND MEMBERS OF THE
TOWN PLANNING AND OPEN SPACES COMMITTEE

TOWN PLANNING SCHEME NO. 1.
LOCAL INQUIRY - 4th MARCH, 1930.

The report of your Chairman hereon to the Council at its meeting held on the 24th March, 1930 deals with all the objections outstanding at the date of the Inquiry into the above Scheme with the exception of Co-Partnership Tenants Ltd. and its Associated Companies.

At the Inquiry Counsel for Co-Partnership Tenants Ltd. stated that his clients only desired to press certain of the 39 objections lodged by them against the Scheme. These are set out below, together with the attitude taken by the Council in regard thereto.

	Objection.	Observations
(4)	The Scheme ought to provide for the confirmation of the developed area as regards roads and buildings and provision should be made for this.	The Town Planning Scheme does not affect buildings erected and streets laid out before the 15th July, 1912, i.e. the date upon which the Council resolved to prepare a Town Planning Scheme, and any development which has taken place subsequently to that date has been carried out at the risk of the owners so far as it does not comply with the provisions of the Scheme.
(7)	Clause 6(5) ought not to apply to the present streets and there should be an opportunity in any event for land owners to be heard by the Minister before the Order is made.	The clause must stand in its present form, and adequate protection is given to any dissatisfied owner by the provisions of Clause 59 of the Scheme.

(12)	Clause 16 should be made to apply to the footpath from the Five Bells to Winnington Road and a road should be agreed for the diversion of the footpath. At present there are no footpaths mentioned in the first column to the Second Schedule to the Scheme.	The Council had requested Co-Partnership Tenants Ltd. to supply them with copies of a plan showing the proposed diversion, and as this had not been received either at the date of the approval of the draft Scheme or at the date of the Inquiry, the diversion could not be considered. The Company submitted a plan at the Inquiry, but whilst agreeing in principle to the diversion, the Council must have further time for the consideration of the details of the plan.
(14)	The heading of the second column of the Table of Density Zones should be "Building Units" and not "Dwellinghouses."	This was agreed, as Preliminary Statement forms had been used in place of draft Scheme forms.
(15)	The declaration of land units provided by Clause 21 should not apply to the Society's land but an agreement should be made between the Society and the Council dealing with matters contemplated by the clause and provisions made for allowing for the open spaces in the built up area.	The Council objected most strongly to this proposal of the Company, as any alteration in this clause as suggested would defeat the whole intention of Town Planning. There was no reason why a land unit of 7 acres should be varied to meet the Company's proposals, as there were other large land-owners in the neighbourhood who had not taken any objection to this clause, and the Ministry themselves had adopted this maximum of 7 acres in their Model Clauses.
(18)	There is no fourth column to the Table of Character referred to in Clause 29.	This was agreed to, as here again Preliminary Statement forms had been used instead of draft Scheme forms. The tables actually used did, however, contain the necessary information.
(20)	A proviso should be added to Clause 29 as to Character Zones that consent of the Authority is not to be required for buildings used in connection with sports grounds.	The Council were not prepared to agree to this objection, although there would be little likelihood of their objecting to an ordinary type of building - e.g. a pavilion used in connection with sports grounds.

(22)	Clause 31(2) should be altered to agree with the Preliminary Statement and allow 3 storeys instead of 2 storeys.	The Council were not prepared to agree to the alteration of Clause 31(2) in order to allow 3 storeys, their opinion being that 2 storeys in an area of this character was quite sufficient.
(24)	In Clause 33(1) the figure should be "8" and not "6". No part of Clause 33 should apply to shops with flats over them.	The Council were not prepared to agree to this objection. It was, however, pointed out to the Company that the Council had power to approve of more than 6 dwellinghouses in one block, and that it was unlikely that they would take an unreasonable attitude should the circumstances justify a larger number.
(25)	Clause 33(2)(b) the distance should be "3 feet" and not "15 feet."	The Council objected to the reduction of 15 feet in clause 33(2)(b) to 3 feet, as they felt that particularly at flank frontages no building should be brought nearer to the road than 15 feet.
(26)	In clause 33(3)(a) the figure should be "8" and not "6".	The Council took the same attitude as in objection No. 24 above.
(29)	In clause 34(4)(c) the distance should be "5 feet" and not "10 feet" and in streets 80 feet wide or more shops may be built up to the edge of the street.	The Council were not prepared to permit the erection of groups of shops or business premises at a lesser distance than 10 feet from the boundary of any street, and they would allow a building to be brought in advance of the prescribed building line only under special circumstances.
(32)	The clause as to elevation of buildings is objected to as being quite inapplicable to the Society's estate.	The Council considered it essential that this clause should apply to the Company's estates.
(33)	The built-up part of Lyttelton Road should be included as a shopping area (as was done on Map No. 2A) and an equivalent distance of the undeveloped part of Lyttelton Road might be excluded from the shopping area.	The Council objected to the alteration of the scheduling of Lyttelton Road as prescribed under the Scheme, especially as they have always viewed with disfavour the conversion of dwellinghouses into shops.

(34)	The Society objects to the roads coloured pink being more than 40 feet in width and this particularly applies to the road leading to the Station unless the road at the end adjoining the Station is constructed by the Council at the same time.	The Council would not agree to this proposal, for, in an area of such magnitude as that under the Scheme, it was necessary that a limited number of roads on to which the more subsidiary roads converge should be of greater width than 40 feet, and as a matter of fact, the Company had already recognised this in the construction of Cssulton Way, which is 50 feet in width. The Council will of course have to bear the cost of the excess width above 40 feet. The width of the road referred to as leading to the Station had been fixed at 60 feet in view of the proposal to construct a new road between the Great North Road and East End Road, with which this 60' road will communicate.
(35)	The whole of the land between the Vicarage and the Hospital should be allocated as a shopping area and for business premises.	The Council have a discretion in the Scheme to allow of the extension of shopping areas, and when the above new road from East End Road to the Great North Road is constructed it was agreed that permission would be given for the land belonging to the Company fronting on this road to be used for shops and business premises.
urther ojection.	It appears that in Map No. 3, East End Road was proposed to be widened along a considerable part of its length, but this widening has been deleted in Map No. 4 except for two small parts one of which forms part of the land which our clients are interested in, and we are instructed to object to the widening of this part of East End Road as shown on Map No. 4.	The Council were not prepared to agree to the deletion of the widening of East End Road so far as it related to the Company's estates, as the land on the opposite side of the road was already built upon, and that of the Company was vacant land - moreover, the proposal to widen had already been recognised by virtue of the erection of a house next to the cemetery, such house being set back both to the building line and widening line prescribed there.

The Ecclesiastical Commissioners appeared in support of their objections and those of Co-Partnership Tenants Ltd., but did not press any particular ones other than those pressed by Counsel for Co-Partnership Tenants Ltd.

The London County Council objected to the widening of Hampstead Lane by Kenwood under the Scheme, but the Council pressed for the retention of this widening in order to facilitate the widening of that portion of the road in the area of the Hampstead Borough Council.

E.H. LISTER,

Clerk of the Council.

This (together with the four preceding pages) is the report of the Clerk referred to in paragraph 69 (b) of the Town Planning and Open Spaces Committee's report of the 5th May 1930.

Chairman.

the purpose of meeting the Objectors and considering their representations.

71 Greater London Regional Planning Committee.—

(*a*) The Clerk reported that the Council had referred to the Committee for consideration the first report of the above, and that in accordance with instructions he had procured six copies of the report.

A letter, dated 7th March, 1930, was submitted from the Greater London Regional Planning Committee stating that the Committee were anxious to secure the support of their constituent Authorities to the proposals contained in the report, particularly those relating to the setting up of a Regional Planning Authority.

The Committee decided that the six copies of the report in question be handed to the Members of the Committee, and to consider at next meeting the proposals contained therein.

(*b*) It was reported that the Regional Committee had estimated that they would require a sum of £4,310 to meet their expenses in respect of the year ending 31st March, 1931, and that they had directed that their constituent Authorities be asked to contribute this sum in proportion to their rateable value; that a rate of one-ninetieth of a penny in the pound would, it was understood, be sufficient to produce the sum required, of which this Council's share would be £28 13s. 0d.;

RECOMMENDED that payment of this amount be approved.

(*c*) Reference was made to a letter, dated 28th April, 1930, received from the Hon. Secretary of the North Middlesex Joint Town Planning Committee, and the Chairman of the Committee intimated that he had attended the Conference therein referred to, which was adjourned pending receipt of the views of the constituent Authorities on the recommendations contained in the Report of the Greater London Regional Planning Committee.

72 **Victoria Recreation Ground.—**

(1) It was reported that an application had been received from the Finchley Horticultural Society for permission to use the above on the 12th July, 1930, for the Society's Annual Show, and that the Council had resolved that such application be granted subject to such conditions as the Committee might impose.

The Committee decided to attach the following conditions to such user :—

(*a*) That the Society be granted the use of the portion of the recreation ground east of the footpath running from Etchingham Park Road to Long Lane;

(*b*) That such portion of the ground be fenced to the satisfaction of the Council's Surveyor;

(*c*) All tents to be erected to the satisfaction of the Council's Surveyor;

(*d*) All litter to be cleared up after the event and any damage caused to the Council's property to be made good;

(*e*) The Council not to be put to any expense whatsoever in connection with the Show, or rendered liable for any act or thing done, arising out of, or in consequence thereof;

RECOMMENDED that the action taken be approved.

(2) It was reported that application had been made by the Education Committee for use of the recreation ground for school sports as under :

North Road School—Thursday afternoon, 15th May, 1930.

Long Lane School—Friday afternoon, 16th May, 1930.

The Committee decided that such application be granted;

RECOMMENDED that the action taken be approved.

(3) It was reported that applications had been received from the under-mentioned for permission to use grass tennis courts at above during the present season :—

Mrs. E. L. F. Hatfield.

Miss D. A. Ardley on behalf of the East Finchley Primitive Methodist Tennis Club.

Mrs. L. Woodward on behalf of the Etchingham Park Tennis Club.

The Committee agreed to such applications being granted on the terms and conditions laid down by the Council;

RECOMMENDED that the action taken be approved.

73 **Vale Farm.**—It was reported that Mrs. Clark's sub-tenants at above had now vacated the ground, and that apart from some rubbish still to be removed, the yard was clear.

74 **Open Spaces—Brook Farm.—**

(1) The Clerk reported that some time ago he was directed to ask the Middlesex County Council to make representations to the Ministry of Transport for the re-consideration of that Department's decision not to contribute towards the value of the strip of land at above thrown into the Great North Road; that as the outcome of considerable correspondence he had now received a letter from the County Council the effect of which was that unless this Council were in a position to say that the land was acquired for the express purpose of widening, the Ministry would not be prepared to make a grant. The County Council had asked, however, that this Council would confirm that they had not had to bear any additional expense in view of the allocation of a part of the open space for the improvement of the highway.

After reviewing the whole of the circumstances it was

RECOMMENDED that no further action be taken in the matter.

(2) The Committee were of opinion that it would be desirable to consider in the near future what (if any) greater utilisation could be made of the above open space, and with this end in view a Sub-Committee consisting of the Chairman and the Vice-Chairman of the Committee, the Chairman of the Council and Councillor H. O. Syrett was appointed for the purpose of dealing with the matter.

75 **Coldfall Wood, Hornsey.**—A letter, dated 26th March, 1930, was submitted from the North Middlesex Joint Town Planning Committee, to the effect that they had communicated with the County Council requesting them to give consideration to the preservation of part of the above wood as an open space.

76 **Glebe Land—Site " C."—**

(*a*) Association Pitch No. 1.—It was reported that the Chairman of the Finchley Football Club had intimated that the fence on the western boundary of the above pitch was in a bad condition, and that the Club could not see their way to sign the agreement for the tenancy of the pitch until the necessary repairs had been carried out by the Council;

RECOMMENDED that the carrying out of such repairs be approved, and that the Surveyor report on the matter at the next meeting.

(*b*) Application for Hockey Pitch.—A letter was submitted from the Hon. Secretary of the Dryad Ladies' Hockey Club enquiring whether there was any possibility of their renting a hockey pitch at above next season for use on Saturday afternoons only, and if so, the Council's terms therefor;

RECOMMENDED that a reply be forwarded in the negative.

(*c*) A letter, dated 3rd April, 1930, was submitted from the Secretary to the Education Committee, stating that his Committee were of opinion that the Pitch No. 2, offered, it was assumed, for the football season only, would not be suitable for acceptance by them by reason of being for seasonal use only; that they had, however, decided to

recommend that subject to the approval of the Board of Education, the Council allocate to the Education Committee the ground about to be vacated by the Finchley Football Club (known as the Gun Station Site) at a rental of £50 per annum until such time as the Council require that land for other municipal purposes;

RECOMMENDED that such recommendation be adopted by the Council.

(*d*) The Surveyor reported that Mr. Hodges had been appointed as Clerk of Works in connection with the Grand Stand at a salary of £7 7s. 0d. a week, and that he would commence his duties on the 12th May, 1930;

RECOMMENDED that the appointment be approved.

77 **Caretaker's Cottage—Cherry Tree Wood.**—A letter, dated 14th March, 1930, was submitted from the Ministry of Health stating that the Minister did not wish to raise any objection to the Council's revised proposals in connection with the above.

78 **Damage to Council's Property.**—It was reported that the following property of the Council had been damaged since last meeting:—

(1) Fence—Victoria Recreation Ground,
(2) Fence—Dunger Place,

and that the matters had been dealt with.

79 **Glebe Land—Ground at Corner of Great North Road and Summers Lane.**—Referring to Minute No. 1804, a communication was submitted from the Chairman of the Finchley Trades and Labour Hall Society, stating that it had now been decided to hold the function therein referred to on Saturday, the 28th June, 1930, and agreeing to the terms suggested by the Council.

80 **North Middlesex Joint Town Planning Committee.**—A letter, dated 30th April, 1930, was submitted from the Hon. Secretary of the above Joint Committee stating that the amount of this Council's contribution calculated upon the usual basis of one-eightieth of a penny rate upon the rateable value of the District as at the 1st April, 1930, was £33 5s. 10d.;

RECOMMENDED that payment of this amount be approved.

81 **Proposed Shops and Garages—East End Road.**—The Surveyor presented a communication, dated 8th April, 1930, together with plan from Mr. S. A. S. Yeo, showing a proposed development in the above road on a site adjacent to East End House;

RECOMMENDED—

(*a*) that such plan be approved; and

(*b*) that the matter be referred to the Highways and Fire and Water Committee with a view to their dealing with the question of the conveyance of the strip of land to the Council.

The Committee were of opinion that no legal costs in the matter should fall upon the Council.

82 **Proposed Diversion of "Five Bells" Footpath.**—The Surveyor presented a letter, dated 21st March, 1930, from the Hampstead Garden Suburb Authorities, together with a plan showing a proposed diversion of the above footpath;

RECOMMENDED that the Suburb Authorities be informed that at this juncture it will be necessary for them to make application to the Minister of Health to include such diversion in the Council's Town Planning Scheme, and that in the event of his not agreeing thereto, application will need to be made to the Justices in the ordinary course, in which latter case it must be clearly understood that no cost whatsoever will fall upon the Council.

83 **Bye-Laws—New Streets and Buildings—Coffee Stall—Woodhouse Road, near Council Cottages.**—The Surveyor reported with reference to a coffee stall which had been erected at above contrary to the Bye-Laws;

RECOMMENDED that the matter be referred to the Public Health Committee with a view to notice being served on the owner requiring him to show cause why the said building should not be removed altered or pulled down.

84 **Temporary Buildings—Friern Park—Messrs. Specialloid, Ltd.**—The Surveyor presented a communication, dated 13th March, 1930, received from Messrs. Specialloid, Ltd., asking that the temporary buildings in question might be allowed to remain for a further period of six months;

RECOMMENDED that such request be not acceded to.

85 **Cricket Pitches.**—The Surveyor reported that cricket pitches had been let at Brook Farm for the coming season as follows :—

Pitch No. 1—Finchley Boys' Club;
Pitch No. 5—St. John's Choir Boys' Club;
Pitch No. 6—Ridgeway Cricket Club;
Pitch No. 4—Church End Congregational Boys' Club.

86 **Fencing—Land—Swan Lane.**—The tenders received in respect of the above were considered;

RECOMMENDED—

(*a*) that the alternative tender of Messrs. T. W. Palmer and Co., of Merton Abbey, amounting to £137 19s. 3d. (including the provision of wrot iron gates instead of chain-link gates) be accepted;

(*b*) that the Clerk be instructed to prepare the necessary Contract.

87 **Putting Green—Cherry Tree Wood.—**

(*a*) The Surveyor reported that it was anticipated that the putting green at above would be ready for play in a few days' time.

The Committee decided to leave it to the Chairman of the Committee and the Surveyor to agree a date for the opening of the green, and gave instructions that the members of the Council should be notified accordingly.

(*b*) The Surveyor also reported that he had discussed with the Chairman of the Committee the question of charges and that they recommended 3d. a round as a reasonable charge for an 18 hole green. The charge at the recreation ground for a 9 hole green was 2d. a round;

RECOMMENDED that a charge of 3d. a round be agreed by the Council.

88 **Open Spaces.—**

(*a*) Victoria Recreation Ground.—

RECOMMENDED that Mr. T. Smith, the Superintendent of the above Recreation Ground, be paid £1 a week extra during the bowls, putting and tennis season, under the same arrangements as were in force last year.

(*b*) Cherry Tree Wood.—

RECOMMENDED that Mr. E. Phillips, Attendant at above, be paid an extra 15s. 0d. a week during the forthcoming summer season, under the same arrangements as were in force last year.

89 **Instructions.—**

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

90 **Plans.—**

(*a*) Approved.—

RECOMMENDED that the following plans be APPROVED, subject to the conditions severally mentioned by the Surveyor in his report :— Annexed

FINCHLEY URBAN DISTRICT COUNCIL.

PUBLIC HEALTH COMMITTEE - 6TH.MAY,1930.

SANITARY INSPECTOR'S REPORT.

3, The Hawthorns,
Regents Pk.Rd.,
N. 3.

To the Chairman and Members of the
Public Health Committee.

2nd. May,1930.

(1) HOUSES WITHOUT PROPER DUSTBINS (Sec.22 P.U.D.C.Act.1900)

68, Station Road, N.3.
155, Station Road,N.3.
3, College Villas, Nether St.N.3.
28, Alexandra Grove, N.12.
4 & 6, Kirkton Place,N.20.
12, Swan Place,N.20.

The above houses are not provided with proper or sufficient dustbins and I suggest that notices be served upon the respective owners requiring them to provide strong galvanised iron dustbins with suitable covers.

(2) NUISANCES (P.H.A.1875 and Acts amending the same).

I have to report that the undermentioned premises are in such a state as to be a nuisance and I suggest that notices be served upon the owners requiring them to execute the following works, namely:-

8, Whetstone Place, High Road,N.20.

Repair and make weatherproof the defective roof of house.

36, Lichfield Grove, N.3.

Remove the wooden floors and joists where now defective in the two front basement rooms and reinstate the said floors supplying and fixing new joists and boards where necessary.

(3) EXAMINATION OF DRAINS (Sec.41 of the P.H.A. 1875 and the Acts amending the same)

20,22,24 & 26, Trinity Road,N.2.

In accordance with instructions, I have opened up the ground and examined the drains on or belonging to the above-named premises.

The said premises are drained in pairs by means of two single private drains and thd said single private drains are connected together on the boundary of the premises in the forecourt of No.26,Trinity Road before joining the public sewer in the roadway.

The single private drain and the branch drains which connect thereto on or belonging to Nos. 20 and 22, Trinity Road are in very bad condition and require alteration and amendment.

At the junction between the two single private drains in the forecourt of No.26, Trinity Road, the said drains are also in bad condition and require alteration and amendment. With the exception of a damaged pipe which has since been remedied, no other defects were found in connection with the single private drain and the branch drains on or belonging to Nos. 24 and 26, Trinity Road.

I suggest that notices be served upon the respective owners of the above-named premises requiring them to execute the following necessary works, namely:-

(a) Nos. 20 and 22, Trinity Road.

Take up and relay the existing defective single private drain and the existing defective branch drains which connect thereto with salt glazed stoneware or heavy cast iron coated pipes on a solid bed of good cement concrete not less than six inches thick, such drains to be laid with suitable and regular gradient throughout and to be made watertight. If the portion of the drain beneath No.22, Trinity Road is constructed otherwise than of iron pipes, the said drain is to be completely embedded in and covered with good concrete at least six inches thick all round.

Provide in connection with the said drains proper means of access for cleansing and inspecting purposes.

Provide and fix at the head of the branch drains of Nos. 20 and 22, Trinity Road ventilating shafts of strong cast iron coated pipes with properly caulked joints or ventilating shafts of some other equally suitable material.

(b) Nos. 20, 22, 24 & 26, Trinity Road.

Remove the defective single private drain, including the intercepting trap, on the boundary of the premises in the forecourt of No.26, Trinity Road, relay the said drain with salt glazed stoneware pipes on a bed of concrete not less than six inches thick, and in line of drain provide and fix an intercepting trap of an approved type with a fresh air inlet shaft and mica flap valve attached to same.

Provide in connection with the said drain proper means of access for cleansing and inspecting purposes.

(4) BYELAWS - HOUSES LET IN LODGINGS - REGISTRATION.

(a) I suggest that notices be served upon the occupiers of the undermentioned premises requiring them to furnish to the Council, for the purpose of registration, the particulars set forth in Clause 7 of the Byelaws with respect to houses intended or used for occupation by the working classes and let in lodgings or occupied by members of more than one family.

6, Trinity Road, N.2.
Verandah House, The Walks, N.2.
76, Woodside Park Road, N.12.
78, Woodside Park Road, N.12.
7, Theobalds Avenue, N.12.

(b) 40, Torrington Park, N.12.

The occupier of the above-named premises has not complied with your Council's notice requiring her to furnish, for the purpose of registration, the particulars set forth in Clause 7 of the before-mentioned byelaws.

(5) APPLICATION FOR CONSENT TO ESTABLISH THE TRADE OF A FISH FRIER

(9) STABLES, THEOBALDS AVENUE, N.12. (OCCUPIERS - UNITED DAIRIES (LONDON) LTD.)

Complaints dated the 27th and 29th April, 1930, respectively, from residents in Highwood Avenue.

I shall report orally upon the above matter at the meeting of your Committee.

E.J. FRANKLIN.

Chief Sanitary Inspector.

This (together with the three preceding pages) is the report of the Sanitary Inspector referred to in paragraph 97 of the Public Health Committee's report of the 6th May 1930.

(*b*) that, failing compliance, proceedings be taken for recovery of the penalties mentioned in Section 22 of the Finchley Urban District Council Act, 1908.

(2) Nuisances (Public Health Act, 1875, and the Acts amending the same).—

8, Whetstone Place, High Road, N. 20.
36, Lichfield Grove, N. 3.

The Inspector reported that each of the above dwelling houses was in such a state as to be a nuisance. The Committee being satisfied of the existence of such nuisances it was

RECOMMENDED that statutory notices be served upon the respective owners requiring them to execute the works mentioned by the Inspector in his report within the time specified in such notices.

(3) Examination of Drains (Section 41 of the Public Health Act, 1875, and the Acts amending the same)—20, 22, 24 and 26, Trinity Road, N. 2.—The Inspector reported as follows :—

"In accordance with instructions, I have opened up "the ground and examined the drains on or belonging to "the above-named premises.

"The said premises are drained in pairs by means "of two single private drains and the said single private "drains are connected together on the boundary of the "premises in the forecourt of No. 26, Trinity Road before "joining the public sewer in the roadway.

"The single private drain and the branch drains "which connect thereto on or belonging to Nos. 20 and "22, Trinity Road are in very bad condition and require "alteration and amendment.

"At the junction between the two single private "drains in the forecourt of No. 26, Trinity Road, the said "drains are also in bad condition and require alteration "and amendment. With the exception of a damaged pipe

"which has since been remedied, no other defects were "found in connection with the single private drain and "the branch drains on or belonging to Nos. 24 and 26, "Trinity Road."

RECOMMENDED that the notices now submitted be served upon the respective owners of the said premises requiring them to execute the works specified and within the time stated in the said notices.

(4) Bye-Laws—Houses let in Lodgings—Registration.—The Inspector reported hereon;

RECOMMENDED that notices be served upon the occupiers of the under-mentioned premises requiring them to furnish to the Council, for the purpose of registration, the particulars set forth in Clause 7 of the Bye-Laws with respect to houses intended or used for occupation by the working classes and let in lodgings or occupied by members of more than one family :—

6, Trinity Road, N. 2.
Verandah House, The Walks, N. 2.
76, Woodside Park Road, N. 12.
78, Woodside Park Road, N. 12.
7, Theobalds Avenue, N. 12.

(5) Application for consent to establish the trade of a Fish Frier—New Shop, Church Lane, N. 2—Erected by Messrs. Pointing & Taylor—Third Shop from Leslie Road. —The Inspector reported that an application, dated 29th April, 1930, had been received from Mr. Peter Morris Hyams, of 22, High Street, Hornsey, N. for the Council's consent to establish the business of a fish frier at the above-named premises. He further reported that he understood that the owner of the premises would not agree to their being used for the purpose in question;

RECOMMENDED that Mr. Hyams be notified accordingly.

(6) Milk (Special Designations) Order, 1923.—The Inspector reported upon certain samples of designated milk which had been taken and submitted to the Counties Public Health Laboratories for bacteriological examination.

(7) Milk and Dairies Acts—Milk and Dairies Order, 1926—Registration.—The Inspector reported that applications had been received from (a) Mr. George Meek, 86, Church Lane, East Finchley, to be registered as a retail purveyor of milk, and (b) the Mortlock Sterilized Milk Supply Co., Ltd., 65, Whitta Road, Manor Park, E. 12, to be registered as wholesale and retail purveyors of milk;

RECOMMENDED that such applications be granted.

(8) Unsound Food.—The Inspector submitted particulars of diseased or unsound food which had been destroyed since last meeting.

98 **Trade Refuse—Charges for Collection of.**—In accordance with the reference from the Council this matter was considered further and the Committee received a Deputation in regard thereto from the Finchley Chamber of Trade;

RECOMMENDED—

(1) that on and after the 2nd June, 1930, the charges be as follows in lieu of those at present in force:—

Retailers.—

Collection and disposal of refuse not exceeding 4 bushels a week—5s. 0d. quarterly.

Collection and disposal of refuse in excess of 4 bushels a week—10s. 0d. quarterly.

Disposal of refuse where same is delivered by the trader at the Destructor—At the rate of 2s. 6d. a ton.

Wholesalers and Manufacturers.—
Special terms by arrangement.

(2) that on and after the above-mentioned date the practice of allowing refuse to be burned at the Sewage Works other than at the Destructor be discontinued;

(3) that the Surveyor be directed to inform the persons concerned of the foregoing arrangement;

(4) that the whole matter be reviewed after the expiration of twelve months.

99 **Bourchier House Joint Sub-Committee.**—The Committee appointed the following as their representatives on the above Joint Sub-Committee :—

Councillor Briant.
Councillor Pike.
Councillor Ryan.
Councillor Mrs. Timberlake.

100 **Unemployment Works—Sewage Disposal Works Extensions, 1930—Proposed Loan £33,000.**—It was reported that, on the 30th April, 1930, the Minister of Health held an Inquiry into the Council's application for sanction to the above-mentioned loan.

101 **Housing Act, 1925—Closing Order—The Lodge, Strawberry Vale.**—A letter, dated 1st April, 1930, was submitted from Mr. J. W. Crouch, the lessee, stating that the above-mentioned premises would not in future be used as a dwelling-house;

RECOMMENDED that the Clerk be directed to serve the necessary notice to the effect that the Closing Order has now become operative.

102 **Local Government Act, 1929.**—A letter, dated 17th April, 1930, was submitted from the Ministry of Health stating that the Minister had had under consideration the application made by this Council for an Order under Section 62 of the above Act, directing that the Council should become the Local Supervising Authority under the Midwives Acts, 1902/1926, for this District in place of the County Council, and that, having regard to the small number of Midwives practising in this District, he had come to the conclusion that the case was not one in which he would be justified in making an Order. The letter added that, at the same time, the Minister had considered the representation of this Council against the refusal of the County Council to delegate powers under the Nursing Homes Registration Act, but that in view of the circumstances set out above, he did not propose to give any direction to the County Council in the matter.

103 **North Circular Road—Proposed Closing of Coppets Road.**—It was reported that an inspection of the above road by the County Sub-Committee took place recently when the Chairman of the Council and the Surveyor were present; further, that it was promised at such inspection that a communication on the matter would be forwarded to the Council in due course.

104 **The Home Work (Lamp Shades) Order, 1929.**—A print of the above Order was submitted.

105 **Bye-Laws—New Streets and Buildings—Coffee Stall Adjoining The " Black Bull " Public House, Whetstone.**—It was reported that this matter had been taken up further with the owner, as a result of which the portion of the coffee stall situate within this District has been removed.

106 **Low Level Sewer.**—The Clerk reported that, in accordance with instructions, he had made tentative enquiries of the Unemployment Grants Committee as to whether they would be prepared to consider an application for a grant in aid in connection with the reconstruction of the above sewer, and that a reply had been received to the effect that, as a result of enquiries made into the circumstances of unemployment in this District, it had been decided that such an application might be entertained from the Council under the conditions set out in Parts I. and II. of Leaflet U.G.C. 25; further, that in view of the extent of unemployment in this District, the Committee would require the employment on a grant-aided scheme of men transferred from a depressed area to the extent of not less than 50 per cent. of the total number of men employed on the work.

107 **Smoke Abatement.**—A communication was submitted from the the Greater London Joint Smoke Abatement Committee stating that the question of reducing the amount of smoke emitted from the chimneys of railway locomotives had been investigated and expressing the view that active co-operation between Railway Companies and Local Authorities would do much to lessen the smoke nuisance arising from this source.

108 **Public Baths.**—

(*a*) A letter, dated 27th March, 1930, was submitted from Mr. J. Clunes, stating that he had volunteered to take an active interest in the Finchley Boys' Swimming Club attached to the Finchley Rotary Club of which he was a member, and enquiring whether he could be allowed the use of the Baths for an hour on Tuesday evenings, for the purpose of instruction, etc., and also if he could obtain tickets for the Baths at reduced rates for the boys;

RECOMMENDED—

(1) that the Chairman of the Committee and the Surveyor be authorised to arrange for such facility to be granted, if it be found to be possible;

(2) that tickets be supplied at the reduced rate agreed in the case of other Clubs.

(*b*) A letter, dated 5th March, 1930, was submitted from the Honorary Secretary of the Finchley Swimming Club stating that it was observed that the Council were considering the question of the construction of an Open Air Bath and that the Club did not think that this would meet the requirements of the District for the following reasons:—

1. An Open Air Bath could only be used for a very short period of the year.

2. Evening Swimming (which was the only time possible for the majority of Swimmers) was only practicable for two months of the year.

3. Facilities already existed in the immediate neighbourhood for Open Air Bathing, viz:—Highgate Ponds, Hendon, Hornsey and, they understood that plans were being considered by the Barnet Council.

4. The ideal time for training and learning to swim was the Winter. All Finchley Swimmers were compelled to go a considerable distance for this purpose, including children from the Council's Elementary Schools. With an open air Bath Winter Swimming would be impossible.

5. Their experience showed that a large number of Swimmers resident in the District would not use the small Bath and a still larger number would not use an open air one, but they felt sure that a large closed in bath would please everybody;

RECOMMENDED that the Club be thanked for the interest taken by them in the matter but that, at the same time, they be informed that the views expressed by them above do not coincide with those held by the Council.

(*c*) A letter, dated 12th April, 1930, was submitted from the Honorary Secretary of the Finchley Swimming Club returning 780 early morning tickets for the Swimming Bath which were unused last year. He stated that it was regretted that more were not used but that the members of the Club found difficulty in visiting the Baths in the morning, owing to the comparatively late hour of opening, and that it was felt that, if the Baths were opened half-an-hour earlier, many more members would be able to make use of these tickets. He added that with regard to this season, the Club would like to take 500 tickets;

RECOMMENDED—

(1) that the Club be allowed to take 500 tickets on similar terms to those which obtained last season;

(2) that, as an experiment, the Baths be opened during the month of June half-an-hour earlier than at present, and that the Club be notified accordingly.

(*d*) Statement (circulated) showing the number of bathers and receipts for the nine weeks ended 27th April, 1930, was submitted. Annexed.

109 Conferences.—

RECOMMENDED—

(*a*) that the Chairman of the Committee and the Medical Officer of Health be appointed to attend the 16th Annual Conference of the National Association for the Prevention of Tuberculosis to be held in London in July, 1930;

(*b*) that the Surveyor and the Medical Officer of Health be appointed to attend the Public Health Congress and Exhibition to be held at the Royal Agricultural Hall, London, in November, 1930;

(*c*) that the Sanitary Inspector be appointed to attend the 43rd Annual Conference of the Sanitary Inspectors' Association to be held in Ilfracombe, in September, 1930.

110 Maternity and Child Welfare Centre—Bourchier House.—The Committee considered the terms provisionally agreed for the acquisition of part of the above-mentioned property which had been received from the District Valuer (circulated);

RECOMMENDED that the District Valuer be informed that the Council are prepared to proceed with the acquisition of the property shown upon the plan submitted, on the terms provisionally agreed, subject to the following conditions:—

(*a*) The scheme and loan to be approved by the appropriate Government Department;

(*b*) No fees (other than the Vendor's Solicitors' costs) in respect of the negotiations to fall on the Council;

(*c*) The Council not to be liable for any roadmaking charges that may accrue by reason of the severance of this and the adjoining property;

(*d*) The type of fencing to be agreed by the Council;

(*e*) The draft Contract to be approved by the Council.

111 Removal of Refuse—Finchley Telephone Exchange.—A communication, dated 3rd May, 1930, was submitted from the Controller of the London Telephone Service, stating that the refuse at the above-mentioned premises consisted solely of ordinary domestic refuse and clinkers from the boiler used for heating the building; that it was submitted that it was not "trade refuse" and that he would be glad to learn that the Council would agree to collect the refuse in future without charge.

RECOMMENDED that, without prejudice to the legal position, the Surveyor be instructed to arrange for the collection of such refuse free of charge.

112 Refuse Collection.—

(*a*) Inspector.— The Surveyor reported that the Inspector, Mr. T. Bycroft, had commenced his duties and that the question of providing means of his traversing the District should be considered;

MATERNITY & CHILD WELFARE CENTRE -

BOURCHIER HOUSE.

Copy of Provisional Terms referred to in Clerk's Report.

---

1. (a) The full names and addresses of the vendors are as follows:-

John Feetham Sayer, Esq., 9 Clifford Street, London, and others acting as Trustees.

(b) Vendors' Solicitors - Messrs. Freeman & Son, 30a, George Street, Hanover Square, W.

2. The only other interested parties are the lessees in occupation, represented by the Clerk to the Finchley U.D.C., Council Offices, Church End, Finchley.

3. (a) The premises consist of a parcel of land forming part of the premises known as Bourchier House, Oak Lane, East Finchley, verged in red on the annexed tracing;

(b) The interest to be acquired is freehold;

(c) The area to be acquired is approximately .700 acre;

(d) Vendors retain adjoining lands on three sides.

4. The price asked for the property was £3,000 for <u>less than ½ acre</u>.

5. Consideration money has been agreed at the sum of £2,500 including damage or injury by severance to other lands of the Vendors.

6. The purchasers to erect and maintain a fence of approved design along the boundaries marked "T" on plan. The north west boundary wall to be deemed a party wall.

7. The purchase is to be completed on the 24th June next. In the event of there being any delay on the part of the purchasers, the rent payable under the lease as apportioned

to be paid from that date to the date of completion. In the event of the vendors causing delay the purchasers to pay interest at the rate of 5% per annum from the 24th June next until the date of completion in lieu of rent.

8. No tithe, land tax, fee farm, quit or corn rent, or any other charge has been disclosed, and it has been expressly agreed that the land is sold free from tithe, and/or land tax. No existing rights, covenants, or restrictions affecting the property have been disclosed, other than an easement for a soil drain which runs under the property. If on investigation of the title any of the above (other than the drain) should be discovered, the consideration money to be adjusted accordingly.

9. No Surveyors fees are payable, but the Acquiring Authority will pay Solicitors' proper costs in accordance with Section 82 of the Lands Clauses Consolidation Act, 1845.

10. The property is now in the occupation of the Finchley U.D.C. as a Child Welfare Centre, who hold the premises on lease -

11. For the purpose of stamp duty, I am of opinion that the sum of £400 may be regarded as representing the amount of compensation for injury to the remainder.

(Sgnd) J. Chandler,

F. S. I.

District Valuer,
ISLINGTON.

This (together with the preceding page) is a copy of the terms referred to in paragraph 110 of the Public Health Committee's report of the 6th May 1930.

Chairman.

RECOMMENDED that, subject to the approval of the Finance Committee, an allowance of £35 per annum be made to Mr. Bycroft, for the use in connection with his official duties, of a motor car, to be provided by him.

(*b*) Contract.—The Surveyor reported hereon;

RECOMMENDED that a further report be made by him at the Council Meeting in Committee.

113 **Proposed Public Convenience—Church End.**—The Surveyor reported upon his negotiations with the Railway Company hereon;

RECOMMENDED that he continue such negotiations on the lines indicated at the Meeting and report further at the Council Meeting in Committee.

114 **Lighting—Telephone Kiosks—Tally Ho! Corner.**—The Surveyor submitted a letter, dated 26th March, 1930, from the Post Office Authorities making application for permission to cut one 1 inch hole through the ceiling of the Public Convenience, in order that a supply of electricity might be afforded to the above Kiosks;

RECOMMENDED that such permission be granted, subject to an Agreement, in a form approved by the Clerk of the Council, being entered into.

115 **Sewage Analyses.**—It was reported that samples of effluent were taken by the Middlesex County Council from the Low Level Works on the 24th February and on the 24th March, 1930, and the analyses figures of the check samples were submitted.

116 **Bye-Laws—New Streets and Buildings—Coffee Stall—Woodhouse Road (Near Council Houses).**—The reference from the Town Planning and Open Spaces Committee hereon was considered;

RECOMMENDED that the Clerk of the Council be directed to serve notice, in the form submitted, upon the owner of the above premises under clause 95 of the Bye-laws made

by the Council with respect to New Streets and Buildings, requiring him to furnish on or before such day as is specified in such notice a statement in writing showing sufficient cause why the work in question shall not be removed, altered or pulled down.

117 **Plans.—**

(*a*) No. 7217—New Road and Sewer to be known as Ingram Avenue; and

(*b*) No. 7247—New Road and Sewers to be known as Cornwood Close.—

The above plans were submitted;

RECOMMENDED that same be approved so far as the soil sewers shown thereon are concerned.

118 **Instructions.—**

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

This (together with the preceding page) is the list referred to in paragraph 123 of the Highways and Fire and Water Committee's report of the 7th May 1930.

Chairman.

128 **Sub-Committee.**—The Committee appointed the following Sub-Committee for the ensuing year :—

WORKS.

The Chairman of the Council.
The Vice-Chairman of the Council.
Councillor Bennett.
Councillor Brown.
Councillor Grocott.
Councillor Pulham.
Councillor C. S. Syrett.

129 **Damage to Council's Property.**—It was reported that the under-mentioned properties of the Council had been damaged since last Meeting and that the matters had been dealt with :—

Tree—Corner of Great North Road and Clifford Road.
Tree—Fallow Court Avenue by Great North Road.
Lamp Column—Dollis Park.
Lamp Column—Lyttelton Road.
Lamp Column—Hutton Grove.
Tree—Junction of Regents Park Road and Etchingham Park Road.
Feeder Pillar—Granville Road.
Tree—Great North Road.

130 **Third Party Claims.**—It was reported that a number of claims had been received since last Meeting and dealt with.

131 **Insurance of Workmen—Accidents—W. Eyers, C. A. Smith and W. Bradford.**—It was reported that the above employees had, since last Meeting, met with accidents and that the matters had been dealt with.

132 **London Traffic Act, 1924—Section 4—Closing of Streets for Works.**— It was reported that communications, dated respectively the 5th and 28th March, 1930, had been received from the Ministry of Transport hereon and referred to the Surveyor for attention.

133 **Highways—Repairs.**—A letter, dated 10th March, 1930, was submitted from the Metropolitan Electric Tramways, Ltd., stating that the suggestion of putting up a screen round tramway

repairs was really impracticable; that all the excavation of the concrete was now carried out by pneumatic drills; that a broken window was a very rare occurrence and that their experience with flying stones was not the result of excavation work, but flying pebbles from under a motor or heavy lorry. They added, however, that the matter would have their continued attention and that a special record would be kept for the next six months.

RECOMMENDED that the Clerk be directed to ask the Tramways Company to be good enough to inform the Council of the result of their experience after the expiration of the period above-mentioned.

134 **Bridges Act, 1929.**—A circular letter, dated 17th March, 1930, from the Ministry of Transport hereon was submitted.

135 **Proposed Improvement—Cainsborough Road by Woodside Club.**—It was reported that a communication, dated 17th March, 1930, had been received from the Secretary of the Woodside Club, Ltd., intimating that the Club desired the Improvement Works to be carried out as soon as possible. The Surveyor reported that the cost of such Works was estimated at the sum of £140;

RECOMMENDED—

(*a*) that so soon as the Conveyance has been completed, the Surveyor be authorised to proceed with the carrying out of the Works; and

(*b*) that the matter be referred to the Finance Committee, with a view to their making the necessary financial arrangements.

136 **Arterial Roads—Lighting.**—It was reported that the Council had referred to the Committee for consideration a letter, dated 6th March, 1930, from the Ministry of Transport and also a letter, dated 12th March, 1930, from Major Cadogan, M.P., on the above subject;

RECOMMENDED that the Surveyor be directed to confer with the Chief Electrical Engineer on the matter and report at the Meeting of the Committee to be held in July next, as to the lighting of those portions of the arterial roads where development has taken place, or is likely to take place in the near future.

137 **Nether Street—Improvement—Cedar Court, Ltd.**—A letter, dated 25th March, 1930, was submitted from the Secretary of Cedar Court, Ltd., stating that it appeared from correspondence with the Council's Surveyor that the storm water which previously went through the storm sewer and well on the Company's land was now diverted to the new sewer in Nether Street and therefore Clause 3 in the draft Agreement would be incorrect; further, that his Directors had now asked him to enquire whether it would not be possible for the Council to release their Easement over the land up to the point where the sewer from the old farm buildings commenced and that they considered that any formal Agreement must be seen by their Solicitor and that the Council should pay his reasonable costs, as the whole matter had arisen over the making up of the road;

After hearing a report by the Surveyor on the matter, it was

RECOMMENDED that a reply be forwarded to the effect that, whilst the Council are prepared to agree to the release in question, they cannot see their way to accept responsibility for payment of the legal expenses referred to.

138 **Street Lighting.**—A communication, dated 26th March, 1930, was submitted from the Commissioner of Police stating that, following upon enquiries into cases of shop-breaking in the vicinity of Manor Parade, his attention had been drawn to the fact that the street lamps in the side streets of Finchley and Whetstone were extinquished at 1 a.m. It was added that the Police would be greatly assisted in their efforts to provide effective supervision if the lighting in those streets were continued until day-break;

RECOMMENDED that a reply be forwarded to the effect that the Council regret that they cannot see their way to agree thereto.

139 **Proposed Refuge—Junction of the Broadway and Hendon Lane.**—A further communication, dated 31st March, 1930, was submitted from the Finchley Ratepayers' Joint Committee urging the Committee to receive a small deputation on the above subject. The Committee agreed to receive such deputation at their next meeting;

RECOMMENDED that the action taken be approved.

140 **County Roads and Unclassified Roads.**—A letter, dated 4th April, 1930, was submitted from the Clerk of the Middlesex County Council forwarding a schedule giving particulars of certain resurfacing and improvement works along the above roads, the carrying out of which had been approved by the County Council, subject to certain conditions as therein stated;

RECOMMENDED that the matter be referred to the Finance Committee.

141 **Standardisation of Road Direction Posts—Warning Signs and Traffic Notices.**—A circular letter, dated 14th April, 1930, from the Ministry of Transport hereon was submitted;

RECOMMENDED that the Surveyor be directed to report on the matter at next Meeting.

142 **Private Street Works—20th Batch.—**

(*a*) It was reported that the Statutory Notices herein had now been served;

RECOMMENDED—

(1) that failing compliance with such notices by the owners, the Council proceed with the carrying out of the works;

(2) that advertisements be issued, when required, inviting tenders for the works;

(3) that authority be given for the appointment at the appropriate time of a Clerk of Works;

(4) that it be referred to the Finance Committee to make the necessary financial arrangements.

(*b*) A Petition, signed by the residents of St. Margaret's Avenue, was submitted, protesting against the suggested work, as detailed in the Notices served. A Memorial was also submitted from the frontage owners in Court House Road protesting against the estimate of 34s. 6d. a foot for the making up of that road; asking the Council to modify the specification and also to receive a deputation for the purpose of discussing the matter. A Memorial from residents in Fursby Avenue objecting to the

estimated cost of the works in that street was also submitted. The Committee decided to receive at their next Meeting a small deputation of the frontage owners in each of the three streets mentioned;

RECOMMENDED that the action taken be approved.

(*c*) Summerlee Avenue.—The Surveyor reported that a small triangle of the above street was in the Hornsey area and that arrangements had been made for the work to be carried out by this Council as Agents, and for the Hornsey Borough Council to serve the one owner involved with a Statutory Notice;

RECOMMENDED that the arrangement be approved.

He also intimated that this Council, as owners of Cherry Tree Wood, would be chargeable to the extent of 40 feet and that provision should be made for this in next year's estimates;

RECOMMENDED that this be agreed.

(*d*) The Ridgeway—Planting of Trees.—The Surveyor presented a Memorial received from 29 residents in the above street asking that trees might be planted therein and indicating their willingness to pay their proportion of the cost involved;

RECOMMENDED that the Surveyor inform them, in reply, that the Council are prepared to agree thereto, subject to the type of tree proposed to be planted being approved by the Council, but that, at the same time, he indicate that it would be desirable for an endeavour to be made to secure the approval of the whole of the residents in the street to the proposal.

143 **Street Widenings—Nether Street.**—A communication, dated 15th April, 1930, was submitted from Messrs. Meaby and Co. stating that they were acting for Dollis Garage, Ltd., who were erecting a garage in Nether Street, adjoining the Railway Bridge and that they understood that it was the Council's desire to acquire a strip of the frontage of the land for road widening purposes. They added that their Clients must be indemnified against payment of any road charges, paving charges or other

expenses of any kind in connection with the strip of land and the road immediately abutting on their premises and that their legal costs in the matter must also be paid;

RECOMMENDED—

(*a*) that the arrangement be approved in principle, subject to the Finance Committee agreeing thereto and to satisfactory financial arrangements being made with the County Council;

(*b*) that without prejudice the Surveyor carry out such work as may be necessary in order to afford temporary access to the Garage.

144 **Storm Damage—Braemar, Nether Street.**—The Clerk reported upon correspondence which he had had with Mr. Hope relative to the tree outside his premises;

RECOMMENDED that he be informed that the Council have been advised that the tree in question is not in a dangerous condition and therefore they cannot consent to the removal thereof at the present time.

145 **Postal Facilities.—**

(*a*) A letter, dated 22nd April, 1930, was submitted from the Post Office Authorities stating that in order to afford improved postal facilities in the Golders Green Area it was desired to remove the pillar boxes at Brooklands Hill and LytteltonRoad and re-erect them at Lyttelton Road (corner of Brooklands Rise) and Midholm (corner of Hill Top) and enquiring whether the work might be proceeded with;

RECOMMENDED that no objection be raised thereto so far as the Council are concerned.

(*b*) The Surveyor reported receipt of an application, with plan, dated 3rd April, 1930, from the Northern District Postmaster for permission to erect a pillar box at the junction of Upway and Summers Lane;

RECOMMENDED that such application be granted.

146 **Highways—Stalls.**—An application was submitted from Mr. R. McSweeney, of Churchfield Avenue, North Finchley, for consent to place a stall on wheels in front of the Tally Ho! Hotel at night for the sale of snacks, etc.;

RECOMMENDED that such consent be not granted.

147 **Wayleaves.**—The under-mentioned applications from the Post Office Authorities were submitted :—

(*b*) West side of Great North Road by Christ Church Avenue, North side;

(*c*) North-East side of Great North Road about 32 feet North of Chandos Road;

RECOMMENDED that such applications be approved, subject :—

(1) to the actual positions of the cables and poles being agreed by the Council's Surveyor;

(2) to the works being carried out to his satisfaction;

(3) as regards (9) to the Electrical Engineer seeing no objection thereto.

148 **Telephone Kiosks.**—It was reported that applications had been received from the Post Office Telephone Service for permission to erect telephone kiosks as under :—

Forecourt of Chandos Parade, High Road, Whetstone;

Great North Road, opposite to the " Black Bull " Public House;

RECOMMENDED that such applications be granted on the terms of the existing arrangement.

149 **Electric Mains.**—It was reported that applications, as under-mentioned, had been received from the Electricity Department :—

(1) Extension of cable—Dollis Road, from No. 13 to No. 55.

(2) Extension of cable—Summers Lane, from Sub-Station to Woodgrange Avenue.

(3) Feeder Pillar—Woodgrange Avenue, near No. 67.

RECOMMENDED that such applications be granted.

150 **Cables — Woodhouse Road.**—It was reported that an application, dated 7th April, 1930, with plan, had been received from the North Metropolitan Electric Power Supply Co., showing a proposal to relay their cables on the North side of Woodhouse Road from a point near to the Great North Road to opposite Petworth Road;

RECOMMENDED that such application be granted.

151 **Improvement—Great North Road by Chandos Avenue.**—The Surveyor reported that he estimated the cost of making up as part of the highway the land thrown into the Great North Road by Messrs. C. F. Day, Ltd., at the junction of Chandos Avenue, at £197;

RECOMMENDED—

(*a*) that, subject to the approval of the Finance Committee and to satisfactory financial arrangements being made with the Middlesex County Council, the carrying out of the work be approved; and

(*b*) that payment of Solicitor's costs in connection with the Conveyance be agreed.

152 **Subsidence—Regents Park Road by Cyprus Road.**—The Surveyor reported hereon and intimated that the cost of the necessary repairs to the sewer had amounted to £64 9s. 11d.;

RECOMMENDED that, subject to the approval of the Finance Committee, 50 per cent. of this expenditure be borne by the Council.

153 **Sky Signs.**—The Surveyor reported receipt of applications from the Solaflex Signs Amalgamated, Ltd. for permission to erect signs in the under-mentioned positions:—

(1) Refreshment Bar, Hall Street;

(2) 16, Grove Parade, East Finchley;

(3) 1a, Station Road;

(4) 13a, Station Road;

RECOMMENDED that the Surveyor reply to the effect that the Council cannot see their way to grant such applications.

154 **London General Omnibus Company—Timetables.**—The Surveyor submitted an application from the above Company for permission to affix timetable boards, measuring 11 inches by 29 inches in the positions described below:—

(1) Hampstead Lane, junction of Winnington Road;

(2) Street Sign Post, Hampstead Lane, junction of The Bishop's Avenue;

RECOMMENDED that such application be granted, subject to the Company entering into an Agreement in a form approved by the Clerk of the Council.

155 **Direction Sign—Manor Park Mission.**—The Surveyor submitted a letter, dated 24th April, 1930, from Mr. E. C. Bolton, for permission to affix to the lamp-post at the corner of Brackenbury Road and East End Road a sign 20 inches by 4 inches indicating the direction of the Manor Park Mission;

RECOMMENDED that such application be granted, subject to Mr. Bolton entering into an Agreement in a form approved by the Clerk of the Council.

156 **Council Employee—Scavenger A. Smith.**—The Surveyor reported upon the death of the above employee, which took place on the 2nd May, 1930.

157 **Plan No. 7217 — New Road to be known as Ingram Avenue.**—The Surveyor reported hereon;

RECOMMENDED that so far as this Committee is concerned the plan be approved, subject to an Agreement being entered into, in a form approved by the Clerk of the Council, with regard to the piping of the ditch.

158 **Proposed Shops and Garages—East End Road, near to East End House.**—It was reported that a plan showing a proposed development in the above road on a site adjacent to East End House was approved at the last Meeting of the Town Planning and Open Spaces Committee and that, in connection therewith, the owner had offered to convey a strip of land to the Council; further that the view had been expressed by the Town Planning and Open Spaces Committee that no legal costs in connection with the proposals should fall upon the Council;

RECOMMENDED that, subject to the approval of the Finance Committee and to satisfactory financial arrangements being made with the Middlesex County Council, the offer be accepted.

159 **Instructions.—**

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

L. W. BENNETT,

Chairman.

ALLOTMENTS COMMITTEE'S REPORT.

8th May, 1930.

Present: Councillors Langlands, Pateman, Pulham, Wells and Williams, and Messrs. Robin, Rolfe, Sunderland and Tayler.

160 **Chairman—Appointment of.—**

RECOMMENDED that Councillor Pulham be appointed Chairman of the Committee for the ensuing year.

161 **Vice-Chairman—Appointment of.—**

RECOMMENDED that Councillor Langlands be appointed Vice-Chairman of the Committee for the ensuing year.

162 **Minutes.**—The Minutes of last meeting (submitted) were taken as read, confirmed and signed.

163 **Allotments.—**

(*a*) Gordon Road—West Side.—It was reported that the sale of the above land to the Council had now been completed and arising thereout, the Surveyor intimated that the question of the fencing of the portion of the land abutting upon Gordon Road should receive attention, and submitted an estimate for the work amounting to £29, made up as follows:—

	£	s.	d.
Supply and erection of chain link fencing 4 feet 6 inches high—as per quotation of The Penfold Fencing Co.	25	18	6
Removal of old fence, provision of concrete foundation and contingencies	3	1	6
	£29	0	0

Instructions were given to the Surveyor to accept the quotation of The Penfold Fencing Co. and to arrange for the whole of the work to be put in hand forthwith;

RECOMMENDED that the action taken be approved.

(*b*) East Finchley and Cherry Tree Hill.—The Clerk reported that Agreements for the sale and purchase of the above land had now been exchanged.

(*c*) Town Planning—Reservation of Land for Allotments.—

(i) It was reported that the Council's Town Planning Scheme No. 1 provided for the reservation of two areas of land for allotments purposes, namely, Cherry Tree Hill (2a. 1r. 33p.) and Finchley Manor (13a. 2r. 32p.); that in view, however, of an objection lodged by the owner the Council had resolved that the latter area be withdrawn from the Scheme;

RECOMMENDED that the Town Planning and Open Spaces Committee be asked to schedule land in Town Planning Scheme No. 2 to accommodate the allotment holders who will be dispossessed when the Lease of the Finchley Manor Allotment land expires in 1935.

(ii) The Clerk reported that he had been informed by the Assistant District Commissioner of the Ministry of Agriculture and Fisheries at a recent interview that the Minister, when considering, in connection with Town Planning Scheme No. 2, whether the Council had had due regard to the allotment needs of the District, would take into account existing allotment land within the area of the Scheme only if it were scheduled as such;

RECOMMENDED that the Town Planning and Open Spaces Committee be asked to consider the advisability of showing upon Map No. 4 of Town Planning Scheme No. 2, all lands within the area of the Scheme which have already been acquired by the Council for the purposes of permanent allotment gardens.

(iii) Arising further out of the above interview it was reported that the Officer had suggested that the Committee should consider the question of recommending the reservation as allotment gardens under the Scheme of the allotments having an area of about 33 acres owned by the Finchley Charities;

ALLOTMENTS *(continued).*

RECOMMENDED that the Clerk be instructed to ascertain from the Finchley Charity Trustees whether (1) the lands owned by them and now used as alloments are restricted for use only as allotment gardens, and (2) they would raise any objection to such lands or part of them being scheduled as permanent allotments under the Council's Town Planning Scheme No. 2.

(*d*) Whetstone Stray.—Applications for abatement of rent in respect of plots situate at above on account of the bad condition of the ground were submitted from the following :—

Tenant of Plot No.	Field.
10	4
13	2
12	2

RECOMMENDED that in the case of the Tenant of Plot No. 10 (4) he be allowed the use of the plot rent free until the 29th September, 1930, and that in the other two cases the tenants be allowed the use of the plots rent free until the 24th June, 1930.

164 **Instructions.—**

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

S. PULHAM,

Chairman.

(d) Claimants retain freehold lands on the north side of the road and will remain in occupation of certain lands on the south side of the road until the expiration of their lease or any extension of the term thereof.

4. The Local Authorities concerned have agreed to accept the monetary or other adjustment estimated by the District Valuer.

5. It has been agreed that the freehold interest in certain lands shall be exchanged and conveyed to the vendors as follows:- .300 acre tinted red subject to building line by the joint Metropolitan Borough Councils of Islington and St. Pancras; .300 acre verged red subject to building line by the Metropolitan Borough Council of Islington, and 7.90 acres verged green subject to building line by the Metropolitan Borough Council of St. Pancras, and it is considered that the Finchley U.D.C. should not pay any sum to the Acquiring Authority to balance the transaction as the results of taking into account loss of lands and consequential injury.

6. The lands for the road having been entered upon and other lands severed before possession of certain lands described in para. 5 above are given, interest at the rate of 5% per annum is to be paid from the date of entry until the date of completion of the deeds of exchange on the sum of £1,900.

7. It is understood that any rights of access or other rights given to Vendors to construct works on or otherwise to interfere with slopes or embankments are to be exercised subject to the previous approval of the County Council and under the supervision of the County Engineer, and on the terms that any damage so caused is to be made good by the person exercising such rights.

8. Information with regard to the apportionment of rent - in respect of enclosures 197, 198, 189, on plan, also Nos. 238 and 199,

(a) Names and addresses of parties concerned are as follows:-

(i) Landlords - The Metropolitan Borough of St. Pancras, Town Hall, Pancras Road, N.W.1.

(ii) Tenants - The Finchley Urban District Council, Hendon Lane, Finchley, N. 3.

(b) Terms of tenancies -

(i) Lease from 25.12.1910 for 21 years, tenant paying rates;

6.

9.

10.

11.

12.

13.

14.

8. (c) Total yearly rent - £100 per annum for 32.800 acres in all;

(d) Rent apportioned on property to be acquired from St. Pancras has been agreed at £45 per annum as from date of entry.

9. (a) None of the following charges have been disclosed - tithe, land tax, fee farm or quit or corn rent, land improvement charge, heriots fines, etc. rates made by Commissioners of Sewers, or any other charge ;

(b) Such being the case no apportionments are applicable;

(c) It has been expressly agreed that the land is to be sold or exchanged free from tithe, and land tax.

10. No Surveyors fees are payable, but Vendors' Solicitors costs, if any, will be defrayed by the County Council.

11. Acquiring Authority are to erect along the whole of the north boundary of the new road between the Great North Road and Coppetts Road on completion of the road works an unclimbable iron fencing with gates where required between the Great North Road and the point marked "z" on plan. The type of fencing and the line to which it is to be erected is to be agreed with the County Engineer, but the cost is not to exceed 30/- per lineal yard, also between the point "z" and Coppetts Road a brick wall 8 ft. high of the type agreed with the County Engineer at a cost not exceeding 80/- per lineal yard.

12. During the works the Acquiring Authority will keep remaining lands enclosed by temporary fencing and put in gates where required for access. On completion of the works this fence is to become the property of the freeholders and be maintainable by their lessees until the termination of the lease or until such time as the permanent fence is erected by the freeholders.

13. No existing rights, covenants, or restrictions affecting the property have been disclosed other than an open watercourse and storm water culvert alongside the western boundary of the sewage disposal works indicated on plan by a dotted blue line.

14. The vendors sewage disposal works will be severed and it will be necessary for them to construct new tanks as the results of relinquishing possession of the leasehold lands.

15. (a) With reference to the severed leasehold lands -

(i) The Acquiring Authority is to construct 15" pipes under the road as per County Engineer's drawing No. 4639 so that the lands lying to the south can be continued in use as part of the Sewage Disposal Works;

(ii) If the Finchley U.D.C. continue in possession and the new fence as agreed with the freeholders is erected before the expiration of the lease provision for reasonable access from the new road is to be arranged;

(b) If and when required by the Acquiring Authority the vendors will convey direct

(i) to the Islington Borough Council the piece of land tinted blue and cross hatched blue on plan, comprising about .301 acre, subject to building line;

(ii) to the joint Metropolitan Borough Councils of St. Pancras and Islington, the two pieces of land tinted purple on plan comprising about .144 acre, subject to building line.

(Signed) J.Chandler, F.S.I., F.A.I.,

District Valuer,
15th May, 1929.

This (together with the three preceding pages) is a copy of the report of the District Valuer referred to in paragraph 170 of the General Purposes Committee's report of the 13th May 1930.

Chairman

171 **Council Offices—Closing of—Whitsun Vacation.—**

RECOMMENDED that the above Offices be closed on Whitsun Bank Holiday and on the previous Saturday, subject to an Official in each Department being in attendance on the Saturday to deal with any urgent business.

172 **Local Government and Other Officers' Superannuation Act, 1922.—**

(*a*) Vacant Designated Posts.—A communication was submitted from the Secretary of the Education Committee stating that, in January last, the under-mentioned commenced duty under this Authority :—

Mr. H. O. Tomkins—School Attendance Officer;

Mr. G. G. King—Clerk, Education Department;

that each of these Officers had now rendered three months' service, and that satisfactory medical certificates had been received;

RECOMMENDED that the persons named in Column 1 of the following statement occupy, as from the dates mentioned in Column 4 thereof, the designated posts set opposite to their respective names :—

Name (1)	Designated Post (2)	In lieu of (3)	Date from which to occupy post (4)
Mr. H. O. Tomkins.	Education Department, School Attendance Officer.	Mr. E. Gilbert (resigned).	1st June, 1930.
Miss L. Day.	Education Department—First Assistant.	Miss D. Lidington (resigned).	1st June, 1930.
Mr. G. G. King.	Education Department—Clerk.	Miss L. Day.	1st June, 1930.

(*b*) Additional Designated Post.—A letter, dated 5th April, 1930, was submitted from the Ministry of Health, stating that the Minister had approved the resolution passed by this Council on the 24th March, 1930, designating as established for the purposes of the Act, the additional post of Refuse Collection Inspector specified therein.

173 **Hornsey, Wood Green and District War Pensions Committee.**—A communication, dated 3rd May, 1930, was submitted from the Ministry of Pensions stating that, in consequence of the resignation of Ex-Councillor F. H. Agar, a vacancy had arisen upon the above Committee, and asking that the Council would be so good as to nominate another representative;

RECOMMENDED that Councillor Ryan be appointed to serve on the Committee *vice* Ex-Councillor Agar.

174 **Staff.**—

(*a*) Absence through illness.—The names of those members of the staff who had, since last Meeting, been absent through illness were submitted;

RECOMMENDED—

(1) that as regards Mr. H. Lawford, First Clerk, Surveyor's Department, leave of absence with full pay be extended until the date of the Ordinary Meeting of the Council in June, 1930;

(2) that as regards Mr. W. J. Hall, Farm Clerk, leave of absence with full pay be extended for a further period of three months from 26th May, 1930;

(3) that the Surveyor be authorised to arrange for the continuance of temporary clerical assistance in his Department, consequent upon the illness of the First Clerk, until the date of the Ordinary Meeting of the Council in June, 1930, at a cost at the rate of £4 10s. 0d. a week.

(*b*) Medical Officer of Health—Increase in Salary.—

RECOMMENDED that the increment in salary granted to the Medical Officer of Health as from 1st April

last be apportioned equally between educational purposes and general district services.

(*c*) Surveyor's Department—Typists.—The Surveyor reported that, in accordance with the authority given at the last Meeting of the Council, Miss I. Nobbs and Miss M. E. White had been appointed as Junior Typists at a salary of £65 per annum in each case, and that they commenced their duties on the 30th April, 1930.

175 **Travelling Facilities.—**

(*a*) Councillor Bennett read a communication which he had addressed, on the 16th April, 1930, to the General Manager of the London Electric Railway, and also the reply dated 29th April, 1930, which he had received thereto;

RECOMMENDED that each of these communications be read at the Council Meeting.

(*b*) A Report of the proceedings at a Meeting of the North London Travelling Facilities Committee held on the 5th March, 1930, was submitted.

(*c*) A letter, dated 8th May, 1930, was submitted from the Clerk of the Barnet Council stating that his Council might be prepared to adopt similar action to that taken by this Council in relation to the electrification of the High Barnet Branch Line, but that they would first wish to receive a definite assurance that, if electrification were proceeded with, the High Barnet Branch Line would be dealt with simultaneously with the other sections proposed to be electrified. He added that this point was being pursued and that it might be of assistance to all concerned if this Council could also have some regard thereto.

The Committee instructed the Clerk to reply to the effect that the matter would be referred to this Council's Witness before the House of Lords Committee;

RECOMMENDED that the action taken be approved.

176 **Council Offices.—**

(*a*) A communication was submitted from the Secretary of the Finchley Memorial Hospital conveying to the Council the

thanks of the Committee for the use of the Council Chamber for the Annual Meeting of the Hospital held in April last.

(*b*) A communication was also submitted from the Honorary Secretary of the Collegians' Club enquiring whether such Club might have the use of a room for meetings at the Council Offices on one evening a week during next winter, and if so on what terms;

RECOMMENDED that the Clerk reply to the effect that the Council regret that they are unable to offer any such accommodation but that, at the same time, he intimate that a room at one of the Council's Schools might be placed at the disposal of the Club on the usual terms, if application were made therefor.

177 **Finchley Urban District Council Act, 1908—Advertising Vehicle.**—It was reported that the Council had referred to the Committee for consideration a letter, dated 11th March, 1930, from the Advance Laundries, Limited making application for the Council's consent under Section 68 of the above-mentioned Act to use a vehicle exclusively for the purpose of displaying advertisements;

RECOMMENDED that such consent be not given by the Council.

178 **Urban District Councils' Association.**—

(*a*) Election of Executive Council.—Voting paper in connection with the above was submitted;

RECOMMENDED that same be left to the Clerk to deal with.

(*b*) Conference—Colwyn Bay, 1930.—Referring to Minute No. 1752 (1929/30) it was

RECOMMENDED that Councillor Bennett be appointed as one of the Council's representatives to the above Conference should the Chairman of the Council be unable to attend.

179 **Complaint re Noise—Tramway Depot.**—A communication, dated 18th April, 1930, signed by five residents in Christchurch Avenue, was submitted, drawing attention to the noise which, they stated, emanated nightly from the dynamo or other electrical machinery at the Tramway Depot adjoining that road, and enquiring whether the Council would make representations to the Company, with a view to steps being taken to obviate the nuisance;

RECOMMENDED—

(*a*) that the Clerk be directed to communicate with the Company on the matter; and

(*b*) that the complainants be informed of the action taken by the Council.

180 **Joint School for Mentally Defective Children—Oak Lane.**—A communication, dated 3rd May, 1930, was submitted from the Secretary of the Education Committee stating that that Committee had had before them a Report of the District Valuer in regard to the above and that they had approved the terms of purchase contained therein. He added that they recommended that the purchase of the property be completed and that they had suggested that, in negotiating for the purchase, it might be desirable so to arrange that the property be conveyed to this Council and suitable arrangements made with the other two Authorities concerned, namely Hornsey and Wood Green, as to joint user thereof;

RECOMMENDED that such suggestion be not adopted by the Council.

A further letter, dated 5th May, 1930, was submitted from the Secretary of the Education Committee forwarding copy of the following communication received by him from the Secretary to the Managers of the Joint School:—

> "Adverting to the report, dated 14th April, 1930, from the District Valuer with reference to the above, I beg to inform you that the Managers of the Joint Special School at their meeting on Tuesday last, agreed to recommend to the three Constituent Authorities:—
>
> (*a*) That the property be purchased jointly by the three Constituent Authorities for the sum of £2,600, together with any necessary costs, and

(*b*) That the Town Clerk of Hornsey be requested to act for the purchasing Authorities.

I understand that your Committee have already recommended the Council to agree to the purchase of the property, and I should be obliged if you would arrange for the second portion of the Managers' resolution to be submitted to the appropriate Committee."

RECOMMENDED that the above recommendations be adopted by the Council.

181 **Open Spaces—Proposed Golf Course—Nether Court, Frith Grange and Land Adjoining.—**

(*a*) A communication, dated 7th April, 1930, was submitted from Mr. C. J. R. Lane, of 5, Grosvenor Road, stating that he was informed that this Council were proposing to close the footpath through the fields to Frith Lane and that he desired to record his emphatic protest. He pointed out that the walk had been a source of pleasure to large numbers of people for many years and that the new footpath which had been constructed did not compensate for the original one;

RECOMMENDED that the Clerk be directed to reply to the effect that, had it not been for the action of the Council in purchasing the Estates, development would in all probability have taken place.

(*b*) A letter, dated 3rd April, 1930, was submitted from Mr. William Hollis stating that he understood that the Council had some land for disposal adjoining the Golf Course and that he would be glad to receive particulars of the various sites, as he had several applicants who had approached him in regard thereto;

RECOMMENDED that no action be taken in the matter at present.

182 **Council Employees.—**

(*a*) A. Kimpton—Sick Pay.—The Surveyor reported further on this case, and intimated that the Highways and Fire

and Water Committee had suggested that half-pay be continued until the date of the Ordinary Meeting of the Council in July, 1930;

RECOMMENDED that this be agreed.

(*b*) Compassionate Grant.—The Surveyor reported that Scavenger A. Smith had passed away on 2nd May, 1930, and that he had received a communication from the son of the deceased making application, on behalf of his mother, for financial assistance;

RECOMMENDED that a gratuity of 10/- a week be granted to the widow until the date of the ordinary meeting of the Council in June, 1931, under the provisions of Section 70 of the Finchley Urban District Council Act, 1908.

183 **Housing.—**

(*a*) Scheme No. 3.—The Surveyor presented an amended plan received from the Southgate and District Gas Company showing a proposal to lay 6 inch and 4 inch mains in the roads included in the above Housing Scheme;

RECOMMENDED that such plan be approved by the Council.

(*b*) Scheme No. 5.—The Surveyor reported that Mr. William Prentice, of Herne Hill, had been appointed Clerk of Works in connection with the above, at a wage of £7 per week;

RECOMMENDED that such appointment be approved by the Council.

184 **Fences—Brinkler's Cottages—Woodhouse Road.**—Attention was drawn by the Surveyor to the bad condition of the fencing around the above Cottages;

RECOMMENDED that he be instructed to arrange for such fences to be repaired in as economical a manner as possible.

185 **Proposed School—Woodhouse Estate.**—The Surveyor reported that the Education Committee were desirous that the preparation of the plans for the proposed new school on the above Estate should be proceeded with as soon as possible;

RECOMMENDED—

(*a*) that authority be given to the Surveyor to engage a Temporary Architectural Assistant at a salary of £7 7s. 0d. a week; and

(*b*) that the Surveyor report to the Committee, after the expiration of a period of three months from the date on which such Temporary Assistant commences his duties, as to what progress has been made in the matter.

186 Instructions.—

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

D. A. A. MERRY,

Chairman.

ELECTRICITY COMMITTEE'S REPORT.

23rd April, 1930.

Present : Councillors Bennett, Brown, Merry, Ryan, H. O. Syrett, Wells and Williams.

187 **Chairman.—**

RECOMMENDED that Councillor H. O. Syrett be appointed Chairman of the Committee for the ensuing year.

H. O. SYRETT,

Chairman.

ELECTRICITY COMMITTEE'S REPORT.

14th May, 1930.

Present: Councillor H. O. Syrett (Chairman), Councillors Bennett, Brown, Pocock, Ryan and Wells, and Mr. R. A. Marples.

188 **Minutes.**—The Minutes of a Meeting of the Committee held on the 12th March, 1930, were taken as read, confirmed and signed.

189 **Vice-Chairman.**—

RECOMMENDED that Councillor Bennett be appointed Vice-Chairman of the Committee for the ensuing year.

190 **Requisitions.**—

RECOMMENDED that the list of requisitions (circulated) be approved. Annexed.

191 **Accounts Sub-Committee.**—The Chairman of the Committee reported that, as the above Sub-Committee had not been re-appointed for the ensuing year, he had examined the accounts and had found same to be in order.—APPROVED.

192 **Coal.**—It was reported that the present stock of coal was about 820 tons as compared with 1,300 tons at the March Meeting;

RECOMMENDED that the purchase of the following "spot" lot at the price mentioned in the Report of the Chief Electrical Engineer be approved:— See below

49 tons Yard Slack.

193 **Boilers.**—It was reported that the Insurance Company had examined No. 5 Boiler and Superheater internally and externally with hammer test; that they had drawn attention to slight hogging of some of the water tubes and slight pitting and wasting in the steam and water drum, and also to certain other minor defects which had since been remedied. It was also reported that the Company had intimated that the Boiler was satisfactory for further service.

The following is the price of the Slack referred to in paragraph 192 above:-

49 tons Yard Slack @ 17s. per ton.

Chairman.

194 **Turbines.**—It was reported that the 3,000 k.w. Turbine would shortly be opened up for inspection and minor overhaul and that the Chief Electrical Engineer proposed visiting the Makers' Works at an early date, in order to arrange for a further slight improvement in this Turbine's efficiency. It was also reported that the Chief Electrical Engineer did not anticipate that it would be necessary to overhaul the other two turbines this year but that the auxiliary gear would be overhauled and that it might be necessary to open up for inspection.

195 **Feeder Pillar.**—It was reported that during the early hours of the morning of Good Friday some unknown vehicle collided with the feeder pillar in Granville Road (at the Great North Road end); that the pillar was somewhat seriously damaged but that the supply was not affected.

196 **Consumers' Services.**—The Chief Electrical Engineer reported that, owing to minor difficulties which had arisen in the carrying out of the works as outlined in Minute No. 1602 (1928/29), some modification of such Minute appeared to be desirable;

RECOMMENDED—

(*a*) that the Minute above-mentioned be rescinded;

(*b*) that in any case where, in the opinion of the Chief Electrical Engineer, a second or additional service connection is necessary or desirable for affording a supply of electricity to any premises, such second or additional service connection be laid and connected without charge to the consumer for a distance up to 60 feet from any distributing main.

197 **Middlesex County Council Bill, 1930.**—The Chief Electrical Engineer reported as follows :—

> "Part 5 of this Bill dealt with electricity matters and included a number of clauses which if accepted by Parliament, would have been of advantage to your undertaking.
>
> There were certain petitions lodged against the Bill by various parties and conferences were held which, at the request of the Clerk of the Council, I attended on your behalf.

1 ==========

This is the list of requisitions referred to in paragraph 190 of the Electricity Committee's report of the 14th May 1930.

Chairman.

As the result of these conferences, agreement was come to with the petitioners, excepting only the Gas Light & Coke Co., whose opposition was primarily against another part of the Bill.

On Saturday, the 5th April, I was requested by the Middlesex County Council, to be ready to appear before the House of Lords Committee, at 11.0 a.m., on Monday, the 7th April, as the technical witness in support of part 5 of the Bill.

I prepared my proof of evidence and attended a Conference with counsel, at 10.30 a.m., on the 7th April.

The Gas Light & Coke Company were the only remaining petitioners against.

I much regret to report that the arguments of principle put forward by counsel for the Gas Light & Coke Company impressed the Committee so much with the difference between the relation of the L.C.C. to the Metropolitan Boroughs and that of Middlesex, or any other County Council, to the contained local authorities, that the Committee struck out Part 5 on principle, as set out in the Gas Light & Coke Company's petition, paragraph 14.

I am very sorry that this obviously convenient method of obtaining the benefit of clauses which have been accepted by Parliament, does not appear open to us without the unnecessary expense and trouble of individual application to Parliament by each Local Authority."

198 **Staff—Electricity Department—Engineering Assistant.**—The Chief Electrical Engineer reported that Mr. Lloyd Lewis, having accepted an important position elsewhere, had resigned his appointment under the Council and that, by special request, he had agreed to release him from the 14th instant.

199 **Applications for Supply.**—The Chief Electrical Engineer submitted the following report :—

200 **Extensions of Plant.—**

(1) Mains.

(*a*) It was reported that, in accordance with instructions, mains had been laid since last Meeting in Upway, Church Lane, North Circular Road, Great North Road and Ossulton Way; further, that as a matter of urgency the main in Hervey Close had been extended at a cost of £46;

RECOMMENDED that this be approved.

It was also reported that the Council at their Meeting on the 24th March, 1930, had sanctioned an expenditure of £125 for the extension of the main in Dollis Road;

RECOMMENDED that authority be given for the mains to be extended in Sandringham Gardens at an estimated cost of £164; in Strathmore Gardens at an estimated cost of £166, and in Leicester Road (for interconnecting purposes) at an estimated cost of £200.

It was further reported that, in consequence of notice having been received terminating the easement for the temporary main from Windermere Avenue to the Hampstead Garden Suburb, it was necessary for this main to be removed and relaid and

that it was desirable that the other temporary main from Regents Park Road to the Hampstead Garden Suburb should be removed and relaid at the same time; that the estimated works chargeable to Capital Account would be approximately £560 and that the amount chargeable to Revenue Account would be approximately £116;

RECOMMENDED that the carrying out of the works be approved.

(*b*) Mains and Consumers' Services—Proposed Loan, £18,000.—The Chief Electrical Engineer reported that the loan raised by the Council in 1928 had now been expended;

RECOMMENDED—

(1) that the Clerk be directed to make application to the Electricity Commissioners for sanction to the borrowing by the Council of a further sum of £18,000; and

(2) that the action proposed to be taken be reported to the Finance Committee.

(2) Rectifier Sub-Station Extensions, 1930.—Proposed Loan, £5,743.—The Clerk reported that the Electricity Commissioners had issued their formal sanction to the borrowing by the Council of the sum of **£5,741,** repayable as to £541—Building (Sub-Station)—in 30 years, as to £1,227—Mains—in 25 years and as to £3,973—Plant (Sub-Station Equipment)—in 20 years.

The Chief Electrical Engineer reported that he had placed orders for the rectifier plant, the high tension switch gear and for the extension to the Summers Lane building, and that the work was now in hand.

201 **Accounts Sub-Committee.**—The Committee appointed the above Sub-Committee for the ensuing year as follows:—

The Chairman of the Council.
The Vice-Chairman of the Council.
Councillor Bennett.
Councillor Pocock.
Councillor H. O. Syrett.

202 **Rural Amenities.**—A circular letter, dated 31st March, 1930 from the Electricity Commissioners hereon was submitted.

203 **Conference of Local Authorities Owning Electricity Undertakings in Greater London.**—A communication was submitted from the Honorary Secretary of the Conference asking to be informed of the names and addresses of this Council's representatives appointed to serve on the Conference for the ensuing year;

RECOMMENDED that Councillors Bennett and H. O. Syrett, together with the Clerk of the Council and the Chief Electrical Engineer be so appointed.

204 **Insurance of Workmen—Accidents—L. C. Durrant and A. Roberts.**—It was reported that the above employees had since last Meeting met with accidents and that the matters had been dealt with.

205 **Damage to Council's Property.**—It was reported that the under-mentioned property of the Council had been damaged since last Meeting and that the matter had been dealt with:—

Ford Motor Van.

206 **National Co-operative Research for the Electrical Industry.**—Referring to Minutes Nod. 536 and 765 (1929/30), the Committee considered a further communication, dated 7th May, 1930, from the British Electrical and Allied Industries Research Association enclosing a list of Undertakers who had already responded to the appeal, and asking that the matter might receive further consideration;

RECOMMENDED—

(*a*) that a contribution of 10 guineas per annum be made by the Council to the Association;

(*b*) that enquiry be made of the Association as to whether there is any likelihood of the Government renewing their support.

207 **Instructions.**—

RECOMMENDED that the instructions given to the Chief Electrical Engineer, as entered in his Instruction Book, be approved.

212 **Small Dwellings Acquisition Acts.—**

(*a*) Loan—£50,000.—A letter was submitted, dated 5th April, 1930, from the Ministry of Health, forwarding formal sanction to the borrowing by the Council of the sum of £50,000, repayable within a period of 20 years, for the purpose of advances under the provisions of the Small Dwellings Acquisition Acts.

(*b*) Advances—£6,650.—

RECOMMENDED—

(1) that advances with interest at the rate of £5¾ per centum per annum be made to the applicants mentioned in the list circulated herewith, subject to satisfactory references being received;

(2) that the Clerk take up from the Public Works Loan Board the sum of £6,650, being the amount of such advances;

(3) that the Clerk be authorised to approve the Order for Certificate;

(4) that the Common Seal of the Council be affixed thereto and to the Receipt therefor;

(5) that the granting of advances of £680 and £700 to the persons opposite to whose names in such list under the heading "required later" those sums are indicated be approved, and that the advances be made when required by the applicants;

(6) that the fee of the Public Works Loan Board be paid by the Council.

In accordance with the authority delegated to this Committee by the Council, it was

RESOLVED that the Clerk be instructed to make application to the Public Works Loan Board for advance to the Council of the sum of £6,650.

(*c*) Approved Advances.—The Accountant reported that including the sums recommended at this meeting, but ex-

Chairman.

C. F. CARPENTER,
Accountant.

213 **County Expenditure.**—The following resolution passed by the Hampton Urban District Council at a meeting of that Authority held on the 8th April, 1930, was submitted:—

> "That the Council express their alarm and disquietude at the ever-growing expenditure of public money by the Middlesex County Council; and that a copy of this resolution be circulated to other Local Authorities in the County, with an invitation for their co-operation in a concerted movement to bring pressure to bear upon the County Council to curtail expenditure in every way possible;"

RECOMMENDED that the Hampton Urban District Council be informed that this Council are prepared to support concerted action in this matter.

214 **Street Widenings—Regents Park Road at Junction with Gravel Hill.**—A letter was submitted, dated 28th March, 1930, from the Middlesex County Council, stating that the County Council were of opinion that the proposal of this Council to set back the frontage line of Derwent House, situate at the junction of Regents Park Road and Gravel Hill, was not one which would materially improve the traffic conditions prevailing along Regents Park Road, except to provide an improved sight line for traffic entering the main road from Gravel Hill, and that the County Council had accordingly adopted a resolution agreeing to contribute a sum not in excess of £21 towards the cost of the work, subject:—

(*a*) to the Ministry of Transport contributing 60 per cent. of the total cost involved;

(*b*) to the work being carried out to the satisfaction of the County Engineer and Surveyor and in accordance with plans and specifications approved by him;

(*c*) to the accounts of the District Council in connection with the work being audited by the County Engineer and Surveyor.

The Clerk reported that it was hoped that the County Council and the Ministry of Transport would between them bear the whole of the cost of the improvement in question, but it would now appear that 20 per cent. of the total cost (namely £21) would fall upon this Council;

RECOMMENDED—

(1) that the terms of the resolution of the County Council be accepted;

(2) that a supplementary estimate to cover the expenditure involved be approved.

215 **Unemployment Works—Sewage Disposal Works Extensions, 1930—Proposed Loan—£33,000.**—It was reported that on the 30th April, 1930, the Minister of Health held an Inquiry into the Council's application for sanction to a loan of £33,000 in respect of extensions at the Sewage Disposal Works.

216 **County Roads and Unclassified Roads.**—A letter was submitted, dated 4th April, 1930, from the Clerk of the Middlesex County Council stating that at the last meeting of the County Council a resolution was adopted approving of certain resurfacing and improvement works being carried out along county roads and unclassified roads at a cost not exceeding the amount submitted, subject to the following conditions :—

(*a*) To the Ministry of Transport contributing 60 per cent. of the cost of the works on Class "1" Roads and 50 per cent. of the cost on Class "11" Roads;

(*b*) To the works being carried out to the satisfaction of the County Engineer and Surveyor and in accordance with plans and specifications approved by him;

(*c*) To the expenditure of the Local Authorities being audited by the County Engineer and Surveyor;

(*d*) To loans being raised by the County Council to meet the cost of the works where the contribution of the County Council exceeds £2,000;

(*e*) To the consent of the Ministry of Health being obtained for the raising of the necessary loans;

(*f*) To the value of such old materials as are not utilised in connection with the work being deducted from the total cost of the work;

(*g*) To the submission of tenders for approval where required.

Present: Councillor Pike (Chairman), Councillors Jones, Langlands, Merry, Pateman, Pulham, Mrs. Timberlake and Wells, and Councillors Ryan and H. O. Syrett (Non-Members).

(1) **Glebe Land—Site " G."**—A communication, dated 5th May, 1930, was submitted from the Chairman of the Finchley Football Club enclosing a cutting from the " Daily Chronicle " relative to the position of the Club in connection with its re-election to the Athenian League.

The Clerk was instructed to communicate forthwith with the President of the Athenian League, pointing out that all the modifications in the plans of the Grand Stand suggested by himself and the Secretary of the League at the interview which took place some months ago had been embodied therein and that the work was now in hand, and that it was fully anticipated that the stand would be completed by the 1st September next.

The Committee desired the Clerk to add that no avoidable delay in dealing with the matter had occurred; that there were a number of formalities which had to be observed before the Contract could be let and that the Council deemed it desirable in the interests of the general public to obtain expert advice in connection with the structure, and for this purpose they had consulted Sir Owen Williams, who was responsible for the Wembley Stadium; that the Committee were profoundly concerned to learn that it had been suggested that Finchley should not retain its membership of the League, and in view of the fact

that the Council had embarked upon heavy expenditure to assist the Club and that the stand, when completed, would be one of the finest attached to any ground around London, it was confidently hoped that on re-consideration of all the facts, the League would not act in the manner suggested in the newspaper cutting.

The Clerk was also directed to forward a copy of the above communication to the Finchley Football Club;

RECOMMENDED that the action taken be approved.

(2) **Land by Broughton Avenue.**—Reference was made by the Surveyor to a communication from the Medical Officer of Health relative to the condition of the above, and instructions were given to him to arrange for the filling up thereof, and subsequent covering with turf;

RECOMMENDED that the action taken be approved.

A. T. PIKE,
Chairman.

RECOMMENDED that the report be received and adopted.

Arising out of paragraph (1) a letter, dated 7th May, 1930, from the President of the Athenian Football League was submitted.

271 **Highways and Fire and Water Committee.**—A report of this Committee, dated 7th May, 1930, was submitted and considered; Annexed

RECOMMENDED that the report be received, adopted and entered on the Minutes of the Council.

272 **General Purposes Committee.**—A report of this Committee, dated 13th May, 1930, as under-printed, was submitted and considered :—

Present: Councillor Merry (Chairman), Councillors Bennett, Briant, Pike, Sommerfield, C. S. Syrett, H. O. Syrett and Wells.

Avenue House—Use of.—The Deputy Clerk reported that, in accordance with the resolution of the Council hereon, instructions to prepare a Scheme had been forwarded to Counsel (Mr.

H. O. Danckwerts) and he submitted a draft scheme for the Committee's approval. The Committee considered several points arising thereout and instructed the Deputy Clerk to arrange for a consultation with Counsel for the purpose of obtaining his opinion thereon and to report to the Council at next Meeting.

D. A. A. MERRY,

Chairman.

RECOMMENDED that such report be received and adopted.

Arising thereout report was made upon a consultation with Counsel (Mr. H. O. Danckwerts) which took place on the 16th May, 1930.

It was also reported that, in order to avoid delay, a communication had been forwarded to the Treasury Solicitor transmitting a copy of the draft Scheme and enquiring whether he would approve same;

RECOMMENDED that the draft Scheme for the administration of the Charitable devise and bequest of the Avenue House Estate by the Will of Henry Charles Stephens, Deceased, as under-printed, be approved :—

1. From and after the day on which this Scheme is approved by an Order of the Chancery Division of the High Court of Justice the Finchley Urban District Council (hereinafter called "the Council") shall administer the property comprised in the said devise and bequest (particulars of which are contained in the Schedule hereto) and the trusts thereof under and in conformity with the provisions of this Scheme under the name of "the Avenue House Estate."

2. The Council shall at all reasonable times permit members of the public freely to enter upon and enjoy the property mentioned in Part I. of the said Schedule (hereinafter called "the Gardens") subject to such rules, regulations and bye-laws as the Council shall make from time to time for the proper regulation and management thereof (including the times of opening and closing thereof).

URBAN DISTRICT OF FINCHLEY.

COUNCIL MEETING - 26TH MAY, 1930.

HIGHWAYS AND FIRE AND WATER COMMITTEE'S REPORT.

7TH MAY, 1930.

PART II.

Present: Councillor Bennett (Chairman), Councillors Brown, Grocott, Pulham, C.S. Syrett and Wells and Councillor Langlands (non-member).

LAND BY BROUGHTON AVENUE.- The Surveyor reported that a surface water sewer discharged on to the land belonging to the Council at the bottom of Broughton Avenue and assisted in creating a swamp in respect of which complaint had been made by the occupiers of the new houses which had been built immediately adjacent thereto;

RECOMMENDED that, without prejudice, the sewer pipes be extended to reach the bank of the stream at an estimated cost of £43.

L. W. BENNETT,

Chairman.

This is the report referred to in paragraph 271 of the Council Minutes of the 26th May 1930.

Chairman.

3. The Council shall plant, cultivate and maintain the gardens and keep them in proper order and for such purpose may employ such gardeners, park-keepers and labourers or other persons as they shall think fit for the purpose and may require payments to be made for the use by members of the public of seats or chairs.

4. Notwithstanding anything hereinbefore contained the Council shall have power in their discretion to set aside and enclose such parts of the gardens as they shall think fit for the use of members of the public for organised or other sports and games under such rules and regulations and bye-laws as the Council from time to time shall make (including the requirement, if the Council shall think fit, of reasonable charges to be paid by members of the public using such portions of the gardens).

5. The Council shall have power to improve and alter from time to time the laying out of the gardens and to erect thereon or remove from time to time shelters, pavilions, potting-sheds, greenhouses, changing rooms, and lavatories and other buildings required in connection with the maintenance of the gardens or the enjoyment of the same.

6. The property mentioned in Part II. of the said Schedule (hereinafter called "the Buildings") shall be maintained and kept insured against fire by the Council and shall be used by the Council for the benefit of the public and in particular the Council in connection therewith shall have the following powers:—

(i) The Council shall have power to grant tenancies or licences of any parts of the Buildings to Boy Scouts and Wolf Cubs, Clubs or Associations, Girl Guides and Brownies, Clubs or Associations, "Toc H" and other Societies, Clubs or Associations of Members of the public upon such terms as in the opinion of the Council shall appear reasonable, including the maintenance by such tenants or licensees of the parts of the buildings occupied or used by them in a proper state of repair, the discharge by them of any costs of alteration of the buildings, the payment by them of a nominal rent or a rent sufficient to cover the expenses of the Council in connection with such parts of the Buildings and the observance by

them of all such rules, regulations and bye-laws as the Council shall make from time to time in reference to the premises.

(ii) The Council may convert and make provision for the use of such rooms in the Buildings as the Council shall think fit for any of the following purposes:—

(*a*) a public reference or other library;

(*b*) reading rooms for the public;

(*c*) refreshment rooms for the public (including kitchens and other facilities connected therewith);

(*d*) accommodation for a resident caretaker and his family;

(*e*) dressing rooms and changing rooms for the public;

(*f*) storehouses, workshops and other purposes connected with the gardens;

And the Council shall have full power from time to time to make rules, regulations and bye-laws for the regulation and management of the same (including, if the Council shall think fit, the payment by members of the public of reasonable charges for all or any of the facilities aforesaid).

(iii) During a period not exceeding 10 years from the commencement of this Scheme the Council may set apart the whole of the first floor of the Mansion House, one room on the top floor thereof, and the basement thereof for the use of the Surveyor's or other Department of the Council and may permit the same to be used by the said Department accordingly.

7. Any moneys received by the Council in connection with the purposes aforesaid shall be applied and used by the Council towards the expenses of the administration of the trusts of this Scheme.

8. Subject to and in conformity with the provisions of this Scheme the Council shall have full power from time to time to make regulations for the administration of the said property and the trusts thereof.

274 **Refuse Collection—Contract.**—Arising out of paragraph 112 (b) of the Public Health Committee's report of the 6th May,

1930, the Surveyor reported in regard to this matter. He also submitted a communication received from the contractor asking for a certain concession;

RECOMMENDED that same be referred to the Public Health Committee for consideration.

275 **Playing Field Opposite to North Road Schools.**—It was reported that the General Purposes Committee at their last meeting had had under consideration a letter, dated 23rd April, 1930, from Messrs. Clutton stating that, whilst the Commissioners were not prepared to sell this land for a price so far below the market value as that offered, namely, £1,537, they would, having regard to the intended user of the land as a school playground, be prepared to accept a reduced price of £2,000. It was further reported that that Committee had directed the Deputy Clerk to interview Messrs. Clutton on the matter with a view of ascertaining whether there were any restrictions on the land, and that he had had an interview with them on the 19th instant, when they agreed that the area of the land (3a. 0r. 12p.) should include the roadway fronting the school and had intimated that the only restriction would be that no buildings were to be erected except a pavilion or such other buildings as might be required in connection with the user of the land as an open space;

RECOMMENDED—

(*a*) that the land in question be purchased by the Council for educational purposes at the sum of £2,000, plus costs, subject to the following conditions:—

(1) to the area of land to be conveyed including the roadway fronting the School;

(2) to the land being free from restrictions, with the exception that no buildings are to be erected except a pavilion or such other buildings as may be required in connection with the use of the land as an Open Space;

(3) to the purchase being approved by the appropriate Government Departments;

(4) to the District Valuer's Report being satisfactory to the Council;

(5) to the terms of the Contract being approved by the Council;

(*b*) that the question of the provision of fencing, etc. be considered at a later date.

276 **Local Government Act, 1929—First General Review of Districts—Urban Districts of Harrow-on-the-Hill, Hendon, Kingsbury, Wealdstone, Wembley and Willesden and the Rural District of Hendon.—**

(*a*) A letter, dated 20th May, 1930, was submitted from the Clerk of the Middlesex County Council as follows :—

> I am directed to refer to previous correspondence relative to the First General Review of Districts under Section 46 of the Local Government Act, 1929, and to inform you that the General Purposes Committee of the County Council have given preliminary consideration to this matter so far as it affects that part of the County which comprises the above-mentioned Districts and have taken into consideration the proposals which have been put forward by Local Authorities in the Area.
>
> In view of the fact that it is understood that the Parish of Edgware will, on the 1st April next, be transferred to the Urban District of Hendon, it is considered that the review of the neighbouring areas should be concluded at an early date, in order that any resultant order of the Ministry of Health should, if possible, come into force at the same time.
>
> As a basis for discussion with the Local Authorities concerned, the County Council at their meeting on the 29th instant, will be recommended to give tentative approval to the amalgamation as one District of the Urban Districts of Harrow-on-the-Hill and Wealdstone and the Parishes of Pinner, Harrow Weald, Great Stanmore and Little Stanmore in the Rural District of Hendon, and also to the amalgamation as another District of the Urban Districts of Wembley, Kingsbury and Willesden, together with the small part of Hendon Urban District lying to the west of the Edgware Road, both proposed amalgamations being subject to such alterations of boundaries as may be considered necessary.

I am now to inform you that a Conference of the Local Authorities affected will be held at the Guildhall, Westminster, S.W. 1, on Thursday, the 12th June, 1930, at 2.30 p.m., and I have to invite your Council to appoint two or three representatives to attend for the purposes of conferring with representatives of the County Council on the matter, in order that, if possible, agreement may be reached upon a scheme to be submitted by the County Council to the Minister of Health.

In addition to the general question of the re-arrangement of areas, it is proposed to discuss also the question of any necessary adjustment of the boundaries of any new Districts that it may be suggested should be formed, and accordingly the invitation to appoint representatives is extended to certain of the Councils of Districts and Boroughs bordering the area now under consideration.

It is hoped that in addition to the question of the union of districts and alteration of boundaries, consideration may also be given to matters of detail, as for example the division of Districts into wards, the apportionment of representation, etc., in connection with any proposals for the creation of new Local Government units.

In the event of a Meeting of your Council not ordinarily being fixed before the date of the Conference, I am to express the hope that arrangements may be made for a Special Meeting to be convened for the purpose of the appointment of representatives to attend the Conference.

For the information of your Council there will be forwarded to you within the course of the next few days a copy of the Report of the County Council's General Purposes Committee relative to the matter, together with a copy of Statistics, etc. relating to the areas in question.

A further letter, dated 2nd May, 1930, was also submitted from the Clerk of the Middlesex County Council enclosing copies of a report of the General Purposes Committee of the County Council, together with copies of the statistics, etc., referred to in such report.

The Deputy Clerk reported as follows :—

"Immediately on receipt of the letter, dated 20th May, 1930, from the Clerk of the Middlesex County Council I arranged an interview with an Official of the County Council for the purpose of ascertaining fuller particulars in regard to the proposed Conference. I was informed that the Conference on the 12th proximo had been convened to deal mainly with the Districts referred to in the letter but that, as Finchley had made representations affecting the Hendon Urban District, the Councillors representing Finchley would be given an opportunity of stating their views in support of the representations made to the County Council.'

RECOMMENDED that the Chairman of the Council, Councillor Pike and Councillor H. O. Syrett, with the Officers concerned be appointed to attend the conference to be held on the 12th June, 1930.

(*b*) A letter signed by the Clerks of the Wembley and Kingsbury Urban District Councils respectively, dated 24th May, 1930, was also submitted, contending that, before any proposals were put forward by the County Council, a conference between the Districts concerned should have been held in accordance with section 46 of the Local Government Act, 1929; emphasizing that the procedure adopted in North-West Middlesex, if approved, was likely to apply to the rest of the County, and asking the Council to communicate with the representatives on the Middlesex County Council for this District on the matter;

RECOMMENDED that this be agreed.

277 **Staff.—**

(*a*) Clerk of the Council—Illness of.—It was reported that the General Purposes Committee had recommended that a further three months' leave of absence be granted to Mr. E. H. Lister, the Clerk of the Council,

RECOMMENDED that this be agreed, and that the matter be considered further by the Council in July next.

(*b*) Fire Brigade.—The Chairman of the Highways and Fire and Water Committee drew attention to the fact that the personnel of the Brigade was now depleted in consequence of the retirement of Station Officer Page;

RECOMMENDED that advertisements be issued forthwith inviting applications for the appointment of Second Officer of the Brigade at a wage not exceeding £4 10s. 0d. a week, plus quarters.

278 **Small Dwellings Acquisition Acts — Loan £50,000.**—It was reported that the two advances by the Public Works Loan Board of £1,145 and £6,650 respectively were being made in one instalment.

279 **Finchley Urban District Council Act, 1908—Advertising Vehicle.**—A letter, dated 16th May, 1930, was submitted from the Advance Laundries, Ltd., hereon;

RECOMMENDED that same be referred to the General Purposes Committee for consideration.

280 **Sub-Committee Appointed to consider the District Auditor's Observations on the Subject of Rate Arrears—Year ended 31st March, 1929.**—The Chairman of the Finance Committee reported that a meeting of the above Sub-Committee had been held, and that it had been decided that a communication be addresssed to the District Auditor explaining the reasons which were responsible for the arrears of rate at the close of the financial year 1928/29, and enquiring whether he would kindly arrange to meet representatives of the Council in regard to certain matters appertaining to the Electricity Undertaking;

RECOMMENDED that the action proposed to be taken be approved.

281 **Depôt Site—Ballards Lane.**—

RECOMMENDED that authority be given to the Town Planning and Open Spaces Committee to proceed with the provision of a Convenience at above at a cost not exceeding £50.

282 **Street Widenings—Nether Street.**—Arising out of paragraph 143 of the Highways and Fire and Water Committee's report of the 7th May, 1930, the Surveyor reported that he had an assurance from Messrs. Meaby & Co. that the land in question would be conveyed to the Council free of cost, subject to the conditions with regard to the making up of the road, etc., enumerated in their letter of the 15th April, 1930.

283 **Open Spaces—Victoria Recreation Ground — Lawn Mower.**—A letter, dated 22nd May, 1930, was submitted from Mr. P. W. Millard hereon;

RECOMMENDED that the Clerk be directed to inform Mr. Millard that, whilst the Council regret to hear that he feels aggrieved, they cannot in any way admit any liability in the matter.

284 **Open Spaces—Proposed Golf Course—Nether Court, Frith Grange and Land Adjoining.**—Councillor H. O. Syrett reported that, although Mr. J. J. Ward had not yet executed the conveyance of the Chestnut Drive, the Golf Club were desirous that the Council should proceed with the fencing on either side of such Drive;

RECOMMENDED that the Surveyor be authorised to carry out the work, subject to the Golf Club first entering into a deed, in a form approved by the Clerk of the Council, indemnifying the Council against any claims which may arise by reason of the erection, before the conveyance to the Council of the said Chestnut Drive, of the fence in question.

285 **Loans.**—The Chairman of the Finance Committee reported hereon.

(*a*) £28,258.

RECOMMENDED—

(1) that the sum of £28,258 be borrowed from the Trustees of the Savings Bank of Glasgow, whose Chief Office is situate at Glasgow aforesaid, at £4 18s. 9d. per centum per annum interest, and that the said sum, together with interest at the rate aforesaid, be repaid by equal half-yearly instalments of principal and interest combined as to:—

As to £4,500 (part of £13,500) the 26th April, 1929;

the Seal of the Council be affixed to such Mortgage and that it be handed to the said Trustees on their paying the said sum of £28,258 to Charles Frank Carpenter the Treasurer of the said Council;

(4) that payment of the fees of Messrs. Campbell and Eaglesfield at the rate of 15/- per centum be approved.

(5) that the Mortgage be added to the list of documents for sealing.

(*b*) £35,370.

RECOMMENDED—

(1) that the sum of £35,370 be borrowed from the Liverpool Victoria Friendly Society, whose Chief Office is situate at Victoria House, Southampton Row in the City of London, at £5 per centum per annum interest, and that the said sum, together with interest at the rate aforesaid, be repaid as to

£1,394 in 80 years;
£32,486 in 60 years;
£1,490 in 20 years

by equal half yearly instalments of principal and interest combined;

(2) that the Clerk be and he is hereby authorised to agree and approve all documents in connection with the said loan;

(3) that after the approval by the Clerk of the Mortgage for securing the said sum of £35,370 as agreed to be borrowed by the Council from the Liverpool Victoria Friendly Society as authorised by sanctions of the Minister of Health dated:—

As to £1,394 the 31st January, 1930;

(4) that payment of the fees of Messrs. C. E. Freeman and Sons at the rate of 13s. 1½d. per centum be approved.

(5) that the Mortgage be added to the list of documents for sealing.

286 **Instructions.—**

RECOMMENDED that the instructions given to the Clerk of the Council, as entered in his Instruction Book, be approved.

287 **Resumption of Council.—**

RESOLVED that the Council do now resume and that the recommendations above set forth be adopted.

Chairman.

23rd June 1950.

TOWN PLANNING AND OPEN SPACES COMMITTEE'S REPORT.

2nd June, 1930.

Present : Councillor Pike (Chairman), Councillor Langlands (Vice-Chairman), Councillors Jones, Merry, Pulham, Mrs. Timberlake and Wells, and Councillor H. O. Syrett (non-member).

288 **Minutes.**—The Minutes of meetings held on the 23rd April and 5th May, 1930, were taken as read, confirmed and signed.

289 **Requisitions.**—

RECOMMENDED that the lists of requisitions (circulated) be approved.

290 **Glebe Land.**—

(*a*) Finchley Football Club.—A letter was submitted, dated 19th May, 1930, from Mr. A. L. Allbrook of Vallano, Summers Lane, suggesting that the Finchley Football Club should be asked to place the entrance to their ground at the top corner of the field, as this would obviate nuisances being committed to the adjacent property.

RECOMMENDED that Mr. Allbrook be informed that the Council are of opinion that no useful action can be taken by them in regard to the matter at the present time.

(*b*) Grand Stand, etc.—A letter was submitted, dated 22nd May, 1930, from the Finchley Football Club, expressing the thanks and appreciation of the members of the Club for the efforts made by the Council to assist them in their difficulties with the Athenian Football League and to provide them with a thoroughly equipped ground.

(*c*) Sports Ground and Open Space Agreements.—The Clerk reported upon the terms of the draft Agreements in regard to the contribution of the County Council towards the acquisition of part of the Glebe Land for the purpose of a sports ground and an open space and stated that it was intimated that the County Council insisted that this Council should not exercise any powers conferred on them

by any local or private Act in force for the time being within this district without the written consent of the County Council first being obtained to the exercise of any such powers so far as they were not inconsistent with the covenants by this Council contained in the agreements;

RECOMMENDED that the Agreements in the terms submitted by the County Council be accepted.

(*d*) Fencing—Site "G."—The Surveyor reported that he estimated the cost of a 6 feet high chain-link fence along the western boundary of the Association Football Pitch No. 1 on the Glebe Land, to match that already erected around the other side of the field, at £50 complete;

RECOMMENDED that, subject to the approval of the Finance Committee, authority be given for the execution of the works in question at an expenditure not exceeding £50.

(*e*) Gun Station Site.—A letter was submitted, dated 28th May, 1930, from Dr. H. C. Killingback, applying for the use of an open space for the purpose of Scouts' Sports on the 5th July, 1930;

RECOMMENDED that Dr. Killingback be offered the use of the Gun Station Site for the purpose in question, subject (1) to all tents being erected to the satisfaction of the Surveyor; and (2) to all litter being removed after the event, and any damage caused to the Council's property being made good.

291 **Coldfall Wood, Hornsey.**—A letter was submitted, dated 13th May, 1930, from the Middlesex County Council, stating that the Open Spaces Sub-Committee had considered a letter (a copy of which was enclosed) from the North Middlesex Joint Town Planning Committee, and enquiring whether the Councils of Finchley and Hornsey would consider the question of the acquisition of about 23 acres of the Coldfall Wood, coloured brown on the plan enclosed, for the purpose of an open space.

The letter also stated that the Sub-Committee had expressed the opinion that the matter was one for the local authorities concerned to deal with, and that they would be prepared to consider the question of recommending the County Council to make a con-

Chairman.

tribution towards the cost of acquisition should the Wood be purchased by the local authorities. A similar letter had been addressed to the Hornsey Borough Council;

RECOMMENDED that the Clerk be instructed to inform the Middlesex County Council and the North Middlesex Joint Town Planning Committee, that the Council regret that they are not prepared to purchase land outside their area at the present time.

292 **Town Planning Scheme No. 2.—**

(*a*) Extension of time for approval of Scheme.—A letter was submitted, dated 31st May, 1930, from the Ministry of Health, extending the period within which Town Planning Scheme No. 2 should finally be approved, to the 31st December, 1930.

(*b*) Scheduling of Allotment Lands.—The recommendation of the Allotments Committee hereon was reported;

RECOMMENDED that arrangements be made for Map No. 4 of Town Planning Scheme No. 2 to show all lands within the area of the Scheme which have already been acquired by the Council for the purpose of permanent allotment gardens.

293 **Wyatt's Farm—Brookside Walk.**—The Clerk reported upon the provisions of the draft contract relative to the right of way which Mr. Walker was granting to the Council over the strip of land connecting the railway bridge with any road he might construct in regard to the development of the estate retained by him on the eastern side of the railway;

RECOMMENDED—

(1) that the draft Contract be approved by the Council;

(2) that, subject to the approval of the Finance Committee, payment of Solicitors' costs in connection with the matter be agreed.

294 **Avenue House—Bye-Laws.**—A letter was submitted, dated 16th May, 1930, from the Ministry of Health, returning draft of the proposed Bye-Laws, with certain alterations, relating to Avenue House Grounds;

RECOMMENDED—

(1) that the Bye-Laws in question, as agreed by the Ministry of Health, be approved by the Council;

(2) that the Clerk take the necessary steps for confirmation thereof after the preliminary requirements of Section 184 of the Public Health Act, 1875, have been complied with.

295 **Victoria Recreation Ground—Tennis Courts.**—The Clerk reported that the Chairman of the Council had forwarded to him a copy of a letter which he had received from County Councillor John Boggon, requesting that the Council would give serious consideration to this question before deciding to substitute hard tennis courts for certain grass courts at the Victoria Recreation Ground. It was intimated that the Victoria Recreation Ground was acquired with voluntary subscriptions by a private Committee, as Finchley's memorial of the Jubilee of Queen Victoria, and was then handed over to the Council to maintain on the lines for which it was bought. It was also pointed out that the lay-out of the courts necessitated play being east and west. This, County Councillor Boggon contended, was not an ideal position, especially as most play would take place in the evenings, when the setting sun would handicap players on the eastern side of the courts. Permanent structures such as hard courts would, he thought, be better if arranged to play north and south, and he suggested that if there was a real demand for hard courts, other land should be acquired or utilised for the purpose.

RECOMMENDED that the Clerk be instructed to inform County Councillor Boggon that the Council will bear his letter in mind when the question of the provision of additional tennis courts in the district is under consideration.

296 **Bye-Laws—New Streets.**—The Committee appointed a Sub-Committee consisting of the Chairman of the Council, the Chairman of the Committee, the Clerk and the Surveyor, to consider the question of the formulation of a series of Bye-Laws relating to New Streets, and to report thereon at a later meeting.

297 **The Avenue.**—It was reported that a letter had been received from Mr. H. Edmunds, stating that, as the Council were aware, the fence on the south side of the Avenue, erected or re-

paired by the Council, was to a large extent on his property. He had several times written asking the Council to make a proposition with regard to the land enclosed by them, and in order to protect his position he proposed, during the course of the next few weeks, to remove so much of the fence as was upon his land.

In view of the absence of the Clerk of the Council, who had specifically dealt with the matter, instructions were given that Mr. Edmunds should be requested, without prejudice, to allow the matter to stand over for the time being;

RECOMMENDED that the action of the Committee be approved.

298 **Proposed Diversion of "Five Bells" Footpath.**—The Clerk reported that, in accordance with the instructions of the Council at their last meeting, he had informed the Hampstead Garden Suburb Authorities of the Committee's recommendation relative to this matter, and that a letter had been received, dated 28th May, 1930, from the Suburb Authorities, stating that they would at once confer with the Minister of Health in regard thereto.

299 **Arden Playing Field.**—

(1) Football Pitch.—Letters were submitted, dated 26th and 28th May, 1930, from the Secretary of the Old Finchleians' Football Club, asking that the football pitch on the Arden Playing Field might again be allocated to them for the ensuing football season;

RECOMMENDED that the Old Finchleians' Football Club be granted the use of the football pitch at above during the coming season, on the same terms and conditions as were in force last year.

(2) Hockey Pitch.—

RECOMMENDED that Miss K. S. MacDonald of Hertford Lodge, East End Road, be granted the use for her pupils of the hockey pitch at above during the coming season, on the same terms and conditions as heretofore.

(3) Finchley Cricket Club—Putting Green.—A letter was submitted, dated 29th May, 1930, from the Finchley Cricket

Club, stating that, subject to the consent of the Council, they proposed to construct a putting green on the Arden Playing Field for the use of club members;

RECOMMENDED that no objection be raised to the proposal indicated.

300 **Land—Totteridge Lane.**—The Clerk submitted draft Contract received from the L.N.E.R. Co., and reported upon the terms thereof.

301 **Urinal by Bowling Green—Victoria Recreation Ground.**—In accordance with the authority of the Council, the Committee considered the question of a site for the erection of a urinal near the bowling green.

The Committee were of opinion that the most suitable position therefor would be at the back of the Electricity Sub-Station, and instructions were given for the Surveyor to proceed accordingly.

RECOMMENDED that the action of the Committee be approved.

302 **Site for Children's Playground—Cherry Tree Wood.**—The Committee were of opinion that the railway side of Cherry Tree Wood, viz., the south-west corner, was the most suitable site for the children's playground, having regard to the supervision which could thus be exercised.

RECOMMENDED that the site as indicated above be approved, and that the Surveyor arrange accordingly.

303 **Brook Farm—Utilisation.**—The Chairman of the Committee reported that a recent meeting had been held on the site to consider the greater utilisation of Brook Farm. Certain proposals were submitted which provided mainly for the provision of additional football pitches and dressing accommodation, the estimated cost of which amounted to £570. The Surveyor submitted a plan showing the proposals in question.

The amount which the Council would have to provide after taking into consideration the contribution of the Finchley Playing Fields Appeal Committee, was approximately £350.

Instructions were given to the Surveyor to submit an amended plan to the Council at their next meeting;

RECOMMENDED—

(1) that Brook Farm be laid out in the manner indicated, and that the proposals outlined be formally approved;

(2) that the contribution of approximately £220 by the Finchley Playing Fields Appeal Committee be accepted with thanks;

(3) that the Finance Committee be requested to make the necessary financial arrangements in regard to the balance of the cost, viz., approximately £350.

303a **Land between Lichfield Grove and The Avenue.**—A plan was submitted shewing a proposal to develop a parcel of land between Lichfield Grove and The Avenue, which was scheduled in Town Planning Scheme No. 2 as a private open space;

RECOMMENDED that no objection be raised to the proposal, provided proper plans under the bye-laws are deposited and approved.

304 **Temporary Building—1a, Friern Park.**—The Surveyor reported that Mrs. E. Scarborough had caused a shed to be erected at No. 1a, Friern Park, which was contrary to the Bye-Laws. She requested, however, that a temporary building licence might be granted for a period of 12 months, as it was her intention to erect a permanent building, on completion of which the present structure would be removed;

RECOMMENDED that a temporary building licence be granted in respect of the building in question for the period ending 1st January, 1931.

305 **Kingsley Way—New Road.**—A letter was submitted from Co-Partnership Tenants, Limited hereon, and was referred to the Highways and Fire and Water Committee for consideration and report.

306 **Instructions.**—

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

307 **Plans.**—

(*a*) Approved.—

RECOMMENDED that the following plans be APPROVED, subject to the conditions severally mentioned by the Surveyor in his report :—

TOWN PLANNING AND OPEN SPACES COMMITTEE.
2ND JUNE, 1930.

SURVEYOR'S ADDENDUM REPORT.

Since my last report 21 sets of plans have been received, representing:-

HOUSES.	8
FLATS.	23
MISCELLANEOUS.	9
GARAGES.	5
CHURCH.	1
ROAD BRIDGE.	1
NEW ROAD.	1

7156 A.
26.5.30.
Garage (Amended plan)
27, Wickliffe Avenue.
Mr. H. Thwaites.
I will report on this plan at your meeting, but I understand the Sub-Committee appointed to view the site are in favour of the proposal.

7260.
1.5.30.
Baptist Church.
Creighton Avenue.
Building Committee of the Creighton Avenue Baptist Church.
I will report on this plan at your meeting.

7261.
3.5.30.
Lay-out plan for land between Lichfield Grove and The Avenue.
Messrs. Payne & Co.,
This plan being incomplete, was disapproved at the last meeting of your Committee. It shows a proposed development of a piece of land scheduled in the Town Planning Scheme No. 2. as a private open space. Objection to such scheduling, however, has been received.
I shall be glad of your Committee's further consideration.

7262.A.
30.5.30.
2 Garages. (Amended plan).
Rear of 75, Hollis Park.
Mr. A. E. Denman.
I will report on this plan at your meeting.

7266.
8.5.30.
2 Houses.
Beechwood Avenue, at corner of Windermere Avenue and proposed new road.
Messrs. King Freeman & Co. Ltd.,
This plan is in accordance with the bye-laws and The Interim Development Order and MAY BE APPROVED.

7269.

"Barons Court" The Bishops Avenue.
Mr. Gardner.
This plan MAY BE APPROVED.

7270. Garage.
12.5.30. 2, Allendale Avenue.
Mr. P. Preston.
This plan is in order from the standpoint of the bye-laws, but shews a projection in front of the building line.

7272. Conservatory.
2.6.30. Rear of 74, Leopold Road.
Miss M. H. Butt.
This plan MAY BE APPROVED.

7275. Road bridge.
14.5.30. Kingsley Way, Hampstead Garden Suburb.
Co-Partnership Tenants Ltd.,
This plan is apparently in order, but before recommending it for approval, I should wish to be satisfied that the calculations are correct.

7280. Tool shed.

This plan MAY BE APPROVED.

7291. Additions.
24.5.30. 4, Briarfield Avenue.
Mr. F. Watson.
This plan is not in order and should be DISAPPROVED.

7292. 3 Houses. (Amended Plan)
27.5.30. Leopold Road.
Messrs. A. W. Cattle & Sons.,
This is a proposal to erect 3 houses on a piece of land in Leopold Road, with a frontage of 76' Though it somewhat exceeds the density allowed in the Town Planning Sheme of 12 to the acre I am of opinion that the plan SHOULD BE APPROVED for reasons which I will state at your meeting.

7293. Garage.
27.5.30. Rear of 16, Cornwall Avenue.
Mr. R. G. Fenn.
This plan does not comply with the bye-laws and SHOULD BE DISAPPROVED.

7294. 21 flats.
27.5.30. Lyttelton Road.
Second Hampstead Tenants Ltd.,
This plan MAY BE APPROVED.

7295. 3 Houses.
28.5.30. Plots 0132 and 0133 and 0134. Hill Top.
Mr. G. Ramsbotham.
This plan MAY BE APPROVED.

7296. 2 flats.
30.5.30. 81, Fallow Court Avenue.
Messrs. G. Payne & Co.
This plan is referred to in paragraph 8 of my report to your Committee.

7297. Conversion of house into shop.
30.5.30. 47, Market Place, East Finchley.
Mr. H. Cuttill.
I will report on this plan at your meeting.

(b) The Advance Laundries, Ltd., 130, High Road, N.12.

An application has been received from the Advance Laundries, Ltd. for a licence to keep 500 gallons of petroleum spirit in bulk at 130, High Road, North Finchley.

It is proposed to keep the petroleum spirit in a storage tank placed below the ground in the open space in the position shown on the plan No.13 submitted by the applicants.

If this application is granted, the following conditions should be imposed:-

(1) That the proposed bulk installation be constructed in the manner shown on the plan No.13 submitted by the applicants and that the installation, including the tank, pump, fittings, pipe lines, etc. and all works incidental thereto be subject to the approval of your petroleum inspector; no works to be covered up or hidden from view or used to store petroleum spirit until so approved.

(2) That the conditions annexed to your Council's licence be strictly observed.

E.J. FRANKLIN.

Chief Sanitary Inspector.

RECOMMENDED that licences be granted to the above-mentioned applicants to store such quantities of petroleum spirit and/or carbide of calcium as are respectively set opposite to their names for the period ending 30th June, 1931, subject to the conditions annexed to the Council's licences respectively being strictly observed.

(2) The Advance Laundries, Ltd.—130, High Road, N.12.—The Inspector reported that an application had been received from the above-mentioned Firm for a Licence to keep 500 gallons of petroleum spirit in bulk at 130, High Road, North Finchley, and that it was proposed to keep the petroleum spirit in a storage tank placed below the ground in the open space in the position shown on the plan No. 13 submitted by the applicants;

RECOMMENDED that the application be granted for the period ending 30th June, 1931, subject to the conditions mentioned in the report of the Inspector, and also to the conditions contained in the Council's licence being strictly observed.

(3) Edward Arthur Rutherford Briant and George Francis Wigzell—The Grange Garage, adjoining ~~59~~ 57 Nether Street, N. 12.—The Inspector reported that an appli-

cation had been received from Edward Arthur Rutherford Eriant and George Francis Wigzell for a licence to keep 20 gallons of petroleum spirit in the open space at the front of the garage adjoining No. 59, Nether Street, N. 12;

RECOMMENDED that the application be granted for the period ending 30th June, 1931, subject to the condition mentioned in the report of the Inspector, and also to the conditions contained in the Council's licence being strictly observed.

(*f*) Application for Consent to Establish the Trade of Fish Frier.—The Inspector reported that an application had been received from Mr. Harry Kirkby, of 16, Holders Hill Avenue, Hendon, N.W. 4, for the Council's consent to establish the business of a Fish Frier at No. 2, Manor Parade, Regents Park Road, Finchley, N. 3;

RECOMMENDED that such consent be not given by the Council.

313 **Public Health (Smoke Abatement) Act, 1926.**—It was reported that the Bye-Law made by the Council under the above Act had now been confirmed by the Minister of Health.

314 **Insurance of Workmen—Accident—H. T. Satchell.**—It was reported that the above employee had, since last meeting, met with an accident and that the matter had been dealt with.

315 **Unemployment Works—Sewage Disposal Works Extensions, 1930—Proposed Loan £33,000.**—A letter, dated 30th May, 1930, was submitted from the Ministry of Health stating that the report made by the Inspector, after his Inquiry into the abovementioned proposal, had been under consideration, and that the Minister was advised that the scheme generally was one in respect of which he could sanction a loan; that it was suggested, however, that scum boards should be provided at the inlet ends of all tanks as it was found that such boards added to their efficiency and that it would be more economical to make the floors of the percolating filters with a slope of not more than 6 inches; that it was also suggested that arrangements should be made to obviate the discharge of tank effluent from the wash-out pipes in the filters to

the filter effluent drain. The Ministry also intimated that before issuing his formal sanction to the borrowing, the Minister would await the decision of the Unemployment Grants Committee upon the Council's application for a grant in aid in respect of the Scheme;

RECOMMENDED that the Surveyor interview representatives of the Ministry on the points raised in the above communication and report further on the matter at next meeting.

316 **Public Baths.**—Statement (circulated) was submitted showing the number of bathers and receipts for the four weeks ended 25th May, 1930.

317 **Proposed Public Convenience—Church End.**—In accordance with the reference from the Council, the Committee considered further the correspondence which the Surveyor had had with the Surveyor to the London & North Eastern Railway Company with regard to a suggested site for a public convenience in Nether Street;

RECOMMENDED that the Council offer to take from the Railway Co. a lease of the land in question for a term of 50 years at an annual rental of £50.

318 **Managers of Sewage Disposal Works—Conference.**—

RECOMMENDED that leave of absence be granted to the Sewage Works Manager to enable him to attend the above Conference to be held in Sheffield on the 4th and 5th July, 1930, and that, subject to the approval of the Minister of Health, his reasonable expenses be defrayed by the Council.

319 **Refuse Collection.**—

(*a*) Contract.—The Surveyor presented a communication, dated 21st May, 1930, received from Messrs. A. Pannell, Ltd. relative to the above;

RECOMMENDED that he inform them, in reply, that the Council regret that they cannot see their way to depart from the terms of the Contract.

(*b*) Burning of Paper.—

RECOMMENDED that a printed slip be despatched with the next Rate Demand Notes urging ratepayers to burn disused papers instead of placing them in the dustbins.

(*c*) Inspector.—Referring to Minute No. 112 (a), it was

RECOMMENDED that the allowance therein referred to take effect as from the 6th May, 1930.

320 **Land by Mission Hall—Summers Lane.**—The Surveyor reported that, consequent upon the carrying out of Housing Scheme No. 5 and the proposed widening of Summers Lane, an adjustment of boundaries of a piece of land held on Agreement, dated 18th April, 1906, by the Vicar of Christ Church, North Finchley, would be necessary; further, that the Vicar had been approached and had agreed thereto. In these circumstances, it was

RECOMMENDED that the Clerk be instructed to arrange for the necessary endorsement to be placed on the Agreement.

321 **Improvement—Tally Ho! Corner.**—The Surveyor reported that, in accordance with the instructions of the Highways and Fire and Water Committee, he was proceeding with the preparation of the plans, etc. relative to the development of the road junction, and that in connection therewith it would be necessary to make provision for the re-siting of the Underground Convenience; further, that if any additional accommodation was likely to be required, it would be advantageous to the Council to consider the matter at the present juncture. After full consideration, the Committee instructed the Surveyor to make provision in the Scheme for increasing the accommodation for men by approximately 50 per cent. and that for women by approximately 25 per cent;

RECOMMENDED that the action taken be approved.

322 **Instructions.**—

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

PERCIVAL. T. HARRISON.
Engineer and Surveyor.

13th June, 1930.

These (together with the four preceding pages) are the requisitions referred to in paragraph 324 (b) of the Highways and Fire and Water Committee's report of the 4th June 1930.

Chairman.

URBAN DISTRICT OF FINCHLEY.

COUNCIL MEETING - 23RD JUNE, 1930.

List of Fires reported by the Chief Officer of the Fire Brigade at a Meeting of the Highways and Fire and Water Committee held on the 4th June, 1930.

Date.	Time.	Address.	Damage.
7. 5. 30	11. 8 p.m.	79, Windermere Ave., N. 3.	A defective fire grate by cutting away and removal in dining-room on ground floor.
13.5.30	2.45 p.m.	Gainsborough Road Fire Alarm.	This alarm was caused by Gainsborough Road Fire Alarm wires coming into contact with a G.P.O. subscriber. The G.P.O. were informed.
14.5.30	11. 0 a.m.	Hendon Lane, N.3.	A refuse collecting motor waggon and contents slightly damaged by fire and heat on public highway.
19. 5.30	7.41 p.m.	78, Leslie Road, N. 3.	A back room on first floor slightly damaged by fire, heat and chemical fluid.

This fire was caused by the occupier cleaning clothing with petrol. Mrs. Haynes slightly burned on face and hands, and Mr. Haynes burned on hands. First aid was rendered by your Brigade, then Dr. Hicks attended and dressed the patients' injuries. Both the sufferers remained at home.

20. 5.30	4. 8 a.m.	33, High Road, N.12.	About 10 ft. of fencing, also several empty beer crates, destroyed by fire in yard at rear of premises.
20. 5.30	5.55 p.m.	Regents Park Road, N. 3.	A Humber motor-car registered No.B.O. 7376 slightly damaged by fire on public highway.
28. 5.30	7. 8 p.m.	15 Lichfield Grove, N. 3.	A defective chimney flue in bathroom on first floor. Contents in same slightly damaged by smoke and dirt.

This is the list of Fires referred to in paragraph 326 of the Highways and Fire and Water Committee's report of the 4th June 1930.

Arising thereout, a further Report will be presented to the Council at a later Meeting.

331 **Road Traffic Bill.**—It was reported that the Council at last Meeting had referred to the Committee for consideration certain correspondence which had taken place in regard to the above;

RECOMMENDED that the Clerk be directed to communicate with the Local Member of Parliament on the matter at a later date, if such a course should be deemed to be necessary.

332 **Highways (Works) Sub-Committee.**—It was reported that a Meeting of the above Sub-Committee took place on the 29th May, 1930. A Report of the proceedings thereat was submitted and certain instructions were given to the Officers concerned.

Arising out of the Report :—

(1) Chairman.—It was reported that Councillor Bennett had been appointed Chairman of the Sub-Committee for the ensuing year.

(2) Proposed Shrubbery—Manor View.—It was

RECOMMENDED that no action be taken at present with regard to the formation of a Shrubbery, but that trees be planted on the land near to Briarfield Avenue and that the surface of the land be levelled, in respect of the cost of which provision has been made in the Estimates.

(3) Proposed Additional Lamp—Holly Park.—

RECOMMENDED that an additional lamp be erected in the above road at an estimated cost of £10 15s. 11d. plus re-instatement.

(4) Wood Paving—Great North Road.—The Surveyor reported that certain wood block paving renewals were required in the Great North Road at East Finchley and at North Finchley and that he had ascertained that the Contractors carrying out the paving works in Woodhouse Road were prepared to extend their Contract to cover these items;

RECOMMENDED that this course be adopted and that the Clerk be instructed to arrange for the necessary endorsement to be placed upon the Contract.

(5) Supply of Commodities—Quotations.—

RECOMMENDED that the Surveyor be instructed to obtain quotations for a supply covering a period of six months of any commodities, where he considers that such a course would be advantageous to the Council.

333 **The Heavy Motor-Car (Amendment) Order, 1930.**—A print of the above, dated 29th April, 1930, made by the Minister of Transport was submitted.

334 **Damage to Council's Property.**—It was reported that the under-mentioned properties of the Council had been damaged since last Meeting and that the matters had been dealt with :—

Lamp Column—East End Road;

Lamp Column— High Road, Whetstone;

Scavenging Truck.

335 **Third Party Claim.**—It was reported that one claim had been received since last Meeting and dealt with.

336 **Insurance of Workmen—Accident—J. C. Marshall.**—It was reported that the above employee had, since last Meeting, met with an accident, and that the matter had been dealt with.

337 **Public Works Conciliation Board for London Area—Local Authorities' Section.**—A communication, dated 12th May, 1930, was submitted from the Honorary Secretary of the above, enclosing statement of receipts and expenditure of the Local Authorities' Section of the Board for the year ended 31st March, 1930, and indicating that as the balance in hand, namely £89 2s. 6d., would enable the Section to carry on to 31st March, 1931, it would be unnecessary to ask this Council for a contribution for that period.

HIGHWAYS (WORKS) SUB-COMMITTEE'S REPORT.

29th May, 1930.

Present:- Councillors Bennett, Brown, Groocott, Pulham, C.S.Syrett and Wells.

1.- CHAIRMAN.-

Councillor Bennett was appointed Chairman of the Sub-Committee for the ensuing year.

2.- LOCAL GOVERNMENT & OTHER OFFICERS' SUPERNNUATION ACT, 1922.-

It was reported that Captain Hanson, who was due to retire on the 30th June, 1930, had consented to remain in the Council's service;

RECOMMENDED that it be suggested to the General Purposes Committee that his services be retained until the 31st December, 1930.

3.- FIRE BRIGADE - 2ND OFFICER.-

It was reported that the Council at last Meeting had agreed to advertisements being issued inviting applications for the appointment of Second Officer of the Brigade at a wage of £4.10/- a week, plus quarters, fuel, light, etc., and the Clerk was instructed to see that the advertisement was issued as soon as possible.

The Chairman of the Sub-Committee undertook to interview Captain Hanson with regard to the question of Quarters, and report.

4.- REQUISITIONS.-

The Sub-Committee considered the lists of Requisitions;

RECOMMENDED that same be dealt with at the Meeting of the full Committee.

5.- PRIVATE STREET WORKS.- 20TH BATCH.-

The Surveyor reported hereon, arising out of the protests which had been received against the estimated cost of the works and at the request of the Sub-Committee he undertook to submit at the Meeting of the full Committee a statement showing the cost of brick paving as compared with slab paving.

6.- ANNUAL ESTIMATES.-

The Surveyor reported as follows:-

"As requested by the Chairman of the Highways "Committee, I have prepared and am circulating with "this report, the items in the Annual Estimates "separated into the three Wards. Such routine "items as Scavenging, etc., have obviously been "omitted, and also Tarpainting, as the Council has "approved the requisition for this work, which had "to be proceeded with immediately.

"The members will also note that any alterations "of the items marked in red ink will require the "approval of the Ministry of Transport and the "County Council, and will not, in any case, affect "the district estimates."

The Sub-Committee appointed the undermentioned to make an inspection of the proposed works included in the Annual Estimates:-

North Ward	-	Councillors	Bennett & Brown.
East "	-	"	Grocott & Pulham.
West "	-	"	C.S.Syrett and Wells.

7.- PROPOSED SHRUBBERY - MANOR VIEW.-

The Surveyor reported hereon;-

RECOMMENDED that no action be taken at present with regard to the formation of a Shrubbery but that, at a later date, trees be planted on the land near to Briarfield Avenue, and that the surface of the land be levelled.

8.- PROPOSED ADDITIONAL LAMP - HOLLY PARK.-

RECOMMENDED that an additional lamp be erected in Holly Park, at an estimated cost of £10.15.11., plus reinstatement.

9.- LIGHTING OF PASSAGEWAY BETWEEN MANOR PARK ROAD AND TRINITY ROAD.-

The Surveyor reported that the cost of the proposed additional lamp in the above passageway was estimated at £18.14.6., plus reinstatement charges;

RECOMMENDED that the matter be referred to the full Committee for consideration.

10.- HIGHWAYS - RESURFACING - TARMACADAM.-

The Surveyor pointed out that this matter should receive the earliest possible consideration.

11.- WOOD PAVING - GREAT NORTH ROAD.-

The Surveyor reported that certain wood block paving renewals were required in the Great North Road at East Finchley and at North Finchley, and that he had ascertained that the Contractor carrying out the wood paving works in Woodhouse Road was prepared to extend his contract to cover these items;

RECOMMENDED that this course be adopted and that the Clerk be instructed to arrange for the necessary endorsement to be placed upon the Contract.

12.- "OUTDOOR" MATTERS.-

The Surveyor reported that there were certain matters which should receive the consideration of the Sub-Committee now that they were dealing with the points which would ordinarily have been considered by the Outdoor Sub-Committee, if it had been re-appointed;

RECOMMENDED that a date for an outdoor meeting of this Sub-Committee be fixed at the Meeting of the full Committee.

13.- PETROL PUMP.-

RECOMMENDED that the Surveyor be directed to re-submit to the Sub-Committee the Report previously issued by him on the subject of the installation of a petrol pump, with the figures therein mentioned brought up to date.

14.- SUPPLY OF COMMODITIES - QUOTATIONS.-

RECOMMENDED that the Surveyor be instructed to obtain quotations for a supply, covering a period of six months, of any commodities where he considers that such a course would be advantageous to the Council.

15.- CARD INDEX.-

RECOMMENDED that the Surveyor be instructed to prepare a card index giving particulars of works of slab paving, kerb relaying, etc. carried out from time to time by the Council.

16.- BRIDGES ACT, 1929.-

The Sub-Committee decided to defer until their next Meeting the consideration of a letter, dated 14th April, 1930, from the County Surveyor hereon.

This is the report referred to in paragraph 332 of the Highways and Fire and Water Committee's report of the 4th June 1930.

L.W. BENNETT,
Chairman.

338 **All Saints' Church—East Finchley—Summer Fair and Sale of Work—26th June, 1930.**—A communication, dated 10th May, 1930, was submitted from Mr. H. Easun asking for permission in connection with the above Function to affix a notice to the electric light standards in the High Road near to Leicester Road, Lincoln Road, Huntingdon Road and Durham Road, with the words " This way to the Fair " lettered thereon. The Clerk was instructed to inform Mr. Easun that no objection would be raised to the proposal so far as the Council were concerned;

RECOMMENDED that the action taken be approved.

339 **Wayleaves.**—The under-mentioned applications from the Post Office Authorities were submitted :—

Underground Lines.—

(*a*) North-West side of Ridgeview Road, from Woodside Lane to outside " Rodney."

(*b*) West side of Durham Road, from Huntington Road to Bedford Road.

(*c*) North-East side of Hutton Grove, from Nos. 36/38 to opposite No. 77.

(*d*) North-East side of Wentworth Park, from outside No. 93 to Nos. 91/89.

RECOMMENDED that such applications be approved, subject :—

(*a*) to the actual positions of the cables being agreed by the Council's Surveyor; and

(*b*) to the works being carried out to his satisfaction.

340 **Highways—Electric Mains.**—The Surveyor reported receipt of an application, dated 16th May, 1930, from the Electricity Department, for permission to extend the main in Leicester Road, from No. 48, to Durham Road;

RECOMMENDED that such application be granted.

341 **Proposed Widening—Gainsborough Road.**—The Surveyor presented a communication, dated 5th May, 1930, from Mr. W. A. Taylor, offering to give up to the Council the piece of land shewn in red on Plan No. 6859 in consideration of the Council putting in, at their own cost, a crossing opposite to the houses in course of erection;

RECOMMENDED that the arrangement be approved and that the Surveyor be instructed to carry out the necessary works.

342 **Sky Sign—Totteridge Lane.**—The Surveyor reported receipt of an application, dated 3rd May, 1930, from the Solar Signs Amalgamated, Ltd. for permission to erect a sign at the refreshment shop by Totteridge Station, Totteridge Lane;

RECOMMENDED that the Surveyor reply to the effect that the Council cannot see their way to grant such application.

343 **Directing Signs to Tramways.**—The Surveyor presented a letter, dated 16th May, 1930, received from Mr. H. T. Carr, the Assistant Publicity Manager of the Associated Companies, making application for permission to affix eight additional signs;

RECOMMENDED that no objection be raised to the affixion of the signs in question and that provision be made with regard thereto in the Agreement to be entered into by the Associated Companies, as mentioned in Minute No. 1860 (1929/30).

344 **Private Streets—Watering—The Bishop's Avenue.**—The Surveyor submitted a communication received from Messrs. Clutton enquiring whether the Council would be willing to undertake the watering of the above Street, say about three days in each week, during the dry weather, and if so what would be the cost;

RECOMMENDED that a reply be forwarded to the effect that the Council will be prepared to carry out the work at a cost of £2 on each occasion that the street is watered, subject to the Commissioners entering into an Agreement in a form approved by the Clerk of the Council.

HIGHWAYS and FIRE & WATER *(continued).*

345 **Plan No. 7275—Road Bridge—Kingsley Way.**—The above plan was submitted;

RECOMMENDED that same be approved so far as this Committee is concerned.

346 **Instructions.—**

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

L. W. BENNETT,

Chairman.

Chairman.

GENERAL PURPOSES *(continued).*

Name of Officer or Servant.	Department and position.	Date due to retire.	Committee's recommendation.
(7) James, W.	Surveyor's Department—Sweeper	30th June, 1930 (by third extension). N.B.—Consents to continue in Council's service	That Mr. James's services be retained until 30th June, 1931.
(8) Warner, J. G.	Surveyor's Department—Mechanic	30th June, 1930 (by first extension). N.B.—Consents to continue in Council's service	That Mr. Warner's services be retained until 30th June, 1931.

351 Travelling Facilities.—The Clerk submitted a communication, dated 29th May, 1930, which the Chairman of the Council had received from the Legal Adviser of the London and North Eastern Railway Company as follows:—

> "I am instructed to convey to you my Company's thanks for the assistance that you gave them in their opposition to the proposals of the London Electric Railway Bill.
>
> I am sorry that we were not more successful."

RECOMMENDED—

(*a*) that the best thanks of the Council be accorded to the Chairman of the Council for the manner in which he gave evidence on behalf of the Council before the House of Lords Committee;

(*b*) that a communication be addressed to the London and North Eastern Railway Company enquiring whether, in view of the present position, they propose to proceed in the near future with the electrification of their suburban lines; and

(*c*) that the Clerk be directed to communicate with the Barnet Council on the matter.

352 **War Graves of the British Empire.**—Reference was made to a memorandum, dated 30th May, 1930, received from the Imperial War Graves Commission stating that they had now published the Register of the war graves situate in cemeteries and churchyards in certain districts, including Finchley; that it was produced in the shape of a paper-covered booklet; and that the Commission were prepared to sell copies at cost price (three shillings a copy);

RECOMMENDED that the Clerk be directed to purchase a copy to be placed with the Council's records.

353 **Street Collections.**—A print of the report of the Advisory Committee on street collections (Metropolitan Police District) for 1929 was submitted.

354 **Open Spaces—Golf Course—Nether Court, Frith Grange and Land Adjoining.**—Referring to Minute No. 181 (a) the Clerk reported that he had communicated the terms of the Council's resolution to Mr. C. J. R. Lane with regard to the question of the footpath and that a reply had been received as follows:—

> "With reference to your letter of the 27th instant, I beg to express the view that if the fields were acquired for the pleasure and benefit of the general public, the purchase was creditable and praiseworthy. On the other hand, if the fields are to be reserved for the pleasure of a mere section of the community, and one undoubtedly possessing the means to enjoy itself in other directions, I venture to suggest that so far as the general public is concerned the property might as well have been left available for development."

355 **North East Middlesex Guardians' Committee.**—It was reported that the Council at last meeting had referred to the Committee for consideration a letter, dated 13th May, 1930, from the Clerk of the Middlesex County Council stating that Councillor Bennett had resigned from the above Committee and asking to be informed as soon as possible of the name and address of the Member of the Council nominated to serve on the Committee in Councillor Bennett's stead;

RECOMMENDED that Councillor Brown be nominated to serve on the Committee *vice* Councillor Bennett.

356 **Finchley Urban District Council Act, 1908—Advertising Vehicle.**—Referring to Minute No. 177, the Committee considered a communication, dated 16th May, 1930, from the Advance Laundries, Ltd., which was referred to them at the last Meeting of the Council. The Company pointed out that their letter of the 14th March, 1930, was incorrect inasmuch as they stated that the particular van in question was used **solely** for advertising purposes; that this was not the case as it was also used for collecting and delivering laundry; and that they would be glad to know if this fact would affect the Council's decision.

The Clerk pointed out that Section 68 of the Finchley Urban District Council Act, 1908, provided that it should not be lawful in any street in the District to use any vehicle **exclusively** or **principally** for the displaying of advertisements without the consent of the Council.

RECOMMENDED that the Clerk be directed to communicate further with the Company enquiring whether they are prepared to give an assurance in writing that the van in question will be used **principally** for the purpose of collecting and delivery laundry.

357 **Alexandra Park.**—A copy of the Audited Accounts of the Trust for the financial year ended 30th April, 1929, was submitted.

358 **Housing (No. 2) Bill, 1930.**—A letter, dated 28th May, 1930, was submitted from the Battersea Borough Council stating that they were very concerned at the proposal of the Minister of Health, under Clause 19 of the above Bill, to place the hearing of certain appeals with the County Court, instead of as at present with the Ministry, and had had tabled an amendment to restore the present procedure so far as Clause 19 (a) (d) and (e) were concerned. The hope was expressed that this Council would concur and would urge the Member of Parliament for this Division to support the amendment;

RECOMMENDED that the Battersea Borough Council be informed that so far as this Council are concerned they are in accord with the provisions of the Bill.

359 **Staff—First Clerk—Surveyor's Department.**—The Surveyor reported that Mr. H. Lawford had partially resumed his duties;

RECOMMENDED that the Surveyor be authorised to arrange for the continuance of temporary clerical assistance in his Department until the date of the Ordinary Meeting of the Council in July, 1930, at a cost at the rate of £4 10s. 0d. a week.

360 **Council Employees—Compassionate Grants.**—The Surveyor reported hereon;

RECOMMENDED that the persons enumerated in column 1 of the under-mentioned statement be granted, until the dates stated respectively in column 3 thereof, the gratuities set opposite to their several names :—

Name (1).	Amount of Gratuity per week (2).	Date (3).
	s. d.	
Wildman, Mrs. ...	5 0	The Ordinary Meeting of the Council in June, 1931.
Keeler, N. ...	10 0	The Ordinary Meeting of the Council in June, 1931.

Cooper, Mrs. ...	10 0	The Ordinary Meeting of the Council in June, 1931—the gratuity to be limited to a sum not exceeding six months' pay.

361 **Land by Mission Hall—Summers Lane.**—The recommendation of the Public Health Committee hereon was reported and approved.

362 **Instructions.—**

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

D. A. A. MERRY,

Chairman.

ELECTRICITY COMMITTEE'S REPORT.

11th June, 1930.

Present: Councillor H. O. Syrett (Chairman), Councillor Bennett (Vice-Chairman), Councillors Brown and Pocock; Major Marx, and Councillor C. S. Syrett (non-member).

363 **Minutes.**—The Minutes of Meetings of the Committee held on the 23rd April and 14th May, 1930, were taken as read, confirmed and signed.

364 **Requisitions.**—

RECOMMENDED that the list of requisitions (circulated) be approved. Annexed

365 **Accounts Sub-Committee.**—The Committee received and adopted the Report of the above Sub-Committee.

366 **Coal.**—It was reported that the present stock of coal was about 700 tons as compared with 820 tons at last Meeting;

RECOMMENDED that the purchase of the following "spot" lots at the prices mentioned in the Report of the Chief Electrical Engineer be approved:— See below

55 tons Staveley Washed Slack;

8 tons Yard Slack;

10 tons Yard Slack.

It was further reported that the forward contracts for coal would expire on the 30th June, 1930, and that the Chief Electrical Engineer was at present experimenting with one or two alternative varieties.

367 **Boilers.**—It was reported that the new boiler was now opened up for cleaning purposes and that the interior appeared to be in a very satisfactory condition.

368 **Turbines.**—It was reported that the Insurance Company had examined Turbines Nos. 1 and 2 at rest, together with their auxiliary plant, and had reported that same were in order; that they had also examined No. 3 Turbine at work and had reported that this was in order.

The following are the prices referred to in paragraph 366 above:-

55 tons	Staveley Washed Slack	@ 21/6d.	per ton;
8 tons	Yard Slack	@ 17/-	" "
10 tons	Yard Slack	@ 16/6d.	" "

Chairman.

ELECTRICITY *(continued).*

369 **Feeder Pillar.**—It was reported that the feeder pillar in Granville Road which had recently been damaged had now been satisfactorily repaired.

370 **Cable Easements.**—The Chief Electrical Engineer reported that the two easements for main cables which had been in force for some years, one in the Hampstead Garden Suburb and the other on the Arden Estate, were no longer required as the mains had now been removed, and that the easements should therefore be cancelled;

RECOMMENDED that the matter be referred to the Clerk to deal with.

371 **Finchley Urban District Council Act, 1908.**—Referring to Minute No. 871 (b) (1925/6), it was reported that Mr. J. F. English would attain the age of seventy years on the 24th July next;

RECOMMENDED that as from that date a gratuity of 5s. 0d. a week be granted to Mr. English, under the provisions of Section 70 of the above-mentioned Act until the end of the present financial year, when the case be reviewed.

372 **The British Electrical and Allied Industries Research Association.**—It was reported that under the terms of the subscription agreed at last Meeting, the Council were entitled to nominate a representative to serve on the above Association and that a request had been received that they would do so;

RECOMMENDED that the Chief Electrical Engineer be so nominated.

373 **Applications for Supply.**—The Chief Electrical Engineer submitted the following report :—

(2) Rectifier Sub-Station Extensions, 1930.—It was reported that the Summers Lane sub-station building extension was well advanced and that all the necessary plant was in process of manufacture.

375 **Electricity Undertaking—Additional Statutory Powers.**—A communication, dated 28th May, 1930, was submitted from the Honorary Secretary of the Conference of Local Authorities

owning Electricity Undertakings in Greater London, stating that the Conference had appointed a Special Sub-Committee to consider and report on the question of the desirability of Local Authority authorised undertakers obtaining additional statutory powers on the lines of certain Sections contained in the Hackney Borough Council Act, 1926, the West Ham Corporation Act, 1925, the Wolverhampton Corporation Act, 1925, and the Oldham Corporation Act, 1925; that before taking further steps the Sub-Committee desired to obtain the views of all Council Members of the Conference on the suggestion and that he would accordingly be glad to be favoured with this Council's observations in due course.

It was added that it was the desire of the Sub-Committee to assist Local Authority undertakers as far as possible in any legal difficulties that might be encountered in connection with the operation of their Undertakings; that in this connection the Sub-Committee, at the request of certain Members, had under consideration as to obtaining statutory powers to deal with the following matters :—

(*a*) Breaking of Council's seal on meter after electricity supply has been disconnected.

(*b*) Power to provide housing accommodation for employees and staff.

(*c*) Amendment of law to facilitate the acquisition of sub-station sites.

and that, if the Council had any matter of a similar nature which it was considered might usefully be dealt with by the Conference Sub-Committee, he would be glad to have full particulars thereof;

RECOMMENDED that a reply be forwarded to the effect that the Council are in hearty accord with the suggestions outlined above.

376 Insurance of Workmen—Accident—J. H. Wood.—It was reported that the above employee had, since last Meeting, met with an accident and that the matter had been dealt with.

377 Revenue Accounts and Balance Sheet—Year ended 31st March, 1930.—The above-mentioned accounts were submitted;

Annexed

RECOMMENDED—

(*a*) that the accounts and balance sheet be received and adopted;

(*b*) that for the time being the balance in hand on revenue account be carried forward and that prior to the close of the present financial year the question of transferring a further sum to the Reserve Fund be reconsidered;

(*c*) that as and from the commencement of the September quarter, 1930, the charges for the supply of electrical energy for private lighting, and for power, heating and cooking purposes be at the under-mentioned *reduced* rates:—

(1) Private Lighting.—

A flat rate of 3¾d. per unit for all units consumed or the maximum demand rate of 6d. per unit for the first hundred hours' use per quarter of the maximum demand and 2½d. per unit for all subsequent units consumed during that quarter;

(2) Power, Heating and Cooking Purposes.—

(*a*) Summer Rate.—

For the two summer quarters in each year, from the ordinary readings of the meters for the March quarter to and including the ordinary meter readings for the September quarter, all supplies for power, heating and cooking purposes at a flat rate of ¾d. per unit.

(*b*) Winter Rate.—

For the two winter quarters in each year, from the ordinary readings of the meters for the September quarter to and including the ordinary meter readings for the March quarter, at the rate of 2d. per unit for the first 90 hours' use per quarter of the maximum demand and ¾d. per unit

for all other units consumed in that quarter. Consumers with a load factor of 33⅓ per cent. and upwards a flat rate of ⅜d. per unit.

(*d*) that the Clerk of the Council be instructed to give public notice under the provisions of the Finchley Electric Lighting Order, 1899, of the Council's intention to make the above-mentioned reductions in the charges for electricity.

Annexed

378 Electrical Engineer's 26th Annual Report.—The above was submitted and instructions were given for the Report, Accounts and Balance Sheet to be printed and circulated to the Members of the Council;

RECOMMENDED—

(*a*) that the Report be approved;

(*b*) that the action taken with regard to the printing of the Report, Accounts and Balance Sheet be agreed.

H. O. SYRETT,

Chairman

Electricity Undertaking.

ENGINEER'S REPORT,

ACCOUNTS AND BALANCE SHEET

FOR

Year ended 31st March, 1930.

E. H. LISTER,

Clerk of the Council.

The Electrical Engineer submitted his Annual Report as under-printed :—

GENTLEMEN,

TWENTY-SIXTH ANNUAL REPORT.

1. I have pleasure in presenting you with my Annual Report for the twenty-sixth complete year of your Electrical Undertaking ending the 31st March, 1930.

2. CAPITAL A/C. EXTENSIONS.

(a) *Loans.* Application was made to the Electricity Commissioners for sanction to a loan of £5,743 for extensions to Summers Lane sub-station, including a short length of low tension feeder.

The Electricity Commissioners sanctioned the borrowing of £20,926 for extensions to the Percy Road, Holly Park and Hill Rise sub-stations and for the equipment of a new sub-station in Hamilton Road, East Finchley, including the looping and diversion of high tension feeders, together with low tension feeders.

No decision was arrived at by the Electricity Commissioners regarding the Council's application for an extension turbine. Conferences and discussions have been continued between the principal officers of the Central Electricity Board, the Joint Electricity Authority and myself. It appears likely from the modified views of the Joint Electricity Authority that the protracted and intricate negotiations may lead to a reasonably satisfactory conclusion being arrived at, at an early date.

(b) *Feeders, Mains and Consumers' Services.* During the year about 4,472 yards of new distributing mains and about 13,252 yards of service cable were laid by direct labour, in addition about 6,982 yards of high tension feeders, low tension feeders and pilot cables were laid by contract. 712 services were laid or laid and connected and 123 connected only.

(c) *Sub-stations.* The extension buildings and equipments at Hill Rise and Percy Road sub-stations were completed and put into operation about the end of October.

The Hamilton Road sub-station building, which was one of the old depot buildings, reconstructed and adapted, was completed, equipped and put on experimental load during the month of November.

The extension building and equipment of the Holly Park sub-station was completed and in use on the 9th of December.

(d) *Cooling Tower.* The new cooling tower and its foundations was erected during the summer. The necessary pumping plant was also installed. The tower was put into experimental use on the 19th September and was in full operation about the middle of October.

(e) *New Boiler.* The second 30,000 lb. boiler unit which was not completed during the last financial year, in certain minor details, was completed during the summer months.

3. PUBLIC LIGHTING.

Of the 93 cases where public lamps were damaged, 17 have been charged to persons responsible. No cases of wilful damage have been reported to the police and in 76 cases the damage was either small or the cause unknown. Several minor improvements have been effected in certain places and experiments have been conducted with the view to a general improvement of the main road lighting. 70 new columns have been erected and put into lighting.

4. REPAIRS AND MAINTENANCE.

(a) *Plant.* Turbines Nos. 1 and 2 were partially dismantled, the blading systems cleaned and certain minor repairs executed. The replacement turbine (No. 3) was completed in minor details. The two 30,000 lb. boilers were thoroughly cleaned and overhauled and arrangements fitted for obviating the scum trouble which caused serious difficulty during the previous year. No. 5 boiler was cleaned and overhauled and No. 6 boiler was overhauled and fitted with a complete new set of superheater tubes.

(b) *Mains.* Your distributing system has been well maintained and is in good condition but as I have previously pointed out, the frequent excavations by other authorities are liable to cause serious damage to mains, particularly those which have been in use for over 25 years. Unfortunately mechanical damage is rarely detected at the time and consequently renewals of a substantial nature may become necessary.

(c) *Meters.* About 282 meters have been scrapped as obsolete during the present year as compared with 245 during the previous year.

(d) *Sub-stations.* Although the necessary repairs have been comparatively unimportant, several minor improvements have been effected. The considerable quantity of oil in use for cooling the transformers has been changed and cleaned, a portable centrifugal cleaning plant having been purchased for this purpose. Owing to the general subsidence of the ground at the Holly Park site, the building has become distorted and caused some anxiety and expense.

5. INTERRUPTION OF SUPPLY.

On the 26th July the supply was interrupted for twelve minutes owing to damage (in connection with road widening works) to a joint box, fortunately this occurred at an hour when little inconvenience would be experienced.

6. CHARGES FOR ELECTRICITY.

There was no alteration in the charges for electricity supply during the financial year. The flat rate of 4d. per unit for lighting purposes and the various other rates correspond with those in operation at the end of the previous financial year.

7. PROGRESS.

(a) During the year 1,549 new consumers were connected, of these 741 were in new premises and 808 changes of tenancy, deducting 844 disconnections there is a net increase of 705 new consumers, this compares with 653 last year.

(b) I append figures indicating the general progress of your undertaking.

On the 1st April, 1930, you had 9,795 Applications, equal to 523,906 lamps of 33 watts.

On the 1st April, 1929, you had 9,100 Applications, equal to 452,047 lamps of 33 watts, an increase of 695 Applications, equal to 71,859 lamps of 33 watts.

On the 1st April, 1930, you had connected 436,732 lamps of 33 watts.

On the 1st April, 1929, you had connected 375,196 lamps of 33 watts, an increase of 61,536 lamps of 33 watts.

On the 1st April, 1930, Public Lamps 1,683 equal to 6,393 lamps of 33 watts.

On the 1st April, 1929, Public Lamps 1,602 equal to 6,049 lamps of 33 watts, an increase of 81 equal to 344 lamps of 33 watts.

During the year several consumers discontinued receiving a supply owing to their leaving the neighbourhood and from other causes; in most instances the premises have been re-let and a consumer regained. Particulars as follows:—

No. of premises disconnected during the year 844, equal to 24,610 lamps of 33 watts.

Disconnected at the commencement of the year 277, equal to 11,738 lamps of 33 watts. Total: 1,121 equal to 36,348 lamps of 33 watts.

No. of premises reconnected during the year 808, equal to 22,272 lamps of 33 watts.

Premises still disconnected 313, equal to 14,076 lamps of 33 watts.

Analysis of premises still disconnected at 31/3/30 (cumulative since the commencement of the undertaking):—

9. STATEMENT OF ACCOUNTS.

The Revenue Statement of Accounts is presented herewith.

10. COMMENTARY.

(*a*) Prices of general materials remain comparable with those of recent years.

(*b*) The average price paid for coal, including cartage and handling, was 25/1 per ton as compared with 24/9 per ton last year, a difference of 4d. per ton, equivalent to an increase of £165.

Fuel Oil has averaged 96/- per ton compared with 98/11 per ton last year, a decrease of 2/11, equivalent to a reduction of about £9.

The nett increase in the cost of fuel has increased the cost of production by about £156.

(*c*) There was a considerable improvement in the efficiency of working during the last five months of the year, due to the new cooling tower and efficiency of the generating staff. The total works costs are .679d. per unit sold as compared with .732d. for the previous year, representing a saving of £1,600, this steady decline has continued since 1921 when the works costs were 2.53d.

(*d*) The total costs per unit sold are 1.455d. as compared with 1.371d. last year, equivalent to an increase of about £2,540, this is more than accounted for by the increased rating assessment; under the old assessment an amount of £1,283 would have been paid in rates whereas £6,322 has actually been paid, an increase of over £5,000 for the year. It may be interesting to note that the total rates and taxes paid by the undertaking have represented nearly three-tenths of a penny per unit sold.

(*e*) The total units sold has increased by 685,933 or approximately 10 per cent. (348,395 for lighting, 285,864 for power and heating and 51,674 for public lighting).

(*f*) The total increased revenue from the sale of electricity for all purposes amounts to £7,189.

(*g*) After crediting the amount received for the hire of meters, works executed and other sundry revenues and writing off the sum of £112 0s. 10d., there remains a gross trading profit of £34,186 9s. 6d. Interest on loans (£9,911 15s. 5d.) and on consumers' deposits (£56 7s. 5d.) have required the sum of £9,968 2s. 10d., leaving a balance of £24,218 6s. 8d.

(*h*) Capital has been repaid to the amount of £13,605 2s. 10d., leaving a sum of £10,613 3s. 10d., to which must be added interest on current account (£289 14s. 5d.), increasing this balance to £10,902 18s. 3d.

After providing £1,957 12s. 7d. for income tax "Schedule D" there remains a *nett credit balance* on the year's trading of £8,945 5s. 8d.

(*i*) The credit balance brought forward from last year's accounts was £18,949 10s. 4d., of this sum £2,500 was transferred to the General District Fund for the relief of rates and £5,000 was transferred to the reserve fund, leaving a balance of £11,449 10s. 4d. to which must be added the nett profit above mentioned (£8,945 5s. 8d.); the carry forward is, therefore, increased to £20,394 16s. 0d.

(*j*) The reserve fund amounted to £9,295 12s. 7d. at the commencement of the year and with the addition of the £5,000 above referred to, a total of £14,295 12s. 7d. was available. During the year a sum of £3,586 15s. 1d. was paid on account of the replacement turbine, leaving a balance in hand at the end of the financial year of £10,708 17s. 6d. against which there is a liability of approximately £571.

11. GENERAL.

(*a*) Although during the earlier months of the financial year the aftermath of the difficulties under which the undertaking laboured during the preceding winter had an adverse effect on the economic working of the undertaking, these difficulties were to a very large extent overcome during the summer and the cooling tower, originally applied for in 1926, was completed sufficiently early to become effective during the winter six months. There would have been considerable risk of failure without the replacement turbine and the efficiency would have suffered severely.

Under the improved conditions arising from the above, it became possible to concentrate more effectively on efficient working, with satisfactory results.

(*b*) Although the results of the past year's working may be considered satisfactory, I am of opinion that further improvement may be obtained.

(*c*) The maximum load of 4,200 kilowatts is slightly lower than that of the previous year but it must be borne in mind that the load of February, 1929, was abnormal due to weather conditions. The average winter load was about 400 kilowatts higher this year.

(*d*) 9,909 tons of coal were consumed during the year and 64 tons of Fuel Oil.

(*e*) The greatest daily output was 46,700 units, and the most efficient day's run was at the rate of 2.1 lbs. of coal per unit generated.

(*f*) The average price obtained for the electricity supplied for all purposes during the year was 2.45d. per unit.

(*g*) The amount written off as irrecoverable consumers' accounts represents approximately one tenth of one per cent. of the revenue derived from private supply.

(*h*) At your request, together with that of other local authorities in Middlesex, owning electricity undertakings, the Middlesex County Council incorporated in their General Powers Bill a number of modern standard clauses, designed to facilitate the working of electricity undertakings.

(*i*) The London Joint Electricity Authority called several conferences to discuss and consider the question of the transference to that authority of the purchase rights held by certain local authorities (not owning electricity undertakings) in the N. and NE. Area or the Company undertakings operating in their respective areas. Your Committee was represented at these conferences but no conclusion has so far been arrived at.

(*j*) I attended several conferences between the parties interested in negotiations with the Joint Electricity Authority in regard to future bulk supply.

(*k*) Although referred to elsewhere in my report, I consider it desirable to draw special attention to the new rating assessment of the undertaking the effect of which is of present importance and may become of greater importance.

(*l*) It is with pleasure that I take this opportunity of thanking the chairman of the committee for his interest, advice and assistance during the year and it is always a pleasure to me to express my appreciation of the loyal, willing and able assistance of my staff whose work is so largely responsible for the results obtained.

I am, Gentlemen.

Yours faithfully,

EDWARD CALVERT,

Chief Electrical Engineer.

RECOMMENDED that the Accounts and Balance Sheet be received and adopted.

H. O. SYRETT,
Chairman.

FINANCE COMMITTEE'S REPORT.

11th June, 1930

Present: Councillor Sommerfield (Chairman), Councillor Langlands (Vice-Chairman) and Councillors Briant, C. S. Syrett, H. O. Syrett and Wells.

379 **Minutes.**—The Minutes of meetings held on the 23rd April, and 14th May, 1930, were taken as read, confirmed and signed.

380 **Treasurer's and Accountant's Statements.**—These were submitted.

381 **Small Dwellings Acquisition Acts.**—

(*a*) Advances—£4,775.—

RECOMMENDED—

(1) that advances with interest at the rate of £5¼ per centum per annum be made to the applicants mentioned in the list circulated herewith, subject to satisfactory references being received; Annexed.

(2) that the Clerk take up from the Public Works Loan Board the sum of £4,775, being the amount of such advances;

(3) that the Clerk be authorised to approve the Order for Certificate;

(4) that the Common Seal of the Council be affixed thereto and to the Receipt therefor;

(5) that the granting of an advance of £800 to the person appearing in such list under the heading "Required Later" be approved and that such advance be made when required by the applicant;

(6) that the fee of the Public Works Loan Board be paid by the Council.

In accordance with the authority delegated to this Committee by the Council, it was

RESOLVED that the Clerk be instructed to make application to the Public Works Loan Board for advance to the Council of the sum of £4,775.

(*b*) Approved Advances.—The Accountant reported that, including the sums recommended at this meeting, but excluding the above-mentioned sum of £800, the Council would have approved advances amounting to £512,570.

(*c*) Advances Repaid.—It was reported that in the under-mentioned cases the principal outstanding had been repaid, together with all interest charges :—

Mortgage No.	Proprietor.	Premises.
604	Stanley, A.	6, West Avenue.
605	Vanner, J. R.	43, Highwood Avenue.

(*d*) Advance No. 596—Paul Bara, Nether Street.—Letters were submitted, dated 28th May, 6th and 11th June, 1930, from Messrs. Chambers, Garnett & Chambers, enclosing copy of a letter from Messrs. Pedley, May & Fletcher in regard to the above property, and asking for the instructions of the Council in regard thereto.

Messrs. Pedley, May & Fletcher stated that they understood from Mr. P. D. Walker that the proprietor, who purchased the premises in February, 1929, was in default in respect of his mortgage to the Council, and also in respect of the Second Charge to Mr. Walker. Subject to a transfer, Mr. Walker was prepared to discharge the Council's Mortgage at any time, and it was accordingly requested that a note of the total amount due to the Council for principal and interest should be supplied;

RECOMMENDED that the transfer of the Proprietor's interest in the above-mentioned premises to Mr. P. D. Walker be approved, subject to compliance with the Statutory conditions.

382 **Wages of Workmen.**—A letter was submitted from the District Auditor stating that, during the course of the audits for the year ended 31st March, 1929, he had had occasion to con-

FINCHLEY URBAN DISTRICT COUNCIL.

C. F. CARPENTER,

Accountant.

Chairman.

This is the list referred to in paragraph 381 (a) of the Finance Committee's report of the 11th June 1930

sider the question of the wages paid by various local authorities within the County of Middlesex. He was at first inclined to take the view that the scales drawn up by the Middlesex Joint Industrial Council must be taken as determining the market rate of wages within the County, but he observed, however, that whilst some local authorities adhered closely to those scales others were paying wages greatly in excess of them.

After careful consideration, he had decided to take no audit action in any case where the wages paid did not exceed the highest scale allowed in any Metropolitan Borough, but that it must be understood that that was the limit of the concession he could make, and that at the approaching audits for the year ended 31st March, 1930, it would become his duty to disallow and surcharge upon the members concerned any excess of wages paid above the maximum he had indicated, but that where such cases existed however, no action would be taken when the necessary revision had been made after the receipt of his notification. Instructions were given to the officers concerned in regard to the matter.

383 **Local Government Act, 1929.**—A letter was submitted, dated April, 1930, from the Urban District Council of Eastleigh and Bishopstoke, forwarding copy of the following resolution passed by that Council:—

> "That the Urban District Council of Eastleigh and Bishopstoke desires to draw the attention of the Minister of Health to the abnormal rise in the County Rate by the operation of the Local Government Act, 1929, and further urges that a differential rating should obtain between Urban District Councils and Rural District Councils in respect of highway charges."

A further letter was submitted, dated 20th May, 1930, stating that the resolution was passed irrespective of the differentiation made in the Exchequer grants, in view of the County Rate for the current year, in respect of highway charges, being 4s. 11½d. in the £, and which that Council regarded as extremely excessive; that the main reason which prompted the Council in urging differential rating between Urban and Rural District Councils in respect of highway charges was that it was unfair that an Urban Authority, in addition to maintaining their own district roads, should be called upon to contribute towards the cost of roads in Rural Districts;

FINANCE *(continued).*

RECOMMENDED that no action be taken in the matter at the present time.

384 **Woodhouse Road.**—It was reported that a letter had been received, dated 2nd June, 1930, from the Middlesex County Council, referring to the widening improvement carried out in Woodhouse Road in front of Mr. Harriss' shop, and to the decision of the Ministry of Transport not to contribute towards the cost of the work, and stating that the matter was considered by the County Council at their last meeting when it was reported that the Ministry of Transport were not disposed to reconsider their decision, and in those circumstances a resolution was adopted agreeing to allow the Council to charge in their main road accounts the sum of £13, representing a moiety of the cost of the work.

385 **Unpaid Rates and Electricity Charges—J. H. Tomlin.**—The Clerk reported that in regard to the Council's claim in respect of rates and electricity herein, a letter had been received, dated 28th May, 1930, from Mr. W. W. Knapman, stating that he had been appointed Trustee, and requesting the Council's assent to the execution of the Deed of Assignment;

RECOMMENDED that so far as the Council are concerned, authority be given for the execution of the Deed of Assignment in regard to the outstanding electricity charges.

386 **Glebe Lane—Site " C "—Fencing.**—The recommendation of the Town Planning and Open Spaces Committee hereon was reported;

RECOMMENDED that a supplementary estimate of £50 in respect of the expenditure referred to, be approved.

387 **Wyatt's Farm—Brookside Walk.**—The recommendation of the Town Planning and Open Spaces Committee hereon was considered;

RECOMMENDED that authority be given for payment of Solicitors' costs (approximately £21) in connection with the matter.

388 **Brook Farm—Utilisation.**—The recommendations of the Town Planning and Open Spaces Committee were considered.

The Committee decided to request the Town Planning Committee to submit a statement as to the revenue which it was anticipated would accrue when the land was laid out in the manner indicated.

RECOMMENDED that, subject to the before-mentioned statement being satisfactory, the Council approve a supplementary estimate to cover the expenditure involved, viz.: approximately £350.

389 **Highways — Tarmacadam Resurfacing.**—The recommendations of the Highways & Fire and Water Committee hereon were reported;

RECOMMENDED—

(1) that recommendation (c) of the report of the Highways and Fire and Water Committee be amended so as to provide for the employment of a Clerk of Works from the existing temporary staff of the Surveyor to the Council;

(2) that the Clerk make application to the Ministry of Health for sanction to the borrowing by the Council of the sum of £5,040, made up as follows:—

	£
Estimated cost of works	5,000
Loan charges	40
	£5,040

390 **Local Government and Other Officers' Superannuation Fund Account.**—

(*a*) Investment.—The Accountant reported the purchase of £1,500 Union of South Africa 5 per cent. stock at a cost of £1,501 1s. 9d.

(*b*) Refund of Contributions.—The Accountant reported that a refund of contributions had been made to Mr. L. Lloyd Lewis (Electricity Department) of £105 8s. 1d.

391 **Financial—Rating.**—

(*a*) The Accountant submitted a statement of empties and irrecoverable arrears for the half year ended 31st March, 1930.

H. G. SOMMERFIELD,

Chairman.

REPORT OF MEETING OF THE EDUCATION COMMITTEE

held on the 12th June, 1930.

Present: Councillor C. S. Syrett (Chairman), Councillors L. W. Bennett, F. J. Grocott, J. H. Jones, W. C. Langlands, D. A. A. Merry, H. G. Sommerfield, H. Vyvyan Wells; Miss L. Davey and the Rev. F. S. Goldie.

413 **Vacancies for Head Teachers.**—A letter dated 22nd May has been received from the Secretary to the Middlesex Education Committee, announcing that all the Education Authorities in Middlesex, with the exception of one, have agreed to enter into a reciprocal arrangement with regard to the appointment of Head Teachers to their elementary schools.

(The Council will remember that in July, 1929, in reply to a preliminary enquiry by the Middlesex Education Authority the Council expressed their willingness to enter into such a reciprocal arrangement).

RECOMMENDED that, notwithstanding the fact that one Authority is not prepared to enter into reciprocal arrangements, this Council confirms their willingness to co-operate with the other Education Authorities in Middlesex in the matter of filling vacancies for Head Teachers.

414 **Reports of His Majesty's Inspector.**—Reports of H.M. Inspector in respect of the under-mentioned schools have been received and circulated:—

St. Mary's Mixed School.

St. Mary's Infants' School.

Long Lane Infants' School.

Squires Lane Infants' School.

415 **Attendance Returns.**—For the week ended 16th May, 1930, the school attendance returns were as hereunder:—

416 **Special School Children.**—With a view to facilitate the admission of children to Special Schools under the advice of the School Medical Officer, and to avoid delay in urgent cases it is

RECOMMENDED that authority be given to the Chairman of the School Attendance Sub-Committee and the Chairman of the Education Committee to investigate and deal with these cases, subject to report at the next meeting.

417 **Extra District Children.**—An application has been received for the admission to the Christ Church (L.C.C.) School, Hampstead, of two girls aged 7 and 6 years respectively, residing in Winnington Road, Hampstead, an address just within the area of this Authority;

RECOMMENDED that the Finchley Education Authority accept responsibility of the cost of the education of these children at the school mentioned while residing at the above address.

Letters have been received from the Education Officer of the London County Council asking permission for the under-mentioned children, recently removed from London into Finchley, to continue in attendance at L.C.C. Central Schools, viz. :—

Name.	Age.	Now in attendance at.
A.B.	15½ years	Burghley Road Central School.
C.D.	12 years	Oratory R.C. Central School.

RECOMMENDED that the application of A.B. be accepted, but with regard to the case of C.D. the L.C.C. to be informed that the Council cannot see their way to accede to this request.

418 **Glebe Land — Site "C" — Playing Field.**—A letter, dated 27th May, 1930, has been received from the Clerk to the Council announcing that the Council approve the recommendation of the Education Committee hereon, whereby the ground formerly used by the Finchley Football Club will become available for the scholars attending the elementary schools.

RECOMMENDED that, as from the 1st April, 1930, the Education Committee relinquish the use of the ground immediately south of the Finchley Football pitch hitherto occupied temporarily as a playing field, and that the rent of that ground shall cease as from 31st March, 1930.

419 **Requisitions and Repairs.**—

RECOMMENDED that the requisitions set out in the list circulated be approved. Annexed

420 **Holy Trinity School—Wear and Tear Repairs.**—The Managers of the Holy Trinity School have had before them estimates for internal decorations to be carried out during the summer holidays. The Managers have accepted the estimate of Messrs. E. E. & A. Tee (being the lowest received) amounting to £21 11s. 0d., and ask that the Education Authority will make their usual contribution in connexion therewith.

RECOMMENDED that the Education Authority contribute five-sixths thereof, namely £17 19s. 2d.

421 **Lettings.**—During the financial year ended 31st March last the receipts in connexion with the use of the school premises were as under, viz. :—

C. S. SYRETT,

Chairman.

Report of a meeting of the Children's Care Sub-Committee held on Thursday, the 29th May, 1930.

Present: Mrs. S. Miall, Councillors F.J. Grocott, W.C. Langlands, C.S. Syrett; Miss Davey, Miss Steward; Messrs. W.J. Cowling and A.E. Smith.

Election of Chairman. Mrs. A.S. Miall was unanimously elected Chairman of this Sub-Committee for the ensuing year.

Supply of Spectacles.

Since the last meeting nine school children have been supplied with spectacles. The initial cost of these has been defrayed from the Committee's funds, the parents refunding amounts in weekly instalments.

Provision of Surgical Instruments.

The Lady Almoner of the Royal National Orthopaedic Hospital has appealed for assistance in supplying surgical instruments to a scholar attending Long Lane Council School. Cost of the instruments £7. 10s. 0d. The case was investigated and arrangements immediately made for the instruments to be supplied, the Committee undertaking responsibility for their cost. Through the kindness of friends in sending Royal Surgical Aid Letters and a small donation the parent is now called upon to refund in weekly instalments a very reduced amount.

Middlesex Edward VII Memorial Fund.

A meeting of the Trustees of this Fund was held at the Middlesex Guildhall on 19th February, 1930. The Lord Lieutenant of Middlesex, the Rt. Hon. The Lord Rochdale, presided over about 40 representatives of Local Education Authorities and others interested.

The meeting was called to approve the purchase of Collington Manor, Bexhill, as the new Hostel, at a cost of about £10,000. The proposal was agreed to and an appeal was made for subscriptions. The Finchley Care Sub-Committee had already forwarded £5.

Collington Manor, Bexhill-on-Sea, is now secured as a permanent seaside holiday and convalescent home for necessitous children of the County of Middlesex.

Finchley has already been given the opportunity of sending children to this new and delightful hostel. Two free places for girls and one for a boy have been offered to us, the children to visit Bexhill - one girl on May 20th for two weeks, one boy on June 3rd for one week, and one girl on June 24th for one week. Arrangements have been made for three selected necessitous children to fill the vacancies offered.

At this time of the year it is usual to reserve a number of places for necessitous children in our schools to be accommodated at the Hostel for one week's holiday during the summer months, the majority within the school holidays.

It has been decided to ask the Hostel to reserve accommodation for a number of necessitous Finchley school children (those between nine and fourteen years of age who are in need of such a holiday and whose circumstances will not otherwise permit) not to exceed fifty, the selected children to visit Bexhill during the ensuing Summer months.

Annual Statement of Accounts.

A very brief summary of the audited Annual Statement of Accounts for the year ended 31st March, 1930, is as hereunder, viz:-

DR.

	£.	s.	d.		£.	s.	d.
Cost of spectacles to school children.....	11.	4.	0.	Balance brought forward.....	55.	14.	8.

CR.

In connexion hereon it may be stated that twenty-five children have been supplied with spectacles. Three school children have been supplied with surgical instruments. One lad had three weeks' convalescent home holiday at Bournemouth. Forty-five school children had one weeks holiday each at Herne Bay Hostel. One boy was supplied with milk for a period of two months which proved a great aid in his recovery to health.

The work of assisting necessitous school children in the provision of spectacles, surgical instruments, nourishing foods, and in the arrangements made to give some scores of boys and girls a beneficial holiday at the seaside, has been reported from time to time.

Refunds from parents in the supply of spectacles have been extremely satisfactory. Regular weekly refunds are made in the majority of cases; in one or two instances spectacles have been supplied free to the children owing to very poor circumstances.

The cost of surgical instruments is a very heavy item and it is practically an impossibility for some parents to purchase these. The Care Committee have accepted responsibility for the cost of several such appliances, and encouraged the parents to refund in weekly instalments; have assisted in grants, and, by the aid of Royal Surgical Aid Letters received from friends, materially reduced the intial cost and so saved much expense to generally deserving poor parents of children attending our public elementary schools.

The Committee is indebted to subscribers for generous financial help during the year. Subscriptions and donations have amounted to £70. 17s. 8d., which included £25, an allocation from the Christmas Day Dinner-Table Collection, and £11. 14s. 2d., a donation from the Grand Hall Cinema, North Finchley, from their Poor Children's Christmas Treat Fund.

Appeal.

The usual appeal has recently been made for funds to enable the Committee to carry on in its work of Children's Care.

Grateful acknowledgement is due to the following for amounts already received, viz:-

Juveniles - Hours of Employment:

Consideration has been given to the following resolutions adopted and submitted by the Borough of Ealing Education Committee and the Reading Education Committee, respectively.-

RECOMMENDED:

that the same be supported.

Borough of Ealing:-

"(i) That the Education Committee and the Town "Council be asked to place on record their "opinion that at the present time many "juveniles work excessive hours, and that it "is essential for the future welfare of young "people that the latter should not be over-"worked, but should have adequate time for "rest, recreation, and continued education, "particularly during their first two orthree "years of employment.

"(ii) That the Employment Officer be instructed "always to have this opinion in mind when "dealing with employers and filling vacancies.

"(iii) That the Government Departments concerned, viz: "the Board of Education, Ministry of Labour, "and Home Office, be urged to put forward the "necessary legislation to give effect to the "terms of these resolutions, and definitely "to limit the hours worked by juveniles.""

Reading Education Committee.

"That the Ministry of Labour be requested to "secure the establishment of Trade Board "Regulations for governing the employment of "young persons in or in connexion with hotels "or other refreshment establishments, whether "licensed or unlicensed."

The Ministry of Labour have issued a Questionnaire drawn up by the National Advisory Council for Juvenile Employment (England and Wales), for completion by all Local Education Authorities who exercise powers under Section 107 of the Education Act, 1921, and all Juvenile Advisory Committees, in respect of the Shortage, Surplus and Re-distribution of Juvenile Labour during the years 1930-1938. It is issued in order to obtain accurate knowledge with regard to this subject.

Instructions have been issued to complete the Questionnaire as far as practicable.

The Minister of Labour has addressed a letter to employers of labour inviting their co-operation in helping to develop the National System of Employment Exchanges, which has been duly noted.

A memorandum embodying the views expressed at a Conference of Chairmen and Secretaries of Juvenile Advisory Committees within the Administrative County of London on the probable effects of the shortage of juvenile labour in London owing to the reduced birth rate during the war has been considered and noted.

During the period under review 27 juveniles made fresh claims for Enemployment Insurance Benefit. 16 were boys and 11 girls. Six boys made renewal claims for benefit.
£26. 11s. 5d. has been paid out since the issue of the last report in respect of unemployment Insurance Benefit.

171 Unemployment Insurance Books have been issued.

Since the issue of the last report the "Unemployment Insurance Act, 1930" became law on 6th February, 1930.

The Act increases the rates of benefit for persons aged 17, 18 and 19. The alteration as it affects the Bureau is in claimants over the age of 17. The rates of benefit are as shown-

Age.	Males. Present rate.	Males. Proposed rate.	Females. Present rate.	Females. Proposed rate.
16	6s.0d.	6s.0d.	5s. 0d.	5s. 0d.
17	6s. 0d.	9s.0d.	5s.0d.	7s.6d.

The minimum age of entry into insurance will be lowered from the present age of sixteen to the school-leaving age as from the date at which the school leaving age is raised to at least 15. When the age of entry into insurance is lowered, regulations may be made for crediting unemployment insurance contributions in respect of attendance by boys and girls aged 15 at schools, Junior Instruction Centres and Classes. These provisions will not operate before April, 1931.

The Act came into force on 13th March,1930 and its operation is limited to the period ending on 30th June, 1933.

Various Regulations have been issued by the Ministry and the Bureau is working in accordance with the revised procedure.

The work of the Bureau has proceeded normally. There is a heavy demand for boys for delivery work but the supply is found to be very limited.

A School Leavers' Meeting was held at Squires Lane School on 19th March, 1930, when all school leavers for the term ended 31st March were invited to attend. The attendance was very satisfactory. Miss Reading of the Great Marlboro' Street Juvenile Employment Exchange gave a very helpful address to the assembly.

After-Care work.

In respect of After-Care work, this has proceeded normally under the direction of Miss Syer. The under named ladies have again kindly assisted in visiting the children who left school at Christmas:- Mrs.Arbour, Miss Davey, Miss Dawson, Mrs.Elkan, Mrs. Isaacs, Miss Syer and Miss Watts. Miss Gray and Mrs. Elkan kindly helped in the office work. Sixty-eight children were legally exempt from school attendance at Christmas. Of these it was found that four were to remain at School another year, but only seven others were actually attending Evening Classes. Generally speaking those at home especially the boys are awaiting jobs that can be secured for them by relatives.

438 **Minutes.**—The Minutes of the last Ordinary Meeting of the Council held on the 26th May, 1930, were taken as read, confirmed and signed.

439 **Presentation of the Portrait of the Late Mr. J. O. Herdman.**—The Chairman of the Council asked Councillor H. O. Syrett to accept, on behalf of the Council, a framed portrait of ex-Councillor Herdman, deceased.

Councillor H. O. Syrett, in accepting the portrait, said that he did so with very great pleasure, and referred in felicitous terms to the manner in which Mr. Herdman had devoted himself to the work of the Council during his period of office. He reiterated what was recorded on the Minutes of the Council in November, 1927 (shortly after Mr. Herdman's death) and stated that Mr. Herdman was a man who was possessed of a very high sense of duty, as was

shown by the fact that during his year of office as Chairman of the Council his attendance at Council and Committee meetings had reached 100 per cent., in addition to which he had been present at many meetings not connected directly with the work of the Council.

Councillor H. O. Syrett then handed back the portrait to the Chairman of the Council and it was

RESOLVED that same be accepted by the Council with pleasure and hung in the Council Chamber.

440 **Reports of Committees.—**

RESOLVED that the reports of the under-mentioned Committees be received and adopted :—

(*a*) **Town Planning and Open Spaces** of the 2nd June, 1930, with the exception of paragraphs 295 (Victoria Recreation Ground—Tennis Courts) and 291 (Coldfall Wood, Hornsey), which be referred to the Committee for further consideration, and that, with regard to the former matter, the Clerk submit to the Committee a report as to the terms upon which the Recreation Ground was acquired by the Council.

(*b*) **Public Health** of the 3rd June, 1930, with the exception of paragraph 319 (a) (Refuse Collection—Contract) which be referred to the Council in Committee for consideration.

Arising out of the report, the Chairman of the Committee drew attention to some of the more important features contained in the Annual Reports for the year 1929 of the Medical Officer of Health and School Medical Officer and of the Chief Sanitary Inspector, and spoke in appreciative terms of the work of the Public Health Department, and his remarks were endorsed by several other Members of the Council.

The thanks of the Council were then accorded to the Chairman of the Public Health Committee for his report.

(*c*) **Highways and Fire and Water** of the 4th June, 1930.

Arising out of paragraph 325 (Highways—Tarmacadam Resurfacing) it was

RESOLVED—

(1) that the following item be deleted :—

" Nether Street (Ballards Lane to Gainsborough Road) ... £2,427."

thereby reducing the total to £2,573.

(2) that recommendation (c) be deleted.

(*d*) **General Purposes** of the 10th June, 1930.

(*e*) **Electricity** of the 11th June, 1930.

Arising out of paragraph 377 (Revenue Accounts and Balance Sheet—Year ended 31st March, 1930), it was

RESOLVED that the Standing Orders be suspended in order to enable the Chairman of the Electricity Committee to make his statement in regard to the Revenue Accounts and Balance Sheet therein mentioned.

The Chairman of the Committee thereupon made his statement, and the thanks of the Council were accorded to him therefor.

(*f*) **Finance** of the 11th June, 1930.

Arising out of paragraph 389 (Highways—Tarmacadam Resurfacing) it was

RESOLVED—

(*a*) that recommendation (1) be deleted;

(*b*) that recommendation (2) be amended to read as follows :—

" that the Clerk make application to the Ministry of Health for sanction to the borrowing by the Council of the sum of £2,600, made up as follows :—

Estimated cost of works ...	£2,573
Loan Charges ...	27
	£2,600

Arising out of paragraph 388 (Brook Farm—Utilisation) the Chairman of the Town Planning and Open Spaces Committee made a statement on the matter, which was considered by the Council to be satisfactory.

(g) **Education** of the 12th June, 1930.

441 **Electricity (Supply) Acts, 1882 to 1928—London and Home Counties Electricity District.**—The Clerk submitted notice received from the Electricity Commissioners, dated 20th June, 1930, enclosing print of a draft Order under Section 7 of the Electricity (Supply) Act, 1919, amending the London and Home Counties Electricity District Order 1925, and intimating that the Commissioners intended to hold a Local Inquiry at Savoy Court, Strand, W.C. 2, on the 24th July, 1930 at 10.30 a.m., and following days, if necessary, with reference to the said draft Order; further that any body or person interested might attend the Inquiry either personally or by Counsel, Solicitor, or Agent and that any representations or objections with regard to the provisions of the draft Order should be submitted in writing not later than the 17th July, 1930;

RESOLVED that the matter be referred to the Electricity Committee for consideration with power to act subject to report.

442 **Town Planning Scheme No. 1—Lyttelton Playing Fields.**—The Chairman of the Town Planning and Open Spaces Committee referred to a letter, dated 14th June, 1930, received from the Ministry of Health hereon;

RESOLVED that the Town Planning and Open Spaces Committee be authorised to negotiate with the owners of the land as mentioned in such letter, and report.

443 **Finchley Carnival.**—A letter, dated 10th June, 1930, was submitted from the Hon. Secretary of the Finchley Carnival Committee, asking for the Council's permission for the Fire Brigade, or part of it, to enter the Carnival procession to be held on the 10th July, 1930;

RESOLVED that such permission be granted and that it be referred to the Highways (Works) Sub-Committee to make the necessary arrangements.

444 **Payment of Accounts.—**

RESOLVED that Orders in writing be signed by three Members of the Council directing the Treasurer to pay :—

(*a*) the several sums mentioned in the Finance Committee's report of the 11th June, 1930, amounting to £73,921 1s. 6d. ;

* (*b*) the sum of £866 13s. 4d. in respect of the Council's proportion of the cost of the purchase of Oak Lodge, Oak Lane for use as a Joint Special School for Mentally Defective Children.

* See report of Council in Committee.

RECOMMENDED that same be received and adopted.

449 **Town Planning and Open Spaces Committee.**—A report of this Committee, dated 2nd June, 1930, as under-printed, was submitted and considered:—

Present: Councillor Pike (Chairman), Councillor Langlands (Vice-Chairman), Councillors Jones, Merry, Pulham, Mrs. Timberlake and Wells, and Councillor H. O. Syrett (non-member).

Alleged Right of Way—Open Space—Woodside Lane—Mr. H. E. Hyde.—A report of the Legal Assistant on his examination of the deeds of the above property was submitted;

RECOMMENDED that the Clerk be instructed to inform Mr. Hyde that the Council are not satisfied that he has produced any evidence of a right of way as is claimed, but that, without prejudice to their position, they will allow him access to trim the hedge in question.

A. T. PIKE,

Chairman.

RECOMMENDED that such report be received and adopted.

450 **Open Spaces — Golf Course — Nether Court, Frith Grange and Land Adjoining.**—A report of a meeting of a Sub-Committee held on the 10th June, 1930, with regard to the question of the figure to be inserted in the lease to the Golf Club was submitted and considered;

RECOMMENDED that such report be received, adopted and entered on the Minutes of the Council.

451 **Education Committee.**—A report of this Committee, dated 12th June, 1930, as under-printed, was submitted and considered:—

(1) **West Ward—School Site.**—An offer of a site in the West Ward has been received and considered. Having regard to the limited area of the ground and the cost thereof, it is

RECOMMENDED that no action be taken in regard to this offer.

(2) **Repairs and Decorations during School Holidays—Summer, 1930.**—The Education Committee have had before them Tenders for decorations and repairs to be carried out at the Schools during the Summer Holidays;

RECOMMENDED—

(*a*) that the quotations submitted by the firms set out in Schedule I. herewith be approved;

(*b*) that the works specified in Schedule II. be carried out during the summer vacation, subject to satisfactory quotations being obtained in connexion therewith, to be approved by the Chairman of the Education Committee and reported to the Council in Committee.

C. S. SYRETT,

Chairman.

"I attended at the office of Messrs. Bolton, Jobson & Yate-Lee on the 14th May, 1930 and examined the deeds of Mr. Hyde's property.

No grant of a right of way such as is claimed by Mr. Hyde or indeed any right of way was disclosed in the deeds. In the Conveyance to Mr. Hyde, however, in 1923 the plan shows two hedges in the positions shown on a sketch, and it is possible that Mr. Hyde or his predecessors in title had access, but only by user, to the open space to cut these hedges. In addition, the dotted lines on the plan indicate that at that time apparently there was no fencing at this point between Mr. Hyde's property and that of the Council. It seems that the only right which Mr. Hyde can claim is a right of way by user.

Mr. Hyde's property and that belonging to the Council were about 1824 in a common ownership, but between that date and 1850 the properties became separated."

This is the report of the Legal Assistant referred to in paragraph 449 of the Council Minutes of the 23rd June 1930.

Chairman.

URBAN DISTRICT OF FINCHLEY.

It was further

RECOMMENDED that the necessary contracts be added to the list of documents for sealing.

452 **Fire Brigade—Appointment of Second Officer.**—The Chairman of the Highways and Fire and Water Committee reported that a number of applications for the above-mentioned appointment had been received;

RECOMMENDED that the Highways (Works) Sub-Committee be authorised to make the appointment, subject to report.

453 **The Avenue.**—The Chairman of the Town Planning and Open Spaces Committee reported upon a communication, dated 7th June, 1930, received from Mr. Humphrey Edmunds;

RECOMMENDED that the suggestion made in the penultimate paragraph of such letter be approved by the Council and that the Clerk be instructed to deal with the matter accordingly.

454 **Joint Special School for Mentally Defective Children—Oak Lodge.**—The Clerk reported that the Board of Education had written stating that they approved the proposal of the Managers to purchase these premises at a cost not exceeding £2,600, exclusive of legal charges, and that they agreed to the proposal of the Authority to meet their share in the cost, namely one-third of the purchase price and costs, by means of a loan;

RECOMMENDED—

(*a*) that the Clerk make application to the Ministry of Health for sanction to the borrowing by the Council of the sum of £900, made up as hereunder mentioned, in respect of this Council's proportion of the cost of acquisition of Oak Lodge:—

	£	s.	d.
Proportion of cost of acquisition	866	13	4
Cost of conveyance and stamps ...	25	0	0
Loan charges	8	6	8
	£900	0	0

(*b*) that the Accountant be authorised to draw a cheque for £866 13s. 4d. in respect of the proportion of the purchase money;

(*c*) that an Order on the Treasurer for the amount mentioned in (b) above be approved, and that same be included in the list of documents for sealing.

455 **Local Government Act, 1929—First General Review of Districts.**—It was reported that the Chairman of the Council and Councillor H. O. Syrett had attended the Conference convened by the Middlesex County Council at the Guildhall, Westminster, on the 12th instant, and that the Chairman made a most effective speech in support of this Council's representations.

456 **Glebe Land—Site "C"—Grandstand.**—It was reported that Messrs. Wm. Moss & Sons, Ltd. had not yet executed the contract herein as they were waiting for the return of one of their Directors and that, to meet the difficulty discussed at the last meeting of the Council, a clause had been inserted in the contract to the effect that Messrs. Wm. Moss & Sons, Ltd. would indemnify the Council against all claims, costs, charges, expenses and demands, actions and proceedings at any time made by the Victoria Construction Co. (London), Ltd., or anyone claiming through or under them in respect of the work executed or anything done by the said Victoria Construction Co. (London), Ltd. in commencing the work of erecting the said grandstand on the glebe land.

457 **Open Spaces—Golf Course—Nether Court, Frith Grange and Land Adjoining.**—

(*a*) The Clerk reported as follows :—

"With regard to the lease to the Golf Club, Clause 19—Paragraph 3—should be altered to read as follows :—

'As to such part of the property hereby demised coloured blue on the said plan in a conveyance dated the thirtieth day of May One thousand nine hundred and thirty and made between John James Ward of the one part and the Council of the other part.'

This alteration is in consequence of certain covenants with regard to the Chestnut Drive being inserted in the conveyance which did not appear in the original agreement.

It will be remembered that, in connection with the conveyance of the Chestnut Drive by Mr. Ward, the Council author-

ised a Sub-Committee to deal therewith if any further slight amendments should be required by Mr. Ward to the draft conveyance. Accordingly the Sub-Committee have agreed the following minor amendments, namely:—

'That Mr. Ward and his wife and the survivor of them so long as they, he, or she, shall remain owners and in occupation of Rocklands (and the right of pre-emption accorded to the Council over the land to the South of the Chestnut Drive shall not have been exercised) shall have

(1) a right-of-way from and to Rocklands and the said land over the Chestnut Drive for the services of the grounds and gardens of Rocklands;

(2) a right-of-way for the purpose of cartage of manure, etc., over the Chestnut Drive from Gordon Road to Rocklands;

(3) a right-of-way for themselves and their servants and the occupier of the Lodge from and to the Lodge and Gordon Road over the Chestnut Drive.'

The conveyance has now been executed by Mr. Ward."

RECOMMENDED that the foregoing be approved.

(*b*) It was further reported that the Hendon Urban District Council had made application for the Council's consent to deviate from part of the original line of sewer as shewn on plan submitted in order that they might preserve the existing trees and that it was understood that the Directors of the Golf Club saw no objection to such deviation;

RECOMMENDED that without prejudice the desired consent be given by the Council.

458 **Cherry Tree Wood—Salvation Army—Meeting and Service.**—A letter, dated 20th June, 1930, was submitted from Capt. Rowland, asking for permission to hold a Service with the United Sunday Schools of East Finchley, in the above Open Space on Sunday, the 6th July, 1930, from 3 to 4.30 p.m.;

RECOMMENDED that such application be granted by the Council under the terms of the Bye-laws made with respect to Cherry Tree Wood.

459 **Rate Summonses.—**

RECOMMENDED that Wednesday, the 2nd July, 1930, be agreed as the last day for payment of rates and that it be left to the Clerk to arrange with the Justices as to the dates for the application for the summonses and for the hearing thereof.

460 **Attendances—Return of.**—It was reported that a Return showing the attendances of Members at Council, Committee and Sub-Committee Meetings during the year ended 15th April, 1930, had been circulated.

Annexed.

461 **Development—Wyatt's Farm and Proposed Brookside Walk.**—The Surveyor reported hereon and intimated that the question was one of an outfall for the surface water sewer and that the proposal was to connect to a ditch on the property; that it was necessary to approach the L. & N.E. Railway Company, because the Company's pipe would have to be enlarged; that the negotiations with the Railway Company were settled and that it was now a question as to who should bear the cost of the outfall (estimated at £150); that as a result of an interview which he had had with Messrs. Charles Sparrow & Sons they had forwarded a communication, dated 23rd June, 1930, the effect of which was that, if the Council were prepared to provide the outfall at their own expense and also extend that outfall a certain distance along the ditch, in the matter of cost a further £60, say £200 in all, Mr. P. D. Walker, the prospective owner, was prepared to convey to the Council, free of cost, two parcels land in the vicinity of Fursby Avenue forming a continuation of the Brookside Walk, subject to the Council agreeing to bear the legal costs;

RECOMMENDED that, subject to the owner or owners entering into an agreement in a form to be approved by the Council (which together with the conveyance be added to the list of documents for sealing) :—

(*a*) the offer above-mentioned be accepted;

(*b*) the draft agreement with the Railway Company be approved and that the document be added to the list of documents for sealing;

FINCHLEY URBAN DISTRICT COUNCIL.

COUNCIL MEETING - 23rd JUNE, 1930.

SANITARY INSPECTOR'S REPORT - PART II

3, The Hawthorns,
Regents Park Road, N.3.

21st June, 1930.

To the Chairman and Members of the
Finchley Urban District Council.

NUISANCE - (P.H.A.1875)

KEEPING OF ANIMALS AT NO.21, LESLIE ROAD, N.2.

I have to report that complaints have been received with respect to a nuisance at No.23, Leslie Road alleged to arise from the keeping of animals (cats) at No.21, Leslie Road, N.2. Number 21, Leslie Road is a self-contained first floor flat situated immediately over No.23, Leslie Road.

I visited No.21, Leslie Road on the first occasion on the 5th October, 1929, consequent upon the receipt of complaints

Following the receipt of further complaint , the premises were again inspected on the 5th February, 1930, after admission had been refused by the occupier and a Magistrate's Order empowering your officers to enter had been obtained. On each of these occasions cats were seen but the premises were clean.

On the 29th May, 1930, an oral complaint was received from the occupier of No.23, Leslie Road and upon investiggtion it was found that "liquid matter" had dripped from the scullery ceiling. The liquid had an offensive odour similar to cats' urine. I obtained a sample of the liquid which has since been analysed at the Counties Public Health Laboratories and certified to contain urine.

The scullery of No.21, Leslie Road has a concrete floor, the underside of which is match-boarded and forms the ceiling of the scullery of No.23, Leslie Road.

On the 14th June, 1930, I again visited No.21, Leslie Road. I found that a crack existed in the scullery floor which permitted water to pass through into the scullery of No.23, Leslie Road.

At the time of my visit there were six cats and five quite young kittens in the kitchen. The cats are kept shut up in the flat during the day.

In my opinion, the nuisance complained of arises from the keeping of animals at No.21, Leslie Road so as to be a nuisance or injurious to health and I suggest that the statutory notice submitted herewith be served upon the occupier or occupiers of the said premises.

This is the report referred to in paragraph 462 of the Council Minutes of the 23rd June 1930.

E.J. FRANKLIN.
Chief Sanitary Inspector.

TOWN PLANNING AND OPEN SPACES COMMITTEE'S REPORT.

7th July, 1930.

Present: Councillor Pike (Chairman), Councillor Langlands (Vice-Chairman), Councillors Jones, Merry, Pateman, Pulham, Mrs. Timberlake and Wells.

465 **Minutes.**—The Minutes of a Meeting held on the 2nd June, 1930, were taken as read, confirmed and signed.

466 **Requisitions.**—

RECOMMENDED that the lists of requisitions (circulated), be approved.

467 **Town Planning Scheme No. 1—Lyttelton Playing Fields.**—In accordance with the instructions of the Council at their last meeting, the Committee considered the letter, dated 14th June, 1930, from the Ministry of Health hereon, and authorised the Chairman of the Council, the Chairman and the Vice-Chairman of the Committee and the Clerk to negotiate on behalf of the Council with the owners for the acquisition of the land in question and to report thereon at a subsequent meeting.

468 **Town Planning Scheme No. 2.**—

(*a*) Objections.—It was reported that, in accordance with the authority of the Committee given at its meeting held in May last, the Chairman and the Vice-Chairman had interviewed certain of the objectors to Town Planning Scheme No. 2, and had dealt with their representations as follows:—

Name.	Property.	Nature of Objection.	How dealt with.
1. Mr. Lee on behalf of Mr. F. W. Walker	Walfield Bank, Walfield Cottages and Wyatt's Farm, Whetstone	Objection raised to land being scheduled for erection of residential properties only, and to buildings to be erected along the frontage being set back 20 feet from the improvement line	No diversion from present proposals allowed. The land to remain scheduled for erection of dwelling-houses only. Mr. Lee informed that Council desire to concentrate shopping centres as far as possible and not to permit spasmodic development.
2. Mr. Morris on behalf of Co-Partnership Tenants, Ltd.	Road lying between Co-Partnership Tenants, Ltd. Estate at East Finchley and East Finchley Railway Station	Objection raised to land coloured pink on plan being reserved for a street and to its inclusion in the Scheme	Suggested to Mr. Morris that objection might be withdrawn subject to three-party scheme being proceeded with prior to approval of draft scheme. If three-party scheme does not mature, the Council would be prepared to give a modification of 60 ft. road to one of 40 ft. and to restrict shopping area to junction of cross roads.

These (together with the preceding page) are the requisitions referred to in paragraph 466 of the Town Planning and Open Spaces Committee's report of the 7th July 1930.

Chairman.

Name.	Property.	Nature of Objection.	How dealt with.
3. Mr. H. Edmunds	Land, The Avenue	Objection raised to land being scheduled as private open space	It was agreed, in view of proposals having been approved for development of this property, to withdraw the objection.
4. (a) Mr. Garrard of Messrs. Clutton on behalf of Ecclesiastical Commissioners	Allotments adjoining The Great North Road between the County School and Granville Road	It was asked that site be zoned for business premises as well as residential, 12 to the acre	Suggested to Mr. Garrard that the Council might be prepared to agree to erection of flats only, if Commissioners agreed to deletion of shops. The erection of shops would definitely be opposed by the Council. Instructions of Commissioners to be taken in regard to matter.
(b) ditto	Allotments between the Cemetery and Creighton Avenue	It was stated that if land was to be zoned for permanent allotments, the Council should complete the purchase forthwith, or zone the land as a residential area, 12 to the acre	Objection to be withdrawn so soon as Conveyance executed.

Name.	Property.	Nature of Objection.	How dealt with.
(c) Mr. Garrard of Messrs. Clutton on behalf of Ecclesiastical Commissioners	Proposed road connection between Durham Road and Creighton Avenue	This land was let for 99 years to Mr. Cansick for building purposes and on those grounds they had to object, unless arrangements were made by the Council with Mr. Cansick	Mr. Garrard intimated that the Ecclesiastical Commissioners would be likely to withdraw their objection if the Council were able to reach agreement with Mr. Cansick, and it was suggested to Mr. Garrard that such agreement would be facilitated if the requirement of the Commissioners with respect to the width of frontage of detached houses could be modified.

The objections lodged by the following still remained to be dealt with:—

Middlesex County Council;

London County Council;

London & North-Eastern Railway Co.;

A.B.C. Club.

The Chairman reported upon interviews which he had had with the London County Council in regard to the Holloway Playing Fields and stated that it had eventually been agreed that the property should remain scheduled in the Scheme as a private open space, but that an agreement should be entered into between this Council and the London County Council allowing the London County Council to develop the property for residential purposes of a density of twelve houses to the acre should the Holloway County School discontinue the use of the area of land in question;

RECOMMENDED—

(1) that the action taken be approved;

(2) that an agreement embodying the above terms relating to the Holloway Playing Fields be entered into and that the same be added to the Town Planning Scheme with a view to its inclusion therein.

(*b*) Reservation of Land for Allotments.—The recommendation of the Allotments Committee that land should be scheduled under the Town Planning Scheme to accommodate the dispossessed holders at Finchley Manor was further considered. The Chairman of the Committee was asked to confer with the Chairman of the Allotments Committee in regard to the matter.

469 **Byelaws—New Streets.**—It was reported that, in accordance with the instructions of the Committee at their last meeting, the Chairman of the Council and the Chairman of the Committee had considered the question of the formulation of a series of Byelaws relating to new streets and that they recommended that the draft submitted to the Committee be adopted;

RECOMMENDED that the Byelaws now submitted be forwarded to the Ministry of Health for preliminary approval.

470 **Fence—Windsor Road Playing Fields.**—It was reported that the fence at the bottom of Windsor Road enclosing the Playing Fields had been damaged, and that the matter had been referred to the Insurance Company.

471 **Greater London Regional Planning Committee.**—The Committee carefully considered the report of the Greater London Regional Planning Committee, and after mature consideration, it was

RECOMMENDED that the Council give general support to the recommendations contained therein.

472 **Coldfall Wood, Hornsey.**—In accordance with the instructions of the Council at their last meeting, the Committee further considered the question of the acquisition of approximately 23 acres of the Coldfall Wood. Instructions were given to the Clerk in regard to the matter and to report further at a subsequent meeting.

473 **Plan No. 7297—Land in Front of No. 47, Market Place.**—It was reported that at the last meeting of the Committee, plan No. 7297 was approved, subject to the owner agreeing that the remainder of his garden should form part of the highway. A letter was submitted from Mr. S. Meek stating that the Trustees of Mr. R. Cuttill would have no objection to the Council taking over the land, subject to the Council paving the same and remaining responsible for the upkeep thereof.

The Committee were of opinion that, subject to no legal charges being incurred by the Council, the offer should be accepted and accordingly referred the matter to the Highways and Fire and Water Committee.

474 **Arden Playing Field.**—A letter was submitted, dated 2nd July, 1930, from Mr. H. E. Thompson, suggesting that the Finchley Cricket Club should be requested to clear the weeds on the Arden Playing Field. The Clerk reported that the Agreement entered into by the Club with the Council provided that the

whole of the ground should be kept in order, and he had accordingly communicated with the Club requesting that they would give the matter their attention.

475 **Advertisement Hoardings.**—A letter was submitted from the Merton and Morden Urban District Council, forwarding copy of the following resolution which it was proposed to submit to the next Annual Conference of the Urban District Councils' Association and requesting that the Council would accord their support thereto :—

> "That this Conference expresses appreciation of the efforts of the Executive Committee to secure the passage of a Bill through Parliament conferring upon local authorities greater powers with respect to advertisement hoardings, and, notwithstanding unsuccessful results so far, again requests the Executive Committee to renew their efforts in this direction, and to arrange for the re-introduction into the next Session of Parliament of the Bill which has already been approved by the Urban District Councils' Association; further, that the delegates present at this Conference pledge themselves to urge their respective Councils to do all in their power to secure support for the Bill by their Members of Parliament, by County Councils, County Borough Councils, Municipal Corporations and Rural District Councils, by the respective Associations of Local Authorities, and by Societies and Organisations interested in the preservation of the amenities of the countryside and of residential areas."

RECOMMENDED that the Merton and Morden Urban District Council be informed that this Council are prepared to support such recommendation, and that the Clerk communicate with Major Cadogan thereon.

476 **Glebe Land.**—A communication was submitted, dated 6th June, 1930, from the Finchley Football Club, enquiring what rental would be required by the Council for the use of the Committee Room, small room adjoining, and the long hut on the Glebe Land for the coming season;

RECOMMENDED that the Finchley Football Club be granted a temporary tenancy of the buildings in question at a rental of £10 for the ensuing football season.

477 **Five Bells Footpath.**—A letter was submitted, dated 4th June, 1930, from the Ministry of Health, forwarding copy of a letter received by the Minister from Messrs. Chalton, Hubbard and Co., applying for the inclusion of the diversion of the Five Bells Footpath in the Town Planning Scheme. The observations of the Council were requested thereon;

RECOMMENDED that the terms of the under-mentioned resolution passed by the Council at their meeting held on the 26th May, 1930, be re-affirmed :—

> "That the Hampstead Garden Suburb Authorities be informed that at this juncture it will be necessary for them to make application to the Minister of Health to include such diversion in the Council's Town Planning Scheme, and that in the event of his not agreeing thereto, application will need to be made to the Justices in the ordinary course, in which latter case, it must be clearly understood that no cost whatsoever will fall upon the Council."

478 **Footpath by Kensit College.**—The Clerk reported that the draft Agreement relating to the footpath by Kensit College had now been returned by Mr. Kensit and was unaltered;

RECOMMENDED that the Draft Agreement now submitted be approved.

479 **Victoria Recreation Ground.**—

(*a*) Tennis Courts.—The Clerk reported that at the last meeting of the Council the recommendation of the Committee hereon was referred back for further consideration in order that a report might be submitted as to the terms upon which the Recreation Ground was acquired by the Council. The report was as under :—

In order to commemorate the Diamond Jubilee of Queen Victoria, certain residents of Finchley organised a fund to purchase what is now known as the Victoria Recreation Ground.

Approximately £3,145 was raised and out of that sum the Trustees of the fund purchased in 1898, the Long Lane frontage of 595 feet to a depth of 180 feet for the sum

of £1,666, subject to a restriction that no building of any kind should be erected on the said land, other than those ancillary to the user of the land as a recreation ground.

In the year 1900, the Trustees conveyed such land to the Council for the purpose of a public park and recreation ground for the Parish of Finchley, subject to the condition above-mentioned.

The Trustees found it impossible to raise the necessary money for the purchase of the remaining part (14 acres) which it was desired to acquire, and accordingly approached the Council with a view to their completing the transaction.

The Council accordingly purchased the land in 1899, for the sum of £4,919, in order that the same might be laid out and established as a public park and recreation ground for the Parish of Finchley, and the following conditions were imposed under the Conveyance :—

(1) No building except fences therein referred to, and except those ancillary to the use of the land as a recreation ground, at any time to be erected on the land without the consent in writing of F. Crisp, the Vendor.

(2) No disorderly person to be admitted or to be allowed to remain in the ground and nothing to be done thereon which might become a public nuisance.

(3) No religious or political meeting to take place on the land.

(4) The Council forthwith at their own expense to lay out the land conveyed, as a public park or pleasure ground, and plant trees and shrubs and construct roads and footpaths and to maintain the same.

(5) The Council forthwith to fence the property from the adjoining land with a 6ft. unclimbable iron rail with gates at the points specifically referred to on the plan attached.

That at about the same time, the Council purchased the land fronting Ballards Lane for the sum of £2,525.

The Clerk further reported that the Accountant had informed him that approximately £8,800 was spent on the acquisition and laying out of the recreation ground, of which sum £3,145 was raised by voluntary subscriptions and the balance, after taking into consideration the contribution of the County Council of £1,646 10s. 0d., raised by way of loan by the Council;

RECOMMENDED that County Councillor Boggon be informed that the Council are of opinion that no breach of the Conditions imposed by the Conveyance has at any time in the past been committed, neither would a breach be committed by the conversion or construction of tennis courts of any description on the land in question.

(*b*) User.—A letter was submitted dated 4th July, 1930, from the Finchley Horticultural Society requesting that the Council would waive the condition imposed relative to the provision of fencing in respect of the use of the Victoria Recreation Ground on 12th July, 1930, and allow the Society to close the path from 12.30 p.m.

The Committee decided to accede to the request, and to ask the Society to undertake that the Council are indemnified against any action in respect of the performance of copyright music on the occasion in question.

RECOMMENDED that the action taken be approved.

480 **Council Properties—Proposed Inspection.**—In accordance with the suggestion of the General Purposes Committee, the Committee decided to inspect the various properties under their control during the summer vacation.

481 **Complaint—Nuisance.**—A letter was submitted from Mrs. A. Williams complaining of the noise emanating from the open space at the rear of Sylvester Road;

RECOMMENDED that Mrs. Williams be informed that the Council regret that they are unable to take any action in regard to the matter.

482 **Open Spaces—Band Performances.**—A letter was submitted from the Performing Right Society, Ltd., stating that, on the understanding that no musical entertainments would be held in the Council's recreation grounds during the present season, they were willing to waive their claim for the fee for the current year.

483 **Plan No. 7331—Construction of New Road, to be known as Templars Crescent.**—A plan was submitted from Mr. V. Smith providing for the construction of a new road and sewers and 41 houses and garages to be known as Templars Crescent, off East End Road, east of Cavendish Avenue. The Committee decided to leave the matter in the hands of the Chairman of the Committee and the Surveyor to interview Mr. Smith and report thereon at the meeting of the Council.

484 **Plan No. 7332—New Roads and Sewers, etc.—Land between Westbury Road and Chesterfield Road.**—A plan was submitted from Mr. W. F. Waters, providing for the construction of three new roads and sewers and 27 houses and garages on land between Westbury Road and Chesterfield Road. The Committee decided to leave the matter in the hands of the Chairman and Vice-Chairman of the Committee to report at the meeting of the Council.

485 **Unemployment Grant Schemes.**—A communication was submitted dated 2nd July, 1930, from the Ministry of Health, forwarding particulars as to the new terms and conditions on grants payable by the Unemployment Grants Committee and the Minister of Transport in respect of unemployment grant schemes.

486 **Layout of Old Depôt Site—Ballards Lane.**—The Surveyor submitted a scheme, the estimated cost of which amounted to £530, for the laying out of the Old Depôt Site at Ballards Lane. The Committee were of opinion that the scheme as submitted should be approved, and that application should be made to the Unemployment Grants Committee for a grant in respect of the execution of the works in question, but that in the event of the application being not acceded to, the Surveyor should be authorised to make economical arrangements for carrying out the Scheme as outlined by him.

RECOMMENDED—

(1) that the scheme be approved in principle, subject to the consent of the Ministry of Health to the appropriation of the land in question being obtained;

(2) that the matter be referred to the Finance Committee with a view to their making the necessary financial arrangements;

(3) that in the event of the application to the Unemployment Grants Committee being not acceded to, the Surveyor be authorised to proceed in manner indicated above.

487 **Petrol Filling Stations.**—Arrangements were made for the Sub-Committee appointed for the purpose to inspect the petroleum filling stations in the district at an early date and to report thereon.

488 **Proposed Road—Station Road Estate.**—A letter was submitted, dated 12th June, 1930, from Mr. Wm. Hollis asking for the Council's specification for the proposed new road on the Station Road Estate;

RECOMMENDED that Mr. Hollis be informed that the Council have no power to approve a plan for a road which does not comply with the requirements of the Council's Byelaws.

489 **Spinney—Dollis Road.**—The Surveyor reported that, in accordance with the suggestion of the Highways Committee, he had considered the question of the removal and pruning of certain trees in the spinney in Dollis Road and estimated the cost of such work at the sum of £23;

RECOMMENDED that authority be given for the execution of the work at an estimated cost of £23.

490 **Proposed House—Junction of Birkbeck Road and Hutton Grove.**—A letter and plan were submitted from Mr. A. S. Baxter, asking for permission to build a house at the junction of Birkbeck Road and Hutton Grove, the erection of which infringed the building line in Hutton Grove;

RECOMMENDED that the application be not acceded to.

491 **New Road—Kingsley Way.**—The Surveyor reported that, arising out of the approval by the Council of deposited Plan

No. 7135 in March, 1930, certain expenditure would fall upon the Council with respect to the cost of the construction of the new street, to be known as Kingsley Way, owing to the width thereof being greater than that of the standard street. The Committee recognised the principle of bearing a portion of the cost of the construction due to the increased width, but were of opinion that no cost should fall upon the Council with respect to the land required. The Surveyor was instructed to negotiate in regard to the latter point, and report.

492 **Glebe Land.—**

(*a*) Grand Stand.—Three tenders were submitted, and in accordance with the authority of the Council were opened, for the execution of joinery work, etc., in connection with the construction of the grand stand on the Glebe Land;

RECOMMENDED that, subject to a Contract being entered into, the tender of Wm. Moss & Sons, Ltd., at the sum of £305 3s. 8d. be accepted.

(*b*) New entrance gate.—The Surveyor reported that the Finchley Football Club desired to make an additional entrance to their ground on the western side of that already existing;

RECOMMENDED that the application be acceded to, subject to no cost being incurred by the Council in regard thereto.

493 **Proposed Bridge—Woodside Park Estate.**—A letter and plan were submitted from Mr. O. H. Cockrill for the erection of a reinforced concrete bridge to be known as the Frith Bridge on the Woodside Park Estate;

RECOMMENDED that no objection be raised to the proposal, on the distinct understanding that no liability whatsoever will attach to the Council in regard thereto.

494 **Instructions.—**

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

494a **Plans.**—

(*a*) Approved.—

RECOMMENDED that the following plans be APPROVED, subject to the conditions severally mentioned by the Surveyor in his report :—

(1) Nuisances (Public Health Act, 1875, and the Acts amending the same).—

35, Woodside Park Road, N. 12.
37, Gainsborough Road, N. 12.

The Inspector reported that each of the above dwelling houses was in such a state as to be a nuisance. The Committee being satisfied of the existence of such nuisances, it was

RECOMMENDED—

(*a*) that Statutory notices be served upon the respective owners requiring them to execute the works mentioned by the Inspector in his report within the time specified in such notices;

(*b*) that failing compliance with such notices legal proceedings be instituted to enforce the abatement of the nuisances.

(2) Rent & Mortgage Interest Restrictions Acts, 1920 & 1923—54, Fallow Court Avenue, N. 12.—The Inspector reported that, on the 29th January, 1929, the Council issued a Certificate to the effect that the above dwelling-house was not in a reasonable state of repair; that he found upon inspection on the 9th September, 1929, that the necessary works of repair had been carried out, and that he had now received an application, dated 18th June, 1930, from the owner, Mr. H. G. Waggett, for a report certifying that the works required to put the said dwelling-house into a reasonable state of repair had been executed to the satisfaction of the Council;

RECOMMENDED that such application be granted.

(3) Milk (Special Designations) Order, 1923.—

(*a*) The Inspector reported that an application had been received from the Express Dairy Company, Ltd. for licences to sell Grade "A" Milk, Pasteurised, from College Farm, Finchley, N. 3, and 5, King's Parade, Ballards Lane, N. 3;

RECOMMENDED that such application be granted.

(*b*) The Inspector reported upon certain samples of designated milk which had been taken and submitted to the Counties Public Health Laboratories for bacteriological examination.

Regents Park Road,
N.3.

4th July, 1930.

To the Chairman and Members of the
Public Health Committee.

(1) NUISANCES (P.H.A.1875 and Acts amending the same.)

I have to report that the undermentioned premises are in such a state as to be a nuisance and I suggest that notices be served upon the owners requiring them to execute the following works, namely:-

35, Woodside Park Road, N.12.

Repair and make weatherproof the defective roof of scullery.
Remove the defective section of rain water pipe at front of house and provide and fix new rain water pipe in lieu thereof.

37, Gainsborough Road, N.12.

Remove the defective eaves guttering to roof at front of house and provide and fix new eaves guttering in lieu thereof.

64, Durham Road, N.2.

Unstop and cleanse the blocked waste pipe from sink on first floor and repair the defective joint of such waste pipe.

(2) RENT & MORTGAGE INTEREST RESTRICTIONS ACTS,1920 & 1923.

54, Fallow Court Avenue, N.12.

On the 29th January, 1929, your Council issued a certificate to the effect that the said dwelling-house was not in a reasonable state of repair.

I found upon inspection on the 9th September,1929, that the necessary works of repair had been carried out.

I have now received an application dated the 18th June, 1930, from the owner, Mr. H.G. Waggett, for a report certifying that the works required to put the said dwelling-house into a reasonable state of repair have been executed to the satisfaction of the Council.

This application may be granted.

(3) MILK (SPECIAL DESIGNATIONS) ORDER, 1923.

An application has been received from the Express Dairy Company, Ltd. for licences to sell Grade A Milk Pasteurised from College Farm, Finchley, N.3. and 5, King's Parade, Ballards Lane, N.3.

This application may be granted.

(4) MILK (SPECIAL DESIGNATIONS) ORDER, 1923.

(7) PETROLEUM (CONSOLIDATION) ACT, 1928.

(a) Edward Arthur Rutherford Briant and George Francis Wigzell, The Grange Garage, adj. 57, Nether Street, N.12.

An application has been received from Edward Arthur Rutherford Briant and George Francis Wigzell, for a licence to keep 1000 gallons of petroleum spirit in bulk at The Grange Garage, adjoining 57, Nether Street, N.12.

It is proposed to keep the petroleum spirit in a double compartment storage tank placed below the ground in the open space at the front of the garage with two Bowser one gallon capacity pumps connected therewith.

The bulk installation is shown on the drawing No.M 1498 submitted by the applicants.

If this application is granted, the following conditions should be imposed:-

(1) that the proposed bulk installation be constructed in the manner shown on the drawing No.M 1498 submitted by the applicants and that the installation, including the tank, pumps, fittings, pipe lines, etc, and all works incidental thereto be subject to the approval of your petroleum inspector; no works to be covered up or hidden from view or used to store petroleum spirit until so approved.

(3) that the conditions annexed to your Council's licence be strictly observed.

(b) George Alan Pershouse, Oak Lane Garage, High Road, East Finchley, N.2.

An application has been received from Mr. G.A. Pershouse for a licence to keep 600 gallons of petroleum spirit in bulk.

These premises have been previously licensed.

(c) Leonard Bright Down, Tally Ho Motors, adjoining "Harwood", High Road, North Finchley, N.12.

An application has been received from Mr. L.B. Down, for a licence to keep 500 gallons of petroleum spirit in bulk.

I shall report further upon this application at the meeting of your Committee.

(6) Petroleum (Consolidation) Act, 1928.—

(*a*) Edward Arthur Rutherford Briant and George Francis Wigzell—The Grange Garage, adjoining 57, Nether Street, N. 12.—The Inspector reported that an application had been received from Messrs. Edward Arthur Rutherford Briant and George Francis Wigzell for a licence to keep 1,000 gallons of petroleum spirit in bulk at the Grange Garage, adjoining 57, Nether Street, N. 12; that it was proposed to keep the petroleum spirit in a double compartment storage tank placed below the ground in the open space at the front of the garage with two Bowser one gallon capacity pumps connected therewith, and that the bulk installation was shown on drawing No. M.1498 submitted by the applicants;

RECOMMENDED that the application be granted for the period ending 30th June, 1931, subject to the conditions mentioned in the report of the Inspector, and also to the conditions contained in the Council's licence being strictly observed.

(*b*) George Alan Pershouse, Oak Lane Garage, High Road, East Finchley, N. 2.—The Inspector reported that an application had been received from Mr. G. A. Pershouse for a licence to keep 600 gallons of petroleum spirit in bulk, and that the premises had been previously licensed;

RECOMMENDED that the application be granted for the period ending 30th June, 1931, subject to the conditions annexed to the Council's licence being strictly observed.

(*c*) Leonard Bright Down, Tally Ho! Motors, adjoining "Harwood," High Road, North Finchley, N. 12.—The Inspector reported that an application had been received from Mr. L. B. Down, for a licence to keep 500 gallons of petroleum spirit in bulk;

RECOMMENDED that the application be not granted.

(*d*) Cyril John Paul and Charles Edward Cattermole, Garage, west side of Carter Paterson's Depôt, Dollis Park.—The Inspector reported that an application had been received from Messrs. C. J. Paul and C. E. Cattermole for a licence to keep 60 gallons of petroleum spirit in two gallon tins, and that the premises had been previously licensed;

RECOMMENDED that the application be granted for the period ending 30th June, 1931, subject to the conditions annexed to the Council's licence being strictly observed.

500 **Association of Managers of Sewage Disposal Works—Conference — Sheffield — July, 1930.**—A letter, dated 28th June, 1930, was submitted from the Ministry of Health stating that payment by the Council of the reasonable expenses of the Sewage Works Manager in attending the above Conference would be covered by a general sanction which the Minister had given in a letter addressed to the Secretary of the Association.

501 **Maternity and Child Welfare Exhibition—October, 1930.**—A communication, dated 25th June, 1930, was submitted from the Ministry of Health referring to the Council's proposal to make a contribution towards the cost of the above Exhibition, and stating that, if the proposed expenditure was within the powers of the Council under Section 67 of the Public Health Act, 1925, no Sanction to it on the part of the Minister was required, but that any such expenditure should come before the District Auditor in the usual course. After considering the provisions of the said Section, the Committee were of the opinion that the suggested expenditure would be covered thereby, and in the circumstances it was

RECOMMENDED that the proposed grant of £30 be made by the Council, and that the communication above mentioned be referred to the Medical Officer of Health.

502 **Memorandum of Recommendations in regard to Salaries of Whole Time Public Health Medical Officers.**—Reference was made to a communication received from the British Medical Association hereon.

503 **Unemployment Works—Sewage Disposal Works Extensions—1930—Proposed Loan £33,000.—**

(*a*) Referring to Minute No. 315, the Surveyor reported that, at a recent interview with the Deputy Chief Engineering Inspector of the Ministry, the following had been agreed:

(1) blank flanges to be substituted for washout pipes;
(2) scum boards to be provided;
(3) the slope of the filter floors to be 12ins.

He added that no additional cost would result from Nos. 1 and 3 above, but that No. 2 would incur an "extra" estimated at £44, a sum too small to justify amending the amount of the loan application;

RECOMMENDED that the above be approved by the Council, and that appropriate notes be made on the plans which be returned to the Ministry.

(*b*) A letter, dated 13th June, 1930, was submitted from the Unemployment Grants Committee asking that, in view of the requirement that schemes put forward by the Council should be such as would not have been proceeded with in the ordinary course for at least 18 months to two years, the Council would give a definite date when the work would have been put in hand had an application for a grant not been made;

The Clerk was directed to reply explaining the position of the matter so far as the Council were concerned.

RECOMMENDED that the action taken be approved.

504 **Contents and Arrangement of the Annual Reports of Medical Officers of Health for 1930.**—A circular letter, dated 18th June, 1930, from the Ministry of Health hereon was submitted;

RECOMMENDED that same be referred to the Medical Officer of Health to deal with.

505 **The Public Cleansing Service — Proposed Publicity Scheme.**—The Committee considered a communication, dated 6th June, 1930 (circulated) from the Institute of Public Cleansing in regard to the above;

COPY.

THE INSTITUTE OF PUBLIC CLEANSING.

City of London Cleansing Department,
82, Upper Thames Street,
London, E.C. 4.

6th June, 1930.

The Town Clerk, or
The Clerk to the Council.

Sir,

The Public Cleansing Service - Proposed Publicity Scheme.

Public Cleansing costs British ratepayers £11,000,000 a year, equal to about 7% of the total rates levied.

The three main divisions of the public cleansing service, viz., - the collection, and the disposal of house and trade refuse, and the cleansing of streets - are primary sanitary services, and, therefore, cannot be valued on the basis of cost only. But it has been amply proved that the cost could be reduced without affecting efficiency if the help of the general public could be secured (a) in the matter of reducing the yield of house refuse by intelligent disposal in the home, and (b) by preventing the unnecessary littering of streets and public places.

By organising publicity campaigns in their districts, individual members of the Institute of Public Cleansing have secured this public co-operation in useful measure, and as a direct result, have been enabled to reduce the cost of the local public cleansing service. At the same time, the assistance given by the public has improved the local amenities: in the matter of cleaner streets, the improved sanitary condition of the local refuse receptacles, and as regards the places used for the disposal of refuse.

It has been suggested that the advantages thus obtained by the Cleansing Committees and their officers in a few towns, might be secured by all the local authorities throughout Great Britain, by the use of expert publicity on a national scale. At the Annual Conference of this Institute at Blackpool, in June 1929, a paper was read by Mr. W. Foster, Director of Publicity to the Blackpool Corporation, shewing how a national campaign might be organised, and the representatives of the many local authorities present at that conference unanimously passed a resolution requesting the Institute to circularise all local authorities with a view to ascertaining (1) whether they would be prepared to take part in a national publicity campaign; and, if so, (2) whether they would be prepared to contribute for a period of years on a basis to be proposed. Certain local authorities, as for example, Birmingham, Oldham, Rochdale, etc., have already intimated their willingness to contribute to a national publicity scheme for three years, which is the period suggested, but it is probable that others would prefer to

ascertain the result of the first year's operation before committing themselves to further expenditure.

Briefly, the main attack would be delivered through the daily press, and would be supported by the local use of posters, labels, showcards, etc. which, being printed in large quantities, would be available for sale to local authorities at nominal rates, and far cheaper than could otherwise be obtained. All the matter would be planned by experts, and therefore would be of high advertising quality or "pulling power."

It is felt that such a campaign could be best arranged by the Institute of Public Cleansing in conjunction with a firm of publicity experts, in which case the contributions of local authorities towards the cost would be payable to the Institute, which would in turn be responsible to the contractors.

An audited statement of receipts and payments would be supplied to contributing authorities.

The rate of contribution suggested is £2 per annum per 10,000 population for the first 200,000, and £1 per 10,000 for all above that number, calculated to the nearest 10,000, with a minimum contribution of £2, this rate covering the house refuse and street cleansing branches of the service.

I am directed to ask that you will be good enough to bring this letter to the notice of your Authority, and inform me, as soon as may be convenient, whether they would be prepared to participate in the scheme on the terms now proposed, and, if so, whether for one or three years.

May I request, further, that in the event of your Council having already undertaken publicity of any kind bearing on the public cleansing service, you will favour me with an outline of your scheme and specimens of any posters, etc. which may have been used, as such would be a great help at a later stage of the proposed campaign.

With thanks in anticipation, I have the honour to be,

Sir,

Your obedient servant,

(Sgnd) W.J.Heavey,
H.C.

Honorary Secretary.

IMPORTANT NOTE:

I should be grateful if you would address your reply to MR. H. COOK, CLEANSING SUPERINTENDENT, ENTWISLE ROAD, ROCHDALE, who has kindly undertaken the work of tabulation.

This is a copy of the communication referred to in paragraph 505 of the Public Health Committee's report of the 8th July 1930.

Chairman.

RECOMMENDED—

(*a*) that a reply be forwarded to the effect that the Council will be prepared to participate in the Scheme on the terms proposed for a period of one year, subject to the sanction of the Ministry of Health being received to the expenditure; and

(*b*) that a copy of the Notice issued by the Council some time ago with regard to the fouling of footpaths by dogs and of that proposed to be circulated with the next rate demand notes, urging ratepayers to burn disused papers instead of placing them in the dustbins, be forwarded to the Institute, for their information.

506 **Bye-Laws—New Streets and Buildings—Coffee Stall—Woodhouse Road.**—A communication, dated 3rd June, 1930, was submitted from Mr. G. Sayers in response to the Notice served upon him to " Shew Cause " why the above building should not be removed, altered or pulled down;

RECOMMENDED that he be requested to submit to the Council a plan of the building, and that same, when received, be placed before the Town Planning and Open Spaces Committee, with a suggestion that he be granted a temporary licence in respect of the building.

507 **Milk (Special Designations) Order, 1923—Milk (Special Designations) (Scotland) Order, 1923.**—A circular letter, dated 20th June, 1930, was submitted from the National Veterinary Medical Association of Great Britain and Ireland stating that a discussion on the grading of milk under the above Orders was being arranged to take place at the Central Hall, Westminster, on Saturday, 2nd August, 1930, at 2.30 p.m., and extending a cordial invitation to the Council to be represented thereat. It was added that there would be no fee payable for the Meeting, the expenses of which would be borne by the Association;

RECOMMENDED that the Medical Officer of Health be appointed to represent the Council at the Meeting.

508 **Lighting—Telephone Kiosks—Tally Ho! Corner.**—It was reported that the Council in May last had agreed to grant permission to the Post Office Authorities to cut one 1 inch hole through

the ceiling of the Public Convenience, in order that a supply of electricity might be afforded to the above Kiosks, subject to an Agreement in a form approved by the Clerk being entered into; further, that the Authorities had now asked that the Council would allow the matter to rest upon the correspondence, without the necessity for a Formal Agreement;

RECOMMENDED that this be agreed, subject to the Authorities undertaking to pay an acknowledgment rental.

509 **Sale of Milk under Special Designations.**—It was reported that a letter, dated 6th June, 1930, had been received from the Clerk of the Middlesex County Council hereon, and referred to the Medical Officer of Health and to the Chief Sanitary Inspector for attention..

510 **Proposed Public Convenience—Church End.**—A communication, dated 3rd July, 1930, from the Surveyor to the London & North Eastern Railway Company, and also a communication, dated 25th June, 1930, from Mr. William Hollis hereon, were submitted and considered and the Deputy Clerk was instructed to interview the former gentleman on the matter and report thereon at the Council Meeting in Committee.

511 **Insurance of Workmen—Accident—F. Pearce.**—It was reported that the above employee had, since last meeting, met with an accident, and that the matter had been dealt with.

512 **Damage to Council's Property.**—It was reported that on the 17th June, 1930, the Public Baths in Squires Lane had been damaged by lightning and that the matter had been dealt with.

513 **Maternity and Child Welfare Centre—Bourchier House.**—The Clerk reported that he had received draft Conveyance herein, which was having attention; that there was nothing therein which dealt with the question of the Private Street Works charges, and that he was therefore in communication with the Vendor's Solicitors thereon.

514 **Salaries and Conditions of Service of Women Public Health Officers.**—A circular letter, dated 30th May, 1930, received from the Ministry of Health hereon was submitted.

515 **Council's Properties—Proposed Inspection of.**—The Committee decided to hold a special meeting on Thursday, the 31st July, 1930, at 7 p.m., for the purpose of inspecting the various properties under their control.

516 **Provision of Work for the Unemployed.**—A circular letter, dated 3rd July, 1930, from the Ministry of Health hereon was submitted.

517 **Inter-District Drainage—Agreements.**—The Clerk reported upon a communication, dated 7th July, 1930, from the Friern Barnet Council hereon;

RECOMMENDED—

(*a*) that subject to the approval of the Minister of Health the Agreement with the said Authority of 1885, as extended by the Agreement of 1924, which expired on the 24th June, 1930, be extended further for a period of twelve months from that date, subject to the charge being on a basis of 9d. in the £ on the rateable values, according to the Valuation Lists in force from time to time, on the several properties affected, in lieu of the charge of 12s. 0d. per house, fixed by such agreement;

(*b*) that the matter be referred to the Finance Committee with a view to their making the necessary financial arrangements;

(*c*) that the Clerk report at next Meeting with regard to the other Drainage Agreements with the Friern Barnet Council.

518 **Public Baths.—**

(*a*) Monthly Statement.—Statement (circulated) was submitted showing the number of bathers and receipts for the five weeks ended 29th June, 1930. Annexed.

(*b*) Experiment—Earlier Opening of Swimming Bath during June.—The Surveyor reported that the number of bathers attending at the Bath between 6.30 and 7 a.m. during the month of June had averaged 2.4 a day and that the Swimming Bath was now being opened at 7 a.m., pending further instructions. In view of the above, the Com-

mittee instructed the Surveyor to continue opening at the later hour and decided that the Honorary Secretary of the Finchley Swimming Club should be notified of the result of the experiment in connection with the earlier opening;

RECOMMENDED that the action taken be approved.

(c) Proposed Open Air Swimming Bath—Glebe Land.—The Surveyor reported hereon and submitted a plan of the proposed Open Air Bath, the estimated cost of the construction of which (including loan charges) was, he stated, £19,650;

RECOMMENDED—

(1) that such plan and estimate be approved by the Council;

(2) that the matter be referred to the Finance Committee with a view to application being made to the Unemployment Grants Committee for a grant in aid of the scheme and to the Ministry of Health for sanction to the necessary loan.

(3) that the Surveyor prepare and submit to the Finance Committee a statement shewing the anticipated revenue;

(4) that authority be given for alternative tenders to be obtained for the carrying out of the works (a) as an ordinary contract and (b) as a contract under the Unemployment Grants Scheme;

(5) that application be made to the Minister of Health for consent to the appropriation, for the purpose in question, of the portion of the Glebe Land upon which it is proposed that the Swimming Bath shall be constructed.

519 **Sewage Analyses.**—The Surveyor reported that samples of effluent were taken by the Middlesex County Council from the high and from the low level works on the 23rd May, 1930, and the analyses figures of the check samples were submitted.

(b) that the Surveyor also communicate with the occupiers of premises backing on to the Walk urging them to refrain from depositing garden refuse in the Walk.

13.- FIRE STATION - RECREATION ROOM - LINOLEUM.-

The Sub-Committee considered the estimates received for supplying lino for the re-covering of the floor of the Recreation Room and instructions were given for the quotation of Messrs. W. Jelks & Sons, at the sum of £5.12. 0. for No. 3 quality plain lino, plus £1.12. 6. for linovent, as an under-felt, to be accepted. Items covering these amounts will appear in the list of Fire Brigade Requisitions.

L. W. BENNETT,

Chairman.

HIGHWAYS (WORKS) SUB-COMMITTEE'S REPORT.

24th JUNE, 1930.

Present: Councillor Bennett (Chairman) and Councillors Pulham, C.S.Syrett and Wells.

1.- FIRE BRIGADE - 2nd OFFICER.-

The applications received for this appointment were considered and six candidates selected to appear before the Sub-Committee on Tuesday, the 1st July, at 4.30 p.m. The Clerk was instructed to see that the whole of the members of the Highways & Fire & Water Committee were notified of the Meeting.

2.- REQUISITIONS.-

The Sub-Committee considered carefully the above;

RECOMMENDED that the lists, as amended and now submitted, be approved.

3.- FIREMEN'S UNIFORMS.-

The Chief Officer of the Brigade reported upon the quotations received in respect of the above and the Sub-Committee gave instructions for that submitted by Messrs. Rego, Ltd. to be accepted, thereby effecting a considerable saving.

4.- BRIDGES ACT, 1929.-

The Sub-Committee considered a communication, dated 14th April, 1930, from the Middlesex County Council hereon, but they were of opinion that there was no action which could usefully be taken in the matter and the Surveyor was instructed to reply accordingly.

5.- PETROL PUMP.

The Sub-Committee having, at their previous Meeting, instructed the Surveyor to look into this question, he reported as follows:-

"At the present time the Council is paying 1/6 d "per gallon for No. 1 Spirit. If the Council had their "own pump it would be supplied at 1/4 per gallon repre- "senting a saving on the actual cost of the spirit of "£35 per annum, this figure being based on the estimated "annual requirements of the Highways and Electricity "Departments.

"The installation will cost anything up to £300, and "if the Committee consider the saving commensurate with "the capital expenditure and will decide upon the type of "pump to be purchased I will submit a closer estimate."

RECOMMENDED that no further action be taken in the matter, but that the Surveyor be instructed to experiment with the use of No.1 Power Petrol on freighters, etc.

6.- STREET WIDENINGS - WOODSIDE LANE.-

The Surveyor reported that he was awaiting a reply from the District Valuer with regard to this matter;

RECOMMENDED that, in the event of such reply coming to hand in time for the meeting of the full Committee, same be considered thereat.

7.- FOOTWAY - NETHER STREET.-

The Surveyor presented a communication, dated 16th June, 1930, from Mr. T.W. Preston with regard to the condition of the footway in the above road;

RECOMMENDED that Nether Street be inspected at the next Outdoor Meeting of the Sub-Committee.

8.- HENDON AVENUE.-

RECOMMENDED that the question of laying down in the centre of the footpaths along the above road a strip of paving with gravel margins on either side be considered in connection with the preparation of next year's estimates.

9.- FINCHLEY CARNIVAL.-

It was reported that the Council had, at their last Meeting, given permission for the Fire Brigade to enter the Carnival Procession on the 10th July next and had referred to the Sub-Committee the question of making any necessary arrangements. The Chief Officer indicated, for the information of the Sub-Committee, the arrangements which had in previous years been made and as same were considered by the Sub-Committee to be satisfactory, he was instructed to see that a similar course were followed on this occasion.

10.- HIGHWAYS - REPAIRS - "WATCHING" AT WEEKENDS.-

At the request of the Sub-Committee, the Surveyor undertook to look into this matter and report.

11.- CARD INDEX.-

Arising out of the instructions given to the Surveyor hereon, he submitted an Index in the form of a loose leaf book, which the Sub-Committee approved.

It was agreed that works carried out on carriageways should be included, in addition to works of slab paving, kerb relaying, etc. The loose leaf book would, it was reported, cost approximately £3 for 500 sheets and an item in respect thereof will be included in the next list of requisitions submitted to the General Purposes Committee.

12.- NORTH CIRCULAR ROAD - JUNCTION WITH LONG LANE.-

It was agreed that this point should be inspected by the Sub-Committee at its next Outdoor Meeting, with a view of ascertaining whether any further motor-warning signs were necessary.

13.- NEXT OUTDOOR MEETING.-

Saturday, 2nd August, was agreed tentatively as the date for the next Outdoor Meeting of the Sub-Committee.

L. W. BENNETT,

Chairman.

HIGHWAYS (WORKS) SUB-COMMITTEE'S REPORT.

1st July, 1930.

Present : Councillor C.S. Syrett (in the Chair), Councillors Brown, Merry, Pulham and Wells and Councillor Pateman (non-member).

FIRE BRIGADE - 2ND OFFICER - APPOINTMENT OF.-

The Sub-Committee interviewed the following applicants for the above-mentioned position, viz:-

Mr. A.H.Green	- 2nd Officer	- Friern Barnet Fire Brigade - & Caretaker of Council Offices, Friern Barnet.
Mr. C. Tozer	- Chief Officer	- Thames Haven Fire Brigade.
Mr. A. Groves	- Chief Officer	- Bury St. Edmunds Fire Brigade.
Mr. A. Gray	- 1st Class Fireman	- City of Birmingham Fire Brigade.
Mr. C.J. Goad	- 3rd Officer	- Sutton & Cheam Fire Brigade.

After careful consideration, the Sub-Committee decided to appoint Mr. C. Tozer, Chief Officer of the Thames Haven Fire Brigade, to the position at a wage of £4.10. 0. per week with quarters, subject to his passing satisfactorily a medical examination.

The question of the quarters which Mr. Tozer is to occupy at the Fire Station should receive consideration.

C. S. SYRETT,

Chairman (pro tempore)

These (consisting of this and the six preceding pages) are the reports referred to in paragraph 531 of the Highways and Fire and Water Committee's report of the 9th July 1930.

Chairman.

HIGHWAYS and FIRE & WATER *(continued).*

(4) Highways—Trees.—

RECOMMENDED—

(*a*) that the first and the third trees in Sedgemere Avenue, at its junction with Manor Park Road, be removed;

(*b*) that the tree outside Mr. Amory's premises in Cornwall Avenue be removed.

(5) Land—Junction of the Great North Road and East End Road.—

RECOMMENDED that the sight line suggested by the County Surveyor be approved by the Council.

(6) Requisitions.—

RECOMMENDED that the lists of requisitions (circulated) be approved, subject to the deletion of Item No. 123—Flooding Works—£290. Agreed.

(7) Firemen's Uniforms.—It was reported that the Sub-Committee had considered the quotations received in respect of the above and had given instructions for that submitted by Messrs. Rego, Ltd. to be accepted, thereby effecting a considerable saving;

RECOMMENDED—

(*a*) that the action taken be approved; and

(*b*) that the Clerk be instructed to prepare the necessary contract.

(8) Bridges Act, 1929.—It was reported that the Sub-Committee had considered a communication, dated 14th April, 1930, from the Middlesex County Council hereon, but that they were of opinion that there was no action which could usefully be taken in the matter, and that the Surveyor had been instructed to reply accordingly;

RECOMMENDED that this be approved.

(9) Finchley Carnival.—It was reported that the Council had, at their last Meeting, given permission for the Fire Brigade to enter the Carnival Procession on the 10th July, 1930, and had referred to the Sub-Committee the

question of making any necessary arrangements; that the Chief Officer had indicated, for the information of the Sub-Committee, the arrangements which had, in previous years, been made and that, as same were considered by the Sub-Committee to be satisfactory, he had been instructed to see that a similar course was followed on this occasion. APPROVED.

(10) Fire Brigade—Second Officer—Appointment of.—It was reported that five applicants for this appointment had been interviewed and that in accordance with the authority delegated to them by the Council the Sub-Committee had appointed Mr. C. Tozer, Fire Chief, Works Brigade, London and Thames Haven Oil Wharves, Ltd., Thames Haven, to the position, at a wage of £4 10s. 0d. a week, with quarters, subject to his passing the usual medical examination. A satisfactory medical certificate was submitted. The Committee decided that the emoluments attaching to the position should be as follows :—

4 tons of coal a year;

Electric Light;

Uniform; and

Quarters;

RECOMMENDED—

(*a*) that the action taken be approved;

(*b*) that the Chief Officer's quarters at the Central Fire Station be placed at the disposal of the Second Officer, subject to the former having the user of one bedroom for sleeping purposes for two months, or for such longer period as may be fixed by the Committtee;

(*c*) that as from the 1st August, 1930 (the date on which the Second Officer will commence his duties) the Chief Officer be allowed the sum of £1 a week in lieu of quarters;

(*d*) that the reasonable removal expenses of Mr. Tozer be defrayed by the Council;

PERCIVAL T. HARRISON.
Engineer and Surveyor.

26th June, 1930.

These (together with the five preceding pages) are the requisitions referred to in paragraph 531 (6) of the Highways and Fire and Water Committee's report of the 9th July 1930.

Chairman.

(*e*) that the action of the Committee in instructing the Surveyor to obtain forthwith quotations for the carrying out of the necessary decorative repairs at the Quarters, and in referring such quotations to the Vice-Chairman of the Committee to deal with, subject to report, be approved.

532 **Proposed Refuge—Junction of the Broadway and Hendon Lane.**—Referring to Minute No. 329, it was

RECOMMENDED that the Finchley Ratepayers' Joint Committee be informed that this matter has received careful consideration by the Council, but that they are advised that it would be a source of danger for a refuge to be placed at the point in question.

533 **Private Street Works.**—

(*a*) 20th Batch.—The Committee considered this matter further, arising out of the Deputations from the frontage owners in St. Margaret's Avenue, Court House Road and Fursby Avenue, received at last Meeting.

The main objection on the part of the owners was to the proposal that red Sussex bricks should form a margin for the footways, the view which they held being that a strip of tar paving would meet the case and be more economical. After considering the matter in all its bearings, it was

RECOMMENDED—

(1) that the Council adhere to the specification of the proposed works already approved by them; and

(2) that the Vice-Chairman of the Committee and the Surveyor interview representatives of the frontage owners on the matter, and report.

(*b*) 21st Batch.—It was reported that the Statutory Notices herein were being prepared and would be served within the course of the next week;

RECOMMENDED—

(1) that, failing compliance with such Notices by the owners, the Council proceed with the carrying out of the works;

(2) that advertisements be issued, when required, inviting tenders for the works;

(3) that authority be given for the appointment, at the appropriate time, of a Clerk of Works;

(4) that it be referred to the Finance Committee to make the necessary financial arrangements.

534 **Street Lighting.**—It was reported that, in December last, a letter had been received from the Commissioner of Police, stating that he was of the opinion that certain roads in this district were insufficiently lighted and asking that the matter might be brought to the notice of the Council; that in reply he was informed that the whole question of the lighting of the main roads was under consideration by the Council, and that a further communication had been received from the Commissioner, in which he had asked to be informed how the matter now stood.

Approved A Report (circulated) by the Chief Electrical Engineer on the question of improved lighting was submitted, and after careful consideration, it was

RECOMMENDED—

(*a*) that, subject to the approval of the Finance Committee, Scheme No. 1 mentioned therein be adopted;

(*b*) that the Commissioner of Police be notified of the action proposed to be taken by the Council.

The Committee asked that the Chief Electrical Engineer would kindly prepare in time for submission to the Finance Committee an estimate of the cost of the additional annual charge for lighting and maintenance which would be involved in consequence of the adoption of the scheme.

535 **London Traffic Act, 1924—Section 4—Closing of Streets for Works.**—It was reported that a letter, dated 1st July, 1930, had been received from the Ministry of Transport hereon and referred to the Surveyor for attention.

- 9 JUL 1930
FINCHLEY U.D.C.

Report No. 466.

278 (o)

Electrical Engineer's Office,
Finchley, N.3.
9th July 1930.

To the Chairman and Members of the Highways Committee.

Gentlemen, Main Road Improved Lighting.

The Surveyor and myself have given considerable thought and attention to the problem of improving the lighting in the main roads in the district.

The general aspect of the problem may be divided under two heads:-

1. Scrapping all the existing equipment and reinvestigating the problem on the assumption that no street lighting apparatus is at present in existance.

2. Modifying the existing equipment, so far as possible, so as to produce a standard of illumination several times greater than at present and bring the surface lighting on the road well within the modern British Engineering Standards Specification.

The former method would obviously be very expensive and at the present stage of development does not appear to be justified.

A number of experiments have been conducted with various modern types of reflector fittings in order to arrive at some reasonably economical way of effecting considerable betterment. These experiments prove conclusively that a satisfactory standard of illumination is possible under the second heading, at a reasonable cost for equipment, by raising the height of the lamp posts and bracket arms, where necessary substituting somewhat taller lamp columns for those at present existing and by mounting modern reflector fittings. The annual maintenance charges will not be seriously affected.

The problem is somewhat complicated owing to the fact that the lamp brackets are attached to the tramway side poles in a considerable number of cases, this difficulty is not insuperable providing the tramway company do not question the higher mounting.

Three experimental equipments have now been in use for some months in East End Road, near St. Marylebone cemetery and no doubt have been observed by members of the committee. Other experimental equipments are in use in various parts of the main roads.

In the opinion of the Surveyor and myself, any general improvement effected should, in the first instance, include the roads set out in the appended estimate under Scheme 1, as this would cover most of the through traffic routes.

Scheme 2 also is worthy of immediate consideration.

As the above Schemes 1 & 2 include as much work as could conveniently be completed before the autumn and as no doubt it will be desirable to examine the effect of the improvement on a considerable mileage of road before dealing with Scheme 3, no estimate has been prepared for any further works at present.

It will be remembered that the Surveyor and myself have previously reported upon the lighting of the Circus ~~where~~ the arterial roads cross Regents Park Road. As we are both of opinion that this forms an essential part of any lighting improvement scheme, the sum estimated has been included.

It will be observed that an item of ten per cent has been included for contingencies and in dealing with conversion work of this kind, in my experience it is necessary to provide ten per cent to meet contingencies which cannot be estimated beforehand.

P.T.O.

The following is an estimate of the cost:-

SCHEME 1. (Excepting those portions already lighted with high power lamps).

I am, Gentlemen,
Yours faithfully,
Edward Calvert,
Chief Electrical Engineer.

This (together with the preceding page) is the report of the Chief Electrical Engineer referred to in paragraph 534 of the Highways and Fire and Water Committee's report of the 9th July 1930.

Chairman.

536 **Street Widenings—Nether Street—Dollis Garage, Ltd.**—It was reported that, in May last, the Council had approved in principle of the suggested arrangement herein, subject to the Finance Committee agreeing thereto, and to satisfactory financial arrangements being made with the County Council, and that a communication had now been received from the County Council intimating that they had approved of the Council carrying out the necessary works at an estimated cost of £520, subject to the Ministry of Transport contributing a grant in aid of 50 per cent. of the cost involved. In these circumstances it was

RECOMMENDED—

(*a*) that the offer made by Messrs. Meaby & Co., as contained in their letter of the 15th April, 1930, be now accepted;

(*b*) that the necessary steps be taken in connection with the Conveyance; and

(*c*) that the matter be referred to the Finance Committee.

It was further reported that the £520 above-mentioned did not include the legal charges in the matter, but that the Clerk had been in communication with the County Council and understood that they were arranging for their resolution to be amended to cover this contingency.

537 **Improvement—Great North Road by Chandos Avenue.**—It was reported that this scheme had now received the approval of the Middlesex County Council, subject to the Ministry of Transport contributing a grant of 60 per cent. of the cost involved, excepting as regards the question of costs, but that it was understood that their resolution would be amended to cover this contingency.

538 **Council's Properties—Proposed Inspection of.**—The Committee had before them a list of the various properties under their control and same was referred to the Works Sub-Committee, with a view to the properties being inspected at the next Outdoor Meeting.

539 **Provision of Work for the Unemployed.**—A circular letter, dated 3rd July, 1930, from the Ministry of Health hereon was submitted. The Surveyor was directed to prepare a pre-

liminary estimate of the cost of carrying out the under-mentioned schemes and to submit same to the Finance Committee, with a view to application being made for grants in aid, and for sanction to the necessary loan, namely :—

Two Cottages—Central Depôt;

Woodside Lane Improvement;

RECOMMENDED that the action taken be approved.

540 **Street Accidents.**—A circular letter, dated 1st July, 1930, was submitted from the Ministry of Transport, forwarding print of a Summary of Proceedings at the Conference on Street Accidents, convened by the Minister of Transport and held on the 14th and 15th January, 1930;

RECOMMENDED that same be referred to the Surveyor and to the Education Committee for consideration.

541 **Plan No. 7297—Land in front of No. 47, Market Place.**—It was reported that the above plan had been approved by the Council, subject to the owners agreeing that the remainder of the garden should form part of the highway; that the owners had now agreed to convey to the Council such strip of land, subject to the Council paving same (which work was estimated to cost £5) and accepting responsibility for the upkeep thereof; further, that the Town Planning and Open Spaces Committee were of opinion that, subject to no legal costs being incurred by the Council, the offer should be accepted, and had accordingly referred the matter to this Committee for consideration;

RECOMMENDED that, subject as mentioned by the Town Planning and Open Spaces Committee and to the approval of the Finance Committee, the offer be accepted, and that the Clerk be instructed to take the necessary steps in the matter.

542 **Wayleaves.**—The under-mentioned applications from the Post Office Authorities were submitted :—

Underground Lines.—

(*a*) North-East side of Wentworth Park, from outside No. 93 to Nos. 91/89;

(*b*) East side of Holden Avenue, from outside " Ravensden " to outside " The Gables ";

(*c*) South side of Friern Park, from outside No. 1 to outside No. 9;

(*d*) North side of St. Mary's Avenue, from Nos. 3/5 to Nos. 15/17;

RECOMMENDED—

(1) that such applications be approved, subject :—

(*a*) to the actual positions of the cables being agreed by the Council's Surveyor; and

(*b*) to the works being carried out to his satisfaction;

(2) that in the case of (d) the cost of reinstatement be borne by the Council.

543 **Electric Mains.**—The Surveyor reported receipt of an application, dated 24th June, 1930, from the Electricity Department, together with plan, showing a proposed extension of main on the North side of Hertford Road, from Nos. 46/72;

RECOMMENDED that such application be granted.

544 **Private Street Works—Waverley Grove.**—The Surveyor reported that he had ascertained from the Surveyor to the Hendon Council that it was proposed to include the portion of the above street in that district in the next batch of streets to be made up;

RECOMMENDED that, in the circumstances, the remaining portion of the Street in this District be included in the 22nd Batch.

545 **Private Works.**—The Surveyor reported that he had received a request for the Council to coat with old macadam and surface tar the private paths at No. 3 and " Ivinghoe," Cyprus Gardens, to prevent damage thereto should flooding occur again, and that the owners had agreed to defray the cost of the work;

RECOMMENDED that, in the circumstances, authority be given for the work to be carried out by the Council, as Agents for the owners.

546 **Bow Lane Allotments.**—The Surveyor reported that flooding had occurred at above;

RECOMMENDED that authority be given for tenders to be obtained for piping the ditch and re-constructing the surface water sewer.

An item covering the cost of the work, had it was stated, been included in the estimates approved by the Council.

547 **Private Streets—Lighting—Addington Drive.**—The Surveyor reported receipt of an application for lighting in the above street;

RECOMMENDED—

(*a*) that the above-named street (not being a highway repairable by the inhabitants at large), situate within the Council's district, not being lighted to the satisfaction of the Council, the plan and estimate submitted by the Surveyor for carrying out the work be approved by the Council, and that the Clerk be instructed to give notice to the respective Owners and Occupiers of the premises fronting, adjoining or abutting on the said street, requiring them to carry out the work shown in such plan and estimate within the period of one month mentioned in such notice;

(*b*) that, failing compliance with such Notices, the Council do themselves carry out the work at the cost of the Owners; and

(*c*) that it be referred to the Finance Committee to make the necessary financial arrangements.

548 **Extension of Culvert—Arden Estate.**—The Surveyor presented a letter, dated 28th May, 1930, together with plan received from Messrs. Rawlins, Culver & Co., showing the proposed extension of the existing 36 inch culvert on the West side of the Regents Park Road, near to the North Circular Road;

RECOMMENDED that no objection be raised by the Council to the carrying out of the work.

HIGHWAYS and FIRE & WATER *(continued).*

549 **Private Street—Trees—West Way.**—The Surveyor presented a letter, dated 4th June, 1930, received from Mr. A. W. Bull, enclosing a Memorial signed by 19 out of 22 residents in the above street, asking the Council to provide trees therein;

RECOMMENDED that the request be acceded to and that the Surveyor be instructed to make the usual arrangements in the matter.

550 **Arterial Roads—Lighting.**—This matter was considered;

RECOMMENDED that no further action be taken in regard thereto at present.

551 **Plan No. 7135—New Street—Kingsley Way.**—The Surveyor reported, for the information of the Committee, that arising out of the approval by the Council of the above plan it would appear that under the Town Planning Scheme No. 1, certain expenditure would fall upon the Council when the street was made up, owing to the width thereof being greater than that of a standard street.

552 **Plans.**—

(*a*) No. 7301—Surface water sewer—Lyttelton Road;

(*b*) No. 7331—Surface water sewer—New road off East End Road;

(*c*) No. 7332—Surface water sewers—Three new roads between Westbury Road and Chesterfield Road.—

The above plans were submitted;

RECOMMENDED that same be approved, so far as this Committee is concerned.

553 **Instructions.**—

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

C. S. SYRETT,

Chairman (*pro tempore*).

ALLOTMENTS COMMITTEE'S REPORT.

10th July, 1930.

Present: Councillor Pulham (Chairman, Councillor Langlands (Vice-Chairman), and Councillor Wells, and Messrs. Robin, Rolfe and Sunderland.

554 **Minutes.**—The Minutes of last meeting were taken as read, confirmed and signed.

555 **Allotments.**—

(*a*) Summers Lane—Glebe Land.—The Clerk submitted an application on behalf of four tenants at above for permission to erect sheds or greenhouses on their plots;

RECOMMENDED that the matter be left to the Chairman of the Committee and to the Surveyor to deal with.

(*b*) Brook Farm.—

(i) Access to—from Houses in Great North Road.—A letter was submitted from Mr. S. C. Merrick, of Kingsdale, Great North Road, making application for permission to use a gateway leading from his garden to the above allotments, and also to cultivate a small strip of land at the rear of his garden;

RECOMMENDED that the application be granted on the terms already approved by the Council as indicated in Minutes Nod. 845 (d) 1928/29, and 717 (f) 1929/30.

(ii) Vacant Plots—Condition of.—Arising out of a letter received from Mr. Herbert Brook hereon, the Surveyor reported that an expenditure of 15s. 2d. had been incurred in connection with the cutting down of a quantity of weeds;

RECOMMENDED that the action taken be approved.

(*c*) Lonsdale Meadows.—An application was submitted from Mr. F. Rowley for permission to cultivate Plot No. 1 at

above, subject to his being allowed the use thereof rent free until 30th September next, on account of the condition of the ground;

RECOMMENDED that such application be granted.

(*d*) Cherry Tree Hill.—Referring to Minutes Nod. 1103 (b) and 1464 (e) 1929/30, a letter was submitted from the Hon. Secretary of the Cherry Tree Hill Allotment Holders' Association stating that the Association had now agreed to the withdrawal of the land in question from their Lease in favour of Mr. E. Furnival Jones. The Clerk reported that he had notified Messrs. Clutton, the Owners' Agents accordingly, and was now awaiting a further communication from them on the matter.

556 **Council's Properties—Proposed Inspection of.**—The Committee decided to hold a special meeting on Tuesday, 5th August, 1930, at 5.30 p.m., for the purpose of inspecting the various properties under their control.

557 **Instructions.**—

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction Books, be approved.

S. PULHAM,

Chairman.

REPORT OF EDUCATION COMMITTEE MEETING,

held on 14th July, 1930.

Present: Councillor C. S. Syrett (Chairman), Councillors L. W. Bennett, F. J. Grocott, W. C. Langlands, J. H. Jones, D. A. A. Merry, H. G. Sommerfield and H. Vyvyan Wells; Miss L. Davey, Mrs. A. S. Miall and the Rev. F. S. Goldie.

558 **Accounts.**—Accounts amounting to £8,819 4s. 4d. have been examined and passed to the Finance Committee for payment.

559 **Student Teacher—Appointment.**—

RECOMMENDED that Miss Edith L. White, an ex-pupil of the Woodhouse Secondary School, be appointed a student teacher in an elementary school during the year commencing 1st August, 1930, under the terms and conditions of the Committee's Scale of Salaries and subject to the requirements of the Board of Education.

560 **Middlesex Education Committee — New School.**—A letter has been received from the Secretary to the Middlesex Education Committee forwarding a public notice relating to the enlargement of the Sydney Road Council School, situated at Friern Barnet.

561 **Medical Treatment of Pupils in Secondary Schools.**—A letter from the Middlesex Education Committee, dated 11th July, 1930, has been received announcing that that Authority has approved in principle the routine dental inspection of, and the provision of treatment for dental and visual defects in, pupils attending Secondary Schools, and enquiring whether the Finchley Authority will co-operate with the Middlesex Authority by arranging for the Finchley School Medical and Dental Staff to carry out such inspection and treatment in Finchley and, if so, upon what terms and conditions;

RECOMMENDED that the Middlesex Education Committee be informed that the Finchley Education Authority will be prepared to co-operate with the Middlesex Authority in the medical inspection and treatment of scholars in the Finchley Secondary Schools, subject to satisfactory terms and conditions being arranged. The question of the terms and conditions to be considered after the vacation.

562 **School Attendance.**—For the week ended the 13th June, 1930, the school attendance returns were as follows :—

Schools	Official recognized accom.	Accom. per Council's policy	No. on books	Average Attendance	Percentage
Council	4096	3369	2723	2401	88.1
Voluntary	1943	1704	1655	1407	85.0
Total	6039	5073	4378	3808	87.0

563 **Extra-District Children.—**

RECOMMENDED—

(*a*) that this Authority accepts responsibility of the cost of the education of Frank Frisken, of Whetstone, while in attendance at the Canonbury Road L.C.C. School, until Christmas, 1930.

(*b*) that this Authority accepts responsibility of the cost of the education of Shiela James and Elaine Wild, recently removed to this district, while in attendance at the Hampstead Garden Suburb School, until Midsummer, 1931, under the terms of the agreement existing between the Hendon and Finchley Authorities.

It will be remembered that at the June meeting of the Council an application from the London County Council was considered, asking the Finchley Authority to accept financial responsibility in respect of a child aged 12 years, who is in attendance at the Oratory R.C. Central School, and whose parents removed into Finchley on the 15th April last. The Council then decided not to accept responsibility in this case.

A letter, dated 24th June, has now been received from the Education Officer of the London County Council asking the Finchley Authority to be good enough to re-consider their previous decision in regard to this child and agree to defray the cost of his education at the above-named school;

EDUCATION *(continued).*

RECOMMENDED that the London County Council be informed that the Finchley Education Authority cannot see their way to alter the decision arrived at in June last.

564 **Minor Repairs.—**

RECOMMENDED that the minor repairs as set out in the Education Minute Book be approved.

565 **Requisitions.**—The schedule of requisitions for the second half of the present financial year, as circulated, has been considered and approved. Approved

566 **Appointment of Head Teachers—Public Elementary Schools.**—The Secretary to the Middlesex Education Committee has submitted a draft of the proposed arrangements relating to the reciprocal agreements between various Education Authorities in Middlesex in connexion with the appointment of Head Teachers in the Public Elementary Schools, and enquires as to the wishes of the Finchley Authority upon the date from which the arrangements shall operate;

RECOMMENDED that the arrangements set out in the draft be approved and that this Authority agree to such reciprocal arrangements operating as from the 1st September, 1930.

567 **Supply Appointments.—**

RECOMMENDED that the following supply appointments be approved :—

Name.	School.	From.	To.	In place of.
Mrs. Collison	S.J.	2/6/30	17/6/30	Mrs. Slater, ill.
Mrs. Collison	N.R.J.	1/7/30	Still serving	Miss Gillett, ill.

568 **Alder Memorial Fund.**—A letter has been received from the Secretary to this Fund asking that the Education Authority will accept the administration of this Trust in lieu of the existing Trustees. This request is made with a view to facilitating the operations of the Trust having regard to vacancies which occur from time to time in the existing Trustees;

RECOMMENDED that, subject to the absence of legal obstacles thereto, the Education Authority accept the responsibility of administrating the Alder Memorial Fund.

569 **Tenders for Fuel, 1930/1931.**—Tenders for the supply of coal and coke for the year commencing the 1st August, 1930, have been received and considered;

RECOMMENDED that the quotations submitted by the under-mentioned firms shall be accepted:—

Firm.	Fuel.	For delivery Before Oct. 12th per ton	On & after Oct. 12th per ton.
Southgate & District Gas Company	Coke	26/0	27/0

Chairman.

laundry work, and would never be used for parading the streets for the sole purpose of advertising. In these circumstances it was

RECOMMENDED that no further action be taken in the matter.

(*b*) The Committee considered an application received from the Advent Mission Superintendent of the South England Conference of Seventh Day Adventists, for the Council's consent to use in this District a car announcing the weekly change of addresses at the special mission services held each Sunday evening at the Finsbury Park Cinema;

RECOMMENDED that such consent be not given by the Council.

584 **Council Offices—Inter-departmental Telephones.**—It was reported that the maintenance period in respect of the above telephones expired on the 6th instant, and that a letter, dated 18th June, 1930, had been received from Messrs. E. Wight and Co., stating that they would be pleased to continue the maintenance of the telephones under a yearly Agreement for the sum of £5 per annum, in accordance with the terms of the original contract, dated 24th June, 1923;

RECOMMENDED that the offer be accepted and that the Clerk be instructed to prepare the necessary document.

585 **Incorporation.**—It was reported that the Council's and the Inhabitant Householders' Petitions were lodged with the Privy Council on the 24th June, 1930.

586 **Staff.**—

(*a*) Medical Officer of Health.—A letter, dated 14th June, 1930, was submitted from the Ministry of Health approving of the increment in salary granted to Dr. Turner, as Medical Officer, as from the 1st April, 1930.

(*b*) Absence through Illness.—The names of those members of the staff who had, since last meeting, been absent through illness were submitted.

(*c*) Surveyor's Department—Temporary Clerical Assistance.

RECOMMENDED that the Surveyor be authorised to arrange for the continuance of temporary clerical assistance in his Department until the date of the Ordinary Meeting of the Council in September, 1930, at a cost at the rate of £4 10s. 0d. a week.

(*d*) Farm Clerk—Mr. W. J. Hall.—

RECOMMENDED that the period of leave of absence granted to Mr. W. J. Hall be extended until the date of the Ordinary Meeting of the Council in September, 1930.

(*e*) Surveyor's Department—Junior Clerk—Mr. H. Taylor.—The Surveyor reported hereon;

RECOMMENDED that Mr. Taylor be placed on the permanent staff of the Council, with effect from the 1st August, 1930, subject to his passing satisfactorily a medical examination.

(*f*) Proposed School—Woodhouse Estate—Temporary Architectural Assistant.—Referring to Minute No. 185, it was reported that Mr. B. J. M. Morgan, of Cricklewood, had been appointed to the position and that he would commence his duties on the 5th August, 1930.

587 **Hornsey, Wood Green and District War Pensions Committee.**—A letter, dated 8th July, 1930, was submitted from the Ministry of Pensions, stating that the Minister had appointed Councillor Ryan as a representative of this Council upon the above Committee.

588 **Local Government and Other Officers' Superannuation Act, 1922—Further Designated Post.—**

RECOMMENDED—

(1) that, subject to the approval of the Minister of Health, an additional post of Clerk in the Surveyor's Department be designated as an established post in the Council's Scheme under the above Act; and

(2) that such post be occupied as from the 1st August, 1930, by Mr. H. Taylor.

589 **Council Employees—Illness of.—**

(*a*) A. Kimpton.—Referring to Minute No. 182 (a), the Surveyor reported that the above employee resumed work on Monday, 7th July, 1930.

(*b*) Sweeper F. C. Norman.—This case was considered and it was agreed that a report thereon should be submitted to the Council in Committee.

590 **Finchley Urban District Council Act, 1908.**—The Committee considered further the case of Mr. A. H. Hutchings, who had retired on superannuation as from the 1st July, 1930;

RECOMMENDED that, in addition to his superannuation allowance, he be granted a gratuity of 6s. 6d. a week for a period of twelve months under the provisions of Section 70 of the above-mentioned Act.

591 **Representation of the People Acts.—**

RECOMMENDED that no objection be raised by the Council to the Deputy Clerk acting as Deputy Registration Officer in connection with the revision of the Electors' Lists for the 1930 Register for the Finchley Division.

592 **Instructions.—**

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

603 **Extensions of Plant.—**

(1) Mains.—It was reported that, in accordance with instructions, mains had been laid since last Meeting in Lyttelton Road, Leicester Road, Sandringham Gardens and Barnet Bye-Pass and North Circular Road (Brooklands Rise to Regents Park Road);

RECOMMENDED that authority be given for the mains to be extended as follows:—

	Estimated Cost. £	s.	d.
Schoolway—Woodhouse Road (for inter-connecting purposes)	44	0	0
New Road off Squires Lane (Housing Scheme)	181	0	0
Woodhouse Road	255	0	0
Fredericks Place (Housing Scheme) ...	184	0	0
Sandringham Gardens	190	0	0

(2) Rectifier Sub-Station Extensions, 1930.—It was reported that the Summers Lane Sub-Station building had now been completed; that portions of the rectifier plant had already been delivered; and that various other works were making satisfactory progress.

604 **Main Roads—Improved Lighting.**—The Chief Electrical Engineer reported upon the proposals which had been placed before the Highways and Fire and Water Committee at their last meeting and as to the decision which had been arrived at by that Committee. He also reported that the additional charge for lighting and maintenance if the scheme were adopted by the Council would, during the present financial year, amount to a sum of approximately £260. The Committee decided to inform the Finance Committee that this expenditure could be adjusted in the next financial year;

RECOMMENDED that the action taken be approved.

605 **Council's Properties—Proposed Inspection of.**—The Committee had before them a list of the various properties under their control and it was decided to make an inspection of such properties in due course. The Committee also decided to hold their next ordinary meeting, which falls due on the 10th September, 1930, at the Electricity Works, (instead of at the Council Offices), at 5 p.m., when an opportunity will be taken of making an inspection of the Electricity Works.

606 **Electricity (Supply) Acts, 1882-1928—London and Home Counties Electricity District.**—It was reported that the Council at last meeting had referred to the Committee for consideration with power to act, subject to report, a Notice, dated 20th June, 1930, received from the Electricity Commissioners, enclosing print of a draft Order under Section 7 of the Electricity (Supply) Act, 1919, amending the London and Home Counties Electricity District Order, 1925, and indicating that the Commissioners intended to hold a Local Inquiry at Savoy Court, Strand, on the 24th July, 1930, at 10.30 a.m. and following days, if necessary, with reference to the proposed draft Order; further, that any body or person interested might attend the Inquiry, and that any representations or objections with regard to the provisions of the draft Order should be submitted in writing not later than the 17th July, 1930.

After careful consideration, the Committee were of the opinion that it was not necessary for any representations or objections to be submitted by this Council. It was, however, intimated that the Chief Electrical Engineer proposed to be present at the Inquiry.

ELECTRICITY *(continued).*

607 **Statistics.**—A letter, dated 13th June, 1930, was submitted from the Electricity Commissioners forwarding print of their Return of Engineering and Financial Statistics for the year 1928-29.

608 **Instructions.**—

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

H. O. SYRETT,

Chairman.

FINANCE COMMITTEE'S REPORT.

16th July, 1930.

Present: Councillor Sommerfield (Chairman), Councillor Langlands (Vice-Chairman), and Councillors Briant and Wells, and Councillors Bennett, Pike and Pulham (non-members).

609 **Minutes.**—The Minutes of a meeting held on the 11th June, 1930, were taken as read, confirmed and signed.

610 **Treasurer's and Accountant's Statements.**—These were submitted.

611 **Small Dwellings Acquisition Acts.**—

(*a*) Advances—£4,780.—

RECOMMENDED—

(1) that advances with interest at the rate of £5¼ per centum per annum be made to the applicants mentioned in the list circulated herewith, subject to satisfactory references being received; Annexed

(2) that the Clerk take up from the Public Works Loan Board the sum of £4,780, being the amount of such advances;

(3) that the Clerk be authorised to approve the Order for Certificate;

(4) that the Common Seal of the Council be affixed thereto and to the Receipt therefor;

(5) that the granting of an advance of £650 to the person appearing in such list under the heading "Required Later" be approved and that such advance be made when required by the applicant;

(6) that the fee of the Public Works Loan Board be paid by the Council.

In accordance with the authority delegated to this Committee by the Council, it was

RESOLVED that the Clerk be instructed to make application to the Public Works Loan Board for advance to the Council of the sum of £4,780.

FINANCE *(continued).*

(*b*) Approved Advances.—The Accountant reported that, including the sums recommended at this meeting, but excluding the above-mentioned sum of £650, the Council would have approved advances amounting to £517,350.

(*c*) Advances Repaid.—It was reported that in the undermentioned cases the principal outstanding had been paid, together with all interest charges :—

(*d*) Advance No. 751—No. 42, Holdenhurst Avenue.—The Clerk reported that in connection with the above advance it had been ascertained that the property was vested in the wife of the applicant.

The Committee were of opinion that having regard to the circumstances the advance should now be made to the wife, subject to the husband joining in the mortgage as a covenanting party, and instructions were given to the Clerk in regard to the matter;

RECOMMENDED that the action of the Committee be approved.

612 **Local Government and Other Officers' Superannuation Act, 1929—Transfer Value Rules.**—The Clerk reported that he had received from the Ministry of Health copies of amended Rules made by the Minister under Section 8 of the above-mentioned Act, and that a copy had been forwarded to the Accountant.

613 **Rating and Valuation Act, 1925—Local Government Act, 1929.**—The Clerk reported that he had received from the Ministry of Health copies of new Rules which the Minister had

made under Section 58 of the Rating and Valuation Act, 1925, superseding the provisional Rules, dated the 5th February, 1930, and that a copy of the Rules had been forwarded to the Accountant.

614 **Local Government Act, 1929—Product of Penny Rate, etc.**—A communication was submitted from the Ministry of Health, forwarding copy of the Local Government (Calculation of Rate-borne Expenditure, etc.) Amendment Regulations, 1930, which the Minister had made amending the Local Government (Calculation of Rate-borne Expenditure, etc.) Regulations, 1929. The Clerk reported that a copy had been forwarded to the Accountant.

615 **Proposed Shops and Garages—East End Road, Near to East End House.**—A letter was submitted, dated 30th June, 1930, from the Middlesex County Council, forwarding copy of the following resolution passed by the County Council hereon :—

> " That an intimation be given to the Finchley Urban District Council that the County Council approves of that Local Authority charging in their accounts such a sum, not exceeding £119, as shall represent the cost of widening East End Road, A.504, on the north-east side, near Sedgmere Avenue, subject to the Ministry of Transport indicating a grant in aid of 60 per cent. of the cost involved ; and to the works being carried out to the satisfaction of the County Engineer and Surveyor and the accounts of the Local Authority audited by him."

616 **Improvement—Great North Road by Chandos Avenue.**—A letter was submitted, dated 27th June, 1930, from the Middlesex County Council, forwarding copy of the following resolution passed by the County Council at their last Meeting :—

> " That an intimation be given to the Finchley Urban District Council that the County Council approves of that Local Authority charging in their Main Roads Accounts such a sum, not exceeding £197, as shall represent the cost of widening the Great North Road at the junction of Chandos Avenue, subject to the Ministry of Transport indicating a grant of 60 per

cent. of the cost involved; and to the works being carried out to the satisfaction of the County Engineer and Surveyor and the accounts of the Local Authority being audited by him."

The Clerk reported that the question of the costs had apparently been overlooked by the County Council, but that he understood that the resolution would be amended later to cover that contingency.

617 **Financial—Rating—Summonses.**—The Clerk reported that he had made satisfactory arrangements with the Justices in regard to this matter.

618 **Woodhouse Road—Woodpaving.**—A letter was submitted, dated 27th June, 1930, from the Middlesex County Council, stating that in connection with the woodpaving works carried out along Woodhouse Road, it was noted that an excess expenditure of £113 7s. 4d. had been incurred and that such additional cost was due to certain strengthening works carried out to the foundations. The County Council had accordingly approved of the additional cost involved and a copy of the following resolution passed by the County Council was submitted for the information of the Council :—

"That the Schedules referred to in the Resolution adopted by the County Council on the 29th March, 1928, in connection with the contribution towards the cost of special maintenance work along main, light railway and subsidized roads, be amended by the substitution of the following references in respect of certain woodpaving works carried out along Woodhouse Road, Finchley, viz. :—

District ...	...	Finchley Urban.
Route No.	...	A.1003.
Road ...	...	Woodhouse Road.
Section ...	...	150 yards from the Great North Road.
Description of works	...	Woodpaving.
Total cost	...	£1,741 7s. 4d.

Ministry of Transport's Contribution ...	£870 13s. 8d.
County Council's Contribution ...	£870 13s. 8d.

619 **Local Government Act, 1929—Statement of Rate-Borne Expenditure—Year Ended 31st March, 1929.**—A letter was submitted, dated 21st June, 1930, from the Ministry of Health, stating that in connection with the statement of Rate-borne Expenditure submitted by the Council, the Minister proposed to adjust the figures set out in such Statement by the exclusion therefrom of the sum of £3,044 14s. 9d., representing " Income Tax on Housing Interest set off now disallowed."

620 **Audit of Accounts.**—The Chairman of the Committee reported upon an interview which the Chairman of the Council and Councillors C. S. Syrett and H. O. Syrett and he had had with the District Auditor on the 25th June, 1930, in regard to certain matters appertaining to the Electricity Undertaking, etc. He was of opinion that the interview could be regarded as satisfactory, and referred to specific points to which the Auditor had asked that consideration might be given. The Committee decided to defer the further consideration of the matter until the next meeting.

621 **Loans.**—

(*a*) £28,258.—The Clerk reported that in connection with the advance of £28,258 by the Glasgow Savings Bank, the Bank now required that two Mortgages should be entered into for £18,500 and £9,758 respectively, in lieu of one for £28,258 and that the balance outstanding should at any time be repayable by six months' notice on either side.

(*b*) £35,370.—The Clerk reported that he had heard from the Liverpool Victoria Friendly Society that in regard to the advance of £35,370, they would prefer that the sum of £1,394 required by the Council to be advanced as soon as possible, should be advanced with the sum of £8,000 at the end of July, 1930;

RECOMMENDED that, notwithstanding anything contained in Minute No. 285 (b), the Mortgage Deed be handed to the Liverpool Victoria Friendly Society whose Head Office is situate at Victoria House, Southampton Row, in the County of London, on their paying to the Council the sum of £9,394, being the first instalment of the sum of £35,370.

622 **Wyatt's Farm and Proposed Brookside Walk.**—The Clerk reported that, at the last meeting of the Council, it was agreed to accept the offer of Mr. P. D. Walker to convey certain land adjacent to his property at Brent Way for the continuation of the Brookside Walk, subject to the Council constructing the surface water sewer at Wyatt's Farm, Whetstone, the estimated cost of which was £200;

RECOMMENDED—

(1) that no objection be raised thereto on financial grounds;

(2) that the Council approve a supplementary estimate of £200 in respect of the expenditure involved;

(3) that application be made to the Middlesex County Council and to the North Middlesex Joint Town Planning Committee for grants in aid;

(4) that authority be given for payment of legal charges (not exceeding £15) in connection with the matter.

623 **Unpaid Rates.**—A letter was submitted, dated 26th June, 1930, from Mr. W. W. Knapman, stating that he had entered the Council's claim for £4 11s. 5d. in respect of rates on the list of creditors, and requesting the Council's assent to the execution of the Deed of Assignment in regard thereto.

It was reported to the Committee that the Council were preferential creditors in regard to the question of rates, and it would appear to be unnecessary to take any action in the matter as indicated.

624 **Street Widenings—Nether Street—Dollis Garage, Ltd.**—A letter was submitted, dated 27th June, 1930, from the Middlesex County Council, forwarding copy of the following resolution passed by the County Council at their last meeting:—

"That an intimation be given to the Finchley Urban District Council that the County Council will be prepared to allow that Local Authority to charge in their accounts such a sum, not exceeding £520, as shall represent the cost of widening a section of Nether Street, B.5362, adjoining the L.N.E. Railway Bridge, providing for a carriageway of 35 feet and footways of 12 feet and 9 feet respectively, subject to the Ministry of Transport contributing a grant in aid of 50 per cent. of the cost involved; and to the works being carried out to the satisfaction of the County Engineer and Surveyor and the accounts of the Local Authority audited by him."

The Clerk reported that the question of the costs had apparently been overlooked by the County Council, but he understood that the resolution would be amended later to cover that contingency.

625 **Playing Field Adjoining North Road School.**—In accordance with the request of the Education Committee, the question of making the necessary financial arrangements in regard to the above was considered;

RECOMMENDED—

(1) that no objection be raised to the inclusion in the loan of the sum of £750 in respect of the cost of re-conditioning and fencing the property;

(2) that the Clerk make application to the Ministry of Health for sanction to the borrowing by the Council of the sum of £2,900 made up as hereunder mentioned in respect of the acquisition of the land (3a. 0r. 12p.), adjoining the North Road School:—

	£
Cost of Acquisition	2,000
Legal and Surveyor's Charges and Stamp Duty	125
Loan Charges	25
Cost of re-conditioning and fencing ...	750
	£2,900

626 **Private Street Works.—**

(*a*) 20th Batch.—The recommendations of the Highways and Fire and Water Committee hereon were reported;

RECOMMENDED—

(1) that no objection be raised thereto on financial grounds;

(2) that the Clerk make application to the Ministry of Health for sanction to the borrowing by the Council of the sum of £27,150, made up as follows :—

	£
Estimated cost of works ...	26,945
Loan Charges	205
	£27,150

(*b*) 21st Batch.—The recommendations of the Highways and Fire and Water Committee hereon were reported;

RECOMMENDED—

(1) that no objection be raised thereto on financial grounds;

(2) that the Clerk make application to the Ministry of Health for sanction to the borrowing by the Council of the sum of £28,300, made up as follows :—

	£
Estimated cost of works ...	28,086
Loan Charges	214
	£28,300

627 **Old Depôt Site—Ballards Lane.**—The recommendations of the Town Planning and Open Spaces Committee hereon were reported;

RECOMMENDED—

(1) that the Clerk make application to the Unemployment Grants Committee for a grant towards the cost of the works in question;

(2) that, subject to the receipt of the grant referred to in (1) above, no objection be raised to the proposals of the Town Planning and Open Spaces Committee;

(3) that the Clerk make application to the Ministry of Health for sanction to the appropriation of the land for the purposes in question.

628 **Inter-District Drainage — Agreements.**—The recommendations of the Public Health Committee hereon were reported;

RECOMMENDED—

(1) that no objection be raised thereto on financial grounds;

(2) that the Council approve a supplementary estimate of £100 in respect of the cost involved.

629 **Proposed Open Air Swimming Bath—Glebe Land.**—The Committee carefully considered the recommendations of the Public Health Committee hereon, together with a detailed statement submitted by the Surveyor shewing the estimated income and expenditure in connection with the Scheme. It appeared therefrom that the estimated revenue was £5,675 and the estimated expenditure £4,452, thus leaving a surplus of £1,223;

RECOMMENDED—

(1) that, subject to the consent of the Ministry of Health to the appropriation of the land in question, the scheme outlined by the Public Health Committee be approved, and that no objection be raised thereto on financial grounds;

(2) that the Clerk made application to the Unemployment Grants Committee for a grant towards the cost of the works in question;

(3) that the Clerk make application to the Ministry of Health for sanction to the borrowing by the Council of the sum of £19,650, in respect of the proposed works and loan charges.

630 **Low Level Sewer.**—The recommendations of the Public Health Committee hereon were reported;

RECOMMENDED—

(1) that the Scheme be approved and that no objection be raised thereto on financial grounds;

(2) that the Clerk make application to the Unemployment Grants Committee for a grant towards the cost of the works in question;

(3) that the Clerk make application to the Ministry of Health for sanction to the borrowing by the Council of the sum of £34,765, made up as hereunder mentioned, in respect of the proposed works :—

	£
Cost of Works	34,500
Loan Charges	265
	£34,765

631 **Main Roads—Improved Lighting.**—The recommendations of the Highways and Fire and Water Committee hereon, together with a report of the Chief Electrical Engineer, were submitted. The views of the Electricity Committee in regard to the additional cost of maintenance and lighting in respect of the current financial year were also reported.

RECOMMENDED—

(1) that no objection be raised thereto on financial grounds;

(2) that application be made to the Ministry of Health for sanction to the borrowing by the Council of the sum of £1,515, made up as follows :—

	£
Estimated Cost of Works	1,502
Loan Charges	13
	£1,515

(3) that for the time being the sum of £1,502 be defrayed from Revenue.

632 **Unemployment Grant Schemes.—**

(*a*) Two cottages, Central Depôt.—In accordance with the instructions of the Highways and Fire and Water Committee, the Surveyor submitted a preliminary estimate of the cost of erecting two cottages at the Central Depôt, with a view to application being made to the Unemployment Grants Committee for a grant in aid.

Instructions were given to the Surveyor to interview the Unemployment Grants Committee in regard to the matter and to report to the Council in Committee.

(*b*) Woodside Lane Improvement.—In accordance with the instructions of the Highways and Fire and Water Committee, the Surveyor submitted a preliminary estimate of £1,360 in respect of the cost of improving Woodside Lane, with a view to application being made to the Unemployment Grants Committee for a grant in aid.

It was reported that the Council were awaiting the District Valuer's Report upon the value of the land, and instructions were given to the Surveyor to report to the Council in Committee;

RECOMMENDED that no objection be raised on financial grounds to the proposal of the Highways and Fire and Water Committee, provided the Council are able to acquire the land at a reasonable cost.

633 **Plan No. 7297—Land in front of No. 47, Market Place.**—The recommendation of the Highways and Fire and Water Committee hereon was reported;

RECOMMENDED that no objection be raised thereto on financial grounds;

634 **Private Streets — Lighting — Addington Drive.**—The recommendations of the Highways and Fire and Water Committee hereon were reported;

RECOMMENDED that, in the event of default by the owners, the expenditure involved in the lighting of the above-

mentioned street be defrayed out of the Private Street Works Loan Account pending recovery of the cost from the frontagers.

635 **Joint Special School for Mentally Defective Children—Oak Lodge.**—The Clerk reported that, at the last meeting of the Council, it was resolved that application be made to the Ministry of Health for sanction to the borrowing of the sum of £900, and the Accountant was authorised to draw a cheque for £866 13s. 4d. in respect of the Council's proportion of the cost of acquisition; that he had now heard from the Town Clerk of Hornsey that the proportion of disbursements, for which provision had been made in the loan, would amount to £22 19s. 10d.

The Committee were of opinion that the period of the loan should, if possible, coincide with that to be taken up by the Wood Green Urban District Council, and instructions were given to the Clerk in regard to the matter and to report at the meeting of the Council in Committee;

RECOMMENDED that the Accountant be authorised to draw a cheque for £22 19s. 10d. in respect of the Council's proportion of the disbursements.

636 **Maternity and Child Welfare Centre—Bourchier House—Purchase.**—The Clerk reported that certain matters in connection with the draft contract herein had not yet been settled, and the Committee decided to defer consideration of the loan until the next meeting.

637 **Unemployment Grant Schemes.**—A communication was submitted from the Ministry of Health, a copy of which is circulated herewith, giving particulars as to the new terms and conditions on grants payable by the Unemployment Grants Committee and the Ministry of Transport in respect of Unemployment Grant Schemes.

Circulated

638 **Local Government and Other Officer's Superannuation Fund.**—The question of a further investment in connection with the above Fund was referred to Councillor H. O. Syrett and the Accountant to be reported upon at the meeting of the Council.

MINISTRY OF HEALTH,
Whitehall, S.W. 1.
3rd July, 1930.

PROVISION OF WORK FOR THE UNEMPLOYED.

SIR,

1. I am now in a position to acquaint Local Authorities with the decisions reached by the Government after the recent conferences with representatives of local governing bodies. Documents are enclosed which set out in detail the new terms and conditions of grants through the Unemployment Grants Committee and through the Minister of Transport for roads.

It will be seen from these documents that substantial concessions have been made, and that, for future schemes approved by the Unemployment Grants Committee, grants at the higher rate (75 per cent. for the first half of the loan period and 37½ per cent. for the second half) will be available for all schemes which are not revenue-producing without any condition as to the employment of transferred labour; and further that the grant of 75 per cent. of wages for schemes financed other than out of loan will be increased to 90 per cent. for areas with an average unemployment for the last year among adult males of more than 15 per cent.

In the case of roads, the trunk road programme has been very largely increased; and, in addition, for schemes within the five year programme, it has been decided that the maximum rate of grant may be available for any area which is suffering from severe and prolonged unemployment, provided that the Local Authority undertake to give preference to married men and single men with dependents.

In considering the measure of help which is being given to Local Authorities, the Government ask them to bear in mind that the Unemployment Insurance Act of this year has resulted in a substantial relief to local funds by reducing the expenditure on public assistance which would otherwise have had to be provided out of the rates.

With regard to the important changes which have been made in the conditions as to transferred labour, the Government would still appeal to Local Authorities to co-operate with them in doing what they reasonably can to help in securing employment for persons from

3695. Wt. 175/2243. 10M. 7/30. Wy. & S., L'd, Gp. 2.

33-9999

depressed areas, especially persons who have passed through the Ministry of Labour's Centres. They feel sure that with goodwill much can be done in this respect.

2. The Government have arrived at these decisions in order that as much work as possible shall be provided this winter, and in considering schemes for grant account will be taken of the extent to which this will be effected. The country is confronted with exceptional conditions. In addition to the prolonged depression following on the war, unemployment is now intensified by economic difficulties of world-wide extent; and it is in these circumstances that the Government appeal to Local Authorities to make a vigorous effort for the coming winter. They fully recognise and appreciate what has been done by Local Authorities in recent years, but they confidently call for additional endeavours in view of the present situation.

The Government therefore ask Local Authorities immediately to consider what further works can be put in hand, to take special measures (including addition of staff if need be) for expeditiously preparing and carrying out schemes, and to employ as many men as possible on works now in hand or to be undertaken. They suggest that, where work is done by contract, as short a time as is reasonable should be fixed for the execution of the work, and that the time should not too readily be extended. They also ask that measures shall be adopted, by delegation to committees and otherwise, for expediting decisions and also for making sure that any matters which may arise during the holiday season shall be decided without delay. They realise that the steps which may be necessary for these purposes may make large demands on members and officials of Local Authorities, but they are sure that there will be no reluctance to undertake them.

Measures are being adopted in the several Government Departments for dealing expeditiously with applications. The Departments have already conferred with officials of Local Authorities for this purpose, and further conferences will be held if need be.

In order that applications may be dealt with expeditiously, it is important that Local Authorities when they make an application should furnish all the particulars which are required for deciding the case. In many instances, however, it may be helpful to Local Authorities to ascertain before the details of a scheme are prepared whether the kind of scheme which they have in mind is one which, subject to satisfactory details, will be approved for loan or grant, as the case may be. If skeleton schemes are submitted to them, the Departments will always be glad to give this intimation, and also to confer with officials of Local Authorities where this would be advantageous.

The introduction of legislation for expediting procedure, in particular for the speedy acquisition of and entry on land, is being examined by the Government.

3. In addition to these measures, the Government propose to ask Parliament to vote a sum of £500,000 for works in necessitous areas. It is intended that the money shall be distributed, as far as England and Wales is concerned, on the recommendation of the Minister of Health.

This money is to be used for meeting the whole cost of schemes in selected areas, as shown by approved estimates or tenders, any excess over the estimate or tender to be borne by the Local Authority and any saving to be retained by them.

The Local Authority will be responsible for carrying out the work, but the right is reserved to withhold grant if the work is not properly executed.

These grants are intended for areas which are least able to incur capital expenditure chargeable on their own resources, and are in consequence prevented from availing themselves of the ordinary measures of assistance from the Unemployment Grants Committee, areas where the rates have been heavy for some years, where severe and prolonged unemployment has prevailed, and where the Local Authorities have been unable to provide necessary works. Any applications must therefore be limited to places where these conditions exist.

Grants will be restricted to works of public necessity which are not revenue-producing and are of a kind which would be considered for grant by the Unemployment Grant Committee. In considering applications regard will be paid to the urgency and public advantage of the works in themselves as well as to the employment to be afforded. Only works for execution in the coming winter will be considered. Forms of application can be obtained from the Ministry of Health setting out what information is required in the first instance; the completed forms will have to be returned not later than the 31st July.

4. In conclusion the Government would emphasise that they have adopted the measures now announced because of the exceptional problem with which the country is likely to be confronted in the coming winter. It is necessary that united endeavour should be made to provide as much employment as possible, and the Government urge Local Authorities to do all that they can to press forward during the coming months with schemes specially put in hand for the present occasion and also with any ordinary work which can be undertaken by them.

Your obedient Servant,

Arthur Greenwood

The Clerk to the Local Authority.

DEVELOPMENT (LOAN GUARANTEES AND GRANTS) ACT, 1929 (PART II).

UNEMPLOYMENT GRANTS COMMITTEE.

CONDITIONS AND TERMS OF GRANTS FOR APPROVED SCHEMES OF WORK TO RELIEVE UNEMPLOYMENT.

I.—GENERAL.

Public Utility.

(1) The work proposed must be such as is approved by the appropriate Government Department as work of public utility and, where necessary, in cases where it is to be financed by way of loan, as a work for which loan can be sanctioned. A list of the types of works approved for grant during the past 12 months is given in Appendix I.

Economic Development and Acceleration.

(2) The Committee will take into consideration the extent to which the work is calculated to promote economic development in the United Kingdom, and will not recommend a grant unless they are satisfied that there is substantial acceleration.

Housing Schemes, &c.

(3) A housing scheme or other work in respect of which the Local Authority is already entitled to grant from public funds is not eligible, but, in certain circumstances, a grant may be made for a short period in respect of the development of sites in advance of a State-aided Housing Scheme.

Roads.

(4) Work on non-classified roads towards which a grant is not being made by the Ministry of Transport is eligible for assistance.

Recruitment of Labour.

(5) Except as provided in paragraph (7) all men engaged for the work must be taken on through the Employment Exchange ; but within the discretion of the Local Authority, and subject to the satisfaction of the condition in paragraph (8), men may be nominated by Public Assistance Committees for employment, provided that satisfactory arrangements are made for the local Employment Exchange to be furnished with particulars of the men engaged.

(6) The unemployed workmen taken on for any scheme of work approved for State assistance will remain on the registers of the Employment Exchange and will be regarded as available for suitable employment if such can be offered to them by the Exchange. The Local Authority, or its contractor, will be required, on due notice from the Exchange, to dispense with the services of any such workmen in order that they may be placed in other suitable employment.

(7) The Local Authority, or its contractor, will be at liberty to employ, for controlling and supervisory purposes, a number of permanent employees not exceeding 10 per cent. of the total number of men engaged on the work. In cases where the work is financed by way of loan, no grant will ordinarily be payable in respect of payments to men employed on, or in connection with, the work who are in the regular employment of the Local Authority.

(8) Not less than 75 per cent. of the men taken on for the work must be ex-service men, but in approved cases this proportion may be reduced by the Committee.

Returns.

(9) The Local Authority will be required to submit periodically to the local Employment Exchange a return respecting the men engaged, in such form and at such dates as the Ministry of Labour may require.

British Materials only.

(10) All materials which are required for assisted works shall, so far as practicable, be of United Kingdom origin and all manufactured articles shall be of United Kingdom manufacture, subject however to such exceptions as the Committee may find to be necessary or desirable in any particular case, having regard to all the circumstances including the comparative price of British and foreign articles.

Rate of Wages, &c.

(11) Where the Local Authority undertakes the work by direct labour, the rate of wages paid must not exceed the Local Authority's rate to its own workmen on similar classes of work, or the recognised district rate if that is lower. Where the work is carried out by contract, the contract must include the Fair Wages Clause as inserted in Government contracts.

Audit.

(12) The work and the accounts relating thereto shall be open at any time to any inspection required by the Committee or by the Government Departments concerned. The accounts will be examined in England and Wales by the District Auditors of the Ministry of Health, and in Scotland by auditors appointed to audit the accounts of the Local Authorities.

(13) The Committee reserve the right to discontinue or to disallow the grant in any case where they are satisfied that the conditions are not being, or have not been, fulfilled or that the work is being, or has been, carried out negligently or without reasonable economy, adequate supervision or control. Where the work is done by contract, the Authority is responsible for the observance by the contractor of the conditions imposed.

II.—RATES OF GRANTS.

(14) The following rates of grant are available in respect of schemes approved by the Committee on or after 25th June, 1930. The only conditions regarding the recruitment of labour are those expressed in paragraphs (5), (6), (7) and (8).

(15) Instead of the instalments of grant payable under the following paragraphs the Authority may elect to receive equal annual payments throughout the authorised period of the loan up to 30 years of such an amount as will be equivalent in present value to those instalments. Equated rates of payment are set out in Appendix II. (NOTE.—The same principle may be applied to the remaining instalments of grants already approved if an Authority so desires. The Committee will, on application, advise the Authority of the amount of the equated grant appropriate to any particular case.)

A. SCHEMES OF WORK FINANCED BY WAY OF LOAN.

NON-REVENUE PRODUCING SCHEMES.

(16) 75 per cent. of the interest and sinking fund charges on any loan raised to meet approved expenditure for the first half (up to 15 years) of the loan period, and 37½ per cent. of interest and sinking fund charges for the remainder (up to 15 years) of the loan period.

REVENUE PRODUCING SCHEMES.

(17)—(i) Normal Grant.

50 per cent. of the interest on any loan raised to meet approved expenditure for 15 years or for the period of the loan, whichever is the shorter.

(ii) Special Grants for Works of Magnitude.

In respect of a scheme of a substantial character and high economic value, e.g. in connection with Docks or Water Works, where the period of construction is likely to be lengthy owing to the magnitude of the work and revenue earning would be deferred, the grant will be—

100 per cent. of the interest up to a stated date on any loans raised as required to meet approved expenditure, and 50 per cent. of the interest after that date for the remainder of a period not exceeding 15 years in all in respect of each loan. The stated date will be the earliest date by which the Authority can reasonably be expected to complete the work, and in so far as schemes are not completed by that date, a grant will be payable at the higher rate only on the value of work then completed.

In order to qualify for a grant on this basis, the capital cost of the proposed work must be not less than £100,000, and the anticipated period of construction must be not less than eighteen months.

(iii) Special Grant—Rural Water Supply, Public Baths, Municipal Wash-houses.

In respect of a scheme for the construction of a Rural Water Supply, or a Public Baths or a Municipal Wash-house, in respect of which the appropriate Government Department certifies (*a*) that

(9) The Local Authority will be required to submit periodically to the local Employment Exchange a return respecting the men engaged, in such form and at such dates as the Ministry of Labour may require.

British Materials only.

(10) All materials which are required for assisted works shall, so far as practicable, be of United Kingdom origin and all manufactured articles shall be of United Kingdom manufacture, subject however to such exceptions as the Committee may find to be necessary or desirable in any particular case, having regard to all the circumstances including the comparative price of British and foreign articles.

Rate of Wages, &c.

(11) Where the Local Authority undertakes the work by direct labour, the rate of wages paid must not exceed the Local Authority's rate to its own workmen on similar classes of work, or the recognised district rate if that is lower. Where the work is carried out by contract, the contract must include the Fair Wages Clause as inserted in Government contracts.

Audit.

(12) The work and the accounts relating thereto shall be open at any time to any inspection required by the Committee or by the Government Departments concerned. The accounts will be examined in England and Wales by the District Auditors of the Ministry of Health, and in Scotland by auditors appointed to audit the accounts of the Local Authorities.

(13) The Committee reserve the right to discontinue or to disallow the grant in any case where they are satisfied that the conditions are not being, or have not been, fulfilled or that the work is being, or has been, carried out negligently or without reasonable economy, adequate supervision or control. Where the work is done by contract, the Authority is responsible for the observance by the contractor of the conditions imposed.

II.—RATES OF GRANTS.

(14) The following rates of grant are available in respect of schemes approved by the Committee on or after 25th June, 1930. The only conditions regarding the recruitment of labour are those expressed in paragraphs (5), (6), (7) and (8).

(15) Instead of the instalments of grant payable under the following paragraphs the Authority may elect to receive equal annual payments throughout the authorised period of the loan up to 30 years of such an amount as will be equivalent in present value to those instalments. Equated rates of payment are set out in Appendix II. (NOTE.—The same principle may be applied to the remaining instalments of grants already approved if an Authority so desires. The Committee will, on application, advise the Authority of the amount of the equated grant appropriate to any particular case.)

A. SCHEMES OF WORK FINANCED BY WAY OF LOAN.

NON-REVENUE PRODUCING SCHEMES.

(16) 75 per cent. of the interest and sinking fund charges on any loan raised to meet approved expenditure for the first half (up to 15 years) of the loan period, and 37½ per cent. of interest and sinking fund charges for the remainder (up to 15 years) of the loan period.

REVENUE PRODUCING SCHEMES.

(17)—(i) Normal Grant.

50 per cent. of the interest on any loan raised to meet approved expenditure for 15 years or for the period of the loan, whichever is the shorter.

(ii) Special Grants for Works of Magnitude.

In respect of a scheme of a substantial character and high economic value, e.g. in connection with Docks or Water Works, where the period of construction is likely to be lengthy owing to the magnitude of the work and revenue earning would be deferred, the grant will be—

100 per cent. of the interest up to a stated date on any loans raised as required to meet approved expenditure, and 50 per cent. of the interest after that date for the remainder of a period notexceeding 15 years in all in respect of each loan. The stated date will be the earliest date by which the Authority can reasonably be expected to complete the work, and in so far as schemes are not completed by that date, a grant will be payable at the higher rate only on the value of work then completed.

In order to qualify for a grant on this basis, the capital cost of the proposed work must be not less than £100,000, and the anticipated period of construction must be not less than eighteen months.

(iii) Special Grant—Rural Water Supply, Public Baths, Municipal Wash-houses.

In respect of a scheme for the construction of a Rural Water Supply, or a Public Baths or a Municipal Wash-house, in respect of which the appropriate Government Department certifies (*a*) that

it is highly desirable in the interests of public health, (*b*) that the charges proposed to be made are reasonable and (*c*) that, after crediting the Exchequer Grant, a material proportion of the cost would fall on the local Authority during the period of the loan, the grant will be—

100 per cent. of the interest for the first seven years of the period of the loan raised to meet approved expenditure and 50 per cent. of the interest for the remainder of the period or eight years whichever is the shorter.

B. SCHEMES OF WORK FINANCED OTHERWISE THAN BY WAY OF LOAN.

(18) The grant will be :—

(i) In areas where the average monthly rate of unemployment among adult males during the twelve months ended 16th June, 1930, exceeded 15 per cent., 90 per cent. of the wages of the unemployed men taken on for the work.

(ii) In other areas, the rate of grant will be 75 per cent. of the wages of the unemployed men taken on for the work.

(NOTE.—Employers' contributions for insurance purposes whether compulsory or voluntary are not regarded as wages.)

III.—CALCULATION OF GRANT.

(19)—(i) For the purpose of calculating grants in respect of non-revenue producing schemes the charges in respect of interest and sinking fund shall be taken to be the amount which would be payable in respect of the loan, or loans, if it, or they, had been borrowed on the basis of repayment by equal instalments of principal and interest combined over the full authorised period of the loan. In the case of Local Authorities in Scotland the period of repayment of the loan, or such other period as the Secretary of State may determine, will be deemed to be the full authorised period of the loan.

(ii) Where the expenditure on a scheme is met otherwise than by means of a loan raised at a fixed rate of interest for the full authorised period of the loan, including cases where the expenditure is wholly or partially met out of accumulated funds, the rate of interest shall be taken to be such rate as the Committee may approve.

(iii) In the event of any part of the cost of a scheme being recoverable from other Local Authorities, bodies or persons, or any sums being receivable by way of offset against the cost of a scheme, the amount of expenditure ranking for grant will be abated to the extent deemed reasonable by the Committee.

IV.—PAYMENT OF GRANT.

(20) If the Local Authority so desires, application may be made to the Committee, at intervals, for payment on account pending audit or examination. The Committee will be prepared to make advances on account of grant not exceeding 90 per cent. of the amount properly payable. Final payments of grant will be made upon production of accounts duly examined in England and Wales by the District Auditors of the Ministry of Health, and in Scotland by the auditors appointed to audit the accounts of the Local Authorities.

(21) Further information, forms of application for grants, etc., may be obtained on application to the Secretary, Unemployment Grants Committee, Sanctuary Buildings, 16, Great Smith Street, Westminster, London, S.W.1. Telephone, Victoria 8740. Telegrams, Labgrants, Parl, London.

TOWN PLANNING AND OPEN SPACES COMMITTEE'S REPORT

7th July, 1930.

PART II

Present:- Councillor Pike (Chairman), Councillor Langlands (Vice-Chairman), Councillors Jones, Merry, Pateman, Pulham, Mrs. Timberlake and Wells.

FOOTBALL PITCHES - BROOK FARM.

The Surveyor reported that applications had been received from 11 Football Clubs for the use of pitches at Brook Farm. The Committee were of opinion that where practicable the pitches granted to certain of the Clubs last season should be allocated to them for the ensuing season at the same rental. It was also decided that the rent of the five new pitches should be fixed at the rate of £10 each;

RECOMMENDED (1) that pitches, as indicated below, be let to the under-mentioned Clubs at a rental of 15/- each as regards Nos. 1, 2, 3, 4, 5 and 7, and 7/6d. in regard to No. 6a for the ensuing season:-

(a)	Finchley Boys' Club.	Nos. 1, 5 and 6a.
(b)	St. Mary's Old Boys.	No. 7.
(c)	St. John's Old Boys.	No. 4.
(d)	All Saints, East Finchley.	No. 2.
(e)	Church End Congregational Boys' Club.	No. 3;

(2) that, subject to an agreement being entered into in each case, pitches be let to the following Clubs at a rental of £10 each for the ensuing season:-

(a) Finchley Athletic Club.
(b) Messrs. Joyce & Co's Club.
(c) Harlech Club (Finchley);

(3) that the remaining two £10 pitches be offered to the Finchley Junior Football League, but that, in the event of their not requiring the same, one of such pitches be let to the Finchley Rugby Football Club;

(4) that the applications submitted by the Surveyor from two Clubs outside the District be not entertained.

GLEBE LAND. GRAND STAND - WORK CARRIED OUT BY VICTORIA CONSTRUCTION CO.

The Surveyor reported that the difference between the tender of the Victoria Construction Co. and that submitted by Messrs. Wm. Moss & Son Ltd. was £75. The Victoria Construction Co. had carried out certain works, and he suggested that the said sum of £75 might be set off against any moneys due for such works. The Committee agreed to the proposal;

RECOMMENDED that the action of the Committee be approved.

A.T. PIKE,

Chairman.

This (together with the preceding page) is the report of the Town Planning and Open Spaces Committee referred to in paragraph 682 of the Council Minutes of the 28th July 1930.

Report No.~~168~~.

Electrical Engineer's Office,
Finchley, N.3.
16th July 1930.

STRICTLY PRIVATE & CONFIDENTIAL.

To the Chairman and Members of the Electricity Committee.

Gentlemen, BULK SUPPLIES.

As it is a considerable time since the question of extensions was originally considered, it may be convenient, briefly, to summarise the progress in various stages.

After preliminary informal discussions with the officials at the Electricity Commission and full consideration by your committee and the council, formal application was made to the Electricity Commissioners for permission to instal an additional 3,000 kilowatt generating plant in June 1926.

It will be remembered that the important electricity Bill was under the consideration of Parliament during that year.

Further discussions with the Commissioners resulted in the consideration of quotations for a supply from the North Metropolitan Power Company and still further discussions of those terms. Formal conferences were also held with the Commission and delays arose consequential upon the proposals in the 1926 Act.

Representations were made to the newly created Central Electricity Board (under the 1926 Act) and Finchley was one of the first constructive matters to be considered, by the Central Board, in the South East England Scheme. Owing to certain legal difficulties which, in the opinion of the Finchley Council and its advisors, required to be settled by the Electricity Commissioners and the Central Board prior to negotiations in regard to price, and owing to the Central Board's not being prepared to consider their legal position at that time, the negotiations were broken off by the Board.

The Electricity Commissioners, at this stage, gave notice of a public inquiry. It will be noted that the only quotation for an alternative supply was that submitted by the North Metropolitan Company.

Mr. Moritz, K.C. was briefed and Messrs Arthur Ellis and Arthur Collins were retained, respectively as technical and financial experts.

It will be appreciated that many sheets of statistics, curves and estimates had to be prepared, scrutinised, criticised and adjusted to ensure that the Council's case should be adequately and substantially placed before the Commission.

More or less accidentally the question arose, at one of the many conferences between the experts, of reopening negotiations with the Central Board. It was understood that the Board would be prepared to discuss the question of price, providing Finchley's representatives were armed with plenary powers to accept; assuming, of course, that they were in agreement.

These plenary powers were given by the Council.

Many further interviews and conferences took place between the senior officials of the Central Board and Finchley's technical advisors extending over a period of seven months.

It was admitted by the Central Board that the Finchley Undertaking was efficient and would require to be supplied below £2 a Kilowatt and .2d. per unit. It was also admitted that such a price, at that time, was not possible.

P.T.O.

Late in November 1927, a compromise was arrived at, which was agreeable to Finchley's technical advisors. It was proposed to interweave the supply from the grid with that of Finchley so as to avoid the need for immediate extensions, upon terms which appeared to approximate our own estimates, the Finchley plant was to be consolidated at 6,000 kilowatts; Finchley was to be at liberty to obtain the best possible advantage from the terms offered and it was suggested (for what it was worth) that the future should not be prejudiced.

Before the draft agreement was received from the Central Board the Hornsey Inquiry was held by the Electricity Commissioners. Historically this inquiry was interesting as it was the first occasion upon which the Joint Electricity Authority had taken an active part in these matters.

As the result of the Hornsey Inquiry the whole position again became uncertain. Several visits and conferences with the Central Board ultimately resulted in the Chairman of the committee and myself being informed that the Central Board had come to some agreement with the Joint Authority in regard to supplies within the London & Home Counties' Area.

It will be appreciated that estimates, of future costs of production, form the basis upon which negotiations for future supplies must be based. To be of any value, these estimates must pivot upon foundations of results already obtained.

Finchley had been suffering from a period of comparative inefficiency, owing to difficulties and delays of various kinds, (such as a belated cooling tower, belated boiler construction and consequent impossibility of cleaning boilers in use etc.); it had in fact been necessary, for some time, to concentrate on maintaining the supply without special regard to efficiency. This particular period was, in my opinion, not able to command such a good price as Finchley was entitled to, it was very desirable, therefore, to carry on for a further period and improve the efficiency and with it the pivot basis. Although offers were made by the Joint Authority in 1929 they were not sufficiently attractive.

The results of the last six months' running, from October 1929 to March 1930, were a substantial improvement and formed the foundation for a new pivot basis upon which more recent negotiations have been conducted.

It is my duty to advise you that upon a uniform basis of estimates for seven years, I have estimated a comparable cost at £113,890 whereas the present offer by the Joint Electricity Authority amounts to £115,796 or a difference, over the seven years, of £1,906; approximately £272 per annum. I fail to find any reason for modifying my estimates and I am still of opinion that but for modern legislation your present position would have been stronger and the future possibilities probably better, but the situation must be accepted as it is, in the hope that nationally the scheme may prove a benefit on average; it is now generally understood that many individual undertakings will derive no benefit, or at any rate not for some years.

You will appreciate that in dealing with estimates it would be difficult, if not impossible, by expert evidence to maintain that forward estimates of this type are accurate within 1½ per cent. You would certainly not be justified in the trouble and expense of a public inquiry, which would probably result in defeat, and possibly in mandatory terms less favourable. The firm stand you have made for so long has been amply justified by the present offer as compared with any previous offers. This has only been possible by carrying on your undertaking under considerable difficulties for a long time, also by the replacement set and other improvements, in order to establish the best economic basis for discussing terms.

I am satisfied in recommending you to accept this offer, pro forma and subject to a satisfactory agreement.

P.T.O.

Although Finchley will not benefit by the price spread over the seven year period, it will, at any rate, be practically no worse off. The offer is, therefore, a reasonable one under the Statutes.

The general effect of the arrangement will be that for the first three years there will be a benefit and for the last three there will be a loss, the mean of the difference over the period being that previously stated.

The generating station will continue to operate for some time, by arrangement with the Joint Authority, who will refund all the costs of operation less certain agreed charges common to both schemes.

It is understood that the Joint Electricity Authority particularly desire that the terms shall be treated as strictly private and confidential.

The outside source of supply will be temporarily connected for the coming winter and will necessarily be limited in amount, for the time being. Suitable modifications and additions to the high tension switchgear will require to be carried out next summer and it is understood that the Joint Electricity Authority is prepared to make certain additional allowances for the annual capital charges upon any loan raised, for such works as are essential.

I feel assured that the committee and the Council are conscious that every effort has been made to secure for Finchley the best position possible in the great scheme at present developing.

I am, Gentlemen,
Yours faithfully,
Edward Calvert,
Chief Electrical Engineer.

This (together with the two preceding pages) is the report of the Chief Electrical Engineer referred to in the Electricity Committee's report of the 16th July 1930 (paragraph 685 of the Council Minutes of the 28th July 1930).

30th June, 1930.

Dear Mr. Calvert,

Bulk Supply.

With reference to our various discussions in regard to this matter, after a careful consideration of all the factors involved, I am in a position to definitely offer that the Authority will supply you with all your requirements at a price of £2.12. 0. per k.w. of maximum demand, together with a running charge of 0.24d.per unit. The last-mentioned figure is based upon a price of coal, including delivery into your bunkers, of 20/- per ton.

These figures are based on the calendar year, and the maximum demand will be that registered over thirty minute periods during the months of November and December.

This quotation will be the subject of an agreement of which the following will be the principal points to be incorporated -

The agreement is to be for the whole of your requirements for a period of twenty-one years, and the special terms quoted above will be for a period of seven years, and at the end of these seven years it will be at your option to determine whether you will continue under these special terms or to revert to the grid terms whichever are the more favourable to yourself.

During the operation of the special terms you are to hold your generating station at the disposal of this Authority and to operate it under our direction and control, and in consideration of your so doing the Authority will refund the operating charges incurred in excess of the agreed figure of £3,847 per annum, and the operating charges will be in respect of the items which have been included in the estimate, namely, coal, oil, waste, water, wages and repairs and maintenance of machinery.

In addition to this, during the period of the special terms, the Authority will refund the amount of the annual capital charges in respect of the generating plant, this having been estimated at £58,200 during the next seven years. The agreement itself will set out the complete table of capital charges until their expiration to enable the special terms to be carried on after the period of seven years if you so desire.

The Authority will require accommodation for either their own or the Central Board's switchgear and apparatus, and we shall require you to provide such accommodation.

The question of your switchgear will also require investigation, and if it can be shewn that there will be any additional cost involved by connection to the grid over and above what would have been necessarily incurred by Finchley to make it suitable for your own

[illegible]

[illegible]

[illegible]

requirements had you continued under independent generation, then the annual capital charges in respect of such additional cost will be refunded to your Council during the period of the special terms.

There will, of course, be the usual clauses dealing with variation in coal price, power factor and load balance, metering, etc., but these will be in the usual standard form and will follow the lines of all the agreements which we have already entered into.

In view of the time necessary to lay the cables and get the work in hand for connection to your works, it is essential that a decision be come to as soon as possible, and I ought, of course, to say that even now the time has gone well into the year and I could not at the moment give a definite guarantee as to when the supply will be available, but you can rely upon our making the most strenuous efforts to have it connected at the earliest possible moment.

Yours faithfully,

(Signed) F.W.Purse,

Chief Engineer.

LEGAL & PARLIAMENTARY COMMITTEE - MEETING -

23RD JULY, 1930.

TO THE CHAIRMAN & MEMBERS OF THE
LEGAL & PARLIAMENTARY COMMITTEE.

LOCAL GOVERNMENT ACT, 1929 - COUNTY MAIN ROADS.-

At a meeting of the Council held on the 24th March, 1930, this matter was referred to your Committee for consideration and report.

The following documents are transmitted herewith:-

(1) Copy draft agreement with the Middlesex County Council;

(2) Copies of Sections 29, 31, 32, 33, 34, 35 and 36 of the Local Government Act, 1929.

The Legal & Parliamentary Sub-Committee submitted the under-mentioned recommendations to the Council which were adopted at a meeting held on the 24th June, 1929:-

(a) that the Council claim for all the roads in the Finchley District which are or will be County Roads; and

(b) that the subject of the position of arterial roads be deferred for further consideration.

It appears that the Old Local Board claimed the main roads under Section 11 of the Local Government Act, 1888.

Position before the 1st April, 1930.

Prior to the 1st April, 1930, (the day upon which the Local Government Act, 1929, in so far as it deals with County Roads, came into effect) there were five types of road - (1) Main; (2) Classified; (3) Unclassified; (4) Arterial Roads; and (5) Light Railway Roads.

As regards (1) Main Roads, the County Council paid the whole cost of maintenance of carriageways and footways, but only paid 75% of the cost of improvement (50% of which it received by way of grant from the Ministry of Transport), leaving the District Council to find the balance of 25%.

As regards (2), Classified Roads, these are divided into two classes according to the percentages of contributions received.-

Class I Roads.- The Council received 60% of the cost of maintenance and repair of carriageways and footways excluding scavenging from the Ministry of Transport. In addition, the County Council contributed, as regards East End Road only, ¼ of the balance of maintenance and repair of carriageways and scavenging, but excluding footways.

With regard to improvements in Class I Roads, the Council received 60% of the cost of improvement from the Ministry of Transport and the County Council in addition paid ¼ of the balance of improvement of all these roads, excluding the footpaths thereof.

Class 2 Roads.- With regard to Class 2 Roads, the Ministry of Transport contributed 50% of the maintenance and repair of carriageways and footways, excluding scavenging, and the County Council contributed ¼ of the balance of the maintenance and repair of carriageways and scavenging, but excluding footways, in regard to Totteridge Lane only, in addition.

In connection with the improvement of these roads, the Council received 50% of the cost thereof from the Ministry of Transport and the Council contributed further a ¼ of the balance of improvements of all these roads, excluding footpaths.

As regards (3), the District Council bears the whole of the cost of the repairs, maintenance and improvement.

As regards (4), the County Council are entirely responsible for and carry out the maintenance, repair and improvement of these roads, except that portion of the North Circular Road between Regents Park Road and the Hendon Boundary, this portion being repaired by this Council on behalf of the County Council as their agents . (Since the 1st April, 1930, the County Council are doing all this work themselves).

As regards the 5th type (Light Railway Road), the only road in this District coming under this heading is Woodhouse Road and the Council received in respect of this road the same contributions as they received in respect of main roads.

The position after the 1st April, 1930, under the Act of 1929.

Under Section 33 (3) it is provided that every Urban District Council responsible for the maintenance and repair of a County Road under Section 32 shall on or before the 15th of December of each year submit to the County Council for approval (which shall not be unreasonably withheld) a detailed estimate of the cost of maintenance and repair and reasonable improvement connected with the maintenance and repair of the road for the ensuing financial year and on such estimate being so approved, either with or without modifications, the amount to be paid by the County Council in respect of such maintenance, repair and improvement shall be the amount of that estimate or of the estimate as amended by any supplementary estimate submitted and approved, or such less sum as may have been actually expended thereon by the Urban District Council during such financial year.

Under Section 33 (1) (b) the County Council shall contribute towards the expenses of any improvement of the road, not being expenses in connection with the maintenance and repair of the road.

With regard to the draft Agreement now submitted, it would appear that one of the most important matters to be considered is the question of abandoning and relinquishing all rights of claiming to exercise the functions of maintenance and repair of the retained main roads. These are:-

North Circular Road (A 406)	...	1.93 miles.
" " " Spur (A 500)	...	.11 "
Barnet Bye-Pass Road (A 5093)	...	1.97 "

As there are no Agency Roads in Finchley any references thereto in the draft Agreement should be deleted.

I understand that practically the whole of the Districts in Middlesex have decided to relinquish the rights above referred to and that they have approved the terms of the Agreement.

The Minister of Transport has made a declaration under Section 32 (3) as to certain roads and as regards this District the roads affected by such declaration are:-

North Circular Road from the Urban District Boundary at Mutton Brook to its junction with the spur of A.500 (Regents Park Road) at about 250 yards west of Regents Park Road;

North Circular Road (spur to Regents Park Road) from its junction with A.5083 and A.406 about 250 yards west of A.500 (Regents Park Road) to its junction with A.500 (Regents Park Road) near Beechwood Avenue.

I am not dealing in this report with the clauses in the Agreement, as a copy of the Agreement is being circulated herewith.

I understand that the Surveyor has attended several Conferences in Middlesex in regard to this matter and no doubt he will report to you thereon.

The draft Agreement has been submitted to the Middlesex Borough & District Councils' Association for consideration and that Association has approved same, subject to certain amendments which are shown in red ink.

E. H. LISTER,

Clerk of the Council.

This (together with the three preceding pages) is the report of the Clerk referred to in paragraph 686 (2) of the Council Minutes of the 28th July 1930, and annexed hereto (9 pages) are copies of the sections of the Local Government Act, 1929, referred to in such report.

Chairman.

URBAN DISTRICT OF EINCHLEY.

LOCAL GOVERNMENT ACT, 1929.

Roads.

County Roads.

29.- (1) The council of every county shall be the highway authority as respects every road in the county which at the appointed day is a main road, or which would, apart from this section, at any time thereafter have become a main road, and every such road and every other road as respects which a county council become by virtue of this Part of this Act the highway authority, shall be termed a county road, and all enactments relating to main roads shall as from the appointed day have effect as if for references therein to main roads there were substituted references to county roads.

(2) The council of every county shall, in relation to county roads in the county (not being roads with respect to which an urban district council have claimed or are deemed to have claimed to exercise the functions of maintenance and repair) have the like functions as with respect to main roads and all roads in relation to which they have those functions and the materials thereof and all drains belonging thereto shall vest in the county council, and where any other drain or any sewer is used for any purpose in connection with the drainage of any such road, the county council shall continue to have the right of using the drain or sewer for such purpose.

(3) If any difference arises between the county council and any district council as respects the council in whom a drain is vested, or as to the use of any drain or sewer, the difference shall, if either council so require, be determined by the Minister.

(4) As from the appointed day, the council of every county shall exercise the functions of maintenance, repair and improvement of, or other dealing with, every bridge in the county repairable by the inhabitants at large which carries a county road, and section one hundred and nineteen of the Municipal Corporations Act, 1882 (which relates to the maintenance of borough bridges), shall cease to have effect as respects any bridge which carries a county road, and notwithstanding anything in sub-section (2) of section thirty-five of the Local Government Act, 1888, no borough shall be exempt from contributing towards the cost incurred by a county council for the purpose of the maintenance, repair and improvement of, or other dealing with, bridges.

Transfer of classified roads in urban districts to county council.

31.- (1) As from the appointed day, the county council shall be the highway authority as respects all classified roads which, immediately before the appointed day, were vested in the councils of urban districts within the county.

(2) When after the appointed day any road vested in an urban district council becomes a classified road, the county council shall thereupon become the highway authority as respects that road.

(3) It shall not be lawful for the Minister of Transport on or after the appointed day to make an order declaring that a road which is for the time being a classified road has ceased to be a county road.

(4) Section four of the Highways and Bridges Act 1891, shall as from the appointed day cease to have effect so far as it provides that no order declaring that a county road within a municipal borough has ceased to be a county road and has become an ordinary road shall be made without the consent of the council of the borough having been first obtained; but before any such order is made by the Minister of Transport he shall consider any representation which the council of the borough may make with reference thereto and shall, if so requested by the council of the borough, hold a local inquiry.

(5) As from the appointed day, a county council shall, with respect to county roads, and roads which, when constructed, are intended to become county roads(not being roads with respect to which an urban district council have claimed or are deemed to have claimed to exercise the functions of maintenance and repair), have within an urban district in the county the functions of an urban district council or a local authority under the enactments mentioned in the first column of Parts III., IV. and V. of the First Schedule to this Act, as amended by any subsequent enactment, subject, however, to such modifications as are mentioned in the second column of that Schedule; and those enactments shall apply accordingly.

As respects such roads as aforesaid, functions under the enactments mentioned in the first column of Part III. of the said Schedule shall, as from the appointed day, cease to be exercisable by an urban district council, and functions under the enactments mentioned in the first column of Parts IV. and V. of the said Schedule shall, as from the appointed day, be exercisable by the urban district council as well as by the county council; but as respects the functions mentioned in the first column of Part V. of that Schedule, only with the consent of the county council.

(6) Where after the appointed day any area, being or forming part of a rural district, is by a provisional or

other order constituted an urban district, the order may provide that any unclassified roads within that area shall continue to be county roads and where the order contains such a provision as respects any roads the order may provide for contributions being made by the urban district council to the county council towards the cost of the maintenance and repair of those roads of such amounts as may be agreed between the councils or, in default of agreement, determined by the Minister of Transport.

Rights of certain urban district councils to maintain county roads.

32.- (1) Where an urban district has a population exceeding twenty thousand, the urban district council may claim to exercise the functions of maintenance and repair of any county road within their district, and if a claim is made within the time hereinafter limited, then, as from such date as is hereinafter mentioned, the urban district council shall be entitled to exercise those functions, and the road shall vest in that council, and for the purpose of the maintenance, repair and improvement of, and other dealing with, any such road, that council shall have the same functions as if they were as respects that road the highway authority and the road were an ordinary road vested in them.

(2) Such claim as aforesaid must be made -

(a) in the case where the population of the urban district exceeds twenty thousand at the appointed day and the road is a road which will by virtue of the foregoing provisions of this Part of this Act become a county road on the appointed day, before the appointed day:

(b) in the case where the population of the urban district is found by the Registrar-General's preliminary report on any census subsequent to the appointed day to exceed for the first time twenty thousand and the road is a county road at the date of the publication of the report, within twelve months after that date;

(c) in the case of any enactment adding an area to an existing urban district of which the population exceeds twenty thousand, within twelve months after the date when the enactment takes effect;

(d) in the case of any enactment constituting a new urban district or adding an area to an existing urban district, in consequence whereof the urban district becomes an urban district of which the population exceeds twenty thousand, within twelve months after the date when the enactment takes effect;

(c) in the case of any road which becomes a county road after the appointed day, or after the date mentioned in any of the last three foregoing paragraphs, as the case may require, within twelve months after the date when it so becomes a county road.

(3) The date as from which the right of maintenance and repair shall be exercisable shall -

(a) where the claim is made before the appointed day, be the appointed day;

(b) in any other case be the first day of April in the year following the calendar year in which the claim is made:

Provided that as respects any county roads which -

(a) may be declared by the Minister of Transport to be roads towards the construction or improvement of which by the county council advances have been made under the Development and Road Improvement Funds Act, 1909, as amended by any subsequent enactment, and to be roads the maintenance and repair of which should, having regard to the best means of promoting economy and efficiency in highway administration, remain vested in the county council; or

(b) being situate in a county within which at the commencement of this Act there was in force a local Act empowering urban district councils to relinquish any functions of maintenance and repair retained by them in pursuance of a claim made under sub-section (2) of section eleven of the Local Government Act, 1888, are roads as respects which the urban district council were not exercising the functions of maintenance and repair at the commencement of this Act;

the date as from which the right of maintenance and repair claimed under this section shall be exercisable shall be deferred until such date as the Minister of Transport may by order determine, and every such order shall be laid before Parliament as soon as may be after it is made.

(4) Any urban district council for the time being so responsible for the maintenance and repair of any county road within their district may at any time, with the consent of the county council, relinquish their functions as regards the maintenance and repair of the county road, and as from the first day of April next after the date of relinquishment the

county road and the functions of maintaining and repairing it shall vest in the county council in like manner as if the urban district council had made no claim under sub-section (1) of this section.

In the event of the county council withholding consent under this sub-section, the urban district council may appeal to the Minister of Transport, who may make such order thereon as he thinks fit, and the order shall be binding on the county council and the urban district council.

(5) Where at the appointed day any urban district council are in pursuance of sub-section (2) of section eleven of the Local Government Act, 1888, exercising the functions of maintaining and repairing any main road, then -

(a) if the population of the urban district exceeds twenty thousand at the appointed day the council thereof shall be deemed to have duly made a claim under this section as respects the road, unless before the appointed day they give to the county council notice in writing to the contrary;

(b) in any other case the right of the urban district council to maintain and repair the road shall as from the appointed day determine, and the road and the functions of maintaining and repairing it shall vest in the county council.

(6) For the purposes of this section -

(a) the expression "road" does not include county bridges; and

(b) the population of an urban district shall, subject as hereinafter provided, be ascertained according to the last census for the time being:

Provided that the population of an urban district at the appointed day shall be taken to be the estimated population of that district for the year nineteen hundred and twenty-eight.

Contributions by county councils to county roads maintained by urban district councils.

33.-(1) Where an urban district council are in pursuance of the last foregoing section of this Act responsible for the maintenance and repair of a county road within their district, the county council shall -

(a) make annual payments (by quarterly instalments) towards the cost of the maintenance and repair of the road and any reasonable improvement connected with the maintenance and repair thereof, of such amount as may be determined in manner hereinafter provided; and

(b) contribute towards the expenses of any improvement of the road, not being expenses in connection with the maintenance and repair of the road in any such case and to such extent, if any, as, failing agreement between the urban district council and the county council, may be determined by the Minister of Transport; and the Minister of Transport in making his determination shall have regard to the extent to which the improvement is required for the purposes of through traffic and local traffic respectively, and to the extent to which the improvement is of the nature of a town improvement.

(2) Every urban district council so responsible for the maintenance and repair of a county road shall, on or before the fifteenth day of December in each year, submit to the county council for their approval (which shall not be unreasonably withheld) a detailed estimate of the cost of maintenance and repair and reasonable improvement connected with the maintenance and repair of the road for the ensuing financial year, and on such estimate being so approved, either with or without modifications, the amount to be paid by the county council under the last foregoing sub-section in respect of such maintenance, repair and improvement shall be the amount of that estimate, or of that estimate as amended by any supplementary estimate submitted and approved as hereinafter provided, or such less sum as may have been actually expended thereon by the urban district council during the said financial year:

Provided that in no case shall a county council be liable to make a payment towards such costs until they are satisfied by a report of their surveyor or such other person as they may appoint for the purpose that the works of maintenance, repair or improvement are being or have been properly executed.

(3) The urban district council may at any time and from time to time submit a detailed supplementary estimate for the approval of the county council, which approval shall not be unreasonably withheld.

(4) Any question whether the approval of the county council has been unreasonably withheld, or whether any works of maintenance, repair or improvement are being or have been properly executed, or as to the liability of a county council to make a payment under this section shall be determined by the Minister of Transport.

Agreements between county councils and urban district councils with respect to unclassified roads.

34.- As from the appointed day, a county council may by agreement with the council of any urban district within the county undertake, in consideration of such payments as may be agreed, the maintenance, repair and improvement of any

unclassified road within the urban district, and any road with respect to which such an agreement is for the time being in force shall be vested in the county council, and that council and the urban district council, respectively, shall have in regard to it the same functions as they would have if it were a county road.

Delegation of road functions by county councils to district councils.

35.- (1) The council of any district wholly or partly within the county may within three months after the commencement of this Act apply to the county council for the delegation to them as from the appointed day of the functions of the county council with respect to the maintenance, repair and improvement of, and other dealing with -

(a) the whole of the unclassified roads, exclusive of county bridges, within the district or such part of the district as is within the county;

(b) all or any of the classified roads, exclusive of county bridges, within the district or such part of the district as is within the county;

(c) all or any of the county bridges within the district or such part of the district as is within the county.

(2) In so far as the application is in respect of unclassified roads, the county council shall grant the application unless they are satisfied that having regard to the best means of promoting economy and efficiency in highway administration throughout the county and to the particular circumstances of the district in respect of which the application is made the application ought not to be granted.

(3) In so far as the application is in respect of classified roads or county bridges, the county council shall have unfettered discretion whether or not to grant the application.

(4) Before the first day of October, nineteen hundred and twenty-nine, every county council shall prepare and submit to the Minister of Transport a statement specifying the applications made under this section and the council's decisions thereon, and in any case in which an application for the delegation of functions in respect of unclassified roads has been refused, the grounds on which the refusal was based and shall send to the council of every district who have made application under this section a copy of so much of the statement as affects the district, and the council of any district whose application for the delegation of functions relating to unclassified roads has not been granted by the county council may within one month after the receipt of such copy, or, if the county council

have failed to comply with the provisions of this sub-section, before the first day of November, nineteen hundred and twenty-nine, appeal to the Minister of Transport, who, if satisfied that the application should have been granted, may by order direct the county council to grant the application, and the county council shall comply with any direction so given.

(5) After the appointed day the council of any district wholly or partly within the county to whom any such functions as are mentioned in sub-section (1) of this section are not for the time being delegated may apply to the county council for the delegation of those functions, and in the event of the county council refusing or failing within three months to grant the application so far as it relates to unclassified roads, the district council may within one month of such refusal or failure appeal to the Minister of Transport, who, if satisfied that the application should have been granted, may by order direct the county council to grant the application so far as it relates to unclassified roads; and the county council shall comply with any directions so given:

Provided that an application under this sub-section shall not, without the consent of the Minister of Transport, be made except in the year nineteen hundred and thirty-four, the year nineteen hundred and thirty-nine or any succeeding year being the fifth year after the last year in which such an application might have been made.

(6) The council of any district wholly or partly within a county to whom any functions have been delegated under this section may, by giving notice in writing to the county council, relinquish those functions.

(7) The county council by whom any functions have been delegated to a district council under this section may, by giving notice in writing to the district council, determine the delegation:

Provided that, if and so far as the notice relates to unclassified roads, the district council shall be entitled within one month after receiving the notice, to appeal to the Minister of Transport who, if satisfied that the delegation of functions as respects unclassified roads should not be determined, may by order cancel the notice given by the county council.

(8) An application for the delegation of functions and a notice of the relinquishment of the delegation of functions or of the determination of the delegation of functions under the three last foregoing sub-sections of this section must be made before the first day of October in any year, and the delegation, relinquishment or determination shall take effect as from the first day of April in the next following year.

Conditions and effect of delegation of functions.

36.-(1) Where in pursuance of the last foregoing section functions are delegated to a district council, the district council, in the discharge of those functions, shall act as

agents for the county council, and it shall be a condition of any such delegation -

(a) that the works to be executed and the expenditure to be incurred by the district council in the discharge of those functions shall be subject to the approval of the county council; and

(b) that the district council shall comply with any requirement of the county council as to the manner in which and the persons by whom any works are to be carried out and with any general directions of county council as to the terms of contracts to be entered into for such purposes; and

(c) that the works shall be completed to the satisfaction of the county council;

and if at any time the county council are satisfied on the report of their surveyor or other person appointed for the purpose that any portion of a road with respect to which functions are so delegated is not in proper repair and condition, the county council may cause notice to be given to the district council requiring them to place the road in proper repair and condition, and if such notice is not complied with within a reasonable time, the county council may do anything that seems to them necessary to place the road in proper repair and condition.

(2) Where in pursuance of the foregoing section functions are delegated to a district council, then, so long as the delegation is in force, the district council shall discharge as agents for the county council the functions of the county council within the district under the enactments mentioned in Part I. or Part III. of the First Schedule to this Act, as the case may require, except so far as those functions relate to roads with respect to which functions are not delegated to the district council:

Provided that -

(a) the county council may impose on the district council such conditions as they think fit with respect to any action to be taken by the district council in the discharge of such functions as aforesaid, and with respect to any work being completed to their satisfaction;

(b) if for the purpose of making any contribution towards the cost of private street works or for any other purpose in connection with such functions as aforesaid the district council desire to incur expenditure which in the opinion of the county council would not be properly chargeable as general county expenses, the district council shall have the same powers of raising money for the purposes of any such expenditure as they would have had if the functions under the said enactments had been directly vested in them;

(c) the surveyor of the district council shall be the surveyor for the purposes of the Private Street Works Act, 1892.

to the Hendon Urban District Council with regard to the diversion of the footpath, wherein the Minister stated that he would be prepared, if the Hendon Council so desired, to include the proposals for the diversion of the footpath in the Hendon Town Planning Scheme as proposed to be approved, with a view to considering any objections and representations that might be made thereto before deciding whether to include it in the final scheme.

The Chairman reported that he had heard from the Ministry to the effect that the Minister was including the diversion of the footpath in the Hendon Town Planning Scheme as proposed to be approved.

(*b*) The Chestnut Drive.—

(i) The Clerk reported that, in order to secure Mr. Ward's signature to the Conveyance to this Council of the Chestnut Drive, Mr. Chambers gave an undertaking on behalf of this Council that the Council would forthwith proceed with the erection and completion of the 7 ft. fence, in accordance with Plan No. 7306 (a) already approved by Mr. Ward (being a modification of the type of fence mentioned in the Agreement with Mr. Ward) and that the Club would not use the Drive until the fence protecting "Rocklands" had been completely erected; that the Undertaking was exchanged for the Conveyance, duly executed by Mr. Ward, on the 30th May, and that the Conveyance had now been stamped with a 10/- stamp and adjudicated.

The Chairman reported further that the fencing had now been almost completed.

(ii) The Committee considered a request by Mr. Ward that the Council would release him from the option to purchase the Lodge and the land adjoining the Chestnut Drive granted in the Conveyance of the latter to the Council;

RECOMMENDED that Mr. Ward be informed that the Council are unable to agree to the release of such option.

(*c*) Lease to Golf Club.—The Clerk reported that he had exchanged the part Lease sealed by the Council for the counterpart sealed by the Golf Club.

H. O. SYRETT,

Chairman.

RECOMMENDED that such report be received and adopted.

687 **Maternity and Child Welfare Centre—Bourchier House.** —The Clerk reported with regard to a difficulty which had arisen in connection with the indemnity by the Vendors respecting private street works charges;

RECOMMENDED—

(*a*) that the draft contract now submitted be approved, and that it be left to the Chairman of the Committee and the Clerk to deal with the question of the indemnity, subject to report;

(*b*) that payment of the sum of three guineas for costs in connection with the surrender of the lease be approved in addition to the scale costs on the Contract and Conveyance;

(*c*) that the necessary documents be added to the list of documents for sealing;

(*d*) that the Clerk be directed to make application to the Ministry of Health, for sanction to the borrowing by the Council of the sum of £2,690, made up as hereunder mentioned in respect of the acquisition of Bourchier House:—

	£
Cost of Acquisition	2500
Fencing	70
Legal Charges and Stamp Duty ...	100
Loan Charges	20
	£2,690

(*e*) that the above-mentioned sum of £2,690 be apportioned as under :—

	£	s.	d.
Maternity and Child Welfare ...	1793	6	8
Education Committee (School Medical Service)	896	13	4
	£2,690	0	0

(*f*) that the Accountant be authorised to draw a cheque for £250, being deposit to be paid on exchange of part Contracts, and, on receipt of the approval of the appropriate Government Departments, so far as they are respectively concerned, a cheque for £2,250, balance of the purchase money.

688 **Incorporation.**—The Clerk reported that he had been in communication with Major Cadogan in regard to the Council's application for the grant of a Charter of Incorporation, and that Major Cadogan had stated that he would be pleased to do all he could to assist the Council in the matter.

689 **Unemployment Grant Schemes—Two Cottages—Central Depôt.**—Arising out of paragraph 632 (a) of the Finance Committee's report of the 16th July, 1930, the Surveyor reported on the matter;

RECOMMENDED that, in the circumstances mentioned by him, application be not made to the Unemployment Grants Committee for a grant in aid.

690 **River Lee (Flood Relief, etc.) Bill.**—The Clerk reported upon the above Bill, which was being promoted by the Lee Conservancy Board, and intimated that he had communicated with the Council's Parliamentary Agents who had informed him that they had carefully considered the provisions of the Bill and that there did not appear to be anything in it which called for objection by the Council, but that they could not express any opinion on any engineering questions which might arise. The Clerk further reported that the last day for petitioning was the 21st instant.

691 **Small Dwellings Acquisition Acts—No. 16, St. Margaret's Avenue.**—A letter, dated 15th July, 1930, was submitted from Mr. J. B. Lander, stating that his client Mr. A. M. Walker was intending to purchase the above property; that he understood that the Vendor had a mortgage from the Council; and that his client would be obliged if the Council would grant him a mortgage on similar terms to those at present held by the Vendor;

RECOMMENDED that a reply be forwarded to the effect that the Council will be pleased to consider an application by his client for an advance in respect of the property, subject to the necessary application form being completed.

692 **Valuation.—**

RECOMMENDED that no objection be raised to the publishers, Messrs. Shaw & Sons, adopting, for use by other Local Authorities, the form of office copy draft Valuation List prepared by this Council.

693 **Arden Estate—Proposed Brookside Walk.**—The Surveyor reported hereon;

RECOMMENDED that the matter be referred to the Town Planning and Open Spaces Committee for consideration.

694 **Plan No. 7297—Land in Front of No. 47, Market Place.**—Paragraph 473 of the Town Planning and Open Spaces Committee's report of the 7th July, 1930, and paragraph 541 of the Highways and Fire and Water Committee's report of the 9th July, 1930, were considered and, arising thereout, the Surveyor reported that he had received a letter, dated 22nd July, 1930, from Mr. S. Meek, expressing disagreement with the suggestion that any legal charges in connection with the conveyance of the strip of land should fall upon the Trustees. In these circumstances, it was

RECOMMENDED that the recommendation of the Highways and Fire and Water Committee be adopted, excepting that, with regard to the question of the payment of legal costs, the Council agree to bear these, subject to their not exceeding a sum of seven guineas.

695 **Plans.—**

RECOMMENDED—

(*a*) that the following plans be APPROVED, subject to the conditions severally mentioned by the Surveyor in his report :— Approved

PERCIVAL T. HARRISON.
Engineer and Surveyor.

28th July, 1930.

This (together with the two preceding pages) is the report of the Surveyor referred to in paragraph 695 of the Council Minutes of the 28th July 1930.

Chairman.

696 **Plan No. 7335—Divisional Surveyor's Office—Long Lane—Near North Circular Road.**—The Surveyor reported hereon;

RECOMMENDED that the matter be referred to the Town Planning and Open Spaces Committee for consideration.

697 **Tenders.—**

(*a*) Sanitary Fitments—Grand Stand—Glebe Land—North Finchley;

(*b*) Dressing Accommodation—Brook Farm, Whetstone—The tenders received in respect of the above were considered;

RECOMMENDED—

(1) that as regards (a) the tender of Messrs. Wm. Moss & Sons, Ltd., at the sum of £270 12s. 0d. be accepted;

(2) that as regards (b) the tender of Messrs. G. Ellis and Co. at the sum of £411 15s. 0d. be accepted;

(3) that the Clerk be instructed to prepare the necessary contracts, which be added to the list of documents for sealing.

(*c*) Provision of Metal Windows, etc.—Grand Stand—Glebe Land.—The Surveyor reported upon a number of quotations received in respect of the above;

RECOMMENDED that the tender of Messrs. John Thompson Beacon Windows, Ltd., at the sum of £84 16s. 6d. be accepted, and that the Clerk be instructed to prepare the necessary contract, which be added to the list of documents for sealing.

698 **Open Spaces—Golf Course—Nether Court, Frith Grange and Land Adjoining.**—A letter, dated 24th July, 1930, from the Finchley Golf, Sports and Social Club was submitted;

RECOMMENDED that same be referred to the Finance Committee for consideration.

699 **Workmen's Dwellings—Sub-Letting.**—Councillor Briant reported hereon;

RECOMMENDED that a communication be addressed to the tenants of the various Council dwellings drawing attention to the condition of their tenancy regarding sub-letting; informing them that it has been reported to the Council that certain of the tenants have committed a breach of their tenancy so far as this condition is concerned and were in the habit of taking in lodgers, and giving notice that, unless in those cases this practice and the taking in of lodgers be dis-continued within a period of one month, the Council will have no alternative but to terminate the tenancies of such tenants.

700 **Plan No. 7332—New Roads and Sewers, etc.—Land Between Westbury Road and Chesterfield Road.**—Arising out of paragraph 484 of the Town Planning and Open Spaces Committee's report of the 7th July, 1930, the Vice-Chairman of the Committee reported on the matter;

RECOMMENDED that the plan in question be approved, subject to the owner agreeing to convey to the Council, free of cost, a strip of land in the vicinity of Dollis Brook.

701 **Plan No. 7331—Construction of New Road to be known as Templars Crescent.**—Arising out of paragraph 483 of the Town Planning and Open Spaces Committee's report of the 7th July, 1930, the Surveyor reported as to the amendments proposed by the owner in order to meet, as far as practicable, the wishes of the Council;

RECOMMENDED that the plan, as amended, be approved.

702 **Resumption of Council.—**

RESOLVED that the Council do now resume and that the recommendations above set forth be adopted.

Chairman.

22nd September 1930.

ALLOTMENTS COMMITTEE'S REPORT.

5th August, 1930.

Present: Councillor Pulham (Chairman), Councillor Langlands (Vice-Chairman), Councillor Wells, and Messrs. Rolfe and Tayler.

13th August, 1930.

Present: Councillor Pulham (Chairman), Councillor Langlands (Vice-Chairman), and Messrs. Sunderland and Tayler.

702a **Council Properties—Inspection of.**—The Committee inspected the properties under their control and arising thereout several suggestions were made. These are receiving consideration and a further report will be submitted at a later date.

S. PULHAM,

Chairman.

TOWN PLANNING AND OPEN SPACES COMMITTEE'S REPORT.

20th August, 1930.

Present : Councillor Pike (Chairman), Councillor Langlands (Vice-Chairman), and Councillors Jones, Merry, Pulham and Wells, and Councillor H. O. Syrett (non-member).

25th August, 1930.

Present : Councillor Pike (Chairman), Councillor Langlands (Vice-Chairman), and Councillor Wells, and Councillors C. S. Syrett and H. O. Syrett (non-members).

703 **Council Properties—Inspection of.**—The Committee inspected a number of the properties under their control and arising thereout several suggestions were made. These are receiving consideration and a further report will be submitted at a later date.

A. T. PIKE,

Chairman.

TOWN PLANNING AND OPEN SPACES COMMITTEE'S REPORT.

1st September, 1930.

Present: Councillor Pike (Chairman), Councillors Jones, Merry, Pateman, Pulham, Mrs. Timberlake and Wells and Councillors C. S. Syrett and H. O. Syrett (non-members).

704 **Minutes.**—The Minutes of a Meeting held on the 7th July, 1930, were taken as read, confirmed and signed.

705 **Requisitions.**—

RECOMMENDED that the lists of requisitions (circulated) be approved, with the addition of the following item :— Approved

Wire waste paper baskets for the Recreation Ground and Avenue House Estate ... £4

706 **Victoria Recreation Ground.**—

(*a*) Horticultural Society—Annual Show.—The Clerk reported that letters had been received dated the 8th and 21st July, 1930, from the Finchley Horticultural Society, thanking the Council for the use of the Victoria Recreation Ground on the occasion of their annual show on the 12th July last, and intimating that they were holding the band responsible for any copyright music performed.

(*b*) Tennis Courts.—It was reported that a letter had been received from the Church End Baptist Tennis Club enquiring the terms upon which the Council would be prepared to let to the Club two grass tennis courts at the Victoria Recreation Ground for the 1931 season, as follows :—

(1) Saturdays from 3 o'clock. All day Bank Holidays. No Sunday play, and each evening from 6 (or 7) o'clock.

(2) As above but only 3 evenings per week (instead of 5 evenings).

(3) As above but only 2 evenings per week instead of 5 evenings);

RECOMMENDED that the Club be offered the use of two tennis courts at the Victoria Recreation Ground on the conditions already in force viz. : at a charge of £20 each per season, subject to the playing membership not exceeding twenty with respect to each court.

707 **Lay-out of Old Depôt Site, Ballards Lane.**—A letter was submitted from the Unemployment Grants Committee, stating that the Committee would be quite prepared to consider an application for a grant in aid, and suggesting that such works would presumably be financed otherwise than by way of loan.

The Clerk reported that an application for a grant in aid had been made and that it would appear that the cost to the Council if the application for a grant were approved would be within the £250 for which provision was made in the estimates, and that the grant would enable the full scheme to be executed at once.

The Committee decided to suggest to the Highways and Fire and Water Committee that the present was an opportune time to widen Ballards Lane at the point in question.

708 **Proposed Bridge—Woodside Park Estate.**—The Clerk reported that at its last meeting the Council referred to the Committee the question of the possibility of acquiring, in conjunction with the neighbouring Authorities, a portion of the land outside the district in the vicinity of the above bridge for purposes of an open space;

RECOMMENDED that no action be taken in the matter.

709 **Glebe Land.**—

(*a*) Application for Pitch.—The Clerk reported that an application had been received from the All Saints' East Finchley Football Club for the use of the ground recently vacated by the Education Committee, south of the Finchley Football Club pitch, and enquiring what rental would be charged therefor;

RECOMMENDED that the All Saints' East Finchley Football Club be offered the use of the ground, at a rental of £40 per annum.

Engineer and Surveyor.

27th August, 1930.

These (together with the preceding page) are the requisitions referred to in paragraph 705 of the Town Planning and Open Spaces Committee's report of the 1st September 1930.

Chairman.

(*b*) Finchley Municipal Cricket Club.—The Clerk reported that at the meeting of the Council held in July, 1929, it was decided to let the cricket pitch on the Glebe Land to the Finchley Municipal Cricket Club at a rental of £50 per annum; that at the last meeting of the Committee a request was received from the Club that such rental should be re-considered.

RECOMMENDED that the charge for the use of the pitch in question be fixed at the sum of £25 for the season 1931.

(*c*) Grand Stand.—Three Prices were submitted in connection with the installation of electrical fittings at the grand stand on the Glebe Land;

RECOMMENDED that, subject to a contract being entered into, the price of Messrs. E. Wight and Co., at the sum of £93, be accepted.

710 **Plan No. 7332—New Roads and Sewers, etc.—Land between Westbury Road and Chesterfield Road.**—It was reported that at the last meeting of the Council the above plan was approved, subject to the owner agreeing to convey to the Council free of cost a strip of land in the vicinity of Dollis Brook and that the owner's legal costs in connection therewith would amount approximately to £10;

RECOMMENDED that subject to the approval of the Finance Committee, authority be given for the payment of the owner's legal costs not exceeding £10.

711 **Footpath—Creighton Avenue to Durham Road.**—A letter was submitted, dated 21st August, 1930, from Mr. E. N. Cansick hereon. Approved.

After careful consideration it was

RECOMMENDED—

(1) that the Council acquire a 10 ft. strip of land in lieu of a 15 ft. strip as suggested by Mr. Cansick on the terms of Mr. Cansick's letter except that the Surveyor be instructed to construct a footpath thereon as indicated by the Committee;

(2) that authority be given to the Chairman of the Committee, the Clerk and the Surveyor to negotiate with the Ecclesiastical Commissioners and Mr. Cansick in regard to the matter, and to instruct the District Valuer thereon;

(3) that the matter be referred to the Finance Committee and that it be considered further at the meeting of the Council;

(4) that the Conveyance be added to the list of documents for sealing.

712 **Lovers' Walk.—**

(*a*) Back Entrance Gates.—The Clerk reported that certain properties abutting on Lovers' Walk between Nether Street and the Golf Course had back entrance gates thereto;

RECOMMENDED that permission be given in respect of the facilities in question, subject to an agreement being entered into in each case providing for the payment of 5s. 0d. per annum.

(*b*) Cycling.—A letter was submitted, dated 25th August, 1930, from Mrs. N. Godfrey, complaining of persons cycling along Lovers' Walk, and suggesting that notices should be erected forbidding that practice;

RECOMMENDED that instructions be given to the Surveyor for appropriate notices to be erected at each end of the walk.

713 **Town Planning Scheme No. 1.—**

(*a*) Lyttelton Playing Fields.—The Clerk reported that in accordance with the authority of the Council in June last, the Sub-Committee appointed for the purpose had an interview on the 20th August, 1930, with representatives of Co-Partnership Tenants, Ltd. in regard to the acquisition of the Lyttleton Playing Fields, when there were present:—

E.H. CANSICK,
Builder.

ROYSTON,
48, Cholmeley Crescent,
Highgate, N. 6.

21st August, 1930.

To the Clerk to the
Finchley Urban District Council,
Finchley, N.

Dear Sir,

Proposed Houses South Side CREIGHTON AVENUE, East Finchley and connecting roadway.

In confirmation of my interview with Mr. Franklin on the 19th inst., and with reference to the letter dated the 31st ult. addressed to Messrs. Clutton by the Surveyor and covering the Council's drawing No. 7459 dated 1-8-30.

I have now considered the arrangement of houses etc. shown on this drawing together with proposed connecting roadway from the Durham Road which your Council are desirous of providing, and, subject to the following points being agreed between the freeholders and ourselves, I am now willing to assent to the Council's wishes.

The intimation of my assent, as Lessee, is of course subject to the approval of the freeholders - the Ecclesiastical Commissioners - being first obtained, and I shall be glad to learn that the necessary arrangements have been so made, and that the Council will further agree as under:-

(1) That the formal consent of the Council will be given to the proposed lay-out of my houses as Drawing No. 7459, including the building over necessitated on line of adjusted storm water sewer.

(2) That the Council will undertake to construct at their own expense that portion of the sewer shown on the drawing referred to as between points "A" and "B" - such deviation and work in connection therewith to be put in hand forthwith to avoid further delay in the development of the ground.

(3) That the Council shall immediately acquire from the freeholders the necessary rights to construct the 15'0" roadway in the position shown, and shall at their own expense forthwith form and take over as a public way. These works to be completed not later than 1.1.1931 and an undertaking given that no charges whatsoever in respect of such roadway shall fall upon the owners of the properties abutting on either side of the proposed road.

(4) That the Council will at their own expense erect and maintain a proper 6'0" high close fence (of type to be agreed with the Council's Surveyor) to both sides of the proposed roadway, and together with any necessary sub walls under such fences as may be occasioned by revised levels of the new

roadway - such fences to extend the full depth of the site from Creighton Avenue to Durham Road.

(5) That the Council will pay an agreed sum by way of purchase and compensation in respect of the land taken for the purpose of the roadway, and also the legal costs in connection with the surrender both in regard to my own interests and also those of the freeholders.

Subject to the Council agreeing the foregoing, and with reference to para 5 above, I submit a statement of sum which I claim in respect of my interests:-

LESSEES COMPENSATION in respect of Land to be acquired by the Urban District of Finchley for formation of connecting Road between Creighton Avenue and Durham Road, East Finchley, N.

To Fifteen feet of frontage in Creighton Avenue @ 32 years purchase @ 8/- per foot	£132. 0. 0.
To extra cost of additional Road connection &c. necessitated by intervening road	25. 0. 0.
To extra cost of two Garages being constructed as singles and extra depth on side walls flanking new roadway	20. 0. 0.
To Surveyors' fees in connection with the Scheme	5. 5. 0.
TOTAL	£182. 5. 0.

As the Council is well aware, the question of the proposed roadway has already resulted in very considerable delay in my building operations in Creighton Avenue, and I shall therefore be obliged if the earliest possible notification of the Council's agreement to the present proposals may be given me.

Might I also ask for the Council's assurance that if the proposal is proceeded with, that adequate lighting will be provided in order to minimize the possibility of this narrow road becoming a nuisance; and to this end I would respectfully suggest that a minimum requirement will be a street lamp at each end of the road.

I am, Sir,
Yours faithfully,

(Sgd) ERNEST N. CANSICK.

This is a copy of the letter from Mr. Cansick referred to in paragraph 711 of the Town Planning & Open Spaces Committee's report of the 1st September 1930.

For the Council :—The Chairman of the Council and the Chairman and the Vice-Chairman of the Committee;

For Co-Partnership Tenants, Ltd :—Messrs Hutchings, Hubbard and Cooper;

At such meeting the owners intimated that while it was their desire to meet the Council in any way practicable, it was not their intention at the present time to consider the sale of the Lyttelton Playing Fields alone, but that they would be prepared to sell the fields to the Council in conjunction with the open spaces know as Big Wood, Little Wood and the Green Walk, south of Lyttelton Road.

The Clerk also reported that the owners had suggested that in order to save months of perhaps useless negotiation, the Council should ask the District Valuer for his valuation of the freehold in respect of each of the four properties concerned, and that the figure thus obtained would form a reasonable basis for either agreement or negotiation. The owners would then be prepared to arrange for the Ecclesiastical Commissioners to join in the Conveyance of the freehold;

RECOMMENDED that the District Valuer be asked for his valuation in respect of each of the four properties in question, and that the matter be considered further at a later date.

(*b*) Widening by Spaniards Inn.—A letter was submitted, dated 26th July, 1930, from the Hampstead Heath Protection Society, forwarding copy of the following resolution, passed at a recent meeting of the Society :—

"The Committee of the Hampstead Heath Protection Society is strongly of opinion that any widening or alteration of the roadway at the Spaniards Inn is unnecessary, would be detrimental to the public safety, and very much spoil the amenities of that particular spot. This narrow roadway now acts as a bottle neck at this corner, and prevents dangerous driving;"

RECOMMENDED that the Hampstead Heath Protection Society be informed that the Council have no intention to effect a widening at the position in question at the present time, and that the contents of the resolution of the Society have been noted.

(*c*) Land adjoining Ditchover, The Bishop's Avenue.—A letter was submitted, dated 18th August, 1930, from Mr. E. Furnival Jones, stating that he had entered into a contract with the Ecclesiastical Commissioners to take on lease the plot of land adjoining his house, which had hitherto been occupied by the Allotment Holders' Association, and that during the course of the negotiations the area of the plot was not precisely defined, but the Commissioners' Surveyor had recently measured it, and driven stakes into the ground at each corner of the plot proposed to be included in the lease.

It appeared that the fence nearest the Great North Road would not run in a line with the fence of the house opposite at the corner of Deansway, but would be well towards the middle of that roadway, and enquiry was made as to whether the Council had any observations to make in regard to the matter;

RECOMMENDED that Mr. Furnival Jones be informed that the Council have no observations to make in regard thereto.

714 Town Planning Scheme No. 2.—

(*a*) Objections.—The Clerk reported receipt of the following further correspondence and objections to Town Planning Scheme No. 2:—

Name.	Property Concerned.
(1) Messrs. Clutton ...	Allotments adjoining Great North Road, between the County School and Granville Road.
(2) Messrs. H. N. and E. H. Philcox ...	Land at the corner of Stanhope Avenue and East End Road.

Name.	Property Concerned.
(3) A.B.C. Club ...	Playing Field, East End Road.
(4) North Middlesex Gas Co.	Company's premises, The Broadway.
(5) Finchley Catering Co., Ltd. ...	Arcadia Buildings.
(6) Messrs. Prickett and Ellis	Elm House and Maple House, Ballards Lane, and adjoining properties.
(7) Simm's Motor Units, Ltd. ...	The Grange Works, Oak Lane, East Finchley.

RECOMMENDED that the objections be referred to the Sub-Committee consisting of the Chairman of the Council and the Chairman and the Vice-Chairman of the Committee, and that they report to the Committee thereon in due course.

(*b*) London and North Eastern Railway Co.—Station Buildings.—It was reported that the Chairman of the Council and the Chairman of the Committee had interviewed a representative of the London and North Eastern Railway Co. on the 1st September, 1930, in connection with the Company's objection to Town Planning Scheme No. 2; that at the same time the position with regard to the proposed alteration of East Finchley station was discussed, and the Company's representative promised to send to the Surveyor plans showing the present proposals of the Company; and that the Sub-Committee recommended that no alteration be made to the Scheme pending agreement between the Company, the Council and Co-Partnership Tenants, Ltd., with regard to the station site;

RECOMMENDED that the report of the Sub-Committee be received and adopted.

(*c*) Map No. 3.—The Clerk asked that authority might be given for small photographs to be taken of Map No. 3, and instructions were given accordingly;

RECOMMENDED that the action of the Committee be approved.

715 **North Middlesex Joint Town Planning Committee.**—A copy of the Minutes of the last meeting of the above was submitted.

716 **Unemployment Grant Schemes.**—A letter was submitted, dated 14th August, 1930, from the National Playing Fields Association, drawing attention to the increased facilities which had become available for securing labour grants with respect to recreation ground schemes.

717 **County Roads.**—In accordance with the instructions of the Legal and Parliamentary Committee, the Clerk submitted copies of the draft Agreement which the Middlesex County Council were desirous that the Council should enter into, and drew attention particularly to clauses 19, 20 and 21.

The Committee were of opinion that the matter should be dealt with by a Sub-Committee consisting of representatives of the Highways and Town Planning Committees, and accordingly appointed the Chairman and Vice-Chairman of the Council and the Chairman and Vice-Chairman of the Committee to act on their behalf.

718 **Council Properties—Inspection.**—In accordance with the instructions of the Committee, the Clerk submitted a list of the various suggestions which were made arising out of the inspections on the 20th and 25th August, 1930, of a number of properties under the control of the Committee.

Instructions were given to the Surveyor (1) to report to the Committee at their next meeting upon all items which involved expenditure, and (2) to negotiate with regard to certain areas mentioned in the instruction book.

719 **Five Bells Footpath.**—Letters were submitted, dated 26th and 30th August, 1930, from Co-Partnership Tenants, Ltd.

RECOMMENDED that the Ministry of Health be asked to include in Town Planning Scheme No. 1 the diversion of the Five Bells Footpath from the point where it enters the Company's land on the northern boundary right through to its junction with the existing portion of Winnington Road, near Spaniards Farm, as shown on plan submitted, and that a copy of the plan be forwarded to the Ministry.

(19) COUNCIL PROPERTIES - PROPOSED INSPECTION.

I give below a list of the various suggestions which were made arising out of the inspections on the 20th and 25th August, 1930 of a number of the properties under the control of the Committee:-

(1) Ballards Lane, Bowling Green and Open Space.

(i) that a plain grass margin should be laid down on left hand side of entrance roadway from Ballards Lane; such work to be included in next year's estimates;

(ii) that in connection with the scheme for the layout of the old depot site, the Surveyor should be asked to arrange for the paths to be at least 12' wide and for the provision of more seats than at present proposed;

(iii) that the privet hedge at the side of the pavilion should be replanted in line with the back of the pavilion to obviate the present waste of land at the rear thereof;

(iv) that the question of the provision of washing equipment in the pavilion be considered;

(v) that additional seating accommodation be provided around the bowling green.

(2) Rochester Terrace Open Space.

(i) that the Surveyor be instructed to lay down a concrete kerb to define the boundary of the open space as distinct from the roadway;

(ii) that arrangements be made for the grass to be cut and for the site generally to be tidied up.

(3) Windsor Road Open Space.

(i) that the Surveyor be instructed to arrange for the cutting of the grass at this open space.

(ii) that the hole connected with the surface water outlet should be covered, and that the ditch therefrom should be widened.

(iii) that the question of the provision of swings on this open space, similar to those at Cherry Tree Wood, be considered;

(iv) that the question of the acquisition of further land stretching from the rear of Wickliffe Avenue to Waverley Grove be considered.

(4) Open Spaces.

That the Surveyor should be instructed to make his own arrangements each summer in regard to the cutting of grass on the open spaces under the control of the Council.

(5) Spinney - Dollis Road.

That the Surveyor be instructed to fence the road boundary and to construct a winding foot-path through the spinney.

(6) Brook Farm.

(i) that in lieu of the position at present proposed for the football pavilion, the same be erected in front of the trees on the eastern side of the field, near the railway bridge;

(ii) that the Surveyor should be instructed to arrange for the lay-out of three football pitches, viz. Nos. 12, 2 and 10 on the sites at present allocated for numbers 12, 2, 11 and 10;

(iii) that negotiations be opened for the acquisition of the strip of land forming a bay to Brook Farm, having a frontage to the Great North Road and adjoining the northern entrance to the estate.

(7) Whetstone Stray.

(i) That the Committee should consider the practicability of arranging for bollocks to grass in this open space;

(ii) that if the foregoing suggestion is practicable, the path along the railway be fenced off from the field.

(8) Swan Lane.

(i) that the Surveyor should be instructed to arrange for cutting and scything of the grass etc.;

(ii) that trees should be planted around the ornamental pond, and that a number of seats should be provided.

(9) Glebe Land.

That a suggestion should be made to the Allotments Committee that an opening be made in the eastern fence of the Rugby ground; that the adjacent allotments be abolished, and that the holders be offered plots on the spare parcel of ground between the Housing Scheme site and the sports ground.

E.H. LISTER,

Clerk of the Council.

This is the list referred to in paragraph 718 of the Town Planning and Open Spaces Committee's report of the 1st September 1930.

Vyvyan Adams

720 **Land—Long Lane.**—The Surveyor reported upon an interview which he had had with the owner of a piece of land having a frontage of 140 feet to Long Lane, opposite Long Lane School.

The Committee were of opinion that if possible such land should be acquired, but that the question of the purchase of the cottage standing thereon should be referred to the Public Health Committee;

RECOMMENDED that the District Valuer be asked for his valuation in regard to the land in question and that the Surveyor report thereon at a later date.

721 **Gate—Adjoining the Brookside Walk, Near Broughton Avenue.**—A communication, dated 18th July, 1930, was submitted from Miss A. G. Blareau, expressing regret that a gateway communicating with the Brookside Walk had been constructed at the rear of her premises without the consent of the Council, and asking the terms on which the Council would be prepared to allow the said gateway to remain;

RECOMMENDED that permission be given in respect of the facility in question, subject to an agreement being entered into by Miss Blareau providing for the payment of the sum of 5s. 0d. per annum.

722 **Proposed Telegraph Pole—Glebe Land.**—An application was submitted from the Post Office Engineering Department for permission to erect a pole on the Glebe Land, opposite Sandringham Gardens, for the purpose of providing telephone facilities for the Finchley Football Club;

RECOMMENDED that the application be acceded to.

723 **Land Adjoining St. Andrew's, Woodside Avenue.**—A communication and plan were submitted from Messrs. Makins and Badcock showing proposed development of land adjoining St. Andrew's, Woodside Avenue;

RECOMMENDED that Messrs. Makins & Badcock be informed that the Council will raise no objection to the proposed development of the land in question, subject to the deposit of complete plans and to the back elevations being approved by the Committee.

724 **Putting Green—Cherry Tree Wood.**—A letter was submitted, dated 12th June, 1930, from Mr. D. R. P. Griffiths, suggesting that the putting green at Cherry Tree Wood should be opened for Sunday play;

RECOMMENDED that Mr. Griffiths be informed that the Council are unable to adopt his suggestion.

725 **Brook Farm—Football Pitches.**—The Surveyor presented a communication which he had received from the St. John's Old Boys' Football Club hereon;

RECOMMENDED that football pitches Nos. 4 and 8 at Brook Farm be allocated to the Club, at a rental of £10 15s. 0d. for the season.

726 **Instructions.—**

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction Books, be approved.

FINCHLEY URBAN DISTRICT COUNCIL.

PUBLIC HEALTH COMMITTEE - 2ND. SEPTEMBER, 1930.

SANITARY INSPECTOR'S REPORT.

3, The Hawthorns,
Regents Park Road,
N.3.

29th August, 1930.

To the Chairman and Members of the
Public Health Committee.

(1) HOUSES WITHOUT PROPER DUSTBINS (Sec.22 F.U.D.C.Act,1908)

16, Leopold Road, N.2.
16, Dollis Road, N.3.
462, Long Lane, N.2.

The above houses are not provided with proper dustbins and I suggest that notices be served upon the respective owners requiring them to provide at each house a strong galvanised iron dustbin with a suitable cover.

(2) EXAMINATION OF DRAINS (Sec.41 of the P.H.A.1875 and the Acts amending the same.)

Nos. 5, 6, 7 & 8, Portland Terrace, Rasper Road, N.20.

I have to report that I have reason to suspect that the drains on or belonging to the above-named premises are a nuisance or injurious to health.

A portion of the drain at the rear of No.8, Portland Terrace, Rasper Road, Has been exposed by the Owner's builder and found to be in a very defective condition.

I suggest that authority be given to me to enter the said premises, open up the ground and examine the said drains.

(3) 5 to 10, NORTH TERRACE, SWAN LANE, N.20.

A letter dated the 11th July, 1930, (which will be submitted at your meeting) has been received from Mr. W. Jelks, the owner of the above houses, in which he refers to an inspection of the property and asks to be informed as to the number of persons occupying the said houses.

I shall be glad to receive the instructions of your Committee in this matter.

(4) INSPECTION OF PLACES OF PUBLIC ENTERTAINMENT.

In accordance with the suggestion of the Minister of Health I have to report that the places of public entertainment in the district have been inspected, and, as a result, the following defects were discovered:-

WESLEYAN HALL, HIGH ROAD, N.2.

Defective arm joints to w.c. basins.
Defective sparge pipe to urinal.

GRAND HALL CINEMA, HIGH ROAD, N.12.

Blocked drain to one w.c.

FINCHLEY DANCE HALL, HIGH ROAD, N.12.

Defective arm joint to w.c. in men's convenience.

The above-mentioned defects have been remedied and the result of the inspection has been communicated to the Middlesex County Council.

(5) SANITARY CONVENIENCES - COLLEGE FARM, N.3. (Factory & Workshop Act, 1901, Sec.22 of the P.H.A.A.A.1890)

A notice has been received from H.M. Inspector of Factories to the effect that there are only two sanitary conveniences provided at the above premises for 93 men.

I have made enquiries and I find that the numbers of male workers employed at College Farm are as follows:-

15 Roundsmen.
27 Transport Workers.
43 (Day) Dairy Workers.
7 (Night) Dairy Workers, and
4 Farm Hands.

The sanitary conveniences provided for the use of the above male workers comprise 2 waterclosets and 1 urinal.

The Express Dairy Company state in a letter dated the 9th July, 1930, that they are shortly removing the whole of the dairy operations to their new premises at Cricklewood and that this removal should take place towards the end of September next when the number of staff left at Finchley will be well within the number allowed for the present lavatory accommodation.

In the above circumstances, I suggest that the further consideration of this matter be deferred until your October meeting.

(6) BYELAWS - HOUSES LET IN LODGINGS - REGISTRATION.

I suggest that notices be served upon the occupiers of the undermentioned premises requiring them to furnish to the Council, for the purpose of registration, the particulars set forth in Clause 7 of the Byelaws with respect to houses intended or used for occupation by the working classes and let in lodgings or occupied by members of more than one family.

25, Gruneisen Road, N.3.
10, Hutton Grove, N.12.
8, Hutton Grove, N.12.
10, North Terrace, Swan Lane, N.20.
5, Melita Villas, Ballards Lane, N.3.

(7) BYELAWS - HOUSES LET IN LODGINGS - REGISTRATION.

I have to report that the occupiers of the undermentioned premises have furnished particulars as required by the Council for the purpose of registration in accordance with the provisions of clause 7 of the byelaws with respect to houses intended or used for occupation by the working classes and let in lodgings or occupied by members of more than one family:-

reference to the question of a contribution by the Council towards the cost of a proposed publicity scheme in connection with the Public Cleansing Service to be organised by the Institute of Public Cleansing, that the Minister was in communication with the Institute on the subject, and that a reply would be sent to the Council as soon as practicable.

738 **Trade Refuse—Removal of.**—The Committee considered correspondence which had taken place with Mr. P. Lonsdale and Messrs. Joyce & Co., relative to the question of the charges in respect of the above;

RECOMMENDED that a reply be forwarded in each case to the effect that the whole matter was very seriously and carefully considered by the Council at the inauguration of the new system; that the revised charges have only been in operation for approximately three months and therefore the Council cannot see their way to consider any variation thereof at the present time; further that it be pointed out that there is a legal obligation on the Council to make a reasonable charge for the removal of this class of refuse.

739 **Cancer.**—A circular letter, dated 31st July, 1930, received from the Ministry of Health in regard to the above was submitted.

740 **Middlesex County Council Act, 1898—Pollution of Streams—Finchley Sewage Works (Strawberry Vale Brook).**—A letter, dated 3rd June, 1930, from the Clerk of the Middlesex County Council hereon was submitted.

741 **Bye-Laws—Flues for Gas Fires.**—The Clerk reported hereon;

RECOMMENDED that a Bye-Law in the following form be transmitted by the Clerk to the Ministry of Health for their preliminary approval:—

> "Every person who shall erect a new domestic building and shall, for the purpose of heating any habitable room therein, provide a gas fire or other similar apparatus shall, for the purpose of securing the ventilation of such room construct an adequate

flue in connexion with such gas fire or apparatus to discharge above the roof by means of a chimney or other suitable outlet."

742 Maternity and Child Welfare Centre—Bourchier House.

(*a*) The Medical Officer of Health submitted a schedule of repairs required to be carried out at above;

RECOMMENDED—

(1) that so soon as the purchase of the property has been completed, the Surveyor be authorised to proceed with the carrying out of the under-mentioned works, namely:

	£	s.	d.
External painting, including out-buildings and Caretakers' quarters ...	79	16	8
New storage tanks, etc. ...	56	0	0
	£135	16	8

(2) that the matter be referred to the Finance Committee with a view to their making the necessary financial arrangements; and

(3) that provision be made in the next year's estimates for the carrying out of the other necessary works.

(*b*) The Clerk reported as follows:—

"Following upon the instructions of the Council at their last Meeting, when the question of the indemnity herein was left to the Chairman of the Committee and the Clerk to deal with, subject to report, a clause has now been agreed with the Vendors to the effect that the Vendors will indemnify the Council against any private street works charges that may become due or payable in respect of the property sold by reason of the initial construction of any road, footway or passage by the Vendors or their successors in title or assigns on their adjoining estate, but nothing therein contained is

to absolve the Council from the liability as frontagers for subsequent costs and charges in respect of the maintenance and upkeep of any such road, footway or passage."

(c) The Clerk reported receipt of a letter from Mr. Fouracre, the Scoutmaster of the 81st North London Group of the Boy Scouts' Association, stating that the Solicitors to the Bourchier House Estate were making a recommendation to the Trustees that the Scouts might remain in their present headquarters, subject to their entering into an agreement to vacate at three months' notice if required, and asking that the Scouts might continue to have their electric current for lighting as hitherto. The Clerk further reported that he had been informed by the Electrical Engineer that at present the Council were responsible for the whole of the supply and that the electricity consumed at the Scouts' headquarters was registered on a sub-meter and that particulars of the consumption recorded by this meter were forwarded each quarter, along with the account for the whole of the installation, to enable the Council to recover from the Boy Scouts' Association payment for current consumed by them.

It was decided to refer the matter to the Electricity Committee for consideration with an intimation that, so far as this Committee were concerned, they saw no objection to a continuance of the present arrangement;

RECOMMENDED that the action taken be approved.

(*d*) The Clerk reported that the Secretary of the Education Committee had forwarded to him copy of a letter received from the Medical Branch of the Board of Education, who had stated that in considering the proposals of this Council for meeting the cost of the purchase of Bourchier House, the Board had been in consultation with the Ministry of Health, who had suggested that it would be more convenient, in the circumstances, that the Council in their capacity of Public Health Authority (Maternity and Child Welfare) should acquire the property and meet the cost of the purchase, an appropriate adjustment being made in the accounts of the Authority in respect of the use of the premises for School Medical Service purposes;

RECOMMENDED that the Council proceed as suggested and that the matter be referred to the Finance Committee to deal with.

743 **Proposed Open Air Swimming Bath—Glebe Land—Loan, £19,650.**—It was reported that a Public Inquiry by the Ministry of Health into the Council's application for sanction to the above-mentioned loan would be held at the Council Offices on the 10th September, 1930, at 11 a.m.

744 **Cedar Court, Ltd. and Land Fronting Nether Street.**—The Clerk reported that in connection with the agreement to be entered into between Cedar Court, Ltd. and the Council, under which the Company were giving to the Council support on their land for the reconstructed portion of Nether Street, he had received a letter from the Solicitors for the Company asking that the Council should extend the release of their easement from the well on the Cedar Court land at the point marked " C " on the plan submitted to the point marked " B " on the plan, or if the Council were unable to agree to release the easement as far as the point marked " B " then as far as the point marked " A "; further that he had been informed by the Surveyor that he did not think there was any objection to the Council releasing any easement they might have from the point " C " to the point " A " on the plan on condition that the Council were protected against any claims should any properties be affected by the doing away with the drain between " C " and " A ";

RECOMMENDED that the Clerk be authorised to deal with the matter on the lines indicated by the Surveyor.

745 **Inter-District Drainage — Agreements.**—Referring to Minute No. 517 (c) the Clerk reported fully on the matter;

RECOMMENDED that so far as this Committee are concerned, notwithstanding anything contained in the Agreements with the Friern Barnet Urban District Council, dated the 10th November, 1913 (as extended by the Agreement of 4th July, 1924), the 6th July, 1926, the 4th December, 1925, the 6th March, 1925, and the 21st July, 1924, with a view to uniformity and subject to the approval of the Minister of Health, the basis of charge be as from the 1st April, 1929, on the rateable values of the properties affected according to the Valuation Lists in force from time to time.

746 **Land in Long Lane.**—It was reported that the Town Planning and Open Spaces Committee at their last meeting had considered the question of the acquisition of certain land in Long Lane, opposite to Long Lane School and having a frontage of 140 feet; that a cottage at present stood upon the land and that it had been agreed that the matter should be brought before this Committee with a view to the purchase of such cottage if thought desirable.

The Committee decided not to acquire the Cottage and referred the question to the General Purposes Committee and also to the Education Committee for consideration.

747 **Lighting—Telephone Kiosks—Tally Ho! Corner.**—Referring to Minute No. 508 a communication, dated 29th August, 1930, was submitted from the Post Office Authorities asking for the reasons stated therein that the Council would regard the rental of one shilling per annum, which the Post Office had already agreed to pay as the wayleave for the telephone kiosk, as being an acknowledgment in respect of both the kiosk and of the electric lighting thereof and that a suitable endorsement to this effect be included in the agreement which had already been entered into with the Council;

RECOMMENDED that this be agreed subject to the Clerk taking the necessary steps to protect the position in the event of the re-siting of the Convenience.

748 **Post Office Telegraph Poles.**—The Surveyor reported receipt of an application, dated 5th July, 1930, from the Post Office Engineering Department for permission to place two poles on the Council's land near to the mortuary, for the purpose of providing telephonic facilities for Messrs. B. Cant & Co. (tenants of the Council);

RECOMMENDED that such application be granted but that, at the same time, the Post Office Authorities be notified of the conditions of Messrs. Cant & Co.'s tenancy.

749 **Public Baths.**—

(*a*) Statement.—Statement (circulated) was submitted showing the number of bathers and receipts for the eight weeks ended 24th August, 1930.

(*b*) Finchley Swimming Club Gala.—The Surveyor reported receipt of a communication, dated 25th August, 1930, from the Secretary of the Finchley Swimming Club asking that on the occasion of the Club's gala on Thursday, the 25th September, 1930, they might be allowed to have the full use of the ladies' and gentlemen's slipper baths, from 7 p.m.;

RECOMMENDED that this be agreed subject to their undertaking to pay a sum of 5s. 0d. therefor.

(*c*) Closing of for Winter Season.—

RECOMMENDED—

(1) that the Swimming Bath be closed for the Winter Season on the evening of Wednesday, the 29th October, 1930;

(2) that the Slipper Baths be kept open during the Winter Season on Thursdays, Fridays and Saturdays, from 1 p.m. to 8 p.m.;

(3) that the Surveyor make the necessary staff arrangements.

750 **Sewage Analyses.**—It was reported that samples of effluent were taken by the Middlesex County Council from the high and low level works on the 31st July, 1930, and the analyses figures of the check samples were submitted.

751 **Extension of Refuse Destructor.**—The Surveyor reported hereon and intimated that the cost of the proposed works was £2,000;

RECOMMENDED—

(*a*) that such estimate be approved;

(*b*) that the Surveyor be directed to place before the Council at next meeting the plans of the works with a view to their being formally approved;

(*c*) that the matter be referred to the Finance Committee with a view to application being made to the Ministry of Health for sanction to the necessary loan;

HIGHWAYS (WORKS) SUB-COMMITTEE'S REPORT.

9th August, 1930.

Present: Councillor Bennett (Chairman) and Councillors Brown, C.S.Syrett and Wells.

1.- HIGHWAYS - TREES.-

RECOMMENDED -

(a) that the question of the planting of trees in High Road, North Finchley, be considered at the next Outdoor Meeting of the Sub-Committee;

(b) that the tree outside "Fairfield," Cyprus Gardens, be removed, and that at a later date a smaller tree be planted in place thereof;

(c) that the tree in front of the houses at present in course of erection by Mr. William Hollis on the north side of Station Road be lopped in the manner indicated to the Surveyor at the Meeting;

(d) that the whole of the trees in Long Lane between Church Lane and the Dick Turpin Public House be trimmed;

(e) that the tree in Summers Lane at the western side of Ingleway be cut down and allowed to remain on the ground, and also that the dead wood from the trees on the eastern side be removed;

(f) that no action be taken at present with regard to the tree at Tally Ho! Corner but that the matter be left in abeyance until the further widening works are carried out;

(g) that the tree at the eastern corner of Woodside Avenue at its junction with Woodside Park Road be trimmed, in order that the light from the lamp may not be obscured thereby;

(h) that the tree between Nos. 37 & 35 Claverley Grove be lopped;

(i) that the tree in front of No.29 Dollis Road be lopped under supervision;

(j) that the trees in Wentworth Park be staked where required.

2.- CENTRAL FIRE STATION - HENDON LANE.-

The Sub-Committee inspected the Central Fire Station. They also examined the linoleum recently laid in the Recreation Room and the Chief Officer of the Brigade was instructed to take up with the Suppliers of such linoleum the question of the relaying of a portion thereof.

3.- CENTRAL DEPÔT - SQUIRES LANE.-

The above was inspected by the Sub-Committee.

4.- LAND - CORNER OF MANOR VIEW, SQUIRES LANE, AND EAST END ROAD.

RECOMMENDED that the iron railing at the above point be taken down and re-erected obliquely at the junction of the two roads; that a bay, of a size sufficient to allow for the placing of two seats therein, be made in the railing fronting East End Road, and that the existing gate be placed in the centre of the bay.

5.- HIGHWAYS - SEATS.-

RECOMMENDED that seats be placed in the undermentioned positions:-

(a) two in the bay of railing in East End Road near to its junction with Manor View, Squires Lane;

(b) one outside "Hilbre," Nether Street (subject to the occupier of the premises raising no objection);

(c) one at entrance to Woodside Club (subject to the owners of the Club premises raising no objection); the post and the chain fence being altered and the ground levelled, as indicated to the Surveyor;

(d) one at the western corner of Woodside Avenue at its junction with Woodside Park Road;

(e) one at the junction of Woodside Lane and the High Road, North Finchley, outside Messrs.Botten & Stewart's premises (as near as possible to the telephone kiosk).

6.- NORTH CIRCULAR ROAD - JUNCTION WITH LONG LANE.-

RECOMMENDED-

(a) that the Surveyor communicate with the County Surveyor suggesting the provision of a motor-warning sign in Long Lane, east of the North Circular Road; and

(b) that, with a view to improving the lighting at this point, the Chief Electrical Engineer be asked for his views as to the desirability of either removing the existing lamp post east of the North Circular Road to a point nearer to the junction with that road, or increasing the power of the existing lamp on the opposite corner.

7.- SUB FIRE STATION - CHAPEL STREET.-

The above was inspected by the Sub-Committee;

RECOMMENDED -

(a) that the Clerk be asked to report as to what is the unexpired term of the lease of the premises; and and
(b) that the Chief Officer report as to the date on which the hose was last tested.

8.- DEPÔT - CHERRY TREE HILL.-

RECOMMENDED that the Surveyor prepare and submit to the full Committee an estimate of the cost of the provision of a new entrance gate to the above Depôt.

9.- PAVING - GREAT NORTH ROAD AT ENTRANCE TO BROMPTON GROVE.-

RECOMMENDED that the Surveyor report as to the cost of sloping the pavement at the above point.

10.-SUGGESTED CUTTING DOWN OF HEDGE - JUNCTION OF INGLEWAY AND SUMMERS LANE.-

The Sub-Committee considered correspondence which had taken place with the Ministry of Transport hereon;

RECOMMENDED that the Surveyor inform the Ministry of Transport that, as in the opinion of the Council, reasonable visibility is not obscured by the bushes in question, they cannot see their way to take action as desired.

11.- KERBING - SUMMERS LANE - BETWEEN THE SEWAGE FARM AND THE MORTUARY.-

RECOMMENDED that the Surveyor be authorised to arrange for the relaying of the existing kerbing in Summers Lane from opposite No.167 to opposite No. 173, but that no concrete foundation be laid thereunder.

12.- DEPÔT - WOODHOUSE ROAD.-

The above was inspected by the Sub-Committee and instructions were given to the Surveyor to see that heaps of road material were not allowed to be too high, the view of the Sub-Committee being that the tendency should be for any such heaps to be spread out.

13.- GARDEN LANDS - WOODGRANGE AVENUE.-

The Sub-Committee inspected the two plots of land in the above road which were purchased by the Council some years ago for purposes of a sewer easement.

14.- DEFECTS IN CARRIAGEWAY BY SWAN & PYRAMIDS PUBLIC HOUSE AND BY CARRIMORE WORKS.-

RECOMMENDED that the Surveyor be asked to attend to the above.

15.- WHETSTONE SUB FIRE STATION.-

The above was inspected by the Sub-Committee and the Chief Officer was instructed to report as to the date on which the hose was last tested.

16.- FOOTPATH OUTSIDE NO. 373 NETHER STREET.-

RECOMMENDED that the Surveyor be asked to prepare an estimate of the cost of carrying out certain temporary works at above.

17.- HIGHWAYS - NETHER STREET - BY BRIMMAUR.-

RECOMMENDED that in connection with the preparation of the next estimates consideration be given to the question of provision being made for the removal of the laurels in the hedge in front of the above premises and for the planting of additional box.

L. W. BENNETT,

Chairman.

This (together with the three preceding pages) is the report of the Highways (Works) Sub-Committee of the 9th August 1930 referred to in paragraph 766 of the Highways and Fire and Water Sub-Committee's report of the 8th September 1930.

Chairman.

HIGHWAYS (WORKS) SUB-COMMITTEE'S REPORT.

29th August, 1930.

Present: Councillor Bennett (Chairman), Councillors Brown, Pulham, C.S. Syrett and Wells.

1.- FIRE STATION.-

(a) Recreation Room - Laying of Linoleum.-

The Chairman reported upon the unsatisfactory manner in which the linoleum in the Recreation Room had been laid, and instructions were given to the Clerk to write to Messrs. Jelks & Sons in regard to the matter.

(b) Second Officer's Quarters.-

Instructions were given to the Chief Officer of the Fire Brigade to obtain quotations from J.R. Freeman & Co.Ltd. and Mr. Robt. Watson for the supply and laying of linoleum for the staircase of the Second Officer's Quarters and also for the supply of blinds for such quarters.

2.- REQUISITIONS.-

The Sub-Committee considered carefully the above;

RECOMMENDED that the lists, as amended and now submitted, be approved.

3.- OLD FIRE HOSE.-

The Chief Officer reported that the Brigade had approximately 4 cwt. of old fire hose for disposal and submitted a price of 18/- per cwt. in respect of the sale thereof. The Surveyor intimated that such hose would probably be of use at the Sewage Disposal Works;

RECOMMENDED that the hose in question be offered to the Public Health Committee at the sum of 18/- per cwt. and that, in the event of their agreement, the necessary financial adjustment be made.

4.- AMBULANCE.-

The Chief Officer reported upon certain damage which had been occasioned to the Council's Ambulance in the North Circular Road and stated that such damage had been repaired and the Ambulance greased, etc. at a cost of £9.18. 6. Instructions were given for the matter to be referred to the Insurance Company;

RECOMMENDED that the action of the Chief Officer be approved.

5.- DRINKING FOUNTAINS.-

The Committee instructed the Surveyor to look into the question of the provision of drinking fountains at Whetstone, Tally Ho! Corner, Church End and East Finchley and to report in due course to the full Committee thereon.

6.- LA DELIVRANCE.-

The Chairman of the Committee reported upon certain proposals in regard to the flood lighting at night time of La Delivrance and intimated that the matter would be brought before the full Committee at a later date. The Sub-Committee were in complete agreement with the views expressed and were prepared to give their support to the proposals in question.

7.- FOOTPATH - GAINSBOROUGH ROAD.-

Attention was drawn to the condition of the footpath abutting on the flank frontage of Marlborough House in Gainsborough Road to the new houses opposite Clarendon House, and the Surveyor was asked to give the matter his attention.

8.- PROVISION OF SEATS.-

It was suggested that seats should be provided in Nether Street (near Lawford's Yard) and at the spinney in Dollis Road, and instructions were given to the Surveyor to include such seats in the list submitted at the last Outdoor Meeting of the Highways (Works) Sub-Committee.

9.- STREET NAME PLATES.-

The Surveyor was instructed to obtain and erect street name plates:-

(1) in Hendon Lane at its junction with Gravel Hill; and

(2) in Hutton Grove at the point where such road joins Leggatt Grove.

10.- CHURCH LANE.-

The Surveyor was instructed to arrange for a portion of the kerb in Church Lane to be relaid and for provision to be made in next year's estimates for the relaying of the kerb in the remaining portion of the thoroughfare.

11.- UNCLASSIFIED ROADS - FOOTWAYS.-

The Chairman of the Sub-Committee reported that, in accordance with the instructions of the Council, he and Councillor Brown had inspected the footways of certain unclassified roads referred to in the Surveyor's requisitions of the 9th July last. Their suggestions were considered by the Sub-Committee, who were of opinion that certain roads should be deleted from Items Nos. 93, 94, 98 and 99 and the Surveyor was instructed accordingly.

L. W. BENNETT,

Chairman.

This (together with the two preceding pages) is the report of the Highways (Works) Sub-Committee of the 29th August 1930 referred to in paragraph 766 of the Highways and Fire and Water Committee's report of the 8th September 1930.

Chairman.

(*c*) one at entrance to Woodside Club (subject to the owners of the Club premises raising no objection); the post and the chain fence being altered and the ground levelled, as indicated to the Surveyor;

(*d*) one at the western corner of Woodside Avenue at its junction with Woodside Park Road;

(*e*) one at the junction of Woodside Lane and the High Road, North Finchley, outside Messrs. Botten & Stewart's premises (as near as possible to the telephone kiosk);

(*f*) one in Nether Street (near to Lawford's Yard);

(*g*) one at the spinney in Dollis Road.

(5) Paving—Great North Road at entrance to Brompton Grove.—

RECOMMENDED that the Surveyor be authorised to arrange for the sloping of the pavement at the above point at an estimated cost of £5.

(6) Suggested Cutting Down of Hedge.—Junction of Ingleway and Summers Lane.—It was reported that the Sub-Committee had considered correspondence which had taken place with the Ministry of Transport hereon;

RECOMMENDED that the Surveyor inform the Ministry that as, in the opinion of the Council, reasonable visibility is not obscured by the bushes in question, they cannot see their way to take action as desired.

(7) Kerbing—Summers Lane—Between the Sewage Farm and the Mortuary.—

RECOMMENDED that the Surveyor be authorised to arrange for the relaying of the existing kerbing in Summers Lane, from opposite No. 167 to opposite No. 173, but that no concrete foundation be laid thereunder.

HIGHWAYS and FIRE & WATER *(continued).*

(8) Footpath outside No. 373, Nether Street.—

RECOMMENDED that the Surveyor be directed to carry out certain temporary works at above, and that the matter be left to the Vice-Chairman of the Committee to deal with, subject to report.

(9) Fire Station—Second Officer's Quarters.—It was reported that quotations had been obtained for the supply and laying of linoleum for the staircase of the Second Officer's Quarters, and also for the supply of blinds for such quarters;

RECOMMENDED that the matter be left to the Chairman of the Committee to deal with, subject to report.

(10) Requisitions.—

RECOMMENDED that the lists of requisitions (circulated) be approved.

(11) Old Fire Hose.—It was reported that the Chief Officer of the Brigade had intimated that there was approximately 4 cwt. of old fire hose for disposal and he submitted a price of 18s. 0d. per cwt. therefor. The Surveyor intimated that such hose probably would be of use at the Sewage Disposal Works;

RECOMMENDED that the hose in question be offered to the Public Health Committee at the sum of 18s. 0d. per cwt. and that, in the event of their agreement, the necessary financial adjustment be made.

(12) Statue La Délivrance—Flood Lighting.—It was reported that this matter had received favourable consideration by the Sub-Committee, and the Chairman reported that the initial cost would amount to a sum of approximately £42, which amount would be provided out of the sum of £1,502 approved by the Council at last meeting in connection with the improved lighting of the main roads;

RECOMMENDED that the carrying out of the work be approved.

PERCIVAL. T. HARRISON.
Engineer and Surveyor.

27th August, 1930.

These (together with the three preceding pages) are the requisitions referred to in paragraph 766 (10) of the Highways and Fire and Water Committee's report of the 8th September 1930.

Chairman.

(13) Street Name Plates.—

RECOMMENDED that the Surveyor be instructed to obtain and erect street name plates as under :—

(*a*) in Hendon Lane at its junction with Gravel Hill; and

(*b*) in Hutton Grove at the point where such road joins Leggatt Grove.

(14) Unclassified Roads—Footways.—It was reported that the Chairman of the Sub-Committee and Councillor Brown had inspected the footways of certain unclassified roads referred to in the Surveyor's requisitions of 9th July last; that their suggestions had been considered by the Sub-Committee, who were of opinion that certain roads should be deleted from items numbered 92, 94, 98, and 99, and that the Surveyor had been instructed accordingly;

RECOMMENDED that the action taken be approved.

(15) Garden Lands—Woodgrange Avenue.—It was reported that the above had been inspected by the Sub-Committee.

767 **Private Street Works—20th Batch.**—The Vice-Chairman of the Committee reported fully as to what transpired at the meeting which he and the Surveyor had had with representatives of the frontage owners in Court House Road and Fursby Avenue, and arising thereout the Clerk submitted letters of indemnity and authority signed by frontagers in those streets as to the making of trial holes therein. A letter, dated 30th August, was submitted from Mr. J. Brazendale, the Honorary Secretary of the St. Margaret's Avenue, Whetstone, Road Charges Protest Committee;

RECOMMENDED—

(*a*) that the Surveyor be authorised to make trial holes in Court House Road and Fursby Avenue; and

(*b*) that the Vice-Chairman of the Committee and the Surveyor interview representatives of the frontagers in St. Margaret's Avenue, and report.

768 **Street Accidents.**—Returns received from the Police Authorities were submitted.

769 **Street Widenings—Hendon Lane—Christ's College.**—The Clerk reported receipt from the County Solicitor of the draft Conveyance herein, and intimated that same was receiving the consideration of the Education Committee. He added that the clause dealing with the widening of Hendon Lane affected this Committee, and instructions were given to him to delete sub-clause (b) in the above clause to the effect that until the land was added to the highway the Council would keep in repair the walls, fences and gates now standing thereon and to vary sub-clause (d) to provide for the erection of an alternative wall and railing, as might be agreed between the Surveyor and the County Architect.

770 **Church End Railway Bridge—Proposed Widening of.**—The Clerk reported that, in accordance with the instructions of the General Purposes Committee, he had communicated with the Clerk of the Middlesex County Council hereon, and he submitted a letter from him, dated 25th July, 1930, stating that he understood from the County Engineer that he had negotiated for some time past with representatives of the Railway Company with regard to the bridge. It was added that it was understood that the Company had a scheme for building shops over the Railway, but that the only progress which had been arrived at during the negotiations was a tentative settlement as to a width of 70 feet, and that it was anticipated that when the Company were ready with their shop building scheme they would put forward proposals for the widening of the bridge, which could be done in conjunction with the construction of a platform for the shops.

771 **Classification of Roads.**—It was reported that a circular letter, dated 31st July, 1930, had been received from the Ministry of Transport hereon and referred to the Surveyor for attention.

772 **Grants from the Road Fund.**—It was reported that a circular letter, dated 5th August, 1930, had been received from the Ministry of Transport hereon and referred to the Surveyor for attention.

773 **Lay-Out and Construction of Roads.**— It was reported that a circular letter, dated 6th August, 1930, had been received from the Ministry of Transport hereon and referred to the Surveyor for attention.

774 **Public Lighting.**—A letter, dated 19th July, 1930, was submitted from the Feltham Urban District Council stating that they considered that the cost of lighting county main roads and main trunk roads should not fall on the Local Authorities but should be borne by either the County Council or the Ministry of Transport; that they had communicated with the Middlesex Borough and District Councils' Association, the Ministry of Transport and their local Member of Parliament on the matter and would be glad if this Council would take similar action;

RECOMMENDED that a reply be forwarded to the Feltham Council to the effect that their views as stated above, are supported by this Council.

775 **"Five Bells" Footpath.**—The Committee considered a communication received from the Secretary of Co-Partnership Tenants, Ltd. in connection with the application to the Justices for the diversion of a part of the above footpath;

RECOMMENDED that the Clerk request the Co-Partnership Tenants, Ltd., to forward a letter of indemnity against all costs, and that the matter be considered further at the Council Meeting.

776 **Street Widenings—Great North Road—Advance Laundries, Ltd.**—The Clerk reported upon the present position of this matter;

RECOMMENDED that the Vendors Solicitors be informed that the Council are prepared to bear their reasonable costs in connection therewith.

777 **Private Streets—Watering—The Bishop's Avenue.**—Referring to Minute No. 344, the Clerk reported that it had subsequently transpired that the Ecclesiastical Commissioners did not wish to enter into the suggested Agreement.

778 **County Roads.**—The Clerk submitted copy of the draft Agreement which the Middlesex County Council were desirous that this Council should enter into in connection with the above, and he reported that same had been placed before the Town Planning and Open Spaces Committee, who had referred it to a Sub-Committee for consideration. The Committee appointed a Sub-Committee,

consisting of the Chairman of the Council, the Vice-Chairman of the Council, the Chairman of the Committee and Councillors Brown and Pulham to collaborate with the Sub-Committee appointed by the Town Planning and Open Spaces Committee on the subject.

779 **Display of Street Names.**—It was reported that a circular letter, dated 20th August, 1930, had been received from the Ministry of Transport hereon and referred to the Surveyor for attention.

780 **Highways—Sight Lines.**—A letter, dated 14th August, 1930, was submitted from the Commissioner of Police stating that he had had under consideration the traffic conditions at the junction of Ballards Lane with Nether Street and Old Nether Street and that of Old Nether Street with the Great North Road, and that he was of opinion that the sight line should be improved at the position marked " A " on the rough sketch enclosed with the letter, and that the corners marked " B," " C," " D," and " E " should also receive attention;

RECOMMENDED that the matter be referred to the Middlesex County Council to deal with.

781 **Inter-District Drainage — Agreements.**—Referring to Minute No. 517 (c) the Clerk reported fully on the matter;

RECOMMENDED that so far as this Committee is concerned, notwithstanding anything contained in the Agreements with the Friern Barnet Urban District Council dated the 10th November, 1913, (as extended by the Agreement of 4th July, 1924), the 6th July, 1926, the 4th December, 1925, the 6th March, 1925, and the 21st July, 1924, with a view to uniformity and subject to the approval of the Minister of Health the basis of charge be as from the 1st April, 1929, on the rateable values of the properties affected according to the Valuation Lists in force from time to time.

782 **Wayleaves.**—The under-mentioned applications from the Post Office Authorities were submitted :—

UNDERGROUND LINES.—

(*a*) South-east side of Grove Avenue, from Nos. 6/8 to Nos. 12/14.

(*b*) Across Beechwood Avenue, from Nos. 33/35 to opposite, thence along the south side to opposite Windermere Avenue, north-west side.

(*c*) Along south-east side of Nether Street, from " Braemar " to outside No. 349.

(*d*) Along north-west side of Dollis Avenue, from outside " Cranleigh " to outside " Waenoyan."

RECOMMENDED that such applications be approved, subject :—

(*a*) to the actual positions of the cables being agreed by the Council's Surveyor ; and

(*b*) to the works being carried out to his satisfaction.

783 **Electric Mains.**—The Surveyor reported receipt of applications from the Electricity Department, together with plans, showing proposed extensions of mains :—

(*a*) on the north side of Woodhouse Road, from Lambert Road to Grove Road ;

(*b*) on the north side of Frederick's Place ;

RECOMMENDED that such applications be granted.

784 **Gas Main.**—The Surveyor reported receipt of an application, dated 14th August, 1930, from the North Middlesex Gas Company, together with plan, showing a proposal to lay a 2in. main on the south side of Nether Street near to Dollis Garage ;

RECOMMENDED that such application be granted.

785 **Proposed Widening — Great North Road between Eton Avenue and Fallow Court Avenue.**—The Surveyor submitted a letter, dated the 25th July, 1930, from Mr. G. Green hereon and reported fully on the present position of the matter so far as the Middlesex County Council were concerned ;

RECOMMENDED that the Surveyor continue his negotiations with the County Council and report further on the matter at the Council Meeting.

786 **S. & D. Freighter, and Pneumatic Pick.—**

RECOMMENDED that advertisements be issued inviting tenders for the supply of the above.

787 **Sewer Connection—Albert Place.**—The Surveyor reported upon a letter, dated 16th July, 1930, received from Messrs. Meaby & Co.;

RECOMMENDED that, in view of the circustances mentioned by the Surveyor, the Council agree to accept the deposits of £26 in full settlement of the account rendered.

788 **Sky Signs.**—The Surveyor submitted an application from Mrs. E. Scarborough for permission to erect a sign at No. 1a, Friern Park;

RECOMMENDED that such application be not approved by the Council.

789 **Private Streets—Sunnyway.**—The Surveyor reported that the above street had been made up to his satisfaction;

RECOMMENDED—

(*a*) that whereas the above-named street within the Council's district, not being at the date hereof a highway repairable by the inhabitants at large, has been sewered, levelled, paved, metalled, flagged, kerbed, channelled, and made good, and provided with proper means for lighting, and the Council being of opinion that the said street ought to become a highway repairable by the inhabitants at large, such street be and the same is hereby, declared to be a highway repairable by the inhabitants at large from the date of the notices hereinafter mentioned;

(*b*) that the Clerk of the Council be, and he is hereby, instructed and authorised to sign and affix the necessary Notices in accordance with the provisions of the Public Health Acts (Amendment) Act, 1890;

(*c*) provided that if within one month after the putting up of such notices, the owners, or a majority in number or value of the owners of the said street shall by

notice in writing object to the same becoming a highway so repairable, the same shall not become a highway so repairable.

790 **Plan No. 7217—New Road to be known as "Ingram Avenue."**—Referring to Minute No. 157, the Surveyor submitted a plan which he had received from Mr. J. C. S. Soutar, showing an amendment to Plan No. 7217, which was approved by the Council in May last;

RECOMMENDED that such amended plan be approved by the Council.

791 **Proposed Road—Rear of Shops and Flats—Great North Road—Plan No. 7181.**—The Surveyor reported that Mr. G. Green, who was erecting a row of shops with flats over in the Great North Road between Fallow Court Avenue and Eton Avenue, proposed to lay out a 14 ft. road at the back of the premises, and that in a letter, dated 25th July, 1930, Mr. Green had asked what construction the Council would require to enable them to take it over upon completion;

RECOMMENDED that the Surveyor be directed to submit to Mr. Green a specification similar to that which was approved by the Council in connection with the making up of Regent Close.

792 **Private Streets — Lighting—Elmhurst Avenue.**—The Surveyor reported upon correspondence which he had had with Mr. G. Herbert with regard to the question of a refund for two lamps provided in Elmhurst Avenue about 18 years ago;

RECOMMMENDED that a sum equivalent to the current value of the two lamps be refunded to Mr. Herbert, such amount to be determined by the Council.

793 **Street Widenings—Regents Park Road.**—The Surveyor presented amended plans and estimates in connection with the above and intimated that the total cost of the works had now been increased from £13,431 to £14,735 in consequence of widening the carriageway to allow for double refuges, in accordance with the wishes of the Ministry of Transport;

RECOMMENDED—

(*a*) that such plans and estimates be approved; and

(*b*) that the matter be referred to the Finance Committee.

794 **Plan No. 7370—New Road and Sewers—Adjoining Essex Park.**—The above plan was submitted;

RECOMMENDED that same be approved so far as this Committee is concerned.

795 **Instructions.—**

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

L. W. BENNETT,

Chairman.

REPORT OF EDUCATION COMMITTEE

held on 8th September, 1930.

Present: Councillor C. S. Syrett (Chairman), Councillors F. J. Grocott, D. A. A. Merry, H. G. Sommerfield; Miss L. Davey and Mrs. A. S. Miall.

796 **Accounts.**—Accounts amounting to £5,330 11s. 5d. have been examined and passed to the Finance Committee for payment.

797 **School Playing Fields.**—

(1) Glebe Land.—

(*a*) A letter, dated 5th August, 1930, has been received from the Board of Education approving the Authority's proposal to use, as a school playing field, part of the Glebe Land formerly occupied by the Finchley Football Club, and sanctioning certain specified expenditure connected therewith;

(*b*) The Secretary to the Finchley Football Club enquires whether the Education Authority will take over the stand, goal posts and the fencing surrounding the football pitch and allow the sum of £15 for the same;

RECOMMENDED that as these fixtures will not be required by the Finchley Schools' Sports Association the Secretary to the Football Club be informed that the Education Authority cannot see their way to accede to this request.

(*c*) The hedge surrounding this playing field needs repairing and new gates are necessary. It is also desirable to improve the level of the ground in a few places and to remove certain erections and old corrugated iron sheeting;

RECOMMENDED that the Education Committee be authorised to effect this work within the sum provided in the Estimate and approved by the Board of Education.

(2) Land Adjoining North Road School.—

(*a*) The Board of Education by letter, dated 23rd August, 1930, approved the purchase of this land and ask for detailed information as to the cost of levelling, fencing, etc.;

RECOMMENDED that the Education Committee be authorised to obtain and open tenders for the reconditioning and fencing of the playing field adjoining the North Road School, and to report to the Council thereon.

798 **Bourchier House.**—

(*a*) School Clinic.—A letter, dated 22nd August, 1930, has been received from the Board of Education relating to the purchase of Bourchier House. The Board suggest that as this property is to be used jointly as a Maternity and Child Welfare Centre and a School Clinic it might be more convenient, in the circumstances, that the Council in their capacity of Public Health Authority should acquire the property and should meet the cost of the purchase; an appropriate adjustment, the Education Committee's proportion being one-third, being made in the accounts of the Authority in respect of the use of the premises for School Medical Service purposes. The Board desire to be informed that the Council will be prepared to proceed as suggested;

RECOMMENDED that the suggestion of the Board of Education be adopted.

(*b*) It is reported that external painting and the provision of new water tanks will be necessary at these premises, the estimated cost thereof being £135 16s. 8d;

RECOMMENDED that, subject to the approval of the Finance Committee, such work be carried out, the Education Committee accepting liability for their usual proportion (namely one-third) of this supplementary expenditure.

799 **Resignations.**—The under-mentioned resignations have been received, viz.:—

(i) Mr. G. W. Burns, assistant master, Long Lane School, Senior Department, to take effect at the end of September.

(ii) Miss A. C. Foat, assistant mistress, St. Mary's School, Infants' Department, which took effect at the end of August.

Steps are being taken to fill these vacancies.

801 **Student Teacher—Appointment.—**

RECOMMENDED that Miss Ellen R. Smith, pupil of the Finchley County School, be appointed a student teacher at the Long Lane School, Senior Department, during the year commencing 1st August, 1930, under the terms and conditions of the Committee's scale of salaries and subject to the requirements of the Board of Education.

802 **Nursery Classes.**—A letter, dated 17th July, 1930, has been received from the Nursery School Association of Great Britain announcing that it is proposed to organise a one-day conference in London, on Friday, 21st November, to deal with the more important aspects of the work of Nursery Schools. The Association invites delegates from the Education Authority to attend this Conference;

RECOMMENDED that no action be taken in this matter.

803 **Exhibition—Infant Welfare.**—A letter has been received from Mrs. Reeves in regard to an Exhibition relating to Infant Welfare proposed to be held at Arcadia, Church End, from October 7th to October 11th;

RECOMMENDED that permission be given for Senior Girls from the Elementary Schools to attend this Exhibition.

804 **Reports of His Majesty's Inspector.**—Reports of H.M. Inspector have been received in respect of the under-mentioned schools, copies of which have been circulated :—

Holy Trinity School, Infants' Department.
Christ Church School.
Squires Lane School, Mixed Department.
North Road School, Junior Department.

805 **Albert Street School — Heating.**—Acting under the authority given at the last meeting of the Council the Chairman of the Education Committee and the Chairman of the Education Works Sub-Committee considered estimates for the improvement of the heating system at this school, and accepted the quotation of £20 submitted by Messrs. A. Steele & Son, North Finchley. The work was carried out during the vacation;

RECOMMENDED that this action be approved.

806 **Border Child.**—An application has been received from the parent of a child aged 10, whose name appears in the Education Minute Book, residing on the Hampstead border in the Finchley area, to attend the Highgate L.C.C. School;

RECOMMENDED that this application be granted.

807 **Christ's College.**—The draft Conveyance relating to the transfer of this property to the Middlesex County Council has been considered, and certain amendments therein have been suggested for discussion with the County Representative, and references thereon made to the appropriate Committees of the Council.

808 **Appointment of Head Teachers.**—At the July meeting of the Council paragraph No. 566, as under-printed, was referred back to the Education Committee. Your Committee have again considered this question and circulate herewith particulars relating to previous decisions of the Council. Your Committee re-submit the above-mentioned paragraph for adoption by the Council, viz. :—

Annexed

Appointment of Head Teachers in Public Elementary Schools.

At the last (July,1930) meeting of the Council the following paragraph of the Education Committee's report was referred back for further consideration, viz:-

Appointment of Head Teachers - Public Elementary Schools.

The Secretary to the Middlesex Education Committee has submitted a draft of the proposed arrangements relating to the reciprocal agreements between various Education Authorities in Middlesex in connexion with the appointment of Head Teachers in the Public Elementary Schools, and enquires as to the wishes of the Finchley Authority upon the date from which the arrangements shall operate:

RECOMMENDED:

that the arrangements set out in the draft be approved and that this Authority agree to such reciprocal arrangements operating as from the 1st September,1930.

In connexion with this matter the following are extracts from the Minutes of the Council, viz:-

JULY 1929. Extract from report of Education Committee dated 8th July,1929, adopted by the Council on 22nd July,1929.

Vacancies for Headships. The following letter has been received from the Middlesex Education Committee:-

"The Elementary Education Sub-Committee, at their "meeting held on the 11th June,1929, considered the "following resolution from the Ealing Education "Committee:-

"THAT the Middlesex Education Committee be "asked to enter into a reciprocal agreement "with the Ealing Education Committee by which "each Committee shall invite applications for "vacant headships from all the teachers in "the combined areas of the two Authorities, "and also it be suggested to the Middlesex "Education Committee that similar reciprocal "agreements should be concluded between all "Education Authorities in Middlesex.

"The Sub-Committee are in favour of the proposal contained "in the above resolution, and have a similar arrangement "with the Joint Education Committee for Brentford and "Chiswick. Before taking further action, they would be "glad to have the observations of your Committee on the "proposal. I shall be obliged, therefore, if you will be "good enough to bring the matter before your Committee at "an early date and acquaint me with their decision."

RECOMMENDED:

that the Middlesex Education Committee be informed the Finchley Education Authority would be [illegible] such a reciprocal agreement.

MARCH 1930.

Extract from Report of Education Committee dated 10th March, 1930, adopted by the Council 24th March, 1930.

Appointment of Head Teachers:- In July, 1929, the Finchley Education Authority agreed to co-operate with the Middlesex Education Committee in making reciprocal arrangements for the appointment of Head Teachers in public elementary schools.

A letter, dated 18th February, 1930, has been received from the Secretary to the Middlesex Education Committee announcing that, with the exception of two, all the Part III Authorities (Elementary Education) have agreed to enter into such a reciprocal arrangement. It is understood that a further communication has been sent to the two Authorities referred to as it is possible that they may care to reconsider their decisions in the matter.

JUNE 1930.

Extract from Report of Education Committee dated 12th June, 1930, adopted by the Council 23rd June, 1930.

Vacancies for Head Teachers.- A letter dated 22nd May, has been received from the Secretary to the Middlesex Education Committee announcing that all the Education Authorities in Middlesex, with the exception of one, have agreed to enter into a reciprocal arrangement with regard to the appointment of Head Teachers to their elementary schools.

(The Council will remember that in July, 1929, in reply to a preliminary enquiry by the Middlesex Education Authority the Council expressed their willingness to enter into such a reciprocal arrangement.)

RECOMMENDED:

that, notwithstanding the fact that one Authority is not prepared to enter into reciprocal arrangements, this Council confirms their willingness to co-operate with the other Education Authorities in Middlesex in the matter of filling vacancies for Head Teachers.

These (together with the preceding page) are the particulars referred to in paragraph 808 of the Education Committee's report of the 8th September 1930.

VYVYAN WELLS,

Chairman (*pro tempore*).

GENERAL PURPOSES COMMITTEE'S REPORT.

9th September, 1930.

Present: Councillor Merry (Chairman), Councillor Bennett (Vice-Chairman), and Councillors Briant, Pike, Sommerfield, C. S. Syrett, H. O. Syrett, and Wells.

811 **Minutes.**—The Minutes of a Meeting of the Committee held on the 15th July, 1930, were taken as read, confirmed and signed.

812 **Requisitions.**—

RECOMMENDED that the lists of requisitions (circulated) be approved. Approved.

813 **Dangerous Public Performances.**—The Clerk submitted the following extract from the Minutes of a Meeting of the Executive Committee of the Middlesex Borough and District Councils' Association, held on the 14th July, 1930:—

> "A request submitted by Uxbridge that representations be made to the proper quarter that dangerous public performances be not allowed without sufficient safeguards was considered.
>
> The Council drew attention to an exhibition recently given in Uxbridge by a party of motor cyclists on a circular vertical wall subsequently resulting in a fatality to one of the party.
>
> RESOLVED That the attention of the Home Office be directed to the subject of dangerous public performances with the view to Government action being taken to prohibit such performances in the absence of sufficient safeguards.
>
> That the constituent authorities be asked to call the attention of their local Members of Parliament to the subject with the view to action by the latter, if necessary."

He also referred to the reply which the Association had received to the letter which they had addressed to the Home Office;

RECOMMENDED that no action be taken in the matter.

814 **Housing Act, 1930.**—A circular letter, dated 19th August, 1930, was submitted from the Ministry of Health, drawing

attention to the provisions of the above Act, which came into operation on the 16th August, 1930. It was reported that the principal objects of the Act were to simplify the procedure and facilitate the task of clearing away existing slums (Clearance Areas) and to prevent the creation of new slums by stopping the deterioration of other areas (Improvement Areas). A print of Provisional Regulations, dated 19th August, 1930, made by the Minister of Health under Section 57 of the Act was also submitted;

RECOMMENDED that the matter be referred to the Public Health Committee and to the Housing (Special) Committee for consideration.

815 **Travelling Facilities.**—A copy of the Minutes of a Meeting of the North London Travelling Facilities Committee held at the Town Hall, Highgate, on the 26th June, 1930, was submitted.

Chairman.

PERCIVAL T. HARRISON
Engineer and Surveyor.

5th September, 1930.

Clerk's Department be designated as an established post in the Council's Scheme under the above Act; and

(ii) that such post be occupied as from the 1st October, 1930, by Mr. D. S. Blakey.

(2) Vacant Designated Posts.—

RECOMMENDED that the persons named in column 1 of the following statement occupy, as from the 1st October, 1930, the designated posts set opposite to their respective names:—

Name. (1).	Designated Post. (2).	In lieu of. (3).
Miss M. Crossley.	Clerk's Department—Typist.	Miss E. Reynolds.
* Miss I. Nobbs.	Surveyor's Department—Typist.	Miss J. Stein.
C. E. Anderson.	Surveyor's Department—Roller Ganger.	A. H. Hutchings.
* R. Hack.	Surveyor's Department—Labourer.	C. E. Anderson.

* Satisfactory medical certificates were submitted.

818 **Staff.—**

(*a*) Accountant's Department.—It was reported that, owing to depletion of staff in the above Department due to holidays, the Accountant had found it necessary to engage the services of a temporary typist for two weeks at a cost of £3 10s. 0d. a week;

RECOMMENDED that such expenditure be approved.

(*b*) Surveyor's Department — Junior Clerk.—It was reported that a satisfactory medical certificate had been received in respect of Mr. H. Taylor.

(*c*) Clerk's Department—Typist.—A letter, dated 1st September, 1930, was submitted from Miss E. Reynolds giving one month's notice terminating her engagement with the Council, to expire on the 30th September, 1930, owing to her approaching marriage.

(*d*) Absence through illness.—The names of those members of the staff who had, since last Meeting, been absent through illness were submitted, and it was reported that Mr. H. Lawford resumed full time attendance at the Office on the 12th August, 1930.

(*e*) Surveyor's Department—Temporary clerical assistance.—

RECOMMENDED that the Surveyor be authorised to arrange for the continuance of temporary clerical assistance in his Department until the date of the Ordinary Meeting of the Council in October, 1930, at a cost at the rate of £4 10s. 0d. a week.

819 **Public Works Facilities Act, 1930.**—A circular letter, dated 22nd August, 1930, was submitted from the Ministry of Health bringing to the notice of the Council the above. It was reported that the object of the Act was to expedite the provision of work so that as much as possible might be done for the relief of unemployment; that this was effected by the Act principally by three changes:—(*a*) a simpler and speedier method by which powers might be obtained for which Local Acts were now necessary; (*b*) means for acquiring land compulsorily by an Order confirmed by the appropriate Minister; (*c*) similar compulsory power to highway authorities to acquire easements for bridges over or under land vested in statutory undertakers or Local Authorities; further, that the duration of the Act was limited to the 31st December, 1932, unless Parliament otherwise determined.

820 **Workmen's Dwellings.**—Reference was made to a lengthy communication received from the Workmen's Housing Association, Ltd;

RECOMMENDED that same be referred to the Housing (Special) Committee for consideration.

821 **Council Offices—Clocks.**—A letter, dated 5th August, 1930, was submitted from Mr. F. Corbould suggesting a revision of the terms upon which he undertook the winding, etc., of the Council's clocks;

RECOMMENDED that the arrangement mentioned therein be not approved, but that the allowance to Mr. Corbould be increased from £5 to £6 per annum.

822 **Guide.**—A communication was submitted from the Suburban and Provincial Association, who published the Official Guide to Finchley, stating that they were now preparing a detailed street plan in folder form carrying a moveable graduated arrow, the object being that all streets, public buildings, parks, etc., might be immediately found by reference to an index contained on the map, and that, when ready, they would be pleased to send 1,000 copies, and would be glad to hear if the Council would accept them for free circulation;

RECOMMENDED that a reply be forwarded in the affirmative.

823 **Council Offices—Safes.**—It was reported that the safes in the Clerk's Department were full and that it was becoming increasingly difficult to accommodate the Council's deeds. The Clerk was instructed to obtain quotations for the supply of an additional safe and the Committee agreed that the matter should be left in the hands of the Chairman of the Committee to deal with, subject to report;

RECOMMENDED that the action taken be approved.

824 **Avenue House—Use of.**—The Clerk reported that he had now received from the Treasury Solicitor the draft scheme herein amended by the Attorney General's Counsel, and that he had circulated the particular clauses thereof with the above amendments shewn in red. He also reported upon one or two further minor amendments which had been made in the draft; Approved.

RECOMMENDED—

(1) that the draft scheme as so amended be approved by the Council;

(2) that Messrs. Lees & Co. be instructed to issue the necessary summonses in connection with the application to Chambers; and

(3) that the Clerk be instructed to engage Counsel (Mr. H. O. Danckwerts if available) to appear on behalf of this Council.

825 **North Circular Road—Great North Road to Colney Hatch Lane.**—The Clerk reported that he had received the draft Contract herein further slightly amended on behalf of the other parties thereto; further that the Islington Council insisted that the two pieces of land verged with red shown on the plan should be conveyed to this Council, subject to a restriction that no buildings were to be erected thereon without the consent of the St. Pancras Council, and that this Council should covenant with the Islington Council to observe the above restriction and indemnify them in respect thereof;

RECOMMENDED that the above be agreed.

826 **Land—Long Lane.**—The reference from the Public Health Committee hereon was considered and the Clerk reported that the matter had been before the Education Committee who did not desire to submit any proposal for the purchase of the Cottage for educational purposes. If, however, the Council decided to purchase the property, the Education Committee had intimated that they would be prepared to consider utilising the Cottage as a housewifery centre if and when the premises become vacant, subject to the approval of the Board of Education. In these circumstances, it was

RECOMMENDED that the Town Planning and Open Spaces Committee be informed that, in the opinion of this Committee, they might consider the purchase of the Cottage in conjunction with the purchase of the land, with a view to arrangements being made at a later date for the former to be utilised for the purpose suggested by the Education Committee, subject to the necessary financial adjustments being made.

827 **Proposed Open Air Swimming Bath—Glebe Land.**—As a matter of urgency, the Clerk reported hereon, and instructions were given to him, in pursuance of the Agreement dated 17th July,

AVENUE HOUSE.

830 **Minutes.**—The Minutes of last meeting were taken as read, confirmed and signed.

831 **Requisitions.**—

RECOMMENDED that the list of requisitions (circulated), be approved. On record.

832 **Accounts Sub-Committee.**—The Committee received and adopted the report of the above Sub-Committee.

833 **Coal.**—

(*a*) It was reported that the present stock of coal was about 800 tons, as compared with a similar quantity at last meeting;

RECOMMENDED that the purchase of the following "spot lots" at the prices mentioned in the Report of the Chief Electrical Engineer be approved:— See below.

58 tons Bilsthorpe Washed Slack;

12 tons Yard Slack.

(*b*) It was further reported that, in consultation with the Chairman of the Committee, the Chief Electrical Engineer had arranged certain forward deliveries of coal and that the terms agreed would be reported to the Council in Committee.

834 **Boilers and Superheaters.**—It was reported that the Insurance Company had inspected No. 8 boiler and superheater internally and externally with hammer test; that they had drawn attention to certain minor defects but that as this boiler had been thoroughly cleaned and overhauled these minor matters had received attention.

The following are the prices of the coal referred to in paragraph 833 (a) above:-

58 tons Bilsthorpe Washed Slack @ 21/8d. per ton.
12 tons Yard Slack @ 17/- " "

(2) Rectifier Sub-Station Extensions, 1930.—It was reported that the major portions of the rectifier plant, switchgear and other apparatus had now been delivered and erected on site; and that the Chief Electrical Engineer anticipated that the various works would be completed before the end of the present month; further, that the low tension feeder had been laid and would be tested at an early date and would, it was anticipated, be ready for connection in about fourteen days' time.

838 **Council Properties—Proposed Inspection of.**—The Committee made an inspection of the Electricity Works and also of the various sub-stations, and it was decided to make arrangements for the inspection of the other properties under their jurisdiction in due course.

839 **Electricity Charges and Tariffs.**—Print of a Report on uniformity of electricity charges and tariffs by a Committee appointed by the Electricity Commissioners was submitted.

840 **Electricity Undertaking—Mains and Consumers' Services—Loan £18,000.**—It was reported that the formal sanction of the Electricity Commissioners to the borrowing of the abovementioned sum had now been received and that the loan was repayable within a period of 25 years; further, that the sanction had been issued on the understanding that details of the expenditure actually incurred thereunder would be furnished to the Commissioners in due course, and that the amount to be accounted for was £18,828 6s. 7d., *i.e.*, £18,000 now sanctioned and £828 6s. 7d. balance in hand as at 31st March, 1930.

841 **Bulk Supplies.**—A letter, dated 6th August, 1930, was submitted from the Clerk to the London & Home Counties Joint Electricity Authority, stating that the form of Agreement giving effect to these proposals was in course of preparation and would be submitted to the Council for approval in due course.

842 **Incorporated Municipal Electrical Association.**—A circular letter, dated 22nd July, 1930, was submitted from the Secretary of the above drawing attention to the work of the Association

and stating that he would be glad to learn that the Council had decided to become members thereof;

RECOMMENDED that no action be taken in the matter.

843 **Feeder Pillar—24, The Broadway, Church End, Finchley.**—The Clerk reported that the Abbey Road Building Society were now the owners of the above property and that the acknowledgment rental of 2s. 6d. in respect of the feeder pillar had been paid to and accepted by them.

844 **Extension of Main—North Circular Road—E. C. Arden.**—A letter, dated 25th July, 1930, was submitted from Messrs. Peake & Co. stating that the proposed sale was not proceeded with owing to the purchaser requiring certain modifications to which their client could not agree and therefore returning the engrossment of the Agreement with regard to the extension of the main which had been forwarded to them for their client's signature.

845 **Bourchier House.**—The reference from the Public Health Committee with regard to the question of the supply of electricity at the Scouts' Headquarters was considered;

RECOMMENDED that the present arrangement be continued.

846 **Instructions.**—

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

(e) No. 12, Summerlee Avenue and La Rosa, Bow Lane.—It was reported that the Mortgagors in respect of the above-mentioned premises were now deceased, and the matter was left in the hands of the Clerk to deal with.

(f) Transfer of Mortgages.—

(i) Advance No. 307—20, Hayward Road.—

RECOMMENDED that the transfer of the Proprietor's interest in the above-mentioned premises from Mr. C. F. Thomas to Mr. H. C. Blurton be approved, subject to compliance with the statutory conditions.

(ii) Advance No. 500—41, Wentworth Avenue.—

RECOMMENDED that the transfer of the Proprietor's interest in the above-mentioned premises from Mr. R. T. Lewis to Mr. W. L. Beck be approved, subject to compliance with the statutory conditions.

(g) 50, Woodgrange Avenue.—A letter was submitted, dated 19th August, 1930, from Messrs. Chambers, Garnett and Chambers, stating that they noted that only 78 years of the Lease of the above property were to run instead of the 80 years mentioned in the instructions of the Council.

The Clerk reported that in accordance with the authority of the Chairman of the Committee, he had informed Messrs. Chambers, Garnett & Chambers that the Council would have no objection to the period in question;

RECOMMENDED that the action taken be approved.

850 **Ballards Lane—Widening along Frontage to Willow Lodge Estate.**—A letter was submitted, dated 1st August, 1930, from the Middlesex County Council, forwarding copy of the following resolution which was passed by the County Council at their last meeting :—

"That the Resolution adopted by the County Council on the 27th March, 1927, approving of the Finchley Urban District Council carrying out a widening improvement along Ballards Lane, Finchley, by the frontage of Willow Lodge Estate, be amended by the substitution of £822 16s. 5d. for the figure appearing in the Resolution."

851 **Improvement—Great North Road by Chandos Avenue.**—A letter was submitted, dated 1st August, 1930, from the Middlesex County Council, forwarding copy of the following resolution which was passed by the County Council at their last meeting :—

> " That an intimation be given to the Finchley Urban District Council that the County Council will be prepared to allow that Local Authority to charge in their Accounts the legal costs in connection with the widening of the footpath of the Great North Road at the junction of Chandos Avenue, referred to in the Resolution of the County Council of the 26th June, 1930, subject to the Ministry of Transport indicating a Grant of 60 per cent. of the cost involved."

It was also reported that formal intimation of grant had been received from the Ministry of Transport in regard to this matter, and that it appeared therefrom that the Ministry were prepared to make a grant of 60 per cent. of the actual approved expenditure, subject to a payment not exceeding £123.

852 **Street Widening—Nether Street.**—A letter was submitted, dated 1st August, 1930, from the Middlesex County Council, forwarding copy of the following resolution which was passed by the County Council at their last meeting :—

> " That the Resolution adopted by the County Council on the 26th June, 1930, agreeing to allow the Finchley Urban District Council to charge in their accounts such a sum not exceeding £520 representing the cost of widening a section of Nether Street by the London and North-Eastern Railway bridge, be amended to provide for the County Council to meet the legal charges involved in connection with the improvement."

It was also reported that formal intimation of grant had been received from the Ministry of Transport, and that it appeared therefrom that the Ministry were prepared to make a grant of 50 per cent. of the actual approved expenditure, subject to a payment not exceeding £268.

A letter, dated 1st August, 1930, was submitted from Messrs. Meaby & Co., stating that they estimated their costs at the sum of £12;

RECOMMENDED that authority be given for payment of Solicitors' costs at a sum not exceeding £12.

853 **Regents Park Road Widening.—**

(*a*) Junction with Gravel Hill.—It was reported that formal intimation of grant herein had been received from the Ministry of Transport, and that it appeared therefrom that the Ministry were prepared to make a grant of 60 per cent. of the actual approved expenditure, subject to a payment not exceeding £63.

(*b*) Nos. 7—19, Manor Parade.—It was reported that formal intimation of grant herein had been received from the Ministry of Transport, and that it appeared therefrom that the Ministry were prepared to make a grant of 50 per cent. of the actual approved expenditure, subject to a payment not exceeding £132.

854 **Proposed Shops and Garages—East End Road, near East End House.**—A letter was submitted, dated 28th July, 1930, from the Middlesex County Council, forwarding formal intimation of grant received from the Ministry of Transport herein, from which it appeared that the Ministry were prepared to make a grant of 60 per cent. of the actual approved expenditure, subject to a payment not exceeding £74.

855 **Playing Field adjoining North Road School.—**

(*a*) A letter was submitted, dated 20th August, 1930, from the Ministry of Health, stating that the Department proposed to defer consideration of the Council's application herein until the Board or Education had approved so far as their requirements were concerned.

(*b*) **RECOMMENDED--**

(1) that the Accountant be authorised to drawn a banker's draft for £2,000 in respect of the purchase money, and a cheque for £96 1s. 8d. (payable to Messrs. Milles & Co.) in respect of costs, such draft and cheque not to be released until the consents of the appropriate Government Departments have been obtained;

(2) that the Accountant be authorised to draw a cheque for £20 5s. 0d. for stamp duty.

856 **Loans — Electricity Undertakings and Sewerage.**—Letters were submitted, dated 1st and 5th August, 1930, from the Royal London Mutual Insurance Society, Ltd. and the Hearts of Oak Benefit Society, acknowledging receipt of the notice of the Council's intention to repay the outstanding balances on loans Nos. 213, 214 and 215.

857 **County Roads—Year Ending 31st March, 1931.**—A letter was submitted, dated 18th July, 1930, from the Middlesex County Council, forwarding copy of the following resolution which was passed by the County Council at their last meeting :—

> "That intimation be given to the local Authorities concerned that the County Council approves of the estimates submitted in respect of the Maintenance of County Roads for the year ending 31st March, 1931, as set out in the report of the Highways Committee, now presented."

It was intimated that the amount involved in respect of works proposed to be carried out in the Council's area was £13,809; that the approval implied that the Council might also charge in their accounts in respect of plant according to the Ministry of Transport scale, set out in the Circular from that Department No. 258 (Roads), and that the amount referred to related only to the general estimate of works, and that works of a special improvement nature would be dealt with individually.

858 **Plan No. 7332—New Roads and Sewers, etc.—Land between Westbury Road and Chesterfield Road.**—The recommendation of the Town Planning and Open Spaces Committee hereon was reported;

RECOMMENDED that authority be given for payment of legal costs herein not exceeding £10.

859 **Proposed Open Air Swimming Bath—Loan—£19,650.**—The Clerk reported that in accordance with the directions of the Minister of Health an Inquiry had that day been held in reference to the Council's application for sanction to the borrowing of £19,650 with respect to the construction of an open air swimming bath.

FINANCE *(continued).*

860 **Lay-Out of Old Depôt Site, Ballards Lane.**—It was reported that an intimation had been received from the Unemployment Grants Committee to the effect that they were prepared to consider an application by the Council for a grant in aid herein, and that they were of opinion that the works in question would presumably be financed otherwise than by way of loan.

It was further reported that the cost to the Council if the application for a grant were approved would be within the £250 for which provision was made in the estimates, and that the grant would enable the work to be executed at once.

861 **Golf Course—Lewin Trust.—**

RECOMMENDED that the Accountant be authorised to draw a cheque for £12 3s. 1d. due to Messrs. Torr & Co. on behalf of the Lewin Trust, in respect of rent due from Mr. Roberts from midsummer, 1929, to the 17th September, 1929.

862 **Footpath—Creighton Avenue to Durham Road.**—The recommendations of the Town Planning and Open Spaces Committee hereon were considered;

RECOMMENDED—

(1) that no objection be raised thereto on financial grounds;

(2) that the matter be considered further at the meeting of the Council.

In accordance with the wishes of the Chairman of the Town Planning and Open Spaces Committee, the Committee considered the financial aspect of the proposal herein, and the Chairman was informed that, subject to the matter being considered further at the Council meeting, the Committee would be prepared to support tentatively an expenditure of a sum not exceeding £500.

863 **Audit of Accounts.**—This matter was further considered by the Committee, and it was decided to ask the Chief Officers to confer and to submit any suggestions they desired to make at a meeting of the Sub-Committee to be convened in due course.

864 **Maternity and Child Welfare Centre—Bourchier House.**

(*a*) The recommendations of the Public Health Committee hereon were considered.

	£135	16	8

(*b*) The reference from the Public Health Committee relative to the adjustment of the loan herein was considered;

RECOMMENDED—

(1) that Minute No. 687 (e) passed by the Council at their meeting held on the 28th July, 1930, be rescinded;

(2) that the Ministry of Health be notified of the action proposed to be taken;

(3) that the Accountant arrange for the necessary adjustment to be made in the Council's accounts.

(*c*) The Clerk reported that in connection with the Requisitions on Title herein, he had been informed by the Solicitors to the Vendors that this property was insured with other properties, and they suggested that the Council had better effect their own insurance in regard thereto.

The Accountant was instructed to insure the property forthwith in a sum of £4,000;

RECOMMENDED that the action of the Committee be approved.

865 **Extension of Refuse Destructor.**—The recommendations of the Public Health Committee hereon were considered.

The Committee were of opinion that if practicable application should be made to the Unemployment Grants Committee for a grant in aid of the proposed works;

Urban District of Finchley.

MONDAY, 22nd September, 1930.

AT AN ORDINARY MEETING of the Council, held at the Council Offices, Church End, Finchley, on MONDAY, the 22nd day of September, 1930.

PRESENT:

The Chairman (Councillor Vyvyan Wells) in the Chair.

Councillors—

Bennett, L. W.	Pocock, S. J.
Briant, A. J.	Pulham, S.
Brown, C. W.	Ryan, C. G.
Grocott, F. J.	Sommerfield, H. G.
Langlands, W. C.	Syrett, H. O.
Pateman, G. H.	Timberlake, E. V. (Mrs.).
Pike, A. T.	

899 **Minutes.**—The Minutes of an Extraordinary and of an Ordinary Meeting of the Council held on the 28th July, 1930, were taken as read, confirmed and signed.

900 **Apologies for Absence.**—It was reported that Councillors Merry and C. S. Syrett had expressed regret at their inability to be present at the Meeting.

901 **Tenders.**—

(*a*) Pneumatic Pick;

(*b*) Motor Vehicle;

(*c*) Canvas Screening—Glebe Land;

(*d*) Improvement Works — Junction of Gravel Hill and Regents Park Road;

RESOLVED that the tenders received in respect of the above be opened, checked and considered by the Council in Committee.

902 **Reports of Committees.—**

RESOLVED that the reports of the under-mentioned Committees be received and adopted :—

(*a*) **Allotments** of the 5th and of the 13th August, 1930.

(*b*) **Town Planning and Open Spaces** of the 20th and of the 25th August, 1930.

(*c*) **Town Planning and Open Spaces** of the 1st September, 1930, with the exception of paragraph 723 (Land adjoining St. Andrew's, Woodside Avenue), which be withdrawn, and paragraph 712 (a) (Lovers' Walk—Back Entrance Gates), which be referred to the Council in Committee for consideration.

(Councillor H. O. Syrett voting against paragraph 711 (Footpath—Creighton Avenue to Durham Road).

Arising out of paragraph 708 (Proposed Bridge—Woodside Park Estate), after discussion it was

RESOLVED that the recommendation of the Committee be not adopted, but that the Clerk be instructed to make representations to the Hendon Council, in conjunction with the Chairman of the Town Planning and Open Spaces Committee, with a view to the possible acquisition jointly by Finchley and Hendon of the land in question.

(*d*) **Public Health** of the 31st July, 1930.

(*e*) **Public Health** of the 2nd September, 1930, with the exception of paragraph 742 (a) (Maternity and Child Welfare Centre—Bourchier House), which be referred to the Council in Committee for consideration.

Arising out of paragraph 741 (Bye-laws—Flues for Gas Fires), it was

RESOLVED that the consideration of the recommendation of the Committee be adjourned and that the Clerk be instructed to take up the

matter with the Ministry of Health with a view of ascertaining whether it would be possible for the proposed Byelaw to cover existing as well as new buildings, and report.

Arising out of paragraph 751 (Extension of Refuse Destructor) the Surveyor submitted the plans of the proposed works and it was

RESOLVED that same be approved.

Arising out of paragraph 756 (Proposed Public Convenience—Church End) the Clerk reported that the Railway Company had intimated to him that the draft lease was in course of preparation and would be forwarded to the Council for approval very shortly. He also submitted a letter, dated 13th September, 1930, from the Surveyor giving particulars of the estimated annual receipts and expenditure in connection with the Convenience;

RESOLVED that the plans of the building be considered by the Council in Committee.

(*f*) **Highways and Fire and Water** of the 8th September, 1930, with the exception of paragraph 766 (4) (f) (Highways (Works) Sub-Committee—Highways—Seats), which be referred to the Committee for further consideration.

Arising out of paragraph 775 (" Five Bells " Footpath), the Clerk reported that Co-Partnership Tenants, Ltd., had undertaken to pay all proper costs and charges incurred by the Council in connection with or arising out of the necessary applications for the diversion of the footpath; in these circumstances, it was

RESOLVED that the Council consent to such diversion.

Arising out of paragraph 785 (Proposed Widening —Great North Road between Eton Avenue and Fallow Court Avenue) the Chairman of the Committee reported that the Surveyor had continued his negotiations with the County Council and that they had now signified their approval to the carrying out of the work; in these circumstances, it was

RESOLVED, subject to the County Council's confirmation of the Scheme by resolution :—

(1) that the offer of Mr. Green be accepted and that the Clerk take the necessary steps in connection with the conveyance to the Council of the strip of land in question; and

(2) that, on completion of such conveyance, the Surveyor be authorised to carry out the work at an estimated cost of £300.

Arising out of paragraph 792 (Private Streets—Lighting—Elmhurst Avenue) it was

RESOLVED that the sum of £17 10s. 0d. be refunded to Mr. Herbert for the two lamps in question.

(*g*) **Education** of the 8th September, 1930, with the exception of paragraph 804 (Reports of His Majesty's Inspector) which be referred to the Council in Committee for consideration.

Arising out of paragraph 808 (Appointment of Head Teachers) an amendment was proposed by Councillor Bennett and seconded by Councillor Pateman :—" that the matter be referred to the Committee for further consideration."

On being put the amendment was carried.

(*h*) **General Purposes** of the 16th August, 1930.

(*i*) **General Purposes** of the 9th September, 1930.

(*j*) **Electricity** of the 10th September, 1930.

(*k*) **Finance** of the 10th September, 1930, with the exception of paragraphs 849 (d) (Small Dwellings Acquisition Acts —Arrears of Instalments) and 865 (Extension of Refuse Destructor), which be referred to the Council in Committee for consideration.

903 **Victoria Recreation Ground.**—Arising out of paragraph 479 (c) of the Town Planning and Open Spaces Committee's Re-

port of the 7th July, 1930, it was stated that Councillor C. S. Syrett had reported at the meeting of the said Committee held on the 1st September, 1930, that he had made some further investigations with regard to the terms upon which the Recreation Ground had been acquired by the Council; that he had been informed by members of the old Recreation Ground Committee that the main entrance gates to the Recreation Ground had been provided free by Mr. Crisp; that in addition the fencing on the Ballards Lane frontage had been provided free by Mr. Rowsell and that Mr. Tubbs had given a considerable number of shrubs and trees for the layout of the Ground; further that he had been informed by the Accountant that in addition to the £4,008 10s. 0d. (the balance of the cost of acquisition and laying out contributed by this Council) a further sum of £1,433 had been expended by the Council in respect of private street works in Seymour Road, Etchingham Park Road and Park View Road in accordance with the terms of the conveyance of the land to the Council.

904 **Private Street Works—20th Batch—Proposed Loan £27,150.**—It was reported that a Public Inquiry into the Council's application for sanction to the above-mentioned loan would be held on the 23rd instant, at 10.30 a.m.

sidered, and arising out of recommendation (3) the Surveyor reported upon an interview which he had had with the Unemployment Grants Committee;

RECOMMENDED—

(*a*) that, in the circumstances mentioned by him, no further steps be taken with regard to the question of an application to the Unemployment Grants Committee for a grant in aid;

(*b*) that recommendations (1) and (2) be adopted.

916 **Small Dwellings Acquisition Acts—Advance No. 773—No. 8, Totteridge Lane.**—Arising out of the above, a letter, dated 16th September, 1930 was submitted from Messrs. Chambers, Garnett & Chambers;

RECOMMENDED that the Clerk reply to the effect that the Council raise no objection to the underlease having 66 years to run provided Messrs. Chambers, Garnett and Chambers are satisfied that the headlease is in order and that the terms of the underlease are satisfactory.

917 **General Purposes Committee.**—A report of this Committee, dated 9th September, 1930, was submitted and considered; Annexed

RECOMMENDED that such report be received, adopted and entered on the Minutes of the Council.

Arising out of paragraph (3) (Local Government and Other Officers' Superannuation Act, 1922) the Surveyor reported upon his interview with Mr. W. J. Hall, the Farm Clerk, and also submitted a communication from him expressing appreciation of the manner in which the Council proposed to deal with his case and undertaking to vacate by the 1st November next, the house occupied by him; in these circumstances, it was

RECOMMENDED—

(*a*) that the period of leave of absence granted to Mr. Hall be extended until the 31st October, 1930;

(*b*) that as from the 1st November, 1930, Mr. Hall be granted a superannuation allowance and that such allowance be calculated on a basis of one-sixtieth in

respect of each year of his non-contributing service in accordance with the provisions of Section 16 (1) of the Act, subject to the Medical Officer certifying that Mr. Hall has become incapable of discharging the duties of his office with efficiency by reason of permanent illhealth;

(*c*) that Mr. Hall be offered the tenancy of the dwelling which was reserved at the last meeting of the Council;

(*d*) that the house to be vacated by Mr. Hall be placed at the disposal of the Public Health Committee.

918 **Footpath—Durham Road to Creighton Avenue.**—The following report was submitted :—

"Arising out of the Town Planning and Open Spaces Committee's report of the 1st September, 1930, and of the Finance Committee's report of the 10th September, 1930, an interview took place between the Chairman of the Committee, the Deputy Clerk, the Surveyor and the Legal Assistant, Mr. Cansick and Messrs. Farmer and Garrett (representing Messrs. Clutton) on behalf of the Ecclesiastical Commissioners, on the 16th September.

At such interview an agreement was reached between the parties adopting the proposals contained in Mr. Cansick's letter of the 21st August, 1930, subject to the Committee's modifications (viz.:—that a 10 ft. strip of land be acquired in lieu of a 15 ft. strip and that the Surveyor be instructed to construct a footpath thereon as indicated), and subject also to the following modifications:—

(1) that the Council will erect and maintain a 5 ft. 6 in. fence instead of the 6 ft. fence referred to;

(2) that the compensation payable to Mr. Cansick shall be as follows:—

URBAN DISTRICT OF FINCHLEY.

GENERAL PURPOSES COMMITTEE'S REPORT.

9TH SEPTEMBER, 1930.

PART II.

Present: Councillor Merry (Chairman), Councillor Bennett (Vice-Chairman), and Councillors Briant, Pike, Sommerfield, C.S. Syrett, H.O. Syrett and Wells.

1.- LOCAL GOVERNMENT SUB-COMMITTEE.-

A Report of a Meeting of the above Sub-Committee, held on the 4th September, 1930, as under-printed, was submitted and considered:-

Present.- Councillors Briant, Pike, H. O. Syrett and Wells.

CHAIRMAN.-

Councillor Pike was appointed Chairman of the Sub-Committee.

LOCAL GOVERNMENT ACT, 1929 - FIRST GENERAL REVIEW OF COUNTY DISTRICTS.-

(i) The Chairman outlined the present position of this matter, and same received further and careful consideration by the Sub-Committee. After full discussion it was

RECOMMENDED

(a) that, having regard to the fact that it appeared from discussions which had taken place in the Middlesex County Council and at the Conference which had been held between the County Council and certain Local Authorities that the County Council were of opinion that the new areas should, in future, be larger than had previously been contemplated by this Council, the Friern Barnet Council be invited to appoint representatives to attend a Conference with representatives of this Council to discuss generally the situation;

(b) that, in the event of such invitation not being accepted, or in the absence of any agreed scheme, this Sub-Committee be authorised to prepare for submission to the Middlesex County Council further representations with regard to the amalgamation of the Districts of Finchley and Friern Barnet;

(c) that, with a view to securing a more satisfactory adjustment of boundaries than has already been proposed, it be suggested to the Middlesex County Council that the under-mentioned lands be transferred to Finchley, viz:-

(1) the triangular area of land coloured pink hatched blue on drawing No.7155 lying between Finchley Road and Temple Fortune Lane;

(2) the two somewhat rectangular areas of land coloured pink hatched blue on drawing No.7155 lying between North End Road and the Hampstead Garden Suburb and bounded on the extreme South-east by the boundary of the Metropolitan Borough of Hampstead;

(d) that authority be delegated to this Sub-Committee to take such further action from time to time relative to the whole matter as may be considered necessary or desirable, subject to report;

(e) that the Clerk be instructed to reply, on the lines suggested at the meeting, to letters received from Mrs. K. Biran and Mr. A.C.Wilson respectively, dealing with the question of the suggested transference to Finchley of the portion of the Hampstead Garden Suburb now in the Hendon area.

(ii) A letter dated 25th February, 1930, was submitted from the Clerk of the Hendon Council stating that his Council had given consideration to the proposals relating to the suggested transfer of certain portions of the Urban District, and had resolved that the Middlesex County Council be informed that the Hendon Council were not prepared to agree to the alteration of boundaries of the Hendon Urban District as outlined in the application of the Finchley Council.

A. T. PIKE,

Chairman.

Arising out of recommendation (e), a further communication, dated 8th September, 1930, from Mrs. K. Biran was submitted:-

RECOMMENDED -

(a) that the report be received and adopted by the Council; and

(b) that the further communication from Mrs. K. Biran above-mentioned be referred to the Clerk to deal with.

2.- STAFF - CLERK'S DEPARTMENT.-

RECOMMENDED -

(a) that as from the 1st October, 1930, Mr. D. Blakey, Junior Clerk, be appointed to the position of General Clerk and that his salary be increased by £15 per annum;

(b) that as from the 1st October, 1930, Miss M. Crossley, the Junior Typist, be appointed to the position of Typist and that her salary be increased by £10 per annum;

(c) that the action of the Committee in authorising the Clerk to engage a Junior Typist, at a salary of £80 per annum be approved.

It was reported that the above arrangement would not increase the staff in the Department and would effect a saving of £45 per annum.

3.- LOCAL GOVERNMENT & OTHER OFFICERS' SUPERANNUATION ACT, 1922.-

The Committee considered an oral report made by the Surveyor in connection with Mr. W.J.Hall, the Farm Clerk, together with a suggestion from the Public Health Committee that, in the event of its being decided to superannuate the Farm Clerk, the house at present occupied by him at the Sewage Farm be allocated to the Refuse Destructor Foreman and that the Farm Clerk be allowed to occupy the dwelling which had been reserved at the last Council Meeting. After full discussion, the Surveyor was instructed, in view of Mr. Hall's health, to interview him with regard to the question of his being granted a superannuation allowance on a basis of 60ths and also as to his vacating the house at present occupied by him at the Sewage Farm by the 1st December next, or earlier if possible, and to report further on the matter at the Council Meeting;

This (together with the two preceding pages) is the report of the General Purposes Committee referred to in paragraph 917 of the Council Minutes of the 22nd September 1930.

RECOMMENDED that the action taken be approved.

D. A. A. MERRY,
Chairman.

	£	s.	d.
10 feet of frontage in Creighton Avenue —22 years purchase at 8/- per foot	88	0	0
To extra cost of additional road connection, etc., necessitated by intervening Road	25	0	0
To extra cost of two garages being constructed as singles, and extra depth on side walls flanking new roadway	20	0	0
To Surveyors' fees in connection with the scheme	5	5	0
	£138	5	0

(3) that the compensation payable to the Freeholders shall be 23 years purchase at 8/- per foot frontage = £92 0s. 0d., plus Solicitors' costs and eight guineas to cover Messrs. Clutton's costs and plan work.

Mr. Farmer undertook to obtain the Commissioners' consent to this arrangement."

Arising thereout Councillor Pike made a statement on the matter and intimated that the total expenditure involved would amount to £438, but that this sum did not provide for any works on the proposed footpath. The Surveyor suggested the desirability of placing a strip of paving along the centre of the path and erecting a lamp at the end thereof. He stated also that the total cost (including the work above-mentioned) would not exceed the sum of £500, which the Finance Committee had agreed to support tentatively.

RECOMMENDED—

(*a*) that the arrangements as set out above be approved by the Council;

(*b*) that the Clerk be instructed to take the necessary steps in the matter;

(*c*) that the proposed expenditure of a sum not exceeding £500 be approved and that the amount be defrayed out of revenue.

919 **Small Dwellings Acquisition Acts—No. 12, Summerlee Avenue; " La Rosa," Bow Lane.**—The Clerk reported as follows :

" At the last meeting of the Finance Committee the Accountant reported that he had received notification of the death of two of the Mortgagors under the Small Dwellings Acquisition Acts, and I was instructed to report to the Council on the position.

In the one case, No. 12, Summerlee Avenue, the Mortgagor has died leaving everything to his wife and making her sole executrix. In the other case, " La Rosa " Bow Lane, the Mortgagor has died leaving the property, the subject of the Mortgage, to a son who is resident in Venezuela, and appointing another son the executor. The son in Venezuela is desirous of continuing the Mortgage on the premises and allowing his mother and sister to reside therein.

The property in each case, therefore, devolves in the ordinary manner to the beneficiaries, subject to the Mortgages.

As both Mortgages were executed in 1925 the statutory condition as to residence has ceased to apply, but it appears advisable for the assents of the personal representatives to the vesting of the property in the beneficiaries in each case to be produced to the Council for inspection."

920 **Unemployment Works — Sewage Disposal Works Extensions, 1930—Proposed Loan £33,000.**—The following communication, dated 16th September, 1930, was submitted from the Unemployment Grants Committee hereon :—

" With reference to your Authority's application for assistance respecting the above scheme, I am directed by the Unemployment Grants Committee to inform you that, on their recommendation, and subject to the conditions laid down in the leaflet, U.G.C. 26, of which two copies are enclosed, the Minister of Labour has approved it for a grant from Exchequer Funds as follows :—

75% of the interest and sinking fund charges on the loan not exceeding £22,000 raised to meet approved expenditure for the first half (up to 15 years) of the loan period, and 37½% of interest and sinking fund charges for the remainder (up to 15 years) of the loan period.

As an alternative, grant may be paid on the equated basis explained in paragraph 15 of the leaflet. Should your Authority desire to take advantage of this alternative, application should be made in writing to the Committee forthwith.

The Committee gave special consideration to the question of the extent to which the scheme could be regarded as being advanced in point of time, thus providing relief to unemployment which would otherwise not be given. They regret that they are not able to regard the scheme as a whole as being sufficiently accelerated to justify grant in aid of the total expenditure; they are, however, prepared to regard the scheme as qualifying for grant to the extent of two-thirds of the expenditure incurred, on condition that the work is condensed into a period not exceeding ten months, and that an active start is made with the work not later than the 17th November, 1930.

A further communication will be sent to you with regard to the amount and period of the loan to be sanctioned by the Ministry of Health.

The Committee desire to be advised by your Authority of the actual date of commencement of the work. If for any reason work cannot be commenced by due date, *i.e.*, 17th November, 1930, the Committee should be informed at least two weeks before that date, an explanation of the reason being furnished.

In the event of any part of the cost of the scheme being recoverable from other Local Authorities, bodies or persons, or any sums being recoverable by way of offset against the cost of the scheme, the amount of expenditure ranking for grant will be abated to the extent deemed reasonable by the Committee.

An officer of the Local Employment Exchange is being asked to call upon you forthwith, on behalf of the Ministry of Labour to confer with you regarding the recruitment of labour for the scheme."

RECOMMENDED—

(*a*) that the Clerk be instructed to reply to the effect that the terms of grant mentioned in the above communication are acceptable to the Council, subject to tenders satisfactory to the Council being received for the carrying out of the works and that it be pointed out that the Council are not desirous of taking advantage of the alternative method of grant referred to;

(*b*) that advertisements be issued forthwith inviting alternative tenders for the work and that same be opened and considered by a Sub-Committee consist-

ing of the Chairman of the Council, the Chairman of the Public Health Committee and the Chairman of the Finance Committee.

921 **Tenders.**—

(*a*) Pneumatic Pick;

(*b*) Motor Vehicle;

(*c*) Canvas Screening—Glebe Land;

(*d*) Improvement Works — Junction of Gravel Hill and Regents Park Road;

The tenders received in respect of the above were considered;

RECOMMENDED—

(1) that as regards (a) the tender be referred to the Highways and Fire and Water Committee for consideration;

(2) that as regards (b) the tender of Messrs. Shelvoke and Drewry, Ltd., at the sum of £713 be accepted;

(3) that as regards (c) the tenders be referred to the Town Planning and Open Spaces Committee for consideration;

(4) that as regards (d) the tender of Mr. Chas. Carter at the sum of £103 3s. 2d. be accepted;

(5) that the Clerk be instructed to prepare the necessary contracts, which be added to the list of documents for sealing.

922 **Proposed Public Convenience—Church End.**—The Surveyor presented the plans in connection with the above;

RECOMMENDED that same be approved.

923 **Land—Brookside Walk by Totteridge Station.—**

RECOMMENDED that authority be given for payment of the costs of the London & North Eastern Railway Company's Solicitor (not exceeding £3 3s. 0d.) for drafting Statutory Declaration of Mr. A. J. Brickwell in connection with the above.

924 **Revision of Standing Orders Sub-Committee.—**

RECOMMENDED that a meeting of the above Sub-Committee be convened for Monday, the 20th October, 1930, at 8 p.m.

925 **Arden Estate—Brookside Walk.**—The Chairman of the Town Planning and Open Spaces Committee reported hereon and submitted letters, dated 2nd May, and 23rd July, 1930, respectively, received from Messrs. Rawlins, Culver & Co., the Owner's Surveyors;

RECOMMENDED—

(1) that the Surveyor be authorised to make, on behalf of the Council, an offer on the following terms—for 2a. 1r. 2p. of land at the sum of £400 an acre subject to contract and to the sanction of the Minister of Health being received to the necessary loan, viz.:

(*a*) the owner to convey a further 2a. 0r. 19p. of land without payment thereby making a total area to be conveyed to the Council of 4a. 1r. 21p. as shown in pink on drawing No. 7517;

(*b*) the Council to erect at their own cost chain link fencing where indicated by a blue line on the said plan;

(*c*) the Council to pay the owner's agreed Solicitors' and Surveyors' fees;

(2) that application be made to the Ministry of Health for sanction to the borrowing by the Council of the sum of £1,206 made up as follows:—

				£
Purchase of Land		...	...	905
Fencing	...	...	...	292
Loan Charges	...	...	...	9
Total		...	...	£1,206

(3) that application be made to the Middlesex County Council for a contribution towards the cost of the purchase of the land.

926 **Resumption of Council.—**

RESOLVED that the Council do now resume and that the recommendations above set forth be adopted (Councillor H. O. Syrett voting against Minute No. 918).

Chairman.

27th October 1930.

TOWN PLANNING AND OPEN SPACES COMMITTEE'S REPORT.

6th October, 1930.

Present: Councillor Pike (Chairman). Councillors Jones, Langlands, Merry, Pateman, Pulham, Mrs. Timberlake and Wells, and Councillor Ryan (non-member).

927 **Minutes.**—The Minutes of Meetings held on the 20th and 25th August, and 1st September, 1930, were taken as read, confirmed and signed.

928 **Requisitions.**—

RECOMMENDED that the lists of requisitions (circulated), Annexed. be approved.

929 **North Middlesex Joint Town Planning Committee.**—The Clerk reported the receipt from the Hon. Secretary to the above of copy of the Agenda for the meeting of the Joint Committee which was held on the 23rd September, 1930, together with two copies of the report of the Ways and Means Sub-Committee.

930 **Cherry Tree Wood.**—

(*a*) Cycling.—The Clerk reported that the Chairman of the Council had forwarded to him a letter which he had received from Mr. H. Cates, complaining of cycling along the main path through Cherry Tree Wood, and suggesting that the Council should give the matter their attention;

RECOMMENDED that instructions be given to the Surveyor to erect an appropriate notice at each end of the path in question.

(*b*) Rent of Bungalow, etc.—This matter was considered;

RECOMMENDED—

(1) that the rent of the bungalow at Cherry Tree Wood be fixed at the rate of 17s. 0d. a week;

(2) that Mr. Phillips' wages be increased from £2 12s. 6d. to £3 a week as from the date he takes possession of the cottage.

931 **Glebe Land.—**

(*a*) Fire Insurance of Grand Stand.—The question of the insurance of the grand stand on the Glebe Land was considered;

RECOMMENDED—

(1) that the Accountant be instructed to take the necessary steps to effect such insurance;

(2) that the amount of the premium be recovered in equal shares from the two Clubs by whom the grand stand will be used.

(*b*) Covered Accommodation—First Class Association Pitch.—A letter was submitted from the Hon. Secretary of the Finchley Football Club, requesting permission on behalf of the Club to erect a covered shelter opposite the grand stand to accommodate spectators in wet weather.

The Committee decided to make certain suggestions to the Club, and instructed the Surveyor to interview the Hon. Secretary and report further at the meeting of the Council.

(*c*) Leases to Football Clubs.—The question of an adjustment in the rentals paid by the Clubs concerned, pending the completion of the grand stand, was considered;

RECOMMENDED that, pending the completion of the grand stand, the Clubs be charged *pro rata* at the rentals in force last season, viz. :—£68 for the Rugby Club and £51 for the Association Club.

932 **Extension of Metropolitan Electric Tramways Depôt.—** A letter was submitted, dated 8th September, 1930, from Mr. B. J. Berry, stating that he understood that the Metropolitan Electric Tramways, Ltd. proposed to extend the tram depôt at the rear of his property, Nos. 9—23, Rosemont Avenue, and enquiring whether he was entitled to any protection or adequate compensation.

It was reported that plans of the extension in question were submitted to and approved by the Council at their meeting held on the 28th July, 1930, and the letter was accordingly referred to the Clerk to reply.

Chairman.

933 **Lay-Out of Old Depôt Site—Ballards Lane.**—The Clerk reported receipt of a communication from the Unemployment Grants Committee, giving particulars of the terms upon which the Minister of Labour was prepared to approve the above scheme for grant purposes, and intimated that the matter would be reported to the Finance Committee. The Committee decided to inform the Finance Committee that they were of opinion that the terms in question were such as could be accepted, and instructions were given to the Surveyor to proceed with the work forthwith;

RECOMMENDED that the action taken be approved.

934 **Windsor Road Playing Field.**—A communication was submitted from the Reginald Clifford Poulter Open Spaces Trust in regard to the condition of the above open space.

It was reported that instructions had been given by the Committee for the cutting of the grass and for the carrying out of certain other work, and that provision would be made in next year's estimates for the installation of swings for children;

RECOMMENDED that the Trust be informed accordingly.

935 **Advertisement Hoardings.**—Letters were submitted from (a) the Merton and Morden Urban District Council, thanking this Council for the action they are taking in regard to the above; (b) Major The Hon. Edward Cadogan, M.P., stating that he had read with interest the copy of the resolution passed by the Council hereon, and intimating that he would bear it in mind when the Bill came up for discussion in the House of Commons.

936 **Development—Wyatt's Farm and Proposed Brookside Walk.**—The Clerk reported that he had now received the draft Agreement herein, revised by Mr. P. D. Walker's Solicitors;

RECOMMENDED that the same be approved, subject to provision being made therein for the sewer to be completed within ten weeks from the date of Contract.

937 **Nos. 8—20, Manor Cottages, Long Lane—Vacant Land at Rear.**—The reference from the General Purposes Committee at their last meeting was considered;

RECOMMENDED that the land in question be accepted, and that the same be utilised as an open space in conjunction with the triangular piece of land in front of the cottages.

938 **Council Employee—F.C. Norman.**—The reference from the General Purposes Committee at their last meeting was reported, and the further consideration of the matter was deferred to the next meeting.

939 **Land—Long Lane.**—The recommendation of the General Purposes Committee hereon at their last meeting was considered;

RECOMMENDED that the Surveyor be instructed to ask the District Valuer for his valuation of the cottage in conjunction with his valuation of the land.

940 **Petrol Filling Station—Junction of Lyttelton Road and Northway.**—A letter was submitted from Mr. L. de la Garde, enquiring whether the site marked in red on the plan enclosed with his letter was a prohibited area for the erection of a motor service and petrol filling station;

RECOMMENDED that Mr. de la Garde be informed that the site in question is proposed to be a restricted one for the erection of a petrol filling station, and that it be suggested to him that the station should be erected on the opposite side of the road, viz., at the junction of Lyttelton Road and Hill Rise.

941 **Town Planning Scheme No. 1.—**

(*a*) A letter was submitted, dated 4th September, 1930, from the Ministry of Health, forwarding for the consideration of the Council a memorandum of suggestions for the modification of the above Scheme, which the Minister had reviewed in the light of his Inspector's report after the Public Inquiry, and stating that the Minister would be prepared to arrange for Officers of his Department to discuss the matters with representatives of the Council, if the latter so wished.

RECOMMENDED—

(1) that the further consideration of the matter be referred to the Sub-Committee, subject to report;

(2) that authority be given to the Sub-Committee to interview Officers of the Ministry if necessary.

(*b*) Lyttelton Playing Fields.—The Clerk reported that in accordance with the instructions of the Council at their last meeting, he had asked the District Valuer for his valuation in respect of the above, and that letters had been received from him suggesting that a conference of all parties should be held; that he had replied that it was not considered expedient to adopt this course at the present time, and suggesting that it might be desirable for the matter to be discussed by him (the District Valuer) with representatives of the Council.

The Committee appointed a Sub-Committee consisting of the Chairman of the Council, and the Chairman and the Vice-Chairman of the Committee, together with the Officers concerned, to interview the District Valuer in regard to the matter and report.

942 **Town Planning Scheme No. 2.—**

(*a*) Land—The Avenue.—The Chairman of the Committee reported that he had had an interview with Mr. Edmunds in regard to the above on the 4th September, 1930, and the following was the result thereof :—

(*a*) The Chairman agreed on behalf of the Council that the land scheduled as a private open space should now be re-scheduled for the erection of private dwelling houses.

(*b*) Mr. Edmunds intimated that he was prepared to convey to the Council the strip of land included in the Avenue House Grounds, which he contended was in his ownership.

(*c*) Mr. Edmunds desired to remove the entrance gate to The Avenue adjoining the gate of Avenue

House Grounds in order to allow of the access of cars from Regents Park Road.

(*d*) If the foregoing proposals matured, Mr. Edmunds would require a 20 ft. building line for houses fronting The Avenue—or at a minimum, one of 10 ft., to be decided when plans were formally submitted.

A letter was submitted, dated 4th September, 1930, from Mr. Edmunds, confirming the arrangement that if he withdrew his opposition to the Scheme, the Council would withdraw the scheduling of his land in The Avenue as a private open space, and re-schedule it for private dwelling houses;

RECOMMENDED—

(1) that Mr. Edmunds be informed that the Council are prepared to agree to (a) above and to accept a Conveyance of the land referred to in (b) above;

(2) that the matters referred to in (c) and (d) above be discussed further when plans for development are submitted;

(3) that the Town Planning Scheme and Map No. 3 be amended to permit of the development referred to in (a) above.

(*b*) Land at Corner of Great North Road and Chandos Road. —A letter was submitted, dated 24th September, 1930, from Mr. A. R. Upjohn, stating that the Interim Development Order made by the Council in regard to the above did not yet appear to have been incorporated in the Scheme, and suggesting that the better course would be for an agreement to be entered into to provide that the land referred to in the Order should be developed in manner therein stated. The agreement could then be added to the fourth Schedule to the Scheme;

RECOMMENDED that an agreement in regard to the above be entered into with Mr. Upjohn, and that the same be added to the Town Planning Scheme.

TOWN PLANNING & OPEN SPACES *(continued).*

(*c*) Objections.—The Clerk reported the receipt of the following further objections to Town Planning Scheme No. 2 :—

The following reserved their rights to compensation:—

(1) Mrs. E. I. Seager	Nos. 5 & 6, Church Path.
(2) Messrs. Peake & Co., on behalf of Mr. E. C. Arden...	Arden Estate.

RECOMMENDED that the objections be referred to the Sub-Committee to deal with, subject to report.

(*d*) L.N.E.R. Co.—Station Buildings.—A letter was submitted, dated 3rd October, 1930, from the L.N.E.R. Co., stating that they had been in communication with the Council's Surveyor, and had explained the position of matters so far as the alteration to East Finchley Station was concerned, and that they were waiting to hear whether the position of the roadway could be amended so as to keep it clear of the Company's property. So far as the station buildings were concerned, a decision had not yet been reached as to whether it would be necessary to reconstruct the station in the future.

The Surveyor was instructed to prepare a sketch plan showing the amended position of the roadway, and to submit the same at the next meeting of the Committee.

(*e*) Reservation of Land for Allotments.—The Chairman of the Committee reported that he had conferred with the Chairman of the Allotments Committee in regard to the reservation of land for allotments to accommodate the dispossessed holders at Finchley Manor; that they were of opinion, however, that not all the allottees would wish to be accommodated elsewhere, and as they had failed to find any additional land in the vicinity, it appeared that no further action could be taken at the present time.

Instructions were given for the Allotments Committee to be informed accordingly.

943 **Bye Laws—Avenue House Grounds.**—A letter was submitted, dated 30th September, 1930, from the Ministry of Health, stating that the Minister, in the exercise of his Statutory authority, had confirmed the Bye-Laws made by the Council relating to the Avenue House Estate, and had certified accordingly;

RECOMMENDED that the Surveyor be authorised to erect notice boards at the entrances to the grounds of Avenue House and to exhibit copies of the byelaws thereon.

944 **Five Bells Footpath.**—The Clerk reported that in accordance with the instructions of the Council at last meeting, he had communicated with the Ministry of Health in regard to the diversion of the above footpath, and that a letter had been received from the Ministry, stating that the Minister was prepared to include the proposals in the scheme deposited as proposed. to be approved, subject to the consideration of any objections that might be made.

945 **Planting of Trees near Bridge over Brook at bottom of Hendon Avenue.**—In accordance with the suggestion of the Highways (Works) Sub-Committee, the Committee considered the question of the planting of trees on the land adjoining the Brookside Walk, adjacent to the new bridge at the bottom of Hendon Avenue;

RECOMMENDED that the Surveyor be instructed to arrange for the planting of 12 willows on the land in question.

946 **Land—Corner of Bow Lane and the Great North Road.**—A letter was submitted, dated 2nd September, 1930, from Mr. A. Sweeney, asking that the building lines in connection with the above-mentioned land might be defined;

RECOMMENDED that Mr. Sweeney be informed that the Council would agree to a building line of 15 feet in Bow Lane, and that in The Great North Road the building line must conform to the front main wall of the Finchley Dance Hall.

947 **Openings in Fence—Swan Lane Open Space.**—The Surveyor reported that openings had been left in the fence fronting the Woodside Lane entrance to the Swan Lane Open Space.

The matter was left in the hands of the Clerk and the Surveyor to take any necessary action.

948 **Spinney—Dollis Road.**—In accordance with the instructions of the Committee, the Surveyor submitted an estimate amounting to £53 with respect to the construction of a winding path through the spinney in Dollis Road, and for fencing;

RECOMMENDED that, subject to the approval of the Finance Committee, authority be given for the execution of the work at the sum of £53.

949 **Ducks for Pond in Recreation Ground.**—The Surveyor presented a communication which he had received from Miss Freeman, offering to present to the Council two ducks for the pond in the recreation ground;

RECOMMENDED that the ducks be accepted with thanks.

950 **Plan No. 7400—Additions—A.1 Dairies, Ltd.—Premises—Great North Road, Whetstone.**—The Surveyor presented a plan which had been submitted by A.1 Dairies, Ltd. in regard to additions at the Company's premises in the Great North Road, Whetstone.

The matter was left in the hands of the Chairman of the Committee and the Surveyor to report at the meeting of the Council

951 **Instructions.—**

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction Books, be approved.

TOWN PLANNING & OPEN SPACES *(continued).*

956 **Sanitary Inspector's Report.**—This Officer's report was submitted. Arising therefrom:— Annexed.

(*a*) Houses without proper Dustbins (Section 22 of the Finchley Urban District Council Act, 1908.—

19 and 21, Brackenbury Road, N. 2.
19, King's Parade, Ballards Lane, N. 3.

The Inspector reported hereon;

RECOMMENDED—

(1) that notices be served upon the respective owners requiring them to provide at each house a strong galvanised iron dustbin with a suitable cover; and

(2) that, failing compliance, proceedings be taken for recovery of the penalties mentioned in Section 22 of the Finchley Urban District Council Act, 1908.

(*b*) Examination of Drains (Section 41 of the Public Health Act, 1875, and the Acts amending the same)—5, 6, 7 and 8, Portland Terrace, Rasper Road, N. 20.—The Inspector reported that, in accordance with instructions, he had opened up the ground and examined the drains on or belonging to the above-named premises; that the said premises were drained by means of a combined system of drainage consisting of a single private drain which connected with the public sewer in Rasper Road and branch drains from each house which were connected to the said single private drain; and that the said drains were in bad condition and required alteration and amendment;

RECOMMENDED that the notices now submitted be served upon the respective owners of the said premises requiring them to execute the works specified and within the time stated in the said notices.

(*c*) Milk (Special Designations) Order, 1923.—The Inspector reported upon certain samples of designated milk which had been taken and submitted to the Counties Public Health Laboratories for bacteriological examination.

MEDICAL OFFICER OF HEALTH.

This is the report of the Medical Officer referred to in paragraph 955 of the Public Health Committee's report of the 7th October, 1930.

Chairman.

FINCHLEY URBAN DISTRICT COUNCIL.

PUBLIC HEALTH COMMITTEE - 7TH OCTOBER, 1930.

SANITARY INSPECTOR'S REPORT.

3, The Hawthorns,
Regents Park Road,
N.3.

3rd October, 1930.

To the Chairman and Members of the
Public Health Committee.

(1) HOUSES WITHOUT PROPER DUSTBINS.(Sec.22 F.U.D.C. Act,1908)

19 & 21, Brackenbury Road, N.2.
19, King's Parade, Ballards Lane, N.3.

The above houses are not provided with proper dustbins and I suggest that notices be served upon the owners requiring them to provide at each house a strong galvanised iron dustbin with a suitable cover.

(2) EXAMINATION OF DRAINS (Sec. 41 of the P.H.A.1875 and the Acts amending the same)

5, 6, 7 & 8, Portland Terrace, Rasper Road,N.20.

In accordance with the instructions of your Committee at their last meeting, I have opened up the ground and examined the drains on or belonging to the above-named premises.

The said premises are drained by means of a combined system of drainage consisting of a single private drain which connects with the public sewer in Rasper Road and branch drains from each house which are connected to the said single private drain. The said drains are in bad condition and require alteration and amendment.

I suggest that notices be served upon the respective owners of the above-named premises requiring them to execute the following necessary works, namely:-

Take up and relay the existing defective single private drain and the existing defective branch drains which connect thereto with salt glazed stoneware or heavy cast iron coated pipes on a solid bed of good cement concrete not less than six inches thick, such drains to be laid with suitable and regular gradient throughout and to be made watertight.

Provide in connection with the said drains proper means of access for cleansing and inspecting purposes.

Remove the defective cast iron ventilating pipe at the rear of 5, Portland Terrace, Rasper Road.

(3) BOILER, DISINFECTING STATION, SUMMERS LANE, N.12.

Repairs required by Boiler Insurance Company.

BOURCHIER HOUSE, EAST FINCHLEY.

Testing and examination of drains.

5, 6, 7, 8, 9 & 10, NORTH TERRACE, SWAN LANE.

Particulars of occupation.

COLLEGE FARM, FINCHLEY, N.3.

Provision of sanitary convenience.

I shall report orally upon the above matters at the meeting of your Committee.

(4) MILK (SPECIAL DESIGNATIONS) ORDER, 1923.

The following samples of designated milk have been taken and submitted to the Counties Public Health Laboratories for bacteriological examination:-

Date.	Designation.	Name and Address of Dealer and Producer.
25th September, 1930.	Certified.	United Dairies (London) Ltd.,39, High Road,N.2.
	Report.	This sample complies with the bacterial standards prescribed for Certified Milk.
25th September, 1930.	Certified.	A.1 & Dollis Dairies,Ltd. 5, Cornwall Parade, N.3.

(6) PETROLEUM (CONSOLIDATION) ACT, 1928.

Messrs. Carter Paterson & Co.,Ltd.,Depot, Dollis Park, N.3.

An application has been received from Messrs. Carter Paterson & Company, Ltd. for a licence to keep 2000 gallons of petroleum spirit in bulk (additional to present storage of 1000 gallons) at their Depot, Dollis Park,N.3.

I have requested Messrs. Carter Paterson & Co.,Ltd. to supply further information with respect to this application and I will report more fully upon the matter at your meeting.

E.J. FRANKLIN.

Chief Sanitary Inspector.

This (together with the two preceding pages and the addendum annexed) is the report of the Sanitary Inspector referred to in paragraph 956 of the Public Health Committee's report of the 7th October 1930.

Chairman.

[illegible]

[illegible] 7 [illegible]

(1) [illegible]

(a) [illegible]

I have [illegible] received Zephyr [illegible] with respect to the [illegible] to [illegible] petroleum [illegible] at the [illegible] [illegible] to be present [illegible] of [illegible].

[illegible] in [illegible] shown on the drawings, Nos. 731 and 732, [illegible].

If this [illegible] I recommend the following conditions should be imposed:-

(a) that the proposed work be [illegible] in the manner [illegible] in the [illegible] shown on the drawings Nos. 731 and 732 submitted by the applicants and that the [illegible] including the [illegible], [illegible], [illegible] pipe lines, etc. and all [illegible] incidental thereto be subject to the approval of your [illegible] inspector; no works to be covered or hidden [illegible] without or prior to [illegible] petroleum [illegible] until so approved.

(b) that the conditions attached to your council's licence be strictly observed.

(b) [illegible]

The application has been [illegible] concerning the oil [illegible] [illegible] for your [illegible] [illegible] and re-[illegible] their [illegible] [illegible] in [illegible] shown on the drawing [illegible] submitted by the applicants.

The application may be [illegible] subject to the other [illegible] being carried out to the approval of your petroleum inspector.

(2) [illegible] (1) (a) of the [illegible] and [illegible] [illegible]

[illegible] 1,2,3,4,5 & 6, [illegible] Villas, [illegible], [illegible].

[illegible] to report [illegible] to [illegible] that a [illegible] privy to [illegible] to. The [illegible] [illegible] [illegible] [illegible] to [illegible].

[illegible]

[illegible]

[illegible]

[illegible]

RECOMMENDED that the application be granted for the period ending 30th June, 1931, subject to the conditions mentioned in the report of the Inspector and also to the conditions annexed to the Council's licence being strictly observed.

(2) A.1 and Dollis Dairies, Ltd., High Road, N. 20.—The Inspector reported that an application had been received from the A.1 and Dollis Dairies, Ltd., High Road, Whetstone, N. 20, for the Council's permission to take down and re-erect their petroleum supply pump in a new position as shown on the drawing No. C.X. 2290 submitted;

RECOMMENDED that such application be granted subject to the alteration being carried out to the approval of the Council's Petroleum Inspector.

(*f*) Examination of Drains (Section 41 of the Public Health Act, 1875, and the Acts amending the same)—Nos. 1, 2, 3, 4, 5 and 6, Melita Villas, Ballards Lane, N. 12.—The Inspector reported that he had reason to suspect that a single private drain on or belonging to the above-named premises was a nuisance or injurious to health; that a portion of the said drain at the rear of No. 1, Melita Villas had been exposed by the owners' builder and found to be in a very defective condition; and also that the lower part of the said drain requiring examination was situate in the garden on the south side of Mayfield, Ballards Lane, N. 12;

RESOLVED that authority be given to the Inspector to enter the said premises and open up the ground and examine the said drain after twenty-four hours' written notice thereof to the occupiers of the premises.

957 **Farm Clerk.**—It was reported that the Council at last meeting had resolved that the house to be vacated by Mr. W. J. Hall at the Sewage Works be placed at the disposal of this Committee.

RECOMMENDED that as from the 1st November, 1930, the Refuse Destructor Foreman be granted a tenancy of the premises in question at an inclusive rental of 17s. 0d. a week.

958 **Hornsey, Finchley and Wood Green Joint Hospital Committee.**—A letter, dated 1st September, 1930, was submitted from the Clerk and Accountant to the above Committee forwarding copies (circulated) of the statement of Income and Expenditure of such Committee for the year 1929/30, and also of the Medical Report for the same period.

Annexed

Annexed.

959 **Annual Statistical Review of the Registrar General for England and Wales.**—A circular letter, dated 4th September, 1930, was submitted from the Ministry of Health forwarding copy of a memorandum which had been addressed by the Chief Medical Officer of the Ministry to Medical Officers of Health with reference to the purchase and utilisation of the above Review.

960 **Proposed Open Air Swimming Bath—Glebe Land.**—

(*a*) Reference was made to communications received from Mr. W. L. Barclay, Group Scoutmaster of the 10th Finchley Group of the Boy Scouts' Association, suggesting that the proposed Open Air Bath was not wanted by the swimmers of the District, and that what the District urgently required—and had done for years—was a large Bath which could be converted into a hall during the Winter.

(*b*) Reference was also made to a communication, dated 22nd September, 1930, received from Mr. H. M. Speaight, stating that a site nearer to Church End could be found for the Bath and that he did not believe that it would be patronised by the residents of Church End if it was erected on the site proposed by the Council.

(*c*) A letter, dated 5th October, 1930, was submitted from the Ministry of Health stating that the Minister had approved the Scheme in principle but would defer consideration of the application pending receipt of further particulars as mentioned therein. It was indicated that with regard to the proposed appropriation of the site the Minister had, in the past, acted upon the view that an Open Air Swimming Bath in a Park or Recreation Ground might be

Isolation Hospital,

N.10.

JULY 1930.

HORNSEY, FINCHLEY and WOOD GREEN JOINT ISOLATION HOSPITAL.

J U L Y 1930.

To the Chairman and Members of the
JOINT HOSPITAL COMMITTEE.

Gentlemen,

I beg to submit my Annual Report on the work of the Hospital for the year 1929.

The number of patients admitted has been very high, namely, one thousand two hundred and sixty-four (1,264) as compared with eight hundred and thirty-nine (839) in 1928 and five hundred and sixty-eight (568) in 1927. Eight hundred and eighty-eight (888) patients were admitted from the three districts served by the hospital and three hundred and seventy-six (376) from outside districts. Although at times nearly every bed has been occupied no case has ever been refused from the districts of the constituent authorities.

The cubicle block has been fully occupied throughout the year and approximately two hundred and fifty (250) patients have been treated therein. Without this block it would have been practically impossible to have admitted any patients from outside districts.

In spite of the large number of patients dealt with, the mortality from the various diseases has been lower that it has been for some years and Dr. Prior, the Matron and the whole of the nursing staff are to be congratulated on the excellent results of their work.

Sickness among the staff has been about the usual except in the early spring when no less than thirteen (13) had influenza at one time, but although several were acutely ill, all of them recovered. I greatly regret to have to record that Mr. William Cox, an old and faithful servant of the institution, died of pneumonia a few days after he had retired from active work.

The hospital is recognized as a training school for the State examination for fever nurses.

In 1929 four nurses sat for the preliminary examination and one for the final and all of them were successful.

I am,
Your obedient Servant,
A. A. TURNER.
Medical Superintendent.

SCARLET FEVER -

Five hundred and ninety (590) cases of scarlet fever (including three of the staff) have been admitted into Hospital notified as suffering from scarlet fever. Of these, however, two were found to be suffering from Puerperal fever. In twenty no evidence of scarlet fever could be found; also five cases were found to be suffering from measles, and one from mumps. Hence five hundred and sixty-two (562) cases were actually suffering from scarlet fever; the percentage of error amounting to 4·7% as compared with 2·3% in 1928, and 3·7% in 1927. Considering the great difficulty in diagnosing this disease, as seen in recent years this figure can be considered low.

- Types of Scarlet Fever -

1. Toxic Scarlet fever -

No cases of Toxic Scarlet fever were admitted during the year.

2. Septic Scarlet fever -

Two cases of Septic Scarlet fever have been admitted, both of whom recovered.

3. Simple Scarlet fever -

The remainder were cases of Simple Scarlet fever.

I think there can be no doubt that more cases would have assumed a Septic type but for the use of the antitoxin. It is interesting to note that in six instances Scarlet fever followed the removal of tonsils, five followed burns, and two followed an operation for removal of the appendix.

- Deaths from Scarlet Fever.-

During the year four (4) deaths occurred in patients suffering from Scarlet fever.

The first case was that of a mongolian imbecile who died quite suddenly from convulsions. The matter was reported to the Coroner. Scarlet fever did not seem to have had anything to do with the death as such patients are liable to sudden death.

The second case occurred in a young child one year and eight months old who died quite suddenly. The matter was reported to the Coroner who ordered a post mortem to be undertaken, when it was found that the child died from bronchial pneumonia and status lymphaticus.

The third case occurred in a boy aged seven years, who was found to be suffering from septicaemia following removal of tonsils, scarlet fever seemed to have nothing to do with the cause of death.

The fourth case occurred in a boy aged eighteen, who developed empyaema after an apparently mild attack of scarlet fever.

Thus during the year only one death could be attributed to

- RETURN CASES -

The question of return cases has been fully gone into in previous reports and hence is not repeated. The following table gives the details of these cases -

Complications of Scarlet fever -

During the year 1929, two hundred and forty (240) patients received antitoxin, and three hundred and twenty-two (322) received no such treatment. Of the two hundred and forty (240), sixty (60) developed complications and of the three hundred and twenty-two (322), sixty (60) developed complications.

The table set out below gives a list of these complications -

With regard to the medical treatment for the prevention of kidney complication, it was stated in the report for 1928, that special prophylactic treatment had been introduced and figures have been collected to ascertain the value of this particular form of treatment.

During the year one hundred and fifty (150) patients have been given this form of treatment and four hundred and twelve (412) have not been so treated. Of the former group, one (1) developed late albuminuria and of the latter five (5) developed late albuminuria and four (4) definite nephritis.

The average length of stay for all patients was 29•9 days, for those patients who were given antitoxin 31•5 days and for those who were not given antitoxin 28•8 days.

	1		99		204		759		347		162		139		73		21		4		1,809

39% of the cases occurred in the age period of 5 - 15 years in 1929. Of the five years together 61·0% of the cases were belonging to these age groups.

It has been very noticeable that the age incidence of the disease in 1929 has been much higher than in previous years.

DIPHTHERIA -

During the year five hundred and twenty-seven (527) cases were admitted under the notification of diphtheria as compared with two hundred and eighty-seven (287) cases in 1928; of these five hundred and twenty-seven (527), fifty-eight were found to be suffering from some other disease of the throat or nose, two (2) were sent in for observation only; and seven were found to be suffering from scarlet fever. An error in diagnosis was thus found in 11·0% of admissions as compared with 18·3% in 1928, 13·2% in 1927, 8·5% in 1926, and just over 10% in 1925. In view of the great difficulty in diagnosing this disease the figures of this year may be considered satisfactory.

- Deaths from Diphtheria -

Eighteen (18) deaths occurred in patients notified as suffering from diphtheria, two (2) of these, however, must be deducted as diphtheria had nothing to do with the cause of death. One (1) died from acute pneumonia, the second from whooping cough and pneumonia, leaving sixteen (16) deaths or a crude death rate of 3·2% as compared with 4·5% in 1928, 6·8% in 1927 and 3·2% in 1926. The corrected death rate is 3·6% as compared with 5·6% in 1928 and 7·1% in 1927.

- Severity of disease -

The same classification has been adopted as in former years, namely., Very severe, severe, moderately severe, moderate, mild and very mild. Those patients who shewed bacteriological evidence of the disease and were admitted with clean throats, I have entered as clean on admission.

The following table shows the number of cases under each heading as compared with the three previous years -

Class	1929	1928	1927	1926

Laryngeal -

Four (4) cases of laryngeal and twenty-one (21) cases of faucial and laryngeal diphtheria were admitted. Of these, thirteen (13) required the operation of tracheotomy, of whom ten (10) recovered and three (3) died. This gives a death rate of 23·07% as compared with 33·3% in 1928. The operation is dangerous and often difficult to perform, and the mortality rate is always very high.

The following table shows the ages of the sixteen (16) deaths from diphtheria -

One	(1)	died	aged	two years

Three	(3)	"	"	nine "
One	(1)	"	"	thirteen years
* One	(1)	"	"	twenty-seven years

* (also had peritonitis following appendicitis.)

- Complications of Diphtheria -

Of the four hundred and sixty-nine (469) cases of diphtheria, forty-eight (48) developed complications, that is 11% and just over 7% developed some form of paralysis.

The list of complications is set out below -

Otorrhoea	--	6
Nephritis	--	2
Heart complications	--	13
Masal paralysis	--	31
Squint	--	7
Diaphragm paralysis	--	2
Facial "	--	3
Peripheral Neuritis	--	3
Cycloplegia Interna	--	5
Abscess in neck	--	1

It will be seen from the above list that in many cases a patient had more than one complication.

- Return Cases -

Return cases of diphtheria are una mmon. One case occurred during the year, after an interval of nine days.

The average length of stay in hospital of all cases of diphtheria was 37·9 days.

Thus 63·08 % of the cases occurred in the age periods of 5 - 10 and 10 - 15 years, as compared with 67·9% for 1928.

ERYSIPELAS -

Of the twenty-five (25) cases admitted, one was found to be suffering from Eczema. One death occurred.

MENINGITIS -

Five (5) cases were admitted with this diagnosis, one was a true case of Cerebro-spinal meningitis and died, three (3) were tubercular meningitis and all died, while one was a case of aneurysm of the Circle of Willis.

INJURY -

Two cases were admitted and both were members of the staff.

INFLUENZA and INFLUENZAL PNEUMONIA -

Eighteen (18) cases were admitted with Influenza, four (4) of whom developed pneumonia, resulting in one (1) death.

ENTERIC FEVER -

Fifteen (15) cases were admitted as suffering from enteric fever. One was a case of cerebro-spinal meningitis, two (2) were cases of appendicitis, one was a case of erysipelas, one (1) influenza, one (1) quinsy, and one (1) pneumonia, leaving eight (8) true cases of typhoid or para-typhoid.

The case of cerebro-spinal meningitis recovered. Of the eight (8) cases remaining two (2) died.

WHOOPING COUGH -

Thirty (30) cases of whooping cough were admitted during the year. Of these seventeen (17) developed pneumonia, and one jaundice. Eight (8) cases died. It will of course be understood that only severe cases were admitted into the hospital.

PNEUMONIA -

Eight (8) cases were admitted, two (2) developed empyaema No deaths occurred.

ENCEPHALITIS LETHARGICA -

Two (2) cases were admitted with this diagnosis. One (1) was a case of polio encephalitis, and one (1) was suffering from hemiplegia.

- Cross Infection -

As the question of 'Cross Infection' was gone into fully in the report of last year it will be unnecessary to deal with the matter again in such detail.

Details are given below of those patients who were admitted with more than one disease, who were incubating a second disease on admission, or who contracted another disease whilst in hospital.

The following patients admitted with diphtheria were found to be also suffering from another infectious disease at the same time.

Five (5) patients found to be suffering from whooping cough and one (1) of these contracted german measles whilst in hospital.

Three (3) admitted with diphtheria were found to be also suffering from chicken-pox, one (1) patient was found to be also suffering from ringworm.

One (1) child admitted with diphtheria developed whooping cough a few days after admission.

A second child developed measles a few days after admission. In both cases the disease was contracted before admission.

Eight (8) patients admitted with diphtheria developed post diphtheric scarlet fever whilst in hospital.

The question of the occurrence of scarlet fever in patients suffering from diphtheria is a very difficult one, probably in most cases this disease has not been contracted from patients in the ordinary acceptance of the term, but should be regarded as a complication of diphtheria. In this connection may be mentioned the frequent occurrence of scarlet fever in patients who have recently suffered from burns, or who have had their tonsils removed, why this should be so, is at present unknown.

Two (2) patients admitted with scarlet fever also had whooping cough and one was suffering from chicken-pox.

Two (2) patients admitted with scarlet fever developed whooping cough a few days after admission, one (1) developed mumps and another developed chicken-pox. All these four patients contracted the disease before admission.

Two (2) patients admitted with scarlet fever contracted chicken-pox whilst in hospital.

- LABORATORY -

During 1929, eight thousand four hundred and eighty-nine (8,489) specimens were examined in the laboratory, of which five thousand five hundred and nine (5,509) were from patients in the hospital, and two thousand nine hundred and eighty (2,980) were received from the medical men of the districts, as compared with six thousand three hundred and thorty-one (6,331) in 1928, and six thousand nine hundred and sixty-six (6,966) in 1927.

The following table shews the details of specimens sent by medical men -

regarded as an adjunct to the Park or Recreation Ground and that, therefore, no formal appropriation was necessary and that he was prepared to act upon the same view in the present case; that it was understood, however, that the Middlesex County Council had made a contribution towards the cost of the land and that the Minister thought that it would be advisable for the Council to approach the County Council to ascertain whether they had any objection to the proposal. The Deputy Clerk reported upon the action which had already been taken so far as the County Council were concerned and also upon an interview which he had had recently with County Alderman Todd on the matter. He further reported that he was proposing to discuss the question with the Clerk of the Middlesex County Council in the course of the next few days.

The Surveyor was instructed to interview the Ministry at as early a date as possible with a view to the Minister being supplied with the information desired by him, and the Committee were of opinion that the alternative tenders for the carrying out of the necessary works should be obtained in time for consideration at the meeting of the Council in November next;

RECOMMENDED—

(*a*) that the action taken be approved;

(*b*) that the Deputy Clerk report further at next meeting upon the result of his interview with the Clerk of the Middlesex County Council.

961 **Housing Act, 1930.**—It was reported that at the last meeting of the Council a circular letter, dated 19th August, 1930, from the Ministry of Health, drawing attention to the provisions of the above Act, had been referred to the Committee for consideration;

RECOMMENDED that the matter be referred to the Sanitary Officers for attention.

962 **Old Fire Hose.**—It was reported that at the last meeting of the Council the Highways and Fire and Water Committee had reported that there was approximately 4 cwt. of old fire hose

for disposal and that it would probably be of use at the Sewage Disposal Works and that the Council had resolved that the hose in question be offered to the Committee at the sum of 18s. 0d. a cwt;

RECOMMENDED that such hose be accepted by the Committee, and that the necessary financial adjustment be made.

963 **The Royal Sanitary Institute.**—A letter, dated 22nd September, 1930, was submitted from the Secretary of the above inviting the Council to appoint a representative to attend a Conference on the Pollution of Rivers and Streams to be held at the Institute on Tuesday, the 18th November, 1930;

RECOMMENDED that the Medical Officer of Health be so appointed.

964 **Sewage Farm Land.**—A letter, dated 11th September, 1930, was submitted from Miss F. M. Lear, the Headmistress of the Kings House School, Muswell Hill Road, enquiring whether the Council would allow her to rent a portion of the above land for use as a sports field;

RECOMMENDED that she be informed that the Council regret that they are unable to entertain the proposal.

965 **Insurance of Workmen—Accident—H. C. Heath.**—It was reported that the above employee had since last meeting met with an accident, and that the matter had been dealt with.

966 **Land by Mission Hall—Summers Lane.**—Referring to Minute No. 320 the Clerk reported that the draft surrender and lease had been returned by the Vicar of Christ Church, who had made certain revisions therein relating to the fencing of the land;

RECOMMENDED that such draft as amended by the Committee and now submitted be approved by the Council.

967 **Damage to Council's Property.**—It was reported that the under-mentioned property of the Council had been damaged since last meeting and that the matter had been dealt with:—

Fence—Sewage Disposal Works, junction of Coppetts Road and Colney Hatch Lane.

968 **Public Baths.**—Statement (circulated) was submitted showing the number of bathers and receipts for the five weeks ended 28th September, 1930. Annexed.

969 **Public Convenience—Whetstone Pound Site.**—The Surveyor reported as follows :—

> " The Whetstone Convenience has been completed to my satisfaction. The amount of the estimate was £882 0s. 0d. and the work has been completed for £828 16s. 10d., the saving being principally accounted for by the fact that the contingency item of £50 0s. 0d. was not found to be required."

970 **Council Employee—H. Green—Decease of.**—The Surveyor reported with regret that Mr. H. Green, a labourer at the Sewage Disposal Works passed away on the 23rd September, 1930.

The Committee decided to ask the General Purposes Committee to deal with an application which had been received from the widow for a compassionate grant.

971 **Refuse Collection—Contract—Vehicles.**—Referring to Minute No. 753 the Surveyor reported as to the action which had been taken by the Contractor in the matter, which was considered by the Committee to be satisfactory.

972 **Destructor Site—Dead Trees.—**

RECOMMENDED that the Surveyor be authorised to arrange for the removal of a number of dead trees at present standing at the rear of the Destructor site.

973 **Plan No. 7404—Soil Sewer—New Road off Woodside Avenue.**—The above plan was submitted;

RECOMMENDED that same be approved so far as this Committee are concerned.

974 **Instructions.**

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

HIGHWAYS AND FIRE AND WATER COMMITTEE'S REPORT.

8th October, 1930.

Present: Councillor Bennett (Chairman), Councillor C. S. Syrett (Vice-Chairman), and Councillors Pateman, Pulham and Wells and Councillors Ryan and Sommerfield (non-members).

975 **Minutes.**—The Minutes of last meeting were taken as read, confirmed and signed.

976 **Fires.**—A list (circulated) of the fires which had occurred since last meeting was submitted. Annexed.

977 **Damage to Ambulance.**—It was reported that, in accordance with instructions, this matter had been taken up with the Insurance Company, who had pointed out that it would appear that the damage to the vehicle was caused by a mechanical defect, which contingency was not covered by the terms of the policy held with them. It was further reported that Messrs. H. Pope & Sons, Limited, had forwarded their account amounting to £9 18s. 6d.;

RECOMMENDED that the payment of such account be approved.

978 **Damage to Council's Property.**—It was reported that the under-mentioned properties of the Council had been damaged since last meeting and that the matters had been dealt with:—

Wood Paving—Outside the Railway Hotel;
Lamp Column—Summers Lane;
Tree—Oxford Villas, High Road, Whetstone.

979 **Third Party Claims.**—It was reported that a number of claims had been received since last meeting and dealt with.

(1) No. 2 Motor Combination—Overhauling of.—It was reported that the Chief Officer of the Fire Brigade had reported as follows :—

"I beg to report that when the Engine was being overhauled at Messrs. Pope & Sons several defects were discovered which were largely due to wear, also one of the ports of the back cylinder block was cracked, which necessitated getting a new cylinder and piston from Messrs. Leyland.

After Messrs. Pope had fitted the cylinder the same was found to be of a new type, the pattern cylinder that was found faulty had become obsolete, it was therefore advised by Messrs. Pope to have another cylinder of the new pattern to bring the manifold into alignment.

The cost of the two new cylinders will be £34, plus labour for fitting.

The matter was reported to your Chairman and acting upon instructions, Messrs. Pope & Sons were told to proceed with the work.

The total cost of material supplied for the complete overhaul is £60 9s. 7d., plus the usual labour and establishment charges.

I shall submit a complete statement of the whole cost when the work is complete.

Arising out of the overhaul to No. 2 Motor, I would refer to item No. 12 in the estimate where £40 is allowed for repairs, etc. to motors.

Approximately £3 of this sum has already been expended leaving a balance in hand of £37, this amount

Chairman

Central Fire Station,

Finchley, N.3.

2nd October, 1930.

Chief Officer H.Hanson.

Sir,

As requested, I have to report that at 4.25 a.m. on the 28th ult. a fire call was received at the Central Station from the Bald Face Stag fire point.

At 4.27 a.m. on your instructions I immediately turned out with 6 men and the No. 1 Motor Combination.

On arrival at High Road, East Finchley, at 4.31 a.m. I found the premises of Messrs. T.E.Pearson to be well alight on the ground and first floor.

As our machine turned the corner of the Bald Face Stag and the High Road I observed the type of fire and gave orders for a hydrant to be put in service and men to prepare for Escape work.

On arrival these orders were carried out and as I enquired from Police and flat dwellers, as to whether any persons were still in the building, receiving a negative reply, I concentrated on checking the outbreak.

The shop front door of the premises involved was forced and a line of hose directed on to the seat of the fire, this line came from a hydrant on the corner of Beresford Road; a second line of hose was put into service from Leicester Road and directed on to the first floor to stop the fire from spreading up to the flats above on the 2nd floor; a third line of hose was put into action from Kitchener Road to the rear of the premises, and a forced entry was made to the kitchen at the rear on the first floor. This was found to be intact but further investigation found an oil store in danger on the ground floor below, the rear jet was immediately moved to the ground floor, opened up round the oil store and the fire checked, When this store was considered safe the jet was moved to the first floor to assist the two jets at the front.

By this time the jet from Leicester Road had achieved its object on the first floor and was moved to a passage on the ground floor between No. 81 and 83 to check the fire from reaching the premises of No. 81. This had immediate effect and after a short while the outbreak was in hand, and a message to this effect was sent to the Central Station at 5-7 a.m.

At about 5.20 a.m. the line of hose from Leicester Road, and the one from Kitchener Road was closed down and made up, East Finchley men were told to make up and return to their Station. A rough inspection of the building was made, and the line of hose from Beresford Road was taken up to the first floor to damp down and spray the underneath of the 2nd floor.

At about 5.40 a.m. the jet from Beresford Road was made up and a further inspection of the building was made. This was satisfactory and the Brigade returned to the Central Fire Station at 6.54 a.m. leaving Grenadi at the premises for a short time to ensure that no minor outbreak occurred from the debris.

Greneski, Francis and Blake were detailed for the Beresford Road hydrant; Hukkes, Holmes, Loom and Edwards for the Leicester Road hydrant, and Dist. Supt. Crisp, Aylett and Chamberlain for the Kitchener Road hydrant.

Chamberlain remained at the hydrant in Kitchener Road as this line was not "Hand Controlled" at the branch.

Dist. Supt. Crisp and three men from East Finchley Sub-Station arrived on the scene at approximately the same time as the Motor pump from the Central Station, i.e. 4.31 a.m.

I should like to add that all men worked exceedingly well, and gave every satisfaction.

Yours obediently,

(SIGNED) C. TOZER.

Second Officer.

This (together with the preceding page) is the report of Second Officer Tozer mentioned in the list of fires referred to in paragraph 976 of the Highways and Fire and Water Committee's report of the 8th October, 1930.

Chairman.

URBAN DISTRICT OF FINCHLEY.

HIGHWAYS (WORKS) SUB-COMMITTEE'S REPORT.

30th September 1930.

Present:- Councillor Bennett (Chairman) and Councillor Pulham.

1. No. 2 MOTOR ~~ASSURANCE~~ COMBINATION - OVERHAULING OF -

The Chief Officer reported as follows:-

"I beg to report that when the Engine was being overhauled at Messrs. Pope & Sons several defects were discovered which were largely due to wear, also one of the ports of the back cylinder block was cracked, which necessitated getting a new cylinder and piston from Messrs. Leyland.

After Messrs. Pope had fitted the cylinder the same was found to be of a new type, the pattern cylinder that was found faulty had become obsolete, it was therefore advised by Messrs. Pope to have another cylinder of the new pattern to bring the manifold into alignment.

The cost of the two new cylinders will be £34. plus labour for fitting.

The matter was reported to your Chairman and acting upon instructions, Messrs. Pope & Sons were told to proceed with the work.

The total cost of material supplied for the complete overhaul is £60. 9. 7. plus the usual labour and establishment charges.

I shall submit a complete statement of the whole cost when the work is complete.

Arising out of the overhaul to No. 2 Motor, I would refer to item No. 12 in the estimate where £40 is allowed for repairs, etc. to motors.

Approximately £3 of this sum has already been expended leaving a balance in hand of £37, this amount is not enough to defray the overhaul. I therefore suggest that a supplemental estimate of say £100 should be voted to cover this additional expenditure."

RECOMMENDED

(a) that the action taken be approved;

(b) that the matter be referred to the Finance Committee with a view to their making the necessary financial arrangements.

2. FIRE BRIGADE - STAFF -

It was reported that Fireman Greneski had tendered his resignation and would be leaving the service of the Council on the 4th October, 1930.

RECOMMENDED

(a) that advertisements be issued inviting applications for a successor on the terms already approved by the Council.

(b) that the Chief Officer be authorised to continue the engagement of a temporary man on the usual terms from the 1st October, 1930, until the date when the newly appointed fireman commences duty.

3. FIRE BRIGADE - FIRST AID LECTURES -

The Sub-Committee authorised the Chief Officer of the Brigade to arrange for five of the firemen to take a course of lectures in first aid at a total cost of £1;

RECOMMENDED that such expenditure be approved.

4. FIRE AT No. 83 HIGH ROAD, EAST FINCHLEY - 27th SEPTEMBER, 1930.

The Chief Officer was instructed to submit at the meeting of the full Committee a detailed report in connection with the above.

5. TORRINGTON PARK SUB-FIRE STATION, NORTH FINCHLEY - CLOSING OF -

The Chief Officer of the Brigade was instructed to re-submit at the meeting of the full Committee the report previously issued by him in connection with the above.

6. SUB-FIRE STATION, CHAPEL STREET, EAST FINCHLEY -

In accordance with instructions, the Clerk reported as to the terms upon which the above premises were held by the Council.

7. CHIEF OFFICER OF THE BRIGADE - APPOINTMENT OF -

The Sub-Committee were of opinion that this matter should be discussed by the full Committee in view of the impending retirement of Captain Hanson.

8. REQUISITIONS -

The Sub-Committee considered the lists of requisitions;

RECOMMENDED that same be approved.

9. BITUMEN BOILERS -

RECOMMENDED that advertisements be issued inviting tenders for two 320 gallon Bitumen Boilers.

10. OUT-DOOR MEETING -

It was decided to hold an Out-door Meeting of the Sub-Committee on Saturday, the 4th October, 1930, starting from the Council Offices, at 9.30. a.m.

11. STREET WIDENINGS - REGENTS PARK ROAD - JUNCTION OF GRAVEL HILL -

After hearing a report from the Surveyor hereon, the Sub-Committee decided that the locus in quo should be inspected at the Out-door meeting to be held on the 4th October, 1930, and that further consideration should be given to the whole matter at the meeting of the full Committee. Meantime, the Surveyor was instructed to refrain from issuing an order to Mr, C, Carter to proceed with the works already approved by the Council.

12. PROPOSED IMPROVEMENT - TALLY HO! CORNER -

The Surveyor presented for the information of the Sub-Committee a report which he stated he proposed to place before the meeting of the full Committee in connection with the above and a preliminary discussion thereon took place.

13. PETROL FILLING STATION - JUNCTION OF GREAT NORTH ROAD AND CHURCHFIELD AVENUE -

The Surveyor reported upon an interview which he had had with a representative of the North Finchley Motors and Metals Ltd. relative to the question of the sett crosing which was proposed to be placed at the entrance to the Company's premises in Churchfield Avenue;

RECOMMENDED that the Surveyor inform the Company that the Council cannot see their way to depart from their usual practice.

14. LAND - HENDON LANE -

The Surveyor presented a letter dated 21st August, 1930, from Messrs. Brougham & Co., enquiring whether the small plot of land next to their yard in Hendon Lane could be let to them for purposes of their business and if so upon what terms;

RECOMMENDED that the Surveyor reply to the effect that the Council are not desirous of letting the land in question.

15. DAMAGED SERVICE - KING STREET -

The Surveyor reported upon a communication dated 7th August, 1930, received from the North Middlesex Gas Co. relative to a complaint made as to a broken service in King Street due, it was alleged, to the sewer work carried out by the Council in 1925 and asking to be furnished with an order for the repairs to cover the cost of the work, viz: £13. 5. 9d.

RECOMMENDED that the Surveyor reply to the effect that the Council cannot admit any liability in the matter.

16. DIRECTION SIGNS -

The Surveyor reported upon a request which had been received for the Council's consent to the erection of a number of signs indicating the position of St.Philip's Catholic Church, Regents Park Road, Finchley;

RECOMMENDED that the Surveyor be instructed to reply to the effect that the Committee will be prepared to recommend the Council to agree to the erection of one sign only in a position to be selected by the Church Authorities and to be approved by the Council.

17. LABOUR - REPAIRS TO HIGHWAYS -

The Surveyor reported upon correspondence received from the Rev. E. S. W. Walwyn hereon and instructions were given to him to reply to the effect that the condition of the various roads in this District is constantly receiving the attention of the Council.

18. PNEUMATIC PICK -

The Surveyor submitted the tender received from the Ingersoll-Rand Co.Ltd. in respect of the above, which had been opened at the last meeting of the Council, and reported that same amounted to a sum of £309. 2. 4d. exclusive of silencers;

RECOMMENDED

(a) that such tender at the sum mentioned above be accepted; and

(b) that the Clerk be instructed to prepare the necessary Contract.

19. FOOTWAY - NETHER STREET -

The Sub-Committee considered a communication received from Mr. Kinnard with reference to the condition of the pathway outside his premises in Nether Street and decided to deal with the matter at the next Out-door meeting.

20. DRINKING FOUNTAIN - HAMPSTEAD GARDEN SUBURB -

The Surveyor reported upon correspondence received from the Hampstead Garden Suburb Residents' Association in regard to the erection of a drinking fountain on the Finchley portion of the Hampstead Garden Suburb. It appeared that the Metropolitan Drinking Fountain and Cattle Trough Association had indicated that they would be pleased to consider an application for a fountain, subject to the Council undertaking to erect and keep the structure in good working order and to supply it with pure and wholesome water, and on the understanding that the fountain would be available for the use of the general public.

The Surveyor was directed to communicate further with the Residents' Association intimating that the Sub-Committee would be prepared to consider recommending the Council to accept a drinking fountain for the use of the members of the public on the terms suggested, provided that a suitable site could be found therefor in the vicinity of the Lyttelton Playing Fields.

21. HIGHWAYS - RENUMBERING - GAINSBOROUGH ROAD -

The Clerk reported upon correspondence which he had had with Mr. H. A. Warner from which it appeared that Mr. Warner was willing to revert to the number by which his premises were originally known, namely 5, and in order to avoid any further inconvenience, the Surveyor was instructed to arrange for the carrying out of the work.

L. W. BENNETT,

Chairman.

This (together with the four preceding pages) is the report of the Highways (Works) Sub-Committee of the 30th September, 1930, referred to in paragraph 982 of the Highways and Fire and Water Committee's report of the 8th October 1930.

Chairman.

HIGHWAYS (WORKS) SUB-COMMITTEE'S REPORT

4th October, 1930.

Present: Councillor Bennett (Chairman) and Councillors C.S. Syrett and Wells.

1.- HIGHWAYS - TREES.-

(a) Generally.- It was reported that a large number of requests had been received for the lopping of trees in various parts of the district, and, on this occasion the Surveyor was instructed to arrange for such requests to be dealt with by the Superintendent of the Avenue House Grounds;

RECOMMENDED

(a) that the action taken be approved;

(b) that the procedure to be adopted with regard to similar matters in future be discussed at the meeting of the full Committee,

(b) It was reported that the Council at their last meeting had agreed to the removal of the tree outside "Fairfield" Cyprus Gardens, but that a communication had since been received from Mr. E.A. Pink, the occupier of the premises, stating that he now desired to withdraw his request in view of protests having been received from his neighbours against the removal of the tree. In these circumstances it was

RECOMMENDED that the tree in question be lopped instead of being removed.

(c) The Sub-Committee considered a communication received from the Proprietor of Brambles Garage, 139 High Road, East Finchley, stating that his premises and Advertisement signs were somewhat obscured by four trees situate in front of the premises, and asking that such trees might be removed. The Sub-Committee interviewed the Proprietor on the matter, and after discussion it was

RECOMMENDED that in lieu of the removal of the four trees in question, the larger of the two trees immediately outside the Lyndon Garage, be removed.

(d) The Sub-Committee considered the question of the planting of trees in the High Road, North Finchley, and it was

RECOMMENDED that a tree be planted in front of the party wall to each third shop on the east side of the road from Ravensdale Avenue to Mortlock's Garage, and also that a few trees be planted on the west side of the road opposite thereto.

(e) The Sub-Committee considered the question of the planting of a number of trees in East End Road and Nether Street, and it was

RECOMMENDED that trees be planted in those roads in the positions indicated on the plans submitted.

(f) The Sub-Committee considered the question of the planting of a few trees in Cavendish Avenue, Stanhope Avenue and Squires Lane (near Briarfield Avenue fronting Manor View) and the Surveyor was instructed to prepare plans indicating the suggested positions of such trees, and to submit same at the next meeting of the Sub-Committee;

RECOMMENDED that the action taken be approved.

(g) The Sub-Committee considered a letter dated 17th February, 1930, from Mr. H.W. Smith, with regard to the question of the planting of fruit trees in Waverley Grove;

RECOMMENDED that such communication be considered at the meeting of the full Committee.

(h) The Surveyor presented a list, prepared by the Road Foreman, of trees which required attention;

RECOMMENDED that the action to be taken thereon be considered at the meeting of the full Committee.

2.- BUS TERMINUS AT "HAND AND FLOWER" PUBLIC HOUSE, WHETSTONE.-

A letter was submitted from Mr. F. White of the "Hand and Flower" Public House, Whetstone, stating that it was proposed to make provision for a 'bus "draw-in" at above in place of the existing one at Whetstone, which would necessitate the provision of a crossing, and enquiring whether the Council would agree thereto. After discussion it was

RECOMMENDED that a reply be forwarded by the Surveyor to the effect that the Council will raise no objection to the proposal, subject to all necessary consents being obtained by the parties concerned.

3.- PRIVATE STREETS - HAMPSTEAD GARDEN SUBURB.-

(a) The Sub-Committee considered a communication received from the Estate Secretary of Copartnership Tenants Ltd., asking the Council to make up and take over certain roads on the Hampstead Garden Suburb;

RECOMMENDED that such communication be considered at the next meeting of the Sub-Committee.

(b) The Sub-Committee considered a Petition received from a number of owners in Oakwood Road, which had been referred to them by the full Committee, wherein it was stated that, as that road was in all respects a by-road and did not form a thoroughfare between any main or principal roads, its present condition was thoroughly satisfactory and did not necessitate paving and metalling until other more important and more frequently used roads had been so paved. The Sub-Committee were of opinion that it would be desirable to discuss with representatives of the said owners the question of their carrying out temporary repairs at their own cost and with this object in view it was decided that they should be invited to appoint two representatives to attend the next meeting of the Sub-Committee.

It was further decided that Copartnership Tenants Ltd. should also be invited to appoint a representative to attend the meeting;

RECOMMENDED that the action taken be approved.

(c) The Sub-Committee considered the question of making some slight variation in the specification of the works proposed to be carried out in the streets included in the 21st batch, and it was decided that the matter should be discussed further at the meeting of the full Committee.

4.- APPROACH ROAD TO WOODSIDE PARK STATION FROM HOLDEN ROAD.-

The Sub-Committee considered a communication received from Mr. N. Herben, drawing attention to the bad condition of the above approach road in consequence of which he alleged he had sustained an accident.

The Deputy Surveyor pointed out that this approach road was a private one, and had not at any time been repaired by the Council, except on one occasion when certain repairs were carried out by the Council as agents, for which they received payment;

RECOMMENDED

(1) that the Surveyor be directed to communicate with the London and North Eastern Railway Co. drawing their attention to the alleged accident, and enquiring whether they propose to take any steps in the near future with regard to the making up of the said approach road;

(2) that, failing a satisfactory reply, consideration be given to the question of taking the necessary steps with regard to the making up of the street under the Public Health Act, 1875.

5.- OCCUPATION ROAD BETWEEN THE ALMSHOUSES AND CHRISTS HOSPITAL FIELD.-

The above was inspected by the Sub-Committee;

RECOMMENDED that the Surveyor be instructed to submit an estimate of the cost of repairing that portion of the roadway between Sylvester Road and the Almhouses of a width sufficient to allow for the use thereof by vehicular traffic.

6.- STREET LIGHTING ETC. OUTSIDE "CREWKERNE", JUNCTION OF SUMMERS LANE AND GREAT NORTH ROAD.-

The Sub-Committee considered a letter dated 9th August, 1930, received from Mr. F. Lawrence of "Crewkerne", High Road, North Finchley, drawing attention to the insufficient lighting at the above point, and also to the lack of motor

warning signs which he alleged were conducive to accidents;

RECOMMENDED

(a) that the tree in the Great North Road outside "Crewkerne", be removed;

(b) that the hedge at the south corner of Summers Lane fronting the Great North Road, be removed, and that the question of fencing be dealt with in connection with the layout by the Education Committee of the Gun Station Site as a school playing field;

(c) that reflector cross road motor warning signs be placed in Summers Lane and in Granville Road on the existing red triangular signs.

7.- RELAYING OF PAVING.-

(a) Woodgrange Avenue.- A letter was considered from Mr. C.H. Mason, drawing attention to the bad condition of the paving outside his premises;

RECOMMENDED that the Surveyor be authorised to carry out such repairs thereto as may be necessary.

(b) Dollis Park.- The Sub-Committee also considered a complaint as to the paving in Dollis Park by Crescent Road, and the Telephone Exchange, and it was

RECOMMENDED that the Surveyor be authorised to carry out such repairs thereto as may be necessary.

8.- HIGHWAYS - MONTPELIER ROAD.-

The Sub-Committee considered a communication received from Mr. Charles Baker of 8 Avondale Road, drawing attention to the unsatisfactory condition of Montpelier Road. The Surveyor was instructed to investigate the levels at this point, and to advise the Sub-Committee as to the best course to adopt so as to obviate any further cause for complaint.

9.- LIGHTING - LONG LAND JUNCTION WITH NORTH CIRCULAR ROAD.-

The Sub-Committee considered a report from the Electrical Engineer, making certain suggestions for improving the lighting at the above point;

RECOMMENDED

(1) that the two trees which flank the lamp column near to the southern corner (the first column past the North Circular Road from Squires Lane on the right hand side) which obscure a good deal of the light from that column, be thinned;

(2) that the height of the said column on the south west corner near to the pillar box be raised, and that a higher candle power lamp be provided at a cost of approximately 30/-.

10.- DRINKING TROUGH.-

The Sub-Committee considered a communication from Miss E. Goslett suggesting the provision of a water trough by Moss Hall Grove, Alexandra Grove and Dale Grove and indicating that the Metropolitan Drinking Trough Association would probably supply same if the Council would accept it and guarantee its erection and upkeep;

RECOMMENDED that the matter be considered further at the meeting of the full Committee.

11.- HIGHWAYS - SEATS.-

The Sub-Committee considered further the question of the placing of a seat in Nether Street by Dawford's Yard;

RECOMMENDED that the matter be allowed to remain in abeyance pending the erection of the suggested Public Convenience in the vicinity.

12.- HIGHWAYS - FOOTWAY - NETHER STREET.-

A communication was considered from Mr. Kinnard asking that the footway in front of his premises in Nether Street might receive attention;

RECOMMENDED that the matter be dealt with in conjunction with the future proposals in regard to the improvement of Nether Street.

13.- WALL - CORNER OF NAYLOR ROAD AND CHURCH PATH.-

The Sub-Committee considered a letter received from Mr. S. Allen, drawing attention to a stone wall at the above point which he alleged encroached upon the public footpath. The Sub-Committee gave instructions for the legal position to be investigated and for appropriate action to be taken by the Officers.

RECOMMENDED that this be approved.

14.- PROPOSED IMPROVEMENT - JUNCTION OF GRAVEL HILL AND REGENTS PARK ROAD.-

The Sub-Committee considered further the question of proceeding with the carrying out of this improvement in the light of the negotiations which the Surveyor had had recently with the Church Authorities;

RECOMMENDED that, in the circumstances, the works already approved by the Council, be not commenced pending a further report from the Surveyor.

15.- LIGHT ROLLER.-

RECOMMENDED that the Surveyor report as to the desirability of the Council purchasing a light mechanically propelled roller for use in connection with footway and other works.

16.- IMPROVEMENT BY BRINMAUR, NETHER STREET.-

The Sub-Committee considered a communication from Mr. P.C. Batman of 28 Clifford Road, drawing attention to the possible danger to pedestrians by the stone-work surrounding the tree stump which was allowed to remain when the improvement in front of the above premises was carried out;

RECOMMENDED

(a) that such stone-work and the tree stump be removed;

(b) that a small tree be planted in line with the existing trees.

L.W. BENNETT.

Chairman.

This (together with the five preceding pages) is the report of the Highways (Works) Sub-Committee of the 4th October, 1930, referred to in paragraph 982 of the Highways and Fire and Water Committee's report of the 8th October 1930.

Chairman.

is not enough to defray the overhaul. I therefore suggest that a supplemental estimate of say £100 should be voted to cover this additional expenditure."

It was further reported that the carrying out of the work had now been completed and that Messrs. Pope & Sons' account, amounting to £135 0s. 3d., had been received;

RECOMMENDED—

(*a*) that the action taken be approved;

(*b*) that the matter be referred to the Finance Committee with a suggestion that a supplementary estimate of £135 be made to cover the expenditure.

(2) Fire Brigade—Staff.—It was reported that Fireman Greneski had tendered his resignation and had left the service of the Council on the 4th October, 1930.

The Committee decided—

(*a*) that advertisements be issued inviting applications for a successor on the terms already approved by the Council;

(*b*) that the Chief Officer be authorised to continue the engagement of a temporary man on the usual terms from the 1st October, 1930, until the date when the newly appointed fireman commences duty;

RECOMMENDED—

(i) that the action taken be approved;

(ii) that the Committee be empowered to make the appointment subject to report.

(3) Fire Brigade—First Aid Lectures.—It was reported that the Sub-Committee had authorised the Chief Officer of the Brigade to arrange for five of the firemen to take a course of lectures in first aid at a total cost of £1;

RECOMMENDED that such expenditure be approved.

(4) Fire at No. 83, High Road, East Finchley—26th September, 1930.—In accordance with instructions the Chief Officer submitted a detailed report in connection with the above.

(5) Requisitions.—

RECOMMENDED that the lists of requisitions (circulated) be approved subject to the addition of the following item :—

Fire Brigade—Second Officer's Quarters.—

Supply and laying of linoleum for staircase and provision of 4 blinds ... £3 3s. 0d.

(6) Bitumen Boilers.—

RECOMMENDED that advertisements be issued inviting tenders for two 320 gallon Bitumen Boilers.

(7) Petrol Filling Station—Junction of Great North Road and Churchfield Avenue.—It was reported that the Surveyor had had an interview with a representative of the North Finchley Motors and Metals Limited relative to the question of the sett crossing which was proposed to be placed at the entrance to the Company's premises in Churchfield Avenue;

RECOMMENDED that the Surveyor inform the Company that the Council cannot see their way to depart from their usual practice.

(8) Land—Hendon Lane.—It was reported that the Surveyor had received a letter, dated 21st August, 1930, from Messrs. Brougham & Company, enquiring whether the small plot of land next to their yard in Hendon Lane could be let to them for purposes of their business and, if so, upon what terms;

RECOMMENDED that the Surveyor reply to the effect that the Council are not desirous of letting the land in question.

PERCIVAL. T. HARRISON.
ENGINEER AND SURVEYOR.

29th September, 1930.

These (together with the three preceding pages) are the requisitions referred to in paragraph 982 (5) of the Highways and Fire and Water Committee's repprt of the 8th October 1930.

Chairman.

(9) Damaged Service—King Street.—It was reported that the Surveyor had received a communication dated 7th August, 1930, from the North Middlesex Gas Company relative to a complaint made as to a broken service in King Street due, it was alleged, to the sewer work carried out by the Council in 1925 and asking to be furnished with an order for the repairs to cover the cost of the work, viz :— £13 5s. 9d. ;

RECOMMENDED that the Surveyor reply to the effect that the Council cannot admit any liability in the matter.

(10) Direction Signs.—It was reported that the Surveyor had received a request for the Council's consent to the erection of a number of signs indicating the position of St. Philip's Catholic Church, Regents Park Road, Finchley;

RECOMMENDED that the Surveyor be instructed to reply to the effect that the Council will be prepared to agree to the erection of one sign only in a position to be selected by the Church Authorities and to be approved by the Council.

(11) Pneumatic Pick.—The Committee considered the tender received from the Ingersoll-Rand Company, Limited, in respect of the above which had been opened at the last meeting of the Council and the Surveyor reported that same amounted to a sum of £309 2s. 4d. exclusive of silencers;

RECOMMENDED—

(*a*) that such tender at the sum mentioned above be accepted;

(*b*) that the Clerk be instructed to prepare the necessary contract.

(12) Highways—Trees.—

(*a*) Generally.—It was reported that a large number of requests had been received for the lopping of trees in various parts of the district and that, on this occasion, the Surveyor had been instructed to arrange for such requests to be dealt with by the Superintendent of the Avenue House Grounds;

RECOMMENDED—

(i) that the action taken be approved;

(ii) that, as regards any similar requests in the future, the Sub-Committee consider same and be authorised to arrange, through the Surveyor, for such of them as they may decide to be dealt with by the Superintendent of the Avenue House Grounds.

(*b*) It was reported that the Council at their last meeting had agreed to the removal of the tree outside "Fairfield," Cyprus Gardens, but that a communication had since been received from Mr. E. A. Pink, the occupier of the premises, stating that he now desired to withdraw his request in view of protests having been received from his neighbours against the removal of the tree; in these circumstances it was

RECOMMENDED that the tree in question be lopped instead of being removed.

(*c*) It was reported that the Sub-Committee had considered a communication received from the Proprietor of Brambles Garage, 139, High Road, East Finchley, stating that his premises and advertisement signs were somewhat obscured by four trees situate in front of the premises and asking that such trees might be removed; further that the Sub-Committee had interviewed the Proprietor on the matter and after discussion it was

RECOMMENDED that in lieu of the removal of the four trees in question, the larger of the two trees only, immediately outside the Lyndon Garage, be removed.

(*d*) It was reported that the Sub-Committee had considered the question of the planting of trees in the High Road, North Finchley, and it was

RECOMMENDED that a tree be planted in front of the party wall to each third shop on the east side of the road from Ravensdale Av-

enue to Mortlock's Garage and also that a few trees be planted on the west side of the road opposite thereto.

(*c*) It was reported that the Sub-Committee had considered the question of the planting of a number of trees in East End Road and Nether Street, and it was

RECOMMENDED that trees be planted in those roads in the positions indicated on the plans submitted.

(13) Bus Terminus at " Hand and Flower " Public House, Whetstone.—It was reported that a letter had been re-received from Mr. F. White of the " Hand and Flower " Public House, Whetstone, stating that it was proposed to make provision for a 'bus " draw-in " at above in place of the existing one at Whetstone, which would necessitate the provision of a crossing, and enquiring whether the Council would agree thereto. After discussion it was

RECOMMENDED that a reply be forwarded by the Surveyor to the effect that the Council will raise no objection to the proposed crossing on the understanding that they will not be put to any expense whatsoever in connection with the matter.

(14) Street Lighting, etc., outside " Crewkerne," Junction of Summers Lane and the Great North Road.—It was reported that the Sub-Committee had considered a letter, dated 9th August, 1930, from Mr. F. Laurence, of " Crewkerne," High Road, North Finchley, drawing attention to the insufficient lighting at the above point and also to the lack of motor warning signs which he alleged were conducive to accidents;

RECOMMENDED—

(*a*) that the tree in the Great North Road outside " Crewkerne " be removed;

(*b*) that the hedge at the south corner of Summers Lane fronting the Great North Road, be removed and that the question of fencing

be dealt with in connection with the lay-out by the Education Committee of the Gun Station site as a school playing field;

(*c*) that reflector cross road motor warning signs be placed in Summers Lane and in Granville Road on the existing red triangular signs.

(15) Lighting—Long Lane—Junction with North Circular Road.—It was reported that the Sub-Committee had considered a report from the Electrical Engineer making certain suggestions for improving the lighting at the above point;

RECOMMENDED—

(*a*) that the two trees which flank the lamp column near to the southern corner (the first column past the North Circular Road from Squires Lane on the right hand side) which obscure a good deal of the light from that column be thinned;

(*b*) that the height of the existing column on the south-west corner near to the pillar box be raised, and that a higher candle power lamp be provided at a cost of approximately 30/-.

(16) Drinking Trough.—It was reported that the Sub-Committee had considered a communication from Miss E. Goslett suggesting the provision of a water trough by Moss Hall Grove, Alexandra Grove or Dale Grove, and indicating that the Metropolitan Drinking Trough Association would probably supply same if the Council would accept it and guarantee its erection and upkeep;

RECOMMENDED that the Surveyor reply to the effect that the Council regret that they cannot see their way to take any action in the matter.

(17) Proposed Improvement—Junction of Gravel Hill and Regents Park Road.—It was reported that the Sub-Committee had considered further the question of proceed-

ing with the carrying out of this improvement in the light of the negotiations which the Surveyor had had recently with the Church Authorities;

RECOMMENDED that, in the circumstances, the works already approved by the Council be not commenced pending a further report from the Surveyor.

(18) Improvement by Brinmaur, Nether Street.—It was reported that the Sub-Committee had considered a communication from Mr. P. C. Batten, of 22, Clifford Road, drawing attention to the possible danger to pedestrians by the stone-work surrounding the tree stump which was allowed to remain when the improvement in front of the above premises was carried out;

RECOMMENDED—

(*a*) that such stone-work and the tree stump be removed;

(*b*) that a small tree be planted in line with the existing trees.

983 **Postal Facilities—Stamp Selling Machines.**—It was reported that the Council at their last meeting had referred to the Committee for consideration a letter, dated 15th September, 1930, from the Hon. Secretary of the Finchley Division Liberal and Radical Association forwarding copy of the following resolution passed by such Association and which the Council were asked to support, viz.:—

"That this Executive Committee of the Finchley Division Liberal and Radical Association calls the attention of the Postmaster General to the entire absence of facilities for purchasing stamps on the East side of the main Great North Road in the North Finchley district and, in view of the many accidents caused by the ever increasing traffic along that thoroughfare, urges him to place a stamp-selling machine at some convenient spot between:—

(1) Friern Watch Avenue and Woodhouse Road on the East side of the Great North Road.

(2) Woodhouse Road and East Finchley on the East side of the Great North Road.

(3) Nether Street and Church End Station on the East side of Ballards Lane."

RECOMMENDED—

(*a*) that the above resolution be supported by the Council;

(*b*) that the Works Sub-Committee be asked to consider other suitable sites in the district for these machines.

984 **Highways—Re-numbering—Ballards Lane.**—A petition was submitted signed by twenty-three occupiers of premises in Ballards Lane, urging the Council to number forthwith the premises in that road;

RECOMMENDED that the Clerk reply to the effect that in the opinion of the Council, such a course is not practicable at the present time.

985 **Private Streets — Lighting—Allandale Avenue.**—The Clerk reported receipt of an application for lighting in the above street;

RECOMMENDED—

(*a*) that the above-named street (not being a highway repairable by the inhabitants at large), situate within the Council's district, not being lighted to the satisfaction of the Council, the plan and estimate submitted by the Surveyor for carrying out the work be approved by the Council, and that the Clerk be instructed to give notice to the respective Owners and Occupiers of the premises fronting, adjoining or abutting on the said street, requiring them to carry out the work shown in such plan and estimate within the period of one month mentioned in such notice;

(*b*) that, failing compliance with such notices, the Council do themselves carry out the work at the cost of the Owners; and

(*c*) that it be referred to the Finance Committee to make the necessary financial arrangements.

986 **Highways—Repairs.**—Referring to Minute No. 133, a communication, dated 18th September, 1930, from the Secretary of the Metropolitan Electric Tramways, Ltd., in the following terms was submitted :—

> "With reference to your letter of the 27th May, I would say, for the information of your Council, that there has only been one case of damage to a shop window alleged to result from flying stones. This was the case which occurred in the High Road, Tottenham, on the 21st March, and is a matter in which the Company has not any responsibility."

987 **Private Street Works—20th Batch—Proposed Loan—£27,150.**—It was reported that the Inquiry by the Ministry of Health into the Council's application for sanction to the borrowing of the above-mentioned sum was held on the 23rd September, 1930.

988 **Proposed Widening—Great North Road—Between Eton Avenue and Fallow Court Avenue.**—Referring to Minute No. 902 (*i*) the Surveyor reported that Mr. Green had now intimated that he was prepared to convey to the Council the forecourts to the flanks of the corner shops;

RECOMMENDED—

(*a*) that the land be included in the conveyance referred to in the said Minute;

(*b*) that the Surveyor make enquiries with a view of ascertaining when the County Council are likely to pass their formal resolution dealing with the question, and report at the Council Meeting.

989 **Wayleaves.**—The under-mentioned application from the Post Office Authorities was submitted :—

> Underground Line along the south-west side of Rosemary Avenue, from the rear of No. 58, Squires Lane to Nos. 15/17, Rosemary Avenue.

RECOMMENDED that such application be approved subject :—

(*a*) to the actual position of the cable being agreed by the Council's Surveyor; and

(*b*) to the work being carried out to his satisfaction.

990 **Improvement—Chandos Avenue.**—The Surveyor reported upon an offer which he had received from Messrs. C. F. Day, Ltd., to convey to the Council two strips of land in the above road at its junction with the Great North Road;

RECOMMENDED—

(*a*) that Messrs. C. F. Day, Ltd. be informed that the Council will be prepared to pay to them the sum of £22 as consideration for the two strips of land in question as shown on drawing No. 7508 provided Messrs. C. F. Day, Ltd. will pay to the Council a like sum, being the estimated cost of the necessary works in Chandos Avenue;

(*b*) that, in the event of the above arrangement being agreed, the Clerk take the necessary steps with regard to the conveyance to the Council of the two strips of land in question;

(*c*) that the Council approve payment of the agreed Vendors' Solicitors' costs in connection with the transaction;

(*d*) that the matter be referred to the Finance Committee with a view to their making the necessary financial arrangements.

991 **Bridge—Bottom of Hendon Avenue.**—The Surveyor reported as follows:—

> "I have to report the completion of the foot-bridge over the Dollis Brook at the bottom of Hendon Avenue, at a total cost of £193 4s. 7d. as against an estimate of £200 0s. 0d."

992 **Dollis Avenue—Traffic Conditions.**—The Surveyor reported the receipt of a Memorial from thirteen residents in Dollis Avenue (between Dollis Park and Church Crescent) complaining of the effect of the heavy traffic from the goods station. He further reported that he had informed the Memorialists that this

road was being resurfaced with tarmacadam in the near future, but that they had asked the Council to consider the possibility of steps being taken either for the lorries to be diverted from a residential road, which was never constructed for such traffic, or for the speed limit of 12 miles an hour to be enforced;

RECOMMENDED that the Surveyor be instructed to take up the matter with the Police Authorities and report further thereon at next meeting.

993 **Plans.—**

(*a*) No. 7404—Surface Water Sewer—New Road off Woodside Avenue;

(*b*) No. 7390—Surface Water Sewer—Lyttelton Road—near Winnington Road;

The above plans were submitted;

RECOMMENDED that same be approved so far as this Committee are concerned.

994 **Instructions.—**

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

L. W. BENNETT,

Chairman.

ALLOTMENTS COMMITTEE'S REPORT.

9th October, 1930.

Present: Councillor Pulham (Chairman), Councillor Langlands (Vice-Chairman), and Councillors Pateman and Williams, and Messrs. Robin, Rolfe, Sunderland and Tayler.

995 **Minutes.**—The Minutes of Meetings held on the 10th July, 1930, and on the 5th and on the 13th August, 1930, were taken as read, confirmed and signed.

996 **Town Planning—Reservation of Land for Allotments.**—Arising out of Minute No. 163 (c) (i) of the Committee's report of the 8th May, 1930, the Chairman reported that he had conferred with the Chairman of the Town Planning and Open Spaces Committee hereon, but that they had been unable to find any land suitable for reservation for allotment gardens under the Council's Town Planning Scheme No. 2, to accommodate the allotment holders who will be dispossessed when the Lease of the Finchley Manor Allotment land expires in 1935.

997 **Allotments.**—

(*a*) Finchley Manor.—The Clerk submitted a letter, dated 27th August, 1930, from Messrs. William Cutbush and Son, Ltd., stating that they were contemplating giving up the land off East End Road leased to them by the Council, and enquiring whether the Council were desirous of taking possession of the land at an early date.

The Clerk was instructed to communicate with the Finchley Manor Allotment Society, Ltd., with a view to ascertaining whether the Society would be prepared to take over the land in question in exercise of the option contained in their Lease from the Council;

RECOMMENDED that the action taken be approved.

(*b*) Summers Lane—Glebe Land.—Arising out of Minute No. 555 (a) of the Committee's report of the 10th July, 1930, the Chairman reported that he had inspected and approved the sites of the proposed sheds at above;

RECOMMENDED that, subject to the size and structure being approved by the Surveyor, the erection of the sheds on the above sites be approved.

(*c*) Cherry Tree Hill.—

(i) The Clerk reported that, on the instructions of the Chairman, the requisite Surrender of the land to be leased to Mr. E. Furnival Jones had been executed;

(ii) The Clerk reported that, in accordance with the instructions of the Committee, he had communicated with Messrs. Clutton with regard to the land adjoining the above allotments, and that Messrs. Clutton had informed him that, as this land, together with the land at present held by the Council on lease, was to be developed for building purposes so soon as such lease expired, they were unable to recommend their clients to grant the Council a tenancy thereof;

(iii) It was reported that the purchase of 2a. 1r. 33p. of the above-mentioned land from the Ecclesiastical Commissioners was completed on the 31st July, 1930.

(*d*) East Finchley,—

(i) It was reported that the purchase of this area from the Ecclesiastical Commissioners had been completed;

RECOMMENDED—

(1) that, notwithstanding anything contained in Minute No. 1575 (c)—1927/8, the Lease to the East Finchley Allotment Holders' Association date from the 25th December, 1930;

(2) that application be made to the appropriate Government Departments for any necessary consents;

(3) that the matter be referred to the Finance Committee.

1001 **Special School Child.**—

RECOMMENDED that arrangements be made for the admission of "M.W." a scholar attending Squires Lane School, who is suffering from "Right Con. Torticollis (Wry neck right shoulder)" to the Royal National Orthopædic Hospital for operative treatment, at a fee of £2 per week for cost of education and treatment, the parent to contribute 10s. 0d. weekly towards this expenditure.

1002 **Extra District Children.**—

RECOMMENDED that the Association of Education Committees be requested to endeavour to secure in any future educational legislation introduced, powers to enable Education Authorities, if they so desire, to refuse admission to public elementary schools within their area of any child

residing outside such area, provided such powers shall not be exercised where the Education Authority for the area in which the child resides is willing to enter into an agreement for the payment of the cost of the education of such child.

1003 **Appointments.—**

RECOMMENDED—

(*a*) that Mr. Iowerth Evans, B.Sc., be appointed assistant master in the full-time service of the Finchley Education Authority, exclusively in the capacity of a teacher, in the place of Mr. G. W. Burns, resigned, to commence duties as from 1st November, 1930, at the Long Lane School, and to serve in such other school as the Authority may from time to time direct, at a salary in accordance with the Burnham Scale, subject to the usual terms and conditions approved by the Council in September, 1927;

(*b*) that consent be given to the appointment by the Managers of St. Mary's School, of Miss C. A. Grainger, as certificated assistant in full-time service exclusively in the capacity of a teacher, in the place of Miss Foat, resigned, from the 1st November, 1930, subject to the usual terms and conditions approved by the Council in September, 1927.

1004 **Accounts.**—Accounts amounting to £6,149 13s. 7d. have been examined and passed to the Finance Committee for payment.

1005 **Repairs and Requisitions.—**

Amended **RECOMMENDED** that the requisitions set out in the list circulated be approved.

1006 **St. Mary's School—Wear and Tear Repairs.**—The Managers of the St. Mary's School have incurred expenditure for decorations and repairs to the amount of £207 1s. 6d. Of this £157 10s. 6d. is applicable to work coming within the usual wear and tear arrangement. The Managers therefore ask the Education Authority to agree to a contribution in respect thereof;

RECOMMENDED that the Council contribute £100 in respect of the expenditure of £157 10s. 6d. referred to above.

1007 **Our Lady of Lourdes R.C. School.**—The Managers report that the cost of erecting the platform in the school hall has been £34 14s. 6d. and enquire whether any contribution in respect of this paymet will be made by the Education Authority;

RECOMMENDED that the Council contribute £17 10s. 0d. towards the expenditure of £34 14s. 6d. incurred by the Managers in the provision of a platform for the school hall.

1008 **Music and Dancing Licences—School Halls—County Council Requirements.**—Communications received from the County Engineer specifying certain requirements to be effected in connexion with the application for licences for the School Halls have been received and considered. Instructions have been given to comply with these requirements in respect of North Road School and Albert Street School, the estimated cost thereof being £8 and £10 respectively.

The improvements called for at the Long Lane School would involve an expenditure of approximately £47. As this school is not used for public entertainments it has been resolved to withdraw the application for a licence.

RECOMMENDED that these actions be approved.

1009 **Special Constabulary.**—Chief Inspector H. A. Rutt of the Metropolitan Special Constabulary enquires whether he may be allowed the use of the hall at Squires Lane School for drill purposes on the first Monday in every month, November to April, from 8.30—10.0 o'clock;

RECOMMENDED that, in consideration of the Special Constabulary being a National service, the application of Chief Inspector Rutt for the use of the hall at Squires Lane School be granted as desired, subject to the Caretaker being satisfactorily remunerated.

1010 **Church Mission Sunday School, East Finchley.**—Mr. A. N. Fitzgerald, of 40, Grove Avenue, Muswell Hill, one of the Superintendents of the Mission Sunday School at King Street, East Finchley, enquires whether the Education Authority will allow the Infants' Hall at Long Lane School to be used by them on Sunday afternoons from 3—4 o'clock for Sunday School purposes;

RECOMMENDED that this application be not granted.

1011 **Football Field—Glebe Land.**—A letter has been received from the Principal of the Grammar School at East Finchley, enquiring whether it will be possible for him to have the use of a football pitch on the Glebe Land Playing Field from 1.45—3 on Wednesday afternoons, upon payment of a rent for the same.

RECOMMENDED that this application be granted temporarily until the Committee consider the time-table in respect of the use of the ground by the scholars from the elementary schools. The use of the ground by scholars from the private school to be subject to a rent at the rate of £1 per term.

1012 **Salaries of Teachers—Burnham Scale.**—The Board of Education have forwarded Amendment No. 5 (July, 1930), relating to the report of the Standing Joint Committee on Scales of Salaries for Teachers in Public Elementary Schools, whereby it is provided that for the purpose of grant an allowance over and above the scale may be made in the case of teachers of handicraft in respect of trade or workshop experience after the age of 21;

RECOMMENDED that, as from the 1st October, 1930, the salary of Mr. F. Bradshaw (Handicraft Instructor at the Albert Street School) be increased by a sum equal to one annual increment, namely £12, under Section 14 of the Burnham Award, in respect of his trade and workshop experience.

1013 **Supply Appointments.—**

RECOMMENDED that the following supply appointments be approved, viz. :—

Name.	School.	From.	To.	In place of.
Mrs. Collinson	S.M.I.	1 /9/30	Still serving	Miss Foat, resigned.
Mrs. Gunningham	N.R.J. L.L.S.	1 /9/30 1/10/30	12/9/30 Still serving	Miss Gillett, ill. Mr. Burns, resigned.

1014 **Reports of Meetings of the Children's Care Sub-Committee and of the Juvenile Employment Committee of the 2nd October, 1930.**—These reports, as circulated to members, have been considered and adopted. Approved

1015 **Reorganisation.**—The question of the reorganization of the public elementary schools in Finchley on the lines recommended in the " Hadow " Report has received the careful consideration of the Education Committee.

The subject as it affects the schools in this district has been set out fully in reports issued to members in March and May, 1930.

The Council will remember that the essential features of reorganization are :—

(1) To effect a complete break in the school life of a child at 11 plus, whether such child is passing to a secondary school or remaining in the elementary school. (At present the children passing to secondary schools only obtain this break).

(2) To reorganize the elementary schools into :—
Junior Schools :—age range 5—11.
Senior Schools :—age range 11 and upwards.

(3) To provide a definite three-years' or four years' course of instruction in the senior schools.

(4) To develop practical instruction in all schools, particularly in the senior schools.

The following suggested proposals are submitted for the Council's consideration :—

(A) **North Ward**:

Subject to agreement being secured between the Managers of the Christ Church School and the Education Authority as to the adaptation of that school for use by senior scholars (such adaptation to eliminate the use of the Stephen's Memorial Hall), the schools in the North Ward shall be re-organized as from the date of the opening of the new school on the Summers Lane site as under :—

(a) Juvenile Employment Bureau.

(i) General and Statistical. For the last few months the Bureau has been fully employed in dealing with an increasing number of boys and girls seeking employment.

A School Leavers' Meeting was held at the North Road School, on July 22nd 1930, which was well attended by children and parents. Councillor L.W.Bennett was the chief speaker on this occasion. Refreshments were provided and an entertainment was given by pupils of the North Road Senior School (under the direction of Mr. Cowling).

The Schools broke up on the 25th July and subsequently there has been an unusual number of school leavers applying for the assistance of the Bureau.
The following statistics cover the period 20th May, 1930 to 22nd September, 1930:-

(ii) After-Care Work.

Miss Syer, After-Care Organiser, reports that the following ladies have helped in visiting children who have left school, viz:- Mrs.Arbour, Miss Davey, Miss Dawson, Mrs.Elkan, Mrs.Isaacs, Miss Syer and Miss Watts, Mrs.Elkan has kindly promised to help in the clerical work which Miss Gray gave up at the end of July. Mrs.Arbour and Miss Gray have removed from the district. Thanks are due to them for their help in the past.

At the end of March 81 children (48 girls and 33 boys) could leave school. A large number were continuing their education at Evening Classes or in other ways. Two boys were attending a Trade School. One girl is having two years commercial training and will then go into the same office as her father. Another is to be trained in a R.C.Home for three years to become a nursery governess. Two girls at home are having lessons in shorthand and typewriting.

From the visits made it was found that the children were generally in satisfactory occupations.

The visiting of the children who left at Midsummer is now in hand.

b) 18th Annual Report.

The 18th Annual Report on Juvenile Employment and After-Care for the year ended 31st July, 1930 has been circulated to members.

This (together with the preceding page is the report of the Juvenile Employment Committee referred to in paragraph 1014 of the Education Committee's report of the 13th October, 1930.

J. R. LESLIE,
Chairman.

7. Report of Meeting of Children's Care Sub-Committee of the 2nd October, 1930.

Present: Mrs.A.S.Miall (Chairman), Miss A.C.Syer; Messrs.E.A.Bolding, W.J.Cowling, A.E.Smith.

(a) Supply of Spectacles.

Since the last meeting nine school children have been supplied with spectacles through the agency of the Committee who accepted responsibility for the cost thereof.

In the majority of the cases the parents are re-funding the amounts in weekly instalments.

(b) Provision of Surgical Instruments.

In a case of a school girl requiring surgical instruments at a cost of £3. 14s. 0d., your Sub-Committee were able to give assistance to a necessitous case and, through the kindness of a friend who sent Royal Surgical Aid Letters, the instruments have been supplied to the girl free of cost to the parents and to the Committee.

Another school girl has recently undergone an operation and prescribed surgical instruments at a charge of £2.10s.0d. for which the Committee accepted responsibility. A grant has been secured from the United Services Fund, and with a small grant from the Care Committee the parent will be called upon to subscribe only a small proportion of the cost which has been based according to circumstances.

(c) Middlesex Edward VII Memorial Fund.

It has already been reported that Collington Manor, Bexhill-on-Sea, is now secured as a permanent seaside holiday and convalescent home for necessitous children in the County of Middlesex. It was formally opened on July 22nd,1930. An appeal for funds had been made and the Finchley Care Committee contributed £5.

Through the agency of the Care Committee the following generous amounts have been forwarded to the Middlesex Edward VII Memorial Hostel Fund additional to the above contribution, viz:-

Proceeds of private whist drives promoted by Mr.Odell of the North Road Junior School - £4. 0. 0.

Proceeds of an entertainment by pupils of the North Road Junior School, per Miss M.H.Piggott - £ £15. 0. 0.

Donations from "Teachers in the Finchley Schools" per Mr.A.E.Smith - £10. 2. 0.

Proceeds of Concert, etc., North Road Senior School, per Mr.W.J.Cowling - £4. 8. 3.

Proceeds of Concert promoted by Mrs.Chalk, per Miss Steward, Squires Lane Infants' School - £3. 17. 6.

With regard to the Committee's decision to send fifty necessitous school children to Bexhill-on-Sea for one week's holiday each, at a cost of £1. per child, arrangements were duly made and completed. Head Teachers were asked to send in a list of nominees and from these fifty children were selected by a Sub-Committee and sent to Bexhill in parties at intervals during the past few months. The children assembled at the Education Office, and were then escorted to Charing Cross to meet the guide from the Home who accompanied them to Bexhill. Similar arrangements were made for their return.

Children selected were from the under-mentioned schools:-

School.	Boys.	Girls.	Total.
Long Lane	7	7	14
Albert Street	3	3	6
Squires Lane	3	1	4
North Road	2	3	5
St. Mary's	2	1	3
St. John's	2	-	2
Christ Church	1	5	6
Holy Trinity	3	2	5
Bow Lane R.C.	2	3	5
Total:	25	25	50

The expenses incurred in fares for children and officials in travelling from the Education Office to Charing Cross, and the journeys vice-versa amounted to £2. 17s. 8d.

A summary of the children sent this year with the cost incurred is as under, viz:-

25 boys and 25 girls at £1. per child	£ 50. 0. 0.
1 boy sent for three weeks (Convalescent home treatment)	£ 1. 10. 0.
1 boy and 1 girl free places	-
Fares of children and officials	£ 2. 17. 8.
(27 boys and 26 girls) .....Total:	£ 54. 7. 8.

Many of the parents have expressed their thanks for the kindness accorded to them in providing a holiday for the children, who seemed to have thoroughly enjoyed and benefited themselves, and for the arrangements made on their behalf.

The following subscriptions have recently been received towards the funds of the Children's Care Committee.

	£.	s.	d.

Re Long Lane and North Road (Senior) Schools.—

As regards these schools, if it is found to be desirable, the arrangement may be alternatively :—

(a) Long Lane, senior girls'; North Road, senior boys'.

or (b) having regard to the accommodation, two mixed schools, each with a different bias.

Your Committee **RECOMMEND**—

(*a*) That authority be given to the Education Committee to carry out the above-mentioned arrangements to give effect to the re-organization referred to above, and authority given also :—

(i) To arrange meetings with parents to explain the Authority's proposals and to enlist their co-operation.

(ii) To effect transfers of teachers.

(iii) To prepare requisitions for suitable additional furniture and for the equipment of science and practical workrooms for the senior schools.

EDUCATION *(continued).*

(iv) That, so far as the **existing teaching staff permits,** in each senior school there shall be one additional class teacher (over and above the normal calculation of 40 scholars per class teacher) for every 160 scholars.

(*b*) That, as from the date re-organization is introduced at the various schools, the accommodation shall be revised as set out in column 4 of the typed schedule circulated to members.

unnecessary

(*c*) That after consultation with the parents referred to in paragraph (a) above, liberty be given to the Education Committee to vary the above-mentioned proposals, if in the development of the re-organization it may appear desirable so to do, subject to report to, and confirmation by, the Council.

Chairman.

GENERAL PURPOSES COMMITTEE'S REPORT.

14th October, 1930.

Present: Councillor Merry (Chairman), Councillor Bennett (Vice-Chairman), and Councillors Briant, Pike, Sommerfield, C. S. Syrett, H. O. Syrett and Wells, and Councillors Pateman and Ryan (non-members).

1016 **Minutes.**—The Minutes of Meetings of the Committee held on the 16th August and 9th September, 1930, were taken as read, confirmed and signed.

1017 **Requisitions.**—

RECOMMENDED that the lists of requisitions (circulated), be approved, subject to "£11 13s. 4d." being substituted for "£14 0s. 0d." against the item "40,000 Commercial Envelopes." Annexed.

1018 **Workmen's Dwellings—Sub-Letting.**—The Committee had before them a number of communications which had been received arising out of the resolution passed by the Council in July last, in connection with the above, and referred same to the Workmen's Dwellings (Letting) Sub-Committee for consideration.

1019 **Council Offices — Safes.**—The Clerk reported upon a number of quotations received in connection with the above;

RECOMMENDED—

(*a*) that the quotation, dated 2nd October, 1930, of the Birmingham Safe Company for the supply of a safe at the sum of £51 10s. 0d. be accepted;

(*b*) that the Clerk be instructed to prepare the necessary contract.

1020 **Local Government and Other Officers' Superannuation Act, 1922.**—

(*a*) A communication, dated 30th September, 1930, was submitted from the Ministry of Health stating that the Minister had approved the resolution passed by the Council on the 22nd September, 1930, designating, as established for the purposes of the Act, the additional post specified

therein. The Clerk stated that the resolution referred to related to the post of General Clerk in his Department to be occupied by Mr. D. Blakey.

(*b*) A Certificate was submitted from the Medical Officer of Health to the effect that, in his opinion, Mr. W. J. Hall, the Farm Clerk, was incapable of discharging the duties of his employment with efficiency by reason of permanent ill-health.

(*c*) **RECOMMENDED** that as from the 1st November, 1930, Mr. A. A. Tarbox occupy the designated post of " Bath Superintendent " in the Surveyor's Department, vacated by Mr. F. A. Stevens.

1021 **Private Bills—Alteration of Standing Orders.**—Reference was made to a letter, dated 12th September, 1930, received from Messrs. Lees & Co., advising the Council of certain important alterations which, as the result of the report of the Select Committee on Private Bills, were made in the House of Commons Standing Orders on the 29th July last, in regard to the promotion of and opposition to Private Bills, particularly in connection with the dates when the various steps had to be taken.

1022 **Unemployment Insurance Acts, 1920 to 1930—Certificates of Exception.**—A letter, dated 2nd October, 1930, was submitted from the Ministry of Labour pointing out that the Certificate of Exception granted to the Council would expire on the 4th January, 1931;

RECOMMENDED that the Clerk be instructed to make application, on behalf of the Council, for renewal of the Certificate.

1023 **Rating and Valuation Acts, 1925 and 1928—Section 37.**—A Notice of Proposal issued on behalf of the Rating Authority was submitted, from which the following was an extract :—

PERCIVAL. T. HARRISON.
ENGINEER AND SURVEYOR.

These (together with the three preceding pages) are the requisitions referred to in paragraph 1017 of the General Purposes Committee's report of the 14th October 1930.

Chairman.

10th October, 1930.

1024 **Conveyance of Christ's College to the County Council.**—The Chairman of the Education Committee reported as to the views of that Committee on the draft conveyance herein;

RECOMMENDED that such draft be approved by the Council so far as same is consistent with the contract, dated 15th November, 1927, subject to the points dealt with in Minute No. 769 and to the insertion of a clause relieving the Council from liability under Clauses 5 and 7 of the contribution agreement, dated 25th March, 1902.

1025 **Staff.—**

(*a*) Absence through illness.—The names of those members of the Staff who had since last meeting been absent through illness were submitted;

RECOMMENDED that the Clerk be authorised to engage the services of a temporary Telephone Operator if such a course be found to be necessary.

(*b*) Clerk's Department—Junior Typist.—It was reported that Miss O. E. Smale had been appointed to the above position at a wage of 30s. 0d. a week for a probationary period of three months, and that she commenced her duties on the 24th September, 1930.

(*c*) Clerk's Department—Legal Assistant.—It was reported that the Practising Certificate for the above Officer would shortly be due for renewal;

RECOMMENDED that, as hitherto, the cost of such Certificate be borne by the Council.

(*d*) Surveyor's Department—Outdoor Assistant.—The Surveyor reported that Mr. H. R. Dick had tendered his resignation and that, in accordance with the authority of the Chairman of the Committee, advertisements had been issued inviting applications for a successor;

RECOMMENDED—

(1) that the action taken be approved;

(2) that a Sub-Committee, consisting of the Chairman of the Council, the Chairman of

this Committee and the Chairman of the Town Planning and Open Spaces Committee, be authorised to make the appointment subject to report.

(*c*) Surveyor's Department—Temporary Clerical Assistance.—

RECOMMENDED that the Surveyor be authorised to arrange for the continuance of temporary clerical assistance in his Department until the date of the Ordinary Meeting of the Council in November, 1930, at a cost at the rate of £4 10s. 0d. a week.

1026 **Hendon Local Employment Committee.**—A letter, dated 9th October, 1930, was submitted from the Ministry of Labour stating that the above Committee on which this Council were represented had now completed its third term of office; that the Minister had decided to re-appoint the Committee for a further period of three years and would be glad if the Council would appoint one representative to serve thereon. It was reported that the last representative of the Council on the Committee was Councillor Pulham;

RECOMMENDED that Councillor Pulham be re-appointed to serve on the Committee.

1027 **Middlesex County Council Act, 1930.**—The Clerk reported that the above had now received Royal Assent;

RECOMMENDED that a strong letter of protest be forwarded to the County Council relative to the insertion of Section 61 of the Act, dealing with the repeal of Section 40 of the Lee Conservancy Act, 1900.

1028 **Avenue House—Use of.**—A letter, dated 3rd October, 1930, was submitted from Messrs. Lees & Co., stating that they had taken out a Summons in the above matter, which was returnable on Friday, the 17th October, 1930, at 12 o'clock (noon).

1029 **Valuation Department—Card Index.**—Councillor H. O. Syrett reported hereon and intimated that the Finance Committee had decided that no objection be raised to the expenditure involved; in these circumstances, it was

RECOMMENDED that the purchase of a card index at a cost not exceeding £40 be approved.

1030 **Council Employees—Compassionate Grants.**—The Surveyor reported upon an application for assistance which had been received from the widow of the late Mr. H. Green;

RECOMMENDED that she be granted a gratuity of 10s. 0d. a week under the provisions of Section 70 of the Finchley Urban District Council Act, 1908, until the date of the Ordinary Meeting of the Council in December, 1931.

1031 **Workmen's Dwellings—Painting.**—The Surveyor reported receipt of an application, dated 3rd September, 1930, from Mr. G. H. Dowse, for the release of the retention money in connection with the above;

RECOMMENDED that a further 5 per cent. of the cost of the work be released at the expiration of three months from the date of completion, and that the balance be released at the expiration of the maintenance period.

1032 **Council Dinner—1930.**—The Committee appointed a Sub-Committee, consisting of the Chairman and the Vice-Chairman of the Council and the Chairman of the Finance Committee, to make the necessary arrangements in connection with the above.

1033 **Instructions.—**

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.

D. A. A. MERRY,

Chairman.

FINANCE COMMITTEE'S REPORT.

14th October, 1930.

Present: Councillor Sommerfield (Chairman), Councillors Langlands (Vice-Chairman), C. S. Syrett, H. O. Syrett, Wells and Williams, and Councillor Pateman (non-member).

1049 **Minutes.**—The Minutes of a meeting held on the 10th September, 1930, were taken as read, confirmed and signed.

1050 **Treasurer's and Accountant's Statements.**—These were submitted.

1051 **Small Dwellings Acquisition Acts.**—

(*a*) Advance—£640.—

RECOMMENDED—

(1) that an advance with interest at the rate of £5¼ per centum per annum be made to the applicant mentioned in the list circulated herewith, subject to satisfactory references being received; Annexed

(2) that the amount of such advance, viz., £640, be included in the list of applications to be considered at the November meeting of the Committee, when an application will be made to the Public Works Loan Board for a further advance;

(3) that the granting of an advance of £700 to the persons appearing in such list under the heading "Required Later" be approved and that such advance be made when required by the applicants.

(*b*) Approved Advances.—The Accountant reported that, including the sums recommended at this meeting, but excluding the sum of £700 referred to in paragraph 1051 (a) (3), the Council would have approved advances amounting to £526,390.

(*c*) Advances Repaid.— It was reported that in the under-mentioned cases the principal outstanding had been paid, together with all interest charges :—

Mortgage No.	Proprietor.	Premises.
88	McDonald, R. L. C.	16, St. Margaret's Avenue.
130	Tobias, Mrs. L.	17, Wentworth Park.
461	Mahony, Mrs. M. E.	67, Lyndhurst Gardens.

(*d*) Arrears of Instalments.—

(i) Advance No. 73.—The reference from the Council hereon was considered, and the Clerk was instructed to inform the Mortgagor that unless the instalments of principal and interest due under his mortgage are paid by the date of the meeting of the Council, the Council will have no alternative but to take the necessary steps for the sale of the property in question.

(ii) Advance No. 384.—The reference from the Council hereon was considered.

The Accountant reported that the Mortgagor had paid the instalment which became due on the 29th September, 1930, but that the arrears of principal amounting to £10 10s. 3d. were still outstanding.

The Clerk was instructed to inform the Mortgagor that unless the amount outstanding is discharged by the date of the meeting of the Council, the Council will have no alternative but to take the necessary steps to obtain possession of the property;

RECOMMENDED that the action taken be approved.

1052 **Finchley Golf, Sports and Social Club, Ltd.—Guarantee as to Financial Stability.**—A letter was submitted, dated 23rd September, 1930, from the Finchley Golf, Sports and Social Club, Ltd., stating that the amount subcribed to the capital of the Company now exceeded the sum of £10,000 prescribed by the Council, and asking that the Council would now confirm that the subscribers to the guarantee given to them were relieved of their responsibility in the matter;

RECOMMENDED that this be agreed.

FINANCE *(continued).*

1053 **Playing Field Adjoining North Road School.**—A letter was submitted, dated 15th September, 1930, from the Ministry of Health, forwarding formal sanction to the borrowing by the Council of the sum of £2,150, repayable within a period of 60 years for the purchase of land as a playing field adjoining the North Road School. It was stated that the Department would be prepared further to consider the application for sanction to borrow £750 in respect of fencing when the Board of Education had approved the expenditure involved.

1054 **Sewage Disposal Works Extensions—Loan—£33,000.**—A letter was submitted, dated 22nd September, 1930, from the Ministry of Health, forwarding formal sanctions to the borrowing by the Council of the sums of £30,420 and £2,580, repayable within periods of 30 and 15 years respectively, with respect to extensions at the Sewage Disposal Works.

1055 **Lay-out of Old Depôt Site—Ballards Lane.**—A letter was submitted, dated 22nd September, 1930, from the Unemployment Grants Committee, stating that on their recommendation, and subject to the conditions laid down in the leaflet U.G.C. 26, the Minister of Labour had approved the above scheme for a grant from Exchequer funds as follows :—

> 75 per cent. of the wages of the unemployed men taken on for the work.

The letter also stated that the grant was limited to the maximum amount of £300, and it was a further condition that the work should be actively commenced by the 20th October, 1930, and completed within three months of commencement.

It was reported that the Town Planning and Open Spaces Committee were of opinion that the terms were such as the Council could accept, and had given instructions to the Surveyor to proceed with the work;

> **RECOMMENDED** that the Clerk be instructed to reply that the terms of grant referred to in the above-mentioned communication are acceptable to the Council.

1056 **Spinney — Dollis Road.**—The recommendation of the Town Planning and Open Spaces Committee hereon was reported;

RECOMMENDED—

(1) that no objection be raised thereto on financial grounds;

(2) that the Council approve a supplementary estimate of £53 in respect of the expenditure involved.

1057 **Private Streets—Lighting—Allandale Avenue.**—The recommendations of the Highways and Fire and Water Committee hereon were reported.

The Surveyor intimated that his estimate of the works in question had not yet been prepared, and the further consideration of the matter was accordingly deferred to the next meeting of the Committee.

1058 **Maternity and Child Welfare Centre—Bourchier House.**—A letter was submitted, dated 9th October, 1930, from the Ministry of Health, forwarding formal sanction to the borrowing by the Council of the sum of £2,690, repayable within a period not exceeding 30 years, with respect to the purchase of Bourchier House for the purpose of a Maternity and Child Welfare Centre.

1059 **No. 2 Motor Fire Combination—Overhaul.**—The recommendation of the Highways and Fire and Water Committee hereon was considered;

RECOMMENDED—

(1) that no objection be raised thereto on financial grounds;

(2) that the Council approve a supplementary estimate of £135 in respect of the expenditure involved.

1060 **Allotments—East Finchley.**—The recommendation of the Allotments Committee hereon was reported;

RECOMMENDED that no objection be raised thereto on financial grounds.

1061 **Improvement—Chandos Avenue.**—The reference from the Highways and Fire and Water Committee hereon was considered;

RECOMMENDED that no objection be raised thereto on financial grounds.

FINANCE (*continued*).

1062 **Main Roads—Improved Lighting.**—A letter was submitted, dated 10th October, 1930, from the Ministry of Health, forwarding formal sanction to the borrowing by the Council of the sum of £1,515, repayable within a period of 10 years, with respect to the improvement of the lighting of certain roads in the district;

RECOMMENDED—

(1) that if at the end of the current financial year the estimates of the Highways and Fire and Water Committee show a surplus sufficient to cover the cost of the work in question, the work be financed therefrom, and that the sanction of the Minister of Health be not exercised;

(2) that the Highways and Fire and Water Committee be asked for their observations in regard to the matter.

1063 **Loans—Electricity Undertaking—Extensions No. 1—£16,600—Extensions No. 4—£23,859.**—The Accountant reported that the final payments had been made in respect of the above loans, and that the mortgage deeds and other documents had been returned.

1064 **Fire Insurances—Central Depôt.**—The Accountant reported that at the request of the Surveyor, he had insured the additional buildings recently erected at above in the sum of £1,700.

RECOMMENDED that the action taken be approved.

1065 **Superannuation Fund Investment Account.—**

(*a*) The Accountant reported the purchase of £1,000 5 per cent. Union of South Africa Stock at a cost of £1,021 8s. 0d.;

RECOMMENDED that the action taken be approved.

(*b*) The Accountant reported that the sum of £21 6s. 4d. had been refunded to Miss E. Reynolds on resigning her position as typist in the Clerk's Department.

1066 **Valuation Department—Card Index.**—Councillor H. O. Syrett reported that it was desired to purchase a card index at a cost not exceeding £40 for the Valuation Department, and that the matter would be considered at the meeting of the General Purposes Committee to be held later that evening;

RECOMMENDED—

(1) that no objection be raised thereto on financial grounds;

(2) that a supplementary estimate of £40 in respect of the expenditure involved be approved.

1067 **Financial—Rating—Refund of Proportions.**—It was reported that, in accordance with the resolution of the Council, the amounts indicated in the statement circulated herewith had, for the reasons stated, been refunded since last meeting.

Annexed

1068 **Instructions.**—

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction Books, be approved.

ELECTRICITY COMMITTEE'S REPORT.

15th October, 1930.

Present: Councillor H. O. Syrett (Chairman), Councillor Bennett (Vice-Chairman), and Councillors Brown, Ryan and Wells, and Mr. R. A. Marples.

1034 **Minutes.**—The Minutes of last meeting were taken as read, confirmed and signed.

1035 **Requisitions.**—

RECOMMENDED that the list of requisitions (circulated), be approved. Approved.

1036 **Accounts Sub-Committee.**—The Committee received and adopted the report of the above Sub-Committee.

1037 **Coal.**—It was reported that the present stock of coal was about 970 tons, as compared with 800 tons at last meeting; further that deliveries of coal ex-contract were coming in fairly satisfactorily;

RECOMMENDED that the purchase of the following "spot lots" at the prices mentioned in the report of the Chief Electrical Engineer be approved:— See below.

66 tons Rufford Washed Slack;
19 tons Yard Slack.

1038 **Turbines.**—It was reported that the Insurance Company had examined No. 1 turbine and auxiliaries at work and had stated that same were in order.

It was further reported that the Insurance Company had examined Nos. 2 and 3 turbines at rest, together with auxiliaries, and had reported that same were in order.

1039 **Summers Lane Sub-Station Site.**—The Chief Electrical Engineer reported upon the question of the fencing of the above site, and also as to the provision of a gate on a portion of the land fronting Summers Lane;

RECOMMENDED that the Chief Electrical Engineer be authorised to proceed with the carrying out of such work at a cost of approximately £50.

The following are the prices of the coal referred to in paragraph 1037 above:-

66 tons Rufford Washed Slack @ 20/9d. per ton.
19 " Yard Slack @ 17/- " "

Chairman.

1040 **Bulk Supply.**—The Chief Electrical Engineer reported that he had observed that the Central Electricity Board was laying three high tension mains for affording the supply to Finchley and that, as these works had now been in hand for about four weeks, he presumed that the temporary supply might be available before the end of November.

1041 **Applications for Supply.**—The Chief Electrical Engineer submitted the following report :—

tain minor auxiliary plant still required to be connected and adjusted and that these works would be completed as and when convenient at an early date.

1043 **Electricity Sub-Station—Cherry Tree Wood.**—The Chief Electrical Engineer reported that considerable wilful damage had been caused to the tiles on the roof of the above Sub-Station;

RECOMMENDED—

(*a*) that the action of the Chief Electrical Engineer in arranging for the replacement of the damaged tiles be approved;

(*b*) that the attention of the Town Planning and Open Spaces Committee be drawn to the matter, and that they be asked whether they are prepared to bear one-half of the cost involved;

(*c*) that notices be exhibited in prominent positions in front of the Sub-Station indicating that damage as mentioned above has been occasioned necessitating considerable expenditure in replacement; that legal proceedings will be taken against any persons wilfully damaging the Sub-Station, and asking for the co-operation of the public in the matter.

1044 **Supply to Border Premises—High Road, Whetstone.**—The Clerk reported upon correspondence which he had had with the North Metropolitan Electric Power Supply Company, suggesting that they should apply for a Fringe Order in connection with the supply of electricity to premises known as Nos. 14, 15, and 16, Chandos Parade, Whetstone. After full consideration it was

RECOMMENDED that the Clerk be instructed to communicate further with the Company stating that, in order to remove any doubt as to the legal position, the Council are of opinion that it would be desirable for the Company to apply for the Fringe Order in question and asking that they will be good enough to take the necessary steps in the matter without delay.

1045 **Electricity Charges—Irrecoverable Arrears.**—

RECOMMENDED that the amounts set out in the statement circulated be written off as "Irrecoverable." Annexed.

1046 **Insurance of Workmen—Accident—C. Hamberger.**—It was reported that the above workman had, since last meeting, met with an accident and that the matter had been dealt with.

1047 **London and Home Counties Joint Electricity Authority.**—A letter, dated 14th October, 1930, was submitted from the Clerk to the above, enclosing copies of the Report of the Proceedings of the Authority for the year ended 31st March, 1930.

1048 **Instructions.**—

RECOMMENDED that the instructions given to the several Officers of the Council, as entered in their respective Instruction books, be approved.
