## Report of Works and Sewage Disposal Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 1st day of May, 1922. Present: Mr. Councillor Roberts (Chairman), Councillors Cartwright, Donald, Egan, Glauville, Reynolds, Soar, Sturgess, Winny and Wise.

Your Committee beg to report as follows:—

### 1.—ALLOTMENTS:

- (A) GREENFIELD GARDENS: Report from the Clerk that since the last meeting of the Committee a communication had been received from Mr. Bower intimating, in view of the request of the Council, that Mr. Streather would be prepared to allow the allotment holders on the Greenfield Gardens Allotments to continue in possession thereof until the 29th September next on the distinct understanding that the allottees would quit on that date and that no question of compensation would arise.

The Council will remember that at the previous meeting of your Committee a communication was reported from Mr. Bower intimating that Mr. Streather required possession of the land in question on the 24th April, 1922, and instructions were given for the necessary notices to quit to be served upon the allottees.

The Clerk intimated that in accordance with such instructions the notices to quit had been served, and at the same time a covering letter had been despatched conveying the terms agreed to by Mr. Streather in regard to continuance in possession of the allotments.

Your Committee confirmed the action taken by the Clerk in the matter.

- (B) DAWS LANE ALLOTMENTS: Letter from Mr. A. Bacon, Hon. Secretary of The Hale and District Allotment Association, transmitting the following resolution relative to the purchase of by the Council of the Daws Lane Allotment Field.

"The Committee of this Association views with satisfaction the prospect of a probable purchase of the Daws Lane Allotment Field at a more reasonable price than previously asked, and urges the Hendon Urban District Council to use its most earnest endeavours towards the accomplishment of the purchase and assures the Council of its united support in this action."

Your Committee have duly noted the same.

- (C) LONDON ELECTRIC RAILWAY LANDS: Letter from the London Electric Railway Company relative to the land owned by the Company, and utilised for allotments under the Lands Cultivation Orders, requesting, in view of the proposed extension of the railway from Golders Green to Edgware, that steps might be taken without delay to give the allottees on such land notice to quit the allotments held by them.

Report from the Clerk that in view of the urgency of the matter he had consulted the then Chairman of the Council (Mr. Councillor Egan) in regard thereto, and he had given authority for the necessary notices to quit to be served. Notices had accordingly been served, and expired on the 28th ulto.

Your Committee confirmed the action taken in the matter.

- (D) FINCHLEY ROAD: Letter from the Clerk to the Urban District Council of Finchley relative to the communication received by the Hendon Council from the Hampstead Garden Suburb Allotments Association in regard to the provision of allotments by the Finchley Council in Regent's Park Road.

The Council will remember that the Association intimated that they were in possession of a number of names of persons desirous of obtaining allotments, certain of such persons being resident in the Hendon District, and they suggested, in view thereof, that the Hendon and Finchley Councils should co-operate in the matter.

The Finchley Council intimated that plots could be provided for the Finchley residents whose names appeared on the list in the possession of the Hampstead Garden Suburb Allotments Association, and the Hendon Council should take steps to accommodate the applicants resident in their district.

Your Committee have duly noted the same.

- (E) HOSPITAL FIELD ALLOTMENTS:

- (1) RENTS: Letter from Mr. W. A. Perkins, on behalf of the Golders Green Allotment Association, relative to the payment of rent for the plots on the Hospital Field Allotments, from which it appeared that a report had been made to the Association that certain allottees had tendered to the Council rent for a period of one year, and they had been informed that the same could only be accepted for a period of six months.

The Association desired to be informed whether the information was correct, and, if so, the reason for such procedure.

Report from the Accountant in regard to the method adopted in the collection of these rents which your Committee approved, and they gave instructions for Mr. Perkins, on behalf of his Association, to be made acquainted with the facts of the case.

- (2) FENCE: The Association called attention to the defective condition of the fence at the entrance to the Hospital Field Allotments, and made enquiry whether the Council would take steps to have the same repaired.

Consideration was also given to communications received from Mr. W. Chester, and Mr. W. Carse upon the subject of fencing in connection with the allotments in question.

After due consideration of the matter, your Committee have given instructions in regard thereto.

- (3) **DISPOSSESSED ALLOTMENT HOLDERS:** Reference was also made to the fact that certain members of the Association had been dispossessed of their allotments owing to the proposed extension of the railway from Golders Green to Edgware, and the Association expressed the hope that these allottees would receive preferential treatment in the re-letting of plots on the permanent allotments.

The Council having adopted this practice in connection with dispossessed allotment holders in the past, your Committee gave instructions for the same to be carried into effect on this occasion.

- (F) **WELLGARTH ROAD AND HAMPSTEAD WAY, JUNCTION OF:** Letter from Mrs. E. F. Waghorn, relative to an allotment cultivated by her at the junction of Wellgarth Road and Hampstead Way, from which it appeared that the owner of a newly-erected house on an adjacent plot had enclosed the allotment in question as part of the garden of the premises referred to.

Report from the Surveyor in regard thereto.

After due consideration of the matter, your Committee

**RECOMMEND—**That a communication be addressed to the owner of the premises, asking for an explanation of the action taken by him.

- (G) **WILDWOOD RISE:** Letter from Mr. R. S. Morris, relative to the notice to quit served upon him in connection with an allotment cultivated by him at Wildwood Rise, and as to the amount of compensation which he stated he was entitled to in respect of the forfeiture of his plot.

Report from the Accountant that the claim of Mr. Morris for compensation had been referred to the Ministry of Agriculture for attention.

Your Committee have duly noted the same.

- (H) **QUEEN'S ROAD:** Letter from Mr. H. Price making application for permission to erect a small tool shed on an allotment cultivated by him at Queen's Road. Your Committee

**RECOMMEND—**That a communication be addressed to Mr. Price intimating that the Council regret they are unable to accede to his request.

- (I) **ALLOTMENTS CONSULTATIVE COMMITTEE:** Consideration was given to the question of the re-appointment of the Allotments Consultative Committee, and your Committee

**RECOMMEND—**That the same be composed of the following members of the various Allotment Associations in the district:—

Mr. L. Gilbertson, representing Hampstead Garden Suburb Allotment Association and Hendon and District Federation.

Mr. F. H. Dwyer, Hendon and District Federation, representing Mill Hill.

Miss R. Van Raalte, Hendon and District Federation, representing Golders Green.

Mr. A. Peck, representing Cool Oak Lane Allotment Association.

Mr. B. Vann, representing Neeld Hendon and District and Renters Avenue Allotment Association.

Mr. E. J. Rutland, representing Cricklewood Allotment Holders' Association.

Mr. E. Warland, representing Booth Road Allotment Association.

Mr. C. F. Windust, representing Archfield Allotment Association.

Mr. A. Bacon, representing Mill Hill Association.

## 2.—SUNNY HILL FIELD:

- (A) Letter from Sir John Salmond, Chairman, Royal Air Force Aerial Pageant Committee, relative to a proposal to hold another Royal Air Force Aerial Pageant at Hendon towards the end of June next, and making enquiry whether the Council would give permission for a collection to be made from persons using Sunny Hill Field to witness the Pageant in question, the proceeds from the collection being devoted to the Royal Air Force Memorial Fund.

After due consideration of the matter, your Committee

**RECOMMEND—**That the permission sought by the Pageant Committee be acceded to, subject to their indemnifying the Council against any damage which might be occasioned to the pleasure ground.

- (B) That they gave further consideration to the petition received from Mr. R. Brooke-Short on behalf of certain residents in Sunningfields Road, whose property abutted on the roadway leading to Sunny Hill Field, protesting against the use of the field as a playing ground and making certain suggestions in regard thereto.

Consideration was also given to the communication from Mr. G. E. Collier, making application on behalf of the boys of St. Mary's C.E. School, for permission to play football in Sunny Hill Field.

The Council will remember that when these matters were submitted to them on a former occasion it was agreed to defer the consideration thereof until possession of the land was obtained.

Your Committee consider it desirable that the Surveyor should submit a report on the suggested lay out of the land, and they have given instructions for a report to be submitted accordingly.

They propose to give further consideration to the petition submitted by Mr. Brooke-Short, and the communication received from Mr. Collier, in conjunction with such report.

- (C) Reference was made to the question of making application to the Middlesex County Council for a contribution towards the acquisition of Sunny Hill Field as a pleasure ground, and your Committee

**RECOMMEND—**That the necessary steps be taken in regard thereto.

3.—COLINDALE AVENUE—PLAYING FIELD  
(a) Letter from H.M. Office of Colindale Avenue, alleged to be a building in question.

Report from the Surveyor conditions of the Council had agreed to make good land adjoining being utilized damage to be made good.

The Surveyor suggests same should be protected.

After due consideration

**RECOMMEND—**make good the provided the offenders.

Your Committee further

**RECOMMEND—**event of the the question.

With regard to the same mittee gave instructions.

The Council will recommend temporary playing field, ceremony in connection with and recommend that the public.

- (b) Letter from the Director of a portion of the ground the Council would agree

Your Committee

## 3.—COLINDALE AVENUE—PLAYING FIELD :

- (A) Letter from H.M. Office of Works relative to damage to certain windows of the repository at Colindale Avenue, alleged to have been caused by youths making use of the playing field adjoining the building in question.

Report from the Surveyor in regard to the action taken by him in the matter, and also as to the conditions of the Council's tenancy in connection with the land from which it appeared that the Council had agreed to make good any damage which might arise to the Museum buildings by reason of the land adjoining being utilised as a Recreation Ground, and the Office of Works now required such damage to be made good.

The Surveyor suggested that with the object of obviating further damage to the windows the same should be protected by wire guards

After due consideration of the matter, your Committee

**RECOMMEND**—That the Office of Works be informed that the Council are prepared to make good the damage occasioned, and to take steps to prevent a recurrence thereof, provided they were prepared to co-operate with the Council in the detection of the offenders.

Your Committee further

**RECOMMEND**—That a notice be exhibited on the ground warning the public that in the event of the wilful damage being repeated the Council would be compelled to consider the question of closing the ground.

With regard to the suggestion of the Surveyor for the provision of Window Guards, your Committee gave instructions for estimates to be obtained therefor.

The Council will remember that the land has not yet been formally opened to the public as a temporary playing field, and reference was made to the question of arranging for a formal opening ceremony in connection therewith. Your Committee do not consider any formal function necessary and recommend that the Surveyor arrange for the opening of the pleasure ground for the use of the public.

- (B) Letter from the Director, British Museum, as to the desire of the Museum Sports Club to have the use of a portion of the ground two evenings each week for cricket practice, and making enquiry whether the Council would agree to arrangements being made in respect thereof.

Your Committee

**RECOMMEND**—That the Council agree to the proposal.

- (C) Letter from H.M. Office of Works asking the Council to erect certain fencing in connection with the land in question in order to protect the gardens attached to the residences at the repository.

Report from the Surveyor in regard to the matter and after due consideration thereof your Committee

**RECOMMEND**—That the request of H.M. Office of Works be acceded to, and that the work be carried out in due course.

- (D) Letter from Mr. W. C. Garrard, on behalf of the Colindale and District Ratepayers' Association, making enquiry whether the Council would be willing to allow the Association to organise a Fete and Sports for the Children in the event of a formal opening of the ground by the Council taking place.

In view of the decision not to have a formal opening of the ground, your Committee

**RECOMMEND**—That Mr. Garrard be informed accordingly.

Mr. Garrard, on behalf of his Association, also made reference to the intended use to which the ground was to be put, and urged, that for the safety of the smaller children, that games of football and cricket should be prohibited.

Your Committee are in favour of the views expressed by the Colindale Ratepayers' Association in this direction, and they

**RECOMMEND**—That a notice be placed on the ground containing the following instruction:—

“CHILDREN'S PLAYING GROUND—No Cricket or Football allowed without the special permission of the Council.”

- 4.—CLAIM: The Clerk submitted a report in regard to his interview with Messrs. Cohn Seligman & Bax, relative to the accident which occurred to Mr. F. E. Smith in Nursery Walk, alleged to have been caused by an obstruction of the footpath by a quantity of tarpaving material, and as to the claim made by Mr. Smith in connection therewith.

The Council will remember that they have had this matter under consideration on more than one occasion, the Clerk being subsequently requested to interview Messrs. Cohn & Co., without prejudice, to discuss the actual facts of the case.

After due consideration of the report of the Clerk it was decided to settle the claim put forward by Mr. Smith in accordance with the terms of such report.

## 5.—HENDON PUBLIC PARK :

- (A) Letter from Mr. J. A. Collacott relative to the fixing of the apparatus which the Council had agreed to provide in connection with certain physical training to be given by Mr. Collacott in the Hendon Public Park.

Report from the Clerk that he had conferred with the Surveyor upon the matter, and it appeared that the apparatus had been ordered for some time, and upon receipt thereof arrangements would be made for the same to be fixed without delay, the Clerk intimating that in view thereof he had accordingly communicated with Mr. Collacott.

Your Committee confirmed the action of the Clerk in the matter.

(b) Letter from Mr. E. Austin Farleigh complaining of the condition of the fencing between his premises, "Goodyers," Queen's Road, and the Hendon Park, and asking that steps might be taken to have the same repaired.

Report from the Surveyor that the matter complained of by Mr. Farleigh had now been remedied.  
Your Committee have duly noted the same.

(c) Letter from Mr. H. W. Clayton, on behalf of the Hendon Cottage Hospital Fete and Gala Committee, relative to an offer made to the Committee by the Salvation Army Band to give a recital in connection with the Hospital Fete. The Band, however, being unable to undertake the same on the day of the Fete, viz., Saturday, July 1st, the following day (Sunday, July 2nd) had been suggested by the Salvation Army.

The Fete Committee desired to be informed whether the Council would agree to the recital taking place in the Bandstand in the Hendon Public Park on Sunday, July 2nd.

Your Committee

RECOMMEND—That permission be granted accordingly.

(d) BOWLING GREEN: The Surveyor reported an application from the Golders Green Traders' Association for the exclusive use of the Bowling Green in the Hendon Park, but your Committee are unable to recommend the Council to entertain the same.

They

RECOMMEND—That the Golders Green Traders' Association be informed accordingly.

6.—WATER SUPPLIES: Letter from the Supervisor, Metropolitan Water Board, transmitting forms of agreement in connection with the supply of water for the Council's purposes, such agreements embodying the increased charges imposed under the Metropolitan Water Board (Charges) Act, 1921.

Your Committee

RECOMMEND—That the agreements be approved, and that the Common Seal of the Council be affixed thereto in due course.

7.—TOWN PLANNING CONFERENCE: Letter from the Secretary, National Housing and Town Planning Council, as to the adjourned Conference upon the subject of Housing and Town Planning to be held at Caxton Hall, Westminster, on the 11th inst., and suggesting the appointment of representatives of the Council to attend the same.

Your Committee decided to take no action in regard thereto.

8.—PRIVATE STREETS IMPROVEMENT WORKS: The Surveyor submitted the following schedule of tenders received for the execution of private street improvement works at Golders Green, together with a report in regard thereto.

After careful consideration of such tenders, and the report of the Surveyor thereon, your Committee

RECOMMEND—That the tender of Messrs. Campbell, Kenyon & Co. for the whole of the works, amounting to the sum of £14,218 11s. 3d., be accepted, subject to enquiries to be made by the Accountant proving satisfactory.

- 9.—BITTACY VIEW, MILL HILL: Report from the Surveyor in regard to certain underpinning work required at the premises known as "Bittacy View," Mill Hill, and he submitted estimates from local firms for the execution of the work in question.

After due consideration of such estimates, and the report of the Surveyor in regard thereto, your Committee

RECOMMEND—That the estimate of Mr. A. J. Hill, amounting to the sum of £125, be accepted, and that the work be carried out in due course.

- 10.—ELECTRIC LIGHT, GAS, TELEGRAPHIC MAINS, &c.: The Surveyor submitted a report in regard to applications received by him for permission to lay various mains, &c., in certain parts of the district as follows:—

- (a) Underground electric cable, north side of Garrick Road, from Edgware Road to Wilberforce Road.
- (b) Underground telegraphic main, west side of Finchley Road, from Hodford Road to Cricklewood Lane.
- (c) Gas main, Cricklewood Lane and Finchley Road, from Granville Road to West Heath Road.
- (d) Governing chamber, Elm Grove, Cricklewood, including a crossing over Cricklewood Lane.

It appeared from the report of the Surveyor that the applications were in order, and your Committee

RECOMMEND—That the same be approved, subject to the usual conditions.

- 11.—BRENT LOW LEVEL SEWERAGE: Report from the Engineer as to the necessity of carrying a portion of this sewer under land at Brent Street belonging to the Metropolitan Railway Company. The Company had agreed to grant the Council an easement in connection with such sewer, but as the land would probably change hands in the very near future it might be found necessary to serve notices under Section 16 of the Public Health Act, 1875, upon the owners.

Your Committee decided to leave the matter in the hands of the Engineer to take any steps necessary in regard thereto, including authority to issue notices under Section 16 of the Public Health Act, 1875, if found necessary.

- 12.—LAND, EDGWARE ROAD: Letter from Mr. A. Fox, Organiser, Ex-Service Men's Co-operative Market, in further reference to the question of the establishment of a market on certain land in the Edgware Road, West Hendon, owned by the Council.

Report from the Clerk as to the terms under which the land was acquired.

Your Committee consider that further information should be furnished by the promoters of the Co-operative Market as to their exact intentions in regard thereto, and they requested the Surveyor to make enquiry into the matter.

They were also of opinion that the matter was one which should be determined by the General Purposes Committee, and they have accordingly referred the further consideration thereof to that Committee.

- 13.—OPEN SPACES: Letter from the Hon. Secretary of The Selborne Society, suggesting the provision by the Council of Bird Sanctuaries in the parks under their control, and offering advice in connection with the establishment thereof.

Your Committee

RECOMMEND—That the Surveyor submit a report in regard to the proposal.

- 14.—STATION PREMISES, HENDON: Letter from the Engineer, Midland Railway Company, in further reference to the alleged flooding of the Station premises at Hendon.

The Council will remember that they have previously had this matter under consideration, the Company stating at that time that the drainage arrangements provided by them were quite adequate to protect their property, and that they were of opinion that the floodings experienced were due to water discharging from the highways, and that the Council being responsible for the discharge of such water they should bear the whole of the cost of so doing. The Council, however, denied liability in connection with the matter.

The Company now referred to a proposal for the provision by the Council of new gullies and drains, the cost of which they suggested should be borne equally between themselves and the Council.

Report from the Engineer in regard to the works in question, which he estimated would cost between £60 and £70.

After due consideration of the matter, your Committee

RECOMMEND—That the Council agree to the amended proposal of the Midland Railway Company and that the work be carried out in due course.

- 15.—REQUISITIONS: The Surveyor submitted requisitions of goods required in his department, and the same were duly approved.

To the Chairma

Ladies and Gentlemen,—

Your Committee beg to say that they met on the 1st day of May, 1922. Present: Mr. Bannister, Ford, Fenn, & Mrs. Bannister.

Your Committee beg to

- 1.—VITAL STATISTICS: Report from the Registrar in regard to the period since the last meeting, showing a total of 1,000 thousand.

Your Committee decided that the death rate is 9.28 per thousand.

- 2.—INSPECTION WORK: Report from the Surveyor in regard to drainage work carried out during the year.

- 3.—STATUTORY NOTICES: Report from the Surveyor in regard to notices served but not complied with in such cases.

53, 59, 71, 93, Ravenstone Road, 23, Ravenstone Road, 57, Ramsey Road—10, North Street—

Your Committee therefor

RECOMMEND—That the same be approved, subject to the usual conditions.

- 4.—RAMSEY ROAD AND SANITARY INSPECTOR: Report from the Sanitary Inspector in regard to a report in regard to a sanitary inspector referred to, with a view to the appointment of a sanitary inspector.

They have requested the Council to

- 5.—DAIRIES, COWSHEDS AND MILLS: Report from the Sanitary Inspector in regard to a report in regard to a sanitary inspector referred to, with a view to the appointment of a sanitary inspector.

Your Committee decided that the regulations applied to dairies, cowsheds and mills should be the same as those applied to other premises.

Your Committee

RECOMMEND—That the Council agree to the amended proposal of the Midland Railway Company and that the work be carried out in due course.

Your Committee decided that the same be approved, subject to the usual conditions.

- 6.—SANITARY OFFICERS: Report from the Sanitary Inspector in regard to a report in regard to a sanitary inspector referred to, with a view to the appointment of a sanitary inspector.

The New Order of the Council, necessitated by the provisions of the Act, was issued on the 1st April.

This Act provides that the Council should appoint a Sanitary Inspector and that Inspectors should be appointed by the Council.

The Council will appoint a Sanitary Inspector as their Chief Sanitary Officer.

In order that full effect may be given to the provisions of the Act, your Committee are of opinion that the Council should appoint a Sanitary Inspector as their Chief Sanitary Officer.

They therefore

RECOMMEND

(A) That the Council should appoint a Sanitary Inspector as their Chief Sanitary Officer.

(B) That the Council should appoint a Sanitary Inspector as their Chief Sanitary Officer.

- 7.—FACTORY AND WORKSHOPS: Report from the Sanitary Inspector in regard to a report in regard to a sanitary inspector referred to, with a view to the appointment of a sanitary inspector.

workshop at 72, Granville Road.

## Report of Public Health Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 1st day of May, 1922. Present: Mr. Councillor Hearn (Chairman), and Councillors Miss Hodge, Mrs. Hargraves, Mrs. Bannister, Ford, Fenn, Holt, Rev. Dr. Macgowan, Taylor and Weeks.

Your Committee beg to report as follows:—

- 1.—**VITAL STATISTICS:** Report from the Medical Officer of Health that the death rate of the district for the period since the last meeting of the Committee was 16.51 per thousand, and the birth rate 16.34 per thousand.

Your Committee desire to point out that the death rate of Hendon residents only for the same period is 9.28 per thousand.

- 2.—**INSPECTION WORK:** That they received a report from the Sanitary Inspector as to the inspection and drainage work carried out since the last meeting of the Committee, and have duly approved the same.

- 3.—**STATUTORY NOTICES:** Report from the Sanitary Inspector as to certain cases where Preliminary Notices had been served but had not been complied with, and he asked for authority to serve Statutory Notices in such cases.

53, 59, 71, 93, Ravenstone Road—Notices under Section 36 of the Public Health Act, 1875.  
23, Ravenstone Road—General Defects.  
57, Ramsey Road—rear of—Deposit of Refuse.  
10, North Street—General Defects.

Your Committee therefore

**RECOMMEND—**That Statutory Notices be served in respect of the above mentioned cases if found necessary.

- 4.—**RAMSEY ROAD AND BORTHWICK ROAD—PASSAGEWAYS:** Your Committee gave consideration to a report in regard to passageways at the rear of Ramsey Road and Borthwick Road and instructed the Sanitary Inspector to negotiate with the owners of the properties abutting upon such passageways referred to, with a view to securing an improvement of the condition thereof.

They have requested the Inspector to report further thereon at the next meeting of the Committee.

- 5.—**DAIRIES, COWSHEDS AND MILKSHOPS ORDER.**—Report from the Sanitary Inspector as to an application by Mr. E. J. Joslin to be registered as a Cowkeeper to carry on the trade at Goodhews Farm, Page Street, Mill Hill.

Your Committee are informed that the Cowshed and premises have been inspected and conform with the regulations applicable to Dairies and Cowsheds, etc.

Your Committee

**RECOMMEND—**That Mr. E. J. Joslin be registered as a Cowkeeper in respect of premises at Goodhews Farm, Page Street, Mill Hill.

Your Committee received a report as to the Veterinary Inspection of Cows and have duly noted the same.

- 6.—**SANITARY OFFICERS ORDER.**—Report from the Clerk as to a communication from the Ministry of Health in reference to the provisions of the Sanitary Officers Order, 1922, which related to the appointments of Medical Officers of Health and Sanitary Inspectors.

The New Order revoked all previous Orders relating to these Officers and makes certain modifications necessitated by the change in practice with regard to Annual Reports, and by the coming into operation on the 1st April, 1922, of the Public Health (Officers) Act, 1921.

This Act provides, *inter alia*, that a Local Authority may appoint more than one Sanitary Inspector, and that Inspectors of Nuisances shall in future be designated as Sanitary Inspectors.

The Council will recollect that under the existing arrangements, the Council have Mr. S. J. Chapman as their Chief Sanitary Inspector, and two Assistant Inspectors—Mr. Luck and Mr. Smith.

In order that full advantage may be taken of the powers given by the Sanitary Officers Order, your Committee are of opinion that Mr. Chapman should now be designated as Senior Sanitary Inspector as provided by the Order, and that Mr. Luck and Mr. Smith also be appointed as Sanitary Inspectors.

They therefore

**RECOMMEND—**

- (A) That in accordance with the provisions of the Public Health (Officers) Act, 1921, and the Sanitary Officers Order, 1922, Mr. George Ernest Luck and Mr. Albert Henry Smith be appointed Sanitary Inspectors to carry out all the powers and duties of Sanitary Inspectors.

- (B) That in accordance with the provisions of the Public Health (Officers) Act, 1921, and the Sanitary Officers Order, 1922, Mr. Shafto John Chapman be designated as Senior Sanitary Inspector for the Urban District of Hendon and that he be responsible to the Council for the work of the Sanitary Department as heretofore, and that a copy of this resolution be transmitted to the Ministry of Health.

- 7.—**FACTORY AND WORKSHOP ACT:** Report from the Clerk as to the receipt of notice of occupation of a workshop at 72, Granville Road, Child's Hill, occupied by Messrs. Halliwell and Kavanagh.

The same had been referred to the Inspector for registration in the usual way. Your Committee have duly noted this communication.

- 8.—BURROUGHS FARM: Report from the Clerk, that the notices under the Housing and Town Planning Acts, which had been served upon Mrs. Cross and Mr. Hambley, who were occupying the premises known as Burroughs Farm had expired, and that Mrs. Cross and Mr. Hambley were still in occupancy of the premises, in respect of which a Closing Order had been made under the Housing and Town Planning Acts and which Order was still operative.

Your Committee have given careful consideration to this matter and to a report from the Medical Officer thereon. They now

RECOMMEND—That proceedings be taken against Mrs. Cross and Mr. Hambley, for failing to comply with the notices served upon each of them under the terms of the Closing Order in respect of the premises known as Burroughs Farm, Hendon.

- 9.—DAY NURSERY: Letter from the Ministry of Health intimating that the Ministry approved of the Grant by the Council of the sum of £300 to the West Hendon Day Nursery towards the expenditure for the year 1922-23. NOTED.

- 10.—TREATMENT OF INFECTIOUS DISEASE: That they gave further consideration to the communication from the Urban District Council of Kingsbury making enquiry whether the Council would be prepared to make a reduction in their charge for the treatment of cases of Infectious Disease from the Kingsbury District at the Hendon Isolation Hospital.

Your Committee have received a communication from the Urban District of Willesden, to whom enquiry was made as to whether they would also be prepared to make a reduction in the charge of £4 4s. per week to patients from other Districts, and it appeared that the figure of 12/- per day was based on the accounts for the year 1920-21, and it would not be possible at the present time to make any variation. Moreover, the Willesden Council had not been able to accept any cases from other Districts for some time past owing to the pressure upon their Hospital accommodation.

Your Committee have also received a report from the Accountant of the Council as to the maintenance cost of patients at the Hendon Isolation Hospital as follows:—

1919-20	£2 19s. 9½ per week.
1920-21	£2 9s. 7d. per week.
1921-22	£2 19s. 4½ per week.

After careful consideration of this matter, and in view of the fact that the adjacent local authority is unable to reduce the charge, your Committee cannot see their way to vary the existing charge of £4 4s. per week. They

RECOMMEND—That the Kingsbury U.D.C. be informed that the Council regret their inability to vary the charge at the present time as the Hendon Council have to pay a similar amount for patients under treatment in other Hospitals.

#### 11. ISOLATION HOSPITAL:

- (a) Letter from Messrs. Johnston, Evans & Co., offering various premises in Hendon and Mill Hill for the purposes of an Isolation Hospital. The premises referred to were St. Saviour's Homes, Brent Street, Copt Hall, Mill Hill, and Bittacy House, Mill Hill.

Your Committee

RECOMMEND—That Messrs. Johnston, Evans & Co. be thanked for their offer, and informed that the Council consider the premises would not be suitable for the purposes of an Isolation Hospital.

- (b) That they received a report from the Surveyor submitting preliminary plans of the proposed permanent Isolation Hospital situate on land at Kingsbury Road.

Before considering such report and plans in detail your Committee have requested the Medical Officer of Health and the Engineer, together with the Chairman of the Committee, to arrange an interview with the officers of the Medical Department of the Ministry of Health to discuss such plans, and, if possible, to report to a special meeting of the Committee to be held on the 8th inst.

- 12.—WATER SUPPLY: Report from the Clerk as to the receipt of a Circular from the Ministry of Health upon the subject of the shortage of water, requesting that Water Authorities desiring information or advice should communicate with the Ministry upon the subject

The Circular does not directly affect the Council, the Authorities for supply of water being the Metropolitan Water Board and the Colne Valley Water Co.

## Report

To the Chairman and

Ladies and Gentlemen,—

Your Committee beg to report that they have had the pleasure of presenting to you their Report for the 8th day of May, 1922. Present: Mr. Taylor, Mr. Winn and Mr. Weeks.

Your Committee beg to

- 1.—PLANS: That they gave consideration to the communication from the Urban District Council of Kingsbury making enquiry whether the Council would be prepared to make a reduction in their charge for the treatment of cases of Infectious Disease from the Kingsbury District at the Hendon Isolation Hospital.

5376	Temporary Additions, 34, North End Road	Mr. H. H. Linnett	Disapproval.

2.—BRENTMEAD PLACE: Letter from Mr. R. Kanthack, objecting to a proposal for the erection of a garage on land adjacent to his premises in Brentmead Place, and asking the Council to take such objection into consideration when the plans for the proposed building were submitted to them for approval.

Your Committee understand that the plans have already been approved by the Council and the garage erected, and further that the objection of Mr. Kanthack has been satisfactorily overcome.

They have therefore noted the contents of the communication referred to.

3.—CONTRAVENTION OF BYE-LAWS: Mr. A. Arnett attended the meeting of your Committee in response to the notice served upon him relative to contraventions of the Bye-laws in connection with the erection by him of an Army Hut at East Road, Burnt Oak.

Mr. Arnett had contravened the Bye-laws by proceeding with the erection of the building without having first deposited with the Council plans thereof, and further had allowed the building to be occupied without notifying the Surveyor of the completion of the same.

After careful consideration of the matter, and the statements made by Mr. Arnett in regard thereto, your Committee have decided to adjourn the further consideration thereof, and they consider that the premises might be viewed by the Outdoor Committee. Mr. Arnett agreed to send in a written undertaking to remove the building whenever called upon to do so.

4.—HOUSING (ADDITIONAL POWERS) ACTS, 1919 AND 1921: The Surveyor reported that in the following cases Certificates "B" might be issued for the amounts named:—

Application No.	Person to whom issued.	Locality and Description of premises.	Amount of Grant per house.
4937.	Mr. E. Cowling	Woodland Way, 4 houses	£260
4930.	Mr. E. Streater	Elms Avenue, 6 houses	£260
5037.	Messrs. Haymills, Ltd.	Woodlands, 4 houses	£260
5238.	Messrs. Haymills, Ltd.	Sinclair Grove, 2 houses	£260
5033.	Messrs. Haymills, Ltd.	Portdown Avenue, 4 houses	£260
5060.	Mr. C. W. B. Simmonds	Hodford Road, 5 houses	£260
5071.	Messrs. Waterman Bros.	Leaside Crescent, 4 houses	£260
5089.	Messrs. Waterman Bros.	Princes Park Avenue, 4 houses	£260
5189.	Hendon Vale Estate Co.	Greenfield Gardens, 10 houses	£260
5180.	Hendon Vale Estate Co.	Greenfield Gardens, 10 houses	£260
5188.	Mr. G. E. Galliford	Need Crescent, 4 houses	£260
5168.	Mr. F. W. Bristow	Basing Hill, 2 houses	£260
4804.	Mr. H. Ebdon	Babington Road, 3 houses	£260
4979.	Messrs. Edmonsons, Ltd.	Renters Hill, 3 houses	£260

Your Committee authorised the issue of such Certificates.

5.—GREATER LONDON: Letter from the Clerk to the Urban District Council of Finchley relative to the appointment by the Finchley Council of representatives to confer with neighbouring local authorities in regard to the Greater London Scheme.

The Finchley Council made enquiry whether the Hendon Council would be prepared to appoint representatives to attend at Finchley to discuss the matter.

Your Committee requested the Chairman of the Council (Mr. Councillor Soar) and Councillors Cartwright, Hill and Reynolds to attend the conference with the Finchley representatives, and instructed the Clerk to make the necessary arrangements in regard thereto.

6.—TOWN PLANNING SCHEME: The Surveyor submitted Preliminary Maps of a suggested Town Planning Scheme for the district, together with a detailed report in regard thereto.

In view of the importance of the matter, your Committee requested the Surveyor to furnish each member of the Committee with a copy of his report, and if possible a copy of the map.

They propose to give the matter further consideration at a later date.

7.—HOARDING: The Surveyor submitted an application from Messrs. Walter Hill's Billposting Department for permission to erect a hoarding in Hurstwood Road, Golders Green.

After due consideration of such application, your Committee

RECOMMEND—That Messrs. Hill's Billposting Department be informed that the Council cannot see their way to approve of the same.

8.—AIR SPACE: Report from the Surveyor as to an application from Mr. William Hollis for the erection of an office building at Golders Green which would affect the air space provision of adjacent premises. Your Committee instructed the Surveyor to suggest to Mr. Hollis that he should submit plans of his proposal when the same would receive due consideration.

## Report of Housing Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 8th day of May, 1922. Present: Mr. Councillor Ford (Chairman), and Councillors Mrs. Hargraves, Mrs. Bannister, Cartwright, Rev. Dr. Macgowan, Hearn, Holt, Roberts, Sturgess, Taylor and Wise.

Your Sub-Committee beg to report as follows:—

### 1.—BRENT HILL FARM SCHEME:

- (A) **ENGINE SHED:** Letter from the Ministry of Health, in reference to the complaint made by Mr. C. S. Windsor, as to the existence of the engine shed on land adjoining the house occupied by him in Park Road.

The Ministry had informed Mr. Windsor in reply, that the matter was one solely for the Council and that they were unable to intervene.

Report from the Clerk as to a further communication from Mr. Windsor complaining that the engine shed had been used by workmen as a convenience, and as to the nuisance occasioned thereby.

Your Committee have received a report from the Clerk of Works, in regard to the complaint by Mr. Windsor, from which it appeared that there was no ground for the complaint and no nuisance existed whatever.

Your Committee are further informed by the Architect that the engine shed, etc., will in the near future be removed.

Your Committee

**RECOMMEND**—That Mr. Windsor be informed that enquiry had been made in regard to the complaint contained in his letter, but the statements contained therein had not been substantiated.

- (B) **PROGRESS:** That they received a report from the Architect in reference to the progress made by Messrs. J. E. Billings, the Contractors, who commenced work on the 3rd April, from which it appeared that good progress had been made with the Contract for the completion of houses, and three houses had been handed over recently.

It was anticipated that further houses would be handed over for occupation within the next week.

Your Committee are informed that over 200 men are employed on the scheme and that the work was being carried out in a good and workmanlike manner.

In regard to the materials on the site, the Architect reported that the same had not depreciated to any appreciable extent during the period that had elapsed since the suspension of building operations in August last.

Your Committee have noted the contents of this report with satisfaction.

Reference was made to the question of the erection of the twenty new houses, which formed part of the tender of Messrs. Billings & Co., which at the interview with the Officials of the Ministry of Health and the Council's representatives it was decided to defer for the time being.

Your Committee

**RECOMMEND**—That enquiry be made of the Ministry of Health, as to whether they would now be prepared to assent to the 20 new houses being erected, and whether the same would rank for assistance under the Housing Acts.

- (C) **WATER SUPPLY:** Letter from Mr. G. Hornblower, Architect, in reference to the laying on of the water supply to various houses on the estate.

The Architect made enquiry whether the water supply should be laid on to the site of houses not yet commenced in order to save disturbance of the road at a later date.

After careful consideration of this matter, your Committee gave instructions for the supply only to be laid to houses in course of construction.

- (D) **PAINTERS' TOOLS:** That they received a report from the Clerk of Works in reference to the application by Mr. Pegrum relating to certain painters' tools which he alleged had been left on the works when building operations ceased in August last.

Your Committee are informed that all tools upon the works were collected together, and the painters' tools bore no mark by which the same could be identified. It will be remembered that Messrs. Gibson & Weldon applied on behalf of Mr. Pegrum for the return of the painters' tools.

After careful consideration of this matter your Committee

**RECOMMEND**—That Messrs. Gibson & Weldon be informed that the matter is not one which the Council can now deal with, and any enquiry upon the subject should be made to the Official Receiver.

- (E) **TENANTS—SUB-COMMITTEE:** Your Committee gave consideration to the question of appointing a Sub-Committee to select tenants of the houses at Brent Hill Farm and

**RECOMMEND**—That Councillors Cartwright and Roberts be re-appointed and that Mr. Councillor Wise be added to the Sub-Committee.

- (F) **POULTRY, &c.**: Report from the Surveyor that an application from Mr. Coles, of 68, Park Road (Brent Hill Scheme) to keep poultry in the back garden and for consent to construct the necessary fowl house.

Your Committee have given careful consideration to this application and to the terms upon which the houses are let.

They now

**RECOMMEND**—That Mr. Coles be informed that the Council consent to the erection of a fowl house subject to the same being erected to the satisfaction of the Surveyor of the Council and also to his agreeing to remove the same if called upon by the Council to do so, within 14 days from the receipt of the notice.

- (G) **FENCING**. Report from the Surveyor as to an application by Mr. W. J. Smith that the Council should undertake the fencing along the boundary of his garden and the Council's land.

The Surveyor estimated the cost of the work to be approximately £45.

Your Committee decided to adjourn the consideration of this matter in order that a report may be presented at the next meeting of the Committee dealing with the arrangement made with Mr. Smith.

Your Committee also decided to adjourn the consideration of an application from Mr. Smith to rent an area of about 13 acres of land adjacent to Brent Hill Farm, at present not utilised for Housing, which he desired to take on a yearly tenancy.

## 2.—CHILD'S HILL SCHEME:

- (A) That they received a report from Mr. Hornblower in reference to correspondence with Messrs. Pontifex & Co., relative to an account rendered to the Contractor, Mr. G. Ramsbotham. It appeared that the Architect had certified that the goods were required for a bona fide Housing Scheme, and that the liability rested entirely with the Contractor.

Your Committee confirm the report of the Architect and

**RECOMMEND**—That Messrs. Pontifex be informed accordingly.

- (B) The Architect reported that the final accounts in connection with the Child's Hill Scheme were now under consideration by the Ministry of Health, and it was anticipated that their decision on one of two points which had been raised, would be given shortly.

- (E) **REPAIRS**: Report from the Surveyor as to certain repairs which required to be carried out at No. 67, Cloister Road, and after consideration thereof your Committee gave authority for such repairs to be carried out.

The Architect reported that an inspection had been made of the whole of the houses on this scheme included in the Contract with Mr. Ramsbotham where the term of maintenance had not yet expired, and certain minor adjustments would be required in one or two cases and steps would be taken to have the same rectified, and the cost thereof deducted from any sums due from the Contractor.

- 3.—**BITTACY HILL SCHEME**: That they received a report from the Accountant as to his negotiations with Mr. B. G. Drummond, the tenant of Bittacy View, Mill Hill, in regard to the tenancy of the premises. The Council will recollect that the lease which Mr. Drummond held of All Souls College was terminated by notice in June, 1921, and the Council decided to consent to Mr. Drummond continuing his tenancy subject to the provisions of the Rent Restrictions Act.

A point had arisen in regard to the lease, in view of the fact that a portion of the holding was sub-let to Mr. Whiting, of Dollis Hill, and a question was raised as to whether the lease was a lease coming within the terms of the Agriculture Holdings Act.

After careful consideration of the report your Committee instructed the Accountant to continue his negotiations with Mr. Drummond. They suggest, however, that the point raised be considered by the General Purposes Committee.

- 4.—**HOUSING SCHEMES**: The Accountant reported as to information which had come to hand as to the practice of sub-letting in the Council houses. The Council will recollect that this is prohibited under the terms of the tenancy, and they instructed the Accountant to make enquiry in regard to the matter generally, and report to the next meeting of the Committee.

## Report of Fire Brigade Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 8th day of May, 1922. Present: Mr. Councillor Sturgess (Chairman), and Councillors Ford, Hearn, Holt, Hill, Rev. Dr. Macgowan, Reynolds, Taylor, Winny and Soar.

Your Committee beg to report as follows:—

- 1.—**CONFERENCE**: Letter from the Professional Fire Brigades Association as to annual meeting of the Association to be held in London on the 7th and 8th June next.

The Association invited the Council to appoint delegates to attend the Conference with the Chief Officer of the Brigade.

Your Committee

**RECOMMEND**—That the Chairman of the Committee and the Chief Officer of the Brigade attend the meeting on behalf of the Council.

2.—**BURNT OAK SITE FOR STATION**: The Guardians confirmed the arrangements for the site, at a rental of £100 per annum.

The arrangement is subject to necessary alterations to the entrance.

Your Committee have duly noted these terms be prepared in due course.

3.—**FIRE BRIGADE PAY AND CONDITIONS**: Application of the members of the Brigade for an increase of pay similar to those in force in the London Fire Brigade.

It will be remembered that a decision on this subject.

The Council are aware that the arrangements may necessitate certain re-arrangements.

Your Committee are of opinion that any re-arrangement which may be necessary should be deferred until the second meeting of the Council.

**RECOMMEND**—That the consideration of this matter be deferred until the second meeting of the Council.

- (B) Letter from the Amalgamated Firemen's Union of representation of the Firemen's Union.

The Council will recollect that it would be preferable to refer this matter to the Society.

The Society asked that after careful consideration.

**RECOMMEND**—That the Council be informed that the Firemen's Union concerned.

4.—**PETROL LICENCE**: Application was made from Messrs. Cowling & Son, of 1, Cloister Road, for a licence, Inspector being satisfactory, your Committee gave authority for such licence to be granted.

**RECOMMEND**—That a licence be granted to them at their premises.

5.—**WATER PRESSURES**: Report from the District since the last meeting of the Council.

6.—**HYDRANTS**: Report from the Chief Officer that the hydrants had been fixed in the following positions:

- (1) Opposite 26, G.
- (2) Opposite 54, G.
- (3) 300ft. from School.
- (4) Junction, The Vicarage.
- (5) Opposite 22, P.

7.—**MOTOR FIRE ENGINE No. 2**: Report from the Chief Officer that the engine be delivered by Messrs. Leylands, of 1, Cloister Road, in accordance with the terms of the Contract.

The Chief Officer reported that the engine, viz.:—

- 10 50ft. lengths of hose
- 1 Jumping Sheet.
- 1 Pompier Ladder.
- 1 Saw in Case.
- 1 Preventer.

Your Committee

**RECOMMEND**—That the Council be informed that the Chief Officer has authority to procure the engine.

8.—**MOTOR FIRE ENGINE, No. 1**: Report from the Chief Officer that the engine, on the 21st March, an accident had occurred to the engine.

The machine had been repaired and offered to supply a motor fire engine. The Chairman of the Council had authority to procure the engine.

The repairs had been carried out and the cost of this work amounted to £100.

- 2.—BURNT OAK SITE FOR STATION: Letter from the Hendon Board of Guardians intimating that the Guardians confirmed the arrangement to let to the Council a site at Burnt Oak, 30 feet by 20 feet, with a frontage to East Road, at a rental of £1 1s. per annum.

The arrangement is subject to 6 months' notice and the Council to carry out at their own expense the necessary alterations to the entrance to the site.

Your Committee have duly noted this arrangement and recommend that an agreement embodying these terms be prepared in due course.

- 3.—FIRE BRIGADE PAY AND CONDITIONS OF SERVICE. (A) That they gave further consideration to the application of the members of the Brigade for the adoption of improved rates of pay and conditions of service, similar to those in force in the London Fire Brigade.

It will be remembered that a deputation from the Brigade attended before your Committee upon this subject.

The Council are aware that the new Motor Fire Engine is expected to be delivered shortly, and this may necessitate certain re-arrangements of staff and duties at the Central Station.

Your Committee are of opinion that the questions of pay, etc., should then be considered together with any re-arrangement which might take place. They therefore

RECOMMEND—That the consideration of the pay and conditions of service of the Fire Brigade be deferred until the second Motor Fire Engine has been delivered.

- (B) Letter from the Amalgamated Society of Carpenters, Cabinet Makers and Joiners upon the subject of representation of the Firemen of the Brigade before the Committee by a representative of their Union.

The Council will recollect that on a recent occasion the Council endorsed the views of the Committee that it would be preferable to deal direct with the firemen.

The Society asked that facilities might be granted for the representative of the Union to attend. After careful consideration of the communication your Committee

RECOMMEND—That the Amalgamated Society of Carpenters, Cabinet Makers and Joiners be informed that the Council have no objection to receiving a representative from the Trade Union concerned.

- 4.—PETROL LICENCE: Application was received for a licence to store 60 gallons of petrol in two gallon tins from Messrs. Cowling & Son, of Kimbolton Garage, Golders Green Road. Subject to a report from the Inspector being satisfactory, your Committee

RECOMMEND—That a licence be granted to Messrs. A. J. Cowling & Son to store 60 gallons of petrol at their premises.

- 5.—WATER PRESSURES: Report from the Chief Officer as to water pressures taken in various parts of the District since the last meeting of the Committee. Such pressures call for no special remark.

- 6.—HYDRANTS: Report from the Chief Officer that since the last meeting of the Committee five fire hydrants had been fixed in the following positions:—

- (1) Opposite 26, Greenfield Gardens.
- (2) Opposite 54, Greenfield Gardens.
- (3) 300ft. from School (Wessex Gardens).
- (4) Junction, The Vale.
- (5) Opposite 22, Portsdown Avenue.

- 7.—MOTOR FIRE ENGINE No. 2: Report from the Chief Officer that the new motor fire engine would shortly be delivered by Messrs. Leylands. The machine would be properly tested in accordance with the provisions of the Contract.

The Chief Officer reported that certain additional equipment would be required for use with the new engine, viz.:—

- 10 50ft. lengths of hose.
- 1 Jumping Sheet.
- 1 Pompier Ladder.
- 1 Saw in Case.
- 1 Preventer.

Your Committee

RECOMMEND—That the Surveyor obtain quotations for the articles required, and in the event of the engine being delivered before the next meeting of the Fire Brigade Committee, that the Chairman of the Committee, the Chairman of the Council and the Surveyor have authority to procure the equipment.

- 8.—MOTOR FIRE ENGINE, No. 1: Report from the Chief Officer that whilst proceeding to a fire at Burnt Oak on the 21st March, an accident had occurred to motor fire engine No. 1, viz., the snapping of rear axle (off side).

The machine had been repaired and was in running order on the 5th April. The Leyland Company had offered to supply a motor fire engine to stand by whilst the Hendon engine was under repair, and the Chairman of the Council had authorised acceptance of this offer.

The repairs had been carried out in the station by the members of the Brigade and the cost of the men's time on this work amounted to £11 0s. 7d., which amount had been refunded by the Insurance Company concerned.

Your Committee

RECOMMEND—

- (A) That the best thanks of the Council be tendered to the Chief Officer and staff of the Fire Brigade for the expeditious manner in which the Motor Fire Engine had been repaired and again brought into service.
- (B) That the amount paid by the Insurance Company for men's time engaged upon the repair work be paid to the members of the Fire Brigade Staff engaged, in accordance with the particulars furnished by the Accountant of the Council.

9.—CENTRAL STATION—STAFF:

- (A) Report from the Chief Officer that H. G. Mills, a retained fireman of the Child's Hill Detachment had applied for the vacant position on the Staff at the Central Station.

Your Committee interviewed Fireman Mills who has been a member of the detachment for a period of 12 months and regularly attended the drills. Your Committee

RECOMMEND—That Fireman Mills be appointed to the Brigade upon a month's probation and a report be submitted to the next meeting of the Committee. That he be paid in accordance with the scale of wages at present in operation.

- (B) Report from the Chief Officer that E. Hills, who had entered into occupation of the married quarters at the Central Station vacated by Mrs. Dickens as from the 15th March, had applied for the 2s. a week coal allowance. Your Committee

RECOMMEND—That such allowance be granted.

10.—UNIFORM CLOTHING: The Chief Officer submitted a requisition for uniform clothing, required by certain members of the Brigade at the Central Station. Your Committee

RECOMMEND—That the Surveyor obtain estimates for the supply of uniform clothing for consideration.

11.—STORES REQUIRED: The Chief Officer submitted a requisition of stores required for the Brigade and your Committee approved the same.

12.—FIRES ATTENDED: That they received a report as to fires attended since the last meeting, also a report as to petrol consumption. Such report calls for no special remark.

## Report of General Purposes Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 15th day of May, 1922. Present: Mr. Councillor Hill (Chairman), and Councillors Mrs. Bannister Miss Growse, Egan, Ford, Holt, Reynolds, Winny and Wise.

Your Committee beg to report as follows:—

1.—GREATER LONDON:

- (A) That they gave consideration to the final print of the Memorandum of Evidence to be submitted by the Council to the Royal Commission on London Government (copies of such evidence having been transmitted to the whole of the members of the Council).

After due consideration thereof, your Committee gave authority for such evidence to be lodged with the Royal Commission.

- (B) Report from the Clerk that the representatives of the Council (Councillors Cartwright, Soar, Egan and Hill) had met representatives from the Rural District Council of Hendon this evening and discussed, in general terms, the scheme submitted to the Royal Commission by the London County Council upon the subject of Greater London.

- (C) The Clerk reported the receipt of a copy resolution passed by the Colindale and District Ratepayers' Association urging the Council to offer strenuous opposition to the Greater London Scheme.

Your Committee

RECOMMEND—That the Colindale Ratepayers' Association be informed of the action of the Council in this direction.

2.—GAS REGULATION ACT: The following letter was received from the Middlesex County Council in reference to the provisions of the Gas Regulation Act.

Office of the Clerk of the County Council,  
Guildhall, Westminster, S.W. 1.

12th April, 1922.

Dear Sir,

GAS REGULATION, ACT, 1920.

I beg to inform you that my Council is about to consider the appointments of gas examiners under the above Act.

As your Council is not desirous of appointing a gas examiner under the above Act, I would like to point out that where no gas examiner is appointed by the local authority, Quarter Sessions, on the application of not less than five consumers may appoint a competent and impartial person to act as gas examiner.

I should also like any quarter being referred to in Section way of compensation supplied by the utility deficiency.

It seems undesirable of their right to a examiner.

I should also like to point out that in the event of the average calorific value of the gas supplied in any quarter being less than the declared calorific value, it appears that the reduction in the price of gas referred to in Section 9 (4) (c) of the Gas Regulation Act, 1920, which the undertakers have to make by way of compensation for the deficiency in calorific value, is applicable only to the district of the area supplied by the undertaking for which the gas examiner has been appointed, and has reported the deficiency.

It seems undesirable that consumers in a part of the undertaking's area of supply should be deprived of their right to a reduction in the price of gas through the Local Authority not having appointed a gas examiner.

I should like to explain that the County Council is not desirous of usurping any of the powers of the District Councils in this matter, and they only took action with regard to the Urban Districts in the County at the specific request of a large number of the Councils of those districts.

Yours faithfully,

(Signed) E. S. W. HART,  
Clerk of the County Council.

The Clerk,  
Hendon Urban District Council.

It will be remembered that the Council decided not to enter into the suggested joint appointment of a Gas Examiner but to entrust the duty to their Engineer.

Your Committee

RECOMMEND—That the County Council be informed of this arrangement.

- (b) Letter from the Gas Referees, transmitting Supplementary Prescription for the year 1922 in respect of the calorific value of Gas supplied by the Gas Light & Coke Company.

Your Committee

RECOMMEND—That the Surveyor deal with the same.

- (c) Letter from the Gas Light & Coke Company intimating that as from the 15th of June, 1922, the calorific value of gas they intended to supply would be 500 British Thermal Units per cubic foot.

Your Committee have duly noted this communication.

### 3.—URBAN DISTRICT COUNCILS' ASSOCIATION:

- (A) Letter from the Urban District Councils' Association transmitting voting paper in connection with the Election of Executive Council of the Association.

Your Committee authorised the Clerk to fill up such voting paper.

- (B) CONFERENCE: Letter from the Urban District Councils' Association as to the Annual Conference of the Urban District Councils of England and Wales to be held at St. Anne's-on-Sea from the 22nd to the 24th June next and inviting the Council to appoint delegates to attend such Conference.

The Council will recollect that it is their practice to be represented at this Conference and

RECOMMEND—That Mr. Councillor A. J. Reynolds and the Clerk attend such Conference on behalf of the Council.

### 4.—PRIVATE IMPROVEMENTS: Letter from Messrs. Mount, Sterry and Wheeler in reference to the notices of apportionment served upon Mr. L. Blake in connection with the making up of Albert Road, Mill Hill, under Section 150 of the Public Health Act, 1875, disputing such apportionment.

Your Committee are informed that the objection to the apportionment had not been lodged within the Statutory period, viz., three months from the date of the service of the apportionment and was, therefore, too late to be entertained.

Your Committee

RECOMMEND—That Messrs. Mount & Co. be informed that in the circumstances the Council cannot entertain the objection.

### 5.—TRAVELLING FACILITIES:

- (A) EDGWARE ROAD TRAMWAY.—Letter from the Middlesex County Council, transmitting copy communication from the Metropolitan Electric Tramways upon the subject of the service of cars in the Edgware Road, upon which they desired to be furnished with the views of the Council.

Your Committee have received a report from the Surveyor in regard to the communication from the Tramway Company and gather therefrom that the Council's Contractor had on several occasions been retarded in his work by the slow progress of the Contractors acting for the Tramway Company in re-laying the Tramway Track.

Your Committee still hold the view that the service of cars should be improved and they

RECOMMEND—That a communication be addressed to the Middlesex County Council in the terms of the Surveyor's Report, with a request that the County Council should bring pressure to bear upon the Tramway Company to increase the car service on the Edgware Road.

- (B) CRICKLEWOOD LANE: Letter from the Middlesex County Council with copy communication from the Metropolitan Electric Tramways, Ltd., in reference to the suggestion to dispense with the stopping place opposite the "Castle" Hotel.

The Company pointed out that the two stopping places at the junction of Finchley Road and Cricklewood Lane were Board of Trade stops and it would not be possible to dispense with either of them.

Your Committee have duly noted this communication.

(c) Letters from the London General Omnibus Company in reference to the inauguration of the following new omnibus services traversing roads in this District, viz. :—

1. Golders Green via North End Road to Finsbury Park.
2. Golders Green and Mill Hill.
3. Golders Green and Whetstone (Saturdays and Sundays).

Your Committee have received a report from the Surveyor upon the matter and have requested the Officers to submit a report in regard thereto at the next meeting of your Committee.

Your Committee

RECOMMEND—That the Company be informed that damage is being caused to the roadway at Hammers Hill.

#### 6.—APPEALS:

(A) Letter from the Commissioner of Police making enquiry whether the Council offered any objection to the street collections in Hendon on the 10th and 24th June in aid of the West Hendon Nurse Fund and the Hendon Cottage Hospital respectively.

Your Committee authorised the Clerk to inform the Commissioner of Police that the Council had no objection to offer to the proposals.

(B) COMBINED HOSPITALS APPEAL: That they had under consideration correspondence from Mr. E. Shrapnell Smith in connection with the proposed Combined Appeal for funds in aid of the Hospitals of London, making enquiry whether a Local Committee could be formed by the Council.

Your Committee are informed that the matter is being organised by the Secretary of the Local Cottage Hospital; it will therefore be unnecessary for the Council to take any action in regard thereto.

(c) Letter from the British and Foreign Sailors' Society suggesting the holding of a street collection or Public Meeting in this District to raise funds on behalf of the Society.

Your Committee cannot see their way to recommend the Council to take any action in the matter.

(d) Letter from Mr. H. Barnes on behalf of the Russian Famine Parliamentary Committee, appealing

for the co-operation of the Council in connection with the Appeal to the Government for assistance.

Your Committee cannot recommend the Council to take any action in this matter.

(E) Letter from the Arthur Pearson Memorial Fund with reference to the proposal to raise funds as a Memorial to the late Sir Arthur Pearson in connection with St. Dunstan's Homes for the Blind.

Your Committee decided to refer this matter to the Chairman of the Council for consideration.

7.—BRENT STREET DRAINAGE: Letter from Messrs. Bramston & Co. transmitting draft of proposed release and discharge in connection with the drainage in Brent Street.

After due consideration thereof, your Committee

RECOMMEND—That such form of release be approved.

8.—SWIMMING BATH COMPETITION: Letter from Mr. T. M. Wilson in reference to the old correspondence in connection with his claim for fees in the Swimming Bath Competition organised by the Council prior to the war, requesting the Council to further consider his claim for fees in addition to the premium already paid in connection with the said Competition.

It will be remembered that when the matter was under consideration in June 1920, it was suggested to Mr. Wilson that the Council might without prejudice be prepared to consider a proposition for a settlement of the matter by the payment to him of a sum of £50, but since that date no communication had been received from Mr. Wilson and the negotiations had not proceeded further.

After due consideration, your Committee

RECOMMEND—That the Council revive the offer to Mr. Wilson of the sum of £50, without prejudice, in full settlement of all claims by him against the Council in connection with the matter.

9.—LAND—EDGWARE ROAD: That they gave consideration to the application submitted by Mr. A. Fox (Organizer of the Ex-Service Men's Co-operative Market) relative to the establishment of a market on certain land in the Edgware Road, West Hendon, owned by the Council (the matter having been referred to your Committee at the last meeting of the Works Committee).

In view of the restrictions in the title to the land acquired by the Council your Committee are advised that the proposal for the establishment of a market would be prohibited. Your Committee

RECOMMEND—That Mr. Fox be informed accordingly.

#### 10.—ELECTIONS:

(A) Letter from the Hon. Secretary, Hendon Labour Party Central Ward Group, transmitting a copy of a resolution passed by his Group protesting against the employment of persons as officers in connection with the recent local Elections who had other occupations, and suggesting that the services of Unemployed persons should have been requisitioned.

The Clerk reported in regard to the persons who took part in the Elections in question, from which it appeared that unemployed persons who had made application and who were considered suitable to undertake the work, were engaged for the purpose.

Your Committee

RECOMMEND—That the Hendon Labour Party be informed accordingly.

(B) Letter from the Clerk to the Middlesex County Council in regard to a communication received from the Hendon Board of Guardians transmitting a copy of a resolution passed by the Guardians complaining of the alleged hardship inflicted on electors residing in the Midland Railway Cottages at Cricklewood in having to record their votes at the Golders Green Polling Station.

With regard to the request of the Guardians that the electors in question should be included in the Child's Hill Ward, the County Council stated that as this would involve an alteration of the Wards for the election of Guardians, and as these Wards were co-terminous with those of the Urban District, it appeared to be undesirable to alter one class ward without also altering the other.

The County Council asked to be furnished with the views of the Council upon the matter.

After careful consideration thereof, your Committee

RECOMMEND—That the County Council be informed that this Council does not desire to take action in connection with the matter.

- 11.—TUBE RAILWAY EXTENSION: Letter from Sir Robert MacAlpine & Sons, in regard to a proposal to lay a temporary line along the route of the North Circular Road to the tip at the Brent Reservoir in connection with the removal of surplus excavated materials connected with the extension of the tube railway.

They made enquiry whether the Council would be prepared to grant them an easement for the proposed line, and if so upon what terms.

Report from the Surveyor in regard thereto.

After due consideration thereof, your Committee

RECOMMEND—That Sir Robert MacAlpine & Sons be informed that the Council would be prepared to grant the required easement upon payment of a sum of £250.

- 12.—DISQUALIFICATION OF URBAN DISTRICT COUNCILLORS: Letter from the Clerk to the Urban District Council of Erith transmitting the following resolution passed by them upon the subject of the Disqualification of Urban District Councillors and urging the Council to support the same.

“That this Council is of the opinion that the clause in the 1894 Local Government Act disqualifying elected persons from acting as such on the grounds of seeking relief through no fault of their own is obsolete and unjust, and seeing that it robs the public of the services of capable citizens steps should be taken to immediately erase this obnoxious clause from the Statute Book, and that a copy of this resolution be forwarded to the Prime Minister, Minister of Health, and to all Metropolitan Borough and Urban Councils for their endorsement.”

Your Committee have no recommendation to make upon the matter.

- 13.—CLAIMS:

- (A) Letter from the Wheel & Wings Assurance Association, Ltd., in reference to an accident to a lorry belonging to Messrs. Matthews & Co. in Holders Hill Road, alleged to have been caused by the disturbance of the highway in connection with the carrying out of repairs to water main.

Report from the Surveyor in regard thereto.

After due consideration thereof, your Committee

RECOMMEND—That the Council deny liability in the matter.

- (B) Letter from Messrs. S. Hanson & Son, in further reference to the accident to one of their lorries in Flower Lane, Mill Hill, which they alleged was due to the defective condition of the roadway in question.

Messrs. Hanson & Son now forwarded an account in respect of the repairs to the lorry amounting to the sum of £20 18s. 0d.

It will be remembered that at the last meeting of your Committee a report was received from the Surveyor in regard to the matter, from which it appeared that at the time of the accident in question the North Middlesex Gas Company were engaged in laying a main in the section of Flower Lane referred to. Messrs. Hanson & Co. were subsequently informed accordingly, and further that the Council denied liability in the matter.

Report from the Clerk that upon receipt of the further communication from Messrs. Hanson and Son he had conferred with the Surveyor thereon, and had informed them of the facts in connection therewith, at the same time again denying liability on behalf of the Council.

Your Committee confirmed the action of the Clerk in the matter.

- (C) Letter from Messrs. W. W. Howard Bros. & Co. in regard to an accident to their tractor in Wentworth Road, for which they claimed damages for the repair thereof to the extent of £2 3s. 9d.

Your Committee have received a report from the Surveyor in regard thereto, and desire to point out that Wentworth Road is a private road over which the Council have no jurisdiction. They

RECOMMEND—That the Council deny liability in the matter.

- 14.—PUBLICATION RE GOLDERS GREEN: Letter from Mr. F. Howkins making application to be supplied with certain information relating to the district, and also asking for permission to obtain a tracing or photograph of the old map of Hendon in the possession of the Council.

Mr. Howkins desired to be furnished with such information in connection with a publication relating to the district which he had in course of preparation.

Your Committee

RECOMMEND—That Mr. Howkins be furnished with the information required by him, and with regard to the map that he be given permission to photograph the same.

- 15.—CATTLE IMPORTATION OF: Letter from the Town Clerk of London, transmitting the following resolution passed by the Court of Common Council upon the subject of Importation of Canadian Store Stock Cattle.

"That in the interests of the people of London and the other great centres of population, and to assist this country in becoming more self-supporting in respect of the provision of food supplies, His Majesty's Government be urged to reconsider its decision upon the unanimous Report of the Royal Commission on the Importation of Store Cattle, and to introduce without delay such necessary amendments to the Diseases of Animals Act, 1896, &c., as will give effect to the findings of the Commission and allow of the early importation of Store Cattle from Canada."

It appeared from the communication referred to that the Cattle Markets Committee had under consideration representation made to them by various Authorities for the holding of a Conference at the Guildhall in connection with the matter, and they made enquiry whether the Council would be prepared to appoint delegates to attend the proposed Conference.

Your Committee are unable to recommend the Council to take any action in the matter.

- 16.—MOTOR TRAFFIC: Letter from Mr. E. F. Errington in further reference to the danger to pedestrians occasioned by the traffic of motor vehicles along the Finchley Road between Addison Way and Golders Green Tube Station.

Your Committee

RECOMMEND—That the further consideration of this matter be undertaken by the Outdoor Committee.

- 17.—WAR PENSIONS: The Clerk reported the receipt of a circular letter from the Ministry of Pensions transmitting copy of a revised scheme for dealing with the areas established under the War Pensions Act.

Your Committee gather therefrom that no change is proposed so far as the Council's area is concerned, and have duly noted the same

- 18.—BATHS AND WASHHOUSES: Letter from the Town Clerk, Borough of Fulham, transmitting copies of resolutions passed by a Conference of representatives of Metropolitan Borough Councils held at Fulham upon the subject of extending the provisions of the Baths and Washhouses Acts to enable public bodies to undertake laundry work if they considered it to be expedient.

Your Committee have no recommendation to make in regard thereto.

- 19.—NETHER COURT: Letter from Messrs. Yates & Yates offering revised terms to the Council for the acquisition of the Nether Court Estate.

In view of the fact that the Council are precluded from entertaining any offer for the acquisition of this estate owing to the attitude of the Ministry of Health, your Committee

RECOMMEND—That Messrs. Yates & Yates be thanked for their offer and informed that the Council regret they are unable to entertain the same.

- 20.—RATES OF PAY: The Clerk reported the receipt from the Public Works Conciliation Board of a Schedule of Rates of Pay for Workmen in the London Area.

Your Committee understand that the Surveyor is already working under the Schedule in question, and they have duly noted the same.

- 21.—PARLIAMENTARY BILLS:

- (A) COLNE VALLEY WATER BILL: Letter from Messrs. E. Bevir & Son, reporting the result of the opposition to the above Bill, from which it appeared that although the Company sought an increase in their charges of 100 per cent., an increase of 15 per cent. only had been allowed upon the extra allowance granted by the Board of Trade during the War.
- (B) GREAT NORTHERN RAILWAY BILL: Letter from Messrs. Bevir & Son, enclosing an abstract from the proceedings in the House of Lords, from which it appeared that the promoters of the Bill had withdrawn Clause 31, thus meeting the objection of the Council.

Your Committee have duly noted the contents of these reports.

- 22.—BITTACY VIEW: That they gave consideration to a report submitted by the Accountant in regard to the tenancy of Mr. Drummond, of Bittacy View, such report having been referred to your Committee by the Housing Committee.

It appeared therefrom that the Accountant had been in negotiation with Mr. Drummond in regard to settling his terms of tenancy of Bittacy View.

The Council will remember that Mr. Drummond was allowed to remain in occupation of the premises as a statutory tenant.

The Accountant referred to the fact that a considerable portion of Mr. Drummond's holding was sublet to Mr. Whiting, of Dollis Brook, and the question now arose as to whether it would not be desirable to separate the two holdings.

Your Committee

RECOMMEND—That the premises be let to Mr. Drummond at a rental of £55 per annum, he being required to execute all the repairs for which he was responsible under his old lease, and with regard to the land held by Mr. Whiting, that he be granted a lease of the same upon the same terms as at present.

- 23.—THAMES AND LEE CONSERVANCIES: The Clerk reported the receipt of a notice from the Secretary of the Inter-departmental Committee on the Thames and Lee Conservancies relative to a public hearing to be held on the 25th inst. at Whitehall upon matters connected with the Thames and Lee Conservancies.

Your Committee have duly noted the same.

Your Committee

RECOMMEND—That leave of absence be granted to the Officers attending the outing in question.

- 25.—SURVEYOR'S STAFF: Report from the Surveyor that Mr. J. A. Gregsten, an improver in his Department, had resigned the position held by him owing to defective sight

Your Committee instructed the Surveyor to express the Council's sympathy with Mr. Gregsten.

In regard to filling the vacancy occasioned by this resignation, the Surveyor was authorised to communicate with Mr. C. V. Berry, one of the selected candidates for the position of Improver on a former occasion, making enquiry whether he was in a position to accept the appointment.

## Report of Highways Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 15th day of May, 1922. Present: Mr. Councillor Egan (Chairman), Councillors Miss Growse, Mrs. Bannister, Ford, Holt, Hill, Reynolds, Wise and Winny.

Your Committee beg to report as follows:—

### 1.—TREES:

- (a) BRENT STREET: Letter from Messrs. Meaby & Co., Solicitors, on behalf of the owner of certain land in Brent Street, near the Crest, upon which it was proposed to erect shops. Messrs. Meaby & Co. inquired whether the Council would offer any objection to the removal of seven trees which at the present time existed on the footpath in Brent Street and which were immediately in front of the land in question upon which it was proposed to erect the shops.

Messrs. Meaby & Co. pointed out that the retention of the trees would obstruct access and light to the proposed shop fronts.

After careful consideration of this matter, your Committee

RECOMMEND—That Messrs. Meaby & Co. be informed that the Council cannot see their way to agree to the removal of the trees in question.

Letter from Messrs. Arding & Hobbs relative to an elm tree on the public footpath near the houses in course of erection by them in Brent Street, and requesting that the same might be removed.

After due consideration of such communication, and a report from the Surveyor in regard thereto, your Committee

RECOMMEND—That the matter be referred to the Outdoor Committee in order that an inspection of the tree might be made.

### (b) DAWS LANE:

Letter from Mr. W. F. James requesting that an inspection might be made of the elm trees in front of the Church at the corner of Daws Lane and Lawrance Street, Mill Hill, with a view to ascertaining whether the same were in a safe condition.

Report from the Surveyor in regard thereto.

After due consideration thereof, your Committee

RECOMMEND—That Mr. James be informed that as the trees in question have been lopped, there appears to be no reasonable ground for considering them to be unsafe.

### (c) LAWRENCE STREET:

Letter from Messrs. Walton, Hassell & Port, suggesting that the trees in front of their premises at Lawrence Street, Mill Hill, should be pruned.

Report from the Surveyor in regard thereto.

After due consideration of the matter, your Committee

RECOMMEND—That Messrs. Walton, Hassell & Port be informed that the trees in question will be pruned at the proper season.

- (d) Letter from Mr. D. Chamberlin in regard to certain elm trees in Lawrence Street, between Daws Lane and the Cinema, suggesting that the dead branches of such trees should be cut away.

Your Committee

RECOMMEND—That Mr. Chamberlin be informed that the Council agree to the removal of the dead branches referred to.

## (E) GOLDERS GREEN ROAD:

Letter from Mr. E. Wright in further reference to his suggestion for the removal of certain trees opposite his property in Golders Green Road.

The Council will remember that this matter has been considered on a previous occasion, when the Council could not see their way to assent to the removal of the trees in question, but the Surveyor was authorised to lop certain of the trees.

After further consideration, your Committee

RECOMMEND—That each alternate tree referred to by Mr. Wright be removed, and that the work be carried out in due course.

## 2.—FOOTPATHS:

- (A) Letter from Mr. A. Bailey, making enquiry in regard to the footpath from the end of Dersingham Road to Clutterhouse Farm, which had been closed under Emergency Regulations, requesting on behalf of residents in the neighbourhood that the path in question be now re-opened.

Your Committee are informed that the Government have power to retain possession for a period of two years from the termination of the war. They

RECOMMEND—That Mr. Bailey be informed accordingly.

- (B) CRICKLEWOOD LANE: Letter from the Midland Railway Co. in further reference to the Council's communication suggesting that an additional footway should be constructed in Cricklewood Lane, underneath the Company's Railway Bridge.

The Company intimated that they could not see their way to carry out the work at their own expense, but if the Council were prepared to bear the cost, and to be responsible for the future maintenance of the pathway, the Company would consider the question of carrying out the work on behalf of the Council, subject to the details of the scheme being approved.

The Council will remember that the question arose on a communication received from the Rev. R. Kemp Teasdale advocating the provision of the additional footway referred to.

After careful consideration of the matter, and in view of the very heavy cost which would be involved in carrying out the scheme, your Committee

RECOMMEND—That the Midland Railway Company be informed that the Council cannot see their way to proceed further in the matter.

They further

RECOMMEND—That the Rev. Kemp Teasdale be informed accordingly.

- 3.—GOLDERS GREEN (PROPOSED BRIDGE): Reference was made to the bridge to be constructed over the Finchley Road in connection with the extension of the Tube to Hendon, and a suggestion was made for the construction of an additional approach to the Station for the convenience of the public. Your Committee

RECOMMEND—That particulars as to the suggestion be transmitted to the London Underground Railway Company for consideration.

## 4.—PRIVATE IMPROVEMENTS:

- (A) That they received a petition from residents of Annesley Avenue, objecting to the proposal to make up the road under Sec. 150 of the Public Health Act, 1875, on the ground that prices for works of this character were still very high.

Report from the Clerk in regard to the present position of the matter, from which it appeared that notices to be served upon the frontagers in the road requiring the execution of the works referred to had been prepared, and were ready for service.

After due consideration of the matter, your Committee

RECOMMEND—That such notices be served in due course, subject to the majority of the frontagers agreeing to the execution of the works and that steps be taken accordingly to obtain an expression of opinion from the frontagers in the road in question.

- (B) THE VALE: Letter from Mr. N. D. McDuff in further reference to the bad condition of the Vale, Golders Green, and requesting that the work might be proceeded with.

It will be remembered that this matter was under consideration in October last, when assenting to the expression of opinion from the owners in the road, the Council decided to defer the proposal to make up the road for a period of 12 months.

Your Committee

RECOMMEND—That Mr. McDuff be informed that the matter will be further considered in October next.

- (C) Letter from Mrs. B. E. King complaining of the bad condition of Lyndale Avenue, Finchley Road.

In this case also the Council will recollect that it was proposed to carry out permanent works in the road in the autumn of last year, but as a result of enquiries made of the property owners, the majority were opposed to the execution of permanent works.

Here again the Council decided in view of the replies of the owners of property to defer the carrying out of permanent works for a period of 12 months.

Your Committee

RECOMMEND—That Mrs. King be informed accordingly.

Your Committee

RECOMMEND—That the plans and estimates be approved, and that in due course notices under Section 150 be served upon the frontagers in the roads in question. In regard to the period to be given to the owners in which to carry out the work, your Committee recommend in the case of Booth Road the period be fixed at six weeks, and in the case of Crewys Road a period of two months.

- (e) Letter from Mr. H. Butcher suggesting the carrying out of permanent works in the roads in the vicinity of The Park, North End Road, viz.:—The Park, Park Drive, and Park Avenue.

Report from the Surveyor in regard to the condition of these roads.

Your Committee

RECOMMEND—That a communication be addressed to the owners of property in the roads in question with a view to ascertaining whether they approve of the execution of permanent works therein.

- (f) Report from the Surveyor in regard to the execution of permanent works in the remaining portion of Wentworth Road.

The Council will remember that upon representation made to them by the owners of property in the portion of the road referred to, the carrying out of the proposed permanent works was deferred for a period of six months in order that advantage might be taken of any reduction in the price of labour and materials.

This period had now expired and the Surveyor suggested that application should be made to the Ministry of Health for sanction to the necessary Loan for carrying out the work, the revised estimate amounting to the sum of £4,354 9s. 0d. as against the original estimate of £4,865.

Your Committee

RECOMMEND—That the suggestion of the Surveyor be approved, and that the application be made to the Ministry of Health accordingly.

Your Committee further

RECOMMEND—That fresh notices be served upon the owners under Section 150 of the Public Health Act, 1875, and that the period of ten weeks be allowed for the execution of the works by the Owners.

- (g) Letter from the Secretary, Hendon Local Higher Education Committee, advocating the carrying out of permanent works in the road known as The Crest, Hendon.

After due consideration of the Surveyor's report upon the matter, your Committee

RECOMMEND—That the Hendon Local Higher Education Committee be informed that in view of the undeveloped state of The Crest, the Council cannot see their way to carry out permanent works therein at the present time.

- 5.—NORTH CIRCULAR ROAD: Letter from the Ministry of Health relative to the strip of land to be given up by the Council in connection with the construction of the North Circular Road.

The Ministry intimated that if it was understood the land in question was being alienated by way of gift to the County Council, no sanction of the Minister was required in the matter.

Letter from the Clerk to the Middlesex County Council intimating that the Highways Committee of the County Council were recommending the County Council to accept the offer of the Hendon Council in connection with the surrender by them of the strip of land in connection with the construction of the North Circular Road.

With regard to the communication from the Ministry of Health, the Council will remember that the land was surrendered to the County Council subject to certain conditions, the Ministry of Health being acquainted with the terms thereof.

Your Committee

RECOMMEND—That the Clerk address a further communication to the Ministry of Health repeating the facts in connection with the matter.

- 6.—THE BURROUGHS: Letter from Mr. R. S. Fox, of the Hendon Scouts' Association, in reference to the War Memorial at The Burroughs, Hendon.

Mr. Fox offered to arrange for a rota of Boy Scouts to undertake the cleaning of the steps to the Memorial each Saturday morning, a practice which had been adopted in many other places.

After careful consideration your Committee

RECOMMEND—That the Council accept with grateful thanks the offer of Mr. Fox in the matter.

A suggestion was made for the formation of a flower bed at the base of the Memorial, and a similar suggestion was made in connection with the Mill Hill War Memorial.

Your Committee requested the Surveyor to submit a report upon these suggestions at the next meeting.

Reference was made to the question of arranging for the periodical removal of the dead flowers from the War Memorial, and your Committee have requested the Surveyor to take the necessary action in connection with the matter.

- 7.—ROAD TARRING: Letter from the Ministry of Transport, transmitting copy of Interim Report as to the pollution and damage to fisheries caused by washings from tarred roads.

The Ministry expressed the view that Highway Authorities should give careful consideration to this matter where their roads drained into fishing waters.

Your Committee have duly noted this communication.

8.—COLINDALE AVENUE: Letter from Mr. W. C. Garrard, Secretary of the Colindale and District Ratepayers' Association, complaining of certain unfenced land between Regent Villas and the Brook in Colindale Avenue, and requesting that such land should be fenced in as a protection against danger arising owing to the existence of the stream in the locality. Your Committee considered a report from the Surveyor upon the matter and

RECOMMEND—That the Colindale Ratepayers' Association be informed that the Council regret that they are unable to take any action in connection therewith.

9.—SHIRE HALL LANE:

(a) Letter from Mrs. Heavingham making application for consent to the placing of a direction plate on the lamp-post in Shirehall Lane, indicating the entrance to the passage way which formed the approach to the "Load of Hay" in Salisbury Plain, such passage way being only a narrow roadway about three feet in width it was not generally known to the public.

After due consideration, your Committee

RECOMMEND—That Mrs. Heavingham be informed that the Council regret their inability to accede to the application.

(b) Letter from the Eastern Telegraph Co., calling attention to the storm water overflow in Shirehall Lane, which in times of heavy rain affected their Tennis Courts.

Report from the Surveyor that the matter complained of had been dealt with on the receipt of the communication from the Company.

10.—MAIN ROAD FOOTPATHS: Letter from the Middlesex County Council intimating that as from the 1st April, 1921, and in future, the County Council would bear the whole of the cost of approved expenditure in connection with the maintenance of main road footpaths in the district and that the agreed loan charges on previous improvement works would be paid as heretofore.

Your Committee have duly noted the contents of this communication.

11.—ROAD MATERIALS: Letter from the Institution of Municipal and County Engineers as to the re-classification of materials carried by Railway Companies for use in connection with the maintenance and construction of roads and other works of Local Authorities.

Your Committee have duly noted the same.

12.—GOLDERS GREEN ROAD: Letter from Mr. W. T. Streater requesting the Council to make up the strip of land dedicated by him for the widening of the highway in connection with his new shops at Russell Parade.

Report from the Surveyor in regard to the matter, estimating the cost of the work at the sum of £77.

In view of the terms of the agreement under which the Council undertook to carry out the work when the land was developed, your Committee.

RECOMMEND—That same be carried out in due course.

13.—HIGHWOOD HILL IMPROVEMENT: Report from the Surveyor in regard to his further negotiations with the owners of land necessary to carry out the proposed widening improvement works at Highwood Hill at the junction of Hendon Wood Lane and Totteridge Lane.

It appeared from such report that two of the owners in question had now indicated the terms upon which they would be prepared to surrender the necessary land, and it was anticipated that a satisfactory reply would shortly be forthcoming from the third owner.

The Surveyor submitted a communication from the Ministry of Transport making enquiry when it was proposed to commence the work in question, and intimating that unless the same was commenced within a reasonable period the proposed grant by them of 25 per cent. towards the cost of the work would be cancelled.

He also submitted a communication from the Ministry of Labour intimating that all men engaged on this work, other than the Supervisor's Staff, must be obtained through the Employment Exchange, and suggesting that the same be obtained through the selection Committee dealing with the labour utilised in connection with the North Circular Road.

Your Committee have given this matter careful consideration, and in view of the importance of proceeding with this improvement, particularly in view of the advent of the motor bus services, your Committee

RECOMMEND—That the Council accept the terms offered by the respective owners for the land surrendered by them as set out in the Surveyor's report, and that steps be taken to carry out the works.

14.—ADVERTISING BANNERS—HALL LANE: Letter from the British Petroleum Company making application for permission to place advertising banners across Hall Lane on the afternoon and evening of the 2nd June next on the occasion of the London to Edinburgh Motor Reliability Trials. Your Committee

RECOMMEND—That the Council grant the necessary permission.

15.—KINGSBURY ROAD IMPROVEMENT: The Surveyor submitted a report in regard to an application he had received from the Middlesex County Council for permission to connect a 9in. surface water drain from Kingsbury Road, in connection with the improvements in course of progress by the Middlesex County Council in such road, to the Council's surface water drain in the Edgware Road.

It appeared from such report that the length of drain to be connected would be about 1,100 feet, half of the road which the proposed surface water drain would serve being in the Kingsbury Parish and the remainder in the Hendon Parish, so that a small area of roadway belonging to the Kingsbury Council would be drained into the Hendon surface water system.

The Surveyor suggested that the Council should accede to the application, subject to the reservation of the right of the Hendon Council to connect the surface water from any buildings which might be built on land fronting on the Edgware Road to the surface water drain in question.

After due consideration of the matter, your Committee

RECOMMEND—That the suggestion of the Surveyor be approved, and that the Middlesex County Council be informed accordingly.

16.—FINCHLEY ROAD: Letter from the Middlesex County Council intimating that the proposed widening of Finchley Road might be erected. Your Committee considered a report from the Surveyor upon the matter and

RECOMMEND—That the Council accede to the application.

They

RECOMMEND—That the Council accede to the application.

17.—PARTINGDALE LANE: Letter from the Middlesex County Council intimating that the proposed widening of Partingdale Lane might be erected. Your Committee considered a report from the Surveyor upon the matter and

Report from the Surveyor that the matter complained of had been dealt with on the receipt of the communication from the Company.

After due consideration, your Committee

RECOMMEND—That the Council accede to the application.

RECOMMEND—That the Council accede to the application.

18.—PUBLIC LIGHTING:—(a) Letter from Messrs. Hill intimating that an additional lamp was required on the public footpath at Messrs. Hill's.

Report from the Surveyor that the matter complained of had been dealt with on the receipt of the communication from the Company.

RECOMMEND—That the Council accede to the application.

RECOMMEND—That the Council accede to the application.

(b) Letter from the Middlesex County Council intimating that an additional lamp was required on the public footpath at Messrs. Hill's.

Report from the Surveyor that the matter complained of had been dealt with on the receipt of the communication from the Company.

After due consideration, your Committee

RECOMMEND—That the Council accede to the application.

RECOMMEND—That the Council accede to the application.

19.—PETROL INSTALLATION: (a) The Surveyor submitted a communication from the Ministry of Transport making enquiry when it was proposed to commence the work in question, and intimating that unless the same was commenced within a reasonable period the proposed grant by them of 25 per cent. towards the cost of the work would be cancelled.

After careful consideration, your Committee

RECOMMEND—That the Council accede to the application.

RECOMMEND—That the Council accede to the application.

(b) The Surveyor submitted a communication from the Ministry of Transport making enquiry when it was proposed to commence the work in question, and intimating that unless the same was commenced within a reasonable period the proposed grant by them of 25 per cent. towards the cost of the work would be cancelled.

After careful consideration, your Committee

RECOMMEND—That the Council accede to the application.

RECOMMEND—That the Council accede to the application.

20.—ACCOMMODATION ROAD: Letter from the Middlesex County Council intimating that the proposed widening of Accommodation Road might be erected. Your Committee considered a report from the Surveyor upon the matter and

Report from the Surveyor that the matter complained of had been dealt with on the receipt of the communication from the Company.

After due consideration, your Committee

RECOMMEND—That the Council accede to the application.

RECOMMEND—That the Council accede to the application.

The Surveyor intimated that the proposed widening of Accommodation Road should be made up under the terms of the agreement referred to in the report.

The Surveyor also intimated that the proposed widening of Accommodation Road should be made up under the terms of the agreement referred to in the report.

He forwarded a copy of the report to the Council for their consideration.

Your Committee have given this matter careful consideration, and in view of the importance of proceeding with this improvement, particularly in view of the advent of the motor bus services, your Committee

RECOMMEND—That the Council accede to the application.

RECOMMEND—That the Council accede to the application.

21.—MAIN ROAD MAINTENANCE: Letter from the Middlesex County Council intimating that the proposed widening of Main Road might be erected. Your Committee considered a report from the Surveyor upon the matter and

Report from the Surveyor that the matter complained of had been dealt with on the receipt of the communication from the Company.

After due consideration, your Committee

RECOMMEND—That the Council accede to the application.

RECOMMEND—That the Council accede to the application.

The Council will accede to their application for the years 1920 and 1921, the Middlesex County Council to contribute such sum covering the

- 16.—FINCHLEY ROAD: Letter from the Rev. G. S. Davis, the owner of a private school at the junction of Middleton Road and Finchley Road, requesting that a School Warning Notice for motorists on the Finchley Road might be erected to protect the children attending his school.

Your Committee are in favour of the proposal, and

RECOMMEND—That the Royal Automobile Association be requested to erect the necessary sign, and to give the matter urgent attention

They

RECOMMEND further—That the Rev. Davies be informed of the action in the matter.

- 17.—PARTINGDALE LANE: Letter from the Lieut.-Col. Royal Engineers, Mill Hill Barracks, asking for permission to fill in the roadside pond in Partingdale Lane and carry the ditch across the front of the old pond.

Report from the Surveyor in regard thereto.

After due consideration of the matter, your Committee

RECOMMEND—That the application be acceded to in accordance with the terms of the Surveyor's report.

- 18.—PUBLIC LIGHTING:—

(A) Letter from Messrs. Edmondsons making application for additional lighting accommodation at Renters Hill.

Report from the Surveyor suggesting that in view of recent developments in the road in question an additional lamp was required. Your Committee

RECOMMEND—That an additional lamp be erected in Renters Hill in due course, and that Messrs. Edmondsons be informed accordingly.

(B) Letter from the Secretary, Child's Hill and Golders Green Ratepayers' Association, suggesting that an additional lamp already in existence in Longberrys Road, should be put into lighting.

Report from the Surveyor in regard thereto.

After due consideration of such report, your Committee

RECOMMEND—That the lamp in question be put into lighting prior to next winter, and that the Association be informed accordingly.

- 19.—PETROL INSTALLATIONS:

(A) The Surveyor submitted an application from Messrs. Orton & Co., for permission to place a petrol pump on the public footpath outside their garage at Lawrence Street, Mill Hill.

After careful consideration of such application, your Committee

RECOMMEND—That the same be acceded to, subject to Messrs. Orton & Co. entering into an agreement indemnifying the Council against any claims in connection with accidents which may be occasioned by the existence of the petrol pump on the public footpath referred to.

(B) The Surveyor also submitted a similar application from the Hendon and Golders Green School of Motoring for an installation at their premises in Church Road, Hendon, it being proposed, however, in this case, to place the pump against the wall of the building.

Your Committee

RECOMMEND—That this application be acceded to.

- 20.—ACCOMMODATION ROAD—GOLDERS GREEN: Report from the Surveyor in further reference to his negotiations with Messrs. Cluttons in regard to the proposal put forward by them that the Council should make up under Section 150 of the Public Health Act, 1875, certain of the Accommodation Roads at Golders Green, viz.:—Golders Way and the road running from Finchley Road to North End Road, such roads being at present maintained and scavenged by the Ecclesiastical Commissioners and other property owners in the roads referred to under an agreement between the said Owners and the Council.

The Surveyor intimated that he had suggested to Messrs. Cluttons that the Ecclesiastical Commissioners should make some contribution to the Council in view of the fact that in the event of the Council making up and taking over these roads the Commissioners would be released from the obligation contained in the agreement referred to.

The Surveyor also submitted a letter which he had received from Mr. A. G. Raymond relative to the accommodation road between Redborough Road and Hodford Road, from which it appeared that Mr. Raymond suggested that the lessees of the shops abutting upon such road should make up the same at their own expense, finally handing the road over to the Council for maintenance as a public highway.

He forwarded a specification of the work the lessees would be prepared to carry out, which the Surveyor considered would make a satisfactory road, subject to certain amendments and to certain other conditions being complied with.

Your Committee have given the matter careful consideration, and have instructed the Surveyor to continue the negotiations with Messrs. Cluttons and Mr. Raymond in the terms of his report.

- 21.—MAIN ROAD MAINTENANCE CONTRACTS: The Surveyor submitted an account from the Acme Flooring and Paving Company amounting to the sum of £1,115 13s. 9d., being the amount due to the Company under their Contract in respect of the maintenance of Golders Green Road for the years 1920 and 1921.

The Council will remember that they have previously been in negotiation with the Company in regard to their application for an increase on the original contract price for the maintenance work referred to for the years 1920 and 1921, and it was agreed that an increase of 100 per cent. should be allowed the Company, the Middlesex County Council agreeing to pay an additional twopence per square yard per annum, such sum covering half the additional cost of the work.

Report from the Surveyor that in view of the fact that the second maintenance period of three years under the Contract had now been completed the question remaining to be settled was whether the Company should carry on for a further period of three years as provided by the Contract.

With regard to the price to be paid by the Council for the maintenance work for the further period referred to the Surveyor intimated that he had informed the Company that the Council would not be prepared to allow any increase on these prices, and if they were not prepared to carry on under the original contract the Council would be prepared to consider the question of releasing them therefrom.

As a result thereof the Company had intimated that they had considered the matter, and had decided to accept the maintenance work for the further period of three years at sixpence per square yard, per annum.

The Surveyor therefore suggested that the Company be allowed to carry on with the work, subject to certain conditions referred to by him.

After due consideration of the matter, your Committee

RECOMMEND—That the Company be informed that the Council will be prepared to allow them to continue the maintenance work in connection with the Golders Green Road for a further period of three years in accordance with the Surveyor's report.

With regard to the account from the Company for the years 1920 and 1921, amounting to the sum of £1,115 13s. 9d., your Committee

RECOMMEND—That the same be passed for payment.

- 22.—STONEFIELDS LANE, MILL HILL: Letter from Mr. T. Puddifant requesting the Council to take steps with a view to widening Stoneyfields Lane, Mill Hill.

Your Committee decided to leave the matter in the hands of the Surveyor to deal with.

- 23.—EDGWARE ROAD RE-CONSTRUCTION: Report from the Surveyor submitting plans and estimates for the re-construction of the remaining sections of the Edgware Road, the estimate in question amounting to the sum of £34,511, and he asked for authority to transmit the same to the Middlesex County Council.

Your Committee

RECOMMEND—That such plans and estimates be approved and that the Surveyor have authority to transmit them to the Middlesex County Council.

- 24.—RE-NUMBERING—LAWRENCE STREET: The Surveyor submitted a plan indicating the method proposed to be adopted in connection with the re-numbering of Lawrence Street, Mill Hill.

Your Committee

RECOMMEND—That the proposal of the Surveyor be approved, and that the necessary notices requiring the re-numbering of the road be served upon the frontagers in due course.

- 25.—FINCHLEY ROAD—WOOD PAVING: Report from the Surveyor in regard to the question of re-laying certain portions of the wood paving in the Finchley Road, a sum for this work having been included in the current year's Main Road Estimates, and he asked for authority to advertise for tenders for carrying out the work.

Your Committee

RECOMMEND—That the Surveyor have authority accordingly.

- 26.—REQUISITIONS: The Surveyor submitted a requisition of goods and materials required by him and the same was approved.

## Report of Finance Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 15th day of May, 1922. Present: Mr. Councillor Cartwright (Chairman), Councillors Mrs. Hargraves, Donald, Fenn, Hearn, the Rev. Dr. Macgowan, Roberts, Sturgess, Soar and Weeks.

Your Committee beg to report as follows:—

PAY ORDERS: The Accountant submitted Pay Orders amounting to £82 3s. 4d. and £251 1s. 8d., such amounts being included in the list of accounts for payment.

Your Committee approved such Pay Orders and gave authority for the necessary cheques to be drawn.

ACCOUNTS: That they received statements of accounts from the North Middlesex Gas Company and the Harrow and Stanmore Gas Company for the year ended 31st December last, and have duly noted the same.

HOUSING BONDS: Letter from the Ministry of Health, intimating that the Treasury had had under consideration the rate of interest to be paid on Local Housing Bonds issued by Local Authorities under Section 7 of the Housing (Additional Powers) Act, 1919.

It had now been decided that the rate of interest on Bonds issued on or after 1st April, 1922, should be 5 per cent. and that a Local Authority who had power to issue Local Bonds and still required to borrow for the purposes of the Housing Acts might therefore issue Local Bonds for Housing bearing interest at the above rate.

Your Committee have duly noted this communication.

**PRIVATE STREET IMPROVEMENTS:** Report from the Clerk that the time limited by the notices of apportionment under Section 150 of the Public Health Act in respect of Sylvan Avenue, Mill Hill, and Albert Road, Mill Hill, had expired and he asked for authority to serve notices of demand in all cases where the owners had not satisfied the amount claimed under the apportionment.

Your Committee

**RECOMMEND**—That the Clerk have authority to serve the notices of demand under Section 150 of the Public Health Act, 1875, in due course.

**AGREEMENTS:** Report from the Accountant as to the following applications to be allowed to pay road charges by instalments:—

Winder, A. J. ... ..	80, Woodstock Avenue, Golders Green.

Your Committee

**RECOMMEND**—That the Council accede to the applications and that the Common Seal of the Council be affixed to the agreements in the above-mentioned cases.

**LOAN—£1,000:** Report from the Accountant as to an offer of a loan of £1,000 with interest at the rate of 5 per cent. for a period of 10 years by a member of the Council.

Your Committee

**RECOMMEND**—That the offer be accepted and that the Common Seal of the Council be affixed to the necessary Mortgage Deed.

**BYE-LAWS:** Report from the Accountant in reference to the charge for copies of the Council's bye-laws relating to new streets and buildings which hitherto had been 1/-.

A new supply of bye-laws had been printed and he suggested that the price should be revised to cover the cost of printing.

Your Committee

**RECOMMEND**—That the charge for copies of bye-laws in future be 2/6 and that the Surveyor keep a record of all copies issued.

**HOUSING SCHEMES:** Report from the Accountant that the assessments made by the Inspector of Taxes upon the new houses were based on the rents received but were considerably in excess of the poor rate assessments, and he asked for authority to take the matter up with the Housing Department of the Ministry of Health and report further thereon.

Your Committee

**RECOMMEND**—That the Accountant negotiate with the Ministry upon the matter.

**NORTH CIRCULAR ROAD:** Report from the Accountant that the North Circular Road contract entailed a considerable amount of clerical work in his Department and that of the Engineer in connection with the keeping of the accounts, for which no allowance was made by the County Council.

In view of the amount of work involved on this scheme your Committee

**RECOMMEND**—That enquiry be made of the Middlesex County Council as to whether they would be prepared to bear the cost of the clerical work involved in connection with the scheme.

**INSURANCES:** The Accountant reported that the new Motor Fire Engine and the Motor Ambulance would shortly be delivered and he asked for authority to effect the necessary insurances on these vehicles.

Your Committee gave the Accountant the necessary authority in this matter.

**TITHES:** Report from the Accountant as to certain Tithes which existed on land at the Hyde, and he asked for authority to take steps for the redemption of the same.

Your Committee

**RECOMMEND**—That the Accountant make enquiry in regard to this matter and report to the next meeting of the Committee.

**COUNCIL AGENDA:** Reference was made to the question of the printing of the accounts and balances in the Council's Agenda.

It appeared that the Finance Committee Report, which was the last Committee to be held before the Council Meeting, had hitherto appeared first in the Agenda, consequently the other reports could not be printed off until the Finance Statements had been completed which had occasioned delay in the issue of the Agenda in the past.

Your Committee agreed that the Finance Committee Report should appear at the end of the Agenda, but that the report should, as usual, be taken first at the Council Meeting.

SINKING FUND LOANS: Report from the Accountant that a sum of £3,443 8s. 5d. stood to the credit of the Council's Sinking Fund and he suggested that a sum of £3,400 should be applied in part reduction of the following loans:—

No. 135	...	£2544	Repay	...	£ 250
No. 136	...	£5551	Repay	...	£1800
No. 137	...	£2655	Repay	...	£ 550
No. 138	...	£7676	Repay	...	£ 800

Your Committee recommend approval of the proposal of the Accountant in this matter.

SURVEYOR'S CERTIFICATES: The Surveyor submitted the following Certificates in favour of Contractors included in the accounts for payment:—

Farrow, H., Edgware Road Reconstruction	...	£1386
Neal, H., Open Air Swimming Bath	...	£ 766

LAND, THE BURROUGHS: Reference was made to a communication from Messrs. Keary, Stokes & White, as to the attendance of Sir Audley Neeld at Hendon to dedicate the site of the War Memorial to the Council on Tuesday, the 23rd inst., at 12 noon.

It was decided to make enquiry whether Sir Audley could attend on Monday evening at 6 p.m.

1.—STATEMENT OF RECEIPTS, ETC.: Your Committee have examined the Treasurer's Pass Book and Cash Books, and report that the total receipts from all sources since the last meeting amounted to the sum of £28,068 1s. 9d., making a total of £251,675 7s. 9d. for the year to 31st March, and £10,001 0s. 6d. for the current financial year.

**IT WAS RESOLVED**

Upon the motion of Mr. Councillor Cartwright, seconded by Mr. Councillor Fenn,

IT WAS RESOLVED—That the Common Seal of the Council be affixed to the documents in question.

**LOANS FROM THE GOVERNORS OF QUEEN ANNE'S BOUNTY:** The Clerk submitted the following Mortgage Deeds for sealing by the Council in connection with certain loans to be borrowed from the Governors of Queen Anne's Bounty.

£5,000 (Open Air Swimming Bath), £650 (Shirehall Lane S.W. Drain), £11,319 (Sewage Disposal), £6,000 (Sewerage), £3,150 (Sunnyhill Fields), and £5,250 (Central School Site).

Upon the motion of Mr. Councillor Cartwright, seconded by Mr. Councillor Fenn,

IT WAS RESOLVED—That the Council do borrow the sums of £5,000, £650, £11,319, £6,000, £3,150, and £5,250, at £6 per centum per annum, from the Governors of the Bounty of Queen Anne for augmentation of the maintenance of the Poor Clergy of Deans Yard, Westminster, in the County of London, and that the said sums together with interest at the rate aforesaid be repaid as respects the sums of £5,000, £650, £11,319, and £6,000 in thirty years by sixty equal half-yearly instalments of principal and interest combined; and as respects the sum of £3,150 in sixty years by 120 half-yearly instalments of principal and interest combined; and as respects the sum of £5,250 in fifty-nine years of 118 equal half-yearly instalments of principal and interest combined.

RESOLVED further—That the Common Seal of the Council be affixed to the Mortgage Deeds for securing the repayment of the said sums of £5,000, £650, £11,319, £6,000, £3,150, and £5,250 and interest thereon and that the Deeds be handed to the said Governors on their paying the said sums to the Treasurer of the Council.

**ALLOTMENTS—ARCHFIELDS AND WEST VIEW:** The Clerk reported that he had received the leases from All Souls' College in connection with the land utilised for allotments at Archfields and West View. Noted.

**MRS. BURGESS'S CHARITY:** Report from the Clerk that the Charity Commissioners proposed to approve of a scheme in connection with Mrs. Burgess's Charity, the same relating to the Child's Hill Nursery, which scheme provided for the Council to appoint a representative Trustee, and enquiry was made by the Commissioners whether the Council would undertake this duty.

It also appeared from the Clerk's report that Mr. Councillor Roberts had been approached upon the matter, the Trustees desiring that his name should be submitted for nomination and appointment.

Upon the motion of Mr. Councillor Fenn, seconded by Councillor Miss Growse,

IT WAS RESOLVED—That the Council agree to appoint representative Trustees of the Charity in question and that the nomination of Mr. Councillor Roberts be approved and that he be appointed Trustee accordingly under the terms of the scheme.

**THE LATE MR. JOHN EVANS:** The Clerk reported that Mrs. Evans, widow of the late Mr. John Evans, had forwarded the portrait of her husband in order that the same might be hung in the Council Chamber.

Upon the motion of Mr. Councillor Cartwright, seconded by Mr. Councillor Hill,

IT WAS RESOLVED—That arrangements be made for the portrait to be hung in the Council Chamber, and that a letter of thanks be addressed to Mrs. Evans for her gift.

**TELEGRAPHIC LINES:** The Surveyor reported the receipt of the following applications from H.M. Postmaster-General to lay underground telegraphic lines in various parts of the district.

East side of Finchley Road, from the north to the south entrance of Clifton Gardens.

East side of Finchley Road, from Dingwall Gardens to Hampstead Gardens.

North side of Hampstead Gardens.

East side of Finchley Road, near Rotherwick Road (16 yards only).

North side of Ravenscroft Avenue, and South-West side of Middleton Road. (Short extension only).

South side of the new Kingsbury Road, from the Edgware Road to a point 300 yards west of the Edgware Road.

Across Colindale Avenue, in the neighbourhood of Booth Road.

After due consideration of the applications, upon the motion of Mr. Councillor Roberts, seconded by Mr. Councillor Hill,

IT WAS RESOLVED—That the same be approved, subject to the usual conditions.

**ELECTRIC LIGHT MAIN:** The Surveyor also reported an application from the Hendon Electric Supply Company to lay an underground main on the west side of the Edgware Road, from the Ex-Service Men's Club to Ramsey Road, and on the North side of Ramsey Road, commencing at the Edgware Road.

Upon the motion of Mr. Councillor Roberts, seconded by Mr. Councillor Fenn,

IT WAS RESOLVED—That this application be approved, subject to the usual conditions in connection therewith.

**EDUCATION COMMITTEE MINUTES:** The Minutes of the proceedings of the Hendon Education Committee at their meetings held on the 28th day of March and the 11th day of April, 1922, having been circulated amongst the members of the Council,

Upon the motion of Mr. Councillor Hearn, seconded by Mr. Councillor Hill,

IT WAS RESOLVED—That such Minutes be received.

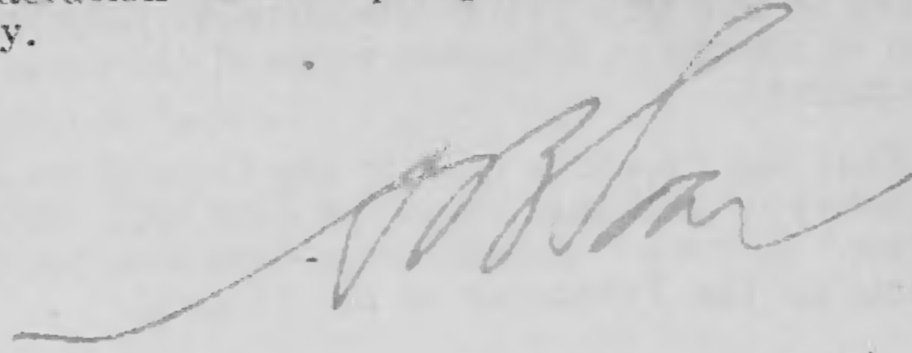

EDUCATION COMMITTEE: The Chairman of the Council ruled that the following motion, of which notice had been given upon the Agenda by Mr. Councillor Donald was out of order:—

“That the resolution co-opting Miss Hodge to sit on the Education Committee be rescinded.”

The following motion, of which notice had been given by Mr. Councillor Hill, appeared on the Agenda paper:—

“That the resolution of the Council passed on the 11th day of May, 1903, delegating the whole of the powers of the Council under the Education Act, 1902, to the Education Committee be rescinded and that in future the powers delegated to such Committee be limited to the transaction of such business and detail work involving expenditure not exceeding the sum of £50, all matters involving expenditure in excess of this amount being submitted to the Council for confirmation, the Committee to report all their proceedings to the Council on the same footing as the other Standing Committees of the Council.”

Upon the same being brought up for discussion, Mr. Councillor Hill sought permission from the Chairman to have the consideration thereof postponed until the Council Meeting in July next, and permission was given accordingly.

## Report of Works and Sewage Disposal Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 29th day of May, 1922. Present: Mr. Councillor Roberts (Chairman), and Councillors Cartwright, Egau, Glanville, Hill, Reynolds, Soar, Sturgess, and Winny.

Your Committee beg to report as follows:—

### 1.—ALLOTMENTS:

- (A) **BOOTH ROAD:** Letter from Mr. E. Warland, on behalf of the Colindale Allotment Association, making application to be furnished with a copy of the lease entered into by the Council in connection with the Booth Road Allotments.

After due consideration of the matter, your Committee

**RECOMMEND**—That Mr. Warland be informed that the Council cannot undertake to supply the Association with copies of Documents of the kind referred to.

Mr. Warland made enquiry in regard to the opening of the proposed access road to the allotments, through the land utilised as a playing field, adjoining the British Museum Repository.

Report from the Surveyor in connection with the playing field in question and particularly in regard to his negotiations with H.M. Office of Works in reference to the damage to the windows of the British Museum Repository alleged to have been caused by youths making use of the playing field in question.

The Council will remember that they gave instructions for estimates to be obtained for the provision of window guards for the protection of the windows of the Repository, and further agreed to provide certain fencing to protect the gardens of the residences attached to the premises.

The Surveyor stated that the damage to the windows had been made good, but the Office of Works had requested that all further works in connection with the provision of window guards and fencing should be suspended for the moment as they could not allow any persons, other than their own employees, to carry out works in connection with the British Museum Buildings.

With regard to the provision of the window guards and fencing they stated that they estimated the cost thereof at £175, but promised to go into the question more closely and communicate the result thereof to the Surveyor. Your Committee are informed that the promised communication had not yet come to hand.

In view of the difficulties experienced in connection with the land in question, the Surveyor intimated that he had refrained from formally throwing open the ground for the use of the public.

Your Committee await further developments on the part of the Office of Works.

Having regard to the position which had arisen in connection with the matter, your Committee are unable at present to make any recommendation in connection with the opening of the proposed access road to the Booth Road Allotments.

- (B) **DAWS LANE ALLOTMENTS:** Letter from the Ministry of Health in regard to the application of the Council for sanction to loan of £2,550 for the acquisition of land at Daws Lane for the provision of allotments, asking to be furnished with a statement in the form of a balance sheet shewing the estimated annual receipts and expenditure of the Council in connection with the said allotments, and further to be informed how the amount of the loan was made up.

Report from the Clerk that the matter had been referred to the Accountant, and the particulars required by the Ministry were in course of preparation.

Your Committee

**RECOMMEND**—That the same be transmitted to the Ministry upon completion.

- (C) **ALLOTMENT, JUNCTION OF WILLIFIELD WAY AND FINCHLEY ROAD:** Letter from Messrs. J. Hodson & Son, Ltd., in reply to the communication received from the Council relative to the entry by them for building purposes upon an allotment, held under the terms of the Lands Cultivation Orders, at the junction of Willifield Way and Finchley Road, prior to the allottee (Mr. Whitehead) being served with the necessary notice to quit.

The Council will remember that the matter arose on a communication received from the Hampstead Garden Suburb Allotment Association, who urged the Council to take action against the builder in connection therewith.

Messrs. Hodson & Son intimated that before entering upon the plot they were informed that due notice had been given to the Council of their intention so to do by the Architect of the Hampstead Garden Suburb Trust.

Your Committee have given the matter further consideration, and are of opinion that a misunderstanding has arisen in regard thereto. They

**RECOMMEND**—That the Council accept the explanation of Messrs. Hodson & Son, and that Mr. Whitehead be informed of the facts of the case.

- (D) **COOL OAK LANE ALLOTMENTS:** Letter from Mr. A. Peck, on behalf of the West Hendon Allotment Association, in regard to the condition of a stile at the North corner of the Cool Oak Lane Allotments, which it was alleged had been broken down by horses in an adjoining field, and that the animals in question as a result thereof were straying on to the allotments.

Report from the Surveyor in regard to the matter.

After due consideration thereof, your Committee

RECOMMEND—That the stile be repaired and that the Surveyor carry out the work in due course.

Mr. Peck, on behalf of his Association, complained in regard to the condition of the fencing in connection with the new allotments at Cool Oak Lane, and made certain suggestions in regard thereto.

Report from the Surveyor in regard to such fencing.

After due consideration of such report, your Committee

RECOMMEND—That the Surveyor carry out any repairs necessary to the fencing in question.

(E) ALLOTMENTS—LANDS CULTIVATION ORDERS:

- (1) Letter from Messrs. Bramston, Skelton & Dowse relative to the allotments held by the Council under the terms of the Lands Cultivation Orders on the West Golders Green Estate.

It will be remembered that the Minister of Agriculture has intimated his intention of terminating, not later than the 25th March, 1923, his possession of lands held under the terms of the Lands Cultivation Orders, it being suggested, however, that the Council should endeavour to make arrangements for the continuance of the use of land at present utilised for allotments.

Messrs. Bramston & Co., in reply, intimated that the land on the West Golders Green Estate was under negotiation for sale, and that in any case it would be utilised for the erection of houses without delay, and that they were therefore unable to lease the same for the provision of allotments.

Your Committee have duly noted the contents of the communication from Messrs. Bramston.

- (2) Letter from the Trust Officer, Public Trustee Office, in regard to land in the neighbourhood of Finchley Road and Monkville Road, owned by the late Mr. Monk, from which it appeared that the Public Trustee anticipated disposing of the land for building purposes within the next few months, and he asked that the negotiations suggested by the Council should be postponed until it had been ascertained whether the land could be disposed of for building purposes.

The Officer intimated, however, that in the event of no sale being effected by October next the Public Trustee did not anticipate there would be any difficulty in arranging for the continued use of the land for allotments.

Your Committee have duly noted this communication.

2.—REFUSE REMOVAL:

- (A) Letter from the Clerk to the Urban District Council of Crayford relative to the practice of depositing house and other refuse collected by Sanitary Authorities in the Metropolis in various districts outside the boundary of the County of London, and intimating the steps taken by his authority with a view of prohibiting this practice in future. He forwarded the following copy resolution in connection with the matter and made enquiry whether the Council would be prepared to support the same.

“That this Council is of the opinion, that in the interests of Public Health, Local Sanitary Authorities should be invested with powers enabling them to prohibit the deposit in their respective areas, or within at least one mile thereof, of house and other refuse brought from the district of another Authority.”

Your Committee have no recommendation to make upon the matter.

- (B) Letter from Mr. E. F. Errington, on behalf of the Hampstead Garden Suburb Residents' Association, requesting the Council to take steps to have the house refuse in the district collected twice weekly during the summer months.

Your Committee are informed that the reasons for bringing this matter forward have now been met, and they have duly noted the contents of the communication referred to.

- (C) Letter from Mrs. M. A. J. Hill, complaining of alleged irregular collection of house refuse in the Garden Suburb, particularly during the Bank Holiday period.

Report from the Surveyor in regard to the matter from which it appeared that apart from holiday periods, there had been no irregularity in the weekly collection of refuse.

He submitted a report in regard to the question generally, and particularly on the question of providing additional transport to cope with the growth of the district.

It will be remembered that some little time ago the Surveyor experimented with a trailer used in conjunction with one of the Council's Steam Wagons, and the Surveyor now reports that the same proved to be very satisfactory, and recommends the purchase of a trailer for use permanently.

Your Committee

RECOMMEND—That the Council purchase a trailer accordingly, and propose to give consideration to the estimates procured by the Surveyor at their next meeting.

3.—OPEN AIR BATH: Letter from Mr. W. Platt suggesting the construction of an Open-air Swimming Bath at the western end of Brentmead Place.

Your Committee have instructed the Surveyor to report upon the suggestion at their next meeting.

## 4.—OPEN SPACES:

- (A) Letter from Mr. W. H. Davis, on behalf of William Ellis School, Gospel Oak, making enquiry whether the Council had land they could lease to the School Authorities for sports purposes.

Report from the Clerk that he had informed Mr. Davis in reply that the Council had no land which could be utilised for the purpose named.

Your Committee confirmed the action of the Clerk in the matter.

- (B) Letter from Mrs. Le Moine making application on behalf of the pupils attending Ravensfield College for a reduction in the fee for the use of the Tennis Courts in the Hendon Public Park.

On a previous occasion when Mrs. Le Moine made a similar application the Council agreed that the charge for the use of the Tennis Courts by the children attending her school should be at the rate of 1/- per hour for each Court on Mondays, Tuesdays, and Fridays only. If the Courts were used after the hour of 5 p.m. the ordinary charge would be payable.

Your Committee

RECOMMEND—That the Council again allow the use of the Tennis Courts on the same terms.

- (C) Letter from Mr. V. Baker, on behalf of the Staff at the Town Hall, making application for permission to have the exclusive use of one of the grass Tennis Courts in the Hendon Public Park on Tuesday and Thursday evenings during the present season, the full fees being guaranteed.

Your Committee

RECOMMEND—That Mr. Baker be informed that the Council are unable to accede to the application.

- (D) Letter from Mr. C. J. Champion as to articles alleged to have been stolen from his clothing when deposited in the Pavilion at the Hendon Public Park.

Report from the Surveyor as to the inquiries made by him in regard to the matter.

After due consideration of such report, your Committee

RECOMMEND—That Mr. Champion be informed that the Council regretted that no information could be obtained as to the missing articles.

- (E) Letter from Mr. W. A. Kitcher, on behalf of the Child's Hill Ratepayers Association, in regard to accidents alleged to have occurred in connection with the use of the See-Saw in the Child's Hill Recreation Ground, and suggesting that a warning notice should be exhibited in connection therewith.

After due consideration of the matter, your Committee cannot recommend the Council to adopt the suggestion of the Child's Hill Ratepayers' Association.

- (F) Letter from the Manager, Hospitals of London Combined Appeal, making application for the use of the Hendon Park for a two or three days Fete and Country Fair during the month of July in order to raise funds in connection with the appeal for the Hospitals.

After due consideration of the matter, your Committee

RECOMMEND—That the promoters of the appeal be informed that the Council are unable to accede to their application in July next in view of the fact that a function has already been arranged in the Park on the 1st July next to raise funds for the local Cottage Hospital. The Council would, however, favourably consider an application for a date later in the season.

- (G) Letter from the Secretary of the Burlington Cricket Club asking for the use of a cricket pitch in the Hendon Park.

Your Committee have received a report from the Surveyor in regard to the allocation of cricket pitches, and

RECOMMEND—That the Secretary of the Club be informed that the application cannot be entertained this season.

- (H) The Surveyor reported the receipt of an application from the Golders Green Traders' Association for the use of a Bowling Green in the Hendon Park.

After due consideration of the matter, your Committee instructed the Surveyor to make arrangements for the members of the Association to have the use of a Bowling Green in the Park one day per week.

- 5.—BURROUGHS HOUSE: That they had under consideration a suggestion received from the Public Health Committee in regard to an application made by Mrs. Bascom for the provision of a Geyser for use in connection with the bath in the flat in her occupation at Burroughs House.

Your Committee

RECOMMEND—That the application of Mrs. Bascom be acceded to, and that the Geyser be provided at a cost not exceeding £17.

- 6.—SEWAGE DISPOSAL WORKS: Report from the Engineer in regard to the progress made by the Contractors in connection with the extensions at the new Sewage Disposal Works. It was anticipated that the Contract would be completed by the end of June.

Your Committee also had under consideration the question of arrangements being made for the members of the Council to inspect the new works, and they have requested the Engineer to bring this question forward again at their next meeting.

7.—OPEN AIR SWIMMING BATH: Report from the Engineer in regard to the progress made in connection with the Open Air Swimming Bath at The Hyde, from which it appeared that the work was progressing satisfactorily. It was anticipated that the Contract would be completed by the end of June.

He submitted the following schedule of times of admission to the bath, and proposed scale of charges in connection with the use of the Swimming Bath.

OPEN AIR SWIMMING BATH: EDGWARE ROAD, WEST HENDON.

Bathers may be admitted up to 30 minutes of closing time of any section.

Closing time may be varied during the season. Alterations will be posted at entrance to Swimming Bath.

University swimming costumes must be worn during mixed bathing.

Your Committee

RECOMMEND—That such schedule be approved and adopted.

Consideration was also given to the question of the appointment of Attendants in connection with the Bath, and your Committee were informed by the Surveyor that he was in a position to provide a man from his own Staff to carry out the duties of male attendant.

With regard to the appointment of a Woman Attendant, your Committee

RECOMMEND—That an advertisement be issued inviting applications for the position.

8.—TELEGRAPHIC POST: The Surveyor reported the receipt of an application from H.M. Postmaster General to erect a telegraph post on the south side of Woodville Road, opposite Nos. 56 and 58.

After due consideration of a report from the Surveyor in regard thereto, your Committee

RECOMMEND—That the application be acceded to, subject to the usual conditions.

With regard to the telegraph pole at present situate on the War Memorial Site at The Burroughs, the Surveyor reported as to an interview he had had with the Post Office Officials as to securing the removal of the pole to another site.

Your Committee instructed the Surveyor to do everything possible to secure the removal of the pole.

9.—SUNNY HILL FIELD: In accordance with the instructions of the Committee at the last meeting the Surveyor submitted a plan showing proposed lay out of the Sunny Hill Field, together with a report in regard thereto.

He submitted a letter received from Mr. Dunlop raising the question of the erection of fencing between his land and Sunny Hill Field.

Your Committee are of opinion that these are matters which should be dealt with by the Outdoor Committee, and they

RECOMMEND—That the consideration thereof be referred to that Committee.

10.—LAWRENCE STREET, MILL HILL: The Surveyor reported the receipt of a petition from Tradesmen in Lawrence Street, Mill Hill, objecting to the abolition of the name "Broadway" in connection with the road.

Prior to the receipt of the petition the notices requiring the re-numbering of Lawrence Street had been issued.

In view of the expression of opinion now received, your Committee

**RECOMMEND**—That the resolution of the Council passed on the 10th day of April, 1922, requiring the re-numbering of Lawrence Street be rescinded, and that the name "Broadway" be retained for the portion of Lawrence Street, from the Midland Railway Bridge to Daws Lane.

- 11.—**EX-SERVICE MEN'S CO-OPERATIVE MARKET**: Letter from Mr. A. Fox, Organiser, Ex-Service Men's Co-operative Market, in further reference to the proposal for the establishment of a market in the Edgware Road, from which it appeared that the proposal had been abandoned for the present.

Your Committee have duly noted the same.

- 12.—**HORSES**: The Surveyor reported a Certificate from the Veterinary Surgeon in regard to one of the Council's horses, from which it appeared that the horse in question was no longer suited for road work. The Surveyor explained that the horse would be useful for other work.

Your Committee approve of the suggestion for retaining this horse for the present for farm work.

With regard to replacing the horse referred to, the Surveyor submitted a Certificate from the Veterinary Surgeon as to a horse he had had on trial which had been found to be satisfactory; the owner offered to dispose of the horse for the sum of £60.

Your Committee

**RECOMMEND**—That the horse in question be purchased.

- 13.—**EXTENSION OF TUBE RAILWAY**:

(A) Letter from the Director of Construction, London Electric Railway Company, transmitting a plan showing the position of the proposed Hendon Central Station in connection with the extension of the Tube from Golders Green to Edgware.

The Engineer stated that he had informed the Director of Construction, in reply, that whilst the general lay out of the station appeared to be satisfactory, it would have been an advantage to construct the same nearer to the main road.

Your Committee have duly noted the same.

- (B) Letter from the Assistant Managing Director, London Electric Railway Company, as to a proposal for the construction of a footbridge over the Finchley Road for the convenience of passengers using Golders Green Station from the west side of Finchley Road.

Your Committee

**RECOMMEND**—That the London Electric Railway Company be requested to submit a design of the proposed bridge for the consideration of the Council.

- 14.—**UNDERGROUND CONVENIENCE—BELL LANE**: In accordance with the instructions of the Committee the Surveyor submitted a revised plan of the proposed Convenience at the junction of Bell Lane and Brent Street on the lines of the pre-war scheme, viz., entirely underground, the cost of the Convenience as now proposed being estimated at the sum of £3,800.

After due consideration of the proposal, your Committee

**RECOMMEND**—That the same be forwarded to the Ministry of Health and that application be made for sanction to the additional loan required.

- 15.—**GREATER LONDON**: Report from the Clerk that the Council's evidence in opposition to the Greater London Scheme would be taken on the 14th prox., at the Middlesex Guildhall. **NOTED.**

The Chairman of the Council referred to the proceedings at the recent Conference between representatives of the Finchley and Hendon Councils when a request was made by the Chairman of the Finchley Council to be furnished with a copy of the Council's evidence in opposition to the scheme.

Your Committee decided to accede to the request, and instructed the Clerk to forward a copy of the Memoranda of Evidence to the Finchley Council.

- 16.—**REQUISITIONS**: The Surveyor submitted a requisition of goods required by him, and the same were duly approved.

## Report of Public Health Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 29th day of May, 1922. Present: Councillors F. W. Hearn (Chairman), Miss Growse, Mrs. Bannister, Mrs. Hargraves, Dr. Macgowan, Fenn, Helt, Taylor, and Weeks.

Your Committee beg to report as follows:—

- 1.—BURROUGHS HOUSE: That they had under consideration the question of providing a hot water supply to the bath at Burroughs House in the portion of the premises occupied by Mrs. Bascom.

It will be remembered that the only means of providing a supply of hot water is by the range in the basement, which your Committee are informed is not an up-to-date type and is not economical in the consumption of coal.

Your Committee are of opinion that other means of providing hot water should be installed and they have requested the Works Committee to give favourable consideration to the proposed installation of a geyser for this purpose.

- 2.—VITAL STATISTICS: Report from the Medical Officer of Health that the death rate of the district for the past four weeks was 12.76 per thousand, and the birth rate was 17.87 per thousand.

Your Committee desire to point out that the death rate of Hendon residents only for this period is 6.73 per thousand.

- 3.—SEWAGE FARM: Report from the Medical Officer of Health, as to a complaint he had received as to smells alleged to emanate from the Sewage Farm.

Your Committee have received a report as to the reply given to Mr. Bere, of 25, The Drive, and have confirmed the reply of the Medical Officer in regard thereto.

- 4.—INSPECTION WORK: That they received a report from the Senior Sanitary Inspector as to the inspection and drainage work carried out since the last meeting of the Committee and have approved the same.

- 5.—RAMSEY ROAD AND BORTHWICK ROAD.—PASSAGE WAYS: That they received a detailed report from the Senior Sanitary Inspector in reference to the passage ways between

Ramsay Road and Borthwick Road (serving 57 houses);  
Borthwick Road and Ravenstone Road (serving 62 houses);  
Ravenstone Road and part of York Road (serving 28 houses);  
And Passage at the rear of Argyle Road (serving 167 houses).

Total 314 houses.

Your Committee are informed that the passage ways in question are unpaved and undrained, with the result that during wet weather and in the winter time, the same are in a very unsatisfactory condition.

The Council will recollect that a proposal was under consideration in 1915 for the making-up of these passage ways, but at that time it was deferred.

Your Committee are of opinion that the passage ways in question should be made up and

RECOMMEND—That the Highways Committee take into consideration the question of making-up the passage ways before-mentioned under Section 150 of the Public Health Act, 1875.

- 6.—RENT RESTRICTION ACT CERTIFICATES: That they received applications for the issue of certificates under Section 2 of the Increase of Rent and Mortgage Interest (Restriction) Act in respect of the following premises:—

51, The Burroughs,  
84, Audley Road,  
35, St. George's Road,  
9, Elm Grove.

Your Committee have received a report from the Sanitary Inspector in regard to such applications and being invested with power to act they have authorised the issue of such certificates.

- 7.—STATUTORY NOTICES: Report from the Sanitary Inspector as to certain cases where sanitary defects existed, and he asked for authority to serve Statutory notices.

51, The Burroughs,  
84, Audley Road,  
9, Elm Grove,  
"Berwyn," Brampton Grove,  
23, Telford Road.

Your Committee

RECOMMEND—That Statutory Notices be served in respect of the above-mentioned cases if necessary.

- 8.—FINCHLEY ROAD PIGGERIES: Report from the Senior Sanitary Inspector in reference to complaints which had been received as to nuisances alleged to emanate from piggeries at Finchley Road. An inspection of the premises had been made and it appeared that at the present time only three animals were kept on the premises.

Your Committee was being remedied.

Your Committee will be discontinued.

Your Committee are informed that when the remaining animals are disposed of the keeping of pigs will be discontinued on these premises.

Your Committee have duly noted this report.

- 9.—SUNNINGFIELDS ROAD, 118 to 134: That they received a report from the Senior Sanitary Inspector in regard to complaints as to the deposit of rubbish in the passage way at the rear of Nos. 118 to 134 Sunningfields Road. The Inspector suggested that notices should be served upon the occupiers under Section 27 of the Public Health (Amendment) Act, 1890, to remove the rubbish.

After careful consideration of the report, your Committee

RECOMMEND—That notices be served upon the occupiers in accordance with the report of the Sanitary Inspector.

10.—CONFERENCES:

- (A) Letter from the Sanitary Inspectors' Association as to the Annual Conference of the Association to be held at Buxton in September. The Association invited the Council to appoint representatives to attend such Conference.

Your Committee have deferred this matter for consideration at their next meeting.

- (B) Letter from Mrs. Drysdale as to the Neo-Malthusian and Birth Control Conference to be held in London in July next, inviting representatives from the Council.

Your Committee have no recommendation to make in regard thereto.

- 11.—FOOT AND MOUTH DISEASE: Circular from the Ministry of Health, with copy of the Foot and Mouth Disease (Amendment) Order, 1922, made by the Ministry of Agriculture and Fisheries.

Your Committee are informed that the Medical Officer of Health has been furnished with a copy of the Order and have duly noted the same.

- 12.—BURROUGHS FARM: Letter from Mr. H. Parsons, Solicitor, on behalf of Mrs. Cross who until lately occupied a portion of the premises known as Burroughs Farm.

He applied, on behalf of Mrs. Cross, for a grant from the Council in respect of her expenses in removing from Burroughs Farm, under terms of the Closing Order made by the Council in respect of such premises.

Your Committee have given careful consideration to this matter, but they are unable to recommend the Council to accede to this request.

- 13.—INFECTIOUS DISEASE: Letter from the London Fever Hospital in reference to the Council's enquiry regarding the charge for the treatment of Infectious Disease. The Secretary of the Hospital intimated that the Committee were unable to make any reduction at the present time. NOTED.

- 14.—ISOLATION HOSPITAL—APPOINTMENT OF NURSE: In regard to the appointment of a Nurse at the Isolation Hospital your Committee decided to authorise the Chairman of the Committee, the Medical Officer of Health and the Matron to interview Candidates and make the appointment.

- 15.—ANNUAL REPORT OF THE MEDICAL OFFICER OF HEALTH: The Medical Officer of Health submitted proof of the Annual Report, and your Committee authorised the same to be issued.

## Report of Town Planning Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 12th day of June, 1922. Present: Mr. Councillor Reynolds (Chairman), and Councillors Egan, Fenn, Glanville, Hill, Soar, Taylor, Weeks and Winny.

After due consideration of the matter, your Committee

APPROVED of such amendments and gave instructions for the agreement to go forward for execution without delay.

3.—HOUSING (ADDITIONAL POWERS) ACTS, 1919 and 1921:

(A) Letter from the Ministry of Health in regard to the erection of houses under the Housing (Additional Powers) Acts, 1919 and 1921.

The Council will remember that the Ministry have previously intimated that in order to be eligible for a grant under the Acts referred to a house must be completed and fit for occupation not later than the 23rd day of June, 1922. They now requested the Council to make suitable arrangements to ensure that they would be in a position to certify on the 23rd day of June whether any houses in respect of which Certificate "A" had been issued but for which Certificate "B" had not been issued by that date, have in fact been completed and are fit for occupation on the date named.

The Ministry also stated that they desired to ascertain without delay the probable extent of the commitments which they would be called upon to meet in respect of the issue of further Certificates, and asked to be furnished with the following information:—

Number of houses in respect of which Certificate "A" has been issued, but for which Certificate "B" has not yet been issued by the Local Authority.

Number of houses included in (1) above which it is anticipated will be completed fit for occupation not later than the 23rd of June, 1922.

Report from the Clerk that the required figures had been ascertained, and in view of the urgency expressed by the Ministry particulars had been duly forwarded to them, the figure in the former case being 302, and in the latter 56.

Your Committee have duly noted the matter.

(B) Report from the Surveyor that in the following cases Certificates "B" might be issued for the amounts named:—

Application No.	Person to whom issued.	Locality and Description of premises.	Amount of Grant per house.
			£ s. d.
4770	Mr. A. Arnell	Bridge Lane—3 houses	260 0 0
5192	Mr. S. A. Kendall	Somerton Road—4 houses	260 0 0
5193	Mr. E. H. Waterman	Cranbourne Gardens—5 houses	260 0 0
5205	Mr. Cottingham	Flower Lane—1 house	260 0 0
5189	Mr. E. Streater	Greenfield Gardens—4 houses	260 0 0
5180	Mr. E. Streater	Greenfield Gardens—5 houses	260 0 0
5217	Mr. E. Wright	Golders Green Rd.—2 houses	260 0 0
5037	Messrs. Haymills	The Woodlands—8 houses	260 0 0

Your Committee authorised the issue of the Certificates in question.

4.—CONTRAVENTION OF BYE-LAWS: Report from the Surveyor in regard to a contravention of the Bye-laws at premises known as "The Laurels," Colindeep Lane, owned by Mr. Garstin, an extension to the kitchen of the premises having been constructed without plans being submitted to the Council and notice being given of the intention to execute the work.

He also reported a similar contravention at 77, Templars Avenue, in connection with the construction of a temporary building at the side of the premises in question.

After due consideration of the report of the Surveyor, your Committee

RECOMMEND—That in each case a notice be served requiring the Owners to show cause why the work executed by them should not be removed, altered, or pulled down.

5.—PROPOSED OPEN SPACE—GOLDERS GREEN: Letter from Mr. W. Hollis in further reference to the site offered by him as an open space at Golders Green, the land in question being situate between Princes Park Avenue and Oakfield Road.

The Council will remember that they decided to offer Mr. Hollis the sum of £2,500 for the site, subject to certain conditions, one of such conditions being that the actual area of the site should not be less than 3½ acres.

Mr. Hollis now intimated that he had interviewed the Public Trustee upon the matter and as certain of the land which the Council desired to acquire had been sold, the area which the Council could acquire had been reduced to 3.054 acres, for which he would be prepared to accept the sum of £2,300.

Report from the Surveyor in regard to the matter, together with a survey shewing the land now offered by Mr. Hollis.

After careful consideration thereof, your Committee

RECOMMEND—That the amended proposal be approved, subject to the sanction of the Ministry of Health to the necessary loan for the acquisition of the land, and that application be made to the Ministry for sanction accordingly.

6.—APPLICATION No. 5297: The Surveyor reported communications received from Messrs. North, Robin and Wilsdon in regard to Lock-up Shops erected in Golders Green Road in connection with Application No. 5297, from which it appeared that Messrs. North, Robin & Co. desired to obtain the Council's permission to extend the said shops at some future date to the edge of the road at the rear thereof.

After due consideration of the matter, and a report of the Surveyor in regard thereto, your Committee

RECOMMEND—That Messrs. North, Robin & Co. be informed that the Council are unable to consider the proposal until proper plans thereof have been submitted.

## Report of Housing Committee, No. 1.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 12th day of June, 1922. Present: Mr. Councillor Ford (Chairman), and Councillors Miss Growse, Mrs. Bannister, Cartwright, Rev. Dr. Macgowan, Hearn, Holt, Roberts, Sturgess, and Wise.

Your Committee beg to report as follows:—

### 1.—BRENT HILL SCHEME:

- (A) **PROGRESS REPORT:** That they received a report from the Architect as to the progress which had been made with the completion of the houses on the Brent Hill Estate.

Your Committee are informed that over 200 men are now employed on this Scheme and the work is being carried out in a workmanlike manner.

They have noted the report with satisfaction.

- (B) **COMPLETION OF SCHEME:** Letter from the Ministry of Health in reply to the Council's enquiry relative to the further twenty houses which had not been commenced, and which it will be remembered, formed the completion of the 244 houses which the Council proposed to erect.

The Ministry intimated that the matter had received consideration but they were of opinion that the question of erecting the further twenty houses should be deferred for the present.

Your Committee have given very careful consideration to this matter, and also to a report as to the applications received for houses on this Estate.

It appeared to your Committee that the majority of the applicants preferred a smaller type of house.

They therefore

**RECOMMEND**—That the Council renew their application to the Ministry of Health for consent to the erection of the 20 houses at Bent Hill Farm which formed part of Messrs. Billings original tender.

That the Ministry be informed that such houses should be of the smaller type, viz., to provide for a living room and three bedrooms.

Your Committee

**RECOMMEND further.**—That in the event of the application to the Ministry of Health being successful that the Council obtain fresh tenders for the erection of the 20 houses.

- (C) **STEEL CASEMENTS:** Letter from the Ministry of Health as to correspondence with Messrs. Williams and Williams relative to steel casements supplied in connection with the scheme.

Report from the Clerk that he had forwarded to the Ministry a report from the Architect in reference to this matter, and up to the present no further communication had been received upon the subject.

Reference was made to the question of the surplus casements in connection with the Housing Scheme and after careful consideration of the matter, your Committee

**RECOMMEND**—That the Architect communicate with the Ministry of Health with a view to the Ministry themselves taking over the surplus casements in connection with the scheme.

- (D) **GARDEN GROUND:** That they received a further communication from Mr. C. S. Windsor renewing his application to be compensated for the loss of the use of his garden consequent upon the Contractors plant occupying a portion thereof.

The Council will recollect that this matter has received consideration on several occasions, and in October last Mr. Windsor was informed that the Council were unable to entertain any application for compensation.

Your Committee

**RECOMMEND**—That Mr. Windsor be informed that the Council have nothing to add to their letter of October last.

- (E) **TENANCY AGREEMENTS:** That they received a report from the Accountant as to certain cases where it was alleged the terms of the tenancy relative to underletting had been infringed.

Your Committee instructed the Accountant to communicate with the Tenants in such cases drawing their attention to the conditions under which the houses were let.

- (F) **PAINTERS' TOOLS:** That they received further communication from Messrs. Gibson and Weldon, in reference to the application by Mr. Pegrum for the return of certain painters' tools alleged to have been left by him at Brent Hill Farm Scheme in August last.

Your Committee understand that Mr. Pegrum was a Sub-Contractor under the Improved Concrete Construction Company.

Your Committee

**RECOMMEND**—That Messrs. Gibson & Weldon be informed that the matter was not one which the Council could deal with and they had nothing to add to their previous communication upon the subject.

- (G) LEASE: Report from the Clerk as to the receipt of the lease between the Council and Messrs. W. J. Smith, Ltd., for the agreed area at Brent Hill Farm.

Your Committee have requested the General Purposes Committee to give this document consideration.

- (H) ADDITIONAL LAND: That they gave consideration to a report from the Surveyor in regard to the proposed area of land of 13 acres which Mr. Smith desired to take on a yearly tenancy.

Your Committee decided to defer the matter to a Special Meeting to be held on Monday next, for a report from the Officers in regard thereto.

- (I) ARCHITECT'S FEES, ETC.: Letter from Mr. G. Hornblower in reference to the account rendered in respect of the work in connection with the winding up of the Contract with the Improved Concrete Construction Company which had been transmitted to the Ministry of Health for approval.

Your Committee have received a communication from the Ministry of Health, with copy correspondence with the Architect which suggested that the amount of the account should be recovered from the Guarantee Society under the terms of the Contract.

After careful consideration of this matter, your Committee

RECOMMEND—That a statement of claim be prepared in detail and sent to the Guarantee Society and that such statement be submitted at the earliest possible date.

## 2. CHILD'S HILL SCHEME:

- (A) FINAL ACCOUNTS: Letter from the Ministry of Health in reference to the preparation of final accounts in connection with the Child's Hill Housing Scheme.

Your Committee understand that a Conference in regard to the final accounts of this scheme is being held shortly and they have adjourned the matter to their next meeting.

- (B) SLATES ACCOUNT: That they had under consideration correspondence from Mr. D. W. Drummond, Solicitor, on behalf of Messrs. Williams & Co., in respect of the claim for slates supplied to the above scheme.

Mr. Drummond on behalf of Messrs. Williams & Co. pressed for payment of the account, viz., £523 11s. 1d.

Your Committee instructed the Clerk to inform Mr. Drummond that the Final Accounts in question formed the subject of a Conference to be held at the Ministry, and it was anticipated that in the very near future the same would be approved.

- (C) SHRUBS: Reference was made to the unprotected condition of the shrubs at the end of Cloister Road.

Your Committee have requested the Surveyor to submit proposals for the protection of the shrubs in question.

## Report of Housing Committee, No. 2.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 19th June, 1922. Present: Mr. Councillor Cartwright (in the Chair), Councillors Miss Growse, Mrs. Bannister, Hearn, Helt, Roberts, Sturgess and Wise.

Your Committee beg to report as follows:—

Your Committee have duly noted this communication.

(B) ADDITIONAL LAND: That they gave careful consideration to a report from the Officers in reference to the application of Mr. W. J. Smith to be allowed to lease from the Council an area of about 13 acres of Land, not now utilised for Housing purposes, owing to the limitation of the Scheme by the Ministry of Health.

Your Committee are of opinion that in view of the building developments a large number of Allottees will be dispossessed and that the land might with advantage be used for allotments.

They therefore

RECOMMEND—That the offer of Mr. Smith be not entertained, but that the area of land, 13 acres in extent, forming part of Brent Hill Farm Estate, be utilised for allotments, and that application be made to the Ministry of Health for sanction to the appropriation of the land for allotment purposes.

(c) FENCING: In regard to the question of Fencing the Housing Site, your Committee consider that this work should be carried out and the cost charged to the Housing Scheme. They

RECOMMEND—That the Surveyor submit an estimate for the Fencing of the whole of the Housing Site at Brent Hill Farm.

## Report of Fire Brigade Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 12th day of June, 1922. Present: Mr. Councillor Sturgess (Chairman), and Councillors Miss Growse, Fenn, Ford, Hearn, Holt, Hill, Rev. Dr. Macgowan, Reynolds, Taylor, and Winny.

Your Committee beg to report as follows:—

- 1.—PETROL LICENCES: That they received a report from the Chief Officer in reference to the applications of General Motors, Ltd., Colindale, Hendon, and Strong, Ltd., Stag Garage, Redhill, Edgware, for Licences to store Petrol, from which it appeared that the proposed method of storage was in each case satisfactory.

Your Committee

RECOMMEND—That petrol licences be granted to General Motors, Ltd., and Messrs. Strong, Ltd., and that the Common Seal of the Council be affixed thereto.

Your Committee have referred similar applications from Mr. T. J. Rowatt and Messrs. A. Sanderson & Co. to the Surveyor for consideration and report.

- 2.—MOTOR AMBULANCE: That they gave consideration to a report in reference to a case where the usual fee of 10s. 6d. had been charged for the use of the Ambulance.

Your Committee gather from the report upon the matter that in the special circumstances of this case a reduction might reasonably be made and they have decided to refer the matter to the Chairman of the Committee to deal with.

Your Committee consider that in future cases of this kind where an application is made for a reduction in the charge for the use of the Ambulance, a report should be submitted from the Accountant's Department and recommend accordingly.

- 3.—FIRE SERVICES, KINGSBURY: That they had under consideration a communication from the Kingsbury Council as to certain amendments in the draft agreement under which the Hendon Council undertake to provide fire services for the Urban District of Kingsbury.

Your Committee have referred the draft agreement to the General Purposes Committee for consideration.

- 4.—FIRE CALLS: Letter from the London Telephone Service in reference to the calls received by telephone Exchanges for Fire Brigade or Ambulance Services.

The Department suggested that in order that subscribers in the Hendon area should be aware of the particular fire and ambulance service which should be called that District Councils might circulate telephone subscribers with information as to the Fire Brigade or Ambulance service which should be called in case of emergency.

Your Committee do not propose to take any action in this direction, but they have instructed the Clerk to inform the Telephone Service of the Fire Brigade and Ambulance Service available in this District.

- 5.—BRIGADE RATES OF PAY, ETC.: Your Committee decided to adjourn the consideration of the application as to Rates of Pay and Conditions of Service in the Brigade, as they are informed the new Motor Fire Engine has not yet been delivered.

Your Committee propose to consider the matter at their next meeting.

In regard to the holidays of the Fire Brigade Staff, the Chief Officer submitted an application on behalf of the Firemen to be granted 14 days' annual holiday with pay, instead of 10 days as at present.

Your Committee have given careful consideration to the application, and they now

RECOMMEND—That the resolution of the Council passed on the 1st day of December, 1919, granting 10 days' annual holiday to Firemen at the Central Station be rescinded and that in future the Firemen be allowed 14 days annual holiday with pay.

- 6.—MOTOR FIRE ENGINE No. 2: The Surveyor submitted quotations received for certain fittings for the Motor Fire Engine No. 2 as follows:—

	Merryweathers. £ s. d.	Shand Mason. £ s. d.	McGregor & Co. £ s. d.
10 50ft. lengths Hose	60 16 6	45 10 0	87 10 0 "Rob Roy" 68 15 0 Thistle 65 10 0 56 5 0

1 Pompier Ladder	13 10 0	5 17 0	5 17 6
1 Saw (in case)	1 18 6	1 4 0	2 5 0

After careful consideration of such estimates, your Committee

RECOMMEND—That the estimate of Messrs. Merryweather & Sons be accepted for the supply of hose, jumping sheet and saw, and that the estimate of Messrs. Shand, Mason & Co. be accepted for the supply of ladder.

7.—**WATER PRESSURES**: The Chief Officer submitted a report as to water pressures since the last meeting of the Committee, and your Committee have duly noted the same.

8.—**LONG SERVICE MEDALS**: Report from the Chief Officer as to certain cases where members of the Brigade had served for more than 20 years in the Brigade.

After due consideration of the matter, your Committee

**RECOMMEND**—That in cases of Service for over 20 years in the Brigade an additional bar be provided and attached to the long service medal.

9.—**STORES**: The Chief Officer submitted a requisition of stores required for the Brigade and the same were approved, and he also reported as to the stores received since the last meeting of the Committee.

10.—**MOTOR FIRE ENGINE No. 2**: Report from the Chief Officer that the engine had not yet been delivered, but your Committee are informed that the engine will be delivered in the near future.

The Chief Officer asked for authority to have Motor Fire Engine No. 1 taken down and thoroughly overhauled immediately the New Engine had been delivered.

Your Committee

**RECOMMEND**—That this suggestion be adopted.

11.—**FIRES**: Your Committee have received a report as to Fires attended since last meeting, but such report calls for no special remark.

Your Committee have also received a report as to Petrol Consumption and have duly noted the same.

## Report of General Purposes Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 19th day of June, 1922. Present: Mr. Councillor Hill (Chairman), and Councillors Miss Growse, Mrs. Bannister, Egan, Holt, Reynolds, Taylor, Winny and Wise.

Your Committee beg to report as follows:—

### 1.—TRAVELLING FACILITIES:

(A) Letter from the Middlesex County Council with copy communication from the Metropolitan Electric Tramways, Ltd., in reference to the tramway service on the Edgware Road. The Company intimated that they were arranging for the second part of the tramway works to be completed and the margins temporarily reinstated before the Contractor for the road works proceeded with that section.

The Company intimated that they were doing their utmost to carry out the tramway service to avoid any irregularity in the service.

Your Committee have duly noted the same.

(B) **TIME TABLE BOARD**: Letter from the London General Omnibus Company applying for consent to the fixing of a time table board on the railings of the enclosure at Brent Street, adjacent to the omnibus Time-keeper's hut.

The size of the board would be 20 inches by 30 inches, and the Company were prepared to agree to remove the same at any time.

After due consideration of the application, your Committee

**RECOMMEND**—That the same be acceded to, subject to an undertaking to remove the board whenever required.

(C) **MILL HILL SERVICE**: Letter from the London General Omnibus Company in reference to the complaint as to damage to the highway at Mill Hill caused by the omnibus traffic.

The Company intimated that they had no knowledge of any damage to the highway especially attributable to omnibus traffic and pointed out that the Company paid material taxes for the right to run each motor omnibus, which taxes were earmarked for the maintenance and improvement of highways.

Your Committee have no further recommendation to make upon the matter at the present time.

2.—**SAFETY FIRST**: Letter from the London Safety First Council with print of the proceedings of the last meeting of the Council also with suggestions as to the adoption of the left-hand rule for pedestrian traffic on footpaths in order that the same might conform with vehicular traffic on the roads.

It appeared that a large number of Districts were in favour of the adoption of this rule.

In the event of the Council deciding to adopt a similar rule for their district, the Safety First Council would be prepared to furnish a supply of notices for exhibition in main roads.

After due consideration of the matter, your Committee

**RECOMMEND**—That the Council obtain a supply of the notices referred to.

- 3.—CLAIM: Letter from Wheel and Wings Assurance Association in further reference to the accident alleged to have been occasioned by the defective reinstatement of a trench at Holders Hill.

The Association intimated that they were not prepared to accept the Council's repudiation of liability and an account would be transmitted in due course.

Report from the Clerk that he had informed the Association, in reply, that the Council had nothing to add to their previous decision denying liability in the matter.

Your Committee confirmed the action of the Clerk.

- 4.—LONDON ELECTRIC RAILWAY EXTENSION: Letter from the London Electric Railway Company intimating that in connection with the construction of the extension of the London Electric Railway from Golders Green to Hendon, it would be necessary to demolish certain houses and the work would be commenced in the near future.

The houses to be demolished were as follows:—

Golders Green Crescent.—Nos. 30, 32, 34, 36, 38, and 40.

Woodstock Avenue.—Nos. 61, 63, 65, 67, 69, 62, and 64.

Montpelier Rise.—Nos. 18, 20, 22, 19, 21, 23.

Elmcroft Crescent.—Nos. 27, 29, 31, 33, 35, 37.

Your Committee have no recommendation to make upon the matter as the demolition of the houses is authorised by the Company's Special Act.

- 5.—PARLIAMENTARY BILLS: Letter from Messrs. E. Bevir & Son enclosing a copy of the London Electric, and City and South London Railway Companies Bill.

Your Committee are informed that the object of the Bill is to empower the Company to raise additional capital, etc., and contains nothing which renders it necessary for the Council to lodge a petition against the same; they have therefore no recommendation to make in regard thereto.

- 6.—RENT RESTRICTION ACT: Letter from the Clerk to the Urban District Council of Willesden transmitting the following copy resolution passed by them upon the subject of the Rent Restriction Act.

(a) "That, in view of the change in economic conditions which has come about since the percentage increase of rent was fixed under the Rent Restrictions Acts, and having regard to the present financial difficulties of the middle and working classes, the Willesden Urban District Council urges the Government immediately to introduce legislation for the purpose of materially reducing the percentage by which rents can be increased over those of pre-war.

(b) "That copies of the foregoing resolution be forwarded to the Prime Minister, the Minister of Health, and the Members of Parliament for Willesden, and other Urban District Councils, with the request that they will give it their support."

Your Committee have no recommendation to make in regard thereto.

- 7.—WAGES: Letter from the Secretary, National Federation of Building Trade Operatives, transmitting the following schedule showing the agreed reduction in wages for building operatives.

1921.—

May 16th.—2d. per hour all round.

July 1st.—1d. per hour Scaffolders, Timbermen and Labourers.

August 1st.—1d. per hour all round.

September 1st.—½d. per hour all round. 1½d. per hour Scaffolders, Timbermen and Labourers.

1922.—

February 1st.—½d. per hour all round.

April 1st.—2d. per hour all round.

June 1st.—2d. per hour all round.

This makes a total reduction on the enclosed Schedule of:—

8d. per hour to all Mechanics.

10d. per hour to Scaffolders, Timbermen and Labourers.

There will be no further alterations until March 1st, 1923.

Your Committee have duly noted the same.

- 8.—POSTAL DELIVERIES: Letter from the Assistant Secretary, Union of Post Office Workers, relative to the proposal of the Post Office to abolish the 6 p.m. delivery of letters in the London Sub-Districts, and advancing reasons against the proposal, which it was suggested would dispense with the services of a large number of employees.

The Union expressed the hope that the Council would see their way to record their protest against the proposal, and acquaint the Postmaster-General and their local Member of Parliament accordingly.

Your Committee have given the matter their consideration, but have no recommendation to make in regard thereto.

9. UNEMPLOYMENT WORKS: The Clerk reported the receipt of a circular letter from the Unemployment Grants Committee in connection with the provision by Local Authorities of work for the Unemployed.

From such circular letter it appeared that the Committee had in mind the question of providing a substantial amount of employment during the period October 1922, to April 1923, and they invited the co-operation of Local Authorities in connection with the matter, and suggested that a statement of suitable works which might be put in hand, if required, should be submitted to them not later than the middle of July.

After due consideration of the matter, your Committee

RECOMMEND—That the Surveyor prepare for consideration by the Committee a scheme for the provision of further work for the Unemployed.

## 10.—GREATER LONDON :

- (A) The Clerk reported that Hendon's opposition to the Greater London Scheme had been taken by the Royal Commission at the Middlesex Guildhall on the 14th inst., and that a copy of the report, when published, would be furnished to each Member of the Council. NOTED.
- (B) Letter from the Clerk to the Middlesex County Council relative to the Conference held at the Guildhall in March last between Members of the County Council and representatives of local authorities in Middlesex when it was suggested that a Sub-Committee of the Conference should be formed, consisting of three members of the County Council and one representative of each of the local authorities who were Education Authorities, with a view to considering certain suggestions upon the subject of the more equal distribution of the Elementary Education Rate.

It was further agreed that the Chairman of the Conference should convene a meeting of the Sub-Committee at an early date, but the Clerk of the County Council intimated that it had not yet been possible to summon a meeting.

The County Council now made enquiry, in view of the evidence which had been tendered to the Royal Commission, subsequent to the holding of the Conference referred to, whether the Council considered it desirable that the Sub-Committee in question should be called together, and they intimated that in the event of a majority of the districts affected being of opinion that a meeting of the Sub-Committee should take place that arrangements would be made to call a meeting at an early date.

After due consideration of the matter, your Committee

RECOMMEND—That the County Council be informed that the Council do not consider it necessary for a meeting of the Sub-Committee to be convened.

## 11.—WAR PENSIONS ACTS, 1915 to 1921 : Letter from the Secretary, Ministry of Pensions, in reference to the expiration of the term of office of members of the War Pensions Committee who were appointed in the year 1919.

It was suggested, in view of the re-organization of War Pensions Committee Areas, which was now proceeding under the War Pensions Act, 1921, that in cases where the term of office of members of a local Committee expired as aforesaid and the vacancies had not yet already been filled, that it might be convenient to continue such members in office until the date at which the Local Committee would cease to exist by the operation of the Act.

The Ministry stated that in the event of the Council agreeing to the suggestion that it would be necessary to frame a short Supplemental Scheme, the same after adoption by the Council to be submitted in duplicate for the Minister's formal approval.

Your Committee

RECOMMEND—That the suggestion be approved, and that a Supplemental Scheme be prepared for submission to the Ministry of Pensions.

## 12.—GAS REGULATION ACT, 1920 : Letter from Messrs. Sherwood &amp; Co. in regard to an application by the Harrow and Stanmore Gas Company for a Special Order under Section 10 of the Gas Regulation Act, 1920.

Report from the Clerk in regard thereto.

After due consideration of the matter, your Committee have no recommendation to make in regard thereto.

## 13.—GAME LICENCES : The Clerk reported the following applications for the renewal of Game Licences for the ensuing year in respect of the following premises in the district :—

Messrs. Green & Co.	...	...	Church Road, Hendon.
do.	...	...	The Promenade, Mill Hill.
Mr. J. Sainsbury	...	...	160, The Broadway, Cricklewood.

do.	...	...	5, Russell Parade, Golders Green Road.
Mr. B. Hill	...	...	88, Golders Green Road.
Mr. T. B. Cook	...	...	7 and 8, Temple Fortune Parade.

Your Committee

RECOMMEND—That the applications for Licences be granted and that the Common Seal of the Council be affixed to such Licences in due course.

## 14.—STREET TRADING : Letter from Mr. J. H. Mundy making application for permission to erect a portable fruit stall on land adjacent to the "Green Man," Mill Hill.

After due consideration of the matter, your Committee

RECOMMEND—That Mr. Mundy be informed that the Council regret they cannot accede to his application.

## 15.—BRENT HILL FARM : That they had under consideration the lease between the Council and Messrs. W. J. Smith, Ltd., for the farm premises and the agreed area at Brent Hill Farm (referred to your Committee for consideration, by the Housing Committee at their last meeting).

Your Committee

RECOMMEND—That the lease be approved, and that the Common Seal of the Council be affixed thereto in due course.

- 16.—FIRE SERVICES: Consideration was given to the draft agreement to be entered into by the Urban District Council of Kingsbury under which the Hendon Council undertake to provide Fire Services for the district of Kingsbury (the document having been referred to your Committee by the Fire Brigade Committee).

Your Committee

RECOMMEND—That the draft agreement be approved, subject to certain amendments being made therein, and that the same be forwarded to the Kingsbury Council for execution in due course.

- 17.—SURVEYOR'S STAFF: The Surveyor reported that in accordance with the instructions of the Committee at their last meeting he had communicated with Mr. C. V. Berry, one of the selected candidates for the position of improver in his department on a former occasion, making enquiry whether he was in a position to accept the appointment of improver rendered vacant by the resignation of Mr. Gregsten.

Mr. Berry, however, was not now available, he having accepted another appointment.

The Surveyor suggested that Mr. Lancaster, at present engaged in his Department, should be promoted to the vacant position at a salary of £60 per annum, and that a beginner should be appointed in the place of Mr. Lancaster.

Your Committee

RECOMMEND—That the suggestion of the Surveyor be approved, and that with regard to the appointment of the proposed beginner, that an advertisement be inserted in the local paper inviting applications for the position.

- 18.—TOWN HALL—CARETAKER'S QUARTERS: The Surveyor submitted a letter from Mr. P. Sinnott, Caretaker of the Town Hall, making enquiry whether it would be possible for a bath to be installed in his premises.

Report from the Surveyor in regard to the proposal, from which it appeared that it would be necessary to put in a Geyser to supply the hot water as the Caretaker's apartments could not conveniently be connected to the hot water system of the building. The Surveyor estimated that the installation of a bath and geyser would involve an outlay of £27.

Your Committee

RECOMMEND—That the work be carried out in due course.

- 19.—SUNNY COTTAGE—RENTER'S LANE: Report from the Surveyor in regard to the continued occupation of Sunny Cottage, Renter's Lane, by Mr. E. Marks, at one time in the employ of the Council.

The Council will remember that Mr. Marks was given notice to quit the Cottage at the time he ceased to be employed by the Council, but owing to domestic reasons he had been allowed to continue for a short period long since expired.

Your Committee have given the matter consideration, and in view of the fact that the Cottage is urgently needed for an employee of the Council, they

RECOMMEND—That Mr. Marks be served with a notice requiring him to quit the premises in question.

## Report of Highways Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen.

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 19th day of June, 1922. Present: Mr. Councillor Egan (Chairman), Councillors Miss Growse, Holt, Hill, Reynolds, Wise and Winny. (Councillors Mrs. Bannister and Taylor were engaged at another meeting).

Your Committee beg to report as follows:—

### 1.—PRIVATE STREET IMPROVEMENTS:

- (A) CONTRACT: Letter from Messrs. Campbell, Kenyon & Co., in reference to the contract for the execution of works for private street improvements for the Council.

Messrs. Campbell, Kenyon & Co. had submitted the names of Messrs. Fraser & Fraser, Ltd., and Messrs. Brown and Tawse, Ltd., as sureties for their contract and enquired whether the Council would dispense with the Guarantee Society in addition.

Your Committee have given careful consideration to this matter, but are unable to recommend the Council to vary their decision in regard to the Guarantee Bond in connection with this contract.

- (B) THE PARK, PARK AVENUE AND PARK DRIVE: Report from the Clerk that the result of the enquiries made of the owners of property in the above-mentioned roads in connection with the proposal to carry out permanent works under Section 150 of the Public Health Act, 1875, was as follows:—

PARK DRIVE.—For making up, 1, 25 against and 6 owners had not yet replied.

THE PARK.—<sup>Four</sup> Two in favour of making up, 18 against and 15 not yet replied.

PARK AVENUE.—None in favour of permanent works, 14 against and 19 not yet replied.

In view of the expression of opinion from the Owners, your Committee

RECOMMEND—That the proposals for carrying out permanent works in Park Avenue, The Park, and Park Drive be deferred for a period of six months.

- (c) ANNESLEY AVENUE: In regard to the proposals for the making up of Annesley Avenue, the Clerk reported communications from Owners as follows:—

In favour of being made up	...	...	...	3
Against	...	...	...	57

Your Committee

RECOMMEND—That the proposal for carrying out permanent works under Section 150 of the Public Health Act, 1875, be deferred for a period of six months.

- (d) CREWYS ROAD: That they received a petition from residents in Crewys Road requesting that trees might be planted in the lower portion of the road, proposed to be made up under Section 150 of the Public Health Act, 1875.

After due consideration of the petition, your Committee

RECOMMEND—That provision be made for Tree Planting in the section of Crewys Road referred to at the appropriate season.

## 2.—DRINKING TROUGHS:

- (1) Letter from Mrs. H. Young, suggesting the provision of a drinking trough in the Edgware Road at Burnt Oak, at the corner of North Road.

Your Committee understand that this section of road is within the repairing area of the Middlesex County Council, and suggest that the application be referred to that body, with an expression of opinion as to the desirability of placing a Drinking Trough in this locality.

- (2) Report from the Surveyor as to an offer of a Drinking Trough in the Edgware Road near Colindale. Your Committee

RECOMMEND—That the offer be accepted and that the Drinking Trough be erected in a position to be selected by the Surveyor.

## 3.—TRAFFIC ARRANGEMENTS:

- (A) Letter from the London County Council transmitting copies of a report presented by the Highways Committee of that body upon the subject of traffic arrangements in London and Greater London for consideration by the Council.

Your Committee understand that copies of such Report have been sent to each member of the Council. NOTED.

- (B) Letter from the Commissioner of Police in reference to alleged obstruction to omnibuses and other traffic by reason of the existence of a road watering post opposite Langton Lodge, it being pointed out that this section of road had no properly defined footpath.

The Commissioner made enquiry whether the Council could see their way to arrange for the standpipe to be set back to avoid any possible obstruction to passing vehicles.

Your Committee have received a report from the Surveyor upon this matter, from which it appeared of importance to retain the stand pipe in its present position. The Surveyor suggested that a length of kerbing should be laid near the stand post. Your Committee

RECOMMEND—That the Surveyor's suggestion be approved and that the Commissioner of Police be informed accordingly.

- 4.—PETROL INSTALLATIONS: That they gave further consideration to the application of Messrs. Orion and Co. for consent to the placing of a petrol pump on the footpath outside their garage at Lawrence Street, Mill Hill, the question being referred back by the Council for further consideration by your Committee.

After careful re-consideration of the matter, your Committee have come to the conclusion that the placing of obstructions of this kind on the public footpath should not be authorised. They therefore

RECOMMEND—That the Council disapprove of the proposal of Messrs. Orion & Co.

- 5.—CLASSIFICATION OF ROADS: Letter from the Ministry of Transport in reference to the arrangements for grants from the Road Fund during the year 1922-23, towards the improvement and maintenance of classified roads and bridges which would be 50 per cent. of the actual expenditure upon approved estimates in the case of Class 1 Roads and 25 per cent. in the case of Class 2 Roads and Bridges.

Report from the Clerk that copies of the circular and conditions had been furnished to the Accountant and Engineer of the Council.

Your Committee have duly noted this communication.

- 6.—NORTH CIRCULAR ROAD.—Letter from the Ministry of Health in reference to the Council's decision to give up a strip of land in connection with the construction of the North Circular Road.

The Ministry intimated that if the Council considered that they had received adequate advantage in connection with the transaction, the Ministry would be disposed to take the view that the requirements of Section 175 of the Public Health Act, 1875, had been complied with.

It will be remembered that before arriving at a decision to give up the strip of land the Council came to the conclusion that the scheme of road widening would be to the advantage of the public and that, in these circumstances, the land should be given up without pecuniary consideration.

- 7.—BELL LANE IMPROVEMENTS: Report from the Surveyor that the greater portion of the widening works in this road had been completed, the only work remaining to be carried out being the laying of a length of surface water drain.

This work was the last of the road improvement schemes put in hand for the relief of Unemployment for which men had been taken on at the Town Hall, each week.

Your Committee are informed that all other relief work was being carried out by labour obtained through the Employment Exchange, and the Surveyor suggested that in future work carried out by the Council for the relief of unemployment that the Employment Exchange Committee be asked to supply the labour, in order that work available might be evenly distributed amongst those out of employment.

After careful consideration of the Surveyor's report, your Committee

RECOMMEND—That the suggestion contained therein be adopted.

- 8.—BELL LANE BRIDGE: Report from the Surveyor that the widening of the road at Bell Lane would necessitate the consideration of the improvement of the existing narrow bridge connecting Bell Lane and Bridge Lane, which was an old structure having a width of 12 feet only, and to meet the present day requirements for traffic, etc., a new bridge should be constructed at this point 50 feet wide.

Your Committee agree with the report from the Surveyor upon this matter and

RECOMMEND—That the Surveyor submit a scheme for the construction of a new bridge between Bell Lane and Bridge Lane 50 feet in width.

- 9.—GOLDERS GREEN ROAD MAINTENANCE: Report from the Surveyor as to communications from the Acme Flooring and Paving Company offering to undertake the work of maintenance of the wood paving in Golders Green Road for the years 1922-1923 and 1924 at the price contained in their contract dated 1914, viz., 6d. per square yard per annum.

The Company indicated that this price would include for the maintenance of the whole of the road with the exception of any opening which might be made by Statutory bodies. They waived all questions in regard to openings made in the path by Statutory Authorities in the past.

After careful consideration of the report of the Surveyor, your Committee

RECOMMEND—That the offer of the Company be accepted.

- 10.—COLINDEEP LANE: Letter from the Colindale and District Ratepayers' Association suggesting the widening of the footpath opposite the property known as the Chestnuts.

The Council will recollect that provision was made for sundry road widenings and the land in this case has been dedicated by the owner. Your Committee

RECOMMEND—That the Surveyor arrange to carry out the footway widening in due course.

- 11.—PRIVATE IMPROVEMENTS—THE VALE: The Surveyor submitted a petition from owners of property in the Vale in further reference to the proposal to make up the road.

It appeared that the owners of 118 houses in the road had replied as follows:—

In favour of making up	...	...	70
No reply	...	...	45
Against	...	...	3

In view of the opinion expressed by the majority of owners in the road, your Committee

RECOMMEND—That the resolution of the Council, passed on the 10th Oct., 1921, deferring the proposal to carry out permanent works in the Vale be rescinded.

Your Committee

RECOMMEND further—That the Surveyor prepare estimates for the carrying out of permanent works in this road under Section 150 of the Public Health Act, 1875, and that application be made to the Ministry of Health for sanction to the necessary loan for the work.

- 12.—ALEXANDRA ROAD: Report from the Surveyor as to an application for tar painting from Mr. Hayes, of 8, Alexandra Road.

After the consideration of the report of the Surveyor, your Committee

RECOMMEND—That tar-painting be carried out in the portion of Alexandra Road which has been dedicated as soon as practicable.

- 13.—PUBLIC LIGHTING: Report from the Surveyor as to an intimation from the North Middlesex Gas Company that the Company had decided to reduce the price of gas to 1/- per therm as from the 1st July.

This would have the effect of reducing the price of gas for public lighting by 2/6 per lamp per annum, thus effecting a saving of £180 per annum.

Your Committee have noted this report with satisfaction.

- 14.—STATION ROAD, THE BURROUGHS AND CHURCH ROAD: Report from the Surveyor as to an interview he had had with the County Engineer and the Divisional Road Engineer to the Ministry of Transport with reference to the proposal for the re-construction of Station Road, The Burroughs and Church Road, Hendon.

It appeared from such report that with regard to Church Road it was not considered desirable to re-construct the Road unless a Scheme of widening was prepared. Your Committee are informed that this proposal will receive consideration by the Middlesex County Council.

In the case of The Burroughs it was not considered to be practicable to include this work in the present year's estimates.

With regard to Station Road, the Surveyor reported that if a scheme was submitted to the Ministry of Transport at an early date, for the re-construction of this road, providing a carriageway of not less than ~~forty~~ <sup>thirty</sup> feet in width, such a scheme would receive consideration.

Your Committee are of opinion that the time has arrived when this road should be re-constructed and widened as suggested in the Surveyor's report, and they

**RECOMMEND**—That the Surveyor prepare a scheme of widening and re-construction of Station Road, Hendon.

15.—**GOLDERS GREEN ROAD**: The Surveyor reported as to his negotiations with the owner of a house in course of erection at the junction of Princes Park Avenue and Golders Green Road, with regard to the dedication of a strip of land for the widening of Golders Green Road.

Your Committee are informed that the owner (Dr. Page) would be prepared to dedicate the necessary land, subject to the Council agreeing to contribute a sum of £10 towards the cost of erecting a fence.

After due consideration of the matter, your Committee

**RECOMMEND**—That the offer of Dr. Page be accepted and that an agreement be prepared embodying this arrangement.

16.—**FINCHLEY LANE, PROPOSED IMPROVEMENTS**: The Surveyor submitted a scheme for the re-surfacing and improvement of Finchley Lane, and had also included a scheme of surface water drainage.

Your Committee are informed that an agreement has been made in connection with the development of the Glebe Estate whereby certain land will be dedicated to the public in Finchley Lane and Parson Street. The Surveyor submitted the scheme of improvement on the following lines:—

1. The improvement required in Finchley Lane and Parson Street in connection with the development of the Glebe Estate.
2. Widening and re-surfacing of Finchley Lane where it is not yet developed to a minimum width of 50 feet.
3. The provision of new surface water drainage in Finchley Lane.

With regard to the expenditure which would be involved in connection with these works the Surveyor estimated the cost thereof at £20,800.

After careful consideration of the proposal, together with the report of the Surveyor thereon, your Committee

**RECOMMEND**—That the scheme of Improvements be approved and that application be made to the Ministry of Transport for a grant towards the cost of the proposed improvements.

17.—**LYNDALE ROAD**: Reference was made to the desirability of erecting a Danger Sign at the junction of Lyndale Road and Finchley Road, and your Committee

**RECOMMEND**—That the Ministry of Transport be approached upon the matter.

18.—**REQUISITIONS**: The Surveyor submitted a requisition of goods and materials required by him, and the same were duly approved.

## Report of Finance Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 19th day of June, 1922. Present: Mr. Councillor Cartwright (Chairman), Councillors Hearn, Roberts, Sturgess, Soar and Weeks.

Your Committee beg to report as follows:—

1.—**PRIVATE STREET IMPROVEMENTS—THE RIDGEWAY**: Report from the Clerk that the time limited by the notices of apportionment served in respect of the making-up of The Ridgeway, Golders Green, under Section 150 of the Public Health Act, 1875, had expired. He asked for authority to serve Notices of Demand in cases where the amounts were outstanding.

Your Committee

**RECOMMEND**—That the Clerk serve the Notices of Demand in respect of The Ridgeway in due course.

2.—**CONTRACTORS CERTIFICATES**: The Engineer submitted certificates in favour of Contractors as follows:—

			£	s.	d.
Sewage Works Extension	...	Wm. Moss & Sons (No. 6)	1736	0	0
Open Air Swimming Bath	...	H. Neal (No. 3)	965	0	0
Edgware Road Reconstruction	...	H. Farrow	6852	0	0
Tennis Courts	...	Gaze & Sons	16	19	0
Isolation Hospital Extension	...	Holtum & Green	302	4	2

With the exception of the certificate in favour of Messrs. Holtum & Green, such amounts are included in the accounts for payment.

Your Committee

RECOMMEND—That a pay order be signed and a cheque drawn in favour of Messrs. Holtum and Green for the amount of their certificate.

In regard to the form of certificate now in use by the Engineer to the Council, your Committee

RECOMMEND—That this form should be generally used for all public works undertaken on behalf of the Council whether an independent Architect is engaged or not and that the form of certificate should, in each case, shew the amount of retention money in connection with the contract concerned.

- 3.—LOANS: That they had under consideration a report from the Accountant as to various methods in connection with the repayment of loans.

After careful consideration of the report of the Accountant, your Committee decided to defer the matter until their next meeting, in order that the Accountant might submit additional information in regard thereto.

- 4.—ARCHITECT'S FEES: Report from the Accountant as to a statement of fees received from Mr. G. Hornblower, Architect, in connection with the Council's Housing Schemes.

Your Committee

RECOMMEND—That a payment of £500 on account be made in respect of such fees to Mr. Hornblower.

- 5.—INSURANCE PREMIUMS: Report from the Accountant that in connection with the premiums for Fidelity Guarantee Insurance a refund of £93 13s. 1d. had been made by the Guarantee Society, which your Committee have duly noted.

- 6.—PAY ORDER: The Accountant submitted Pay Order amounting to £10,480 5s. 10d.

Your Committee authorised the issue of the necessary cheques.

- 7.—STATEMENT OF RECEIPTS, ETC.: Your Committee have examined the Treasurer's Pass Book and Cash Books, and report that the total receipts from all sources since the last meeting amounted to the sum of £55,934 19s. 7d., making a total of £65,936 0s. 1d. for the current financial year.

 " " W. L. Glanville,  
 " " F. W. Hearn,  
 " " C. W. Hill,  
 " " E. Holt,  
 " " A. J. Reynolds,  
 " " A. Roberts,  
 " " J. H. Sturgess,  
 " " R. M. Weeks,  
 " " A. E. Winny,  
 " " R. J. Wise.  
 Mr. H. Humphris (Clerk),  
 Mr. A. O. Knight (Engineer and Surveyor).  
 Mr. G. Hails (Accountant),  
 Dr. T. S. McIntosh (Medical Officer of Health).

MINUTES: The Minutes of the last Meeting of the Council held on the 22nd day of May, 1922, were submitted for confirmation.

Upon the motion of Mr. Councillor Roberts, seconded by Mr. Councillor Weeks,

IT WAS RESOLVED—That such Minutes be confirmed.

QUESTIONS: Mr. Councillor Hearn made inquiry whether it was a fact that those in charge of the Air Pageant in Hendon had demanded payment from persons making use of the footpath abutting on Sunny Hill Fields Pleasure Ground. No notice having been given of the question the Chairman suggested that the matter should be brought up in Committee.

APOLOGY FOR ABSENCE: The Clerk reported the receipt of a communication from Mr. Councillor Egan as to his absence from the meeting, he being away from the district.

REPORT OF FINANCE COMMITTEE: The Finance Committee submitted a report of a meeting of the Committee held on the 19th inst. (Agenda page 67).

Upon the motion of Mr. Councillor Cartwright, seconded by Mr. Councillor Hill,

IT WAS RESOLVED—That the report of the Committee be received.

The following is a list of the accounts for payment referred to on page 71 of the report of the Finance Committee.

IT WAS RESOLVED—That the Common Seal of the Council be affixed to the documents in question.

FINCHLEY HOSPITAL CARNIVAL: Letter from Mr. L. H. R. Claydon, on behalf of the Finchley Cottage Hospital Carnival Committee, making application for the Council's Fire Engine and certain of the Fire Brigade Staff to take part in a Carnival on behalf of the Finchley Cottage Hospital to be held on the 13th proximo.

After due consideration of such application, upon the motion of Mr. Councillor Roberts, seconded by Mr. Councillor Hill,

IT WAS RESOLVED—That the same be acceded to, subject to satisfactory arrangements being made for fire protection in the district during the absence of the Engine at the Carnival.

WAR PENSIONS COMMITTEE: The Clerk reported the receipt of a communication from the Ministry of Pensions, accompanied by a draft order to be intitled the Willesden, Harrow and District War Pensions Committee Order, 1922.

It appeared from such draft order that a War Pensions Committee was being established for the districts of Harrow, Hendon, Kingsbury, Ruislip-Northwood, Wealdstone, Wembley, Willesden, and Hendon Rural District Council, and further that the Committee would be constituted of 25 members, to include five representatives from Local Authorities whose districts were situate wholly or partly within the area of the Committee, the district of Hendon being entitled to appoint one representative.

With regard to the appointment of the representative in question, the Ministry intimated that the nomination should be forwarded to them not later than the 8th prox.

After due consideration of the matter, upon the motion of Mr. Councillor Roberts, seconded by Mr. Councillor Sturgess,

IT WAS UNANIMOUSLY RESOLVED—That Mr. Councillor Hearn be appointed as the representative of the Council on the proposed War Pensions Committee.

DEDICATION OF LAND, FINCHLEY ROAD: Report from the Clerk that in connection with the dedication by Dr. Stedman of a strip of land in Finchley Road a sum of £1 11s. 6d. had been charged for costs in connection with the matter, and he made inquiry whether the Council agreed to make this payment.

After due consideration thereof,

IT WAS RESOLVED—That the account in question be paid, and that a cheque be drawn accordingly.

ALLOTMENTS—QUEEN'S ROAD: The Clerk reported the receipt of a communication from Mr. G. W. Bower, on behalf of Mr. Edward Streather, terminating the agreement on the 25th December next, between the Council and Mr. Streather in connection with the land at present utilised as allotments at Queen's Road. In view thereof, the Clerk asked for authority to serve the allottees with the necessary notices to quit their plots on the date named.

Upon the motion of Mr. Councillor Hill, seconded by Mr. Councillor Cartwright,

IT WAS RESOLVED—That the Clerk be given authority accordingly.

TELEGRAPHIC LINE: The Surveyor reported an application from H.M. Postmaster General for permission to lay an underground telegraphic line along the South-East side of Garrick Avenue, Golders Green.

After due consideration of such application, upon the motion of Mr. Councillor Roberts, seconded by Mr. Councillor Cartwright,

IT WAS RESOLVED—That the same be approved subject to the usual conditions.

**EDUCATION COMMITTEE MINUTES:** The Minutes of the proceedings of the Hendon Education Committee at their meeting held on the 9th day of May, 1922, having been circulated amongst the Members of the Council,

Upon the motion of Mr. Councillor Hearn seconded by Mrs. Councillor Bannister,

IT WAS RESOLVED—That such Minutes be received.

**TOWN HALL—DECORATIONS:** The Clerk reported the receipt of tenders (nine in number) in connection with the proposed interior decorations of the Town Hall.

Upon the motion of Mr. Councillor Ford, seconded by Mr. Councillor Cartwright,

IT WAS RESOLVED—That the same be opened and initialled by the Chairman and referred to the Surveyor for report thereon to the Works Committee on Monday next.

**FINCHLEY ROAD AND CRICKLEWOOD LANE—WOOD PAVING WORKS:** The Clerk also reported tenders received in response to the Council's advertisement (nine in number) in connection with the proposed wood paving works in Finchley Road and Cricklewood Lane.

Upon the motion of Mr. Councillor Cartwright, seconded by Mr. Councillor Roberts,

IT WAS RESOLVED—That the same be opened and initialled by the Chairman and referred to the Surveyor for report thereon to the Works Committee at their next meeting.

**RUSSIAN FAMINE:** In accordance with notice appearing upon the Agenda Paper, Councillor Miss Growse moved the following motion:—

“That a Council Fund be opened for the relief of sufferers in the Russian Famine and that the public be invited to contribute thereto.”

Mr. Councillor Wise seconded the motion.

Upon the same being submitted to the Meeting there voted in favour thereof, five, viz.:—Councillors Miss Growse, Glanville, Holt, Sturgess, and Wise, and against the motion ten, viz.:—Councillors Mrs. Bannister, Cartwright, Donald, Ford, Hill, Hearn, Reynolds, Roberts, Weeks, and Winny.

The Chairman declared the motion to be not carried.

#### IN COMMITTEE—

**CHILD'S HILL HOUSING SCHEME:** Report from the Clerk as to the issue of a writ by Messrs. John Williams and Company in respect of slates supplied by them in connection with the Child's Hill Housing Scheme. The Council were joined as sureties for the goods delivered to the Contractor on the Council's alleged guarantee.

A report was submitted and considered as to the position in regard to the Contract.

Mr. Councillor Sturgess moved—

That the question be referred to the Council's Solicitor to advise whether the alleged guarantee was of such a character as would make the Council liable and in that event the amount which the Council were liable to pay, appearance being entered in the action in the meantime.

Mr. Councillor Hill seconded the motion.

An amendment was moved by Mr. Councillor Ford as follows:—

That subject to the amount being accurate and without including interest, the account be paid forthwith and the sum deducted from the Contractor's account.

Mr. Councillor Reynolds seconded the amendment.

After some discussion Mr. Councillor Reynolds moved—

That the question be now put.

Mr. Councillor Cartwright seconded the motion.

Upon the same being put to the meeting this was carried by 7 votes to 5.

Mr. Councillor Sturgess' motion was then put to the meeting and there voted for it four, viz.:—Councillors Hill, Sturgess, Glanville, and Hearn, and against it eight, viz.: Councillors Ford, Cartwright, Roberts, Wise, Reynolds, Weeks, Miss Growse, and Mrs. Bannister.

The Chairman declared the motion to be not carried.

Mr. Councillor Cartwright then moved as a further amendment that the question be dealt with at a special meeting of the Council (in Committee) to be held on Monday evening next that an appearance be entered and that in the meantime Counsel's opinion be obtained thereon and submitted to the Special Meeting for consideration.

Mr. Councillor Ford seconded the amendment.

Upon the same being put to the meeting the amendment was declared to be carried *nem. con.*

The amendment was then put as a substantive motion and declared to be carried, the members voting as before.

BRENT HILL FARM—ADDITIONAL LAND: The Council gave further consideration to the following paragraph from the Report of the Housing Committee No. 2:—

“ADDITIONAL LAND: That they gave careful consideration to a report from the Officers in reference to the application of Mr. W. J. Smith to be allowed to lease from the Council an area of about 13 acres of land not now utilised for Housing purposes, owing to the limitation of the Scheme by the Ministry of Health.

Your Committee are of opinion that in view of the building developments a large number of allottees will be dispossessed and that the land might with advantage be used for allotments.

They therefore

RECOMMEND—That the offer of Mr. Smith be not entertained, but that the area of land, 13 acres in extent, forming part of the Brent Hill Farm Estate, be utilised for allotments, and that application be made to the Ministry of Health for sanction to the appropriation of the land for allotment purposes.”

Upon the motion of Mr. Councillor Cartwright, seconded by Mr. Councillor Hill,

IT WAS RESOLVED—That the paragraph be approved and adopted.

MILL HILL SEATS: Reference was made by Mr. Councillor Winny to the desirability of providing three seats at Mill Hill, viz., two on the greensward at the top of Hammers Hill and one at the top of Highwood Hill.

Upon the motion of Mr. Councillor Ford, seconded by Mr. Councillor Wise,

IT WAS RESOLVED—That this matter be considered by the Works Committee and that the Committee be invested with power to act.

## Report of Works and Sewage Disposal Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 3rd day of July, 1922. Present: Mr. Councillor Roberts (Chairman), and Councillors Cartwright, Donald, Gharville, Hill, Reynolds, Soar, Sturgess, Wise and Winny.

Your Committee beg to report as follows:—

- 1.—**DAWS LANE ALLOTMENTS:** Letter from the Ministry of Health in further reference to the application of the Council for sanction to the borrowing of the sum of £2,550 for the acquisition of land at Daws Lane, Mill Hill, for the provision of allotments.

The Ministry now intimated that they were advised that the purchase price referred to was excessive, and they suggested that the Council should seek the assistance of the District Valuer in the matter.

After due consideration thereof, your Committee

**RECOMMEND**—That the Council adopt the course suggested by the Ministry of Health and that the matter be accordingly referred to the District Valuer for his observations thereon.

- 2.—**COLINDALE PLAYING FIELD:**

- (A) Letter from Mr. W. C. Garrard, on behalf of the Colindale Ratepayers' Association, requesting the Council to provide See-Saws, Swings, and Seats in connection with the Playing Field at Colindale Avenue.

Your Committee have deferred the consideration of the matter for the present.

- (B) In connection with this Playing Field, the Surveyor submitted a letter from H.M. Office of Works confirming the provisional estimate of £175, reported at the last meeting of your Committee, for the provision of window guards and fencing in connection with the British Museum Repository.

The Council will remember that the Office of Works intimated that they could not allow any persons, other than their own employees, to carry out works in connection with the British Museum buildings.

Your Committee have given the matter further consideration, and

**RECOMMEND**—That in the event of the Office of Works agreeing that the window guards and fencing in question should remain the property of the Council, that the Council agree to the payment of the sum of £175 for the provision, by H.M. Office of Works, of such window guards and fencing.

- 3.—**CHILD'S HILL RECREATION GROUND:**

- (A) Letter from Mr. J. S. Simpson lodging a complaint in connection with the Child's Hill Recreation Ground, persons making use of the pleasure ground looking over the boundary fence and interfering with the quiet enjoyment of the gardens, and requesting the Council to take steps to have the seat situate against his garden fence removed to another site.

The Clerk intimated that the matter had been referred to the Surveyor, the Surveyor reporting that he had subsequently had the seat in question removed.

Your Committee confirmed the action of the Surveyor.

- (B) Letter from Mrs. H. C. Birley, the occupier of the premises adjacent to Mr. Simpson, lodging a similar complaint, and particularly as to the annoyance caused by the use of the See-Saw in the Recreation Ground by adults.

After due consideration of the matter, your Committee

**RECOMMEND**—That the See-Saw be removed and taken into store.

- 4.—**HOUSE REFUSE:** Letter from Mrs. K. M. Patteson complaining of the infrequent removal of house refuse, and suggesting that the same should be removed twice weekly during the summer months.

Report from the Surveyor in regard thereto.

After due consideration of the matter, your Committee

**RECOMMEND**—That Mrs. Patteson be asked to furnish particulars of the periods of the infrequent collections complained of.

- 5.—**OPEN AIR BATH:** In accordance with the instructions of the Committee at their last meeting, the Surveyor submitted a report in regard to the suggestion of Mr. Platt for the construction of an Open-Air Swimming Bath, at the western end of Brentwood Place, from which it appeared that the Surveyor was of opinion that the suggestion was not a practicable one.

After due consideration of the report of the Surveyor, your Committee

**RECOMMEND**—That Mr. Platt be informed that the Council regret they are unable to entertain his suggestion in view of the fact that the same is not considered a practicable one.

- 6.—**SEATS—MILL HILL:** That they gave consideration to the suggestion for the provision of seats at Mill Hill, two on the greensward at the top of Hammers Hill, and one at the top of Highwood Hill, the matter having been referred to your Committee, with power to act, at the meeting of the Council on Monday last.

After due consideration thereof, your Committee instructed the Surveyor to arrange for the fixing of seats, with divisions, in the localities referred to.

- 7.—GOLDERS GREEN CONVENIENCE: Report from the Clerk that he had received from the Surveyor the plans to accompany the application to the Ministry of Health for sanction to the necessary loan in connection with the proposed alterations to the lavatories at Golders Green.

It appeared from a report of the Surveyor in regard to the matter, that the London Electric Railway Company had intimated that they had received tenders in connection with the proposal, and the cost thereof would be approximately £2,400, of which the Company agreed to contribute a maximum sum of £500 towards the cost of the work, thus leaving the Council to provide a sum of £1,900.

After due consideration of the matter, your Committee

RECOMMEND—That application be made to the Ministry of Health for sanction to a loan of £1,900 for the Council's contribution towards the proposed work.

- 8.—ALLOTMENTS—SUNNINGFIELDS ROAD: Letter from Mr. H. Sparkes complaining of damage to the fence in connection with the Sunningfields Road Allotments on the occasion of the Aerial Pageant.

Your Committee authorised the Surveyor to carry out any necessary repairs to the fence in question.

- 9.—PUBLIC PARK:

- (A) Report from the Surveyor as to an application from Mr. A. Done for permission to hold a series of concerts in the Bandstand in the Hendon Public Park and to charge for admission to the enclosure.

The applicant offered to pay to the Council a sum of 5/- per performance for the use of Bandstand and Chairs, the proposal being to hold two performances weekly.

After due consideration of the matter, your Committee came to the conclusion that the offer was one which might be accepted.

In view of the fact that the applicant proposed to commence the performances at the middle of the present month, your Committee authorised the Surveyor to accept the offer of the applicant.

- (B) Report from the Surveyor as to an application from the London United Sports Club for the use of a football pitch in the Child's Hill Recreation Ground during the coming season.

After due consideration thereof, your Committee are unable to recommend the Council to entertain the application.

- 10.—SUNNY HILL FIELD: Letter from Mr. G. Dunlop in further reference to the question of the erection of fencing between his land and Sunny Hill Field, he alleging that persons using Sunny Hill Field committed trespass on his land adjoining.

Report from the Surveyor in regard to his correspondence with Mr. Dunlop, he having informed Mr. Dunlop that Sunny Hill Field had not yet been opened to the public as a playing field and any person entering upon his land were apparently trespassers.

Your Committee

RECOMMEND—That the communication addressed to Mr. Dunlop by the Surveyor be confirmed.

- 11.—DAWS FARM ESTATE: Letter from Messrs. Emanuel, Round and Nathan, intimating that their Clients were now prepared to accept the sum of £20,500 for the acquisition by the Council of the Daws Farm Estate, subject to the Council entering into a contract in connection with the matter before the end of November next.

After due consideration of the matter, your Committee

RECOMMEND—That application be made to the Ministry of Health for sanction to the borrowing of the sum of £20,500 for the acquisition of the Daws Farm Estate.

- 12.—MILL HILL WAR MEMORIAL: Letter from Mr. E. Figgis relative to a suggestion that the Council should take over the care of the War Memorial at Mill Hill, from which it appeared that the War Memorial Committee were in favour of the suggestion, subject to any improvement works which the Council might contemplate round the base of the Memorial being submitted to the Committee for approval.

Your Committee considered suggestions submitted by the Surveyor for certain improvement works in connection with the Memorial, but decided to leave the matter in his hands to complete the negotiations now pending.

- 13.—SCHOOL PLAYGROUNDS: Letter from Mr. J. Anderson (Hendon Education Committee) relative to certain repair works required to the playgrounds at Wessex Gardens and the Garden Suburb Schools, and making enquiry whether the Council would be prepared to carry out the work under the Surveyor's superintendence during the coming Summer Vacation.

After due consideration, your Committee

RECOMMEND—That the Council agree to the Surveyor superintending the work as suggested.

- 14.—TOWN HALL DECORATIONS: Report from the Surveyor submitting schedule of tenders for the decoration of the interior of the Town Hall, as follows:—

After due consideration of such tenders, and the report of the Surveyor in regard thereto, your Committee

RECOMMEND—That the tender of Messrs. Browett & Jones, amounting to the sum of £350 be accepted.

- 15.—WOOD PAVING WORKS—FINCHLEY ROAD AND CRICKLEWOOD LANE: Your Committee also considered the following schedule of tenders received for the proposed wood paving works in Finchley Road and Cricklewood Lane:—

Name.	Address.	Amount of Tender.		
		£	s.	d.
Sangwin, Messrs. J.	Canning Town, E.	5850	0	0
Campbell, Kenyon & Co., Ltd.	Acton	4075	0	0

After due consideration of the tenders, and a report from the Surveyor thereon, your Committee

RECOMMEND—That the tender of Mr. Howard Farrow, amounting to the sum of £3,225, be accepted, and that a formal contract be entered into with Mr. Farrow for execution of the same.

- 16.—UNEMPLOYMENT WORKS: The Surveyor submitted a detailed report in regard to certain works which he suggested might be carried out in the district with a view to providing further work for the Unemployed.

It will be remembered that the Unemployment Grants Committee invited Local Authorities to co-operate with them in suggesting schemes for providing employment during the period from October, 1922, to April, 1923, and had requested that a statement of suitable works should be submitted to them not later than the middle of July.

Your Committee consider it desirable that the Accountant should report on the financial side of the question in connection with these schemes, and gave instructions for the Accountant to submit such a report for consideration, in conjunction with the Surveyor's report, at the Council Meeting on the 24th instant.

In regard to the scheme for the widening and improvement of Queen's Road and Park Road, your Committee requested the Outdoor Committee to take this scheme into consideration at their meeting to be convened for Friday evening, the 14th inst., at 8 p.m.

- 17.—EXTENSION OF TUBE RAILWAY: Report from the Surveyor in regard to a notice which he had served upon the Engineer to the London Electric Railway Company as to measures to be adopted for the protection, reconstruction, or diversion of the sewers and other works in the district which would be disturbed in connection with the works to be carried out in extending the Tube Railway to Hendon.

From such report it appeared that the Railway Company were prepared to comply with the provisions of the Special Act with regard to the sewers and other works, and he asked for authority to agree with the Company the various details of construction, etc., as the railway works proceeded.

Your Committee decided to approve of the Surveyor's suggestion, and to give him authority accordingly.

- 18.—OUTFALL WORKS:

- (A) Report from the Engineer that the extensions of the Sewage Works were now in full operation, and were working quite satisfactorily.

He made enquiry as to the date of the proposed visit of the members of the Council to inspect the works in question. Your Committee gave instructions for the matter to be placed on the Agenda of the Outdoor Committee for the meeting to be held on the 14th inst.

- (B) Report from the Engineer as to the capacity of the Sludge Pumping Machinery at the Outfall Works and suggesting the provision of a larger pump at an estimated cost of £140.

After due consideration of the Engineer's suggestion in the matter, your Committee

RECOMMEND—That the pump be procured as part of the loan expenditure.

- 19.—OPEN-AIR SWIMMING BATH: Report from the Surveyor that the work of constructing the Swimming Bath at The Hyde was making good progress. He anticipated that it would be possible to open the bath about the middle of the present month.

He submitted a draft advertisement inviting applications for the position of woman attendant in connection with the Bath, which your Committee approved, with a salary at the rate of £9 10s. 0d. per week during the bathing season. Instructions were given for the insertion of the advertisement in the next issue of the local newspaper.

Your Committee agreed that the applications received in response to such advertisement be dealt with by the General Purposes Committee in view of the possible early opening of the Bath.

The Chairman of the Council intimated that he had been in touch with the Hendon Swimming Club and the members of that Club had agreed to give a display on the opening day.

Your Committee decided that the Bath should be opened on Saturday, the 22nd inst., and the Chairman of the Council undertook to make arrangements with the Hendon Swimming Club in connection with the proposed display.

- 20.—TELEGRAPHIC LINE: The Surveyor submitted an application from H.M. Postmaster-General for permission to erect an overground telegraphic line along Park Road and Nicholls Place, together with a report in regard thereto.

After due consideration of the matter, your Committee

RECOMMEND—That the Postmaster-General be asked to place the proposed telegraphic line underground.

- 21.—ALLOTMENTS CONSULTATIVE COMMITTEE: The undermentioned representatives of the various Allotment Associations in the district attended the meeting of your Committee when the following matters relating to allotments were discussed:—

- Mr. C. F. Windust, representing Archfields Allotment Association.  
 Mr. B. Vann, representing Neeld, and Renters Avenue Allotment Associations.  
 Mr. A. Peck, representing Cool Oak Lane Allotment Association.  
 Mr. E. Warland, representing Booth Road Allotment Association.  
 Mr. A. Bacon, representing Mill Hill.

COOL OAK LANE:

- (A) Letter from Mr. A. Peck, on behalf of the Cool Oak Lane Allotment Association, making application to the Council to provide additional land for allotments in the neighbourhood of Cool Oak Lane.

Your Committee

RECOMMEND—That the Surveyor bring up a report as to the practicability of adding an enlarged area to the existing Allotments at Cool Oak Lane and the site best adapted for the purpose.

- (B) They gave consideration to a request submitted by the Cool Oak Lane Allotment Association that the holder of plot No. 116 on the said allotments should be served with notice to quit his plot owing to the non-cultivation thereof.

Your Committee gave authority for the necessary notice to quit to be served forthwith.

- (C) LANDS CULTIVATION ORDERS: Letter from Mr. A. Turner relative to the land forming part of Mrs. Evans' Estate at Child's Hill, held by the Council under the Lands Cultivation Orders, intimating on behalf of his Client, that they were not prepared to entertain the question of leasing the land for a period as such land was considered to be ripe for building development. He intimated, however, that in the event of the land not being disposed of by the 25th March, 1923, his Clients would be prepared to consider the question of allowing the allottees to make use of the land for a further period on short notice.

Your Committee have duly noted this offer.

- (D) Letter from Mr. J. C. S. Soutar, in reference to the allotments situate on the Garden Suburb held by the Council under the terms of the Orders above referred to.

Mr. Soutar intimated that the matter had received the consideration of the Hampstead Garden Suburb Trust and as the whole of the land was ripe for building the Trust were unable to entertain the suggestion of the Council to lease the same for a period.

Your Committee have duly noted the same.

Mr. Soutar referred to the fact that the land in question had been held by the Council for a number of years and the Trust understood that some compensation would be payable to them in respect thereof; they proposed, therefore, to charge a nominal rental of 30/- per acre, per annum.

Your Committee are advised that under the terms of the Lands Cultivation Orders no rent is payable, and they

RECOMMEND—That Mr. Soutar be informed accordingly.

- (E) Letter from Messrs. Ravenscroft, Woodward & Co., in regard to certain allotments at The Broadway, West Hendon, held under the Lands Cultivation Orders.

Messrs. Ravenscroft Woodward intimated that they would be prepared to enter into a lease for the continuance of the land as allotments, and they asked that a draft lease might be sent to them for approval.

Your Committee

RECOMMEND—That negotiations be entered into with Messrs. Ravenscroft, Woodward and Co. for the land in question, the rental to be paid therefor not to exceed the sum of £4 per acre, per annum.

- (F) LAND—WESSEX GARDENS: Letter from Mr. J. Anderson (Hendon Education Committee), as to certain negotiations which the Committee had had with Messrs. Cluttons in regard to a portion of surplus land near the Wessex Gardens Schools

The Education Committee had arrived at the conclusion that the land in question was unsuitable for school purposes, and they made inquiry whether the Council would be prepared to take over the tenancy of the same for allotment purposes, to which it was anticipated there would be no objection on the part of Messrs. Cluttons, subject to certain conditions.

After due consideration of the matter, your Committee

RECOMMEND—That the Education Committee be informed that the Council are unable to entertain the suggestion.

- (g) **DAWS LANE ALLOTMENTS:** Letter from Mr. A. Bacon, on behalf of the Hale and District Allotment Association, in regard to the unsatisfactory condition of certain plots forming part of the Daws Lane Allotments, and as to letting the same to new tenants.

Your Committee requested Mr. Bacon to arrange for the re-letting of the plots.

- (h) **WELLGARTH ROAD AND HAMPSTEAD WAY—JUNCTION OF:** Letter from Mr. W. Quennell in regard to the alleged entry upon an allotment at the junction of Wellgarth Road and Hampstead Way in connection with certain building developments prior to the holder of the plot being served with the required notice to quit.

From this communication it appeared that the plot referred to had been taken direct from the Hampstead Garden Suburb Trust by the purchaser of the house in course of erection, and Mr. Quennell had no interest whatever in the plot.

In the circumstances your Committee

**RECOMMEND—**That a communication be addressed to Mr. Soutar upon the matter.

- (i) **SEVINGTON ROAD ALLOTMENTS, ETC.:** Report from the Clerk that notices to quit had been served upon the holders of plots held under the Lands Cultivation Orders in Sevington Road, owing to the same being required for building development, the plans having been approved by the Council on the 26th ulto. **NOTED.**

He also reported that in accordance with the instructions given by the Council on the 26th ulto., the allottees in Queen's Road had been served with notices to vacate their plots on the 25th December next in consequence of the notice received from Mr. Streater terminating the agreement under which the land was held for the purpose of allotments. **NOTED.**

- (j) **NOTICES TO QUIT GENERALLY:** With regard to the plots held under the Lands Cultivation Orders required for building development, consideration was given to a suggestion that the allottees should be given notice to quit when the plans showing such development were reported to be in order, instead of waiting for the approval of the plans.

Your Committee do not at present recommend any variation of the present procedure.

- (k) **PROPOSED ALLOTMENTS, BRENT HILL ESTATE:** The Chairman of the Committee acquainted the members of the Allotments Consultative Committee with the proposal of the Council in regard to the utilization, at an early date, of certain land (about 12 acres in extent) on the Brent Hill Estate for the provision of Allotments.

Consideration was given to the question of fixing the size of the plots on the proposed allotments, and your Committee

**RECOMMEND—**That the same be staked out in 10-pole plots.

- (l) **MEMBERSHIP OF ALLOTMENTS CONSULTATIVE COMMITTEE:** Letter from Mr. B. Gilbertson intimating that owing to illness his father was unable to accept office on the Allotments Consultative Committee.

Your Committee are informed that Mr. Gilbertson, Senior, represented the Hampstead Garden Suburb Allotment Association on the Allotments Consultative Committee, and they

**RECOMMEND—**That the Association be asked to nominate a further member.

- (m) **ALLOTMENTS—LAWRENCE STREET:** Letter from Mr. W. M. Brooks as to his desire to rent a plot of land about one acre in extent for the purposes of a Poultry Farm. Your Committee cannot recommend the Council to entertain the proposal.

- (n) **ALLOTMENTS—ELMCROFT AND RAVENSCROFT AVENUES:** Letter from Messrs. Haymills, Ltd., relative to the deposit of certain plans for the erection of houses in Elmcroft Avenue and Ravenscroft Avenue, and requesting the service of notices upon the allottees affected to quit the plots held by them.

Your Committee gave authority for the notices to be served, subject to the plans being approved by the Town Planning Committee on Monday next.

- (o) **BOOTH ROAD:** Reference was made to certain minor matters connected with the Booth Road Allotments, and as to a portion of the land which had not yet been pegged out.

Your Committee

**RECOMMEND—**That the Surveyor arrange to have this work executed.

- (p) **COOL OAK LANE ALLOTMENTS:** The representative of the Cool Oak Lane Allotments made inquiry whether the Council would provide the allottees with manure, and it was agreed that arrangements be made accordingly subject to the allottees agreeing to cart the same from the Outfall Works.

- (q) **DAWS LANE AND ARCHFIELDS ALLOTMENTS:** The representatives of these allotments referred to a number of missing posts on the allotments in question which caused confusion, and made enquiry whether the Council would be prepared to replace the same.

It was agreed that the representatives should communicate their requirements to the Surveyor.

22.—**REQUISITIONS:** The Surveyor submitted a requisition of goods required by him, and the same were duly approved.

## Report of Public Health Committee, No. 1.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 3rd day of July, 1922. Present: Councillors F. W. Hearn (Chairman), Miss Growse, Mrs. Bannister, Holt, Taylor, and Weeks.

Your Committee beg to report as follows:—

- 1.—**VITAL STATISTICS**: Report from the Medical Officer of Health that for the past four weeks the death rate was 11.4 per thousand.

Your Committee desire to point out that the death rate of Hendon residents only for the same period was 5.75 per thousand.

The birth rate for the period was 16.92 per thousand.

- 2.—**ISOLATION HOSPITAL (NEW)**: That they gave consideration to a detailed report from the Medical Officer as to an interview which had taken place between the Officials at the Ministry of Health, the Chairman of the Public Health Committee (Colonel Hearn) and the Council's Medical Officer, in regard to the proposals of the Council in connection with the provision of a new Isolation Hospital for the District.

Your Committee gather from the opinion expressed by the Officials of the Ministry that any scheme submitted should be on the most economical lines possible.

Your Committee received a statement from the Medical Officer of Health as to the accommodation which he considered should be provided and they have given instructions for such draft statement to be circulated amongst the members of the Council for their observations. Your Committee propose to hold a further meeting on the 17th instant to give further consideration to the matter.

- 3.—**INFORMATION re DISTRICT**: Report from the Medical Officer as to the receipt of a communication from the Medical Officer of Health for the London County Council as to certain information required by the County Council relative to the Urban District of Hendon.

After careful consideration of the communication, your Committee

**RECOMMEND**—That this information be furnished to the London County Council.

- 4.—**TREATMENT OF INFECTIOUS DISEASE**:

- (a) That they had under consideration a communication from Mr. Exton as to the expenses incurred by him in connection with the treatment of a case of infectious disease at his house. He enquired whether the Council could see their way to bear the cost of the medical treatment.

After careful consideration of a report from the Medical Officer of Health in regard to this particular case, your Committee are unable to recommend the Council to accede to the request contained in Mr. Exton's communication.

- (b) Letter from the Hendon Rural District Council in reference to the maintenance of patients at their Isolation Hospital, intimating that they were unable to make any reduction in their present charges to local Authorities:—

Diphtheria	...	£4 4s. 0d. per patient per week.
Scarlet Fever	...	£3 13s. 6d. per patient per week.

Your Committee have duly noted this communication.

- 5.—**DRAINAGE WORK**: Your Committee have received a report from the Sanitary Inspector as to the drainage and inspection work carried out since the last meeting of the Committee and have duly noted the same.

Your Committee have also received a report as to an examination of the drainage at the following premises, and after due consideration thereof, your Committee gave authority for the Inspector to open up and examine the drains under Section 41 of the Public Health Act, 1875:—

Telford Road—19, 21, 23 and 25.  
"St. Helier's," Station Road.

- 6.—**STATUTORY NOTICES**: Report from the Sanitary Inspector as to the following cases where preliminary notices had been served but had not been complied with. He asked for authority to serve statutory notices in such cases.

7, North Street.  
60, Finchley Lane.  
10, Hayes Crescent.  
4, Hamilton Road.  
35, Oak Grove.  
31, Elm Grove.  
36, North End Road.

Your Committee gave authority for the issue of Statutory Notices accordingly

- 7.—**RENT RESTRICTION ACT CERTIFICATES**: That they received applications for the issue of certificates under Section 2 of the Increase of Rent and Mortgage Interest (Restriction) Act in respect of the following premises:—

"Claremont," Highfield Road.  
9, Woodville Gardens.  
3, Woodville Gardens.

Your Committee have received a report from the Sanitary Inspector in regard to the premises in question, and being invested with power to act, they authorised the issue of such certificates.

- 8.—**TENNYSON ROAD, MILL HILL:** Report from the Sanitary Inspector as to an application from Mr. A. Brown, Trustee in respect of premises No. 1, Tennyson Road, Mill Hill, applying under the Provisions of Section 22 of the Housing and Town Planning Act, 1919, for a loan from the Council to enable the owner to execute repairs urgently needed to the premises.

Your Committee have also received a report as to the condition of this house.

After careful consideration of the matter, your Committee are unable to recommend the Council to accede to the request.

- 9.—**BURROUGHS HOUSE:** Your Committee had under consideration the question of remuneration to Mrs. Bishop in respect of the cleaning work in connection with the Child Welfare Centre and School Clinic now established at Burroughs House.

Mrs. Bishop was appointed Caretaker in December, 1919, in respect of Burroughs House and a sum of 10/- per week was paid to her for this work.

Your Committee consider that in view of the extra duties involved that an additional sum of 2/6 per week should be paid in respect of the cleaning of the Maternity and Child Welfare Centre.

They recommend accordingly.

- 10.—**CONFERENCE:** Letter from the Sanitary Inspectors' Association as to the Annual Conference of the Association to be held at Buxton in September next. Your Committee have received a report as to the items to be discussed at the Conference and consider it would be of advantage for the Council to be represented thereat. They

**RECOMMEND**—That, subject to the expenses being sanctioned by the Ministry of Health, Mr. S. J. Chapman, the Senior Sanitary Inspector of the Council, be requested to attend such Conference.

11. **HEALTH WEEK:** Letter from Mr. E. White Wallis as to proposals for the organisation of Health Week in October next and making enquiry whether the Council would assist with a view to a Committee being formed to promote Health Week in the Hendon District.

Your Committee are unable to recommend the Council to take any action in the matter.

- 12.—**ALEXANDRA ROAD:** Letter from Mr. F. G. Burgh complaining of a nuisance from a watercourse at the end of Alexandra Road.

Your Committee are informed that this complaint has been referred to the Medical Officer of Health and is being investigated by him.

**THEY RECOMMEND**—That Mr. Burgh be informed accordingly.

- 13.—**REQUISITIONS:** The Medical Officer submitted requisitions of goods required in his Department and the same were duly approved.

## Report of Public Health Committee, No. 2.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 17th day of July, 1922. Present: Councillors F. W. Hearn (Chairman), Miss Growse, Mrs. Bannister, Mrs. Hargraves, Fenn, Ford, Holt, and Weeks, together with the Chairman of the Council.

Your Committee beg to report as follows:—

- 1.—**ISOLATION HOSPITAL (NEW):** That they gave careful consideration to the statement prepared by the Medical Officer of Health for submission to the Ministry of Health with the sketch plan showing a suggested lay-out in connection with the Council's proposal for the erection of a new Isolation Hospital.

Your Committee made certain variations in the draft statement, and they now

**RECOMMEND**—That such statement, as amended, be approved and transmitted to the Ministry of Health.

- 2.—**MILK CASE:** Your Committee received a report from the Medical Officer as to the special action taken by him in connection with an application for milk supply and approved same.

## Report of Town Planning Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 10th day of July, 1922. Present: Mr. Councillor Egan (in the Chair), and Councillors Donald, Fenn, Glanville, Hill, Soar, Taylor, Weeks and Winny.

Your Committee beg to report as follows:—

2.—TOWN PLANNING: Letter from Mr. H. R. Aldridge, National Housing and Town Planning Council, relative to the payment of subscriptions for the procurement by local authorities of the reports and papers of the Council.

It appeared therefrom that the present method of payment of subscriptions at irregular periods had been found to be very inconvenient, and it was suggested that annual subscriptions should be paid at a fixed date.

A scale of subscriptions was forwarded, based on the population of the district, and it was suggested that the same should in future be paid on the 1st April in each year, the subscription for this District being £5 5s. 0d.

In view of the proposed increase in the subscription, your Committee cannot recommend the Council to subscribe to the funds of the Town Planning Council.

3.—HOARDING: Letter from Messrs. Bramall & White, in reference to the application of Messrs. Walter Hill and Co., for permission to erect a hoarding on a site at Temple Fortune, Golders Green.

The Council will remember that they have given the application consideration on a previous occasion, and as a result thereof Messrs. Hill & Co. were informed that the Council could not see their way to approve of the same.

Messrs. Bramall & White, on behalf of their client, the Public Trustee, administrator of the estate of the late Mr. Monk, intimated that they had agreed to let to Messrs. Hill & Co. the site on which it was proposed to erect the hoarding in question, and they contended that the Council could not prevent its erection.

Your Committee have given the matter further consideration, and they

RECOMMEND—That Messrs. Bramall & White be informed that the Council adhere to their previous decision in the matter.

4.—BUILDING BYE-LAWS: Letter from Messrs. Warden & Co., Ltd., in regard to the recent quotation submitted by them for the printing of a further supply of Bye-Laws relating to new streets and buildings (such quotation not being accepted).

Messrs. Warden intimated that they had in hand 500 copies of the bye-laws already printed off, and would be willing to supply the same at 7s. 6d. per page.

Your Committee cannot recommend the Council to accept this offer.

5.—GOLDERS GREEN ROAD: Report from the Clerk in regard to the proposed dedication by Dr. Page of a strip of land for the widening of Golders Green Road, in the neighbourhood of Princes Park Avenue.

The Council will remember that as a result of the Surveyor's negotiations with Dr. Page he agreed to dedicate the land in question, subject to the Council agreeing to contribute the sum of £10 towards the cost of erecting a fence, which the Council agreed to do, and an agreement embodying this arrangement was prepared and forwarded to Dr. Page for execution.

Dr. Page now asked the Council to contribute a further sum of £4 10s. 0d., stated to be the cost of removing the existing fence to the new position.

After due consideration of the matter, your Committee

RECOMMEND—That Dr. Page be informed that the Council regret they cannot re-open the matter.

6.—WIDENING—QUEEN'S ROAD AND PARK ROAD: The Surveyor submitted preliminary plans in connection with the proposed widening of Queen's Road and Park Road which it was intended should be considered by the Outdoor Committee at their meeting to be held on Friday next, the 14th inst.

7.—CONTRAVENTION OF BYE-LAWS:

(a) Letter from Mr. W. H. Statham in response to the notice served upon him relative to a contravention of the Bye-laws in connection with the erection of a temporary building at 77, Templars Avenue.

In view of the fact that plans had now been deposited with the Council, and had been approved this evening under application No. 5422, your Committee do not propose to take any further action in the matter.

(b) Mr. Loine, on behalf of Mr. Garstin, attended the meeting of your Committee in response to the notice served upon Mr. Garstin relative to a contravention of the bye-laws in connection with the erection of an addition at "The Laurels," Colindeep Lane.

Mr. Garstin had proceeded with the erection of the said addition without first depositing with the Council plans thereof, and further had failed to send to the Surveyor notice in writing of his intention to erect the addition aforesaid in accordance with the said bye-laws.

Plans had, however, been now submitted, but the same had been disapproved by your Committee under application No. 5425.

After hearing the statement made by Mr. Loine in connection with the matter, your Committee have adjourned the further consideration thereof in order that proper plans may be submitted, Mr. Loine undertaking to furnish such plans without delay.

8 - HOUSING (ADDITIONAL POWERS) ACTS, 1919 and 1921: Report from the Surveyor submitting the following final list of Certificates "B" under the above Acts.

Application No.	Person to whom issued.	Locality and Description of Premises.	Amount of Grant per house		
			£	s.	d.
4887	Mr. H. J. Dabbs	Sinclair Grove—2 houses	260	0	0
4979	Messrs. Edmondsons, Ltd.	Renters Hill—3 houses	260	0	0
4985	Messrs. Haymills, Ltd.	Golders Green Road—5 houses	260	0	0
5037	Messrs. Haymills, Ltd.	Woodlands Crescent—12 houses	260	0	0
5193	Messrs. Waterman Bros.	Cranbourne Gardens—4 houses	260	0	0

Your Committee authorised the issue of such Certificates.

The Surveyor intimated that there was one further Certificate to be dealt with to complete the list, but having regard to the fact that complications had arisen in connection with the erection of the building, for which the subsidy would be payable, and it was doubtful to whom the Certificate should be issued he had placed the matter before the Ministry of Health and was awaiting their decision in regard thereto.

In view of the fact that the period under which the Government subsidy for houses could be earned had now expired, the Surveyor stated that he proposed to submit at the next meeting of the Committee a report on the number of houses in the district completed under the scheme, the total amount of the subsidy granted, and a list of persons who have received the same.

**Report of Housing Committee. No 1.**

## 2.—BRENT HILL SCHEME:

(A) PROGRESS REPORT: That they received a report from the Architect as to the progress with the work on the Brent Hill Farm Site, during the past month, from which it appeared that in Park Road 26 houses had been completed and were in occupation.

St. David's Place, 14 houses, occupied and works completed.

Daniel Place, 16 houses occupied and works completed.

Nicholl Place, 8 houses occupied; the remaining 10 should be ready in about a week's time.

Sturgess Avenue (84 houses). In all these houses except four, roofs had now been tiled in.

Generally no difficulty was being found in obtaining all the materials required and good progress was being made with the work.

(B) TENANCY AGREEMENTS: That they received a report from the Accountant as to the replies he had received from tenants relative to the terms of the tenancy as to underletting, etc. In some cases it appeared that the terms of the agreement for tenancy had been infringed.

Your Committee

RECOMMEND—That in cases where the terms of the tenancy as to underletting had been infringed that the Accountant give notice to the Tenants that the Council required the regulations to be complied with.

Your Committee desire to point out that if the tenants of the houses fail to comply with the terms under which the houses are let, the Council have no alternative but to take steps to determine the tenancies in such cases.

(C) ARCHITECT'S FEES: That they received a communication from the Ministry of Health with copy of a letter addressed to the Ministry by the Architect (Mr. G. Hornblower) relative to the account for Architect's and Quantity Surveyor's Fees in connection with the winding up of the Contract of the Improved Concrete Company. It will be remembered that the Ministry suggested that the matter was one which should be considered in connection with the amount to be recovered from the Guarantee Society.

The Ministry now desired to be furnished with the observations of the Council in regard to the matter.

Your Committee desire to point out that until the accounts referred to are approved by the Ministry, that the Council are not in a position to say what the loss will be, which necessarily governs the amount to be recovered from the Guarantee Society.

They

RECOMMEND—That the Ministry be informed accordingly.

- (D) **STEEL CASEMENTS:** Report was made that in regard to the surplus steel casements, the Ministry had intimated (by telephone) that they would be in a position to take over the surplus casements in connection with this scheme. They suggested that the Council should obtain tenders for the surplus casements and such tenders should be referred to the Ministry before acceptance.

Your Committee are informed that there are between 400 and 600 surplus casements at the present time.

Your Committee have requested the Architect to obtain written confirmation from the Ministry in regard to the decision as to casements, and

**RECOMMEND—**That when such confirmation is obtained that the casements be advertised for sale in dozen lots.

- (E) **COMPLETION OF SCHEME:** Report from the Clerk that no decision had yet been received from the Ministry in regard to the application for consent to the erection of the 20 houses at Brent Hill Farm.

As this question affects the number of casements which would be available for sale they have requested the Clerk to again communicate with the Ministry upon this matter.

- (F) **FENCING:** That they received a report from the Surveyor as to the fencing required in connection with the Brent Hill Scheme.

Your Committee are informed that a total length of Fencing of 800 yards will be required.

After due consideration of such report, your Committee

**RECOMMEND—**That the Council issue advertisements for tenders for the supply of chestnut pale fencing and alternatively for iron post and wire fencing.

- (G) **CYCLE SHED:** In regard to the application of Mr. A. Wishart, of 8, St. David's Place, for consent to erect a cycle shed at the rear of the house occupied by him, your Committee

**RECOMMEND—**That subject to Mr. Wishart undertaking to remove when called upon by the Council, that consent be given on the understanding the building is to be erected to the satisfaction of the Surveyor.

- (H) **WIRELESS APPARATUS:** In regard to the application of Mr. G. L. Klee, of 118, Park Road, to instal a wireless receiving set with an aerial between his house and No. 120, Park Road, your Committee are unable to recommend the Council to accede to this application.

### 3.—CHILD'S HILL SCHEME:

- (A) **SLATES:** Report from the Clerk as to the position in regard to the proceedings initiated by Messrs. Williams & Co., and your Committee authorised the issue of a Pay Order in favour of Messrs. E. Bevir & Son, for £475 5s. 0d.

- (B) **CONTRACT:** Letter from Messrs. Parker, Garrett & Co., as to the release of (Mr. Rowat) one of the sureties in connection with the Contract for the erection of houses at Child's Hill.

Your Committee decided to defer the matter to a meeting to be held on Monday next for a further report thereon.

- (C) **SHRUBS:** Report from the Surveyor as to the fencing in of the shrubs at the end of Cloister Road which he estimated would cost approximately £16.

Your Committee

**RECOMMEND—**That a fence 4ft. 6in. high be placed round the shrubs in question.

- 4.—**SALE OF HOUSES:** That they received a memorandum from the Ministry of Health in reference to the arrangements for the sale of houses erected by a Local Authority, by instalments.

The Ministry submitted repayment tables in connection with the proposal.

Your Committee

**RECOMMEND—**That the Accountant submit a report upon this matter for consideration at the next meeting of the Committee.

- 5.—**RATES OF INTEREST ORDER:** Report from the Clerk as to the receipt of a copy of the Ministry of Health Rates of Interest (Amendment) Order intimating that as from the 17th June, 1922, 6 per cent. should be substituted for 6½ per cent. in the Principal Order of 1921.

Your Committee have duly noted this communication.

- 6.—**HOUSING RENTS:** Reference was made to the question of rents charged in connection with the Housing Scheme and the Accountant was requested to obtain information as to the rentals in connection with the Urban District of Hayes Housing Scheme.

## Report of Housing Committee, No. 2.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen.

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 17th July, 1922. Present: Mr. Councillor Ford (Chairman), Councillors Miss Growse, Mrs. Bannister, Mrs. Hargraves, Cartwright, Hearn, Holt, Roberts, Soar, Sturgess and Wise.

Your Committee beg to report as follows:—

### 1.—BRENT HILL HOUSING SCHEME:

- (a) **ADDITIONAL HOUSES:** That they received a communication from the Ministry of Health, in reference to the Council's renewed application for consent to proceed with the erection of the twenty houses on the Brent Hill Farm Estate.

The Ministry intimated that in view of the very small number of houses available for allocation to Local Authorities throughout the country the Minister was not prepared to allow any further houses to be erected on the Estate under the Assisted Housing Scheme.

In regard to the surplus steel casements, the Ministry intimated that a further communication would be addressed to the Council on the subject.

With reference to the question of Architect's fees and Quantity Surveyor's fees, this matter was also under consideration, and the Ministry would communicate with the Council further thereon.

Your Committee have given very careful consideration to the communication from the Ministry, but are still of opinion that to leave the scheme in its present state will result in the same having a very unfinished appearance and the land will be left waste although expense has already been incurred in connection with roads and sewers.

Your Committee consider that the matter should again be brought to the notice of the Ministry and they have instructed the Clerk to arrange for a deputation to consist of the Chairman of the Council (Mr. Councillor Soar) and the Chairman of the Housing Committee (Mr. Councillor Ford) with the Officers to attend with a view of discussing the matter with the Director of Housing at the Ministry of Health.

- (b) **CASEMENTS:** In regard to the surplus casements and also cisterns, the Architect reported that he had been in communication with the Ministry upon this subject, and it was possible that the Ministry might be able to utilise the surplus casements, etc., on other schemes but no decision had yet been arrived at upon the matter.

Your Committee await a further communication upon this subject.

### 2.—CHILD'S HILL SCHEME: Your Committee have received a report from the Architect in reference to the present position of the Child's Hill Scheme. It will be remembered that the Committee adjourned the consideration of the application of Messrs. Parker, Garrett & Co. for the release of one of the sureties in connection with the Contract with Mr. Ramsbotham.

In view of the fact that various matters in connection with this Contract have yet to be settled, your Committee are unable to recommend the Release of any Guarantors under the Contract at the present time.

They

**RECOMMEND**—That Messrs. Parker, Garrett & Co. be informed accordingly.

## Report of Staff Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon on Monday, the 10th day of July, 1922. Present: Mr. Councillor Soar (Chairman), Councillors Cartwright, Hearn, Roberts, Ford, Sturgess, Taylor, Hill and Egan.

Your Committee beg to report as follows:—

- 1.—**ACCOUNTANT'S ASSISTANT:** Letter from Mr. E. C. Channin (Rate Collector and Assistant Overseer) making application for an increase of his salary. Your Committee cannot recommend the Council to grant any increase in Mr. Channin's remuneration.

- 2.—**SUPERANNUATION:** That they gave further consideration to the report of the Accountant with details as to the establishment of a scheme of superannuation for the Council's staff and employees under the provisions of the Middlesex County Council (General Powers) Act, 1921. Your Committee

**RECOMMEND** the Council to defer further consideration of the proposal for a period of twelve months.

## Report of Fire Brigade Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 10th day of July, 1922. Present: Mr. Councillor Sturgess (Chairman), and Councillors Miss Growse, Ford, Fenn, Hearn, Hill, Holt, Taylor and Winny.

Your Committee beg to report as follows:—

1.—**PETROL LICENCES:** That they received a report in regard to the following applications for licences to store petrol, and also renewals of licences:—

Angus Sanderson, Ltd.	...	...	...	London Aerodrome.
G. Carter	...	...	...	Parson Street, Hendon.
Grahame-White Company	...	...	...	London Aerodrome.
J. Macdonald	...	...	...	Temple Fortune Garage.
C. Segeren	...	...	...	Golders Green Road.
Ewen & Son	...	...	...	Finchley Road, Child's Hill.
Henderson & Co.	...	...	...	Brent Street.
H. P. Small	...	...	...	Highfield Garage.
Harvey & Co.	...	...	...	Temple Fortune Lane.
P. Parsons	...	...	...	Broadway, Hendon.

Your Committee are informed that in each case the premises have been inspected and the stores are satisfactory.

They

**RECOMMEND**—That the Common Seal of the Council be affixed to licences in each of the above-mentioned cases.

The Chief Officer reported in regard to an application by Messrs. Ewen & Son to store an additional 1,000 gallons of Petrol at their premises.

After due consideration of the application, your Committee came to the conclusion that the position of the proposed store was not satisfactory, and they

**RECOMMEND**—That the application be disapproved and referred back for further consideration by the applicants.

2.—**WILBERFORCE ROAD STATION:** Letter from Mr. J. A. Collacott on behalf of the Jason Athletic Club, making enquiry whether the Council would permit the premises formerly used as a fire station to be used as a gymnastic club room.

Having regard to the fact that it is proposed to remove this building to Burnt Oak, on the site to be rented from the Hendon Guardians, your Committee regret they are unable to accede to this request.

3.—**CENTRAL STATION:** Letter from the National Boiler Insurance Co. as to a report on examination of the heating boilers at the Central Fire Station.

Your Committee have referred such report to the Surveyor for consideration.

4.—**UNIFORM CLOTHING:** That they gave consideration to estimates received for the supply of firemen's clothing as follows:

Name of Firm.	Chief Officer.	2nd Officer.	Firemen.	Total.
	2 Caps. 2 pairs Trousers. 2 Vests. 1 Jacket. 1 Overcoat.	1 Cap. 2 pairs Trousers. 1 Jacket. 1 Vest. 1 Overall.	10 Caps. 2 Peak Caps. 9 Vests. 9 Jackets. 17 pairs Trousers. 9 Overalls 2 Tunics. 4 Overcoats.

Atkinson & Co., Addington Street, S.E.	10 11 6	4 13 3	40 12 9	55 17 6

After careful consideration thereof, your Committee

RECOMMEND the acceptance of the tender of Messrs. Atkinson & Co., of Addington Street, S.E., at a total cost of £55 17s. 6d.

In regard to quotations submitted for firemen's boots, your Committee

RECOMMEND—That the tender of Messrs. Adams & Co., of Northampton, be accepted, at 37s. 6d. per pair.

- 5.—MOTOR FIRE ENGINE, No. 2: Report from the Surveyor that the new Leyland Motor Fire Engine had been delivered and tested by him and had been found to be satisfactory and had accordingly been taken over on behalf of the Council.

The Council will recollect that a claim will be made upon the Air Ministry in respect of the additional cost incurred by the Council in consequence of the previous machine being commandeered for Admiralty purposes.

The amount of such claim will be duly reported to the Finance Committee.

Report from the Chief Officer as to the desirability of obtaining a canvas cover to protect the new suction on Motor Fire Engine, No. 2, at an estimated cost of £2 5s. 0d.

Your Committee instructed the Chief Officer to refer this matter to the Engineer, and subject to the approval of the Engineer, they agree that a canvas cover be obtained.

- 6.—BRIGADE RATES OF PAY, ETC.: That they gave further consideration to the question of rates of pay and conditions in the Fire Brigade.

Your Committee are unable at the present time to come to a decision on this matter and have adjourned the consideration thereof to their next meeting.

- 7.—WATER PRESSURES: The Chief Officer submitted a report as to the Water Pressures since the last meeting of the Committee, but such report calls for no special remark.

- 8.—BRIGADE STAFF:

- (A) CENTRAL STATION: Report from the Chief Officer that Fireman H. G. Mills, who had been appointed to the permanent staff on probation, had, during his probationary period, given satisfaction. He recommended that the appointment be confirmed.

Your Committee therefore

RECOMMEND—That the appointment of Fireman H. G. Mills to the permanent Staff be confirmed in accordance with the Chief Officer's report.

- (B) CHILD'S HILL DETACHMENT: In regard to a vacancy in the Child's Hill Detachment of the Brigade, your Committee decided to defer the question of making a new appointment to the Child's Hill Detachment for the present time.

- (C) MOTOR MECHANIC: Report from the Chief Officer that Motor Mechanic F. Norton was now entitled to an annual increment of 1/- per week as from the 30th June, this being in accordance with the scale.

Your Committee agreed that such increase should be paid.

- (D) COAL ALLOWANCE: In regard to the recommendation of your Committee at their meeting on the 8th May last relative to the coal allowance of 2s. per week to E. Hills, who had entered into occupation of the married quarters at the Central Station, vacated by Mrs. Dickens, on the 15th March last, it will be remembered that Fireman Hills was appointed to the married establishment of the Brigade at the meeting of the Council on the 7th November, 1921.

Your Committee

RECOMMEND—That the coal allowance be paid to Fireman Hills as from the date of his appointment to the married quarters, viz., 7th November, 1921.

- 9.—LONG SERVICE MEDALS: The Chief Officer reported as to the following members of the Brigade who had qualified for long service medals and bars:—

Fireman W. D. Hockey, Permanent Staff, 10 years' service.  
Superintendent F. Mills, 25 years' service.  
Fireman J. Carrol, 25 years' service.

Your Committee

RECOMMEND—That arrangements be made for the presentation of the Medals by the Chairman of the Committee on a convenient date to be arranged after the Council's vacation.

- 10.—FIRE APPLIANCES—DAMAGE TO: Report from the Chief Officer that in connection with the fire on the 28th June at 344, Cricklewood Lane, certain appliances had been damaged, viz.:—

One length of pump hose, value £1 5s. 0d.  
One length of chemic hose, value 18s. 6d.

A claim had been made upon the Insurance Company concerned for the repayment of the loss sustained.

Your Committee have duly noted this report and

RECOMMEND—That the damaged appliances be replaced.

- 11.—CHILD'S HILL SUB-STATION: Report from the Chief Officer that the door posts at the Child's Hill Fire Station required repair.

Your Committee have referred this matter to the Surveyor to decide what repairs were necessary.

- 13.—MOTOR DRIVING: Report from the Chief Officer as to an application from members of the permanent Staff to be allowed to take part in driving the Council's motor vehicles attached to the Station.
- Your Committee have given careful consideration to this matter and
- RECOMMEND—That such Firemen as may become proficient drivers may apply to be tested as drivers of the Fire Engine or other motor vehicles attached to the Station, and upon proving satisfactory their names could be noted for any vacancy arising.
- 14.—FIRES: Your Committee have received a report as to Fires attended by the Brigade since the last meeting, but such report calls for no special remarks.

## Report of General Purposes Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 17th day of July, 1922. Present: Mr. Councillor Hill (Chairman), and Councillors Mrs. Bannister, Miss Growse, Egan, Ford, Holt, Reynolds, Winny and Wise.

Your Committee beg to report as follows:—

- 1.—GAME LICENCES: That they received the following additional applications for Game Licences:

Cook, T. B., 225, Golders Green Road.  
Woodley, S. J., 4, Hale Lane.  
Collip, G., Brent Street.  
Waitrose, Ltd., 18, Golders Green Road.

Your Committee

RECOMMEND—That the Licences be granted in respect of the above-mentioned premises, and that the same be sealed in due course.

- 2.—CLAIM: Letter from Mr. A. E. Austin, in further reference to his claim for compensation in regard to an accident alleged to have been caused by the condition of the Edgware Road near the Lower Welsh Harp. Report from the Clerk that he had informed Mr. Austin in reply that the Council were not carrying out any work upon the Edgware Road. He had referred him to the Tramway Company and had denied liability on behalf of the Council.

Your Committee

RECOMMEND—That the Council adhere to their previous decision in this matter.

- 3.—GAS REGULATION ACT, 1920: That they received a report from the Gas Referees forwarding certificates in respect of the calorific value, purity and pressure of gas supplied by the Gas Light and Coke Company, from which it appeared that for the quarters ended 31st March and 30th June the Gas Light and Coke Company had fulfilled its statutory obligations in respect of the gas supplied throughout its district.

Your Committee have duly noted such report.

Letter from the Gas Referees intimating that the Gas Light and Coke Company had notified their intention to supply gas as from the 15th June, 1922, of a calorific value of 500 British Thermal Units (gross) per cubic foot, in lieu of the previously declared calorific value of 475 British Thermal Units (Gross).—Noted.

- 4.—SUNNY COTTAGE: Report from the Clerk that in accordance with the instructions of the Council he had served notice to quit upon Mr. E. Marks, the occupier of Sunny Cottage, Renters Lane.

Your Committee have received a communication from Mr. Marks, intimating that he had used every endeavour to secure other accommodation but so far had been unsuccessful, and in the circumstances he applied for further extension.

Your Committee

RECOMMEND in the exceptional circumstances that Mr. Marks be allowed an extension of one month on the distinct understanding that this extension must be considered final and the notice to quit must be complied with at the end of that period.

- 5.—BITTACY HILL: That they had under consideration an application from Mr. T. Whiting, of Dollis Farm, Holders Hill, the tenant of the land owned by the Council at Bittacy Hill, for consent to fill in a pond situate inside the entrance gate of the field.

Your Committee understand that Mr. Whiting had commenced to deposit waste soil in the pond in question until stopped by the Surveyor. They consider it very undesirable to fill in this pond and

RECOMMEND—That the Council do not accede to Mr. Whiting's application.

- 6.—APPEALS:

(a) Letter from the British and Foreign Sailors' Society, making enquiry whether the Council would consent to a Flag Day being held in Hendon District on behalf of the Funds of their Society in September next.

Your Committee

RECOMMEND—That the British and Foreign Sailors' Society be informed that the Council offer no objection to the proposal.

- (b) Letter from the Commissioner of Police as to an application by the Manor House Orthopaedic Hospital, North End Road, for consent to hold a street collection in Golders Green and the Garden Suburb on the 23rd September next in aid of the Funds of the Hospital.

Your Committee

RECOMMEND—That the Commissioner be informed that the Council have no objection to offer to the proposal.

- 7.—SUMMER TIME ACT: Letter from the Early Closing Association with reference to the proposals of Parliament relative to the permanent Summer Time Act. The Association made enquiry whether the Council were in favour of the continuance of the present period of Summer Time or whether they approved of the Government proposals to reduce the period by conceding three weeks at each end of the period in force at the present time.

Your Committee

RECOMMEND—That the Early Closing Association be informed that the Council approve of the retention of the period now in force and consider no variation of that period desirable.

- 8.—SWIMMING BATH COMPETITION: Letter from Mr. T. M. Wilson intimating that he accepted the Council's offer to pay the sum of £50 for his work in connection with the Swimming Bath Competition. He agreed that this sum together with the first premium paid on the Award should be merged into the fees to be paid subsequently if and when the building was proceeded with.

Your Committee have duly noted the contents of this communication and they

RECOMMEND—That a cheque for £50 be drawn in favour of Mr. T. M. Wilson in accordance with the terms of his letter, subject to the sanction of the Ministry of Health to the payment.

9.—TRAVELLING FACILITIES:

- (A) Letter from the Urban District Council of Finchley, in reference to the Motor Omnibus Service operating between Golders Green Station and Finsbury Park, and stating that representation had been made to the Middlesex County Council protesting against the route on the ground that the same was unsuitable for Motor Bus Traffic and too congested for existing traffic already.

The Finchley Council desired to be informed of the views of the Hendon Council in regard to this matter.

It will be remembered that the Council, some time since, lodged a protest against the use of this route and they

RECOMMEND—That the Finchley Council be informed accordingly.

- (B) Letter from the London General Omnibus Company intimating that it was proposed as from the 12th instant to withdraw Service 140, South Harrow and Watford Omnibuses, and on the same date to extend Service 104 Golders Green and Mill Hill, to South Harrow, traversing roads in this district as follows, viz. Deans Lane and Deansbrook Lane.

Your Committee have considered a report from the Surveyor upon the matter and hold the view that the attention of the Company should be called to the matters mentioned in such report which render the route unsuitable for Motor Bus Traffic, and they recommend accordingly.

- 10.—TRAMCAR STOPPING PLACES: Letter from the Child's Hill and Golders Green Ratepayers' Association as to a communication proposed to be sent to the Middlesex County Council, the Home Office and the Member for the Division, to the following effect:—

"That in the interest of the safety of the public that a Byelaw be made prohibiting drivers of all vehicles intending to pass on the near side of a tramcar standing at a stopping place from doing so until the tramcar is again in motion."

Your Committee understand that the Commissioner of Police holds the view that the existing law is strong enough to deal with the matter, and if a person driving a vehicle passes a tramcar on the near side in a manner or at a speed dangerous to the public he commits an offence and renders himself liable to a heavy penalty, and that the police have received instructions accordingly.

In the circumstances your Committee have no recommendation to make upon the matter.

- 11.—RATES OF PAY: Letter from the Public Works Conciliation Board with information as to rates of pay for workmen for the Metropolitan Police Area for the three months, July to September, 1922.

Your Committee are informed that the same has been referred to the Surveyor and that such rates are in operation.

- 12.—MOTOR CAR AMENDMENT ORDER: Letter from the Ministry of Transport transmitting copy of Statutory Rules No. 556, known as the Heavy Motor Car (Amendment) Order, 1922, dated the 29th May, varying the terms of the Order of 1904, and increasing the maximum axle-weight of any trailer drawn by a heavy motor car from 4 tons to 6½ tons.

Your Committee have duly noted the contents of this communication.

- 13.—HOARDING—MILL HILL STATION: That they received reports from the Clerk and Surveyor in reference to the hoarding erected by the Midland Railway Company at the Midland Railway Station, Mill Hill, the hoarding in question being 11 ft. 6 ins. in height and 20 ft. in length.

Your Committee regret that they are unable to recommend the Council to take any action in regard thereto.

- 14.—**TELEPHONE EXCHANGE**: Letter from the Controller of the London Telephone Service in reference to the proposal to establish a telephone exchange to serve the Golders Green District, and the question of the name by which the Exchange should be known had arisen. The Department desired to be furnished with the observations of the Council upon this matter and suggested an interview to discuss the proposals.

Your Committee

**RECOMMEND**—That the Surveyor interview the Controller's representative upon the matter.

- 15.—**HENDON SEWAGE WORKS**: Letter from the Middlesex County Council in reference to a report received from the County Analyst relative to a sample of the effluent taken from the Hendon Sewage Works, which was not considered to be satisfactory.

Your Committee have received a report from the Engineer in reference to the communication from the County Council and

**RECOMMEND**—That a reply be furnished to the County Council based upon the terms of the Engineer's Report.

Your Committee recommend further that the County Council be asked to assent to the submission of a sample of the effluent from the Council's Outfall Works to an independent analyst.

- 16.—**ACCIDENT**: Letter from Mr. C. Hughes as to an accident in Golders Green Road, alleged to have been caused by the defective condition of the pavement.

After considering a report from the Surveyor upon the matter your Committee

**RECOMMEND** the Council to deny any liability.

- 17.—**SUGGESTED LEASE**: Letter from the Middlesex Gun Club making application to lease a portion of the Council's land for the extension of their premises. In view of the probability of the Council utilising all surplus land available for allotments, your Committee do not recommend the Council to consider this application.

- 18.—**SURVEYOR'S DEPARTMENT**: That they gave consideration to applications for the position of junior in the Surveyor's Drawing Office, and have selected the following applicants to attend for interview:—

Colburn, L. T., 11, The Promenade, Mill Hill.  
Concannon, T., 3, Asmunds Hill, Golders Green.  
Styles, T., 100, Cloister Road, Child's Hill.  
Young, W. K., 68, Sunningfields Road, Hendon.  
Turner, L., 77, Willifield Way, N.W. 11.

Your Committee appointed a Sub-Committee consisting of Councillors Egan, Hill and Reynolds to interview the candidates on Monday next at 5.30 p.m.

- 19.—**OPEN-AIR SWIMMING BATH**:

(a) **FEMALE ATTENDANT**: In regard to the applications for post of female attendant your Committee are informed that only two applications were received, neither of which appeared to be suitable. Your Committee authorised the Engineer to insert further advertisements in London Papers and submit a report as to the applications received.

(b) **BYE-LAWS**: That they gave consideration to the question of framing Bye-laws in connection with the Open-Air Swimming Bath, and the letters from the Urban Districts of Willesden and Chiswick, as to the regulations in operation in their respective districts, were submitted.

Your Committee came to the conclusion that at the present time Bye-laws were unnecessary, but

**RECOMMEND**—That Regulations on the lines of those in force in neighbouring districts be prepared and exhibited in the building.

## Report of Highways Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 17th day of July, 1922. Present: Mr. Councillor Egan (Chairman), and Councillors Miss Growse, Mrs. Bannister, Ford, Hill, Holt, Reynolds, Winny and Wise.

Your Committee beg to report as follows:—

- 1.—**EDGWARE (MAIN) ROAD**: Letter from the Middlesex County Council transmitting resolution adopted at their meeting on the 29th ultimo upon the subject of the reconstruction of a further portion of the Edgware (Main) Road as follows:—

"It was Resolved—That an intimation be given to the Hendon Urban District Council that the County Council will be prepared to allow the District Council to charge in their Main Roads Maintenance Accounts instalments of principal and interest on such a sum raised by loan not exceeding £14,667, as shall represent a moiety of the cost of reconstructing the haunches on the undermentioned sections of the Edgware (Main) Road, Hendon (exclusive of the cost of reconstructing the tramway margins) concurrently with the relaying of the tramway tracks, in reinforced concrete and wood blocks, and on such a sum raised by loan, not exceeding £1,194 as shall represent a moiety of the cost, after deducting the contribution of the Ministry of Transport, of paving the footpaths with concrete slabs:—

- (i) Between the Upper Welsh Harp and Ramsey Road; and
- (ii) Between Colin Deep Lane and the boundary of the district at Redhill, subject:—
  - (a) To the Ministry of Transport contributing a moiety of the cost of the work;
  - (b) To the work being carried out to the satisfaction of the County Engineer and Surveyor and in accordance with plans and specification approved by him;
  - (c) To the capital or other expenditure of the District Council being audited by the County Engineer and Surveyor;
  - (d) To the rate of interest on the loan to be raised by the District Council to meet the cost of the work being first approved by the County Council;
  - (e) To credit being given to the County Council for the value of such old materials as are not utilised in connection with the work; and
  - (f) To the remainder of the cost of the work done being borne or otherwise provided for by the District Council."

Your Committee received a report from the Surveyor in regard to the matter, from which it appeared that the resolution might be approved subject to its being made clear that the grants from the Ministry of Transport would be credited to the Council.

Your Committee

RECOMMEND—That the Surveyor make enquiry of the Ministry of Transport in regard to the matter.

- 2.—REPORT ON MAIN, LIGHT RAILWAY, &c., ROADS: Letter from the Middlesex County Council transmitting extract from the report of the County Engineer upon main and light railways, &c., roads, in the County of Middlesex. The following is a copy of the extract relating to the Regent's Park and Finchley Roads:—

REGENT'S PARK AND FINCHLEY ROADS.

2 m. 0 f. 110 yds.

"There are several weak spots in the wood paving of this road, such as at tramway poles Nos. 119, 162, 168, etc., which are in need of attention.

"Track repairs are necessary at Temple Fortune and elsewhere through this length."

Your Committee are informed by the Surveyor that the sections of the roads referred to in the Report are included in the tender of Mr. Farrow for wood paving works, Finchley Road and Cricklewood Lane, recommended for acceptance by the Works Committee.

- 3.—AERIAL PAGEANT: Letter from the Chairman of the Royal Air Force, Aerial Pageant Committee, expressing his thanks to the Council for their assistance on the occasion of the Aerial Pageant in connection with the Edgware Road and also for the use of the Council Field at Sunny Hill.

Your Committee have duly noted the same.

- 4.—PETROL PUMP: Letter from the H.W.D. Motor Co., applying for consent to the erection of a kerb-side petrol pump outside their premises in Brent Street.

In view of the policy adopted by the Council in connection with these installations, your Committee cannot see their way to recommend the Council to approve of this application.

- 5.—ROAD IMPROVEMENTS: Letter from the Ministry of Transport transmitting circular No. 158, in reference to road improvement works proposed by local authorities for the relief of unemployment with assistance from State Funds.

The Ministry intimated that they were prepared to give consideration to applications for further assistance from the funds towards the cost of road schemes which were desirable in themselves from the point of view of road traffic and would find useful work for the unemployed during the Autumn and Winter of 1922-1923.

The assistance from the Road Fund would not in any case exceed 50 per cent. of the estimated cost of schemes approved by the Ministry.

The grants would be made by the Ministry, subject to the following conditions:—

- (a) That the Minister of Labour certifies that unemployment not otherwise provided for, exists in the area where the work is situate.
- (b) That the work is suitable for unemployed labour.
- (c) That the work is commenced within one month from the date of the grant, and completed within twelve months thereafter.
- (d) That unskilled labour is employed to the fullest extent practicable and obtained by requisition from the Labour Exchange.
- (e) That the changes in the personnel of labour employed are not so frequent as to impair efficiency or economical results.

Your Committee understand that the Works Committee already had under consideration certain schemes of improvement in connection with which a claim is proposed to be made to the Ministry of Transport.

In connection with the communication from the Ministry of Transport, the Surveyor stated that the Ministry had intimated that the funds at their disposal would enable only a limited degree of assistance to be given towards expenditure coming within the following categories, which the Surveyor pointed out would be in addition to the ordinary grants already arranged towards the cost of maintenance of Roads classified as Classes 1 and 2:—

1. The widening of Roads, Improvement of corners and gradients.
2. The acquisition of vacant land required or likely to be required for widening important Roads or for the construction of a new Arterial Road.
3. Reconstruction, strengthening or surface tarring of important Roads not classified.
4. Construction or reconstruction of bridges.
5. Acquisition of plant required for Road Improvement purposes.
6. Construction of New Roads.

The Surveyor suggested that claims should be made in respect of the following works which had either been carried out or were in contemplation.

UNDER CATEGORY No. 3.—The tarring of Hammers Lane, Daws Lane, Lawrence Street, Hale Lane, Bunn Lane, Page Street, Deans Lane, Deansbrook Lane, Mill Hill, and Bridge Lane, Golders Green.

UNDER CATEGORY No. 4.—A grant towards the cost of the proposed re-construction of Bell Lane Bridge.

Your Committee

RECOMMEND—That the suggestion of the Surveyor be approved, and that application be made to the Ministry of Transport for grants towards the above-mentioned works.

- 6.—PAGE STREET, MILL HILL: Reference was again made to the necessity for the carrying out of improvement works in Page Street, Mill Hill, opposite "Tithe Farm."

Report from the Surveyor that he had on more than one occasion approached the owner of the land which it would be necessary to secure to carry out the required improvements, and he had promised to consider the matter.

Your Committee authorised the Surveyor to again approach the owner pointing out the extreme urgency for the carrying out the improvements referred to.

#### 7.—PRIVATE IMPROVEMENTS:

- (A) Letter from Messrs. Jones, Blakeway & Jones in reference to the notices which have been served for the making-up of Booth Road, under Section 150 of the Public Health Act, 1875.

They suggested that the portion of the road where no buildings had yet been erected should be omitted from the scheme and that the permanent works in this undeveloped portion should be deferred in view of the fact that when building operations were carried on the road would have to be broken up again for connections.

Your Committee have given this suggestion careful consideration, but having regard to the advanced stage of the proceedings in connection with this road. They

RECOMMEND—That Messrs. Jones, Blakeway & Jones be informed that the Council are unable to entertain their suggestion. It would, however, be open to them if they thought fit to raise the point at the Public Inquiry which will be held in regard to the scheme.

- (B) THE VALE: Letter from Mr. W. D. McDuff in further reference to the proposal to make up The Vale, and urging the Council to proceed with the permanent works.

It will be remembered that the Council have, in view of the express wish of the majority of owners in this road, decided to carry out the permanent works in this road.

Mr. McDuff made enquiry whether in connection with the road making, the Council would make provision for the planting of trees in the portion of the Vale where no trees existed at the present time.

Your Committee will deal with this suggestion in due course.

- 8.—ROAD TARRING: Letter from Major E. J. Walker complaining of an accumulation of surplus tar in the channels in a portion of Sandringham Road when the road tarring operations were carried out.

Your Committee have received a report from the Surveyor in regard thereto, from which it appeared that the matter complained of had been remedied.

- 9.—GOLDERS WAY: Letter from Mr. C. M. Hailes complaining of the practice of certain tradesmen of allowing accumulations of inflammable and other rubbish in the accommodation road at the rear of the shops in the Golders Green Road, which, in his opinion, created danger to the adjoining premises from fire. He requested the Council to adopt measures to prevent these accumulations in the future.

Your Committee considered a report from the Surveyor upon this matter, and desire to point out that the obligation for cleansing this private road rests with the property owners and the Ecclesiastical Commissioners under an Agreement entered into some years ago to cleanse the accommodation road periodically.

It will be remembered that negotiations are at the present time proceeding to secure regular attention to the scavenging and cleansing of this and other accommodation roads in the neighbourhood.

Your Committee

RECOMMEND—That the attention of the property owners and the Commissioners be drawn to this complaint with a view of securing prompt arrangements to remedy the trouble, and that Mr. Hailes be informed of the position of the matter.

- 10.—PRIVATE STREET IMPROVEMENTS: In accordance with the instructions of the Committee at their last meeting the Surveyor submitted plans and estimates for the making up of The Vale, Golders Green, at an estimated cost of £9,839.

Your Committee

RECOMMEND—That such estimates be approved, and that in due course notices under Section 150 of the Public Health Act, 1875, be served upon the frontagers in the road requiring them to execute such works within a period of two months.

- 11.—DEDICATION OF STREETS: Report from the Surveyor suggesting that the necessary steps be taken for the dedication by the Council of Sylvan Avenue, and Albert Road, Mill Hill, as public highways repairable by the inhabitants at large.

Your Committee

RECOMMEND—That the Surveyor's suggestion be approved, and that the necessary steps be taken in due course.

- 12.—PUBLIC LIGHTING: Report from the Surveyor in regard to the need of providing additional lighting facilities in the undermentioned roads in the district, having regard to the building developments therein.

Elms Avenue, Hendon  
Park View Gardens, Hendon.  
Woodlands, Golders Green Road.  
Brentmead Place, Golders Green.  
Western Avenue, Golders Green.  
Elmcroft Avenue, Golders Green.  
Beechcroft Avenue, Golders Green.  
Basing Hill, Golders Green.

Your Committee

RECOMMEND—That the report of the Surveyor be approved, and that additional lamps be erected in the above roads in accordance with his report.

- 13.—REINSTATING TRENCHES: The Surveyor submitted a report in regard to correspondence with the Post Office Engineering Department relative to the Schedule of rates charged by the Council for the reinstatement of trenches made in Public Highways by the various statutory bodies.

It appeared therefrom that the Post Office Authorities were prepared to accept the Council's schedule for the reinstatement of the ordinary openings made by them, but they pointed out that frequently they made openings of considerable lengths which they could get reinstated by their Contractors at lower rates than stipulated in the Council's schedule of prices.

The Surveyor intimated that it had been the practice in the past for the Council to reinstate the small openings made by the Post Office only, the larger openings being reinstated by the Post Office contractors.

The Post Office Authorities now suggested the desirability of the Council undertaking the reinstatement of all trenches opened by them in public highways, and they suggested that the Council's existing schedule of prices should apply to all openings the area of which was not less than ten square yards in extent.

With regard to trenches exceeding ten square yards in extent they suggested a rebate of 10 per cent. should be allowed on the schedule of prices, and for areas over 100 yards in extent a rebate of 20 per cent.

Your Committee have given the matter consideration, and

RECOMMEND—That the suggestion of the Post Office be approved.

- 14.—ACCOMMODATION ROADS, GOLDERS GREEN: Report from the Surveyor in regard to his further negotiations with Messrs. Cluttons relative to their proposal that the Council should make up certain accommodation roads at Golders Green under Section 150 of the Public Health Act, 1875, and dedicate same as public highways.

He submitted a letter from Messrs. Cluttons suggesting that the Council should make a proposal as to the terms upon which they would take over the scavenging and maintenance of the Accommodation Roads referred to.

After careful consideration of the matter and an estimate submitted by the Surveyor as to the cost involved, your Committee

RECOMMEND—That Messrs. Cluttons be informed that the Council would be prepared to undertake the work referred to upon payment of a sum of £35 per annum or a capital payment of £600.

- 15.—PASSAGEWAYS—WEST HENDON: That they had under consideration a recommendation received from the Public Health Committee relative to a proposal for the making-up under Section 150 of the Public Health Act, 1875, of the following passageways at West Hendon:—

Passageway between Ramsey Road and Borthwick Road.  
Passageway between Borthwick Road and Ravenstone Road.  
Passageway between Ravenstone Road and part of York Road.  
And passage at rear of Argyle Road.

Your Committee

RECOMMEND—That the Surveyor prepare plans and estimates for the making up of the passageways in question.

- 16.—PRIVATE IMPROVEMENTS, PARK DRIVE, PARK AVENUE & THE PARK: Letter from Mr. R. Iveson-Denham in further reference to the suggested permanent works in Park Drive, Park Avenue, and The Park.

The Council will remember that they recently had this matter under consideration, and at the last meeting it was agreed to defer further action in the matter for a period of six months.

It now appeared from the communication received from Mr. Denham that the property owners in the roads in question had subsequently conferred upon the matter, and proposed to carry out certain works of improvement to the roads themselves, a specification of such work being forwarded for the approval of the Council.

They made enquiry in the event of the works referred to in such specification being carried out whether the Council would refrain from putting Section 150 of the Public Health Act 1875, into operation.

Your Committee

RECOMMEND—That Mr. Denham be informed that the Council would be prepared to agree to the suggestion submitted by the property owners in the roads referred to, subject to the roads being made up in accordance with the specification transmitted and afterwards maintained in good condition.

- 17.—TRAFFIC CENSUS: Letter from the Ministry of Transport requesting the Council to take a Census of traffic on Bittacy Hill for a period of seven consecutive days of sixteen hours per day, and offering to make a grant of 50 per cent. towards the reasonable expenditure incurred by the Council in connection therewith, other than for clerical labour.

Report from the Surveyor in regard to the proposal.

Your Committee

RECOMMEND—That the Council agree to take such Census and that the Surveyor arrange accordingly.

- 18.—PETROL PUMP—THE BURROUGHS: The Surveyor submitted an application from Messrs. P. & A. Edwards for permission to instal a petrol pump on the public highway at The Burroughs.

Your Committee

RECOMMEND—That Messrs. Edwards be informed that the Council are unable to accede to the application.

- 19.—STATION ROAD BRIDGE: Report from the Surveyor in regard to an interview which he had had with the County Engineer and officials of the Ministry of Transport upon the subject of the widening of the Midland Railway Bridge at Hendon Station.

It appeared therefrom that the Ministry of Transport had intimated that they were of opinion a scheme should now be prepared for the widening and improvement of the bridge in question, and both the Ministry and the Middlesex County Council expressed their willingness to make a contribution towards such improvement.

It will be remembered that negotiations took place some years ago between Mr. Grimley (Consulting Engineer) and the Midland Railway Company in connection with the proposal for the widening of this Bridge, and your Committee consider that this is a matter calling for Mr. Grimley's assistance. They therefore

RECOMMEND—That the Surveyor confer with Mr. Grimley upon the matter and report further thereon in due course.

- 20.—REQUISITIONS: The Surveyor submitted a requisition of goods required by him and the same were duly approved.

## Report of Outdoor Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,

Your Committee beg to report that they held a Meeting on Friday, the 14th day of July, 1922. Present: Mr. Councillor Taylor (Chairman), Councillors Cartwright, Egan, Holt, Reynolds, Roberts, Soar, Weeks and Winny.

Your Committee beg to report as follows:—

- 1.—WIDENING OF HIGHWAYS: That they made an inspection of Queen's Road and Park Road and considered the scheme submitted on behalf of the Trustees of the Neeld Estate for the widening and improvement of these roads, and also Vivian Avenue, in view of the contemplated building developments in this neighbourhood owing to the advent of the Tube railway.

It will be remembered that the Central Station of the Tube Extension will be at Queen's Road, and your Committee agree as to the importance of, and necessity for, the suggested road widenings in this locality, notwithstanding the fact that the scheme will involve the Council in considerable outlay.

In regard to Vivian Avenue (at present a private road and which it is proposed to widen) the land owners suggested that the Council should, in consideration for the land to be added thereto, contribute a proportion of the cost of the permanent works.

Your Committee instructed the Surveyor to continue his negotiations with the land owners in regard to the widening of Vivian Avenue on the principle that the Council would favourably consider a suggestion for contributing two-sevenths of the cost of the permanent works when the roads have been made up and dedicated to the public.

- 2.—BRENT HILL HOUSING SCHEME: Your Committee visited these works and inspected a typical house on the Estate. They were gratified to observe that the contract works were proceeding in a very satisfactory manner.
- 3.—SEWAGE OUTFALL WORKS: They visited the Outfall Works and made a careful inspection of the extensions just completed. Your Committee were very interested and satisfied with the completed scheme and consider that with the facilities now available the Works will deal most satisfactorily with the sewage of the district for some time to come.

## Report of Finance Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 17th day of July, 1922. Present: Mr. Councillor Cartwright (Chairman), Councillors Mrs. Hargraves, Fern, Glauville, Hearn, Roberts, Sturgess, Soar and Weeks.

Your Committee beg to report as follows:—

- 1.—RATING OF SEWERS: Letter from the Western Valleys (Monmouthshire) Sewerage Board, in reference to the Rating of Trunk Sewers, suggesting that pressure should be brought upon the proper authorities with a view of exempting sewers from assessment.

Your Committee are unable to recommend the Council to take any action in regard thereto.

- 2.—PRIVATE STREET IMPROVEMENTS: Letter from Mr. L. D. Ovens, of Sylvan Avenue, Mill Hill, applying for an extension of the period of three years for repayment of road charges.

Your Committee have received a report from the Accountant in reference to the arrangements made with Owners for the repayment of Private Street Improvement expenses, and after careful consideration, your Committee.

RECOMMEND—That in the future the Council agree to expenses in connection with the making up of private roads under Section 150 of the Public Health Act, 1875, being repaid over a period not exceeding four years.

They

RECOMMEND—That Mr. Ovens be informed accordingly.

The Accountant reported that a number of frontagers had arranged to enter into agreements for repayment of charges and your Committee

RECOMMEND—That the agreements be submitted for sealing at the meeting of the Council on Monday next.

- 3.—HIRE OF ROOMS: Letter from Commander L. Robinson making application for the hire of rooms at the Town Hall on Thursday, Friday and Saturday, the 30th November to 2nd December respectively, for a Church Bazaar, and also for the use of the rooms on Wednesday, the 29th November, for decorating and fixing the stalls.

He made enquiry whether the Council could see their way to permit the fitting up of the stalls on the Wednesday without a charge, as the function was in aid of the restoration of the Church Tower and Bells, St. Mary's Church, Hendon.

Your Committee

RECOMMEND—That the application be acceded to on the usual scale for such functions, but that no charge be made for the use of rooms whilst preparing for the bazaar on Wednesday, the 29th November.

- 4.—CONTRACTOR'S CERTIFICATES: The Surveyor submitted certificates in favour of contractors, included in the accounts passed for payment, as follows:—

		£	s.	d.
Farrow, H., Edgware Road Reconstruction	Certificate No. 11	5984	0	0
Moss, Wm. & Son, Sewage Works Extension	Certificate No. 7	2806	0	0

- 5.—MOTOR FIRE ENGINE, No. 2: In regard to the report of the Surveyor and Engineer as to the certificates in favour of Leyland Motors, Ltd., the Council will recollect that in connection with the purchase of this motor fire engine the Air Ministry agreed to defray the difference between the cost of the original engine ordered from Messrs. Merryweather's in 1914, £1,225, and the cost of the machine supplied by Leyland Motors, Ltd., viz., £2,215.

Your Committee

RECOMMEND—That a communication be addressed to the Air Ministry applying for payment of the sum of £990 in accordance with the terms of their letter of the 30th December last.

6.—LOANS:

(A) REPAYMENT: That they received a detailed report from the Accountant as to various methods in connection with the repayment of Loans, also in reference to existing Loans, and the question of preparing Annual Capital Estimates.

Your Committee have requested the Accountant to circulate copies of the Report to each member of the Committee and propose to give the same consideration at their next meeting.

(B) Report from the Accountant that the number of Savings Certificates sold in this District for the period between 1st October, 1920, and 31st May, 1922, was 260,793. Value £202,354 6s. 0d.

The Council will remember that one-half of this sum is available for Loans to Local Authorities, but on the report of the Accountant as to the terms, your Committee are unable to recommend the Council to utilise this source of borrowing at the present time.

7.—METROPOLITAN WATER BOARD ACCOUNTS: That they received a report from the Accountant in reference to the charges made by the Metropolitan Water Board for various repairs, etc., in this District.

It appeared that in some districts the Local Authorities themselves supervised the work carried out by the Board's workmen which arrangement probably had the effect of reducing the cost of the work.

Your Committee

RECOMMEND—That the Surveyor arrange for the supervision of the work carried out by the Metropolitan Water Board's workmen in this District.

8.—TITHES: That they received a report from the Accountant as to the redemption of certain tithes as follows:—

Property.	Annual Sum.			Purchase period.
	£	s.	d.	
Bittacy View	1	10	4	16 years.
Hyde, Land	2	3	9	— £25 to £3).
Ditto.	17	19	11	18½ years.

After careful consideration of the report of the Accountant, your Committee

RECOMMEND—That subject to the consent of the Ministry of Health the Council redeem the tithes of £1 10s. 4d. upon Bittacy View at 16 years purchase, and upon the Hyde Land the tithe of £17 19s. 11d. at 18½ years purchase.

Your Committee

RECOMMEND further—In regard to the tithe of £2 3s. 9d. that a sum of £25 be offered in respect of the redemption of this tithe.

9.—WORKMEN'S COMPENSATION AND EMPLOYERS' LIABILITY: That they received a report from the Accountant in reference to employees of the Council who do not come within the scope of the Workmen's Compensation Acts, but in respect of whom there might be a liability upon the Council in respect of any accident arising out of their employment.

Your Committee are informed that the Legal and General Insurance Company would be prepared to insure the Council against any claim at Common Law in respect of such cases at a premium of 1s. 6d. per cent. and the total premium involved in respect of such employees would be between £6 and £7.

Your Committee

RECOMMEND—That the Accountant arrange such insurance accordingly.

10.—STAFF—ACCOUNTANT'S DEPARTMENT: Report from the Accountant that Mr. V. Baker, of his Department, had successfully passed the Intermediate Examination of the Society of Accountants and Auditors (Incorporated).

Your Committee

RECOMMEND—That the congratulations of the Council be tendered to Mr. Baker upon his success.

11.—STATEMENT OF RECEIPTS ETC.: Your Committee have examined the Treasurer's Pass Book and Cash Books, and report that the total receipts from all sources since the last meeting amounted to the sum of £29,776 13s. 7d., making a total of £95,712 13s. 8d. for the current financial year.

**EDUCATION COMMITTEE:** In accordance with notice appearing upon the Agenda Paper, Mr. Councillor Hill moved the following resolution, the same having been deferred from the Council Meeting held on the 22nd day of May, 1922.

"That the resolution of the Council passed on the 11th day of May, 1903, delegating the whole of the powers of the Council under the Education Act, 1902, to the Education Committee be rescinded and that in future the powers delegated to such Committee be limited to the transaction of such business and detail work involving expenditure not exceeding the sum of £50, all matters involving expenditure in excess of this amount being submitted to the Council for confirmation, the Committee to report all their proceedings to the Council on the same footing as the other Standing Committees of the Council."

Mr. Councillor Reynolds seconded the motion.

Councillor The Rev. Dr. Macgowan then moved:—

That the following words be added to the motion, "In so far as the power to expend monies are concerned in excess of the aforesaid sum of £50."

Mr. Councillor Cartwright seconded the motion.

With the consent of the mover and seconder,

IT WAS AGREED—That these words be added to the original motion.

Mr. Councillor Roberts then moved as an amendment:—

That this question be adjourned until the February meeting of the Council and that in the meantime the Clerk, Accountant and Secretary to the Education Committee submit a report on what alterations the motion would involve, a copy of such report to be sent to each member.

Mr. Councillor Fenn seconded the amendment.

Upon the same being submitted to the meeting there voted in favour thereof, 7, viz.:—Councillors Mrs. Bannister, Miss Growse, Egan, Fenn, Glanville, Hearn and Roberts, and against the amendment, 10, viz.:—Councillors Mrs. Hargraves, Cartwright, Donald, Ford, Hill, The Rev. - 9.—ALLOTMENTS: Notice received from Mr. Hinge as to notice he had received from his Landlord determining his tenancy of a portion of the land held by him in Sunningfields Road. It will be remembered that this land has been held under an arrangement with Mr. Hinge for allotments and the proposal to terminate the tenancy will affect some of the Council's allottees.
- I suggested that negotiations should proceed to secure the land to the allottees until at least the 29th September.
- 10.—FALSE ALARM OF FIRE: I considered a report from the Chief Officer of the Fire Brigade as to the circumstances in connection with a false alarm of fire given by a Mr. Fraser at Golders Green, and came to the conclusion that the matter would be met upon payment of the expenses incurred by Mr. Fraser.
- 11.—HIRE OF ROOMS: I considered an application from Mr. Elworthy on behalf of the Hendon Horticultural Society on special terms, and agreed that the rooms should be let on scale 4 at £3 11s. 6d.
- 12.—DECORATIONS AT TOWN HALL: These works have been proceeding during the recess and I gave authority to the Surveyor to have the blinds and curtains cleaned and repaired and renewed where necessary, also to have one of the chandeliers in the Council Chamber shortened for convenience when the temporary stage was erected.
- 13.—ENGINEER'S SALARIES: Letter from the Ministry of Transport as to the conditions under which a certain proportion of the salary of the Engineer could be paid by that body and I agreed that a claim should be sent in.
- 14.—IMPROVEMENTS: I considered a communication from the Unemployment Grants Committee as to the preparation of schemes of improvement to provide work to deal with possible unemployment during the forthcoming Winter and gave authority for a scheme to be transmitted to the Committee.
- 15.—PUBLIC SERVICE IN PARK: I considered an application from Mr. A. F. Lowden for permission to hold an open-air service in the Park by the Free Churches in the District on the evening of either the 10th or 17th September, and authorised the Clerk to give sanction. I understand that the holding of the service has been abandoned owing to the advanced season.
- 16.—SERVICE AT THE BURROUGHS: I received a letter from Mr. F. H. Butt, of the Ex-Service Men's Club, Limited, The Broadway, West Hendon, to hold a public service on the anniversary of Armistice Day (the 11th November next) at the Hendon War Memorial. I authorised the Clerk to inform the applicant that the Council would agree to the proposal on the understanding that the public should not assemble on the greensward at the base of the Memorial, and subject to proper arrangements being made with the police, and the appointment of a sufficient number of stewards to keep order and regulate the traffic.
- 17.—ALLOTMENTS (WOODLANDS): Letter from Mr. Frank Bastable intimating that he now required possession of his land at Woodlands, Golders Green, for building development and asking for possession on the 29th September. It will be remembered that some time since Mr. Bastable gave the formal notice under the Agreement to terminate the tenancy but assented to the retention of the land by the Allottees for a period to enable them to clear away their crops. I accordingly gave authority for the issue of notices to quit to the Allottees affected on the 29th September.
- 18.—MOTOR FIRE ENGINE: The Council will be glad to learn that the Air Ministry had forwarded a Cheque for £990 the difference in the cost of the second Motor Fire Engine, thus concluding this long outstanding matter.
- 19.—PUBLIC SEATS: I considered an application for seats in Highways and authorised the Surveyor to fix two suitable seats near the Central Hendon War Memorial.
- 20.—The following Building Applications have been dealt with, viz.:—

tending the Council's sewer in Colindeep Lane for a distance of about 200 feet. Instructions have been given to the Engineer to prepare the necessary plans and estimates and bring the same before the Works Committee.

- 21.—**SWIMMING BATH:** I went through the list of applications for the post of woman attendant at the Bath and three candidates were called up for interview. Mrs. Stephenson, of Stonebridge Park, Willesden, was appointed and has since taken up her duties.
- 22.—**APPLICATIONS FOR LAYING MAINS:** The following applications have been dealt with:—
- (a) H.M. Postmaster-General—
- Underground telegraphic line on the North side of Middleton Road.
  - Underground telegraphic line in the Edgware Road from Kingsbury Road to Kingsbury Garage.
  - Underground telegraphic line in Golders Green Road near Sinclair Grove.
  - Underground telegraphic line on the West side of Wise Lane.
  - Underground telegraphic line on the North-west side of Golders Gardens.
  - Underground telegraphic line Ambrose Avenue.
  - Underground telegraphic line in Green Lane, Hendon.
- (b) Hendon Electric Supply Company—
- Underground main across Edgware Road opposite Station Road.
  - Underground main in Church Road, John's Avenue and Chapel Walk.
  - Underground main in Aigernon Road and Vicarage Road, Hendon.
- 23.—**NORTH CIRCULAR ROAD.**—Plans were received from the District Valuer on behalf of the Middlesex County Council relating to the proposed diversion of the Mutton Brook Outfall Sewer in order to meet the objections of certain land owners in connection with the acquisition of the land for the road. Certain amendments were made on the proposed scheme which were approved subject to them being carried out at the entire cost of the Middlesex County Council.
- 24.—**PETROL INSTALLATION:** An amended plan was submitted for a proposed petrol installation tank for Messrs. Ewen & Sons, Finchley Road, which was approved.
- 25.—**LONDON ELECTRIC RAILWAY COMPANY:** A letter was received from the Assistant Manager of the London Electric Railway Company regarding the proposed footbridge over the Finchley Road from which it appeared that this proposal would add considerably to the cost of the bridge and the Railway Company would only undertake the same at the entire cost of the Council. Under the circumstances, I was unable to approve the suggestion.
- 26.—**FIRE BRIGADE:** A list of new spare parts required for Motor Fire Engine No. 1 was submitted and approved subject to certain deletions made by me.
- 27.—**BRENT HILL FARM ESTATE:** An application was received from Mr. W. Fox, of No. 2 Nicholl Place, Park Road, Hendon, asking permission to keep fowls in the garden at the back of his house. This was approved by me subject to the same conditions as were laid down by the Housing Committee in a previous case.
- 28.—**TOWN HALL:** In accordance with my instructions, estimates are being obtained for the repair and renewal of the blinds and curtains in the Town Hall. These estimates will be ready for the next meeting of the General Purposes Committee.
- 29.—**STABLES:** Owing to an accident which occurred to one of the Council's horses whilst grazing in the fields during the night, it became necessary to have the animal destroyed. A claim has been made on the Insurance Company for the value of the animal and the amount has since been paid by the Company.
- 30.—**THIRD PARTY INSURANCE:** I authorised the Accountant to take out a policy of Insurance against accidents at the Open Air Swimming Bath. The Insurance is with the Guarantee Society of Birchm Lane, and covers up to £500 for any one accident. The premium to 31st March, 1923, will be £7 6s. 8d.
- 31.—**HOUSING BOND, No. 19—£20:** As the holder of this Bond is leaving England and desired to transfer the same, I sealed a new bond for £20 in favour of a nominee of the original holder. A formal transfer was executed.
- 32.—**MINISTRY OF TRANSPORT AND ENGINEER'S SALARY:** The Ministry of Transport having intimated on the 15th August, 1922, that they are prepared to defray a portion of the Engineer's salary subject to an agreement, I referred the matter to the Accountant and Engineer to deal with. On their report I have authorised an agreement to be completed on the basis of the Ministry undertaking to pay one-half of the Engineer's salary.
- 33.—**LONDON ELECTRIC RAILWAY AND HOUSING:** A letter dated 13th September, 1922, from the London Electric Railway is laid before you for consideration.
- 34.—**BRENT HILL HOUSING LANDS:** The Ministry of Health has now authorised a charge by way of rent to be made to the Assisted Housing Scheme. The basis of the rent is an annuity of 6 per cent. on £8,000 for 80 years.
- The Ministry is also prepared to issue a loan sanction for the sum of £2,489, the amount of compensation paid, on receipt of a formal application for same by resolution of the Council.
- 35.—**SCHEMES FOR RELIEF OF UNEMPLOYMENT AND FINANCIAL EFFECT:** I have received a report from the Accountant on the probable financial effect of the schemes proposed in relation to Queen's Road, Park Road, etc., on the Neeld Estate and the reconstruction of the Sewer from Edgware Road to the Outfall Works. A letter has been received from the Unemployment Grants Committee suggesting that the Council might submit formal application for approval to the Schemes in order that the work may be put in hand if unemployment in the district becomes sufficiently serious.

33.—ALLOTMENTS—SUNNINGFIELDS ROAD: It appears that a portion of these allotments has been sold for building purposes. Eleven plots will be affected of which one-half of each of the first four plots are immediately required. The purchaser, Mr. Lester, has come to an arrangement to pay compensation to the first four plot-holders and to erect a wire fence marking off his boundary. As a matter of form it is suggested that notices be served under the new Allotments Act.

37.—PAY ORDERS: I have signed Pay Orders for the following amounts:—

HOUSING: Upon the consideration of Paragraph No. 4 of the Report of the Chairman dealing with the interview with Sir Chas. Ruthen, as to the erection of further houses, Mr. Councillor Ford moved that the Engineer prepare plans and provisional estimates for the erection of fifty houses of the maisonette type each with two flats, 25 to have three bedrooms and 25 to have two bedrooms each, on the Bittacy Hill Site, Mill Hill, and that the same be submitted for the consideration of the Council.

Mr. Councillor Roberts seconded the motion.

Upon the same being put to the meeting the Chairman declared the motion to be carried *nem. con.*

LONDON ELECTRIC RAILWAY, HENDON AND EDGWARE EXTENSION: Upon the consideration of Paragraph No. 33 the Accountant submitted a letter he had received from the London Electric Railway Company, making enquiry whether the Council would be prepared to sell to them four houses on the Brent Hill Farm Estate to provide accommodation for persons now residing at Redruth Villas, Colindale Avenue, such premises being demolished in connection with the proposed extension of the Tube Railway from Hendon to Edgware.

After careful consideration of this communication, upon the motion of Mr. Councillor Hearn, seconded by Mr. Councillor Cartwright,

IT WAS RESOLVED—That the London Electric Railway Company be informed that the Council cannot see their way to accede to their application to purchase houses at Brent Hill Farm.

Upon the motion of Mr. Councillor Egan, seconded by Mr. Councillor Ford,

IT WAS RESOLVED—That a communication be addressed to the London Electric Railway Company making enquiry as to the number of Hendon men to whom employment had been given in connection with the contract for the extension of the Tube to Hendon and also, if possible, the number of men who had been refused employment.

BRENT HILL FARM HOUSING LANDS: Upon the consideration of Paragraph 34 of the Report dealing with the appropriation of certain lands for Housing purposes originally purchased for sewage disposal, upon the motion of Mr. Councillor Ford, seconded by Mr. Councillor Hearn,

IT WAS RESOLVED—That application be made to the Ministry of Health for sanction to a loan of £2,489 in respect of the Housing Lands at Brent Hill Farm.

UNEMPLOYMENT SCHEMES: Upon the consideration of paragraph No. 35 of the Report dealing with schemes for the relief of unemployment in the event of the same prevailing in the District, upon the motion of Mr. Councillor Ford, seconded by Mr. Councillor Egan,

IT WAS RESOLVED—That the schemes be submitted to the Unemployment Grants Committee.

ALLOTMENTS—SUNNINGFIELDS ROAD: Upon the consideration of paragraph No. 36 of the Report of the Chairman dealing with certain plots affected by building developments in Sunningfields Road, upon the motion of Mr. Councillor Hearn, seconded by Councillor The Rev. Dr. Macgowan,

IT WAS RESOLVED—That the necessary notices be served upon the allottees affected.

VOTE OF THANKS TO CHAIRMAN: Mr. Councillor Egan moved—  
That the Council confirm the action taken by the Chairman during the vacation and tender to him the best thanks of the Council for his services during that period.  
Mr. Councillor Reynolds seconded the motion.

Upon the motion being put to the meeting the same was declared to be carried unanimously.

GENERAL DISTRICT RATE: It was decided to hold a special meeting of the Council on Monday evening next to consider the estimate for the General District Rate.

SUNNY HILL FIELDS: Reference was made to the desirability of providing seats at Sunny Hill Fields, and the matter was referred to the appropriate Committee for consideration.

At a **Special Meeting** of the URBAN DISTRICT COUNCIL OF HENDON (in Committee), held at the Town Hall, The Burroughs, Hendon, N.W., on Monday, the 25th day of September, 1922.

## PRESENT:

Mr. Councillor A. B. Soar, J.P. (Chairman).  
 Councillor Mrs. S. J. Bannister,  
 " Miss E. C. Growse,  
 " Mrs. G. Hargraves,  
 Mr. Councillor C. C. Cartwright,  
 " " S. H. Egan,  
 " " T. F. Fenn,  
 " " W. L. Glauville,  
 " " F. W. Hearn,  
 " " C. W. Hill,  
 " " E. Holt,  
 Councillor Rev. Dr. W. S. Macgowan,  
 Mr. Councillor A. J. Reynolds,  
 " " A. Roberts,  
 " " W. Taylor,  
 " " R. M. Weeks,  
 " " A. E. Winny,  
 " " R. J. Wise.  
 Mr. H. Humphris (Clerk),  
 Mr. A. O. Knight (Engineer and Surveyor).  
 Mr. G. Hails (Accountant).

The Clerk read the notice convening the meeting.

**BRENT HILL HOUSING SCHEME:** The Clerk reported the receipt of ten tenders for the erection of 20 houses at Brent Hill Farm.

Upon the motion of Mr. Councillor Hill, seconded by Mr. Councillor Egan,

IT WAS RESOLVED—That such tenders be referred to the Housing Committee for consideration.

**ESTIMATES FOR GENERAL DISTRICT RATE:** That they gave consideration to the revised estimates for the General District Rate to meet expenses of the Council for the period ending 31st March, 1923.

Upon the motion of Mr. Councillor Hill, seconded by Mr. Councillor Egan,

IT WAS RESOLVED—That such revised estimates be approved and that a rate of 1/7 in the £ be prepared and brought up for sealing at the meeting of the Council, to be held on the 9th October next.

**CHURCH END:** Reference was made as to the desirability of placing a seat at the corner of Church End and the Burroughs, and the Engineer was authorised to approach the owners as to securing a strip of land at this point so that a seat might be provided where passengers for the omnibuses could wait.

**AMBULANCE CHARGES:** Reference was made to the charges for use of the Council's Ambulance.

IT WAS RESOLVED—That the whole matter be referred to the Fire Brigade Committee to submit a report in regard thereto.

**PAY ORDER:** The Accountant submitted Pay Order amounting to £15,217 2s. 7d.

Upon the motion of Mr. Councillor Cartwright, seconded by Mr. Councillor Hill,

IT WAS RESOLVED—That such Pay Order be approved and cheques be drawn for the necessary amounts.

**LONDON ELECTRIC RAILWAY HENDON EXTENSION:** Mr. Lindsay, Assistant Secretary to the London Electric Railway Company, attended the meeting of the Council in reference to the request of the Company to be allowed to purchase four of the houses at Brent Hill Farm for re-housing families from four houses to be demolished in connection with the construction of the railway at Colindale.

Mr. Lindsay intimated that the Ministry of Health had expressed their willingness to approve of such a proposal.

Reference was also made to the construction of the road between Elmeroft Crescent and Montpelier Rise, which the Company desired to construct of a width of 40ft. only, whilst the Council required the width to be the same as the other roads, viz., 50 feet.

After some discussion the Chairman informed Mr. Lindsay that if the Ministry of Health would consent to the Council selling to the Company four houses at the price they originally cost, and would allow the Council, as part of the Assisted Housing Scheme, to utilize the money received to erect further houses, the Council would favourably consider the proposition subject to the settlement of the difference which had arisen in regard to the roadway.

Mr. H. Humphris (Clerk),  
Mr. A. O. Knight (Engineer and Surveyor),  
Mr. G. Hails (Accountant).

The Clerk read the notice convening the meeting.

**EDUCATION COMMITTEE'S ESTIMATE:** The Clerk reported the receipt of a communication with Copies of Estimate from the Hendon Education Committee of their financial requirements for Elementary Education for the period to the 31st March, 1923, amounting to £15,000.

Copies of such estimate had been circulated amongst the members of the Council.

Mr. Councillor Cartwright moved

That such estimates be received.

Mr. Councillor Hearn seconded the motion.

Mr. Councillor Hill moved as an amendment

That a reduction of £425 be made in the amount of the Precept upon the Overseers being the amount of the estimated expenditure on Teachers Salaries in excess of the Burnham Scale for the year 1922-23.

Mr. Councillor Ford seconded the amendment.

The amendment having been discussed at some length Mr. Councillor Wise moved

That the question be now put.

Mr. Councillor Hill seconded the motion.

Upon the motion being put to the meeting the Chairman declared the same to be carried.

The amendment by Mr. Councillor Hill was then put to the meeting and there voted for it, 10, viz.:—Councillors Mrs. Bannister, Mrs. Hargraves, Cartwright, Hill, Egan, Weeks, Ford, Hearn, Rev. Dr. Macgowan, and Taylor, and against it, 6, viz.:—Councillors Miss Growse, Sturgess, Winny, Wise, Roberts, and Holt.

The amendment was then put as the substantive motion, and declared to be carried, the members voting as before.

It was then agreed that a Precept upon the Overseers for £14,575 be issued and the Common Seal of the Council was affixed thereto.

The Clerk was directed to address a letter to the Secretary of the Education Committee explaining the reason for the reduction in the amount of the Precept.

**LONDON ELECTRIC RAILWAY—HENDON EXTENSION:** That they considered a letter from the Ministry of Health relative to the application of the London Electric Railway Company to purchase four of the Council's houses at Brent Hill Farm to re-house the occupiers of four houses at Redruth Villas, Colindale, to be demolished in connection with the Railway Extension, and also a telephone communication from an official of the Ministry from which it appeared that the Ministry would be prepared to favourably consider the Company's proposal but it was suggested that no part of the expenditure could rank for financial assistance and it would be necessary for the apportioned cost of the land to be excluded from the Assisted Scheme Account.

The Clerk stated that he had informed the Ministry the Council would desire to expend the full sum realised by the sale of the four houses in the erection of further houses, and in view of the reduction of prices, possibly six or more houses could be erected.

In the event of the Council deciding to dispose of the houses to the Railway Company, the Ministry suggested a Conference should be held at the offices of the Ministry to consider the matter of erecting further houses with the proceeds of the sale.

The Clerk also reported an interview with the Secretary of the London Electric Railway Company in further reference to the proposal, at which reference had been specially made to the difference which had arisen in regard to the width of the road to be constructed between Montpelier Rise and Eimcroft Crescent.

A communication had now been received from the London Electric Railway Company upon this matter, intimating that they had instructed the Surveyors acting on their behalf not to press further the Company's appeal for a roadway of 40ft. in width, but to comply with the provision for a 50ft. road.

The Council gave very careful consideration to the matter and Mr. Councillor Ford moved

That the Council agree to the sale of four houses at Brent Hill Farm Estate to the London Electric Railway Company for the purpose of re-housing occupiers of houses at Redruth Villas, Colindale Avenue, to be demolished by the extension of the Railway, at the original cost to the Council, plus the value of the land, subject to the express provision that the whole of the proceeds of the sale could be utilised by the Council in the erection of further houses, and to satisfactory arrangements generally being made with the Ministry of Health.

Mr. Councillor Fenn seconded the motion.

Upon the motion being put to the meeting it was declared to be carried unanimously.

IT WAS FURTHER RESOLVED—That the negotiations with the Ministry of Health and the Company be left in the hands of the Officers of the Council.

## Report of Works and Sewage Disposal Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 18th day of September, 1922. Present: Mr. Councillor Roberts (Chairman), and Councillors Cartwright, Egan, Glanville, Hill, Reynolds, Soar, and Wise.

Your Committee beg to report as follows:—

### 1.—ALLOTMENTS:

- (A) ALLOTMENTS ACT, 1922: Circular letter from the Ministry of Agriculture and Fisheries relative to the provisions of the Allotments Act, 1922 (copies of such letter being circulated amongst the members of the Committee).

Your Committee propose to give the same detailed consideration at their next meeting and instructed the Clerk to bring up a report upon the matter at the same time.

- (B) ALLOTMENTS CONSULTATIVE COMMITTEE: Letter from Mr. H. P. Merriman, on behalf of the Hampstead Garden Suburb Allotments Association, in reply to the invitation to the Association to nominate a further person to represent them on the Allotments Consultative Committee in the place of the late Mr. Gilbertson, intimating that Mr. Whitehead, of 63, Willifield Way, had been nominated by the Association to fill the vacancy occasioned.

In view of the fact that the Allotments Act, 1922, contains special provisions as to the constitution of the Allotments Committee in the future including the appointment of members, other than members of the Council, on such Committee, your Committee have deferred the consideration of the communication until the next meeting.

- (C) CHILD'S HILL ALLOTMENTS: Letter from Mrs. E. Gransby complaining of the practice of an allottee on the Child's Hill Allotments depositing refuse on his allotment and burning the same thereon.

Your Committee understand that the matter has been dealt with by the Allotment Inspector.

- (D) ALLOCATION OF ALLOTMENTS, ETC.: Letter from Mr. W. A. Perkins, on behalf of the Golders Green Allotment Association, relative to the dispossession of certain allotment holders in the Golders Green area owing to the extension of the Tube railway.

The Association suggested having regard to the provision by the Council of further allotment land in the Child's Hill Ward, that in order to meet the demand for allotments from Golders Green residents, that one plot on the new land at Child's Hill should be allotted to residents of Golders Green for every plot in the Hospital Field in possession of a resident of either Child's Hill or Hendon.

Report from the Accountant in regard thereto.

After due consideration of the matter, your Committee

RECOMMEND—That the suggestion of the Golders Green Allotment Association be approved, and that the same be carried out in due course.

Mr. Perkins, on behalf of his Association, referred to the allotment land at Renter's Avenue and made enquiry as to the reason why the plots thereon were let at a rental less than that charged for the plots on the Hospital Field.

Report from the Clerk that he had informed Mr. Perkins, in reply, that the rent fixed in the case of the allotments at Renter's Avenue was owing to the special nature of the letting, and further the allotments in question could not be termed to be of a permanent character, the allottees cultivating the plots on the understanding that they would give the same up on very short notice in the event of their being required to do so.

Your Committee confirmed the action of the Clerk in the matter.

Reference was made to the question as to whether the land referred to was likely to be required in the near future for the purposes of the Council, as it was considered that in the event of this not being the case a revision in the existing rent should take place.

Your Committee requested the Surveyor to submit a report upon the matter at their next meeting.

- (E) ALLOTMENT—JUNCTION OF WELLGARTH ROAD AND HAMPSTEAD WAY:

Letter from Mr. J. C. S. Soutar in reply to the communication addressed to him by the Council relative to the alleged entry upon an allotment held under the Lands Cultivation Orders at the junction of Wellgarth Road and Hampstead Way prior to the holder of the plot being served with the required notice to quit.

The Council will remember that they have had this matter under consideration on more than one occasion, and the same has been fully investigated.

In view of the contents of the communication from Mr. Soutar, your Committee do not propose to recommend the Council to take any further action in connection with the matter.

- (F) PLOT—LANDS CULTIVATION ORDERS: Letter from Mr. J. L. Mason relative to allotments held by him under the terms of the Lands Cultivation Orders at St. George's Road, Golders Green, and as to the provision of a permanent plot in the event of him being dispossessed in the near future of his present holding.

Your Committee

RECOMMEND—That Mr. Mason be informed that arrangements could be made for him to rent a plot on the new allotments at Child's Hill upon his making application to the Accountant in the usual way.

- (g) COOL OAK LANE ALLOTMENTS—Plot No. 144: Consideration was given to a request from the West Hendon Allotment Association that the holder of plot No. 144 on the Cool Oak Lane Allotments should be served with notice to quit in view of the failure on his part to cultivate the said plot.

Your Committee understand that the matter was considered by the Chairman of the Council during the recess, and the Clerk was authorised to write Mr. Clements, the holder of the plot in question, pointing out that unless it was his intention to cultivate, the Council would have to consider the question of issuing a notice to quit.

After due consideration of the matter, and in view of the fact that no assurance was forthcoming of the intention of the allottee to properly cultivate the plot, your Committee authorised the Clerk to serve Mr. Clements with notice to determine his tenancy within fourteen days.

- (h) BOOTH ROAD ALLOTMENTS—Plot No. 75: Consideration was also given to a request received from the Colindale Allotment Association that Mrs. Benton, the holder of plot No. 75 on the Booth Road Allotments, should be served with notice to quit for non-cultivation of her plot.

Your Committee have given the matter consideration, and authorised the Clerk to serve Mrs. Benton with notice to determine her tenancy of the plot in question within fourteen days.

- (i) LANDS CULTIVATION ORDERS: Letter from Mr. C. H. R. Whitehorn, the occupier of an allotment on the Hampstead Garden Suburb, held under the terms of the Lands Cultivation Orders.

Mr. Whitehorn made enquiry whether it was the intention of the Council to exercise the powers conferred upon them by the Allotments Acts, 1922, relative to allotments held under the terms of the Orders referred to.

In view of the fact that your Committee propose to give this matter consideration at their next meeting, they have noted the contents of the communication from Mr. Whitehorn for the time being.

- (j) ADDITIONAL LAND FOR ALLOTMENTS: Letter from Mr. A. A. Denton relative to the provision of allotments in the neighbourhood of Warner Road.

In view of the proposal to utilise certain land for the provision of allotments, not now required for housing purposes on the Brent Hill Estate, your Committee have deferred the consideration of the suggestion of Mr. Denton for the present.

- 2.—PUBLIC CONVENIENCE—GOLDERS GREEN: Letter from the Ministry of Health transmitting sanction to the borrowing by the Council of the sum of £1,900, being the Council's contribution towards the cost of the proposed alteration and extension of the lavatories at Golders Green for public use, such sanction being issued subject to a condition under the terms of the agreement between the London Electric Railway Company and the Council in connection with the work referred to.

Your Committee

RECOMMEND—That steps be taken to raise the Loan referred to, and that the Company be asked to proceed with the proposed work in due course.

3.—SWIMMING BATH—THE HYDE:

- (A) Letter from Mr. V. B. Potter, on behalf of himself and other users of the Swimming Bath at The Hyde, making certain suggestions in regard to the spring board at the Bath.

Your Committee understand that alterations have been effected to the spring board in question, and have no recommendation to make in regard to the communication referred to.

- (B) Letter from Mr. J. J. Allen making certain suggestions in connection with the Swimming Bath.

Your Committee have duly noted this communication as they are informed by the Chairman of the Council that the suggestions contained therein have been considered during the recess.

- (C) Letter from Mr. F. Bartell in regard to an alleged accident to his wife whilst making use of the Swimming Bath, Mr. Bartell claiming compensation from the Council in respect thereof.

Report from the Surveyor that in view of the fact that at the date of the alleged accident the Contractor's term of maintenance had not expired he had referred Mr. Bartell to the Contractor.

Your Committee confirmed the action of the Surveyor in the matter.

- (D) Consideration was given to the question of closing the Baths for the present Season, and it was ultimately decided to leave the matter in the hands of the Surveyor to arrange for the closing of the same on the 30th instant or such later date as might be considered desirable.

4.—CHILD'S HILL RECREATION GROUND:

- (A) Letter from Mrs. H. C. Birley in further reference to her complaint as to annoyance from lads making use of the Child's Hill Recreation Ground, and again complaining of the mis-use of the See Saw.

Report from the Clerk that he had informed Mrs. Birley, in reply, that the matter had been referred to the Surveyor of the Council.

Your Committee confirmed the action of the Clerk.

- (B) That they gave further consideration to the recommendation passed at their last meeting and which was referred back at the meeting of the Council held on the 24th day of July relative to the proposal to remove the See-Saw in the Child's Hill Recreation Ground and take the same into store in view of a complaint as to the mis-use thereof.

Your Committee now

RECOMMEND—That a warning notice be placed near the See-Saw as to the mis-use of the same.

- 5.—BOWLING GREEN: Letter from Mr. S. C. Prior, on behalf of the Golders Green Bowling Club, seeking the support of the Council in their endeavour to secure bowling green accommodation in the neighbourhood of Golders Green, and suggesting a site which they considered would be suitable for the purpose.

Your Committee

RECOMMEND—That the club be informed that the Council regret they have no land available for the purpose named, but facilities to play bowls in the Hendon Public Park were already available.

- 6.—TENNIS COURTS: Letter from Mr. H. H. Shorter, on behalf of the Golders Green Wesleyan Church Tennis Club, intimating that they had been required to give up possession of their Courts on the Hampstead Garden Suburb, and seeking the assistance of the Council in their endeavour to find alternative accommodation.

Your Committee

RECOMMEND—That Mr. Shorter be informed that the Council regret they have no land available which they could offer the Club.

7.—RECREATION GROUNDS:

- (a) Letter from Mr. R. J. Tombs, on behalf of the Amalgamated Society of Woodworkers, and Mr. W. E. Biddle, Hon. Secretary of the Hendon Men's Evening Club, complaining of the unsatisfactory condition of the cricket pitches in the Hendon Public Park.

The Council will remember that some time ago the Surveyor presented a report in regard to dealing with pitches in the Hendon Park both for the purpose of Cricket and Football, and it was agreed that the present football season should terminate at the end of March, instead of the middle of April as on the last occasion, thus affording further opportunity to improve the pitches for the purpose of cricket in the coming season.

Your Committee

RECOMMEND—That Messrs. Tombs and Biddle be informed of the action proposed to be taken by the Council in the matter.

- (b) Letter from Mr. G. P. Hart, on behalf of the Hendon Schools' Football Association, making application for renewed facilities for playing matches in the Hendon Park and Child's Hill Recreation Ground in connection with the Schools' Football League.

Report from the Clerk that the matter had been referred to the Surveyor, and the Surveyor reported that the matter had been satisfactorily dealt with.

- 8.—LONDON REFUSE: The Clerk submitted a report of the proceedings of a Conference of representatives of the London County Council, the City Corporation and the Metropolitan Borough Councils together with representatives of the Ministry of Health relative to matters relating to the disposal of London Refuse.

It appeared from such report that the chief point which was discussed by the Conference was the question of refuse tips, and the question of endeavouring to improve the conditions which existed at many of the tips. The Conference was also of opinion that a Council should not regard their responsibility at an end in the case where refuse was handed over to a Contractor for final disposal, but considered that arrangements should be made to see that the means of disposal were satisfactory, and should make periodical inspections of the tip. Suggestions for the management of tips were also incorporated in the report.

The Conference finally decided to appoint a Committee of nine members with a view to conferring with the Ministry in drawing up without delay a code of precautions to be observed with a view to preventing nuisances from tips.

Your Committee have duly noted the contents of such report.

- 9.—MUSIC AND DANCING LICENCE—TOWN HALL: Report from the Clerk in regard to renewing the Music and Dancing Licence in respect of the Town Hall, it being necessary to lodge the application for renewal of the licence with the County Council before the 2nd prox.

Your Committee instructed the Clerk to take the necessary action with a view to the renewal of the licence referred to.

With regard to the Certificate required by the County Council in connection with the electrical installation in the building, instructions were given for the Clerk to engage the services of Mr. Drummond, who had undertaken the work on a former occasion, in order that the required Certificate might be forwarded to the County Council.

- 10.—COLINDALE AVENUE PLAYING FIELD: Letter from Mr. W. C. Garrard, on behalf of the Colindale Ratepayers' Association, relative to the opening of the playing field at Colindale Avenue, and urging the Council to take steps to open the field without delay.

Your Committee understand that the lease of the land from the Office of Works has not yet been completed and recommend that the Office of Works be pressed to complete the same.

With regard to the opening of the playing field, your Committee will make the necessary arrangements upon the completion of the lease referred to.

11.—SUNNY HILL FIELD: Reference was made to the question of convening a meeting of the Outdoor Committee to consider the proposed lay-out of Sunny Hill Field.

Arrangements were made to convene a meeting of the Committee on Friday next, the 22nd inst., at 6 p.m., for this purpose.

12.—SCHOOL WARNING NOTICES: Letter from Mr. W. C. Garrard, on behalf of the Colindale Ratepayers' Association, as to the necessity for the provision of School Warning Notices in connection with the temporary school situate in Colindeep Lane.

Reference was also made to the question of erecting similar notices in the neighbourhood of St. Vincent's School, Mill Hill.

After due consideration of this matter, your Committee instructed the Surveyor to proceed with the erection of the Notices referred to.

13.—EDGWARE AND HAMPSTEAD RAILWAY: Report from the Clerk in regard to a notice which had appeared in the "Hendon & Finchley Times" relative to an application proposed to be made by the London Electric Railway Company to the Ministry of Transport for an Order under the Special Acts (Extension of Time) Act, 1915, as extended by the War Emergency Laws (Continuation) Act, 1920, to extend for one year from the 7th day of August, 1923, the time limited by the Order made by the Ministry of Transport under the provision of the Act referred to for the compulsory purchase of lands and easements for the purposes of the Edgware and Hampstead Railway Act, 1912.

Objections respecting the said application were required to be lodged on or before the 25th inst.

The Clerk made enquiry whether the Council desired to take any action in connection with the matter.

After due consideration thereof, it was decided not to offer any objection to the proposal.

14.—LONDON ELECTRIC RAILWAY EXTENSION: Letter from Messrs. Rawlins, Culver & Co., relative to the difference which had arisen between the London Electric Railway Company and the Council in connection with the new road to be known as Montpelier Gardens to connect Elmcroft Crescent with Montpelier Rise, from which it appeared that Messrs. Rawlins & Co. were authorised to submit the names of the following persons to act as Arbitrator in the matter, viz.:—

A. A. Hudson, Esq., K.C., Barrister-at-Law.

Graham H. Mould, Esq., Barrister-at-Law.

After due consideration of the matter, your Committee instructed the Surveyor to inform Messrs. Rawlins, Culver & Co., in reply that the Council were prepared to agree that the matter should be referred to Mr. Graham Mould.

15.—SEATS ON PUBLIC HIGHWAYS: Letter from Mr. J. H. M. Collings advocating fixing of seats in the district and suggesting various places where he considered the provision thereof would be of service.

With regard to one of the sites suggested by Mr. Collings, viz., at the War Memorial, The Burroughs, two seats have already been fixed there by authority of the Chairman of the Council during the recess.

Your Committee have given consideration to the remaining suggested sites, and

RECOMMEND—That a seat be provided in The Burroughs (between the Town Hall and the Fire Station) and also one in Brampton Grove, near the allotments.

They further

RECOMMEND—That Mr. Collings be informed of the action proposed to be taken in the matter.

16.—WAR MEMORIAL—THE BURROUGHS: Reference was made to the various types of receptacles at present used by persons when depositing flowers at the War Memorial at The Burroughs, and your Committee have requested the Surveyor to obtain a suitable receptacle for this purpose for general use, thus dispensing with the various receptacles now placed on the structure.

17.—FOOTBALL—APPLICATIONS FOR PITCHES:

(A) Letter from Mr. A. A. Denton as to his desire to obtain a football pitch in the neighbourhood of Warner Road, and seeking the assistance of the Council in the matter.

Your Committee understand from the Surveyor that subsequent to the receipt of the communication referred to Mr. Denton had made other arrangements in connection with the matter.

(B) The Surveyor submitted a report in connection with the Hendon St. John's Football Club who had been allotted a pitch in the Kingsbury Road Playing Field, together with certain correspondence from the Secretary of the Club in connection with the matter, which your Committee have duly noted.

(C) Letter from Mr. H. A. Miller on behalf of The Hiawatha Wolf Cub Pack, making application for a pitch for the purpose of playing football on land forming part of the Brent Hill Estate.

In view of the fact that the Council have decided to utilise this land for the purpose of allotments, your Committee

RECOMMEND—That Mr. Miller be informed that the Council regret they are unable to accede to his application.

18.—LAND AT THE HYDE: That they gave consideration to the question of obtaining vacant possession of the land at The Hyde, purchased from the Ecclesiastical Commissioners, and which was at present leased to Mr. McIntyre and Mr. Tipping, and being of opinion that the necessary steps should be taken with this object they gave instructions for formal notices to be served upon Messrs. McIntyre and Tipping terminating their tenancies of the land held by them on the 29th day of September, 1923.

Reference was made to the proposed lay out of this land and also that at Bittacy Hill, and your Committee have requested the Surveyor to submit schemes in connection with the matter in due course.

- 19.—**MILL HILL WAR MEMORIAL:** Report from the Surveyor in further reference to his negotiations with Mr. Figgis relative to the suggestion for the Council to take over the care of the War Memorial at Mill Hill.

The Surveyor also submitted a proposal for the carrying out of certain improvement works at the Memorial, together with a plan thereof.

Your Committee

**RECOMMEND**—That the Surveyor's scheme of improvement be approved, and that the same be submitted, together with the plan, to Mr. Figgis for the consideration of the War Memorial Committee.

- 20.—**BOILERS:** The Surveyor submitted reports received from the National Boiler Insurance Company, Ltd., in regard to examinations of the Boiler and Disinfector at the Outfall Works, and also in regard to the Road Roller, from which it appeared that the same were found to be in order. Noted.

- 21.—**LAWRENCE STREET, MILL HILL:** Letter from Mr. F. W. Parnell in regard to the proposal of the Council for the re-numbering of Lawrence Street, Mill Hill.

It will be remembered that with a view of avoiding the confusion which had arisen by the adoption of various names in certain sections of Lawrence Street, the Surveyor suggested that such names should be abolished and the road properly numbered as far as possible. The Surveyor's suggestion was adopted and the necessary re-numbering notices served, a petition being subsequently received from Tradesmen in the road objecting to the abolition of the name "Broadway."

After due consideration of such petition, the resolution as to the re-numbering of Lawrence Street was rescinded, and it was agreed that the name "Broadway" should be retained for the portion of Lawrence Street, from the Midland Railway Bridge to Daws Lane.

Mr. Parnell stated that he had complied with the Council's notice, and had altered the description of his premises from No. 16, The Promenade to 28, Lawrence Street, and was not in favour of the name "Broadway," but suggested that it should be called "The Promenade."

After due consideration of the matter, your Committee are unable to recommend the Council to agree to the suggestion of Mr. Parnell, but

**RECOMMEND**—That the name "Broadway" in the section of Lawrence Street, from Hale Lane to Daws Lane, be retained as previously decided.

- 22.—**APPLICATIONS TO LAY MAINS:** Report from the Surveyor in regard to applications from H.M. Postmaster-General for permission to lay underground telegraphic lines along the South-West side of the Edgware Road from "Iris Villa" to "Stokeleigh House," and also along the West side of Sunny Gardens from No. 89 to No. 93.

Your Committee

**RECOMMEND**—That such applications be approved, subject to the usual conditions.

- 23.—**REQUISITIONS:** The Surveyor submitted a requisition of goods required by him and the same were duly approved.

## Report of Public Health Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 18th day of September, 1922. Present: Mr. Councillor Hearn (Chairman), and Councillors Miss Growse, Mrs. Bannister, Mrs. Hargraves, Ford, Fenn, Rev. Dr. Macgowan, Holt, Taylor and Weeks.

Your Committee beg to report as follows:—

- 1.—**VITAL STATISTICS:** Report from the Medical Officer of Health that for the past eleven weeks the death rate of the District was 10.69 per thousand.

The death rate calculated on the deaths of Hendon residents only for the same period was 5.55 per thousand.

The birth rate for the period referred to was 16.08 per thousand.

- 2.—**POPULATION:** Report from the Medical Officer of Health with details in regard to the population of the District at the 1921 Census. The population of the various Wards at that date was as follows:—

Mill Hill	...	...	5218
West Hendon	...	...	9384
Central Hendon	...	...	12780
Golders Green	...	...	10494
Garden Suburb	...	...	7518
Child's Hill	...	...	10620
Total	...	...	56014

The Medical Officer of Health reported that the estimated population of the District at June, 1922, taking as a basis the number of new houses occupied since the 1921 Census and the average number of persons per house at that time would give an estimated population of 57,460.

Your Committee have duly noted this report.

3.—DRAINAGE WORK: Your Committee have received a report from the Sanitary Inspector as to the drainage and inspection work carried out since the last meeting and have approved the same.

Report from the Sanitary Inspector as to examinations of the drainage of the following premises, and drains under Section 41 of the Public Health Act, 1875:—

- 6 and 7, Yew Grove Cricklewood.
- 16 Brent View Road.

4.—DAIRIES, COWSHEDS AND MILK SHOPS ORDER:

(a) Report from the Sanitary Inspector as to application from Mr. C. Burrell to be registered as a Dairyman and Purveyor of Milk in respect of premises No. 44, Church Road.

A new dairy had been constructed at these premises and had been inspected and found to be satisfactory.

Your Committee

RECOMMEND—That Mr. Burrell be duly registered as a Dairyman and Purveyor of Milk in respect of the premises No. 44, Church Road, Hendon.

(b) Application was received from the Aerated Bread Company to be registered as Purveyors of Milk in respect of Refreshment Depot at 49, Golders Green Road.

The application had been referred to the Inspector for report in due course.

5.—STATUTORY NOTICES: Report from the Sanitary Inspector as to the following cases where he asked for authority to serve Statutory Notices under the Public Health Act, 1875:—

- 157, Hamilton Road,
- "Holme," Birkbeck Road,
- 33, 35, and 37, Station Road,
- 39, 41, 43, 45, and 47, Station Road,
- "St. Helier's," Station Road,
- 60, Milton Road,
- 54, Milton Road.

6.—HOUSING ACTS: That they received a detailed report from the Sanitary Inspector in reference to an inspection of premises No. 16, and 17, Brent View Road, Hendon, from which it appeared that numerous defects existed at these premises.

After careful consideration of the report of the Inspector, your Committee

RECOMMEND—That the Council serve notices under Section 28 of the Housing Acts 1909-1919, upon the owner of the premises No. 16, and 17, Brent View Road, requiring him to remedy the defects existing at such premises.

7.—RENT RESTRICTION ACT CERTIFICATES: That they received applications for the issue of certificates under Section 2 of the Increase of Rent and Mortgage Interest Restriction Act in respect of the following premises:—

- "Danehurst," Milton Road, Mill Hill (Certificate that the house is now in proper state of repair).
- 2, Brent Villas,
- "Arncliffe," Hodford Road.

Your Committee have received a report from the Sanitary Inspector in regard to the above-mentioned premises and being invested with power to act they authorised the issue of such certificates.

8.—MILK AND DAIRIES (AMENDMENT) ACT, 1922: Letter from the Ministry of Health as to the provisions of the Milk and Dairies (Amendment) Act, 1922, the provisions of which, except Section 3, came into operation on the 1st September last.

The new Act empowered Local Authorities under certain conditions to refuse to register retail purveyors of milk, or to remove a person from the register.

Your Committee are informed that copies have been furnished to the Sanitary Officers and have duly noted the same.

9.—MIDWIFE: Letter from the Ministry of Health approving the appointment of Mrs. Sherman as Midwife to the Council in accordance with the terms of the Council's resolution.

Your Committee have duly noted the same.

10.—CONFERENCES:

(a) Letter from the Ministry of Health, intimating that the Ministry were unable to sanction the attendance of a Sanitary Inspector at the Annual Conference of the Sanitary Inspectors' Association to be held at Buxton.

(b) Letter from the Secretary of the National Milk Conference as to a Conference upon this subject to be held in London in October next and inviting the Council to appoint delegates thereto.

Your Committee are unable to recommend the Council to send delegates to this Conference.

11.—COMPLAINTS: Letter from Mr. J. Shelton complaining of a nuisance from trucks containing offal, etc., on the Midland Railway, Cricklewood, adjacent to Elm Grove, also complaining as to hoardings in the vicinity of the Railway Sidings.

Your Committee have received a report from the Inspector upon this matter from which it appeared that inspection had been made of the locality and the Railway Company had been commuted with in regard to the matter.

Your Committee

RECOMMEND—That Mr. Shelton be informed accordingly.

Letter from Mr. J. D. Heath complaining of an accumulation of manure near the allotments at Hale Grove Gardens.

Report from the Sanitary Inspector that the letter had been referred to him and dealt with. No nuisance now existed at the allotments.

12.—FACTORY AND WORKSHOP ACT: That they received a report from H.M. Inspector of Factories with notice as to occupation of the following workshops:—

Vikings Tenax, Brent Green, Hendon.  
Hendon Car Service, 84, Church Road, Hendon.

The same have been duly reported to the Inspector for registration.

13.—REQUISITIONS: The Medical Officer submitted requisitions of goods required for his department, and it was decided to leave the same to the Chairman of the Committee and the Medical Officer.

## Report of Town Planning Committee.

2.—TOWN PLANNING :

- (A) Circular letter from the Ministry of Health transmitting a copy of a General Order made under Section 45 of the Housing, Town Planning, etc., Act, 1919, providing for development to proceed in areas for which resolutions have been passed, or authority given to prepare town planning schemes, together with an explanatory memorandum in regard to such order.

It will be remembered that the Surveyor is now engaged in the preparation of Preliminary Maps in connection with the Town Planning Scheme for the district.

Your Committee propose to give the General Order consideration due course.

- (B) Letter from the National Housing and Town Planning Council in regard to the obligation placed upon local authorities by the Ministry of Health relative to the preparation of town planning schemes under the revised regulations issued by that body, and referring to a booklet upon the subject of town planning issued by Mr. Aldridge, of the Town Planning Council, as a supplement to his previous book entitled "The Case for Town Planning."

The Town Planning Council urged local authorities who were not in possession of the original book to obtain a copy thereof together with the supplement, and they forwarded particulars of the cost of same.

Your Committee have no recommendation to make in regard to the matter.

3.—SUNNY HILL FIELD: Letter from the Clerk to the Middlesex County Council transmitting a copy of the following resolution passed by the County Council agreeing to make a contribution towards the cost incurred by the Council in connection with the acquisition of Sunny Hill Field.

That an intimation be given to the Hendon Urban District Council that the County Council will be prepared to contribute a sum equal to one fourth, not exceeding £1,215 8s. 5d. of the purchase money, legal expenses, vendors' surveyors' fees, and compensation to tenants, if any, paid by the District Council, in connection with the acquisition of about 16 acres of land situate in the Urban District of Hendon for the purpose of a public open space, coloured pink on the plan now submitted to the County Council, subject:—

- (A) To the whole of the 16 acres being dedicated to the use of the public as an open space for ever.
- (B) To no buildings being erected on any part of the land other than lodges, bandstands, lavatories, cricket pavilions, refreshment rooms, shelters, sheds, and buildings of a like nature, except with the consent of the County Council, which consent shall only be granted on condition that such buildings be used for purposes ancillary to the use of the land for the above purpose.
- (C) To the Hendon Urban District Council entering into a covenant to repay to the County Council the entire contribution made, less any sums raised from time to time by County Rate in the Urban District of Hendon, towards the contribution by the County Council, in the event of Hendon becoming a County Borough, or otherwise altering the financial relations between the County Council and the Hendon Urban District Council.
- (D) To any necessary deed, in a form approved of by the Clerk of the County Council, being entered into between the two Councils, embodying the above conditions.

That the deed to be entered into between the County Council and the Hendon Urban District Council, in a form approved of by the Clerk of the County Council, be sealed with the Common Seal of the County Council.

After due consideration of the matter, your Committee

RECOMMEND—That the Middlesex County Council be informed that the Council approve of the terms of the resolution referred to.

4.—TEMPORARY BUILDING—ARMITAGE ROAD: Letter from Mr. R. H. Trudgett in regard to application No. 5498 submitted by Mr. Hirst relative to a proposal to effect alterations to a temporary building situate at Armitage Road used as a temporary place of worship by the trustees of the Wesleyan Church, and for licence to use the said building as a motor garage, the application in question having been disapproved by the Chairman during the recess.

Your Committee gather that the Trustees of the Wesleyan Chapel, at the time of the erection of the said building, entered into an agreement embodying certain conditions including the use of the building as a temporary place of worship only, and they agreed also to remove the same when called upon.

Report from the Surveyor that in view of the fact that the Trustees had ceased to make use of the building for the purpose referred to he had served them with a notice requiring the removal of the same.

Your Committee confirmed the action of the Surveyor and instructed the Clerk to reply to Mr. Trudgett accordingly.

5.—BYE-LAWS—NEW STREETS AND BUILDINGS: Circular letter from the Ministry of Health upon the subject of Bye-Laws with respect to new streets and buildings, and urging local authorities to consider the revision of their building bye-laws if the same had not been revised recently.

## Report of Housing Committee, No. 1.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 25th day of September, 1922. Present: Mr. Councillor Hearn (in the Chair), and Councillors Miss Growse, Mrs. Bannister, Mrs. Hargraves, Cartwright, Holt, Rev. Dr. Macgowan, Roberts, and Wise.

Your Committee beg to report as follows:—

### 1.—BRENT HILL FARM SCHEME:

(A) That they gave consideration to tenders (10 in number) received for the construction of twenty additional houses at Brent Hill Farm as follows:—

Name and Address of Contractor.	Amount of tender.	Amount of reduction in tender re "Hot Water Fitter"	Total.
	£	£	£
Chas. Groom Sons & Co., Ltd., "The Manor House, Drayton Green, West Ealing ... .."	6,952	80	6,872
Arthur Cole, Ltd., Park Way, Luton ... ..	7,340	98	7,242
William F. Blay, Ltd., Dartford ... ..	9,080	380	8,700
Guttridge, J. & Sons, Peterboro' ... ..	9,254	300	8,954
Geo. Slade & Co., Ltd., 3, Barnsbury Park, N. 1 ... ..	9,022	80	8,942
Perry Bros., 36a, The Broadway, Ealing, W. 6 ... ..	6,550	150	6,400
J. E. Billings & Co., Ltd., Canal Street, Oxford ... ..	9,457	274	9,183
Geo. E. Everitt & Sons, Ltd., Sydenham Road, North Croydon ... ..	10,904	187 10s.	10,716 10s.
T. J. Lovell & Son, 6, Bathurst Street, Paddington, W. ... ..	10,204	210	9,994
Frank Parvin, Ltd., Lawrence Street, Mill Hill, N.W. 7 ... ..	13,270	520	12,750

After careful consideration of such Schedule of Tenders, your Committee instructed the Architect to communicate with Tenderers Nos. 1, 2 and 6 and invite them to submit a price for erecting the twenty houses all of the two bedroom type.

Your Committee also gave instructions for a complete estimate of the cost of the houses to be submitted, including all charges, viz., land, roadmaking, hot water, etc.

Your Committee have received a report in regard to the plans and specification in connection with the twenty houses to be erected at Brent Hill Farm which comprised six of Class A.3. having a living room and three bedrooms and 14 of Class A.2. having a living room and two bedrooms.

The designs were the minimum in size of their respective types, and your Committee are informed that they have been approved by the Ministry and written confirmation will be sent to the Council.

The Ministry considered that the installation of both gas and electricity was unnecessary and recommended that electric light be omitted, and that the gas service be used for cooking and lighting.

In regard to the hot water installation and the gas installation the Architect reported that he had obtained revised estimates from the Gas Light and Coke Company and also from the Contractor for the Hot Water Service, Mr. J. Finch.

Your Committee requested the Architect to obtain further estimates for these services based on twenty houses of the two bedroom type.

Your Committee have requested the Clerk to report in regard to the Contract for Hot Water Service at the next meeting of the Committee.

### (B) MESSRS. BILLINGS CONTRACT:

Report from the Architect that the work in connection with the 158 houses was nearing completion, 140 had been handed over and the remaining 18 were in an advanced state.

It was anticipated that the last of the houses would be handed over by the first week in October.

Your Committee have noted this with satisfaction.

### (C) ARCHITECT'S FEES:

Letter from the Ministry of Health in reference to the Council's communication upon the subject of Architect's and Quantity Surveyors fees relative to the winding up of the Contract with the Improved Concrete Company.

It will be remembered that the Ministry suggested the matter was one which should be considered in connection with the amount to be recovered from the Guarantee Society, and the Ministry now intimated that they were unable to agree that they should decide the amount.

Your Committee are informed that all possible information has been furnished from time to time and that a notification has been sent to the Guarantee Society.

Your Committee are of opinion that this question should be settled at an early date and they

RECOMMEND—That the Accountant and the Clerk arrange to interview the Officials of the Mini-  
stry together with a representative of the Guarantee Society and the Architect with a view  
to coming to a settlement in regard to this matter.

(D) CYCLE SHED :

Your Committee authorised the Surveyor to approve of an application from Mr. Osborne to erect a  
cycle shed at the rear of his house at Brent Farm Estate.

(E) TENANCY TERMS :

In regard to the application of Mr. Parker to be allowed to sublet a room, your Committee

RECOMMEND—That Mr. Parker be referred to the terms of his tenancy Agreement.

2.—HOUSING MEMORANDUM : Report from the Clerk as to the receipt of Housing Memorandum No. 61 re-  
lative to the fees payable to Architects in connection with State-aided Schemes which your Committee  
have duly noted.

3.—CHILD'S HILL SCHEME :

(A) Report from the Architect that he had obtained tenders for carrying out works required to com-  
plete Mr. Ramsbotham's contract, and negotiations had been proceeding with his representatives.  
Your Committee are informed that a meeting of the representatives acting for the creditors had been  
held and it was arranged to obtain a further estimate for carrying out the work. A further report  
will be submitted on this matter at the next meeting.

(B) Letter from Messrs. R. H. King & Co. intimating that Mr. Ramsbotham had assigned all his estate  
and property to Mr. E. H. Hawkins under a deed dated 29th November, 1921.

Your Committee have duly noted this communication.

4.—BITTACY HILL :

That they received a report from the Surveyor with plans of proposed Flats at Bittacy Hill, Mill Hill.

After careful consideration of such report, your Committee generally approve of the plans submitted,  
but have requested the Engineer to submit a further report as to the detailed cost.

## Report of Housing Committee, No. 2.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 2nd day of  
October, 1922. Present: Mr. Councillor Ford (Chairman), Councillors Miss Growse, Mrs. Bannister, Mrs. Har-  
graves, Hearn, Holt, Sear, and Sturgess. (Councillors Cartwright, Roberts and Wise were engaged at another  
Committee).

Your Committee beg to report as follows:—

1.—BRENT HILL FARM ESTATE :

(A) Letter from the Ministry of Health approving of the plans of 20 houses proposed to be erected at  
the Brent Hill Farm Estate and returning one copy of plans duly stamped with a note of such  
approval.

Your Committee have duly noted this communication.

(B) TENDERS—20 HOUSES : That they gave careful consideration to a report from the Architect in re-  
ference to the three lowest tenders submitted for the erection of the remaining 20 houses at Brent  
Hill Farm, viz. :—

Nos. 1, 2, and 6, together with revised tenders in the event of the Council deciding to erect all  
the houses of Class A (2) type, with a living room and two bedrooms.

	Perry Bros. £	Groom, Son and Co., Ltd. £	A. Cole, Ltd. £
Original tender (including hot water installations)	6550	6952	7340
Saving if all houses are Class A 2 type	200	430	380
Revised tender	£6350	6522	6960
Deduction if hot water installations form separate contract	150	80	98
Modified tender	£6200	6442	6862

After careful consideration of the report of the Architect in regard to such tenders, and having due regard to the representation made by the Tenants Sub-Committee as to the type of house generally desired, your Committee came to the conclusion that the whole of the houses should be of the two bedroom type.

They therefore

RECOMMEND, subject to the approval of the Ministry of Health,

- (1) That the tender of Messrs. Perry Bros. be accepted for the erection of twenty houses of the two bedroom type at the sum of ~~£6,550~~ £6,200.
  - (2) That the tender of Mr. James Finch be accepted for the hot water installation at the price of £9 14s. 0d. per house
  - (3) That the tender of the Gas Light and Coke Company for gas installation be accepted at the price of £9 per house.
- (c) PARK ROAD—JUNCTION—STURGESS AVENUE: Report from the Architect as to the rounding off of the corner of the roadway at the junction of Park Road and Sturgess Avenue as shewn on a block plan submitted to your Committee.

Your Committee approved of the suggestion and instructed the Architect accordingly.

- (d) STURGESS AVENUE: In regard to 2 houses, Nos. 271 and 272 on plan, situate in Sturgess Avenue, the gardens of which were shortened by a ditch taking surface water from the roads the Architect suggested that in order to satisfactorily dispose of the storm water, the ditch at the bottom should be piped in and the piece of land shown on the plan measuring approximately 84 square yards and which formed part of an adjoining field should, if possible, be acquired and added to the gardens of these houses.

Your Committee approved of the suggestion and instructed the Architect and Engineer to negotiate in regard thereto.

## Report of Fire Brigade Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 25th day of September, 1922. Present: Councillor Rev. Dr. Macgowan (in the Chair), and Councillors Miss Growse, Penn, Hearn, Hill, Holt, Taylor and Winny.

Your Committee beg to report as follows:—

- 1.—PETROL AND CARBIDE OF CALCIUM: Letter from the Home Office as to the provisions of an Order in Council applying certain parts of the Petroleum Acts to Carbide of Calcium.  
Your Committee are informed that a copy of the Order has been furnished to the Officers dealing with the matter, and have duly noted the same.
- 2.—BRIGADE—PAY AND CONDITIONS OF SERVICE: Your Committee have again adjourned the consideration of this matter to their next meeting.
- 3.—CENTRAL STATION: That they received a report from the National Boiler Assurance Company as to an examination of the hot water supply boiler at the Central Fire Station.  
Your Committee are informed that the matters referred to in the report have received attention and have duly noted the same.
- 4.—CELLULOID AND CINEMATOGRAPH ACT: Letter from the Home Office as to the provisions of the Celluloid and Cinematograph Act, 1922, which would come into operation on the 1st October next.  
The Act applied to premises where raw celluloid and Cinematograph films were stored, but certain exceptions were referred to in the circular.  
The Department requested the Council to ascertain the places within its District which would come under the provisions of the Act at the earliest possible date.  
Your Committee have instructed the Chief Officer to submit a report to the next meeting of the Committee.
- 5.—AMBULANCE: Your Committee received a report in regard to the Ambulance charges, etc., and decided that this matter should be considered at the next meeting of the Committee.
- 6.—FIRES: The Chief Officer submitted a report as to fires attended since the last meeting of the Committee, also a report as to petrol consumption, but such report called for no special remark.  
In the case of a fire at Burnt Oak a report was received from the Superintendent, and your Committee have noted the same.
- 7.—WATER PRESSURES: The Chief Officer submitted a report as to water pressures taken since the last meeting of the Committee. The Committee have duly noted the same.
- 8.—FIRE HYDRANTS: Report from the Chief Officer that since the last meeting two fire hydrants had been fixed, one at Woodlands Crescent, near No. 29 on the north side, and one at Brent View Road, facing No. 1.

9.—**BRIGADE STORES:** The Chief Officer reported as to stores required for the Brigade, and your Committee approved the same.

10.—**FIRE CERTIFICATES:** Report from the Chief Officer as to an application for the issue of a fire certificate in respect of General Motors, Ltd., in connection with their factory at Aerodrome Road, The Hyde.

Your Committee are informed that an inspection of the premises has been made and that the exits are satisfactory.

Your Committee

**RECOMMEND—**That the Common Seal of the Council be affixed to a fire certificate in respect of premises occupied by General Motors Ltd.

11.—**BOOTH ROAD FIRE:** The Chief Officer reported the receipt of a communication from Grahame White Company as to an account for £1 13s. 10d. for water supplied on the occasion of the fire at the Titanine Factory in July, 1921.

After careful consideration of the report of the Chief Officer in regard to the fire, in question, your Committee

**RECOMMEND—**That the Company be informed that the Council regret they are unable to admit any liability in connection with the claim.

12.—**APPLICATIONS TO JOIN BRIGADE:** Report from the Chief Officer that a number of applications had been received to join the Fire Brigade. The same had been placed on a reserve list. **NOTED.**

13.—**MOTOR FIRE ENGINE, No. 1:** Report from the Chief Officer that Motor Fire Engine No. 1 had been thoroughly overhauled and repairs carried out where necessary.

The cost of the materials amounted to £42 15s. 7d. and the work had been carried out by the Staff at the Station.

Your Committee note with satisfaction that the work of repair was carried out by the Staff at the Station.

14.—**MEDALS.**—The Chief Officer submitted a list of medals to be awarded to various firemen.

Your Committee have requested the Chairman of the Council and the Chairman of the Committee to confer upon this matter and arrange a date for presentation of the medals.

15.—**CENTRAL STATION QUARTERS:** Application was received from F. Norton, Motor Mechanic, to be granted married quarters in the Central Station when next available.

Your Committee

**RECOMMEND—**That in the event of a vacancy occurring in the Central Station that Motor Mechanic F. Norton be allowed married quarters.

16.—**PETROL STORES:** That they received applications for licences to store petrol as follows:—

A. Hirst	1,000 gallons.
H.W.D. Motor Company	500 gallons.
Robinsons Ltd.	100 gallons.

Your Committee

**RECOMMEND—**That in the case of Messrs. Robinson, of Oak Grove, Cricklewood, that a licence be granted.

In regard to the applications of H.W.D. Motor Company and Mr. Hirst, your Committee

**RECOMMEND—**That these applications be disapproved.

## Report of General Purposes Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen.—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 2nd day of October, 1922. Present: Mr. Councillor Hill (Chairman), and Councillors Egan, Holt, Taylor, and Winny. (Councillors Miss Growse, Mrs. Bannister, and Ford were engaged in a Special Meeting of the Housing Committee). Mr. Councillor Wise was engaged with the Housing Sub-Committee.

Your Committee beg to report as follows:—

### 1.—SHOPS (EARLY CLOSING):

(a) Letter from the Under Secretary of State for the Home Office, in regard to the Shops (Early Closing) Act, 1930, which had been included in the Expiring Laws Act, 1922, and received Royal Assent on the 4th August last. The Act which would otherwise have lapsed at the end of the present year therefore remained in force, as amended by the Shops (Early Closing) Act (1920) Amendment Act, 1921, until the 31st December, 1923.

Your Committee have duly noted the same.

- (b) Report from the Shops Inspector in regard to certain minor infringements of the Shops Act and as to the action taken by him with a view to securing compliance with the Act.

The Inspector referred to sales of goods which had taken place in the district on Sundays after the hour of 8 p.m. and to the recent decision of the Marylebone Magistrate that Sunday was a "week-day" within the meaning of the Act, and that sales were legal up to 9.30 p.m. Your Committee are informed that an appeal had been lodged by the London County Council against such decision, but had not been decided.

With regard to the sales in the district, referred to by the Inspector, your Committee have instructed the Inspector as to the action to be taken in connection with the matter.

- 2.—CHARITY—MRS. BURGESS' NURSERY: Letter from the Secretary, Charity Commission, accompanied by a copy of the scheme for the establishment and regulation of the Charity known as Mrs. Burgess' Nursery, and asking to be furnished with particulars of any appointments of Trustees which might be made by the Council in pursuance of Clause 4 of the Scheme.

It will be remembered that the Council appointed Mr. Councillor Roberts as the Representative Trustee under the Scheme, and the Charity Commission have been informed accordingly.

Your Committee have duly noted the same.

- 3.—EMPLOYMENT: Letter from Mr. W. R. Bousfield, Chairman of the Hendon Local Employment Committee, transmitting a copy of a report of the work of the Selection Sub-Committee who undertook the interviewing of applicants for employment on Arterial Road Schemes. (A copy of such report was circulated amongst the members of your Committee).

Your Committee note the contents of such report with satisfaction.

In his communication, Mr. Bousfield referred to an invitation which had been extended by his Committee to the Minister of Labour to view the work in connection with the North Circular Road, and he expressed the hope that the Council would be represented by their Chairman, on the occasion of the visit of the Minister of Labour.

Your Committee consider that the Chairman should be asked to meet the Minister of Labour, as suggested by Mr. Bousfield, and they requested the Clerk to communicate with him in regard thereto.

- 4.—WAR PENSIONS ACT: The Clerk reported that the following supplemental scheme, which had been framed by the Council in connection with the constitution of the Local War Pensions Committee, had been approved by the Minister of Pensions.

#### WAR PENSIONS ACTS, 1915 to 1921.

SUPPLEMENTAL SCHEME framed by the Hendon Urban District Council revising the Scheme (hereinafter referred to as "the original scheme") framed by the Council on the 25th day of July, 1916, regulating the constitution of the Local Committee for the Urban District of Hendon and revised by the Supplemental Scheme framed by the Council on the 8th day of March, 1920.

1. Article 3 of the Original Scheme shall be revised so as to provide that each Member of the Committee whose term of office shall expire during the present year shall continue in office until the date at which the Committee cease to exist by operation of Section 1 (1) of the War Pensions Act, 1921, or until the expiration of one year from the date of this Supplemental Scheme, whichever is the earlier.

2. This Supplemental Scheme shall be construed as one with the Original Scheme.

Adopted by the Council this 26th day of June, 1922.

(Signed) HENRY HUMPHRIS,

Clerk to the Council.

The foregoing Supplemental Scheme has been approved by the Minister of Pensions this 19th day of July, 1922.

(Signed) GEORGE CHRYSTAL,  
Secretary to the Ministry of Pensions.

Your Committee have duly noted the same.

- 5.—TOWN HALL:

- (A) Letter from Mr. J. Anderson, Secretary to the Hendon Education Committee, in reference to the recent Middlesex Elementary Schools Sports Championship Meeting, from which it appeared the Hendon Schools had become first holders of the "Forrester Clayton" Shield, and application had been made to the Committee by the School Sports' Association for the shield to be deposited at the Town Hall.

The Education Committee made enquiry whether the Council would allow the Shield to be hung in the Council Chamber, the trophy being insured by the Middlesex Schools Sports' Association.

Your Committee

RECOMMEND—That the Council accede to the request and that the Hendon Education Committee be informed accordingly.

- (B) Letter from Mr. B. G. Drummond reporting as to the result of his test of the electricity installation in the building in connection with the Certificate required by the Middlesex County Council to accompany the Council's application for the renewal of their Music and Dancing Licence for the ensuing year.

It appeared from such report to be desirable that the installation should be overhauled.

After due consideration of the report, your Committee

RECOMMEND—That Mr. Drummond be asked to thoroughly overhaul the electrical installation and submit a report thereon in due course.

Secretary of the Hendon Ratepayers' Association, asking to be supplied with certain particulars in regard to the transaction of the Council with the London Electric Railway Company in connection with the exchange of lands at the Park for the extension of the Tube railway.

Your Committee have instructed the Clerk to submit a report upon the matter to the Council in Committee on Monday next.

7.—CLAIMS:

(A) Letter from the National Amalgamated Approved Society in regard to an accident alleged to have occurred to one of their members, Mr. E. A. Smith, of Deerfield Cottages, West Hendon, whilst engaged on work connected with the construction of the North Circular Road.

Report from the Surveyor that the matter had been referred to the Insurance Company, and they had intimated their intention to pay compensation to the injured man.

Your Committee have left the matter in the hands of the Surveyor to make the necessary arrangements in regard thereto.

(B) Letter from the Provident Accident and Guarantee Company, Limited, in regard to an accident to a car belonging to Miss A. Cohen, of 62, Finchley Road, alleged to have been caused as a result of a collision with a vehicle belonging to the Council.

The Clerk reported that the matter had been referred to the Surveyor, who stated that he had been in communication with the Insurance Company and Miss Cohen some time since relative to the alleged accident, but definite information was not yet forthcoming.

Your Committee have duly noted the same.

8.—EXTENSION OF TUBE RAILWAY, ETC.: Letter from Mr. N. D. Macduff complaining of the existing Tube Railway service, and also in regard to the demolition and alleged depreciation of property owing to the extension of the Tube Railway overhead, and making enquiry as to the steps taken by the Council in connection with the matter.

Report from the Clerk that he informed Mr. Macduff that when the Statutory Powers were obtained the Council took all necessary steps for the protection of the ratepayers, and further that plans showing the method proposed to be adopted in connection with the extension of the Tube had been deposited at the Town Hall at that time.

Your Committee

RECOMMEND—That Mr. Macduff be informed that the persons who undertook building development in the neighbourhood of the Tube Railway extension did so with the full knowledge of the advent of the railway and its character.

Mr. Macduff also referred to the proposal to carry out private street improvement works in The Vale, and suggested that trees should be planted in the road.

Your Committee

RECOMMEND—That Mr. Macduff be informed that the suggestion will receive consideration when the improvement works are carried out in the road.

9.—HENDON PARK ROW: Letters from Mr. S. Harris and Mr. J. Waterman, residents of Temple Gardens, Golders Green, complaining of annoyance from children playing in the thoroughfare connecting Hendon Park Row with Temple Gardens.

After due consideration of the matter, your Committee

RECOMMEND—That the matter be referred to the Police, and that Messrs. Harris and Waterman be informed of the action proposed to be taken.

10.—PUBLIC AUTHORITIES SUPPLIES: Letter from Mr. C. W. Tagg, Town Clerk, Camberwell, Manager and Hon. Secretary (pro tem.) of the Public Authorities Mutual Supplies, Ltd., forwarding particulars of the proposals of the organisation which had been established to enable public bodies to obtain goods, articles, and materials required for their various purposes.

Your Committee have referred the communication to the Surveyor for consideration.

11.—APPEAL: Letter from the Organising Secretary, Appeal and Publicity Department, British Legion, relative to the proposed organisation for the sale of Flanders Poppies on "Remembrance Day," November 11th, and seeking the assistance of the Council with a view to a local collection being undertaken.

Your Committee have requested the Clerk to approach Councillor Miss Growse, who has kindly undertaken work of this character on previous occasions, with a view of securing her co-operation in the sale of Flanders Poppies in this district on the date named.

12.—ELECTRICITY SUPPLY BILL: Letter from Mr. A. J. Lees, Secretary to the Urban District Councils' Association, relative to the Electricity Supply Bill dealing with the limitation of powers of Joint Electricity Authorities in areas of Power Companies.

Your Committee have duly noted the communication.

13.—RATES OF PAY: The Clerk reported the receipt from the Hon. Secretary of the Local Authorities Section of the Public Works Conciliation Board of a statement of rates of pay within the Metropolitan Police District, a copy of the statement had been referred to the Surveyor.

Report from the Surveyor that no alteration in the existing rates of pay was contained therein.  
Noted.

14.—HOARDING:

(A) MILL HILL STATION: That they gave further consideration to the question of the hoarding erected by the Midland Railway Company at Mill Hill Station, together with reports from the Officers in regard thereto (the matter having been referred back to your Committee at the Council Meeting on the 24th July last).

In view of the fact that the Council cannot deal with the hoarding under the bye-laws made under the Regulation of Advertisements Act, 1907, your Committee cannot recommend the Council to take any action in connection with the matter.

- (b) CRICKLEWOOD LANE: Consideration was also given to the question of a hoarding recently erected at Cricklewood Lane which was referred to your Committee at the meeting of the Council held on the 24th July last.

Report from the Surveyor in regard thereto.

Your Committee regret they are unable to recommend the Council to take any action in connection with this structure.

- 15.—UNEMPLOYMENT (RELIEF WORKS) ACT, 1920: The Clerk reported the receipt of a notice to treat from the County Solicitor in connection with the land required by the Middlesex County Council for the widening of Kingsbury Lane.

Your Committee have referred the matter to the Surveyor, and have requested him to prepare a claim for submission to the County Council in connection therewith.

- 16.—CURTAINS—TOWN HALL: The Surveyor submitted estimates for the provision of new curtains at the Town Hall, and your Committee have deferred the consideration thereof until their next meeting.

### Report of Highways Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 2nd day of October, 1922. Present: Mr. Councillor Egan (Chairman), and Councillors Miss Growse, Mrs. Bannister, Ford, Hill, Holt, Taylor, Winny and Wise.

Your Committee beg to report as follows:—

#### 1.—CLASSIFICATION OF ROADS, ETC.:

- (a) Letter from the Clerk to the Middlesex County Council accompanied by an extract from a report of the Highways Committee, which had been approved by the County Council, upon the subject of the Classification of Roads.

It appeared from such report that the Committee were of opinion that the control and upkeep of classified roads should be vested in one body, in view of the desirability, particularly from the point of view of economy, and for securing consideration and arrangement of road questions comprehensively.

The Committee also referred to the view expressed by the Ministry of Transport as to the desirability of "maining" all Classified Roads, and advanced various reasons in favour thereof, being of opinion that it was the best possible policy to adopt, provided the local authorities, in certain cases, would agree to refrain from exercising their right to claim to maintain such roads under the provisions of Section 11 (2) of the Local Government Act, 1888, thus bringing the control of the roads within the jurisdiction of the County Council.

The recommendations contained in the report of the Highways Committee of the County Council referred to above are as follows:—

That the County Council approves in principle of the "maining" of all roads in the County, not at present main roads, which have been classified by the Ministry of Transport for the purposes of grants into Classes 1 and 2.

That an intimation be given to the Local Authorities in the County that the County Council will be prepared to consider favourably all applications which may be made for "maining" roads classified into Categories 1 and 2, provided that the Local Authorities which have the right to claim to maintain the roads under the Local Government Act, 1888, agree to refrain from exercising that right, and, in the case of those Authorities who have already exercised that right in respect of existing main roads, they agree to relinquish such right.

The County Council asked for the observations of the Council upon the matter.

Report from the Surveyor in regard thereto.

After careful consideration of the matter, your Committee

RECOMMEND—That the County Council be informed that this Council are not in favour of the proposition put forward by them, and intend to retain their rights as the Highway Authority for the district.

- (b) Letter from the Middlesex District Councils' Association relative to a proposal to hold a meeting of the Executive Committee of the Association at the Guildhall, Westminster, on Monday, the 9th inst., at 3 p.m., when the proposition of the Middlesex County Council relative to the classification of roads would be under consideration.

The Association suggested the attendance of representatives at that meeting.

In view of the recommendation now submitted your Committee do not propose to be represented at the Conference.

- (c) Letter from the County Engineer and Surveyor upon the subject of plant charges for the year ended 31st March, 1922, in connection with the maintenance of Main, Light Railway, and Subsidised Roads, from which it appeared that the County Council had adopted the Ministry of Transport's schedule of charges for the use of plant, and, in view of the recent decision of the Ministry that those rates would be applicable to the year ended 31st March, 1922, it would be necessary for adjustments to be made in accordance with the charges, upon the audit of the Council's accounts.

The County Engineer and Surveyor made reference to the allowance which would be made by the County Council in respect of team labour, together with an addition for the use of the Council's plant in connection therewith, also the question of the allowance for tar-painting plant and the use of small tools, except in the case of works carried out by Contract.

Your Committee have duly noted the contents of such communication.

- 2.—TRAFFIC FACILITIES: Letter from the Commissioner of Police of the Metropolis in reply to the suggestion of the Child's Hill Ratepayers' Association for the passing of a bye-law prohibiting drivers of all vehicles intending to pass on the near side of a tram car standing at a stopping place, from doing so, until the tram car was again in motion.

The Commissioner stated that as heretofore the Police will do all in their power to enforce the provisions of the law in cases of dangerous driving, in order to secure the safety of persons using the highway.

Your Committee have given the matter consideration generally and are of opinion that an improvement could be effected in connection with the stoppage of motor 'bus traffic outside "The Castle," Child's Hill.

They therefore

RECOMMEND—That a communication be addressed to the Commissioner of Police suggesting that the stopping of motor buses outside "The Castle" to pick up and set down passengers be discontinued, and provision made for the buses to stop 50 or 60 yards further along the Finchley Road.

- 3.—PUBLIC CARRIAGE STAND, GOLDERS GREEN: The Clerk reported the receipt of a notice from the Commissioner of Police appointing a stand for 10 Hackney Carriages at North End Road, Golders Green, in lieu of the stand for 6 Hackney Carriages.

Your Committee have duly noted the same.

- 4.—ROADWAY—GOLDERS GREEN:

- (A) Letter from Messrs. Edmondsons Ltd., in reply relative to the complaint made to the Council as to the practice of certain tradesmen accumulating rubbish in the Accommodation Road, at the rear of the shops in Golders Green Road, running between Golders Green Crescent and Hoop Lane.

Messrs. Edmondsons intimated that it was their intention to call upon the owners concerned to discontinue the practice complained of, and they intimated that they would do all they could to prevent a recurrence of the nuisance.

Your Committee have duly noted the same.

- (B) Letter from Mr. F. G. Kipping complaining of the alleged untidy appearance of The Promenade, Golders Green, and as to the annoyance caused by accumulations of paper, etc., in the neighbourhood.

Report from the Clerk that the matter had been referred to the Surveyor, and the Surveyor reported that the same had been dealt with.

- 5.—HIGHWOOD HILL—DEDICATION OF LAND: Letter from Mr. A. L. Howard relative to the completion of the arrangements in connection with the dedication of land for the carrying out of widening and improvement works at Highwood Hill.

With regard to the amount paid to Mr. Howard for the surrender of his land (£100), he intimated that he had forwarded this sum as a donation to the Babies' Home, Snaresbrook.

Your Committee have duly noted the same.

- 6.—FOOTPATH—ORANGE HILL TO MILL HILL: Letter from Mr. G. Compton complaining of the condition of the footpath from Orange Hill to Lyndhurst Avenue, particularly the lower portion where it was alleged the water from an adjacent stream flooded the footpath after a rainfall.

Report from the Clerk that the matter had been referred to the Surveyor, and the Surveyor reported that he had piped in the ditch in question and the complaint had been remedied.

Your Committee

RECOMMEND—That Mr. Compton be informed of the action taken by the Surveyor in the matter.

- 7.—COLINDALE AVENUE: Letter from Mr. R. A. B. Teare, on behalf of the Trustees of the Wesley Hall, Colindale, making application for permission to have an indicator fixed to the sewer ventilator in Colindale Avenue, near Booth Road, directing the public to the Wesley Hall.

Your Committee

RECOMMEND—That the application be approved, subject to the Trustees agreeing to pay a nominal annual rental of 1/- for the privilege.

- 8.—BITTACY HILL: Letter from Messrs. Cooper Bake & Co. relative to building operations proposed to be undertaken by their Clients at Bittacy Hill.

Your Committee were informed by the Surveyor that the plans relating to such building operations were approved at the last meeting of the Town Planning Committee.

Messrs. Cooper Bake & Co. referred to a suggestion of the Surveyor that the building line should be behind the existing hedge, to which their Clients had no objection, but they alleged that the strip of land between the hedge and the road was the property of their Clients. They were, however, prepared, in the event of a proposition being put forward, for the Council to take over the strip of land in question, subject to satisfactory terms being agreed.

Report from the Surveyor in regard to the matter.

After due consideration thereof, your Committee

**RECOMMEND**—That Messrs. Cooper Bake & Co. be informed that the strip of land in question was the greensward forming part of the highway.

9.—**TREE—BRENT STREET**: Letter from Mr. C. W. Guignard complaining of the alleged dangerous condition of one of the trees in Brent Street, situate near his premises.

Report from the Surveyor in regard thereto.

After due consideration of the matter, your Committee

**RECOMMEND**—That the tree in question be removed, subject to Mr. Guignard agreeing to bear the expense which would be incurred in connection with such removal.

10.—**DRINKING TROUGHS**:

(a) **BURNT OAK**: Letter from the Clerk to the Middlesex County Council in reply to the suggestion for the provision of a drinking trough in the Edgware Road in the neighbourhood of Burnt Oak, intimating that the County Council were dealing with the matter with a view to the provision of such a trough.

Your Committee have duly noted the contents of this communication.

(b) Letter from the Child's Hill and Golders Green Ratepayers' Association advocating the provision of a drinking trough in the neighbourhood of the Cross Roads, Golders Green, and asking the Council to find a site for the same.

Your Committee consider that it might be practicable to place a trough at the junction of Hoop Lane and Finchley Road, and they

**RECOMMEND**—That the Outdoor Committee take the matter into consideration.

They further

**RECOMMEND**—That the Child's Hill Ratepayers' Association be informed that the matter is receiving the attention of the Council.

11.—**PUBLIC LIGHTING**:

(a) Letter from Mr. T. A. Davison requesting the Council to provide additional lighting accommodation in Greenfield Gardens.

Your Committee are informed by the Surveyor that the matter has been dealt with, lamps being erected in the road as the building operations proceeded therein. Noted

(b) Letter from the Child's Hill and Golders Green Ratepayers' Association pointing out the need of a lamp in the passageway leading from Hodford Road to Nant Road.

After due consideration, your Committee

**RECOMMEND**—That the lamp be fixed in due course as suggested, and that the Association be informed accordingly.

(c) The Clerk reported the receipt of a Petition signed by Mr. F. Dymock and twelve other residents in Elmercroft Avenue complaining of the existing lighting arrangements in the road, and urging the Council to take steps to improve the same.

Your Committee have instructed the Surveyor to submit a report upon the matter at their next meeting.

(d) Letter from the Hampstead Heath Extension Tenants Ltd., in regard to the new road, known as "Northway," situate between Bigwood Road and Central Square, and requesting the Council to provide lighting accommodation therein.

Report from the Surveyor from which it appeared that no building development had taken place in the road in question.

Your Committee

**RECOMMEND**—That the Hampstead Heath Extension Tenants, Ltd., be informed that the Council are unable to undertake the erection of Public Lamps in undeveloped roads such as Northway Road.

(e) Report from the Surveyor that in view of the building development which had taken place in the undermentioned roads in the district lamps had been erected as follows:—

Your Committee have duly noted such report.

- 12.—**SHIREHALL LANE—PROPOSED NEW BRIDGE:** Report from the Surveyor in regard to the work now being carried out by the Council in connection with the diversion of the River Brent and as to the necessity for the demolition of the existing narrow bridge over Shirehall Lane and the erection of a wider one in place thereof.

It will be remembered that arrangements are now being made to obtain the necessary land to widen Shirehall Lane to a width of 50 feet from Brent Street to the point where it joins the North Circular Road, it being therefore desirable that the new bridge should also be of the width referred to.

The Surveyor submitted plans prepared by the County Engineer for the construction of a suitable bridge 50 feet in width, the total cost thereof being estimated at £2,000 of which sum the County Council were prepared to bear one-half of the cost.

Your Committee

**RECOMMEND**—That the proposal be approved, and that the Council undertake to bear one-half of the cost of the proposed Bridge and for that purpose application be made to the Ministry of Health for sanction to a loan of £1,000.

- 13.—**QUEEN'S ROAD, PARK ROAD, AND VIVIAN AVENUE—WIDENING OF:** The Surveyor submitted a report as to his further negotiations with the Solicitors to Sir Audley Need in connection with the proposed widening of Queen's Road, Park Road, and Vivian Avenue, from which it appeared they were prepared to agree to the suggestions of the Council in regard thereto.

The Surveyor also submitted the heads of a suggested agreement to be entered into in connection with the matter.

Your Committee consider that the project should be proceeded with, and

**RECOMMEND**—That a draft agreement embodying the agreed terms be prepared and brought up for consideration at the next meeting of the General Purposes Committee.

- 14.—**GOLDERS GREEN ROAD—ENCROACHMENT:** Report from the Surveyor in regard to the erection of a wall outside the hedge forming the boundary of No. 153, Golders Green Road, such wall projecting about two feet into the public highway. The Surveyor stated that he had served a notice upon Mr. Humphries, of Lichfield Grove, Finchley, the person responsible for the work, requiring him to remove the same, and further intimating that he would be held responsible for any accidents which might arise through the existence of the structure.

Your Committee confirmed the action of the Surveyor.

They

**RECOMMEND** further—That Mr. Humphries be served with a notice to show cause why the structure should not be removed, altered, or pulled down.

- 15.—**FINCHLEY ROAD:** Letter from Mr. Stafford Aston making suggestions for the widening of the Finchley Road, opposite the entrance to the Tube railway, and advocating the provision of a street refuge in the vicinity.

Your Committee have no recommendation to make upon the matter.

- 16.—**TREE—GOLDERS GREEN ROAD:** Letter from Messrs. Lewis and Burrows, Ltd., as to their intention to open business premises at the junction of Golders Green Road and Armitage Road, and requesting the Council to remove the tree existing at this spot.

Report from the Surveyor in regard thereto.

After due consideration thereof, your Committee

**RECOMMEND**—That Messrs. Lewis and Burrows be informed that the Council regret they cannot see their way to accede to their application.

- 17.—**ADVERTISING ON STREET STANDARDS:** Letter from the University Advertising Service seeking the permission of the Council to utilise street standards for advertising purposes, and submitting terms in connection with the proposition.

Your Committee cannot recommend the Council to entertain the proposal.

- 18.—**REQUISITIONS:** The Surveyor submitted a requisition of goods required in his Department, and the same were duly approved.

## Report of Outdoor Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they held a Meeting on Friday, the 22nd day of September, 1922. Present: Mr. Councillor Taylor (Chairman), Councillors Miss Growse, Cartwright, Egan, Hearn, Rev. Dr. Macgowan, Roberts, Soar, and Weeks.

Your Committee beg to report as follows:—

- 1.—**SUNNY HILL FIELDS:** That they made an inspection of the newly acquired Pleasure Ground and gave consideration to the Petition from owners and residents in Sunningfields Road as to the playing of games in the Pleasure Ground and also the application of Mr. G. E. Collier for a football pitch for the boys attending St. Mary's School.

Your Committee considered generally the question of the lay-out of the Pleasure Ground and in particular the fencing of the public footpath and the land for forming the approach road from Hall Lane, but they do not consider that it is necessary at present to expend any large sum of money on the ground in fencing or formation of approach roads.

They RECOMMEND—

- (1) That at the entrance to the ground from Church End a short length of unclimable iron fencing be erected with suitable entrance gates to the ground.
- (2) That twelve public seats be procured and placed in suitable positions along the top of the field at the rear of Sunningfields Road.
- (3) That a line of suitable plane, birch and lime trees be planted between the seats to be provided as above.
- (4) That in the lower part of the ground two See Saws, two Swings, two Parallel Bars, and two Horizontal Bars be fixed and that a sand pit be formed similar to that in the Hendon Public Park.

In regard to the playing of games in the pleasure ground, your Committee do not consider that any set pitches should be provided for football or cricket.

Your Committee

RECOMMEND—That the Surveyor provide suitable Notice Boards for the exhibition of copies of the Council's Bye-Laws regulating Pleasure Grounds.

## Report of Finance Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 2nd day of October, 1922. Present: Mr. Councillor Cartwright (Chairman), Councillors Mrs. Hargraves, Fenn, Hearn, The Rev. Dr. Macgowan, Roberts, Sturgess, Soar, and Weeks.

Your Committee beg to report as follows:—

- 1.—**ACCOUNTS:** That they received a statement of accounts from the Colne Valley Water Company to the 30th June, 1922. Your Committee have duly noted the same.
- 2.—**AUDIT:** Report from the Clerk as to the receipt of notice of Audit of the Accounts of the Council for the year ended 31st March, 1922, to commence on the 18th instant. Your Committee have duly noted the same.
- 3.—**PUBLIC CONVENIENCE:** Letter from the Ministry of Health transmitting formal sanction to the borrowing of the further sum of £1,736 for the construction of an underground convenience at the junction of Bell Lane and Brent Street.

Your Committee have duly noted this communication and

RECOMMEND—That the Accountant take steps in due course to raise the necessary loan.

- 4.—**GAS—PRICE OF:** Letter from the Gas Light and Coke Company intimating that the price of gas had been reduced from 1s. 1d. to 11d. per therm as from the reading of the meters of June Quarter.

Under the terms of the Company's communication of February, 1920, the increase in the charge for street lighting as from 1st July, 1922, would be reduced from 180 per cent. to 130 per cent.

Your Committee have duly noted this communication.

Letters were received from Mr. G. F. M. Cocks and Mr. B. Taylor complaining of the high cost of gas to consumers owing to the adoption of the system of charging at per therm and requesting the Council to make representation upon the matter.

Your Committee

RECOMMEND—That the Clerk report in regard to these communications.

5.—ROAD GRANTS: Letters were reported from the Ministry of Transport as to grants towards the improvement and maintenance of roads in this district, viz.:—

Class 1 Roads	... ..	£174
Class 2 Roads	... ..	£1110
Road Tarring	... ..	£225
Road Improvements	... ..	£106

Your Committee have duly noted this communication.

6.—HOUSING GRANT: Report from the Clerk as to a communication from the Ministry of Health as to issue of a grant of £3,500 on account of Exchequer Subsidy under the Housing Acts.

Your Committee have duly noted this communication.

7.—HIRE OF ROOMS:

(A) That they had under consideration an application from Mr. J. A. Gregsten, who had booked the rooms at the Town Hall for a series of dances.

Your Committee are informed that Mr. Gregsten's bookings extended up to the 4th November at present, and he desired to continue to the end of the year, and also to 31st January, 1923.

Letters were received from the Brampton Lawn Tennis Club as to their desire to book certain dates, also from Mr. Dell, on behalf of the Hendon Football Club, applying for the rooms on the 11th November.

Your Committee have given careful consideration to the question of advance bookings of rooms at the Town Hall, and they now

RECOMMEND—That no bookings for a series be granted in future beyond one month, or for more than four consecutive bookings.

In regard to the provisional bookings by Mr. Gregsten from November 4th to the end of the year, your Committee cannot see their way to grant the whole of the dates applied for. They

RECOMMEND—That Mr. Gregsten be granted the use of the rooms on alternate weeks up to the end of the year.

In regard to the application of the Hendon Town Football Club for the use of the rooms on the 11th November, your Committee agreed to accede to this application.

(B) An application was also received from the Hendon Hockey Club applying for the use of the dressing rooms at the Town Hall on Saturday afternoons.

Your Committee are unable to recommend the Council to accede to this application.

8.—SUNNY HILL FIELDS: Report from the Clerk as to the receipt of a communication from the Ministry of Health in reference to the contribution of the Middlesex County Council of £1,218 towards the purchase of Sunny Hill Fields.

The Ministry suggested that the amount received from the County Council should be invested and the proceeds applied towards the Annual Payments in respect of the Loan.

Your Committee have received a report from the Accountant that an amount of £218 had been expended in excess of the loan and in view of the fact that the grant from the Middlesex County Council was £1,218 he suggested that the £218 should be applied against the excess expenditure and allow the £1,000 to be invested pending the laying out of the ground.

Your Committee approved of the proposal, and

RECOMMEND—That application be made to the Ministry accordingly.

9.—HOUSING BONDS: Report from the Accountant that he had received formal transfer of Housing Bonds <sup>146 and</sup> 147.

Your Committee have duly noted this report, and

RECOMMEND—That a new bond be issued in place thereof.

10.—RATES—REMISSION OF: Report from the Accountant in reference to remission of rates in respect of the following premises:—

Middlesex Regimental Cottages	1 8 6	1 8 6
Nicholls Alms Houses	1 8 6	1 8 6
Daniels Alms Houses	2 7 6	2 7 6
	<u>£5 4 6</u>	<u>£5 4 6</u>

Your Committee

RECOMMEND—That the above mentioned rates in respect of such premises be remitted.

- 11.—ARCHFIELD ALLOTMENTS: That they received a report from the Accountant in reference to the allotments at Archfields from which it appeared that the tenants had not completed the Council's agreement neither had the rents been paid.

Your Committee

RECOMMEND—That the Accountant communicate with the Allottees requiring payment of the rents forthwith and the completion of the agreements and report the position of the matter at the next meeting of the Committee.

- 12.—CONTRACTORS' CERTIFICATES: The Engineer submitted certificates in favour of Contractors as follows, such certificates being included in the accounts for payment:—

	£	s.	d.

**GAS—PRICE OF:** Upon consideration of paragraph No. 4 of the report of the Committee and the sub-paragraph thereof relative to the communications received from Messrs. Cocks and Taylor complaining of the present high cost of gas alleged to arise owing to the adoption of the system of charging at per therm, and the recommendation of the Committee that the Clerk should submit a report in regard to such communications, the Clerk stated that the Council had the right to make representation to the Board of Trade upon the matter, several local authorities having already adopted this course, the Board of Trade on their part, might, if they thought fit, hold an Inquiry with a view of investigating the matter.

Mr. Councillor Hill thereupon moved:—

That in view of the report of the Clerk that representation be made to the Board of Trade calling attention to the fact that the thermal method of computing the charges for gas appeared in working to be much more expensive than the previous method of charging at per thousand cubic feet, and that the Board of Trade be asked to cause investigation to be made in regard thereto.

Councillor The Rev. Dr. Macgowan seconded the motion.

Upon the motion being submitted to the meeting the Chairman declared the same to be carried unanimously.

**HIRE OF ROOMS:** Upon consideration of paragraph No. 7 of the report of the Committee in regard to the hire of the rooms at the Town Hall by Mr. Gregsten for a series of Dances, and to the recommendation of the Committee that Mr. Gregsten be granted the use of the rooms on alternate weeks up to the end of the present year.

Mr. Councillor Hearn moved:—

That the recommendation be referred back to the Committee for further consideration.

Mr. Councillor Egan seconded the motion.

Upon the same being submitted to the meeting there voted in favour thereof, 9, viz.:—Councillors Miss Growse, Mrs. Bannister, Egan, Ford, Hearn, Holt, Taylor, Wise, and Weeks, and against the motion, 8, viz.:—Councillors Mrs. Hargraves, Cartwright, Fenn, Glanville, Hill, The Rev. Dr. Macgowan, Sturgess, and Winny.

The Chairman declared the motion to be carried.

**HOUSING BONDS:** Upon consideration of paragraph No. 9 of the report of the Committee in regard to the formal transfer of Housing Bond No. 147 and to the issue of a new one in place thereof,

IT WAS RESOLVED—That the same remarks apply to Bond No. 146 and that the recommendation of the Committee be amended accordingly.

Upon the motion of Mr. Councillor Cartwright, seconded by Mr. Councillor Hill,

IT WAS RESOLVED.—That the report of the Committee, as amended, be approved and adopted.

**GENERAL DISTRICT RATE:** In accordance with the decision at the Special Meeting of the Council held on the 25th ulto, a General District Rate of 1/7 in the £ to meet the expenses of the Council for the half-year ending 31st March, 1923, was submitted for sealing.

Upon the motion of Mr. Councillor Taylor, seconded by Mr. Councillor Egan,

**IT WAS RESOLVED**—That the report of the Committee be received.

After due consideration of such report, upon the motion of Mr. Councillor Taylor, seconded by Mr. Councillor Fenn,

**IT WAS RESOLVED**—That the report of the Committee be approved and adopted.

**REPORT OF REQUISITIONS COMMITTEE:** The Requisitions Committee submitted the following report of a meeting held this evening.

### Report of Requisitions Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,

Your Committee beg to report that they met at the Town Hall this evening. Present: Mr. Councillor Roberts (Vice-Chairman), and Councillors Cartwright, Egan, Hearn, Hill, Reynolds, Sturgess, and Taylor.

Your Committee beg to report as follows:—

**REQUISITIONS:** The Surveyor and the Chief Officer of the Fire Brigade submitted a requisition of goods required in their respective Departments, and your Committee **RECOMMEND** approval thereof.

Upon the motion of Mr. Councillor Roberts, seconded by Mr. Councillor Cartwright,

**IT WAS RESOLVED**—That the report of the Committee be received, approved, and adopted.

**CORRESPONDENCE:** The Clerk reported the receipt of various letters as mentioned in his report, and upon the motion of Mr. Councillor Cartwright, seconded by Mr. Councillor Ford,

**IT WAS RESOLVED**—That the same be referred to the respective Committees for consideration.

**DOCUMENTS FOR SEALING:** The Clerk submitted the following documents for sealing by the Council:—

One Fire Certificate and One Petrol Licence as per Fire Brigade Committee Report (Agenda page 153).  
Upon the motion of Mr. Councillor Ford, seconded by Councillor Mrs. Bannister,

**IT WAS RESOLVED**—That the Common Seal of the Council be affixed to the documents in question.

**LAVATORY ACCOMMODATION—GOLDERS GREEN:** Letter from Mr. H. Joad, on behalf of the Hendon Ratepayers' Association, relative to the proposed extension of the lavatories at the Golders Green Tube Station, and making enquiry whether notices would be exhibited indicating the position of the Convenience, and asking to be furnished with information as to the amount the Council would have to contribute towards the cost of the extension thereof and for maintenance.

Report from the Clerk in regard to the terms of the agreement with the London Electric Railway Company in connection with the extension of the lavatories referred to.

After due consideration of the matter,

**IT WAS RESOLVED**—That the Clerk reply to the communication from the Ratepayers' Association in accordance with the terms of his report.

**TOWN HALL LETTINGS:** The Ratepayers' Association also referred to the letting of rooms at the Town Hall, and in particular to the question of advance bookings.

In view of the fact that the recommendation of the Finance Committee in connection with this matter had been referred back to the Committee this evening,

**IT WAS RESOLVED**—That the Clerk inform the Association that the matter is still under the consideration of the Council.

**TUBE EXTENSION TO HENDON:** The Clerk reported the receipt of a communication from the London Electric Railway Company in reply relative to the representation made by the Council in regard to the local labour employed by the Contractors in connection with the extension of the tube railway from which it appeared that the total number of men engaged on the work for the week ending the 23rd ulto., was 550 of whom those living in Hendon and the surrounding neighbourhoods were 123, made up as follows:—

Hendon	...	...	...	47
Cricklewood	...	...	...	50
Golders Green	...	...	...	6
Barnet	...	...	...	7
Finchley	...	...	...	13
Edgware	...	...	...	5
				<hr/>
				123
				<hr/>

After due consideration of the matter,

**IT WAS RESOLVED**—That a further communication be addressed to the London Electric Railway Company urging them to prevail upon the Contractors to increase the number of Hendon men employed upon the work, and that a copy of the communication be transmitted to Sir Philip Lloyd-Greame.

**APPEAL:** Report from the Clerk that in accordance with the instructions of the General Purposes Committee on Monday last he had communicated with Councillor Miss Growse seeking her co-operation in regard to the appeal made to the Council on behalf of the British Legion relative to the sale of poppies on "Remembrance Day," the 11th prox., from which it appeared that Councillor Miss Growse had kindly undertaken to organise the collection for this district. The Council expressed their appreciation of Miss Growse's kindly offer.

**HENDON PUBLIC PARK:** The Clerk intimated that in accordance with the instructions of the General Purposes Committee he had prepared a report for submission to the Council in Committee this evening in regard to the particulars asked for by the Hendon Ratepayers' Association relative to the transaction of the Council regarding the exchange and sale of lands at the Hendon Public Park in connection with the extension of the tube railway.

After some discussion, it was agreed that the report should be considered in public and not by the Council in Committee.

The report having been read,

**IT WAS RESOLVED**—That the information contained therein be furnished to the Hendon Ratepayers' Association.

**ELECTRIC LIGHT MAINS AND TELEGRAPHIC LINES:** The Surveyor submitted applications from the Hendon Electric Supply Company for permission to lay an underground main in Finchley Road, between Hampstead Gardens and Portsdown Avenue, also an underground cable in Dunstan Road from No. 30 to 38.

He also submitted two applications from the Post Office Engineering Department for permission to lay underground telegraphic lines in Alba Gardens between Nos. 9 and 26 and also in Hale Lane, Mill Hill, between Hale Grove Gardens and No. 42, Hale Lane.

After due consideration of such applications, and the report of the Surveyor in regard thereto, upon the motion of Mr. Councillor Cartwright, seconded by Councillor The Rev. Dr. Macgowan,

**IT WAS RESOLVED**—That the applications be approved, subject to the usual conditions.

**EDGWARE ROAD RECONSTRUCTION—SECOND SECTION:** The Engineer reported that the tenders for the reconstruction of the second section of the Edgware Road, which were received by the Council at the meeting on the 24th July were submitted to the Chairman during the recess, such tenders being as follows:—

Thos. Muirhead & Co.	...	...	...	Palace Chambers, Westminster, S.W.	32982	16	4
The Foundation Co.	...	...	...	83, Kingsway, W.C.	32489	14	1

G. J. Anderson	...	...	...	Poplar	28687	1	7
Wm. Manders & Co.	...	...	...	Temple Chambers, E.C.	27995	2	3

The Chairman had authorised the acceptance of the tender of Messrs. W. Manders & Co., amounting to £27,995 2s. 3d., subject to the Company giving satisfactory guarantee as to the quality of the wood proposed to be used in connection with the works.

The Chairman had also authorised application to be made to the Ministry of Health for sanction to a loan of £30,000 to cover the cost of the scheme on the 29th July.

The Engineer reported that the necessary guarantees had now been furnished by the Contractors and further that the Ministry of Health had the scheme under consideration.

The Engineer further reported that the sections of roadway comprised in the scheme were from the Upper Welsh Harp to Garrick Road and from Colindeep Lane to the Redhill Boundary. He asked for authority to put the work in hand immediately upon receipt of the sanction of the Ministry of Health to the necessary loan, thereby obviating further expenditure on temporary repairs to the road.

Upon the motion of the Rev. Dr. Macgowan, seconded by Mr. Councillor Taylor,

IT WAS UNANIMOUSLY RESOLVED—That the report of the Engineer be approved and the action taken by the Chairman in regard to the scheme be confirmed.

EDUCATION COMMITTEE MINUTES: The Minutes of the proceedings of the Hendon Education Committee at their meetings held on the 27th day of June and the 25th day of July, 1922, having been circulated amongst the members of the Council, Mr. Councillor Hearn moved:—

That such Minutes be received.

Councillor The Rev. Dr. Macgowan seconded the motion.

Upon the same being submitted to the meeting there voted in favour thereof, 9, viz.:—Councillors Miss Growse, Mrs. Bannister, Mrs. Hargraves, Cartwright, Egan, Hearn, The Rev. Dr. Macgowan, Taylor, and Weeks, and against the motion 5, viz.:—Councillors Glanville, Hill, Holt, Sturgess and Wise.

The Chairman declared the motion to be carried.

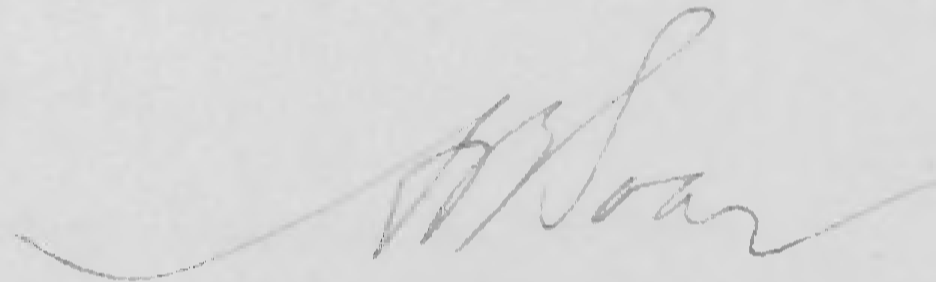

IN COMMITTEE—

LONDON ELECTRIC RAILWAY—HENDON EXTENSION: The Clerk submitted a detailed report in regard to the interview which had taken place between Officials of the Ministry of Health and the Council Officials together with representatives of the London Electric Railway Company in connection with the proposition of the London Electric Railway Company to purchase four of the houses on the Brent Hill Estate to re-house persons at present residing at Redruth Villas, Colindale Avenue, it being necessary to demolish such houses in connection with the extension of the tube railway to Edgware.

It appeared from the report of the Clerk that the matter was discussed in detail, and in particular the rent which would be charged by the Company for the houses in the event of the sale taking place, and various alternative suggestions were made to the representatives of the Company upon the matter generally.

The Railway Company had agreed to take the alternative schemes into consideration, and communicate further with the Council thereon.

After due consideration of the report of the Clerk it was decided to note the contents thereof for the time being, and await the promised communication from the Railway Company.

## Report of Works and Sewage Disposal Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 16th day of October, 1922. Present: Mr. Councillor Roberts (Chairman), Councillors Cartwright, Egan, Glanville, Hill, Reynolds, Sturgess, Winny, and Wise.

Your Committee beg to report as follows:—

### 1.—ALLOTMENTS.

- (a) **COOL OAK LANE—ADDITIONAL LAND:** Letter from Mr. A. Peck, on behalf of the West Hendon Allotment Association, as to the provision of additional land for allotments at Cool Oak Lane having regard to the number of applications for plots received by the Association.

In view of the proposal of the Council to utilise certain land on the Brent Hill Estate, not now required for housing purposes, for the provision of allotments, your Committee

**RECOMMEND**—That Mr. Peck be informed that in due course allotment land will be available on the Estate in question.

- (b) **PLOT No. 144—COOL OAK LANE:** Letter from Mr. M. C. Clements in reply in reference to the notice to quit served upon him for non-cultivation of plot No. 144 on the Cool Oak Lane Allotments, contending that only a small portion of the plot was uncultivated, and explaining that illness had prevented him from completing the work. He expressed the hope that the Council would see their way to withdraw the notice and undertook to cultivate the remaining portion of the allotment.

After due consideration of the matter, your Committee gave instructions for action under the notice to quit to be suspended, and for the Surveyor to make an inspection of the plot with a view to deciding whether the same was in such a condition to justify the continuation of Mr. Clements' tenancy.

Your Committee instructed the Surveyor to report at their next meeting as to the action taken by him in the matter.

- (c) **BRIDGE LANE ALLOTMENTS:** The Clerk reported the receipt of letters of complaint from certain allottees in connection with the Bridge Lane Allotments in regard to the notice to quit served upon them terminating their tenancy of the plots referred to.

It will be remembered that in September, 1921, Mr. Bastable, the owner of the land, gave notice to the Council of his intention to terminate the agreement under which the land was held and intimating that possession thereof was required on the 25th day of December, 1921.

Mr. Bastable intimated, however, without prejudice to the notice that should the Council be desirous of retaining possession of the land after the expiration of the said notice he would be prepared to negotiate upon the matter.

In view of the increasing demand for allotments the Council were anxious that the allottees should not be disturbed until absolutely necessary, and negotiations were accordingly entered into with Mr. Bastable with the result that it was agreed that the allotments should be continued under a tenancy at will, Mr. Bastable, on his part agreeing to give as long a notice as possible when possession of the land was required.

The result of these negotiations were accordingly communicated to Mr. Baldwin, the Secretary of the Allotment Association, with a request that the same might be brought under the notice of the allottees.

During the Council's recess a communication was received from Mr. Bastable intimating that he required possession of the land for building development on the 29th September and in accordance with the previous negotiations the Chairman of the Council gave authority for notices to quit to be served upon the allottees.

The writers of the communications referred to complained of the shortness of the notice, viz., 14 days, and further stated that they were not acquainted with the negotiations of the Council in connection with the tenancy of the land.

With a view to meeting the allottees the Clerk intimated that he had addressed a further communication to Mr. Bastable making enquiry whether he would be prepared to grant a further reasonable extension of time to enable the crops to be cleared, but Mr. Bastable stated that he was unable to grant a further extension.

After due consideration of the matter, your Committee instructed the Clerk to inform the allottees that the Council regretted that any difficulty had been experienced in connection with the Allotments and further that they be acquainted with the exact position which had arisen in connection with the matter.

- (d) **ALLOTMENTS ACT, 1922:** In accordance with the instructions of the Committee at their last meeting the Clerk submitted a report in regard to the provisions of the Allotments Act, 1922.

After due consideration of such report, your Committee decided as a first step to consider the question of the establishment of an Allotments Committee as provided by Section 25 of the Act, and they

**RECOMMEND**—That the Works Committee be the Allotments Committee of the Council.

Consideration was then given to the provision in the Act that the Allotments Committee should comprise persons other than members of the Council (a) being persons experienced in the management and cultivation of allotments or (b) representative of the interests of occupiers of allotments in the district.

With regard to the number of such representatives, the Act provided that the number should be not more than one-third of the total number of the members of the Committee, or be less than two or one-fifth of such total number whichever should be the larger.

Under this provision the number of Co-opted members would be four, and your Committee

RECOMMEND—That a communication be addressed to the various Allotments Associations in the district asking them to submit nominations for the appointment of the proposed Co-opted members.

Consideration was also given to the question of retaining the services of the present Allotments Consultative members. In view of the appointment of the Co-opted members who would be invested with voting power, which was not so in the case of the Consultative Members,

Your Committee

RECOMMEND—That the Allotments Consultative Members cease to act in the future.

- (f) That they gave further consideration to the communication from Mr. C. H. R. Whitehorn (the occupier of an allotment held under the terms of the Lands Cultivation Orders) making enquiry whether it was the intention of the Council to exercise the powers conferred upon them by the Allotments Act, 1922.

Your Committee

RECOMMEND—That Mr. Whitehorn be informed that the Council do propose to operate under the provisions of the Allotments Act, 1922

- (f) ALLOTMENT LAND, RENTER'S AVENUE: In accordance with the instructions of the Committee at the last meeting the Surveyor submitted a report in regard to the land utilised for allotments at Renter's Avenue, such allotments being hitherto regarded as being of a temporary nature only.

After due consideration of such report, your Committee

RECOMMEND—That the allotments in question be now regarded as of a permanent character, and that the rent for the plots be adjusted accordingly.

The Council will remember that Mr. Perkins, on behalf of the Golders Green Allotment Association, made enquiry why the plots in question were let at a less rental than that charged for those on the Hospital Field, and he had been informed, in reply, that the reason for the difference was owing to the fact that the allotments were at that time deemed to be of a temporary character only.

Your Committee

RECOMMEND—That Mr. Perkins be informed of the steps now proposed to be taken by the Council in the matter.

- (c) PROPOSED ALLOTMENTS—BRENT HILL ESTATE: The Surveyor submitted a plan indicating the proposed lay out of the allotments on the Brent Hill Estate, together with a report in regard thereto, from which it appeared that the total area proposed to be utilised for the purpose named was approximately 20 acres, the number of plots to be provided being 331.

Your Committee

RECOMMEND—That the plan prepared by the Surveyor be approved, and that steps be taken to lay out the land in accordance with such plan.

Consideration was given to the question of the letting of the plots, and your Committee

RECOMMEND—That preference be given to the Council's tenants on the Brent Hill Estate and the tenants of Allotments on the Neeld Estate.

- 2.—PLAYING FIELDS, ETC.: Letter from Mr. H. Joad, on behalf of the Hendon Ratepayers' Association, calling attention to the condition of the playing fields at The Hyde and Sunny Hill Field.

The Association also made enquiry as to the steps taken by the Council in connection with the provision of public conveniences in the district.

Report from the Clerk that he had acquainted the Association with the present position in connection with the provision of the proposed convenience at the junction of Bell Lane and Brent Street, and also the proposed extension of the lavatories at the Golders Green Tube Station.

Your Committee confirmed the action of the Clerk in the matter.

With regard to the playing fields at The Hyde and Sunny Hill Field, your Committee instructed the Clerk to communicate with the Association requesting to be furnished with an explanation as to their suggestions in connection with the open spaces referred to.

- 3.—PUBLIC CONVENIENCE—WEST HENDON: Reference was made to the question of the provision of a public convenience at West Hendon, and two sites were suggested for the purpose viz.:—on the triangle at the junction of Wilberforce Road and Station Road, and on the vacant land adjoining the Ex-Service Men's Club at The Broadway, West Hendon.

In regard to the last named site it will be remembered that restrictions exist in connection with the purchase of this land whereby certain structures are prohibited.

Your Committee consider that the Vendors of the land should be approached with a view to the relaxation of the restrictions referred to, and they

RECOMMEND further—That the Surveyor submit schemes and designs for the provision of conveniences under and above ground on the sites referred to.

- 4.—WOODSTOCK AVENUE LAND: Letter from Mr. D. Warliker as to the intention of the London Electric Railway Company to acquire his residence in Woodstock Avenue in connection with the extension of the tube railway, and making enquiry whether the Council would be prepared to dispose of certain vacant land owned by them at the bottom of Woodstock Avenue in order that he might erect a house thereon.

Report from the Surveyor in regard thereto.

After due consideration of the matter, your Committee came to the conclusion that the surplus land referred to should be offered for sale, and they gave instructions for a notice to be placed thereon advertising the sale of such land accordingly.

They also gave instructions for Mr. Warliker to be informed of the action proposed to be taken in the matter.

- 5.—PUBLIC CONVENIENCE—BRENT STREET: The Clerk reported the receipt of the tenders (19 in number) received in response to the Council's advertisement for the construction of an underground convenience at the junction of Bell Lane and Brent Street.

Your Committee have referred the tenders to the Surveyor to be scheduled and reported upon.

With regard to the three lowest tenders received for the work, instructions were given for the Surveyor to transmit the same to Mr. Grimley (the Council's Consulting Engineer), for a report thereon.

- 6.—LAND AT THE HYDE: In accordance with the instructions given at the last meeting the Surveyor submitted a plan showing the lay out of the land at The Hyde purchased from the Ecclesiastical Commissioners.

The lay out of the land provided for an area of 35 acres to be utilised as a playing field, and your Committee considered the question of making application to the Middlesex County Council for a contribution towards the cost of the provision of the playing field.

It will be remembered however that the main portion of the land is leased to Messrs. McIntyre and Tipping. In accordance with the instructions of the Committee at the last meeting formal notices had been served upon these persons terminating the tenancies of the land held by them on the 29th day of September, 1923.

Your Committee, whilst approving of the lay out of the land as suggested by the Surveyor, propose to consider the question of applying for a contribution towards the cost of the playing field when possession of the land has been secured.

- 7.—WAR MEMORIAL—CENTRAL HENDON:

- (A) FLOWER TROUGH: The Surveyor submitted estimates from Messrs. Doulton & Co. for the provision of earthenware flower troughs for use in connection with the War Memorial at The Burroughs.

After due consideration of such estimates, your Committee

RECOMMEND—That flower troughs be procured at an estimated cost of £9.

- (B) TELEGRAPH POLE: The Surveyor submitted a report in regard to his further negotiations with the Post Office Engineer relative to the removal of the Telegraph Pole at present situate on the memorial site, from which it appeared that, although it was estimated that an outlay of about £300 would be involved in connection with the removal of the pole, the Post Office Authorities would be prepared to remove the pole upon payment by the Council of a sum of £40 originally suggested towards the cost of such removal.

After due consideration of the matter, your Committee

RECOMMEND—That the Council agree to make a contribution of £40 accordingly.

- 8.—TELEGRAPHIC LINES:

- (A) The Surveyor submitted an application from the Postmaster-General for permission to lay an underground telegraphic line on the North-West side of Finchley Road, together with a report in regard thereto.

After due consideration thereof, your Committee

RECOMMEND—That the application be approved, subject to the usual conditions.

- (B) Report from the Surveyor in regard to his negotiations with the Post Office Engineering Department relative to their application for permission to provide an overground telegraphic line along Park Road and Nicoll Place.

It will be remembered that the Council had this application under consideration on a previous occasion, when it was agreed that the Post Office Authorities should be asked to place the proposed telegraphic line underground.

The Surveyor stated that the Authorities now informed him that with regard to Nicoll Place one application had been received from a resident in this road to have the telephone installed at his premises, and they desired to place one pole in the road for the purpose of connecting the proposed subscriber. They further stated that they did not anticipate that the demand for the installation of the telephone from residents on the Brent Hill Estate would be sufficient to justify putting in underground lines.

Dealing with Park Road the Authorities sought permission to place three poles in this road forthwith, and they intimated it was not their intention to put an overground line throughout the length of the road; they however undertook when the proposed widening works were carried out in Park Road by the Council to provide a complete underground system throughout the road.

After due consideration of these applications, your Committee

RECOMMEND—That the same be approved, in the case of Park Road, the approval to be subject to the condition referred to by the Post Office Authorities.

9.—RE-NUMBERING OF STREETS:

(A) PRINCES PARK AVENUE: Report from the Surveyor as to an application he had received requesting that the first portion of Princes Park Avenue should be re-numbered in view of the building developments which had taken place therein.

(B) GOLDERS GREEN ROAD: With regard to Golders Green Road, the Surveyor suggested, in view of building development, that the official numbering of Golders Green Road on the South-West side should be extended from Armitage Road onwards.

Your Committee

RECOMMEND—That the proposal in both cases be approved, and that the necessary notices be served in due course.

10.—MILL HILL SEWERAGE: Letter from Messrs. Baker, Cooke & Standen in regard to the provision of Sewerage accommodation for the land abutting on Marsh Lane, between the junction of Uphill Road and Highwood Hill.

Report from the Surveyor in regard thereto.

After due consideration thereof your Committee authorised the Surveyor to negotiate with Messrs. Baker, Cooke & Co. in accordance with the terms of his report.

11.—LAWRENCE STREET, MILL HILL: Reference was made to the erection of certain posts outside "St. Joseph's," Lawrence Street, and instructions were issued to the Surveyor in regard thereto.

12.—REQUISITIONS: The Surveyor submitted a requisition of goods required by him and the same were duly approved.

## Report of Public Health Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 16th day of October, 1922. Present: Mr. Councillor F. W. Hearn (Chairman), and Councillors Miss Growse, Mrs. Bannister, Mrs. Hargraves, Fenn, Ford, Holt, Rev. Dr. Macgowan, Taylor and Weeks.

Your Committee beg to report as follows:—

1.—VITAL STATISTICS: Report from the Medical Officer of Health that for the past four weeks the death rate was 10.62 per thousand.

Your Committee desire to point out that the death rate of Hendon residents only for the same period was 6.33 per thousand.

The birth rate for the period was 13.33 per thousand.

2.—INFECTIOUS DISEASE: Your Committee have received a report from the Medical Officer of Health as to the incidence of infectious disease in the District and have duly noted the same.

3.—BOTULISM: That they received a report from the Medical Officer of Health as to the arrangements made for supplies of Antitoxin to be available for Medical Practitioners, together with particulars as to treatment by such Antitoxin.

Your Committee understand that the Medical Officer of Health has been in communication with Medical Practitioners in the District, acquainting them with the arrangements made.

4.—DRAINAGE WORKS: Your Committee have received a report from the Sanitary Inspector as to the drainage works carried out since the last meeting and have approved the same.

In regard to premises No. 7, Yew Grove, in which case the Council granted authority under Section 41 of the Public Health Act for the Inspector to open the drains. Your Committee are informed that the drains had to a certain extent been opened by the owner, but the Inspector reported that he proposed to proceed with the complete uncovering of the drains and would report the result of his inspection at the next meeting.

5.—16, BRENT VIEW ROAD: Report from the Sanitary Inspector in reference to the drainage of these premises in connection with which defects had been found to exist.

The Inspector asked for authority to serve a statutory notice of an urgent character under Section 41 of the Public Health Act, 1875.

In view of the report of the Inspector and being invested with power to act, your Committee gave authority for him to serve the notice forthwith.

2, Oak Grove.  
131, Sunny Gardens.  
Colindale Laundry.

Your Committee

RECOMMEND—That the Inspector have authority to serve statutory notices in these cases if found to be necessary.

7.—RENT RESTRICTION ACT CERTIFICATES: That they received an application for the issue of certificates under Section 2 of the Increase of Rent and Mortgage Interest Restriction Act in respect of the following premises:—

131, Sunny Gardens.

Your Committee have received a report from the Inspector in regard to the above-mentioned premises and being invested with power to act, they authorised the issue of a certificate.

In regard to the application—35, St. George's Road, your Committee cannot see their way to recommend the issue of a certificate in this case.

8.—DAIRIES, COWSHEDS AND MILKSHOPS ORDER: Report from the Sanitary Inspector in regard to the application of the Aerated Bread Company to be registered as purveyors of milk in respect of their premises in Golders Green Road, from which it appeared that the premises were satisfactory and he recommended that the same be registered.

Your Committee

RECOMMEND—That the Aerated Bread Company be registered as purveyors of milk in respect of premises at 49, Golders Green Road.

The Sanitary Inspector reported as to an application by Mr. G. Bell to be registered as a purveyor of milk in respect of premises at Frith Manor Farm, from which it appeared that the premises were satisfactory, and your Committee

RECOMMEND—That Mr. Bell be registered as a purveyor of milk in respect of premises at Frith Manor Farm.

9.—UN SOUND FOOD: Report from the Sanitary Inspector as to certain quantity of unsound food which had been surrendered since the last meeting.

Your Committee have duly noted such report.

10.—SANITARY OFFICERS' ORDER: Letter from the Ministry of Health intimating that the Ministry approved of the appointment of Mr. G. E. Luck and Mr. A. H. Smith as Sanitary Inspectors for the Urban District of Hendon, in accordance with the provisions of the Sanitary Officers' Order.

Your Committee have duly noted the same.

11.—RAT NUISANCE: Letter from Mr. E. Smith with petition from residents in the Drive, as to annoyance from rats.

Report from the Clerk that he had informed Mr. Smith that the matter was one which was dealt with by the County Council of Middlesex. Your Committee decided to leave the matter in the hands of the Inspector for report at a future date.

## Report of Town Planning Committee.

2.—OPEN SPACE.—GOLDERS GREEN: Letter from the Ministry of Health in regard to the application of the Council for sanction to a loan of £2,300 for the proposed purchase of land at Princes Park Avenue for the provision of an open space, intimating that they had been in communication with the District Valuer upon the matter and were advised that the price proposed to be paid for the land was unduly high.

The Ministry suggested, that the Council should invoke the aid of the District Valuer with a view to suitable terms being arranged, and intimated they would be pleased to arrange for his services to be placed at the disposal of the Council.

After due consideration of the matter, your Committee

RECOMMEND—That the Council approve of the suggestion of the Ministry of Health, and that the District Valuer be approached upon the matter.

3.—DAWS LANE ALLOTMENTS: Letter from Messrs. Howard and Partners pressing for a decision in regard to the proposal of the Council to acquire land in Daws Lane (approximately 8½ acres in extent) for the provision of allotments.

The Council will remember that they have agreed to purchase this land, subject to the sanction of the Ministry of Health to the necessary loan, application having been made to that body for sanction to a loan of £2,550 for the purpose.

In reply to the application the Ministry stated that they were advised that the price agreed to be paid for the land was excessive, and they suggested that the Council should seek the assistance of the District Valuer in order that negotiations might be re-opened with a view to securing a reduction in the price. The Council agreed to adopt the course suggested by the Ministry and in July last the matter was placed in the hands of the District Valuer.

Your Committee understand that the District Valuer is advising the Ministry of Health that the price asked for the land is too high.

After due consideration of the matter, your Committee

RECOMMEND—That a communication be addressed to the Ministry of Health pressing for a decision in connection with the matter, and further they be informed that the Council consider the price asked for the land to be a fair one.

RECOMMEND—That Messrs. Howard & Partners be informed of the present position of the matter.

- 4.—LAND—JUNCTION OF EDGWARE ROAD AND YORK ROAD: Letter from Mr. S. G. Bowyer in regard to certain huts in his possession which he desired to dispose of and making enquiry whether the Council would allow him to erect one of the huts on the vacant land at the junction of Edgware Road and York Road with a view to advertising the same for sale.

Your Committee

RECOMMEND— That Mr. Bowyer be informed that the Council are unable to accede to his request.

- 5.—BYE-LAWS—NEW STREETS AND BUILDINGS: In accordance with the instructions of the Committee at the last meeting the Surveyor submitted a report in regard to the circular letter from the Ministry of Health urging local authorities to consider the question of revising their building bye-laws if the same had not been revised recently.

The Clerk also reported a further circular letter from the Ministry of Health accompanied by a copy of the Ministry of Health (Temporary Relaxation of Building Bye-laws) Regulations, 1922.

The Surveyor stated that in his opinion the Council's existing building bye-laws did not require much amendment, the main points in which the Ministry's model bye-laws differed from those of the Council was in connection with timber framed buildings and buildings of concrete blocks. In the case of the Ministry's model bye-laws they provided for both these forms of construction, whereas the Council's bye-laws provided for timber framed buildings only, the condition in this case rendering the erection of buildings of this character practically impossible.

The Surveyor referred to the following additional provisions which he considered might usefully be added to the existing building bye-laws which would deal with the construction of buildings not contemplated when the present bye-laws were framed.

1. Provisions for regulating the method of construction of motor garages built in connection with private houses.
2. Provision of better means of escape from fire from large blocks of flats and similar dwellings.
3. Regulations for dealing with buildings erected in re-inforced concrete.
4. Regulations for dealing with steel framed buildings.

The Surveyor suggested that perhaps it would be well to meet the Officials of the Ministry of Health with a view to ascertaining to what extent they considered the Council's existing bye-laws should be revised.

After due consideration of the matter, your Committee

RECOMMEND—That the Surveyor arrange to interview the Officials of the Ministry of Health and submit a further report thereon in due course.

- 6.—TEMPORARY BUILDING—ARMITAGE ROAD: Letter from Mr. A. Hirst in regard to the application submitted by him relative to a proposal to effect alterations to a temporary building situate at Armitage Road, used as a temporary place of worship by the Trustees of the Wesleyan Church, and for licence to use the said building as a motor garage.

It will be remembered that the application of Mr. Hirst was disapproved by the Chairman of the Council during the recess.

Mr. Neave, of Messrs. Neave, Morton & Co., appeared before your Committee on behalf of the Trustees of the Wesleyan Church, and Mr. Hirst also attended the meeting in support of his application.

Mr. Neave was referred by your Committee to the terms of the agreement which was entered into by the Trustees at the time the building was erected which embodied a condition that the building should be used as a temporary place of worship only, and that the Trustees should remove the same when called upon.

In this connection it will be remembered that in view of the fact that the Trustees had ceased to make use of the building, the Surveyor had served them with a notice requiring the removal of the same.

Your Committee also brought before Mr. Neave the question of the payment of the road charges in respect of the making up of Armitage Road, a sum of £104 9s. 5d. being remitted in October, 1914, owing to the building being used for religious purposes, and pointed out that the Trustees would now be required to pay such charges with interest from the date referred to.

Mr. Neave promised to bring this question before the Trustees and communicate further with the Council thereon.

After careful consideration of the matter, your Committee intimated to Mr. Neave that they were prepared to recommend to the Council that, subject to the question of the road charges being dealt with, that no further action be taken to enforce the terms of the agreement entered into by the Trustees at the time of the erection of the building.

Your Committee

RECOMMEND—That the action taken be approved, and that a reply be sent to Messrs. Neave, Morton & Co. confirming the decision already conveyed to Mr. Neave.

Consideration was also given to the statements submitted by Mr. Hirst in connection with his application, Mr. Hirst, in particular, explaining that he was unaware of the existence of the agreement whereby the erection of the building was sanctioned for religious purposes only.

Report from the Surveyor in regard to the application, and suggesting that in the event of the Council agreeing to again licence the building as a temporary one, the following conditions be imposed:—

- No petrol or other pumps to be erected outside the building.
- Any necessary structural amendments required by the Council to be carried out.
- No outside advertisement or illuminated sign to be erected without the Council's consent.
- Complete plans of the building, as amended, to be deposited with the Council for approval.

After careful consideration of the matter, your Committee approved of the Surveyor's suggestion, and intimated to Mr. Hirst that they were prepared to recommend the Council to approve of his application, subject to the conditions referred to by the Surveyor.

Your Committee

## Report of Housing Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 23rd day of October, 1922. Present: Mr. Councillor Hearn (in the Chair), and Councillors Miss Growse, Mrs. Bannister, Cartwright, Fenn, Holt, Roberts, Sturgess, Taylor, Winny, and Wise.

Your Committee beg to report as follows:—

### 1.—BRENT HILL FARM SCHEME:

- (A) TENDERS FOR 20 HOUSES: Letter from the Ministry of Health, in reference to the tenders transmitted by the Council for the erection of 20 houses of the type A (2) at Brent Hill Farm.

The Ministry intimated that the tender proposed to be accepted by the Council (that of Messrs. Perry & Co. at £6,200) was higher than the Ministry were prepared to approve as part of the Council's Assisted Housing Scheme.

Your Committee have given careful consideration to the communication of the Ministry and they instructed the Clerk to communicate with the Ministry upon the subject and make enquiry what price per house the Ministry would be prepared to approve for the erection of the 20 houses.

- (B) REPORT OF TENANTS' SUB-COMMITTEES: That they received the following reports from the Tenants Sub-Committees:—

REPORT OF HOUSING SUB-COMMITTEE: Your Sub-Committee beg to report that they held a Meeting on 22nd September, 1922. Present: Councillors C. C. Cartwright, A. Roberts, and R. J. Wise.

ception of one pair, all houses had been completed and were ready for occupation, the remaining block of two would be handed over on Friday next.

Your Committee have duly noted this report.

- (c) **LAND:** Letter from Mr. L. Hart, making enquiry whether the Council would be prepared to grant him a lease of a portion of land at Brent Hill Farm upon which he desired to erect a bungalow.

Your Committee

**RECOMMEND—**That Mr. Hart be informed of the Council's surplus land near Wessex Gardens which it is proposed to dispose of.

- (d) **FENCING SCHEME:** That they received a report from the Surveyor with estimates of the cost of fencing off the land which formed part of the Brent Hill Housing Scheme, such estimates being as follows:—

Names and Addresses.	Wrought Iron fencing.		C.I. posts 4in. diam. each	Oak fencing.	Concrete

Total length required, 840 yards	409 10 0				

After careful consideration of the estimates of the various types of Fencing, your Committee

**RECOMMEND—**That the tender of the Foulis Construction Company be accepted for concrete post and wire fencing at 5s. 9d. per yard, making a total of £241 10s. 0d.

Your Committee further

**RECOMMEND—**That application be made to the Ministry of Health for consent to the amount of the cost of the fencing being charged to the Assisted Housing Scheme.

- (e) **WIRELESS INSTALLATION:** That they gave further consideration to the application from Mr. Klee, of Park Road, to erect two masts in the garden of his house in connection with a wireless installation.

Your Committee have received a report from the Surveyor thereon and have no objection to offer subject to the Surveyor being satisfied in all respects.

- 2.—**HOUSING BONDS:** Your Committee gave consideration to the question of the services rendered in connection with the registration and issue of Housing Bonds and they are of opinion that a sum of £25 should be charged to the Assisted Housing Scheme account in respect of the services of the Registrar of Housing Bonds as from the 1st April, 1921.

Your Committee have requested the Finance Committee to take this matter into consideration.

3.—**CHILD'S HILL SCHEME:**

- (A) **CONTRACT:** Letter from Mr. G. Hornblower reporting that the creditors on behalf of Mr. G. Ramsbotham had agreed to the carrying out of certain works required to the houses at Child's Hill in order to complete the Contract, by Messrs. Ramsey & Co., of Temple Fortune Parade, at the sum of £270, which amount had been agreed to be deducted from the sum due to Mr. Ramsbotham.

Your Committee note that this sum has been agreed and approved the action taken in the matter. They gave authority for the necessary work to proceed.

- (b) **FINAL ACCOUNTS:** Report from the Clerk that the final accounts in connection with the Child's Hill Scheme had been submitted and had been referred to the Accountant for consideration.

Your Committee have duly noted this communication.

- 4.—**BITTACY HILL SCHEME:** That they received a report from the Engineer in further reference to the scheme submitted for the erection of flats at Bittacy Hill.

Your Committee are informed that the total estimated cost of the proposed flats would be as follows:—

2 Bedroom type.  
£340

3 Bedroom type.  
£395

Your Committee decided that the report of the Engineer should be circulated amongst the members of the Committee, together with a report to be prepared by the Accountant as to the Financial outlook in connection with the scheme.

## Report of Fire Brigade Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 23rd day of October, 1922. Present: Mr. Councillor J. H. Sturgess, J.P. (Chairman), Councillors Miss Growse, Feun, Hearn, Hill, Holt, Taylor, and Winny.

Your Committee beg to report as follows:—

- 1.—**MOTOR AMBULANCE:** That they gave careful consideration to the question of charges for the use of the Motor Ambulance referred to your Committee.

A report was submitted by the Accountant of the Council as to the present charges and the general arrangements in connection with the use of the machine.

Your Committee have come to the conclusion that the present charge is not excessive, viz., 10s. 6d. for cases within the Hendon District and £1 outside Hendon, and they do not recommend that any variation be made in the present arrangements.

- 2.—**WATER PRESSURES:** That they received a report from the Chief Officer as to various water pressures taken in the Central part of Hendon since the last meeting of the Committee, but such report called for no special comment.

- 3.—**FIRE HYDRANTS:** Report from the Chief Officer that a Fire Hydrant had been fixed at Newcombe Hill, and that an additional Fire Hydrant was desirable at the junction of Cranbourne Gardens.

Your Committee

RECOMMEND—That such hydrant be provided accordingly.

- 4.—**STORES:** That they received a report from the Chief Officer as to stores required for the Brigade and appliances and approved the same for submission in his Requisition Book.

- 5.—**CINEMATOGRAPH ACT, 1922:** That they received a report from the Chief Officer in reference to the premises within the Urban District of Hendon to which the provisions of the Cinematograph and Celluloid Act, 1922, applied, from which it appeared that only one factory, viz., that of the Titanine Dope Company, whose premises were situate at Booth Road, Hendon, came within the provisions of the Act.

Your Committee are informed that the Home Office propose to issue regulations under the Act shortly, but in the meantime they

RECOMMEND—That a communication be addressed to the Company calling their attention to the provisions of the Act.

- 6.—**FIRES:** That they received a report as to fires attended by the Brigade since the last meeting of the Committee.

In regard to the fire which occurred at No. 16, Dersingham Road, your Committee

RECOMMEND—That the Clerk address a communication to the occupier of the premises calling his attention to the penalty to which he rendered himself liable for allowing a chimney to be on fire.

A report was also received as to petrol consumption and duly noted.

- 7.—**KINGSBURY FIRE SERVICES:** That they had under consideration a communication from the Kingsbury Council, returning the draft agreement as to fire services at Kingsbury amended.

The Kingsbury Council now desired the agreement to operate as from the 29th September, 1922, but in view of the fact that the negotiations have extended since the early part of 1921 your Committee are unable to agree to this amendment. They suggest however that the agreement should operate as from the 1st January, 1922, and have instructed the Clerk as to further amendments. Your Committee gave authority for the draft agreement to be returned to Kingsbury in its amended form, with an intimation that if the Kingsbury Council are unable to accept the draft in its present form the Hendon Council will have no alternative but to consider the termination of the arrangement for the provision of fire services in the Kingsbury District.

- 8.—**BRIGADE:**

(A) Report from the Chief Officer that Fireman H. G. Mills, who was appointed as a single man on the Central Station Staff, had now married. Your Committee have noted the report.

(B) **BRIGADE PAY & CONDITIONS OF SERVICE:** Your Committee gave consideration to the application submitted by the Firemen of the Hendon Brigade to be granted the standard rate of pay as recommended by the Home Office Committee in their report dated May, 1920.

The Council will recollect that this matter has been under consideration on several occasions. The present scale of wages paid to the Council's firemen is that adopted in 1919, viz., 26s. per week rising to 31s. per week with the addition of a war bonus of 26s. per week.

Your Committee have given further consideration to the comparative statement previously submitted showing the recommendations of the Government Committee and the existing arrangements in the Hendon Brigade, which was considered by a Sub-Committee of the Fire Brigade Committee in 1920.

Your Committee are unable to recommend the Council to adopt the scale of wages suggested by the Government Committee, viz., 70s. per week, rising to 90s., as they consider it unreasonable to compare the work in any of the Brigades mentioned in the report of the Government Committee, viz., London, West Ham, East Ham, Bradford, Birkenhead, etc., with the work at Hendon.

Your Committee

**RECOMMEND**—That the bonus of 26s. per week at present paid be merged into the wages, and that each of the staff of the Central Fire Station be paid their present wages on a scale of 52s. per week, rising to 57s. per week, the annual increment to be at the rate of 1s. per week.

Your Committee further

**RECOMMEND**—That in all future appointments to the Brigade the rate of wages be 45s. per week, rising by increments, subject to satisfactory report, to a maximum of 57s. per week, plus free quarters, light, etc.

In regard to the Annual Leave your Committee are unable to vary the present arrangements, viz., ten days annual leave per annum.

## Report of General Purposes Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 30th day of October, 1922. Present: Mr. Councillor Hill (Chairman), and Councillors Mrs. Bannister, Miss Growse, Egan, Ford, Holt, Reynolds, Taylor, and Winny.

Your Committee beg to report as follows:—

- 1.—**APPEAL**: Letter from the Director General, Hospitals of London Combined Appeal, in regard to proposed Hospital Stamp Campaign for raising further funds for the Hospitals of London, and asking for the Council's co-operation in the matter.

Having regard to the numerous appeals which have recently been launched in the district for charitable purposes, your Committee cannot recommend the Council to take any action in the matter.

- 2.—**TOWN HALL**: Letter from the County Engineer, Middlesex County Council, in regard to the Certificate furnished by Mr. Drummond in connection with the electrical installation in the building, such certificate being required in connection with the renewal of the Council's Music and Dancing Licence in respect of the Town Hall.

It will be remembered that Mr. Drummond submitted a report to the Council in connection with the matter, suggesting that the installation should be overhauled, a note to this effect being also contained in the certificate referred to, and the County Engineer asked to be furnished with a further certificate from Mr. Drummond that the work had been satisfactorily carried out.

As a result of Mr. Drummond's report, the Council decided to ask him to thoroughly overhaul the installation, and report thereon.

Your Committee have now had this further report under consideration. They

**RECOMMEND**, however, that Mr. Drummond be asked to furnish a Certificate in regard to the electrical installation of the rooms to which the Council's Music and Dancing Licence relates.

- 3.—**STREAMS—POLLUTION OF**: Letter from the Clerk to the Middlesex County Council in further reference to a report received from the County Analyst relative to a sample of the effluent taken from the Hendon Sewage Works.

It will be remembered that the Council decided to ask the County Council to furnish them with a copy of the County Analyst's report, and further to request that arrangements might be made to take the samples in the presence of the Sewage Works Foreman.

The County Council intimated that they were unable to comply with these requests.

Your Committee have duly noted the same.

- 4.—**UNEMPLOYMENT**:

- (a) Letter from Sir Philip Lloyd-Greame in reply relative to the question of the employment of further local labour in connection with the extension of the Tube railway, from which it appeared that he had taken up the matter with the Contractors for the Railway Company and they had promised to do everything possible in the direction of employing local labour in the works referred to.

Your Committee have duly noted the same.

- (b) Letter from Mr. F. J. Seabrook, Clerk to the Hendon Board of Guardians, in regard to the question of unemployment, and inviting the co-operation of the Council in the institution of a scheme whereby work could be provided by the Council for cases of unemployment recommended by the Guardians, the latter paying for the cost of labour.

Mr. Seabrook made enquiry whether the Council would consent to receive a deputation from the Guardians upon the matter, such deputation to consist of Messrs. Lightfoot, Steele, and Marsman, together with the Clerk.

After due consideration of the matter, your Committee instructed the Clerk to invite the deputation to attend a meeting of the Council in Committee to be held on Monday next, the 6th prox., at 6 p.m.

- 5.—LAND—WOODSTOCK AVENUE: Letter from Mr. D. Warliker offering to purchase the land at the bottom of Woodstock Avenue which he desired to obtain for the erection of a house thereon in view of the fact that he was required to vacate his present residence owing to the extension of the Tube railway.

Your Committee are informed that the Works Committee have decided that a board should be placed on the land offering the same for sale, and they have therefore deferred the consideration of the offer of Mr. Warliker for the present.

6.—TRAVELLING FACILITIES:

- (A) Letter from Mrs. H. E. Hayter, on behalf of the West Hendon Women's Co-operative Guild, urging the Council to approach the London General Omnibus Company with a view to the reduction of their fares, and also suggesting that the existing practice of turning the buses on Service 83 down Herbert Road should be discontinued, and that such buses should be turned round the triangle at the junction of Station Road and Wilberforce Road.

With regard to the question of fares, your Committee

RECOMMEND—That the London General Omnibus Company be approached upon the matter.

Your Committee have considered a report from the Surveyor in regard to the suggestion for the turning of Service 83 at the junction of Station Road and Wilberforce Road, from which it appeared that the suggestion was not a practicable one. Your Committee are therefore unable to recommend the Council to make representation upon this matter. They

RECOMMEND—That Mrs. Hayter be informed of the decision of the Council in connection with the communication forwarded by her on behalf of the Co-operative Women's Guild.

- (B) Letter from Mrs. E. Burn, on behalf of the West Hendon Sisterhood, suggesting the desirability of further police supervision of the traffic in West Hendon.

After due consideration thereof, your Committee

RECOMMEND—That the Council address a communication to the Commissioner of Police upon the matter.

- 7.—CLAIM: Letter from Mr. F. P. Fletcher in regard to damage alleged to have been caused to his motor car whilst proceeding down Brentmead Place, and intimating that he held the Council responsible.

Report from the Clerk that he had informed Mr. Fletcher that Brentmead Place was a private road, over which the Council had no jurisdiction.

Your Committee also received a report from the Surveyor upon the matter.

After due consideration of the report of the Officers, your Committee

RECOMMEND—That Mr. Fletcher be informed that the Council deny liability in connection with the matter.

- 8.—WAR PENSIONS ACT: Letter from the Ministry of Pensions transmitting a copy of an Order made under Sub-Section 1 of Section 1 of the War Pensions Act, 1921, establishing a Committee to be known as the Willesden, Harrow, and District War Pensions Committee.

It appeared from the Order that the new Committee established would come into office as from the 18th day of November, 1922, and that the present local Committee for Hendon would then cease to exist.

Your Committee have duly noted the same.

- 9.—SHOPS ACT: The Clerk submitted a report from the Shops Inspector in regard to a complaint received by the Council as to the alleged lack of seating accommodation for the female staff at one of the licensed houses in Cricklewood.

In view of the report of the Inspector as to steps taken in connection with the matter whereby the complaint would be rectified, your Committee have no recommendation to make in regard thereto.

10.—ALLOCATION OF MEMBERS TO WARDS:

- (A) Consideration was given to the desirability of framing a further scheme of re-distribution of seats in connection with the allocation of members to the Wards.

The Clerk submitted a report thereon.

Your Committee have deferred the consideration of the matter until their next meeting for further detailed statistics.

They have also instructed the Surveyor to report as to the probable increase in the population of the various Wards owing to possible building developments in the District.

- (B) Letter from the West Hendon and Colindale Brotherhood suggesting that the West Hendon Ward was inadequately represented, and that the membership should be increased by at least two members.

Your Committee propose to consider this communication at their next meeting.

- 11.—RAILWAY FARES, ETC.: Letter from the Hon. Secretary of the National Association for the Promotion of Cheap Transit in regard to a Conference to be held at the Memorial Hall, Farringdon Street, E.C., on the 11th prox., on the subject of railway fares, etc., and inviting the Council to be represented thereat.

Your Committee have no recommendation to make upon the matter.

**12.—APPLICATIONS FOR EMPLOYMENT:**

(a) Letter from Mr. W. J. Dalton making application to be reinstated on the staff of the Council, Mr. Dalton having been employed as a Junior Clerk in the Surveyor's Department from October, 1913, to January, 1916, when he left the Council's service owing to illness.

After due consideration of the matter, your Committee

**RECOMMEND**—That Mr. Dalton be informed that the Council regret that no vacancy exists in the Surveyor's Department at the present time.

(b) The Surveyor submitted an application from Mr. A. Flint asking to be reinstated on the Council's Outdoor Staff. Mr. Flint had been in the employ of the Council until January, 1919, when he left to take up other work.

He now made enquiry whether the Council could offer him work as a Road Sweeper.

Report from the Surveyor that no vacancy existed on the Road Sweeping Staff, and your Committee

**RECOMMEND**—That Mr. Flint be informed accordingly.

**13.—MANGOLDS SEWAGE FARM:** The Surveyor reported the receipt of offers for the purchase of the crop of mangolds on the Sewage Farm.

Your Committee

**RECOMMEND**—That the offer of Mr. Hinge be accepted.

**14.—BLINDS AND CURTAINS—TOWN HALL:** Consideration was given to the tenders received for the supply of Blinds and Curtains at the Town Hall, together with a report from the Surveyor in regard thereto.

After due consideration of the matter, your Committee

**RECOMMEND**—That the tender of Mr. F. Morris, of Mill Hill, be accepted, and instructions were given to the Surveyor in regard to the class of material to be utilised for the work.

**15.—QUEEN'S ROAD, PARK ROAD, AND VIVIAN AVENUE—WIDENING OF:** In accordance with instructions the Clerk submitted the draft agreement to be entered into by Sir Audley Neeld and others in accordance with the negotiations of the Surveyor in connection with the proposed widening, etc., of Queen's Road, Park Road, and Vivian Avenue.

Your Committee understand that a further plan in connection with the proposal is required, and that the same is in course of preparation by the Surveyor.

With regard to the consideration of the draft agreement, your Committee have left the details thereof in the hands of the Chairman of the Committee and the Clerk.

**16.—PARLIAMENTARY ELECTION:** That they gave consideration to an application from one of the members of the Staff for permission to act in connection with the forthcoming Parliamentary Election. Your Committee are of opinion, in view of the fact that officers with experience in Election procedure are required, that permission should be granted to members of the Staff to act, subject to the consent of the Chief of the Department concerned, and that in cases where members of the Staff are engaged, that they be allowed to accept the fee payable subject to the amount of their salary for the day being deducted, and they

**RECOMMEND** accordingly.

**Report of Highways Committee.**

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen.—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 30th day of October, 1922. Present: Mr. Councillor Egan (Chairman), and Councillors Miss Growse, Mrs. Bannister, Ford, Holt, Hill, Reynolds, Taylor, and Wunny.

Your Committee beg to report as follows:—

**1.—ENCROACHMENT—GOLDERS GREEN ROAD:** Mr. William Humphries, of North Finchley, attended before your Committee in response to the notice served up a plea to show cause why the wall erected by him outside the hedge forming the boundary of No. 153, Golders Green Road, should not be removed, altered, or pulled down, such wall projecting to the extent of 2ft. into the public highway and constituting an encroachment thereon.

The matter having been dismissed, Mr. Humphries undertook to remove the obstruction within fourteen days.

**2.—FOOTPATH DIVERSION:** Letter from Messrs. E. Bevir & Son relative to an application by Mr. Streather's Solicitors for the consent of the Council to a proposal for the diversion of a portion of the public footpath leading from Granville Road to Clutterhouse, rendered necessary in connection with the development of the land as a Building Estate.

Report from the Surveyor in regard thereto, together with a plan of the proposal.

After due consideration of the matter, your Committee

**RECOMMEND**—That it is expedient that the public highways in the Parish of Hendon in the County of Middlesex leading from Granville Road to Clutterhouse Farm the situation of which is shown on the plan now produced to the Council and signed by the Chairman and the Clerk

By diverting and turning the said public highways and footpaths at and from the points (marked B. and G. on the said plan) which are situate at a distance of 699 yards and 400 feet or thereabouts respectively from the commencement of such highways (marked respectively A. and H. on the said plan) where they respectively begin to run in the southerly direction, then branching in a westerly direction for 200 feet and 400 feet respectively or thereabouts then both together in a north-westerly direction for 730 yards or thereabouts to a point (marked F. on the said plan) so that the said highways may be continued in a straight line over and across land belonging to Mr. Edward Streather in a westerly direction to a point (marked D. on the said plan) then in a northerly direction for a distance of 370 yards or thereabouts to a point (marked E. on the said plan) then turning in a south-westerly direction so as to effect a junction with the present highway or footpath at a point (marked F. on the said plan) and by substituting the new highway so to be made (between the points marked B. G. D. E. and F. on the said plan) which is represented on the said plan by the part coloured blue for the portions of the said highways or footpaths which now lie between the above-mentioned point (marked B. and C., G. and C., and C. and F. on the said plan) and by stopping up such last mentioned portions of the highway.

And that the Council do consent to such diversion or turning and part stoppage of the said highway accordingly upon the following conditions:—

- (a) That the applicant, Mr. Streather, do bear all legal and other costs in connection with the said diversion;
- (b) That the new footpath be laid out 10 feet wide and made up of 3 inches of clean gravel over 4 inches of clinker, these thicknesses to be after consolidation, and made to the satisfaction of the Surveyor of the Council in all respects;
- (c) That the diversion of the footpath shall in no way relieve the owners of the adjoining land from future road charges in connection with the road along which the proposed new footpath is to be made.

3.—OAKFIELDS ROAD—SUGGESTED EXTENSION: Letter from Mr. A. Masters, on behalf of persons resident in the Ecclesiastical Parish of St. Barnabas, Temple Fortune, suggesting the extension of Oakfields Road with a view of providing more convenient access to St. Barnabas' Church.

Report from the Surveyor in regard thereto.

After due consideration thereof, your Committee

RECOMMEND—That Mr. Masters be informed that the Council regret they are unable to entertain the suggestion having regard to the fact that Oakfields Road is of a private character over which they have no jurisdiction.

4.—PUBLIC LIGHTING:

- (a) UPHILL ROAD: Letter from Mr. R. M. Thomas forwarding a petition signed by residents of Uphill Road, Mill Hill, advocating the provision of two additional lamps in the road.

After due consideration of the matter, your Committee

RECOMMEND—That the request of the petitioners be acceded to, and that the additional lamps be fixed in due course.

- (b) LOWER HALE LANE: Letter from Mr. Goff in regard to the lighting of Lower Hale Lane, Mill Hill.

Report from the Surveyor in regard thereto from which it appeared that in the past the lane in question had been lighted by means of three oil lamps, but it had not been found practicable to maintain this method of lighting.

After due consideration of such report your Committee

RECOMMEND—That the Surveyor approach the North Middlesex Gas Company with a view to the extension of a service pipe to Lower Hale Lane and that subject to the Company agreeing to such extension that three gas lamps be fixed in lieu of the oil lamps.

Your Committee further

RECOMMEND—That Mr. Goff be informed of the action proposed to be taken in the matter.

- (c) CENTRAL HENDON: Letter from Mr. H. Joad, on behalf of the Hendon Ratepayers' Association, complaining as to alleged inadequate lighting of The Burroughs, between the Town Hall and Babington Road.

The Association also complained as to the late hour at which the lamps were lighted in certain of the roads on the Neeld Estate.

Dealing with the first point, your Committee have received a report from the Surveyor thereon, and

RECOMMEND—That the Council restore the lamp hitherto existing in The Burroughs, near Ravensfield College, and that the Association be informed of the action proposed to be taken.

With regard to the further point raised in the letter from the Association, the Surveyor reported a communication from the Gas Light and Coke Company intimating that the price of gas for public purposes would be reduced, as from the September quarter, from 11d. to 10d. per therm, thus reducing the cost for public lighting, above pre-war prices, from 130 per cent. to 105 per cent.

In view thereof the Surveyor suggested that the time was now opportune for restoring the standard hours of lighting in the Gas Light and Coke Company's area of supply, reduced some time ago by half-an-hour in the evening and one hour in the morning with the object of effecting a saving in the cost for public lighting.

After due consideration of the matter, your Committee

RECOMMEND—That the suggestion of the Surveyor be approved, and that steps be taken to restore the standard hours of lighting in the Gas Light and Coke Company's area.

In view of the fact that this proposal will remedy the complaint of the Ratepayers' Association your Committee

RECOMMEND—That they be informed thereof.

- (D) CHILD'S HILL: Report from the Surveyor in regard to the proposal of the Council to provide a lamp at the end of the footpath leading from Hodford Road to the Child's Hill Recreation Ground, from which it appeared that the Gas Light and Coke Company had intimated that in view of the fact that no pipe existed at this point to which they could connect the lamp, the cost of laying the necessary service for the same would amount to £16 2s. 6d. with an additional sum of approximately £12 for the supply and erection of the necessary column and lamp.

The Surveyor therefore made enquiry whether it was desired to proceed with the erection of the lamp in question.

Your Committee understand that a service pipe does exist in this locality and have left the matter in the hands of the Surveyor to communicate further with the Gas Company thereon, and with authority to fix the lamp in question.

- (E) ADDITIONAL LAMPS: The Surveyor reported that additional lamps were required in the following roads owing to building developments therein:—

West Avenue	...	1 Lamp
Bridge Lane	...	1 "
Highcroft Gardens	...	1 "
Wentworth Road	...	1 "
Elmcroft Crescent	...	1 "
Brentmead Place	...	1 "

Your Committee

RECOMMEND—That the report of the Surveyor be approved, and that the necessary lamps be provided in due course.

#### 5.—DIRECTION TABLETS:

- (A) Letter from Mr. H. G. Tayler, on behalf of the Trustees of the Golders Green Wesleyan Church, seeking the permission of the Council to the fixing of direction tablets on the lamp post situate at the corner of Hodford Road and Golders Green Road, and at the corner of Rodborough Road and Finchley Road, indicating the direction of the Wesleyan Church.

Your Committee

RECOMMEND—That Mr. Taylor be informed that the Council are prepared to grant permission for the fixing of a tablet on one of the lamp posts referred to, it being left in the hands of the Trustees to decide which they preferred, subject to their agreeing to pay a nominal annual rental of 1/- for the privilege.

- (B) Letter from the Traffic Advertising Agent, London Electric Railway Company, asking for the permission of the Council to fix upon lamp posts in the district the Company's standard lamp post direction plates indicating the way to the new stations to be opened in connection with the extension of the tube railway.

The Company undertook to pay a rental for the plates (forty-eight in number) similar to that now paid in connection with the existing plates directing the public to the Golders Green Station.

Your Committee have adjourned the consideration of this matter until their next meeting to enable the Surveyor to submit a report thereon.

- 6.—PRIVATE STREET WORKS: Letter from the Ministry of Health in regard to the application of the Council for sanction to the necessary loan for the carrying out of Private Street Improvement Works in Booth Road, Crewys Road, and Wentworth Road, intimating that in the case of the latter road the Ministry had received a petition signed by the majority of the inhabitants thereof objecting to the execution of the works.

The Ministry stated that they had fully considered the matter, and were of opinion that the Council should either postpone the carrying out of the works in Wentworth Road for a period of twelve months, carrying out temporary works in the meantime, or allow the cost of the improvement to be spread over a term of seven years, they being prepared to sanction this period for the repayment of the loan.

With regard to the suggestion for the postponement of the carrying out of the works, it will be remembered that upon representation being made to the Council the question was deferred for a period of six months, long since expired.

Your Committee

RECOMMEND—That the Ministry of Health be informed accordingly, and further that the Council consider the work should be carried out without delay, the cost thereof being spread over a period of seven years in accordance with their suggestion.

Dealing with Booth Road and Crewys Road, the Ministry intimated that before deciding upon the Council's application they would direct a local Inquiry to be held in regard thereto, of which due notice would be given.

- 7.—COLINDALE AVENUE: Letter from Mr. W. C. Garrard, on behalf of the Colindale Ratepayers' Association, in further reference to their complaint as to certain unfenced land in Colindale Avenue between Regent Villas and the Brook.

It will be remembered that some time ago the Association communicated with the Council upon this subject requesting that the land should be fenced in as a protection against alleged danger owing to the existence of the stream in the locality, the Association being informed by the Council that they regretted they were unable to take any action in connection therewith.

The Association intimated that they had communicated with certain authorities whom they thought might be interested in the land with a view to obtaining particulars as to the ownership thereof, but had been unsuccessful in their efforts, and they made enquiry whether the Council would again consider the matter with a view to ascertaining who was the responsible owner of the land.

Your Committee have given the matter further consideration, and

**RECOMMEND**—That the Clerk endeavour to obtain particulars as to the ownership of the land, and that the same be furnished to the Association.

- 8.—THE BROADWAY—WEST HENDON: Letter from Mr. R. Rowland, the occupier of business premises at The Broadway, West Hendon, complaining of annoyance from dust, and suggesting that the road should be more frequently watered.

In view of the advanced season for road watering purposes, and the proposed re-construction of the portion of the Edgware Road referred to in the near future, your Committee have no recommendation to make in the matter.

- 9.—FINCHLEY ROAD: Reference was made as to the desirability of fixing a "Drive Slowly" Notice near Lyndale, Finchley Road, it being stated that the Rev. W. D. H. Petter, of All Saints', Child's Hill, was prepared to bear the expense incurred in erecting such a notice.

Your Committee

**RECOMMEND**—That the Council approach the Metropolitan Electric Tramways Ltd. with a view to a notice bearing the words "Drive Slowly, Dangerous Turning" being affixed to the tramway standard in the neighbourhood referred to, a nominal rental of 1/- per annum being offered to the Company for the privilege.

- 10.—UNEMPLOYMENT (RELIEF WORKS) ACT, 1920: Report from the Clerk that the Surveyor had prepared a claim amounting to the sum of £1,073, in connection with the land taken by the Middlesex County Council for the widening of Kingsbury Lane, and the same had been forwarded to the County Solicitor.

Your Committee confirmed the action taken in the matter.

11.—TREES:

- (A) BRENT STREET: Letter from Mr. C. W. Guignard in further reference to the tree situate near his premises in Brent Street, intimating that he was not prepared to bear the expense which would be incurred in the removal thereof.

Mr. Guignard again urged the removal of the tree, alleging that the same was a source of danger to the public and also to his property.

Your Committee have given the matter further consideration, and

**RECOMMEND**—That the Outdoor Committee be asked to make an inspection of the tree in question, and that Mr. Guignard be informed of the action proposed to be taken in the matter.

- (B) GOLDERS GREEN ROAD: Letter from Messrs. Lewis & Burrows, Ltd., expressing surprise at the decision of the Council in connection with their request for the removal of a tree situate at the junction of Golders Green Road and Armitage Road, near the business premises proposed to be opened by them, and urging the Council to reconsider the matter.

After further consideration thereof, your Committee

**RECOMMEND**—That in the further special circumstances now submitted for consideration the resolution of the Council passed on the 9th inst. be rescinded, and that the tree in question be removed.

They

**RECOMMEND** further—That Messrs. Lewis & Burrows, Ltd., be informed of the action proposed to be taken.

- (C) BRENT STREET: Letter from Mr. W. Hammond in regard to three elm trees in front of the houses in course of erection by him at Brent Street, and offering to bear half the cost of the removal of the trees in question.

Report from the Surveyor in regard thereto.

After due consideration thereof, your Committee

**RECOMMEND**—That the trees be removed, provided one-half the cost of so doing be borne by Mr. Hammond.

- (D) GREEN LANE: Letter from Mr. J. W. Willoughby suggesting that certain trees in Green Lane situate on the boundary of his property should be lopped.

Your Committee have received a report from the Surveyor in regard to the trees in question, and agree that the same should be lopped and recommend accordingly.

- 12.—PRIVATE STREET WORKS: In accordance with the instructions of your Committee the Surveyor submitted plans and estimates for making up the following back passages at West Hendon under Section 150 of the Public Health Act, 1875.

- Back passage between Borthwick Road and Ramsey Road, with cross connection.  
 Back passage between Borthwick Road and Ravenstone Road, with cross connection, and  
 Passage at the back of Ravenstone Road, with cross connection.

With regard to the passage between Borthwick Road and Ramsey Road and the cross connection, the Surveyor stated that under an agreement with the Imperial Property Investment Company dated 14th December, 1899, this section was dedicated to the public. He estimated the cost of improvements in this Section at £120.

Your Committee

**RECOMMEND**—That this work be put in hand.

Dealing with the remaining passages, the Surveyor estimated the cost of the work at an average of 2/- per foot frontage in respect of the properties abutting thereon.

Your Committee

**RECOMMEND**—That the plans and estimates be approved, and that in due course notices under Section 150 of the Public Health Act, 1875, be served upon the frontagers.

- 13.—**FINCHLEY LANE WIDENING**: Report from the Surveyor in regard to his negotiations with the owners of the land in Finchley Lane required for the carrying out of the proposed widening and improvement works in this road, from which it appeared that such negotiations were not yet completed.

The Surveyor suggested that in view of building developments the Council should deal with the length of Finchley Lane, between Brent Street and Tenterden Grove, and also the portion of Parson Street adjoining, the necessary land in this case having been surrendered by the owners of the Glebe Estate.

He suggested further that plans and estimates of this Section of the proposed improvement should be prepared with a view of making application to the Ministry of Health for sanction to the necessary loan for the work, and that application be also made to the Ministry of Transport for a grant towards the cost of the same.

After due consideration of the report of the Surveyor, your Committee

**RECOMMEND**—That the suggestions contained therein be approved.

- 14.—**EXTENSION OF GRANVILLE ROAD TO THE VALE**: The Surveyor submitted a report in regard to his negotiations with the Ecclesiastical Commissioners and also the owners of the Nursery Gardens, Granville Road, relative to the proposal for the extension of Granville Road to The Vale, together with a plan showing the proposals embodied in such report.

Your Committee have given the matter careful consideration, and in view of the considerable outlay involved do not recommend the Council to proceed further with the scheme at the present time.

- 15.—**OMNIBUS SERVICE**: Letter from the London General Omnibus Company, Ltd., notifying their intention to suspend Service 104a running between Golders Green and Whetstone (Saturdays and Sundays only) as from the 15th inst. Noted.

- 16.—**CORRINGHAM ROAD—PROPOSED NOTICE BOARD**: Letter from Mr. J. C. St. Aubyn Angove suggesting the fixing of a street name plate at the Finchley Road entrance of Rotherwick Road with a notice that the road leads to Corringham Road, Corringham Way, and Hampstead Heath.

Your Committee are unable to adopt this suggestion, but

**RECOMMEND**—That a notice be placed at the Finchley Road end of Rotherwick Road bearing the words leading to Corringham Road.

- 17.—**FENCE—FINCHLEY LANE**: Report from the Surveyor in regard to the dilapidated condition of the fencing of land adjacent to "Heathview," Finchley Lane, owned by Mr. J. Blockley, the same in its present condition forming an obstruction to pedestrians making use of the public footpath.

The Surveyor stated that he had on several occasions requested Mr. Blockley to have the fence repaired, but no action had been taken in regard thereto.

Your Committee

**RECOMMEND**—That the Clerk serve Mr. Blockley with notice requiring the removal of the obstruction to the public footpath or to put the fencing into proper repair.

- 18.—**PRIVATE IMPROVEMENTS—THE RIDGEWAY**: The Surveyor reported the receipt of a communication from Messrs. Milles & Co. on behalf of the Ecclesiastical Commissioners relative to road charges apportioned in connection with the making up of The Ridgeway in respect of certain plantations in the road, and suggesting that the Council should grant some relief in connection therewith.

Report from the Surveyor in regard to the matter from which it appeared that difficulties had arisen between the Commissioners and the lessees of the houses opposite the plantations in question, relative to the payment of the road charges apportioned in respect of the plantations, and as to the action taken by him in the matter.

The Clerk also stated that he received from Messrs. Milles & Co. on the 3rd inst., notices of objection lodged on behalf of the Ecclesiastical Commissioners against the apportionments served on the 18th March last in respect of the plantations referred to, and that he had informed Messrs. Milles & Co., in reply, that the notices of objection should have been lodged within three months from the date of the notice of apportionment, and were, therefore, not in order.

Your Committee confirmed the action of the Officers in the matter and recommend the Council to adhere to the apportionments.

Brand & Son, the Contractors of the London Electric Railway Company, in connection with the extension of the tube railway, making enquiry whether the Council would agree to the closing of Queen's Road for a period of two months during the construction of the bridge over the road.

Your Committee have received a report from the Surveyor in regard to the proposal of Messrs. Brand and Son, from which it appeared that it would be impracticable to carry out the work unless the road was closed. Your Committee therefore

RECOMMEND—That the Council accede to the application.

- 20.—IMPROVEMENTS—STATION ROAD, FROM EDGWARE ROAD TO COLINDEEP LANE: Letter from the Clerk to the Middlesex County Council transmitting a copy of the following resolution adopted by the County Council, relative to the proposed improvement works in Station Road, from Edgware Road to Colindeep Lane.

That an intimation be given to the Hendon Urban District Council that the County Council will be prepared to allow them to charge in their Main Roads Accounts, instalments of principal and interest, on such a sum not exceeding £14,205, as shall represent the cost to the District Council, after deducting the contribution from the Ministry of Transport, of the wood paving and surface-water drainage of Station (Class 1 Main) Road, Hendon, from Edgware Road to Colindeep Lane, subject—

- (a) To the Ministry of Transport contributing a moiety of the cost of the works;
- (b) To the works being carried out to the satisfaction of the County Engineer and Surveyor and in accordance with plans and specifications approved by him;
- (c) To the capital or other expenditure of the District Council being audited by the County Engineer and Surveyor;
- (d) To the rate of interest on the loan proposed to be raised by the District Council to meet the cost of the work being first approved by the County Council; and
- (e) To credit being given to the County Council for the value of such old materials as are not utilized in connection with the work.

Report from the Surveyor suggesting that application should now be made to the Ministry of Health for sanction to a loan of £29,500 for the execution of the works referred to.

Your Committee

RECOMMEND—That the suggestion of the Surveyor be approved, and that application be made to the Ministry of Health in due course.

- 21.—DIRECTION TABLET—CHILD'S HILL: Enquiry was made whether the Council would give permission to the Vicar of All Saints', Child's Hill (the Rev. W. D. H. Petter) to affix a tablet to the lamp post at the bottom of Lyndale indicating the direction to All Saints' Church.

Your Committee

RECOMMEND—That the request of the Rev. W. D. H. Petter be acceded to upon the usual conditions.

- 22.—REQUISITIONS: The Surveyor submitted a requisition of goods required in his department, and the same was duly approved.

## Report of Finance Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 30th day of October, 1922. Present: Mr. Councillor Cartwright (Chairman), Councillors Donald, Fenn, Hearn, Rev. Dr. Macgowan, Roberts, Soar, Sturgess, and Weeks.

Your Committee beg to report as follows:—

- 1.—PAY ORDERS: The Accountant submitted Pay Orders for the sums of £1,187 6s. 11d. and £167 7s. 10d. included in the accounts for payment. Your Committee gave authority for the necessary cheques to be drawn.

- 2.—EDGWARE ROAD RECONSTRUCTION: Letter from the Ministry of Health transmitting formal sanction to the borrowing by the Council of the sum of £15,000 for the reconstruction of the Edgware Road, Hendon, such sanction being given in accordance with the recommendation of the Ministry of Transport.

Report from the Accountant that he had been in negotiation with the Middlesex County Council in connection with the advance of the necessary loan and your Committee have authorised him to continue such negotiations and report further.

- 3.—ECCLESIASTICAL TITHE ACT, 1922: That they received a circular from the Ministry of Health in reference to the provisions of the Ecclesiastical Tithe Rent Charges (Rates) Act, 1922, which your Committee are informed relates more particularly to rating authorities. Your Committee have duly noted the same.

- 4.—SUNNY HILL FIELDS: Letter from the Ministry of Health intimating that the Ministry would raise no objection to the proposal to apply the sum of £218 being a portion of the contribution of the Middlesex County Council, towards the cost of the acquisition of land at Sunny Hill Fields.

The Ministry intimated, however, that they could not see their way to accede to the request of the Council that the sum of £1,000 should be utilised in connection with the laying out of the ground and suggested that the course referred to in the Ministry's previous letter should be followed.

Your Committee have received a report from the Accountant as to his negotiations relative to transferring the amount to a new sanction.

Your Committee have requested the Accountant to continue his negotiations and submit a further report thereon.

They

**RECOMMEND**—That the Ministry of Health be informed that the Council are endeavouring to arrange the matter in accordance with their letter and a further communication will be addressed to them upon the subject at a later date.

#### 5.—GAS—PRICE OF:

- (a) Letter from the Gas Light and Coke Company intimating that the price of gas had been reduced from 11d. to 10d. per therm as from the date of recording the meter indices for the September quarter.

Under the terms of the Company's communication of February, 1920, the increase under the Company's charge for street lighting as from 1st October, 1922, would be reduced from 130 per cent. to 105 per cent.

Your Committee have duly noted this communication.

- (b) Reference was made to the complaints as to price of gas and the Surveyor had received a communication from Mr. F. W. Goodenough, of the Gas Light and Coke Company, intimating that he would be pleased to have an opportunity of meeting the Committee in regard thereto.

Your Committee

**RECOMMEND**—That Mr. Goodenough be invited to attend the next meeting of the Finance Committee.

- 6.—WATER CHARGES: Reference was made to the scales of charges by water companies and the Accountant was requested to report in regard to water charges.

#### 7.—HIRE OF ROOMS:

- (a) Letter from Mr. J. A. Gregsten intimating his desire to cancel the remaining bookings for the Town Hall, Hendon.

Your Committee agreed to the bookings being cancelled.

- (b) Letter from Mr. G. Hails, Superintendent Assistant Overseer, in reference to representation submitted by the Chairman of the Overseers as to the letting of the Town Hall for trading purposes.

Your Committee are informed that on two occasions a room has been let for an exhibition of millinery, etc.

Your Committee

**RECOMMEND**—That no future lettings of this description be allowed.

- (c) Letter from Mr. M. S. Leader, of the Alliance of Honour, asking for the consent of the Council to hold a meeting at the Town Hall and exhibit a film entitled "Gift of Life."

Your Committee are unable to recommend the use of the hall for the purpose of exhibiting Cinematograph Films, the premises not being licensed for this purpose.

#### 8.—PRIVATE STREET IMPROVEMENTS:

- (a) That they had under consideration communications from the following persons objecting to the amounts apportioned in respect of the making up of the Ridgeway, Golders Green, under Section 150 of the Public Health Act, 1875:—

Messrs. Milles & Co., on behalf of the Ecclesiastical Commissioners in respect of plantations opposite Nos. 49, 50, 52, 62, and 64, The Ridgeway, and also No. 24, The Riding.

Capt. F. M. Hay, in respect of 52, The Ridgeway.

Messrs. Cooper, Bake & Co., on behalf of Mrs. Freeth in respect of 64, The Ridgeway.

Mr. V. Smith, in respect of 50, The Ridgeway.

Mr. Henry Dell, in respect of 63, The Ridgeway.

Your Committee are informed that in each of the above mentioned cases the notices of objection to the apportionment were received out of date, and the objections were not therefore in order.

Your Committee

**RECOMMEND**—That the appellants be informed in each case that the Council are unable to entertain their objection.

- (b) ALBERT ROAD: Letter from Mount Sterry & Wheeler in further reference to the charges for making up Albert Road, Mill Hill, apportioned to Mr. L. Blake. The Council will recollect that in this case the objection was lodged out of date and the Council informed Messrs. Mount Sterry and Wheeler that they could not entertain the objection.

Your Committee have no further recommendation to make in regard to this communication.

- 9.—EDUCATION PRECEPT: Your Committee beg to report the receipt of a letter from the Hendon Education Committee with the resolution passed upon this subject as follows:—

"The Education Teachers in Hendon ever and abiding service."

- 10.—HOUSING BOND: Report from the Accountant as to an application to transfer Housing Bond No. 211. Your Committee approved of the transfer and

RECOMMEND—That the Common Seal of the Council be affixed to the new Bond in due course.

Your Committee considered the reference from the Housing Committee as to charging a sum of £25 to the Assisted Housing Scheme account in connection with administrative work, but have no recommendation to make thereon.

- 11.—RATES REMISSION: Report from the Accountant as to an application from Lady Bayliss to remit the rates in respect of No. 1, Devonshire Place, used as a Creche in connection with Mrs. Burgess's Nursery at Child's Hill.

Your Committee have referred this communication to the Overseers and propose to give the same further consideration when the Overseers have considered the same.

- 12.—TELEPHONE CHARGES: Report from the Accountant as to telephone charges in connection with the Burnt Oak Station.

The Superintendent is an Official of the Colne Valley Water Company, and the Accountant suggested that the Colne Valley Water Company should be asked to pay a share of the telephone rental, which amounted to £2 2s. 6d. per quarter, and your Committee agree that application be made accordingly.

- 13.—RATES: Report from the Accountant as to the practice of the Overseers in connection with the periodical examination of the poor rate and the Overseers made enquiry whether the Council would have any objection to an examination being made of the District Rate at the same time.

Your Committee have no objection to offer to the proposal.

- 14.—ACCOUNTS: The Accountant submitted a statement of items in the Surveyor's Accounts which were irrecoverable amounting to the sum of £65 5s. 7d., and he suggested that the same should be written off.

Your Committee agreed to this course being adopted and authorised the Chairman of the Committee to sign the Statement submitted.

- 15.—LOAN: Report from the Accountant as to the offer of a loan of £508 for a period of 16 years with interest of 5 per cent. from Mr. A. Roberts, of 222, Cricklewood Lane.

Your Committee

RECOMMEND—That such loan be accepted and that the necessary mortgage deed be prepared in due course and submitted for Sealing by the Council.

- 16.—ENGINEER'S CERTIFICATES: The Engineer submitted certificates in favour of Contractors included in the amount for payment as follows:—

## Minutes.

**At a Special Meeting** of the URBAN DISTRICT COUNCIL OF HENDON,  
(In Committee) held at the Town Hall, The Burroughs, Hendon, N.W., on Monday,  
the 6th day of November, 1922.

PRESENT :

Mr. Councillor A. B. Soar, J.P. (Chairman),  
Councillor Miss E. C. Growse,  
Mrs. G. Hargraves,  
Mr. Councillor C. C. Cartwright,  
" " S. H. Egan,

" " R. M. Weeks,  
" " A. E. Winny,  
Mr. H. Humphris (Clerk),  
Mr. A. O. Knight (Engineer and Surveyor),  
Mr. G. Hails (Accountant).

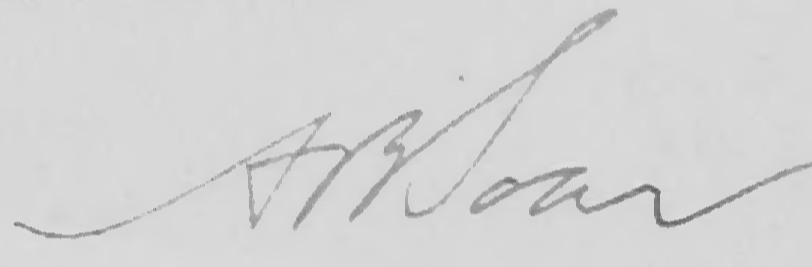

UNEMPLOYMENT: The Council gave further consideration to the communication from the Hendon Guardians as to the suggestion for co-operation in formulating a scheme whereby work might be provided by the Council in cases recommended by the Guardians, the Guardians to pay the cost of the labour involved.

A deputation consisting of Mr. P. Lightfoot, Mr. D. A. Steele, Mr. Morsman, and the Clerk to the Guardians (Mr. F. J. Seabrook) attended the meeting of the Council.

Mr. Lightfoot, on behalf of the Guardians, outlined the proposal of the Guardians, the object being to secure some return for the relief granted. He pointed out that at the present time the Guardians were giving relief in money and in kind with no return, and they desired to be in a position to offer the persons affected suitable employment.

A report by the Clerk to the Guardians upon the subject was also read to the meeting.

After some discussion it was agreed that the Clerk to the Guardians should communicate with the Engineer of the Council when the Engineer would submit a report as to suitable work (if any) which could be put in hand to meet the views of the Guardians in this matter.

Upon the motion of Mr. Councillor Cartwright, seconded by Mr. Councillor Fenn,  
IT WAS RESOLVED—That the Report of the Committee be approved and adopted.

REPORT OF WORKS AND SEWAGE DISPOSAL COMMITTEE: The Works and Sewage Disposal Committee submitted a report of a meeting of the Committee held on the 16th ulto. (Agenda page 179).

Upon the motion of Mr. Councillor Roberts, seconded by Mr. Councillor Hill,

IT WAS RESOLVED—That the report of the Committee be received.

After due consideration of such report, upon the motion of Mr. Councillor Roberts, seconded by Mr. Councillor Reynolds,

IT WAS RESOLVED—That the report of the Committee be approved and adopted.

REPORT OF PUBLIC HEALTH COMMITTEE: The Public Health Committee submitted a report of a meeting of the Committee held on the 16th ulto. (Agenda page 182).

Upon the motion of Mr. Councillor Hearn, seconded by Mr. Councillor Weeks,

IT WAS RESOLVED—That the report of the Committee be received.

SMALLPOX: Reference was made to a communication which had appeared in the Local Press upon the subject of Smallpox and enquiry was made as to whether the Medical Officer had obtained sanction to communicate with the Press upon the subject.

The Medical Officer explained the position he had taken in regard to the publication of the communication referred to.

Mr. Councillor Ford moved:—

That it be an instruction to the Officers of the Council that no communications be issued to the Press on any matter before the Council except through and by the Authority of the Chairman.

Mr. Councillor Hill seconded the motion.

Mr. Councillor Hearn moved as an amendment:—

That the question raised be referred to the Council in Committee this evening.  
Councillor The Rev. Dr. Macgowan seconded the amendment.

Upon the amendment being put to the Meeting there voted for it, seven, viz.:—Councillors Miss Growse, Weeks, Hearn, Macgowan, Roberts, Sturgess, and Reynolds, and against it, five, viz.:—Councillors Ford, Cartwright, Hill, Fenn and Holt.

After due consideration of such report, upon the motion of Mr. Councillor Hill, seconded by Mr. Councillor Reynolds,

IT WAS RESOLVED—That the report of the Committee be approved and adopted.

REPORT OF HIGHWAYS COMMITTEE: The Highways Committee submitted a report of a meeting of the Committee held on the 30th ulto. (Agenda page 194).

Upon the motion of Mr. Councillor Egan, seconded by Mr. Councillor Reynolds,

IT WAS RESOLVED—That the report of the Committee be received.

FOOTPATH DIVERSION: Upon consideration of paragraph No. 2 of the report of the Committee in regard to the proposal submitted on behalf of Mr. Streater for the diversion of a portion of the public footpath leading from Granville Road to Clutterhouse, the Clerk reported a communication from Mr. E. Streater withdrawing the present proposal and intimating that he proposed to submit an amended proposal at a later date.

After due consideration of such communication, upon the motion of Mr. Councillor Egan, seconded by Mr. Councillor Hill,

IT WAS RESOLVED—That the matter be referred back to the Committee to await the further proposal of Mr. Streater.

TREES: Upon consideration of paragraph No. 11 sub-paragraph (a) of the report of the Committee in regard to the complaint of Mr. Guignard as to the alleged dangerous condition of a tree situate near his premises in Brent Street.

Mr. Councillor Reynolds moved:—

That the recommendation of the Committee to refer the matter to the Outdoor Committee be deleted, and that the tree in question be removed at the expense of the Council.

Mr. Councillor Hill seconded the motion.

Upon the same being submitted to the meeting there voted in favour thereof, three, viz.:—Councillors Hill, Reynolds, and Winny, and against the motion, eleven, viz.:—Councillors Miss Growse, Cartwright, Donald, Egan, Fenn, Ford, Hearn, Holt, The Rev. Dr. Macgowan, Roberts, and Weeks.

The Chairman declared the motion to be not carried.

**FINCHLEY LANE WIDENING:** Upon consideration of paragraph No. 13 of the report of the Committee in regard to the proposal for the widening and improvement works in Finchley Lane and Parson Street, the Surveyor reported a letter from the Ministry of Transport in regard to the matter, and

IT WAS RESOLVED—That the same be considered by the Council in Committee this evening.

**EXTENSION OF TUBE RAILWAY:** Upon consideration of recommendation contained in paragraph No. 19 of the report of the Committee that the Council accede to the application made by the Contractors of the London Electric Railway Company for the closing of Queen's Road for a period of two months during the construction of the bridge over this road in connection with the extension of the tube railway.

IT WAS RESOLVED—That the consent to the temporary closing of the road apply to vehicular traffic only.

Upon the motion of Mr. Councillor Egan, seconded by Mr. Councillor Roberts,

IT WAS RESOLVED—That the report of the Committee, as amended, be approved and adopted (Councillors Hill and Reynolds dissenting).

**REPORT OF REQUISITIONS COMMITTEE:** The Requisitions Committee submitted the following report of a meeting held this evening.

### Report of Requisitions Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,

Your Committee beg to report that they met at the Town Hall, this evening. Present: Mr. Councillor Soar (Chairman), and Councillors Cartwright, Ford, Hill, Roberts, and Sturgess.

Your Committee beg to report as follows:—

**REQUISITIONS:** The Surveyor submitted a requisition of goods required in his department, and your Committee RECOMMEND approval thereof.

Upon the motion of Mr. Councillor Soar, seconded by Mr. Councillor Ford,

IT WAS RESOLVED—That the report of the Committee be received, approved, and adopted.

**CORRESPONDENCE:** The Clerk reported the receipt of various letters as mentioned in his report book, and

IT WAS RESOLVED—That the same be referred to the respective Committees for consideration in the usual way.

**DOCUMENTS FOR SEALING:** The Clerk submitted the following documents for sealing by the Council:—

Warman, W.	...	...	...	...	Agreement as to dedication of land and boundary line Mylespit Hill.

Report from the Ministry of Health to be considered by the Council.

In regard to the last named application the Surveyor stated that Leaside Crescent had not been formally dedicated as a public highway, but the road was now being made up under Section 150 of the Public Health Act, 1875.

After due consideration of such applications,

**IT WAS RESOLVED**—That the applications relating to Public Highways be approved, subject to the usual conditions, and in regard to the case of Leaside Crescent the Council gave instructions to the Surveyor for dealing with this application as a special case.

**EDUCATION COMMITTEE MINUTES**: The Minutes of the proceedings of the Hendon Education Committee at their meeting held on the 26th day of September, 1922, having been circulated amongst the Members of the Council, upon the motion of Mr. Councillor Hearn, seconded by Councillor The Rev. Dr. Macgowan,

**IT WAS RESOLVED**—That such Minutes be received.

**EDUCATION COMMITTEE**: In accordance with notice appearing upon the Agenda paper, Mr. Councillor Hill moved the following motion:—

“That a Committee of the Council to consist of the Chairman with six Members (three of whom shall be also Members of the Education Committee) be appointed to enquire into the position of the Council as the Education Authority for the District and to report to the Council at its December Meeting whether it is desirable that the Education Committee should become a reporting Committee of the Council.”

Mr. Councillor Hearn seconded the motion.

After some discussion in connection with the matter it was agreed that the motion be amended to read that the proposed report be submitted at the January meeting of the Council.

Upon the motion being submitted to the meeting there voted in favour thereof, 12, viz.:—Councillors Mrs. Hargraves, Miss Growse, Cartwright, Donald, Egan, Ford, Hill, Hearn, The Rev. Dr. Macgowan, Roberts, Winny, and Weeks, and against the motion, 4, viz.:—Councillors Fenn, Holt, Reynolds, and Sturgess.

The Chairman declared the motion to be carried.

Steps were then taken to appoint the members to serve on the Committee and the following members of the Council were proposed:—

Councillor Mrs. Bannister,  
Mr. Councillor Hearn,  
Mr. Councillor Ford,

} Members of the Education Committee.

Mr. Councillor Donald,  
Mr. Councillor Roberts,  
Mr. Councillor Weeks.

Upon the proposal being submitted to the meeting there voted in favour thereof, 9, viz.:—Councillors Cartwright, Egan, Ford, Hill, Holt, The Rev. Dr. Macgowan, Sturgess, Winny, and Weeks, and against 1, viz.:—Councillor Miss Growse.

The Chairman declared the same to be carried.

**CHRISTMAS GIFT FUND**: Reference was made by Mr. Councillor Reynolds to the question of again inaugurating a scheme to deal with the question of providing Christmas Gifts, and after some discussion in connection with the matter,

**IT WAS RESOLVED**—That such a scheme be again inaugurated and that Councillors Reynolds and Roberts confer upon the matter and take the necessary action in regard thereto.

#### IN COMMITTEE.—

**BRENT HILL HOUSING**: The Chairman submitted a report in regard to the interview which, accompanied by the Clerk and Architect, he had had with representatives of the Ministry of Health in regard to the tenders received by the Council for the 20 additional houses in connection with the Brent Hill Scheme, from which it appeared that the Ministry were of opinion that such tenders were too high.

They suggested that if the Contractors submitting the lowest tenders were approached they could probably modify the same, failing this the Ministry considered that further tenders should be invited.

It was ultimately agreed that Mr. Hornblower should confer with the Contractors submitting the two lowest tenders in accordance with the suggestion of the Ministry.

The Clerk submitted a communication which had just come to hand from Mr. Hornblower reporting the result of his negotiations with Messrs. Perry Bros. and Messrs. Chas. Groom, Son & Co., Ltd.

After some discussion in connection therewith upon the motion of Mr. Councillor Egan, seconded by Mr. Councillor Ford,

**IT WAS RESOLVED**—That the communication be referred to the Housing Committee for consideration, and that a report be also submitted by the Surveyor in regard thereto.

**DAWS LANE ALLOTMENTS**: Consideration was given to the recommendation contained in paragraph No. 3 of the report of the Town Planning Committee in regard to the application before the Ministry of Health for sanction to a loan of £2,550 for the acquisition of land in Daws Lane for the provision of allotments.

Report from the Surveyor from which it appeared that the District Valuer was advising the Ministry of Health that the value of the land was, in his opinion, much lower than that proposed to be paid by the Council.

After due consideration of the matter,

**IT WAS RESOLVED**—That a further communication be addressed to the Ministry of Health explaining that whilst the Council were unaware of the basis upon which the District Valuer arrived at his valuation of the land, the Council respectfully urged that having regard to the central position of the land in the Mill Hill area and the price secured for adjacent lands the price of £300 per acre was a very fair one.

**FINCHLEY LANE IMPROVEMENT SCHEME**: Consideration was given to the communication received by the Surveyor from the Ministry of Transport in connection with the Council's application of July last for a grant towards the proposed estimated expenditure of £20,800 in connection with the improvement scheme in Finchley Lane and Parson Street.

The Ministry made enquiry whether in the event of their making a grant of 50 per cent. towards the cost of widening and surface water drainage works in Finchley Lane, and a grant of 25 per cent. towards the cost of widening Parson Street the Council would be prepared to carry out these works for the relief of Unemployment.

In view of the recommendation contained in paragraph No. 13 of the report of the Highways Committee whereby it was proposed to proceed with a portion only of the original scheme at the present time, viz., the length of Finchley Lane between Brent Street and Tenterden Grove, and also the portion of Parson Street adjoining, having regard to building development and to the fact that it had not been possible to complete negotiations with the owners of land required for the proposed widening works in the remaining portion of Finchley Lane.

**IT WAS RESOLVED**—That the Surveyor negotiate with the Ministry of Transport in accordance with such proposal.

**SMALL POX**: The Medical Officer explained to the Council the reasons which inspired his action in communicating with the local newspaper upon the subject of the prevention of Small Pox, and expressed regret at his omission to consult the Chairman thereon.

He submitted a suggestion for the exhibition of posters in the district in regard to the matter, and reported as to the existing arrangements to ensure accommodation being available in connection with the Middlesex Districts Joint Small Pox Hospital Board at their Institution at Clare Hall, South Mimms.

After some discussion,

**IT WAS RESOLVED**—That the whole matter be referred to the Public Health Committee and that that Committee be invested with power to act in connection therewith.

To the Chairmen

Ladies and Gentlemen,—  
Your Committee held a meeting on November, 1922. Present were Mr. Hill, Mr. Soar, and Mr. Winny.

Your Committee has the honor to report to you the following:

1.—ALLOTMENTS:  
(A) CHILD'S HOME: The Committee has received a report from the Child's Home Committee regarding the allotments, and has advised the Council of the same.

Mr. G. has been advised of the same, and has advised the Council of the same.

Report of the Committee regarding the same, and has advised the Council of the same.

This is a report of the negligence of the Council in connection with the same.

Your Committee has the honor to report to you the following:

With reference to the same, the Council has been requested to take the necessary steps to remedy the same.

Report of the Committee regarding the same, and has advised the Council of the same.

Your Committee has the honor to report to you the following:

Reference is made to the same, and has advised the Council of the same.

Your Committee has the honor to report to you the following:

REGISTRATION

(B) CENTRAL SOCIETY: The Council has received a report from the Central Society regarding the same, and has advised the Council of the same.

Your Committee has the honor to report to you the following:

(C) SUNNING HILL: The Council has received a report from the Sunning Hill Committee regarding the same, and has advised the Council of the same.

Your Committee has the honor to report to you the following:

(D) PLOTS: The Council has received a report from the Plots Committee regarding the same, and has advised the Council of the same.

Mr. G. has been advised of the same, and has advised the Council of the same.

Report of the Committee regarding the same, and has advised the Council of the same.

AFRICANA: The Council has received a report from the Africana Committee regarding the same, and has advised the Council of the same.

Your Committee has the honor to report to you the following:

## Report of Works and Sewage Disposal Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 13th day of November, 1922. Present: Mr. Councillor Roberts (Chairman), and Councillors Cartwright, Egan, Glanville, Hill, Soar, and Winny.

Your Committee beg to report as follows:—

### 1.—ALLOTMENTS:

- (A) **CHILD'S HILL:** Letter from Mr. T. W. Giles, on behalf of the Child's Hill and District Horticultural Society, intimating that after an interval of some years his Society's activities had been revived and they desired to co-operate with the Council upon matters affecting the allotments at Child's Hill.

Mr. Giles referred to cases of trespass and theft alleged to have been committed on the allotments, and pointed out that the same were used as a means of access from The Vale to Longberries. He suggested the provision of notice boards on the allotments warning persons against trespassing thereon.

Report from the Clerk that Section 19 of the Allotments Act, 1922, contained a provision for dealing with this question, subject to the exhibition on or near the allotments of a notice in the following form:—

#### NOTICE.

#### ALLOTMENTS ACT, 1922.

This land is cultivated as garden allotments. Any person who, without lawful authority or by negligence, causes damage to any growing crops, fences, or buildings, is liable on summary conviction to a fine of £5.

Your Committee

**RECOMMEND**—That notices in these terms be exhibited on the Child's Hill Allotments, and that the Society be informed of the action proposed to be taken.

With regard to the lease of the original allotments at Child's Hill, Mr. Giles stated that it had been rumoured that the lease would soon expire, and he enquired whether the Council would take steps to renew the same.

Report from the Clerk that he had informed Mr. Giles, in reply, that the present lease held good until the end of the year 1924, and that probably long before that period the Council would negotiate for an extension thereof.

Your Committee confirmed the action of the Clerk.

Reference was also made as to the alleged dilapidated state of the western fence of the allotments and also the neglected state of plots Nos. 58, 86, and 155.

Your Committee referred these matters to the Surveyor and Allotment Inspector respectively in order that a report may be submitted thereon, and they

**RECOMMEND**—That the Society be informed that these matters are receiving the consideration of the Council.

- (B) **CENTRAL HENDON:** Letter from Mr. J. Baldwin, on behalf of the Central Hendon Allotment Association, as to a resolution passed at a general meeting of the Association asking the Council to give preference in connection with the allocation of the new allotments on the Brent Hill Estate to persons deprived of their plots on the allotments at Queen's Road and Woodlands.

Your Committee understand that ample provision now exists for these allottees and gave authority for the names of the dispossessed allotment holders in question to be placed on the list of allottees in connection with the new allotments at Brent Hill.

- (C) **SUNNINGFIELDS ROAD:** Letter from Mr. G. W. Odell complaining of the erection of a notice board by a firm of House Agents on his allotment situate at Sunningfields Road.

Your Committee referred the matter to the Accountant for investigation by the Allotment Inspector, and they await a report in regard thereto.

- (D) **PLOTS Nos. 34 and 35 WILDWOOD ROAD:** Letter from Mr. C. A. Blanchet in regard to two allotments cultivated by him under the terms of the Lands Cultivation Orders at Wildwood Road from which it appeared that the owner of the premises adjoining the plots had taken same over with the object of constructing a tennis court thereon.

Mr. Blanchet objected to the action of the person responsible therefor having regard to the fact that he had not been served with a notice to quit the plots and claimed compensation in respect of labour and loss of crops.

Report from the Officers in regard thereto.

After due consideration thereof, your Committee have left the matter in the hand of the Accountant to negotiate with the land owners with a view to their meeting Mr. Blanchet's claim for compensation, and instructed him to submit a report as to the result of such negotiations in due course.

am,

HUMPHRIS,

Clerk to the Council.

Members of the Standing

- (b) **CRICKLEWOOD ALLOTMENTS HOLDERS' ASSOCIATION:** The Clerk reported a notice received from Mr. E. J. Rutland announcing the holding of a general meeting of the Cricklewood Allotment Holders' Association with the object of winding up the Association.

The notice contained a statement of accounts of the Association from which it appeared that any balance remaining after affairs had been finally completed would be handed over to the Hendon Cottage Hospital.

Your Committee

**RECOMMEND—**That a communication be addressed to Mr. Rutland congratulating the Association on the results achieved, and conveying an expression of thanks for the work undertaken by the Association.

- (f) **ALLOTMENT LAND—GENERALLY:** Reference was made to the question of the land, now utilised for allotments, and which would be required for building development in the near future, especially having regard to the advent of the tube railway extension, and your Committee instructed the Surveyor to submit a report thereon at their next meeting.

- (c) **LAWRENCE STREET:** Consideration was given to the question of the plots on the land leased from Mr. T. R. Wright at Lawrence Street, Mill Hill, and as to the applications received therefor.

Your Committee

**RECOMMEND—**That the allottees on the land in question be allowed to cultivate an area not exceeding 20 poles, subject to an understanding to vacate part of their holding in the event of further applications for plots being forthcoming, the new tenants on their part being required to compensate their predecessors for the portion of land surrendered.

- (h) **FINCHLEY ROAD:** Letter from Mr. F. W. Mann in regard to an allotment cultivated by him under the terms of the Lands Cultivation Orders in the Finchley Road, between Child's Way and Willfield Way, making enquiry whether it would be possible to continue his occupation of the plot after March next, the date of the expiry of the Lands Cultivation Orders.

Report from the Surveyor in regard thereto.

After due consideration thereof, your Committee

**RECOMMEND—**That Mr. Mann be informed it is not anticipated that it will be possible to continue in occupation of the land on which his allotment is situate after March next.

- 2.—**BRENT HILL FARM:** Letter from Messrs. W. J. Smith, Ltd. making application for the tenancy of an area of land adjoining Brent Hill Farm containing approximately 1½ acres in extent, and leaving the question of rent therefor to be decided by the Council.

Report from the Officers in regard to the matter.

After due consideration thereof, your Committee

**RECOMMEND—**That Messrs. W. J. Smith be informed that the Council are prepared to grant them a tenancy of the land in question, the rent payable to be on the same basis as that to be charged to the allottees on the new allotment land adjoining, viz., 1/- per pole.

- 3.—**COLINDALE AVENUE PLAYING FIELD:** Letter from Miss Hilda McDonald, on behalf of the 5th Hendon Girl Guides, making application for permission to use a pitch for net ball in the playing field at Colindale Avenue.

Report from the Surveyor in regard thereto.

After due consideration of such report, your Committee

**RECOMMEND—**That Miss McDonald be informed that the Council do not propose to provide for set pitches in the playing field in question, and arrangements for playing games therein must be made in common with others using the field.

- 4.—**BOWLING GREEN:** Letter from Mr. S. C. Prior, on behalf of the Golders Green Bowling Club, in further reference to their proposal to secure bowling green accommodation in the neighbourhood of Golders Green, and suggesting that the Council should endeavour to secure certain land for the purpose in Golders Gardens.

Your Committee have given the matter further consideration, and

**RECOMMEND—**That Mr. Prior be informed that the Council do not consider their proposal to be a practicable one.

- 5.—**PROPERTY—THE HYDE:** Letter from Messrs. Davis & Co. offering the Council the option of purchasing the premises lately occupied by the Aircraft Manufacturing Company at Colindale.

Your Committee have no recommendation to make in regard thereto.

- 6.—**LORD WESTBURY'S ESTATE:** Letter from Messrs. Wheeler & Wright in regard to the question of providing main sewerage facilities for Lord Westbury's Estate. They referred to the previous negotiations in connection with the matter, and in particular to the agreement between Lord Westbury and the Council which they stated was still in force, and making enquiry whether there was any possibility of reviving the matter at an early date.

Report from the Clerk in regard to the present position thereof.

The Council will remember they were advised that they were not (in the special circumstances) bound by the agreement and any negotiations for sewerage accommodation would have to proceed under quite different financial conditions.

Your Committee authorised the Clerk to inform Messrs. Wheeler & Wright, in reply, that their letter was written under a misconception of the facts as to the alleged outstanding agreement, the same having been terminated under statutory provisions.

Your Committee agreed that Messrs. Wheeler & Wright should be informed that if they desired to re-open negotiations for the sewerage of their Client's estate, they should submit new proposals based upon present financial conditions.

- 7.—**OPEN AIR SWIMMING BATH**: Letter from Mr. F. J. Prince, on behalf of the Hendon Amateur Swimming Club, as to the desire of the Club to transfer their headquarters to the Hendon Open Air Swimming Bath next season, and making enquiry whether certain members of the Club could meet the officials of the Council to discuss the proposal.

Your Committee

**RECOMMEND**—That the Surveyor and Accountant arrange to confer with the representatives of the Swimming Club and report thereon in due course.

- 8.—**GOLDERS GREEN STATION**: Letter from the Chief Engineer, London Electric Railway Company, in reply as to the unsatisfactory sanitary condition of the urinals at the Golders Green Tube Station, from which it appeared that the Superintendent of the Line had been approached upon the matter and steps taken in regard thereto. It was anticipated there would be no further cause for complaint.

Your Committee have duly noted the same.

- 9.—**PUBLIC CONVENIENCE—WEST HENDON**: Letter from Mr. H. Munro, Imperial Property Investment Company, Limited, promising to submit to the Directors of the Company the Council's application for the relaxation of the restrictions in connection with the land purchased by them in the Edgware Road, between Ravenstone Road and Borthwick Road and thus enable the Council to provide a public convenience on the site in question. Mr. Munro asked to be furnished with a plan shewing the type of building contemplated by the Council.

The Surveyor undertook to prepare a sketch plan of the suggested convenience for consideration by your Committee, and they await the submission thereof.

- 10.—**PUBLIC CONVENIENCE—BRENT STREET**: The Surveyor submitted the following schedule of tenders received in response to the Council's advertisement for the provision of an underground convenience at the junction of Bell Lane and Brent Street, together with a report in regard thereto:—

**SCHEDULE OF TENDERS RECEIVED FOR

It will be remembered that these Tenders have been referred to the Consulting Engineer and he has unfortunately been ill. Your Committee hope to receive his report in time for consideration by the Council in Committee at the next ordinary meeting of the Council.

- 11.—**POST OFFICE TELEGRAPHS, ETC.**: The Surveyor submitted applications from H.M. Postmaster-General for consent to the laying of a main on the south-west side of Golders Green Road, in the neighbourhood of Sinclair Grove, and also for an underground telegraphic main along the south-west side of Golders Green Crescent.

He also submitted an application from the Hendon Electric Supply Company for permission to lay a main in the Edgware Road from Colindale Avenue in the direction of Annesley Avenue.

After due consideration of such applications, your Committee

**RECOMMEND**—That the same be approved, subject to the usual conditions.

- 12.—**ANNUAL CONTRACTS**: Report from the Surveyor in regard to the contracts for annual supplies.

The Council will remember that the contracts contained a clause whereby the Council had the option to terminate the same at the expiration of six months or to extend the same to twelve months.

It appeared from the report of the Surveyor that he had been in communication with the various Contractors and they were prepared to continue their contracts on the following terms:—

RECOMMEND—That the Contracts in question be continued on the above mentioned terms until the 31st March, 1923.

13.—OUTFALL WORKS:

(A) The Surveyor submitted a report from the National Boiler and General Insurance Company in regard to the examination of the electrical equipment at the Brent Low Level Pumping Station, which appeared to be in order.

Your Committee have duly noted the same.

(B) Report from the Surveyor in regard to a sample of effluent from the Outfall Works taken by the representative of the Middlesex County Council on the 31st ulto.

The Surveyor reported that he had submitted a duplicate of the sample taken by the County Council for analysis by Professor Kenwood of the London University. Professor Kenwood reported that, in his opinion, the sample of effluent was an exceptionally good sewage effluent conforming to a very high standard of purification.

Your Committee note such report with satisfaction.

14.—HORSES: The Surveyor submitted a report from the Veterinary Surgeon in regard to three of the Council's horses which he suggested should be destroyed in view of their advanced years and incapacity to carry on the Council's work.

After due consideration of the matter, your Committee

RECOMMEND—That the suggestion of the Veterinary Surgeon be approved, and that steps be taken in accordance therewith in due course.

15.—COLINDEEP LANE SEWER: Report from the Surveyor that the Nevett Bookbinding Company had commenced the erection of the eight cottages in connection with their works in Colindeep Lane, and as previously reported to the Council the Surveyor intimated that the erection of the Cottages in question would necessitate the extension of the Council's sewer for a short distance at an estimated cost of £170.

He made enquiry whether it was intended to carry out this work out of revenue or whether a loan was to be applied for in respect thereof.

Your Committee

RECOMMEND—That the work be carried out in due course and that the cost be borne out of the Council's revenue account.

16.—MILL HILL WAR MEMORIAL: Letter from Mr. E. Figgis approving of the plan forwarded to him by the Surveyor in connection with the proposed improvement works in connection with the Mill Hill War Memorial, at the same time suggesting that the Memorial should be protected by a post and chain fence.

Your Committee have given the matter further consideration, and

RECOMMEND—That the proposed improvement works be carried out in accordance with the Surveyor's suggestion at a cost not exceeding £100.

## Report of Public Health Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 13th day of November, 1922. Present: Mr. Councillor Hearn (Chairman), and Councillors Miss Growse, Mrs. Bannister, Mrs. Hargraves, Ford, Fenn, Taylor, and Weeks.

Your Committee beg to report as follows:—

- 1.—VITAL STATISTICS: Report from the Medical Officer of Health that for the past four weeks the statistics for the District were as follows:—

Birth Rate 12.43 per thousand.

Death Rate 12.21 per thousand.

The death rate calculated upon deaths of residents only was 7.23 per thousand.

- 2.—INFECTIOUS DISEASE: That they received a report from the Medical Officer of Health as to the incidence of infectious disease in the District since the last meeting of your Committee.

- 3.—ISOLATION HOSPITAL: Your Committee have received a report as to cases under treatment at the Isolation Hospital and have duly noted the same.

The Medical Superintendent reported that certain additional equipment was needed at the Isolation Hospital, viz.:—

11 beds were not equipped with the requisite mattresses, blankets, etc., and four of the beds required slight repairs.

The Medical Superintendent asked for authority to have the four beds repaired and to procure the necessary mattresses.

Your Committee instructed the Medical Superintendent to procure three quotations for the supply of mattresses and gave authority for a quotation to be accepted by the Chairman of the Committee, also for the repair of the bedsteads.

It was further agreed that two floor polishers be procured.

In regard to the quotations submitted for two cupboards required for linen and utensils, it was agreed that the Medical Superintendent should obtain an additional quotation therefor.

Your Committee approved a requisition submitted for one small table.

Your Committee invested the Chairman of the Committee with authority to accept quotations for the supply of the above mentioned articles.

In regard to the provision of a slop closet at the new Diphtheria Ward at the Isolation Hospital it will be remembered that this was omitted at the time the Ward was constructed in order to reduce the cost as much as possible.

The Medical Superintendent intimated however, that it was very desirable that this very necessary convenience should be provided.

Your Committee

RECOMMEND—That the provision of a slop closet be referred to the Surveyor to construct at the lowest possible cost.

- 4.—ISOLATION HOSPITAL STAFF: That they received a report from the Medical Superintendent that one additional nurse and one maid had been engaged at the Hospital.

This nurse was additional to the normal strength for one week, but her services had been continued owing to the pressure of work.

Your Committee approved of the existing arrangements being continued as a temporary measure, viz., that the services of Miss Housden be retained at £3 3s. per week.

## 5.—SMALLPOX:

- (A) TREATMENT OF CASES: That they received a memorandum from the Ministry of Health as to steps to be taken by Local Authorities in the event of the occurrence of cases of smallpox in the District.

Your Committee are informed by the Medical Superintendent that a communication has been received from the Middlesex Districts Joint Smallpox Board intimating that the arrangements, in the event of cases occurring, remain unchanged and that cases will be accommodated at Yending and at Edmonton in the first instance. The Medical Superintendent reported that the fullest possible instructions had been received upon this matter.

Your Committee have noted the contents of this Report.

- (B) PUBLICITY: They also gave consideration to a suggestion that posters should be exhibited throughout the District directing the attention of the public to the procedure to be followed, in order to obtain the services of the Public Vaccinator.

Your Committee, being invested with power to act in this matter, decided to obtain 50 posters and 500 leaflets and authorised the Medical Officer to have the same distributed throughout the District.

- (C) ARMY CASES: They also had under consideration the question of arrangements for treatment of any possible case of Smallpox which might occur at the Mill Hill Barracks.

It was agreed that a communication be sent to the Military Authorities upon this subject.

## 6.—NEW ISOLATION HOSPITAL That they received a communication from the Ministry of Health in reference to the proposed provision of a new Isolation Hospital for the Urban District of Hendon.

The Council will recollect that this matter formed the subject of an interview with Officials of the Ministry in July last, and the Ministry now intimated that they would be prepared to direct a Local Inquiry to be held into the proposals of the Urban District Council when plans, estimates and full particulars thereof had been furnished to the Ministry accompanied by a copy of the resolution of the Council applying for sanction to the necessary loan.

The Ministry indicated that as the land upon which it was proposed to erect the Hospital was originally acquired for purposes of houses and recreation ground, formal application for the approval to the appropriation of the site should be made by resolution of the Council, and accompanied by a plan shewing the area proposed to be appropriated for the purpose of a Hospital Site.

Your Committee have already indicated their general approval of the site proposed and they now

RECOMMEND—That application be made to the Ministry of Health for sanction to the appropriation of the site proposed for the new Isolation Hospital upon the land at Kingsbury Lane.

They propose further to consider the matter at the next meeting.

## 7.—DRAINAGE WORKS:

- (A) That they received a report from the Sanitary Inspector in reference to the drainage work carried out in various parts of the District since the last meeting of the Committee and they have approved the same.

- (B) 6 and 7, YEW GROVE: Report from the Sanitary Inspector that in accordance with the authority of the Council he had had the drainage of these premises examined and upon such examination defects were found to exist.

The Inspector asked for authority to serve statutory notices under Section 41 of the Public Health Act, 1875, requiring the drains to be relaid.

Your Committee

RECOMMEND—That statutory notices be served upon the owner of the above premises under Section 41 of the Public Health Act, 1875.

## 8.—STATUTORY NOTICES: Report from the Sanitary Inspector as to the following cases where preliminary notices had been served but had not been complied with and he asked for authority to serve Statutory Notices:—

17, Ravenstone Road.

(In this case your Committee authorised the Inspector to serve the notice forthwith, the matter being urgent).

Your Committee also gave authority to the Inspector to open up the drain under Section 41 of the Public Health Act, 1875, if found necessary at 17, Ravenstone Road.

These premises had been previously registered for Dairy premises, but the business had changed hands.

Your Committee

**RECOMMEND**—That registration of the premises be approved.

In regard to the application of Mr. Jones, of 9, Devonshire Place, to be registered as a Purveyor of Milk, your Committee have received a report in regard to the application and premises but are unable to recommend that registration be granted until suitable premises are obtained.

2.—TEMPORARY BUILDING—ARMITAGE ROAD :

(A) Letter from Mr. H. G. Taylor, Secretary to the Trustees of the Golders Green Wesleyan Church, expressing regret on behalf of the Trustees at the difficulty which had arisen in connection with the temporary building at Armitage Road formerly in their occupation.

Your Committee have duly noted the contents of this communication.

(B) Letter from Messrs. Neave, Morton & Co. in reply, in reference to the interview which their Mr. Neave had with your Committee at the last meeting on behalf of the Trustees of the Wesleyan Church relative to the temporary building at Armitage Road. It appeared therefrom that the Trustees were prepared to assent to the proposal made to Mr. Neave at such meeting, and confirmed by the Council at their meeting on the 6th inst., to the effect that subject to the Trustees agreeing to pay the amount of the road charges, in respect of the frontage of the building on Armitage Road, remitted in October, 1914, owing to the building being used for religious purposes, with interest from the date named, the Council would be prepared to refrain from taking further action to enforce the terms of the agreement entered into by the Trustees at the time of the erection of the building in question.

Your Committee

RECOMMEND—That the Council accept the payment by the Trustees on account of road charges generally in respect of their property at Golders Green.

## Report of Housing Committee, No. 1.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 20th day of November, 1922. Present: Mr. Councillor Ford (Chairman), Councillors Miss Growse, Mrs. Bannister, Hearn, Holt, Soar, Sturgess, Cartwright, Roberts, Wise, and Rev. W. S. Macgowan.

Your Committee beg to report as follows:—

1.—BRENT HILL HOUSING SCHEME :

(A) TENDERS: That they gave consideration to the report of the Architect as to his negotiations with Messrs. Perry Bros. and Messrs. Groom & Sons regarding reductions which could be effected in their estimates for the erection of the remaining 20 houses in accordance with the suggestion of the Officials of the Ministry of Health.

After careful consideration of such report, your Committee have requested the Architect to submit such amended Tenders to the Ministry of Health and obtain an expression of their views thereon.

Your Committee propose to hold a further meeting on Monday next in order to consider the report of the Architect as to his interview with the Ministry.

(B) TENANTS SUB-COMMITTEE: The following reports were received from the Housing Sub-Committee and approved:—

REPORT OF HOUSING SUB-COMMITTEE, No. 1: Your Sub-Committee beg to report that they met on the 30th October, 1922. Present: Councillor C. C. Cartwright, Councillor A. Roberts.

Your Sub-Committee invited the following applicants to attend for interview:—

23	311	890	1438	1966
69	314	1288	1672	1972
195	443	1293	1684	1973
293	553	1309	1768	1980
297	744	1352	1944	1989

The recommendation in the following cases was made subject to an undertaking to transfer to a 2-bedroom type house later if same are provided, and if the Council wish such transfer to be made:—

1525                      1923                      1997

- (c) FOOTPATHS: Report from the Surveyor as to a communication received from certain of the Council's tenants in Nichol Place relative to the footpath which crosses the Housing Estate between the houses.

Your Committee are informed that these paths give rise to complaints from tenants and the Surveyor suggested that it might be advisable for an inspection of the paths to be made in order that the Council might decide whether it was desirable to retain the same, and if so what steps should be taken for lighting and paving the same.

Your Committee consider that the footpaths in question might be inspected by the Outdoor Committee.

They

RECOMMEND—That the Outdoor Committee make an inspection of the footpath accordingly.

- 2.—BITTACY HILL SCHEME: That they gave further consideration to the proposed scheme for the erection of flats at Bittacy Hill, Mill Hill.

The Accountant also submitted a report upon the financial question involved.

The scheme provides for twenty-four three-bedroom flats and twenty-eight two-bedroom flats.

Your Committee

RECOMMEND—

- (A) That such scheme be approved.  
 (B) That an advertisement be issued inviting tenders for the erection of the houses at Bittacy Hill.  
 (c) That application be made to the Ministry of Health for sanction to the necessary loan for the erection thereof.

## Report of Housing Committee, No. 2.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 27th day of November, 1922. Present: Mr. Councillor Ford (Chairman), Councillors Miss Growse, Mrs. Bannister, Hearn, Holt, Cartwright and Roberts.

Your Committee beg to report as follows:—

### 1.—BRENT HILL FARM:

- (A) ADDITIONAL TWENTY HOUSES: That they received a report from the Architect in reference to his interview with Mr. Maslin, of the Contracts Department of the Ministry of Health, in reference to the modified tender of Messrs. Perry Bros., of Ealing, for the erection of 20 additional houses on the Brent Hill Farm Site.

The Council will recollect that the original tender was as follows:—

	£	s.	d.
14 A2 and 6 A3 houses	6550	0	0
Reduction in all Class A2	200	0	0
	6350	0	0
Modifications effected as suggested by Ministry at previous interview	193	10	0
Modified tender	£6156	10	0

This tender gave a price of £307 16s. 6d. per house exclusive of the gas installation.

The amount of the modified tender included for the hot water installation to be carried out by Messrs. Perry Bros., it being decided by the Ministry that the extra cost of £2 4s. per house, if the installation was carried out by Mr. Finch could not be allowed. The foregoing figure did not include for gas lighting, and heating, the additional cost of which was £9 per house, to be carried out by the Gas Light and Coke Company.

Mr. Maslin requested that when submitting the tender for approval the estimate of the Gas Company should be kept separate with a view to negotiations being entered into.

## Report of General Purposes Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 27th day of November, 1922. Present: Mr. Councillor Hill (Chairman), and Councillors Mrs. Bannister, Miss Growse, Egan, Ford, Holt, Taylor, Winny and Wise.

Your Committee beg to report as follows:—

- 1.—SEASON TICKETS: Letter from the Southgate Urban District Council transmitting copy Resolution urging Railway Companies to make an immediate reduction in their charges for season tickets, having regard to the reduction of wages and the fall in operating costs since the charges were increased and requesting the Council to pass a similar Resolution.  
Your Committee have no recommendation to make upon the matter.

- 2.—EDUCATION ACIS, 1902-1921—INSTITUTIONAL SCHOOLS: Letter from the Ilford Urban District Council transmitting copy Resolution as follows:—

“That the Clerk be authorised to take whatever steps are necessary to convene a Conference of Part III. Authorities for the purpose of protesting against such Authorities being called upon to undertake the burden of providing educational facilities for children resident in institutions within their area other than those belonging to the respective Authorities.”

It was proposed to hold a Conference in the Council Chambers, Guildhall, London, E.C., on the 8th December, 1922, at 3 o'clock p.m., and the Ilford Council requested that representatives might be appointed to attend.

Your Committee gave authority for the communication to be referred to the Education Committee for consideration.

- 3.—TOWN HALL LIGHTING: Further report from Mr. B. G. Drummond in reference to the electric lighting installation at the Town Hall recommending the Council to invite Tenders for the alterations suggested in his report.

Letter from the Middlesex County Council notifying that the Music and Dancing Licence in respect of the Council Chamber and Committee Rooms had been renewed until the 31st December, 1922, they intimated that no further renewal of the Licence would be granted until the works of improvement in the lighting arrangements had been carried out. Your Committee gave authority to the Engineer to get into touch with Mr. Drummond upon the matter and determine the extent of the alterations to be carried out and put the work in hand forthwith.

- 4.—URBAN DISTRICT COUNCILS' ASSOCIATION CONFERENCE: Letter from the Secretary of the Association with Voting Papers for the selection of the place for holding the next Annual Conference of the Association. Invitations have been received from Ambleside, Ilfracombe, Llandudno, London, Porthcawl, Sandown, Skegness and Ventnor.

Your Committee gave authority for a vote to be given in favour of holding the Conference in London.

- 5.—RESIGNATION OF MISS HODGE: Letter from Mr. James Anderson (Secretary, Education Committee) with copy communication from Miss Hodge resigning her seat on the Education Committee owing to illhealth.

Your Committee

RECOMMEND the Council to accept such resignation with regret and that the Clerk write to Miss Hodge thanking her for her services on the Committee expressing, at the same time, the hope that she will speedily be restored to good health.

Your Committee do not propose at the moment to recommend the Council to proceed with the filling of the vacancy in view of the reference to a Special Committee of questions affecting the Education Committee generally.

- 6.—BUILDING LINES: Letter from the Middlesex County Council calling attention to the provisions of Section 64 of the Middlesex County Council (General Powers) Act, 1921, which enabled Local Authorities in the County to prescribe building lines along any roads which might be certified by the Ministry of Transport to be arterial roads or roads as regards which provision should be made to facilitate their future widening to meet the development of traffic, and suggesting that the Council should take action under these powers in connection with their main and classified roads.

Your Committee have instructed the Surveyor to bring up a report as to the particular roads (if any) in this District where it would be desirable to prescribe building lines.

- 7.—SUNNY HILL PLEASURE GROUND: Letter from the County Solicitor transmitting Draft of proposed agreement with the Middlesex County Council as to the contribution towards the acquisition of this pleasure ground.

After due consideration of the provisions of the draft agreement, your Committee  
RECOMMEND approval thereof.

8.—WARDS—ALLOCATION OF MEMBERS: Upon the adjourned consideration of the resolution of the Council suggesting an investigation as to whether any inequality exists in the representation of the respective Wards of the District the Clerk submitted statistical statements. In the absence of Mr. Councillor Reynolds, who instigated the inquiry, your Committee decided to adjourn the further consideration of the matter to their next meeting.

9.—DAWS FARM ESTATE, MILL HILL: Letter from the Ministry of Health with reference to the proposed purchase of Daws Farm Estate for the purpose of allotments and public pleasure ground, intimating that the Minister was advised that he would not be justified in varying the adverse decision in regard to the matter already given.

Your Committee gave careful consideration to the appeal for reconsideration of the matter and still hold the view that the Council should strain every effort to secure favourable reconsideration of the matter on the part of the Ministry and, if necessary, to requisition the good offices of the Member for the Division in the matter.

Having regard to the rapid development of the District it is feared that the highly desirable site for a Pleasure Ground may be lost to the public if steps are not taken at the present time to secure it. They

RECOMMEND—That a further strong appeal be made to the Ministry of Health upon the matter.

10.—COLINDALE PLAYING FIELD: Letter from the Treasury Solicitor transmitting draft of proposed lease of the land in Colindale Avenue as a temporary playing field.

Your Committee considered the clauses of the Lease in detail and instructed the Clerk as to certain amendments necessary therein. Subject to these amendments being agreed, your Committee

RECOMMEND—That the same be approved.

11.—CLAIM: Letter from Mr. J. Sainsbury claiming compensation in respect of an alleged accident to one of his employees engaged on a tricycle delivering goods in Portsdown Avenue, stated to have been caused by a quantity of gravel placed on the side of the road.

Report from the Clerk that he had informed Mr. Sainsbury that Portsdown Avenue was a private road not at present under the Council's control and had denied all liability in the matter.

Your Committee endorsed the Clerk's action and recommend approval thereof.

12.—GAS TESTING:

(A) Letter from Middlesex County Council announcing the arrangements made in connection with the testing of gas in the North Middlesex Gas Company's area and suggesting that the Officer of the County Council should co-operate with the Council's Engineer.

It will be remembered that the Council entrusted the duty of making tests to their Engineer and your Committee have no further recommendation to make in regard to the testing.

(B) Reports were received from the Gas Referees as to the quality of gas supplied by the Gas Light and Coke Company, and as to the allocation of dates of testing. These reports your Committee have referred to the Engineer.

13.—QUEEN'S ROAD, PARK ROAD, and VIVIAN AVENUE: Report from the Chairman of the Committee and the Clerk in reference to the details of the draft of the proposed agreement to be entered into by Sir Audley Neeld and others in reference to the proposed widening of Queen's Road, Park Road and Vivian Avenue from which it appeared the draft agreement embodied the arrangement arrived at in the present negotiations. Your Committee

RECOMMEND—That the draft be transmitted to the Owners concerned for approval and completion.

14.—TRAFFIC FACILITIES:

(A) Letter from the Commissioner of Police in regard to the representation made by the Secretary of the West Hendon Sisterhood on the subject of police supervision of traffic in West Hendon, intimating that all that was possible should be done to safeguard children crossing the Edgware Road to and from school and arrangements would be made for a police constable to be on duty at the spot at the times the children were proceeding to and from school. Your Committee

RECOMMEND—That the thanks of the Council be tendered to the Commissioner for dealing with this matter so satisfactorily.

(B) Report from the Engineer that arrangements suggested by the Council as to altering the stopping places of the trams in the Edgware Road had been adopted.

Your Committee note this report with satisfaction.

15.—DIVERSION OF SEWER: The Surveyor reported the receipt of draft of proposed agreement with the London Electric Railway Company for a diversion of the Council's Silk Valley Main Sewer, rendered necessary owing to the construction of the Tube extension to Edgware, the Company undertaking to repay all costs incurred in carrying out the whole of the works.

Your Committee considered the draft in detail and instructed the Clerk as to certain amendments to be made therein. Subject to the acceptance of the agreement in its amended form and to its due execution, your Committee

RECOMMEND the Council to undertake the diversion works, at the expense in all things of the Company, and that authority be given to issue the necessary notice under Section 16 of the Public Health Act, 1875, and to take all such other action in the matter as may be necessary.

## Report of Highways Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 27th day of November, 1922. Present: Mr. Councillor Egan (Chairman), and Councillors Miss Growse, Mrs. Bannister, Ford, Hill, Holt, Taylor, Winny and Wise.

Your Committee beg to report as follows:—

- 1.—LAND—BITTACY HILL: Letter from Messrs. Cooper, Bake & Co., in further reference to certain waste land at the roadside at Bittacy Hill which they alleged to be the property of their Clients.

It will be remembered that the Clients of Messrs. Cooper, Bake & Co. are undertaking building operations at Bittacy Hill and when defining the building line the question of the ownership of the strip of greensward arose.

Your Committee are advised by the Surveyor that the greensward forms part of the highway.

Messrs. Cooper, Bake & Co. now stated that they had made an inspection of the Court Rolls of the Manor of Hendon and had come to the conclusion that the land in question formed part of the waste lands of the Manor and had not been added to the highway, and further that a licence to enclose had been granted with the consent of the Homage in the usual way and this they deemed to be effective.

After further consideration of the matter, your Committee

RECOMMEND—That Messrs. Cooper, Bake & Co. be asked to furnish particulars of the documentary evidence in their possession when the matter will be further considered.

- 2.—LAND—COLINDALE AVENUE: Letter from Mr. E. Moore, on behalf of the Salvation Army, relative to the land in Colindale Avenue, between Regent Villas and the brook, from which it appeared they were not the owners of the land immediately adjacent to the stream, there being in existence a 10 ft. passageway between the stream and their land. Mr. Moore intimated that the Salvation Army Authorities purchased their land from Messrs. Jones & Blakeway, of Gloucester.

It will be remembered that this matter arose on a communication received from the Colindale Ratepayers' Association, suggesting the fencing of the land adjacent to the stream as a protection to pedestrians passing near the stream, the Association stating that they had endeavoured to obtain particulars as to the ownership of the land without success. The Council agreed to endeavour to obtain the required information on behalf of the Association.

Report from the Clerk that in view of the contents of the communication from Mr. Moore he had communicated with Messrs. Jones & Blakeway in regard to the matter on two occasions but no reply was yet forthcoming.

Your Committee

RECOMMEND—That the Clerk again communicate with Messrs. Jones & Blakeway pressing for a reply to the communications referred to.

- 3.—NAME PLATES:

(A) Letter from Mr. W. A. Kitcher, on behalf of the Child's Hill and Golders Green Ratepayers' Association, advocating the provision of a name plate on each side of the entrance to Granville Mews.

Your Committee

RECOMMEND—That the request of the Ratepayers' Association be acceded to, and that the name plates be fixed in due course.

(B) Letter from Mr. B. Dicksee suggesting the fixing of name plates at each end of Lyndale on both sides of the road.

Your Committee

RECOMMEND—That the application be acceded to and that Mr. Dicksee be informed accordingly.

- 4.—LAND, NEAR "CASTLE" HOTEL: Letters from Mr. W. A. Kitcher, on behalf of the Child's Hill Ratepayers' Association, in regard to the vacant land opposite the "Castle" Hotel, Child's Hill, and suggesting the widening of the road in the event of building operations taking place on the land referred to.

Your Committee

RECOMMEND—That the Child's Hill Ratepayers' Association be informed that the question referred to in their communication will receive the consideration of the Council when building operations proceed on the land in question.

- 5.—MILL HILL WAR MEMORIAL: Letter from Mrs. R. Simmonds complaining of the untidy appearance of the War Memorial at Mill Hill.

Report from the Clerk that he had informed Mrs. Simmonds, in reply, that the Council had not yet taken over the care of the Memorial.

It will be remembered that the Works Committee have <sup>considered</sup> had the question of the taking over of the War Memorial referred to by the Council, and it is anticipated that the Council will assume control thereof very shortly.

6.—TREE LOPPING: Letter from Mr. A. Gardiner suggesting the lopping of certain of the trees in Templars Avenue.

Report from the Surveyor in regard thereto.

After due consideration thereof, your Committee

RECOMMEND—That the suggestion of Mr. Gardiner be carried out, and that he be informed accordingly.

7.—PRIVATE ROADS:

(A) Letter from Mrs. F. Barnard complaining of the alleged unsatisfactory condition of St. Andrew's Road, and suggesting the carrying out of improvement works therein.

After due consideration of the matter, your Committee

RECOMMEND—That a communication be addressed to the property owners in St. Andrew's Road with a view to ascertaining whether they were in favour of the carrying out of permanent works in the road.

(B) Letter from Mr. S. C. Mitchell on behalf of himself and other residents in Highfield Terrace and Highfield Avenue, complaining of the condition of the road adjacent to their premises, and suggesting that the Council should take steps to remedy the matter.

After due consideration of the matter, your Committee

RECOMMEND—That Mr. Mitchell be informed that the portion of Highfield Avenue referred to is of a private character, over which the Council have no control.

(C) Letter from Mr. C. E. Churchill, the occupier of premises in The Ridgeway, Golders Green, which had access to the back passage leading to The Vale, from which it appeared that Mr. Churchill took exception to the notice which had been served upon him in connection with the proposal to carry out permanent works in the last named road. Mr. Churchill contended that he had no legal right whatever to use the back passage in question, and that he would resist any claim made upon him by the Council in connection with the expenses incurred in the making up of The Vale.

Report from the Clerk in regard thereto.

After due consideration of such report, your Committee have noted the contents of the communication from Mr. Churchill.

(D) Report from the Surveyor in regard to the Private Street Works which were now in course of progress in Leaside Crescent, Templars Avenue, Temple Gardens, St. George's Road, and Highcroft Gardens, intimating that he had received several requests from residents in the roads referred to advocating the planting of further trees therein.

It appeared from the report of the Surveyor that a certain number of trees already existed in the roads, but a few additional ones were required to secure uniformity, and he suggested, in view of the fact that the improvement works were nearing completion, that the present time was a suitable one for the planting of the proposed trees.

After due consideration of the report of the Surveyor, your Committee

RECOMMEND—That the suggestion therein be approved, and that steps be taken with a view to the planting of additional trees in the roads referred to in due course.

8.—PUBLIC LIGHTING:

(A) Letter from Mr. W. W. Sabin suggesting the provision of a lamp at the end of the footpath leading from Hodford Road to the Child's Hill Recreation Ground.

It will be remembered that the Council have decided to erect a lamp in the locality referred to, and that the Surveyor is in negotiation with the Gas Company upon the matter.

Your Committee

RECOMMEND—That Mr. Sabin be informed accordingly.

(B) ADDITIONAL LAMPS: The Surveyor reported that the following lamps were required in the under-mentioned roads in the district owing to building development therein.

Dersingham Road	...	...	...	...	2 lamps
Somerton Road	...	...	...	...	2 "
Princes Park Avenue	...	...	...	...	2 "

- (c) LOWER HALE LANE: Report from the Surveyor in regard to his negotiations with Mr. Trewby, of the North Middlesex Gas Company, in regard to the lighting facilities proposed to be provided in Lower Hale Lane, in lieu of the oil lamps originally existing in this road.

It will be remembered that at the last meeting of the Council when the Surveyor was requested to approach the North Middlesex Gas Company upon the matter, it was agreed that three lamps should be provided in this road.

Your Committee have given consideration to the report of the Surveyor as to his negotiations with Mr. Trewby, and now

RECOMMEND—That four lamps be erected in Lower Hale Lane at the expense of the Council, and that the Council agree to provide the labour in connection with the digging of the trench for the necessary extension of the main.

- 9.—FINCHLEY ROAD: Letter from the Traffic Advertising Agent, Metropolitan Electric Tramways Ltd., assenting to the application of the Council for the fixing of a notice to their tramway standard, near Lynedale, Finchley Road, bearing the words "Drive Slowly, Dangerous Turning," subject to the execution of the necessary agreement forwarded by the Company, and to the payment of a nominal rental of 1/- per annum for the privilege.

Your Committee

RECOMMEND—That the agreement be approved, and that a communication be addressed to the Tramway Company expressing the Council's appreciation of their action in the matter.

- 10.—TREES, GOLDERS GREEN ROAD: Letter from Mr. E. Wright suggesting the lopping of certain trees opposite his property in Golders Green Road.

It will be remembered that Mr. Wright has on a previous occasion communicated with the Council in regard to the trees near his property, and as a result thereof some of the trees were removed.

Report from the Surveyor in regard to the communication now under consideration.

Your Committee

RECOMMEND—That the Council agree to the suggestion of Mr. Wright and that the work be carried out in due course.

- 11.—IMPROVEMENTS, STATION ROAD, FROM EDGWARE ROAD TO COLINDEEP LANE: Report from the Surveyor in regard to his negotiations with the Secretary of the Hendon Alexandra Club Co., Ltd., in regard to the terms upon which the Club would be prepared to surrender the necessary land required for the proposed improvement works in Station Road.

Your Committee also received a suggestion from the Surveyor as to the further action to be taken in regard to the matter, in conjunction with the Middlesex County Council, which they approved, and the Surveyor was instructed to proceed in accordance with such suggestion.

The Surveyor also asked for authority to advertise for tenders in connection with the Station Road Improvement Works, particularly having regard to the fact that the Ministry of Transport were anxious that the bulk of the expenditure in connection therewith should come into this year's statement which closed at the end of March, 1923.

The Surveyor suggested that such tenders should be received by the Council on the 18th prox.

After due consideration of the matter, your Committee gave authority for the advertisement in question to be issued.

- 12.—DIRECTION TABLETS: In accordance with the instructions of the Committee at the last meeting the Surveyor submitted a report in regard to the application of the London Electric Railway Company asking for the Council's permission to fix upon lamp posts in the district the Company's standard lamp post plates (forty-eight in number) indicating the direction to the new stations to be opened in connection with the extension of the tube railway.

It will be remembered that at the last meeting it was reported that the Company undertook to pay a rental for the plates similar to that now paid in connection with the existing plates in connection with the Golders Green Tube Station, viz., 1/- per annum for each plate.

After due consideration of the matter, your Committee

RECOMMEND—That the application of the Company be acceded to, subject to their entering into an agreement to remove the plates whenever called upon by the Council.

- 13.—FINCHLEY LANE IMPROVEMENT: The Surveyor submitted a report in regard to an interview which he had had with the Ministry of Transport in connection with the scheme for the proposed improvement works in Finchley Lane, from which it appeared that the Ministry offered certain suggestions for acquiring land abutting on the road where no development has taken place, and intimated that they did not consider it necessary, at the present time, to acquire any land which formed part of the front gardens of the houses in Finchley Lane.

The Ministry outlined the procedure to be adopted in acquiring the land for the improvement under the compulsory powers of the Unemployment Relief Works Act, 1920, and stated that they were prepared to assist the Council to carry this into effect, the compensation to the Owners being payable in accordance with the procedure laid down in the Acquisition of Lands Act, 1919.

With regard to the question of a contribution, the Ministry stated they were prepared to contribute 50 per cent. towards the cost of the road works in Finchley Lane, but dealing with the question of the surface water drain proposed to be laid from Brent Street to the River Brent the Ministry stated they were not empowered to make a grant of 50 per cent. of the whole cost of this work as the surface water drain was designed to deal with a considerably larger area than the roads, but they would contribute a proportionate sum for the drainage of the road.

The Surveyor stated that in the event of the suggestion of the Ministry of Transport being approved he proposed to amend the plans and re-deposit the same with the Ministry; the Surveyor also suggested that the Council should make application to the Ministry of Health for sanction to loan for the balance of the cost of the improvement.

After due consideration of the matter, your Committee

**RECOMMEND**—That the suggestion of the Ministry of Transport be approved in regard thereto, and also that steps be taken in accordance with such proposal.

Your Committee further

**RECOMMEND**—That application be made to the Ministry of Health for sanction to a loan for the balance of the cost of the improvement.

14.—**REQUISITIONS**: The Surveyor submitted a requisition of goods required by him, and the same was duly approved.

## Report of Finance Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 27th day of November, 1922. Present: Mr. Councillor Cartwright (Chairman), Councillors Donald, Fenn, Hearn, Roberts, Soar, Sturgess, and Weeks.

Your Committee beg to report as follows:—

1.—**PRICE OF GAS**: Mr. F. W. Goodenough, of the Gas Light and Coke Company, attended the meeting of your Committee in regard to the complaints the Council had received as to the price of gas.

Mr. Goodenough explained that the gas was now charged at per therm which was based on the calorific value of the gas. The rate of 10d. per therm was equal to  $4\frac{1}{2}$  per thousand cubic feet, as each thousand cubic feet of gas consumed equalled five therms.

In regard to the complaints which had been received relative to the charges for the June quarter, Mr. Goodenough pointed out that in 1921 at the beginning of the June quarter the Coal Strike occurred, which had the effect of rendering general economy in the use of gas a necessity. Again the Summer was exceptionally fine. Comparing this with the June quarter of 1922, that period was one of the wettest on record with extremely cold weather, which no doubt resulted in the increased consumption of gas. Further, during the period covered by the June quarter, 1922, the reading of the consumers' meters, in most cases, extended to about 15 weeks, as against 13 weeks in the year 1921. It was thus explained that the complaints which had been received as to the excessive price of gas for that particular quarter were really due to the fact that the consumption during the June quarter of 1922 was much greater. Since the June quarter a reduction had taken place in the price of gas.

Your Committee tendered their best thanks to Mr. Goodenough for his attendance and explanations in regard to this matter.

2.—**PAY ORDERS**: The Accountant submitted Pay Orders amounting to £148 16s. and £3,721 2s. 3d. Your Committee approved the same and gave authority for the necessary cheques to be drawn.

3.—**HIRE OF ROOMS**:

(a) Letter from Mr. S. Leader in further reference to the application made for the use of the Town Hall for the exhibition of a Cinematograph Film entitled "The Gift of Life," and suggesting a date between the present time and the 14th December as being suitable.

Your Committee regret they are unable to accede to the request owing to bookings already made for the next fortnight.

(b) In regard to a proposed meeting to be organised by the Society for Workshops for the Blind to be held on a date in January next, referred to by the Chairman of the Council, your Committee agreed that the charge for the room should be nominal.

4.—**PRIVATE STREET IMPROVEMENTS**:

(a) **ALBERT ROAD, MILL HILL**: Letter from Messrs. Mount, Sterry & Wheeler in reference to the charges apportioned to Mr. A. Blake for the making up of Albert Road, Mill Hill, intimating that they considered the claim unreasonable and would have no alternative but to appeal in the usual way. Noted.

(b) **LOANS**: Letter from the Ministry of Health transmitting sanction to the borrowing of £4,199 and £2,151 for the making up of Millway and Hodford Road, respectively, under Section 150 of the Public Health Act, 1875.

Your Committee

RECOMMEND—That the Accountant arrange for the raising of these loans in due course and further that advertisements be issued inviting tenders for the work.

Your Committee have instructed the Surveyor in regard to this matter.

In regard to the application for sanction to the borrowing of £2,775 in respect of the making-up of Dersingham Road, the Ministry intimated that they had been in communication with the Board of Education relative to the amount proposed to be charged to the Dersingham Road School Account in respect of the frontage of the school to the road. The Ministry suggested that application should be made by the Education Committee to the Board of Education for approval of the expenditure.

Your Committee have referred this matter to the Education Committee for consideration.

- 5.—AUDIT: That they received a report from M. D. Probert, District Auditor, on the audit of the accounts of the Council for the year ended 31st March, 1922.

Your Committee are informed that the usual notice of the completion of audit has been inserted in the Local paper as required by Statute.

The Auditor stated that the Accounts of the Council had been presented in an admirable and systematic manner.

Your Committee have noted the report with satisfaction.

- 6.—ENGINEER'S CERTIFICATES: The Engineer submitted certificates in favour of Contractors as follows:—

			£	s.	d.
Campbell, Kenyon & Co.	...	Leaside Crescent	122	0	0
		Templars Avenue	180	0	0
		St. George's Road	437	0	0
		Higheroft Gardens	493	0	0
		Woodville Gardens	351	0	0
			<hr/>		
			£1,583	0	0
H. Farrow	...	Finchley Road Wood Paving	£800	0	0

Such certificates are included in the accounts submitted for payment, and your Committee have duly approved the same.

- 7.—RATES—REMISSION: That they received a further report from the Accountant in reference to the application for the remission of rates in respect of 1, Devonshire Place.

Your Committee are informed that the Overseers have remitted the poor rate in this case and they therefore

RECOMMEND—That the amount of the District Rate, viz., £1 0s. 3d. be also remitted.

- 8.—LOANS: Report from the Accountant as to his negotiations with the National Provincial and Union Bank of England in reference to the advance of certain sums on loan as follows:—

	£	
Sewage Works Extension	7481	
Motor Fire Engine	1240	
Highwood Hill, Shirehall Lane and Mill Hill Road Improvements	3696	
Colindale Lane Improvement at Burroughs	1761	
Bell Lane Widening	4800	Balance
Private Street Improvements	3022	Against sanction for £19,370

The Accountant reported that the Bank were prepared to advance the loans with interest calculated at  $\frac{1}{4}$  per cent. above Bank Rate with a minimum rate of interest of  $4\frac{1}{2}$  per cent., and repayment would be subject to six months' notice in the usual way.

Your Committee

RECOMMEND—That the Council accept the offer of the National Provincial and Union Bank of England to advance the above sums and that the Common Seal of the Council be affixed to the Six Mortgage Deeds in due course.

- 9.—SUNNY HILL FIELDS: Report from the Accountant that he had been in communication with the Secretary to the Queen Anne's Bounty, but they had declined to accept repayment of the sum of £1,000 referred to in the Ministry's communication which your Committee reported upon at their last meeting.

The Accountant stated that the alternative was to invest the sum of £1,000 as suggested by the Ministry, and he suggested that part of the Council's existing investments be transferred to this account when the amount was received.

Your Committee

RECOMMEND—That the Accountant's suggestion be adopted and that the Ministry of Health be informed accordingly.

10.—WATER CHARGES: That they received a report from the Accountant as to the rate of water charge in operation in the Metropolitan Water Board area of the District and under the Metropolitan Water Board (Charges) Act, 1921, which is 8 per cent. of the full rateable value plus an additional  $\frac{1}{4}$  per cent. in non-constituent areas.

Your Committee have duly noted the same.

11.—JOINT SMALLPOX HOSPITAL BOARD: Your Committee propose to take into consideration the accounts submitted in connection with the Middlesex Districts Smallpox Hospital Board at their next meeting.

12.—STATEMENT OF RECEIPTS, ETC.: Your Committee have examined the Treasurer's Pass Book and Cash Books, and report that the total receipts from all sources since the last meeting amounted to the sum of £22,751 10s. 11d., making a total of £190,125 2s. 7d. for the current financial year.

Upon the motion of Mr. Councillor Egan, seconded by Mr. Councillor Weeks,

IT WAS RESOLVED—That the Common Seal of the Council be affixed to the documents referred to.

CHRISTMAS VACATION: Consideration was given to the question of the Christmas Vacation, and

IT WAS RESOLVED—That no meetings be held on New Year's Day, and that the next ordinary meeting of the Council be held on the 15th January, 1923.

ELECTRIC CABLE, ETC.: Report from the Surveyor in regard to an application he had received from the Hendon Electric Supply Company for permission to lay an underground cable in the Edgware Road (between Colindale Avenue and Annesley Avenue), and also an application from H.M. Postmaster General to lay an underground telegraphic line on the south side of Corringham Road from No. 66 to No. 70

After due consideration of such applications,

IT WAS RESOLVED—That the same be approved, subject to the usual conditions.

EDUCATION COMMITTEE MINUTES: The Minutes of the proceedings of the Hendon Education Committee at their meeting held on the 24th day of October, 1922, having been circulated amongst the Members of the Council, upon the motion of Mr. Councillor Hearn, seconded by Mr. Councillor Egan,

IT WAS RESOLVED—That such Minutes be received.

IN COMMITTEE.—

PUBLIC CONVENIENCE—BRENT STREET: Report from Mr. S. S. Grimley (the Council's Consulting Engineer) in regard to the tenders received by the Council for the construction of an underground Public Convenience at the junction of Bell Lane and Brent Street.

After due consideration of such report, upon the motion of Mr. Councillor Egan, seconded by Mr. Councillor Sturgess,

IT WAS RESOLVED—That the tender of Messrs. A. Cole, Ltd., of Luton, amounting to the sum of £3,067, be accepted and that the Clerk prepare the necessary Contract in connection therewith.

BRENT HILL HOUSING SCHEME: The Clerk reported a communication from Mr. G. Hornblower intimating that he was of opinion, having regard to the approaching completion of Messrs. Billing's Contract for the erection of houses on the Brent Hill Estate, that it was only necessary to retain one Clerk of Works and suggesting the retention of the services of Mr. Hughes.

Mr. Councillor Fenn seconded the amendment.

Upon the amendment being submitted to the meeting the Chairman declared the same to be carried.

The amendment was then put as the substantive motion and was declared to be carried (Mr. Councillor Cartwright only dissenting).

HUT—WILBERFORCE ROAD: Letter from Mr. J. Hanley, on behalf of the Hendon Unemployed Organisation, in reply to the communication from the Council requiring them to surrender their tenancy of the hut situate at Wilberforce Road having regard to the proposal of the Council to remove the same to another site at Burnt Oak.

Mr. Hanley, on behalf of his Organisation, asked the Council to provide alternative accommodation, and suggested the Library at the Town Hall for the purpose, and further made enquiry whether the Council would consent to receive a deputation from the Organisation to discuss the matter.

After due consideration thereof, Mr. Councillor Fenn moved:—

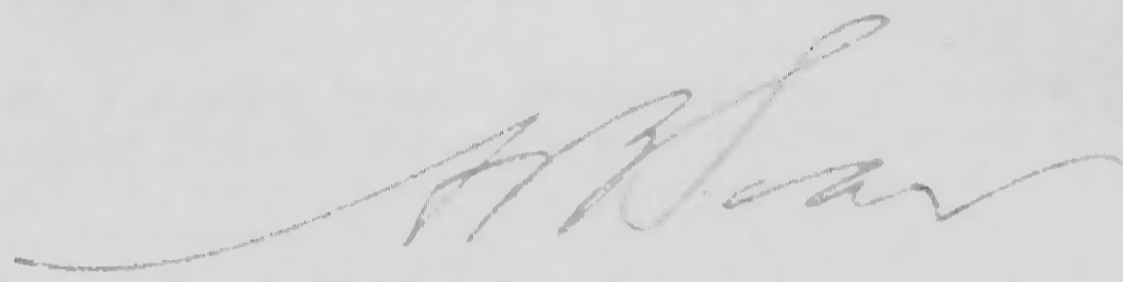

That arrangements be made for a Deputation from the Unemployed Organisation to attend a meeting of the Council in Committee at the earliest possible date.

Mr. Councillor Holt seconded the motion.

Upon the same being submitted to the meeting there voted in favour thereof 7, viz.:—Councillors Fenn, Glanville, Holt, Roberts, Sturgess, Taylor, and Wise, and against the motion 4, viz.:—Councillors Cartwright, Egan, Hill and Hearn.

The Chairman declared the motion to be carried.

It was ultimately agreed that arrangements should be made for the attendance of the Deputation on Monday next, the 11th inst., at 6 p.m.

REPORT OF WORKS COMMITTEE: The Works Committee submitted a special report of a meeting of the Committee held on the 11th instant.

## Special Report of Works & Sewage Disposal Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 11th day of December, 1922. Present: Mr. Councillor Roberts (Chairman), and Councillors Cartwright, Donald, Egan, Glanville, Hill, Reynolds, Soar, Sturgess, Wise and Winny.

Your Committee beg to report as follows:—

- 1.—DAWS LANE ALLOTMENTS: Report from the Surveyor as to a communication received from Messrs. Howard & Partners in reference to their offer to dispose of land (8½ acres in extent) at present used for allotments, intimating that in view of the prolonged delay in settling the matter they proposed to develop the Estate in some other manner.

Your Committee are most anxious to preserve this land for use as allotments and instructed the Clerk to communicate with the Ministry of Health pressing for an early decision as to the application for sanction to the necessary loan. They

RECOMMEND—That Messrs. Howard & Partners be informed that the Council are prepared to enter into a Provisional Contract for the purchase of the land in question upon the terms quoted and will do their best to secure an early decision from the Ministry upon the matter.

Your Committee

RECOMMEND FURTHER—That such Provisional Agreement be prepared.

- 2.—BRENT STREET PUBLIC CONVENIENCE: Your Committee consider that the work in connection with the construction of this convenience should be proceeded with as speedily as possible and submit herewith the Contract with Messrs. A. Cole, Limited, of Luton, for sealing by the Council.

Upon the motion of Mr. Councillor Cartwright, seconded by Mr. Councillor Winny,

IT WAS RESOLVED—That such report be received, approved and adopted.

STATION ROAD IMPROVEMENTS: The Clerk submitted tenders (11 in number) for works of improvement in Station Road, Hendon.

TENDERS FOR PRIVATE STREET IMPROVEMENTS: The Clerk submitted ten tenders received in response to the Council's advertisement for works of private street improvement.

Upon the motion of Mr. Councillor Hearn, seconded by Councillor Mrs. Bannister,

IT WAS RESOLVED—That these tenders be referred to the Engineer of the Council for report.

#### BRENT HILL FARM HOUSING SCHEME:

- (a) That they received a report from the Housing Committee that the Ministry of Health had intimated that they were now prepared to approve of the acceptance of the tender of Messrs. Perry Bros. for the erection of the remaining 20 houses at Brent Hill Farm for the sum of £6,156. and a formal communication to this effect would follow in a day or so.

Upon the motion of Mr. Councillor Ford, seconded by Mr. Councillor Roberts,

IT WAS RESOLVED—That the Chairman of the Council have authority to affix the Common Seal of the Council to the Contract with Messrs. Perry Bros., of Ealing, for the erection of twenty houses at Brent Hill Farm when the same had been executed by the Contractors.

- (b) The Council gave consideration to a communication received from Messrs. Billings & Co., referred to at the meeting of the Housing Committee, and it was decided to leave the matter in the hands of the Chairman of the Council to take such action as might be considered desirable.

## Report of Works and Sewage Disposal Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday the 11th day of December, 1922. Present: Mr. Councillor Roberts (Chairman), Councillors Cartwright, Donald, Egan, Glanville, Hill, Reynolds, Soar, Sturgess, Winny, and Wise.

Your Committee beg to report as follows:—

### 1.—ALLOTMENTS:

- (a) ALLOTMENTS ACT, 1922—APPOINTMENT OF CO-OPTED MEMBERS: Letter from Mr. W. Taylor, Vice-President of the Child's Hill and District Horticultural Society, nominating Mr. T. W. Giles, of 98, Cloister Road, as a Co-opted member of the Council's Allotments Committee.

The Clerk reported communications from Mr. C. F. Windust (Archfield Allotment Association), Mr. A. Bacon (The Hale and District Allotment Association), Mr. J. Baldwin (Central Hendon Allotment Association), and Mr. E. Warland (Colindale & District Allotment Association), in response to the invitation from the Council to the Associations in the district to submit nominations for the appointment of the proposed Co-opted members to serve on the Allotments Committee of the Council.

It will be remembered that under the provisions of the Allotments Act, 1922, the Allotments Committee of the Council should comprise persons other than Members of the Council (four in number), and a suggestion was made to the various Allotment Associations in the district that they should arrange to hold a combined meeting to select these Co-opted Members.

In the case of the Archfield Allotment Association and the Hale and District Association, the respective representatives suggested that the Council should arrange to convene the proposed meeting, whilst Mr. Warland, on behalf of the Colindale and District Association, undertook to make the necessary arrangements in connection with the meeting, subject to the Council providing the necessary accommodation for the purpose and also a Chairman to preside over the meeting, Mr. Baldwin, on behalf of the Central Hendon Allotment Association, concurring in this arrangement.

After further consideration of the matter, your Committee came to the conclusion that arrangements might be made for such a meeting at the Town Hall, and decided that the various Associations in the district be invited to appoint three of their number to attend the same.

With regard to the appointment of a Chairman Mr. Councillor Roberts, Chairman of your Committee, kindly agreed to take the chair on the occasion of the meeting.

Your Committee authorised the Clerk to communicate further with the various Allotment Associations informing them of the decision arrived at and inviting them to submit the names of three of their representatives to attend the proposed meeting.

- (b) HOSPITAL FIELD: Letter from Mr. W. A. Perkins, on behalf of the Golders Green Allotment and Horticultural Association, complaining of inconvenience to allotment holders on the Hospital Field Allotments occasioned by the closing of the roadway at the end of Highfield Avenue, and suggesting the opening up of further means of access to the said allotments.

Your Committee have received a report from the Surveyor in regard to the suggestion of the Association, and they have adjourned the consideration of the matter until the Contractors term of maintenance of the newly constructed road has expired.

- (c) BOOTH ROAD: Letter from Mr. E. Warland, on behalf of the Colindale and District Allotment Association, in further reference to the right of way from Colindale Avenue to the Booth Road Allotments, suggesting that a gate should be placed at the entrance to the playing field in Colindale Avenue with the object of excluding persons, other than allotment holders, from the allotments, it being alleged that access to Colindeep Lane was gained by traversing the allotments.

Your Committee have given the matter due consideration, and are of opinion that the matter would be met by the exhibition on the allotments of notices in the terms prescribed by Section 19 of the Allotments Act, 1922.

They therefore

RECOMMEND—That this course be adopted, and that the Association be informed of the action proposed to be taken.

- (d) DAWS LANE: Letter from Mr. A. Bacon, on behalf of the Hale and District Allotment Association, in regard to a statement alleged to have been made by an Official of the Council to a person making application for a plot on the Daws Lane Allotments in regard to the approaching end of the tenure of the land for allotment purposes.

Mr. Bacon intimated that in the event of the statement being correct his Association contended that they should have been apprised in regard to the matter in view of the fact that they were in possession of a number of names of applicants for plots on the said allotments. They asked to be furnished with definite information in regard to the tenure of the land.

Report from the Clerk that he had informed Mr. Bacon, for the information of his Association, that he was unaware of the statement referred to and the Council were using their best endeavours to secure the land referred to for permanent allotments, the matter being still in the hands of the Ministry. In the event of it becoming necessary to discontinue the use of the land for allotment purposes early information would be furnished to the Association.

Your Committee confirmed the action of the Clerk.

Adam,

HUMPHRIS,

Clerk to the Council.

Chairmen of the Standing

Further letter from Mr. Bacon relative to the rent collection of the Daws Lane Allotments.

After due consideration of such communication, your Committee authorised the Clerk to inform Mr. Bacon that strong exception was taken to the statements made by him.

Your Committee also authorised the Accountant to communicate with Mr. Bacon direct in regard to the matter.

Consideration was given to a further communication from Mr. A. Bacon, accompanied by a copy of a resolution passed by his Association in regard to sub-letting the plots on the Daws Lane Allotments, and asking the Council to give a definite ruling upon this subject, the Association contending that they had used every effort to prevent the practice referred to.

Report from the Clerk that he had informed Mr. Bacon, in reply, that a rule had always existed prohibiting the sub-letting of allotments without the consent of the Council.

After due consideration of the matter, your Committee gave authority for a communication to be addressed to Mr. Bacon asking for particulars of the sub-letting referred to.

- (E) SUNNINGFIELDS ROAD: Report from the Accountant as to an inspection of the allotment in Sunningfields Road in the occupation of Mr. Odell, in regard to which it will be remembered Mr. Odell complained that a firm of House Agents had erected a notice board thereon.

The Accountant also submitted a report as to his negotiations with the firm in question (Messrs. Blessley & Spyer) and after due consideration thereof your Committee decided to leave the matter in the hands of the Accountant to communicate further with Messrs. Blessley & Spyer claiming damages in connection with the matter.

- (F) PLOTS Nos. 34 and 35 WILDWOOD ROAD: The Accountant submitted a report as to the action taken by him with regard to the difficulty which had arisen in connection with the allotments on Plots Nos. 34 and 35 Wildwood Road held under the terms of the Lands Cultivation Orders.

Your Committee have adjourned the consideration of the matter to enable the Accountant to complete his negotiations and report further thereon.

- (G) LANDS CULTIVATION ORDERS: In accordance with the instructions of the Committee at the last meeting the Surveyor submitted a report in regard to the land at present utilised for allotments under the terms of the Lands Cultivation Orders which he considered would be required for building development in the near future.

It appeared from the report that the only land which the Surveyor suggested the Council should endeavour to retain for the purpose of allotments, after the expiry of the Lands Cultivation Orders in March, 1923, was the land in North Road, Burnt Oak, owned by the Hendon Education Committee, and also that on the Birkbeck Estate, Mill Hill.

It will be remembered in connection with the matter, generally, that some time since, acting on instructions from the Ministry of Agriculture, the Council negotiated with the whole of the owners of land utilised for allotments under the terms of the Orders referred to with a view to leasing the land for allotment purposes after March, 1923. In the majority of cases no decision had yet been forthcoming and it is proposed to take steps with a view of obtaining a decision in connection with the matter.

After due consideration of the report of the Surveyor, your Committee

RECOMMEND—That in the two cases referred to the Surveyor's suggestion be approved, and that steps be taken accordingly.

In view of the fact that the Lands Cultivation Orders will expire in March, 1923, your Committee had under consideration the question of notifying the allottees accordingly, and they

RECOMMEND—That they be informed that the Council have no power after the 25th March next to retain land held under the terms of the Orders referred to and all tenancies will expire at that date.

- 2.—MILL HILL REFUSE REMOVAL: Letter from Miss M. J. White suggesting the provision of a covered dust cart in connection with the removal of house refuse at Mill Hill, and lodging a complaint in regard to the present vehicle used by the Contractor.

Report from the Surveyor as to the action taken by him in the matter.

In view of the fact that the present contract will expire in March next, your Committee are of opinion that the question of transport should be considered when advertising for new tenders for the work, and they

RECOMMEND—That this course be adopted.

They further

RECOMMEND—That Miss White be informed accordingly.

- 3.—COLINDALE AVENUE PLAYING FIELD: Letter from Mr. J. Rhodes, on behalf of residents in the Colindale district, advocating the provision of tennis courts in the playing field at Colindale Avenue.

It will be remembered that it has been decided not to provide accommodation for set games in the field in question, and your Committee

RECOMMEND—That Mr. Rhodes be informed accordingly.

- 4.—LAVATORIES—GOLDERS GREEN: Letter from the Chief Engineer, London Electric Railway Company, intimating that the tender of Messrs. W. S. Sharpin, amounting to the sum of £1,726, had been accepted in connection with the proposed extension of the lavatories at the Golders Green Tube Station, and it was anticipated that the work would be completed towards the middle of February next.

Your Committee have duly noted the contents of this communication.

- 5.—PUBLIC CONVENIENCE—CHILD'S HILL: Letter from Mr. W. A. Kitcher, on behalf of the Child's Hill and Golders Green Ratepayers' Association, asking the Council to endeavour to procure a site for the provision of a public convenience in the neighbourhood of "The Castle," Child's Hill.

After due consideration of the matter, your Committee

RECOMMEND—That the Surveyor submit a report in regard to a site in Hermitage Lane and also one in Cricklewood Lane for the provision of a public convenience, and that the Child's Hill Ratepayers' Association be informed of the action proposed to be taken.

- 6.—UNEMPLOYMENT: The Surveyor submitted a report in regard to an interview which he had had with Mr. Seabrook (Clerk to the Guardians) in regard to the proposal which was submitted to the Council on the 6th ulto, by the deputation which attended from the Guardians relative to the provision of work for men in receipt of Outdoor Relief.

The Surveyor outlined the procedure to be adopted in the working of the scheme, as stated by Mr. Seabrook, and also mentioned a suggestion which he had made to Mr. Seabrook with a view to meeting the difficulty which would arise in the event of any of the men not working in a satisfactory manner, such suggestion, the Surveyor stated, he considered should form part of the arrangement in connection with the matter.

With regard to the work which could be provided by the Council under this scheme, the Surveyor reported that he could employ a certain number of men in the Hendon Public Park and also at the Outfall Works and he suggested as a first step that not more than twenty men should be employed with a view of ascertaining whether the scheme would work satisfactorily.

In addition to the work suggested by the Surveyor in connection with the Hendon Park, your Committee have under consideration the question of the provision of a further public convenience therein, and they instructed the Surveyor to submit a report upon the matter.

Consideration was given to the question of effecting an Insurance in respect of the men engaged on the work referred to, and your Committee

RECOMMEND—That the Accountant take up the matter with the Insurance Company.

After due consideration of the report of the Surveyor, your Committee decided to approve of the same, and they gave instructions to the Surveyor to communicate further with the Guardians in accordance with the terms of his report.

A suggestion was made as to advertising for men to undertake light work, and it was agreed that this suggestion should be conveyed to the Guardians for their consideration.

- 7.—POST OFFICE TELEGRAPHS AND GAS MAIN: The Surveyor reported the following applications:—

H.M. Postmaster-General—

For the provision of Underground Telegraphic lines across Bridge Lane and along the south-west side of Bridge Lane from Princes Park Avenue to Nos. 111 and 113, along Alba Gardens from No. 26 to No. 34, and along the south side of Hale Lane, Mill Hill, from Hale Grove Gardens to Beech Walk.

The North Middlesex Gas Company—

For the provision of new gas mains in Station Road, Hendon, between Colindeep Lane and Audley Road.

After due consideration of such applications, your Committee

RECOMMEND—That the same be approved, upon the usual conditions.

- 8.—RE-NUMBERING OF ROADS:

- (A) GOLDERS GREEN ROAD: The Surveyor reported correspondence from Messrs. W. J. Harris and Co., Ltd., the occupiers of premises in Golders Green Road.

It will be remembered that the Council recently decided, in view of building development, to re-number the portion of Golders Green Road from Armitage Road onwards, the number allotted to the premises referred to being 105a.

It appeared from the correspondence that Messrs. Harris & Co. were not in favour of the re-numbering, and in particular were opposed to the addition of the letter "A" to the number assigned to their premises.

Your Committee have given the matter due consideration, and are unable to recommend the Council to vary the decision arrived at in connection with the re-numbering of the portion of Golders Green Road in question, and they

RECOMMEND—That Messrs. Harris & Co. be informed accordingly.

- (B) HILLCREST AVENUE: Letter from Mr. J. M. Powell, the occupier of premises in Hillcrest Avenue, objecting to his house being numbered 13.

Your Committee have no recommendation to make in the matter.

- 9.—HALL LANE SEWER: Report from the Engineer in regard to a defect in the sewer in Hall Lane, and that it was found upon investigation that a short length thereof was choked up owing to the growth of the roots of a large elm tree in the vicinity.

The Engineer intimated that he had had the length of sewer in question cut out and relaid, and the same was now flowing satisfactorily.

Your Committee approved of the action of the Engineer.

- 10.—REQUISITIONS: The Surveyor submitted a requisition of goods required by him, and the same were duly approved.

## Report of Public Health Committee, No. 1.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 11th December, 1922. Present: Mr. Councillor F. W. Hearn (Chairman), and Councillors Miss Growse, Mrs. Hargraves, Fenn, Holt, Rev. Dr. Macgowan, Taylor, and Weeks.

Your Committee beg to report as follows:—

1.—**MATERNITY AND CHILD WELFARE:** A report was submitted as to the proceedings of the Maternity and Child Welfare Committee.

(A) **MILK:** The Maternity Committee at their last meeting considered various scales in connection with the grants of free milk and milk at reduced cost in necessitous cases, but they decided to make no variation in the scale which was approved and adopted by the Council in April, 1921.

(B) **SALE OF DRUGS, ETC.:** Report from the Medical Officer of Health with reference to the procedure followed in connection with the sale of drugs and other commodities at the Child Welfare Centres, having regard to the reference in the report of the District Auditor.

After careful consideration of such report, the Committee decided to make no variation in the present practice.

(C) **MEDICAL REPORT:** The Medical Officer has submitted a report as to the work carried out by the Midwife and Health Visitors since the last meeting and the same was duly noted.

2.—**VITAL STATISTICS:** Report from the Medical Officer of Health that for the past four weeks the birth rate of the district was 14.24 per thousand and the death rate 13.11 per thousand.

The death rate calculated on the deaths of residents only was 7.23 per thousand.

3.—**NEW ISOLATION HOSPITAL:** The Committee gave further consideration to the communication from the Ministry of Health with reference to the provision of a new Isolation Hospital for the district of Hendon.

A report was submitted by the Medical Officer of Health, but owing to his absence from the meeting, through illness, your Committee decided to adjourn the consideration of the report to a special meeting to be held on the 8th January.

4.—**DRAINAGE WORKS:** That they received a report from the Sanitary Inspector as to the action taken by him in connection with certain drainage works in the district and have duly approved the same.

5.—**STATUTORY NOTICES:** Report from the Sanitary Inspector as to the following cases where preliminary notices had been served but had not been complied with and he asked for authority to serve statutory notices if found necessary:—

80, Audley Road,  
5, Woodville Road,  
137, Hamilton Road.

Your Committee

**RECOMMEND**—That the Inspector have authority to serve such notices if found necessary.

6.—**RENT ACT CERTIFICATE:** Report from the Inspector as to an application received for a certificate under Section 2 of the Increase of Rent and Mortgage Interest Restrictions Act in respect of premises No. 109, Sunny Gardens, Hendon.

After due consideration of the report of the Inspector your Committee, being invested with power to act, decided to give authority for the issue of the certificate in this case.

7.—**HALL LANE:** Report was received in regard to the condition of two ditches at Hall Lane, and after careful consideration of such report, your Committee

**RECOMMEND**—That the matter be referred to the Engineer of the Council for consideration and report.

8.—**DAY NURSERY:** The Accountant submitted a report as to the Day Nursery at the Broadway, West Hendon, in respect of which the Council have made a grant of £75 per quarter.

Your Committee approved of payment of the grant in the usual way.

9.—**ALBERT ROAD DITCH:** Your Committee received a report in regard to an inspection which had been made of the ditch in Albert Road, in respect of which complaint had been made on several occasions.

Your Committee are of opinion that this matter should be referred to the Surveyor for report, and they

**RECOMMEND** accordingly.

10.—**SMOKE NUISANCE:** Letter from Mr. Garner complaining of annoyance from smoke from factory premises in the vicinity of Hale Lane, Mill Hill.

Your Committee are informed that an inspection has been made of the factory premises in question, but no nuisance injurious to health had been found to exist. The premises are, however, to be kept under observation. Your Committee

RECOMMEND—That Mr. Garner be informed accordingly.

- 11.—SMALLPOX: That they gave consideration to correspondence with the Military Authorities as to treatment of any possible cases of smallpox which might occur at Mill Hill Barracks.

Your Committee propose to give further consideration to this matter at their next meeting when the Medical Officer of Health is able to attend.

- 12.—FACTORY AND WORKSHOP ACT: That they received a report from H.M. Inspector of Factories as to matters which required attention at a Factory at Stratford Road.

Your Committee are informed that the Sanitary Inspector has communicated with the occupier of the factory as to securing compliance with the requirements of the Factory Inspector.

That they also received notice of occupation of a workshop by "Elise," of 50, Golders Green Road.

Your Committee are informed that the same has been duly registered and have noted the communication.

- 13.—INFECTIOUS DISEASE: Letter from the London Fever Hospital intimating that the Committee had decided that they would be prepared to receive cases for treatment when accommodation was available at a reduced charge of 10/- per day plus the cost of ambulance for the period of the next 12 months.

Your Committee have noted this communication in connection with any emergency cases which might require to be treated in the London Fever Hospital.

## Report of Public Health Committee, No. 2.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 8th day of January, 1923. Present: Mr. Councillor F. W. Hearn (Chairman), and Councillors Mrs. Bannister, Miss Growse, Fenn, the Rev. Dr. Macgowan, Taylor and Weeks.

Your Committee beg to report as follows:—

- 1.—SMALLPOX: That they gave consideration to correspondence with the Military Authorities for the Eastern and Shires Areas relative to the treatment of any possible case of smallpox which might occur amongst the troops or their dependents stationed at Mill Hill Barracks.

The Authorities desired to know whether the Council would be prepared to accept in their Hospital for treatment any case which might occur, and also, in such event, what the charge per case would be.

Your Committee are informed that enquiry has been made of the Middlesex Districts Joint Smallpox Hospital Board who had intimated that they would of course take cases for treatment.

After careful consideration of the correspondence, your Committee

RECOMMEND—That a communication be addressed to the military authorities intimating that the Council would be prepared to accept any case of smallpox for treatment and that the charge would be the current charge for treatment of infectious diseases which at the present time is £4 4s. per week.

- 2.—NEW ISOLATION HOSPITAL: That they received a detailed report from the Medical Officer of Health in reference to the proposals for the erection of a new Isolation Hospital for the District, a copy of the Medical Officer's report is submitted herewith indicating the proposals in detail.

The scheme proposed will provide for a hospital of sixty beds, comprising scarlet fever block, diphtheria block, observation block and discharge block, with the necessary appurtenances; also an administration block.

Your Committee have given very careful consideration to the proposals submitted which they consider are the minimum requirements for this district, having due regard to future development. They

RECOMMEND—That the report of the Medical Officer of Health be approved and the scheme contained therein be adopted, and that the Surveyor prepare the necessary plans and estimates in connection therewith.

## Report of Town Planning Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 13th day of December, 1922. Present: Mr. Councillor Soar (in the Chair), and Councillors Hill, Taylor, Winny, and Weeks.

Your Committee beg to report as follows:—

APPLICATION No. 5646: In connection with this application the Surveyor reported that the applicant made enquiry whether the Council would remove the row of trees at present situate in front of the site of the proposed shops.

Your Committee

RECOMMEND—That the Outdoor Committee take this matter into consideration.

APPLICATION No. 5699: Report from the Surveyor in regard to this application which is for the erection of a house on the land owned by the Council at the bottom of Woodstock Avenue and which the applicant (Col. Warliker) some little time ago offered to purchase from the Council for the sum of £500 in order that he might erect housing accommodation thereon, having regard to the fact that the London Electric Rail-  
way were acquiring his present residence in Woodstock Avenue in connection with the extension of the Tube Railway.

It will be remembered that it was decided, before considering Col. Warliker's offer, to advertise the land for sale, and a board was accordingly placed thereon.

After due consideration of the matter, your Committee

RECOMMEND—That Col. Warliker be informed that the Council would be prepared to dispose of the land in question for the sum of £550.

- 2.—DRAINAGE OF PREMISES—EDGWARE ROAD: The Surveyor submitted a report in regard to an application from Mr. F. C. Bradbury in connection with the drainage of certain motor show rooms in course of erection by him in the Edgware Road, near Osgate Gardens, the building in question being situate within the area of the Urban District of Willesden, but in the section of the Edgware Road within the Hendon Council's repairing boundary.

It appeared from the report of the Surveyor that a difficulty had arisen with regard to the soil and surface water drainage for the building, the Willesden Council having no convenient sewer capable of taking the same.

Dealing with the soil drainage, the Surveyor intimated that the applicant had applied for permission to lay a drain 160 feet in length in the footpath in the Edgware Road in order that he might connect the soil drainage with the Willesden Council's sewer in Osgate Gardens, and the Surveyor suggested that the Council might agree to the proposal subject to a proper plan and section being submitted and subject also to the Willesden Council agreeing to the proposal, and to the footpath in the Edgware Road being properly reinstated by the Hendon Council at the expense of either the applicant or the Willesden Council.

With regard to the question of the surface water drainage, the Surveyor stated that the only method of dealing with this was to connect it with the surface water drain laid by the Hendon Council in the Edgware Road, and he suggested that this should form the subject of an agreement whereby an acknowledged rental should be paid either by the Willesden Council or the owner of the premises.

Your Committee have given the matter due consideration, and they

RECOMMEND—That the application of Mr. Bradbury be approved upon the terms suggested by the Surveyor.

- 3.—COTTAGES—BRENT STREET: Letter from Mr. T. N. Wilson in regard to two Cottages in Brent Street, opposite Bell Lane, on the site acquired by Lloyds Bank for the erection of bank premises thereon, making enquiry whether the Council would offer any objection to the demolition of the Cottages under the terms of Section 6 of the Housing (Additional Powers) Act, 1919.

Report from the Surveyor in regard thereto.

After due consideration thereof, your Committee

RECOMMEND—That the Council offer no objection to the proposal.

- 4.—PROPOSED IMPROVEMENT WORKS—JUNCTION OF HODFORD AND RODBOROUGH ROADS: The Surveyor reported a communication from Mr. H. J. Barber, accompanied by a sketch plan shewing certain suggested improvement works at the junction of Hodford Road and Rodborough Road, near the site of the Wesleyan Church recently erected in the locality referred to, which Mr. Barber suggested the Council should carry out, the Church Authorities on their part agreeing to surrender the necessary land for the purpose.

After due consideration of the matter, your Committee

RECOMMEND—That the proposal be approved, and that the work be carried out in due course.

- 5.—TOWN PLANNING: Letter from the Ministry of Health in regard to the Town Planning proposals of the Council in which they referred to the authority given to the Council by the Local Government Board, the predecessors of the Ministry, dated the 23rd day of July, 1914, whereby the Council were authorised to prepare a Town Planning Scheme in respect of an area known as Area No. 1 and intimating that they proposed applying the Town Planning Regulations, 1921, to Area No. 1 as from Article 4 (the Preliminary Statement stage).

With regard to the second area the Ministry intimated that they understood the Council contemplated passing a resolution under Section 42 of the Housing, Town Planning, etc., Act, 1919, deciding to prepare a scheme for this area with a view to combining the two areas and preparing one complete Town Planning scheme and they made enquiry when the formal resolution would be passed. The Ministry further stated that when the same was passed the new regulations would apply to the second area automatically and the preparation of a Preliminary Statement would be required in the normal course, they being prepared to make any necessary adjustment of dates so as to permit of one Preliminary Statement being adopted for the combined areas.

Your Committee received a report from the Clerk and Surveyor in regard to the matter, and after due consideration thereof they

RECOMMEND—That the Officers in question submit a report as to the necessary action to be taken in connection with the matter, and further that the two schemes of the Council be dealt with separately.

- 6.—CONTRAVENTION OF BYE-LAWS: The Surveyor submitted a report from the Building Inspector relative to certain temporary structures erected by Messrs. Tuckwell Bros. without obtaining the consent of the Council at the rear of shops in course of erection by them in Golders Green Road, in the neighbourhood of Heather Gardens, the structures in question being at the present time used for the storage of building materials.

After due consideration of such report, your Committee

RECOMMEND—That Messrs. Tuckwell Bros. be required to submit plans of the said structures for the consideration of the Council.

- 7.—**PARK ROAD:** Report from the Surveyor in regard to the necessity for the temporary closing to vehicular traffic of the portion of Park Road between Queens's Road and Elliott Road during the progress of the works in connection with the extension of the Tube railway in the neighbourhood referred to, and your Committee gave authority to the Surveyor to temporarily close the portion of Park Road in question when the same became necessary.
- 8.—**TEMPORARY BUILDINGS:** The Surveyor reported the receipt of a number of applications for the renewal of licences in respect of temporary buildings in the district, and intimated that he proposed to have the buildings in question inspected and a report would be submitted thereon at the next meeting of the Committee.

Your Committee await the proposed report.

## Report of Housing Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 18th day of December, 1922. Present: Mr. Councillor Ford (Chairman), and Councillors Miss Growse, Mrs. Bannister, Cartwright, Hearn, Holt, Roberts, and Wise.

Your Committee beg to report as follows:—

### 1.—BRENT HILL FARM SCHEME:

- (A) Letter from the Ministry of Health transmitting copy of a communication which had been addressed to the Architect for the scheme as to the procedure to be followed in connection with the submission of Contractors accounts.

Your Committee have duly noted this communication.

- (B) Report from the Clerk that the Ministry of Health had telephoned late that afternoon intimating that they were now prepared to approve the Contract for the erection of twenty houses at Brent Hill Farm and that a formal communication approving the Contract would be sent in a day or so.

Your Committee decided to report this to the Special Council this evening.

- (C) Letter from Messrs. Billings pressing for a further certificate in respect of their Contract for the completion of the houses at Brent Hill Farm.

Your Committee are informed that the final accounts in connection with the Contract are now under consideration by H.M. Office of Works. Messrs. Billings & Co. gave notice of their intention to put into operation certain clauses in the Contract.

Your Committee propose to report this communication to the Council this evening.

- ### 2.—CHILD'S HILL:
- Letter from Messrs. Poppleton & Co., with reference to payment of the amount due to them in respect of Mr. Ramsbotham's Contract for the erection of houses at Child's Hill. It will be remembered that it has been agreed to deduct the sum of £270 in respect of the work to be carried out under Messrs. Ramsey & Company's Contract. To complete the scheme Messrs. Poppleton & Co. desired that the account for the balances might now be satisfied.

Your Committee are informed that in this case the matter has been referred to the Architect of the Council and they have requested him to report when he will be in a position to certify the amount due.

- ### 3.—ACQUISITION OF LAND:
- That they received a circular from the Ministry of Health as to the procedure to be followed by Local Authorities in connection with the acquisition of land for schemes for which no State Grant was payable.

The Ministry intimated that in any case where a local authority proposed to acquire land or where compensation had to be paid in respect of land the Local Authority might obtain from the District Valuer advice as to the price or amount of compensation to be paid, to transmit with the proposal of the Authority to the Ministry of Health or the Ministry of Transport in cases where their recommendation was required.

The Local Authority should adopt this procedure in future cases.

Your Committee have duly noted this communication.

- ### 4.—HOUSING:
- Letter from the Urban District Council of Southall Norwood transmitting the following resolution passed at a recent meeting on this subject, viz.:—

"That having regard to the serious shortage of housing accommodation, the Council urges the Government to insert a clause in the Rent Restriction Act empowering Local Authorities to levy the rates on all unoccupied houses for sale."

Your Committee have no recommendation to make upon the matter.

- ### 5.—REPORTS OF HOUSING SUB-COMMITTEE:
- That they received the following reports from the Housing Sub-Committee:—

All from 4th December, 1922.

The recommendation in the case of No. 1871 was subject to an undertaking to transfer to a two bedroom type house later if same are provided and if the Council wish such transfer to be made.

In the case of No. 2004, instructions were given for a letter to be sent to the Officer, Middlesex Regiment, informing him that the applicant would be allotted a house in Bittacy Hill when same were provided.

REPORT OF HOUSING SUB-COMMITTEE, No. 3: Your Sub-Committee beg to report that they met on the 4th December, 1922. Present: Councillors C. C. Cartwright and A. Roberts.

Three applicants were invited to attend for interview:—

Your Committee

RECOMMEND—That the reports of the Housing Sub-Committee be approved and adopted.

6.—ARREARS OF RENT: Your Committee have received a report in regard to a tenant who was in arrear with payment of rent and they gave instructions for the Clerk to communicate with him upon the matter.

7.—RENT COLLECTIONS: That they received a report from the Accountant in reference to the arrangements at present prevailing in connection with the collection of rents from the houses comprised in the Council's two Housing Schemes, 250 in number.

The Accountant reported that he considered it desirable that Mr. Flanagan, who collected the rents, should be accompanied by another member of the Staff, in order to more expeditiously complete the collection of the rents.

He had therefore utilised the services of a clerk temporarily engaged by the Overseers to accompany Mr. Flanagan with a view to completing the collection of rents earlier than hitherto.

Your Committee

RECOMMEND—That the action of the Accountant be confirmed, and that this arrangement be continued.

8.—TENANTS' SUB-COMMITTEE: Report from the Accountant as to the submission of a complete report of the proceedings of the Housing Sub-Committee.

Your Committee approve of the proposal and have requested the Accountant to prepare such a report and submit the same for consideration by the Housing Committee.

## Report of Fire Brigade Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 18th day of December, 1922. Present: Mr. Councillor Ford (in the Chair), and Councillors Miss Growse, Hearn, Hill, Holt, Taylor and Winny.

Your Committee beg to report as follows:—

### 1.—FIRE CERTIFICATES:

(A) That they gave further consideration to the application of the London Electric Railway Company for the issue of fire certificate in respect of workshop at Golders Green.

Your Committee are informed that the exits are satisfactory, and

RECOMMEND—That a Fire Certificate be issued and that the Common Seal of the Council be affixed thereto.

(B) Your Committee have also received a report with reference to the application of the Nevett Book-binding Company for the issue of a Fire Certificate in respect of their premises at Colindale, Hendon, and are informed that the exit arrangements are satisfactory.

They therefore

RECOMMEND—That a Fire Certificate be issued in this case and that the Common Seal of the Council be affixed to such certificate.

(C) Your Committee have also received a report with reference to the application of the Franco-British Electrical Company for the issue of a Fire Certificate in respect of their premises at Colindale Avenue, Hendon.

Your Committee

RECOMMEND—That a Fire Certificate be issued and that the Common Seal of the Council be affixed thereto.

2.—BRAMPTON GROVE STATION: Letter from Messrs. Harrington's, of Brent Street, Hendon, making enquiry whether the Council would grant them a tenancy of the building heretofore used as a Fire Escape Station at Brampton Grove.

Your Committee are informed that the terms of the tenancy of this building precludes the use of the same for any other purposes than as a fire shed. They are unable, therefore, to recommend the Council to accede to the application.

- 11.—**STORES:** The Chief Officer reported as to the various stores required for the Brigade, and your Committee approved of the same.
- 12.—**FIRES:** That they received a report as to fires attended since the last meeting of the Committee, but such report calls for no special remark.

Your Committee have also received a report as to petrol consumption and have duly noted the same.

## Report of General Purposes Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 8th day of January, 1923. Present: Mr. Councillor Hill (Chairman), and Councillors Miss Growse, Mrs. Bannister, Egan, Holt, Reynolds, Taylor, Winny, and Wise.

Your Committee beg to report as follows:—

- 1.—**REPRESENTATION:** That they had under consideration a report on the question of increased representation or redistribution of seats on the Council, having regard to present day statistics and the communication received from the West Hendon and Colindale Brotherhood as to alleged under representation of the West Hendon Ward.

This matter is regulated by Section 57 of the Local Government (England and Wales) Act, 1888, and in the event of any change being desired application must be made to the Middlesex County Council and that body may, after Local Inquiry, make such an Order as may be deemed expedient to meet the circumstances.

The following table gives particulars of the present day population, electors and the number of members:—

WARD.	Population (Census 1921).	Number of Electors.	Number of Members at present.
Mill Hill ... ..	5218	2542	4
West Hendon ... ..	9384	3782	3
Central Hendon ... ..	12780	5753	5
Golders Green ... ..	10494	4990	3
Garden Suburb ... ..	7518	3802	3
Child's Hill ... ..	10620	5172	4
<b>TOTALS</b> ... ..	<b>56014</b>		<b>22</b>

Your Committee gave detailed and careful consideration to the matter and also proposals for increased representation in the Golders Green and West Hendon Wards. Having regard to the present conditions and the probability, in the very near future, of great developments in the district, your Committee do not consider it desirable to move in the matter at the present time as a further revision would, in the opinion of your Committee, be again necessary in a very short period. They therefore

**RECOMMEND**—That the further consideration of the matter be deferred for a period of six months.

- 2.—**RAILWAY CHARGES:** Letter from the Southall-Norwood Urban District Council as to a resolution passed by that body urging upon the Railway Authorities the necessity for an immediate reduction in the charges for season tickets and workmen's fares and suggesting that the Council should pass a similar resolution.

As the Council are aware certain reductions in railway fares came into operation on the 1st inst. and in the circumstances your Committee have no recommendation to make upon the matter at the present time.

- 3.—**THERM CHARGES:** Letter from the Board of Trade as to the Committee appointed by the President of the Board of Trade to inquire and report as to the method of charging for gas on a thermal basis and stating that in the event of the Council desiring to offer evidence, concerted action between a number of Local Authorities would be desirable instead of the submission of evidence from individual Councils.

In view of the fact that due inquiry is being made into the matter, your Committee do not recommend any further action at present.

- 4.—**MUSIC AND DANCING LICENCE:** Letter from the Middlesex County Council intimating that the Licence for Music and Dancing at the Town Hall had been extended to the 31st instant, and in the meantime the County Committee's requirements should be complied with.

Report was made that Tenders had been obtained for overhauling the Electrical Installation at the Town Hall, and the Chairman had, during the Christmas recess, accepted the Tender of Messrs. Duncan Watson & Co., of 62, Berners Street, W., to carry out the work for a sum of £148 15s. 0d. A contract had been prepared and the work would be put in hand without delay.

Your Committee approved of the Chairman's action in the matter.

- 5.—EDGWARE & HAMPSTEAD RAILWAY EXTENSION: Letter from the Ministry of Health in reference to the provision of four houses by the London Electric Railway Company to provide accommodation for tenants of premises at Redruth Villas, Colindale, to be demolished in connection with the railway extension works.

The Ministry transmitted a draft scheme under the Housing of the Working Classes Act, 1903, and the Edgware and Hampstead Railway Acts, to give effect to their proposal, viz., to erect four houses in lieu of those to be demolished.

The Company, however, were not to demolish any of the houses referred to in the schedule or displace any occupant until suitable alternative accommodation had been found for such occupants. The Ministry desired to be furnished with the observations of the Council thereon.

After careful consideration of the matter, your Committee

RECOMMEND—That the Ministry of Health be informed that the Council have no objection to offer to the proposals of the Railway Company.

- (b) ADDITIONAL POWERS: Letter from Messrs. Bircham & Company (Solicitors for the London Electric Railway Company) as to an application for Parliamentary Powers to enable the Railway Company to vary certain works in connection with their Tube extension to Edgware.

Your Committee understand that the plans in connection with the matter are being considered by the Surveyor and a report thereon will be submitted in due course.

- (c) SEWER DIVERSION: Letter from Messrs. E. Bevir & Son transmitting engrossment of agreement with the London Electric Railway Company in connection with the diversion of the Silk Valley Sewer, rendered necessary by the extension of the Tube Railway to Edgware, and report was made that in pursuance of the resolution already passed by the Council upon the matter, the Common Seal of the Council had been affixed to the document. Noted.

- 6.—OMNIBUS FARES: Letter from the London General Omnibus Company, in reply, in reference to the Council's communication on the subject of reduction of fares. Your Committee understand that as from the 1st instant a general reduction in omnibus fares has taken place, and have duly noted the communication.

- 7.—METROPOLITAN WATER BOARD CHARGES: That they gave consideration to the question raised as to the present charges made by the Metropolitan Water Board for supply of water in their area and the method adopted for raising the deficit in connection with the Board's undertaking. The charges in question are determined by statutory authority and the raising of the deficiency referred to is confined to the contributory areas under the Board's control. The Urban District of Hendon does not come within the contributory area.

- 8.—UNEMPLOYMENT: Letter from the Unemployment Grants Committee intimating that the Government had had under consideration the question of granting further financial assistance to local authorities in respect of work put in hand for the purpose of the relief of unemployment.

The Government had decided to provide funds for assisting Local Authorities to carry out works for the relief of unemployment during the present winter and the grant would be a sum not exceeding 60 per cent. of the wages cost of unemployed men taken on for approved works financed out of Revenue or otherwise than by means of loans.

The General Conditions governing the grants would remain as before.

Your Committee have duly noted the communication.

- 9.—HENDON UNEMPLOYED ORGANISATION:

- (a) Letter from the Hendon Unemployed Organisation making inquiry whether the Council would provide some forms or additional seating accommodation for use at the hut in Wilberforce Road.

Your Committee regret that the Council have no such seating accommodation available.

- (b) Further letter from the Hendon Unemployed Organisation suggesting the loan of picks and shovels to unemployed workmen who were able to obtain work, a practice having arisen under which men securing road work were required by Contractors to bring their own tools.

Report from the Surveyor that the Council made this provision in connection with works undertaken by them, but it would not be practicable to provide tools for works carried out by Contractors.

- 10.—UNEMPLOYMENT CONTRIBUTIONS: Letter from the Borough of Richmond transmitting the following resolution relative to Unemployment:—

“Resolved that this Council, convinced of the demoralising effect of long-continued spells of unemployment, urges the Government to legislate so that a substantial proportion of the State contribution to unemployment insurance can be devoted towards financing approved schemes of work promoted by local authorities.”

The Richmond Borough Council requested that the Council would pass a resolution in similar terms and that the same might be brought before the Member for the Division and the Prime Minister and others.

Your Committee have no recommendation to make upon the matter.

- 11.—TRAMWAY QUEUE, GOLDERS GREEN: Letter from the Urban District Council of Finchley transmitting copy of a letter addressed to the Metropolitan Electric Tramway Company dealing with the Tramway facilities at Golders Green, suggesting that arrangements should be made for a queue to be formed between five and seven o'clock in the evening to prevent the present terrible crush between those hours.

Your Committee

RECOMMEND—That the Council endorse the action of the Finchley Council in this matter and that a letter be addressed to the Tramway Company in similar terms.

- 12.—CLAIM: Letter from Mr. R. F. Wallas as to an alleged accident to his motor car at Templars Avenue.

Your Committee have received a report from which it appears that Templars Avenue is a private road which has not been taken over by the Council. They therefore

RECOMMEND—That Mr. Wallas be informed that the Council are unable to admit any liability in the matter, and that he be referred to the Contractor carrying out the road works in Templars Avenue.

- 13.—RATES OF PAY: Letter from the Public Works Conciliation Board transmitting copy of rates of pay for Public Works for the County of London and for the limits of the Metropolitan Police Area for the months of January, February and March, 1923.

Your Committee have duly noted the same.

- 14.—KING'S ROLL COMMITTEE: Letter from the Ministry of Labour transmitting a copy of a report of a select committee upon the subject of the training and employment of disabled men.

The Department desired to establish as soon as possible King's Roll Committees in each Municipal Area, such Committees being set up on a voluntary basis.

The Ministry desired to be informed whether the Council would be prepared to establish such a Committee in the Hendon area.

After due consideration of such communication, your Committee

RECOMMEND—That the Ministry be informed that if the Chairman of the Hendon Unemployment Committee deemed it necessary to form such a Committee for Hendon the Council would be pleased to co-operate in the matter.

- 15.—APPEAL: Letter from the British and Foreign Sailors' Society making enquiry whether the Council will co-operate in the celebration of Emblem Day in 1923 by arranging street collections or other functions on behalf of the funds of the Society.

Your Committee report with pleasure that Councillor Miss Growse has expressed her willingness to take up a street collection in the Hendon District, and

RECOMMEND—That the Society be informed accordingly.

- 16.—LAND, WOODSTOCK AVENUE: Report from the Surveyor as to enquiries he had received in respect of the piece of land at Woodstock Avenue, viz.:—

Colonel Warliker	...	...	£500.
Messrs, E. Owers & Co.	...	...	£500.

Your Committee understand that Colonel Warliker proposes to erect a house for his occupation on the land, and the Surveyor reported that he considered the land worth £550, the area being 1,290 square yards.

Your Committee

RECOMMEND—That the land be offered to Colonel Warliker for the sum of £550 freehold.

- 17.—SURVEYOR'S STAFF: Report from the Surveyor that the Improver in the Drawing Office (Mr. Weldon) had completed the term for which he was appointed as Improver and the Surveyor recommended that he should now be appointed as an assistant in the drawing office at a salary of £130 per annum.

Your Committee

RECOMMEND accordingly.

## Report of Highways Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 8th day of January, 1923. Present: Mr. Councillor Egan (Chairman), Councillors Mrs. Bannister, Miss Growse, Holt, Hill, Reynolds, Taylor, Wise and Winny.

Your Committee beg to report as follows:—

- 1.—BRIDGE—BELL LANE: Letter from the Chief Engineer, Ministry of Transport, in regard to the application of the Council of July last for a grant towards the estimated cost of £4,000 in connection with the proposed widening of the bridge at the junction of Bridge Lane and Bell Lane, and intimating that it was regretted the application could not be acceded to.

It will be remembered that the application was made to the Ministry by the Council in response to the circular letter No. 158 issued by that body in June last, wherein they intimated that they were prepared to give consideration to applications for grants from the funds towards the cost of road schemes which were desirable in themselves from the point of view of road traffic and would find useful work for the unemployed during the Autumn and Winter of 1922-1923.

Your Committee have duly noted the contents of the communication from the Ministry of Transport.

- 2.—BRIDGE—SHIREHALL LANE: Letter from the Clerk to the Middlesex County Council transmitting the following copy resolution adopted by the County Council relative to the construction of a new bridge in Shirehall Lane.

“ARTERIAL ROADS.

NORTH CIRCULAR ROAD, HENDON—SHIREHALL LANE BRIDGE.

That the County Council approves of a new bridge being constructed in Shirehall Lane, Hendon, over the new cut of the River Brent, to a width of 50 feet, at an estimated cost of £2,000, subject to the Hendon District Council contributing a moiety of the cost of the work, viz., £1,000, and to the remainder of the cost of the work being charged to the Arterial Road Account.

That the bridge, when constructed, be a County Bridge.”

Your Committee

RECOMMEND—That the Council approve of the terms of the resolution, and that the Middlesex County Council be informed accordingly.

- 3.—LAND—COLINDALE AVENUE: Letter from Messrs. Jones, Blakeway and Jones, in reply to the representation made to them by the Council suggesting the fencing of the land owned by their Clients in Colindale Avenue, between Regent Villas and the Brook, with a view to guarding against possible danger owing to the existence of the Brook in question.

It will be remembered that the Colindale Ratepayers' Association urged the Council to take action in regard to this matter.

Messrs. Jones and Blakeway intimated that they were of opinion that many difficulties would arise in connection with the erection of fencing on the land in question; at the same time they made enquiry as to whether the Council had come to a conclusion as to the actual work which should be carried out in connection with the provision of the suggested fencing.

Your Committee have given the matter further consideration, and they

RECOMMEND—That a further communication be addressed to Messrs. Jones and Blakeway upon the matter explaining that the Council appreciated the difficulties which might arise in connection with the matter, but they still hoped for the co-operation of the adjacent land owners in dealing with the question.

4.—PRIVATE STREET IMPROVEMENTS:

- (A) ST. ANDREW'S ROAD: Report from the Clerk as to the result of the enquiries made of the property owners in St. Andrew's Road on the question of carrying out permanent works under Section 150 of the Public Health Act, 1875, in the road.

In the result it appeared that five owners only were in favour of making up the road, two were against the work being carried out and eleven suggested that the work be deferred. No reply had been received from 10 of the owners.

In view of this expression of opinion, your Committee

RECOMMEND—That the question of carrying out permanent works in St. Andrew's Road be deferred for a period of six months.

- (B) CLIFTON GARDENS: Letter from Mr. E. Drysdale making enquiry whether the Council proposed to reconsider the question of carrying out permanent works in Clifton Gardens, and urging the carrying out of such works.

In connection with this road it will be remembered that at the time enquiry was made of the property owners as to whether they were in favour of the execution of permanent works in the road the majority of owners were opposed to the scheme. As a result thereof the further consideration of the matter was deferred for a period of twelve months, and that period has now practically expired.

Your Committee now

RECOMMEND—That the Surveyor prepare plans and estimates for the fully making up of Clifton Gardens under Section 150 of the Public Health Act, 1875.

- (C) WYCOMBE GARDENS: Letter from Mr. R. Carter Bell complaining of the condition of Wycombe Gardens, and urging the Council to carry out improvement works therein.

After due consideration of the matter and having regard to the development of this road, your Committee

RECOMMEND—That the Surveyor prepare plans and estimates for the fully making up of Wycombe Gardens under Section 150 of the Public Health Act, 1875.

- (D) LYNDALE: Letter from Mr. E. H. L. Briault drawing attention to the alleged unsatisfactory condition of Lyndale, Child's Hill, and advocating the carrying out of improvement works in the road.

Your Committee have received a report from the Surveyor as to the extent of the development of this road, and

RECOMMEND—That Mr. Briault be informed that the question of carrying out improvement works in Lyndale will be favourably considered by the Council when more fully developed.

- (E) **HIGHFIELD AVENUE:** Letter from Mr. S. C. Mitchell, on behalf of himself and other residents in Highfield Terrace, in further reference to their complaint as to the condition of the road adjacent to their premises.

Report from the Surveyor in regard to the matter.

After due consideration thereof, your Committee

**RECOMMEND**—That Mr. Mitchell be referred to the Contractors engaged in the work connected with the extension of the Tube Railway.

- (F) **LOANS £9,839 and £8,585:** Letter from the Ministry of Health relative to the report made by their Inspector (Major Stewart) as a result of the Inquiry into the application of the Council for sanctions to borrow sums amounting to £9,839 and £8,585 for works of private street improvement in The Vale, Booth Road, Wentworth Road, and Crewys Road.

It appeared from such communication that the Ministry were advised that the proposals are generally satisfactory, but before issuing sanction to the necessary loan for the carrying out of the works they intimated that they required to be furnished with copies of the provisionally accepted tenders in respect of the cost of making up the roads in question.

Your Committee have received a report from the Officers in regard to this communication, and they

**RECOMMEND**—That the Ministry of Health be informed that the Council have not yet invited tenders for the works, but the Council hoped that the Ministry would issue sanction to the loans referred to in the usual way.

- (G) **PRINCES PARK AVENUE, GREENFIELD GARDENS, GOLDERS MANOR DRIVE, BROOKSIDE ROAD, and CRANBOURNE GARDENS:** The Surveyor stated that he had received a number of complaints in regard to the condition of the above-mentioned roads, and he also submitted a report in regard to the roads in question.

After due consideration of the matter, your Committee

**RECOMMEND**—That the Surveyor prepare plans and estimates for the fully making up under Section 150 of the Public Health Act, 1875, of the portion of Princes Park Avenue (between Golders Green Road and Leaside Crescent), Greenfield Gardens, and Brookside Road.

In the case of Golders Manor Drive and Cranbourne Gardens, your Committee are unable to recommend the Council to take any action in connection therewith at the present time in view of the fact that these roads are not sufficiently developed for the purpose.

##### 5.—PUBLIC LIGHTING :

- (A) **WILDWOOD ROAD:** Letter from Mr. C. F. Ives complaining of alleged inadequate lighting arrangements in Wildwood Road.

Report from the Surveyor in regard thereto.

After due consideration of the matter, your Committee

**RECOMMEND**—That Mr. Ives be informed that as building development proceeds in Wildwood Road further lamps will be provided.

- (B) Letter from Mr. W. C. Garrard, on behalf of the Colindale Ratepayers' Association, advocating the provision of a lamp under the railway arches over the footpath leading from The Hyde to Colindale Lane. The Association suggested that in the event of the Council being unable to accede to the request that they might see their way to approach the Midland Railway Company in regard thereto.

Report from the Surveyor in regard to the matter from which it appeared that no gas main existed in the locality referred to. Your Committee are, therefore, unable to recommend the Council to accede to the request of the Ratepayers' Association.

With regard to the latter request of the Association, your Committee consider that the Council might communicate with the Railway Company with a view to ascertaining whether they would be prepared to provide a lamp in the locality in question, and they

**RECOMMEND** accordingly.

They further

**RECOMMEND**—That the Colindale Ratepayers' Association be informed of the action proposed to be taken.

Mr. Garrard also referred to the question of lighting the road between Colindale Avenue and Hall Lane, the Surveyor reporting in this case also that no main existed in the road in question.

In view of such report, your Committee

**RECOMMEND**—That the Ratepayers' Association be informed that it is not practicable to comply with their suggestion.

- (C) Letter from Miss M. K. Lightfoot, on behalf of various Organisations of Girl Guides in the district, calling attention to the alleged inadequate lighting of the sections of road leading from Brent Hill Estate to West Hendon and also to Central Hendon.

Your Committee

**RECOMMEND**—That Miss Lightfoot be asked to furnish information as to the precise roads to which she refers.

- 11.—**EDGWARE ROAD RE-CONSTRUCTION**: Report from the Surveyor in regard to a difference which had arisen with the Hendon Electric Supply Company relative to the disturbance of their electric cables in the Edgware Road, between Colindeep Lane and the Hendon Tramway Depot, rendered necessary in connection with the road reconstruction works.

It appeared from the report of the Surveyor that the road in the section referred to was being widened and that as a result thereof two cables belonging to the Company would be approximately 10ins. under the surface of the new road; he had suggested to the Company that these cables should be lowered in their present position at the expense of the Council.

The Company had intimated that they required the Council to lay a new main in the footpath of the widened road, at an estimated cost of £319 with the cost of reinstatement work in addition, and also the cost of getting out the old cable which the Company suggested should be done by the Council's employees they reimbursing the Council for this work to the extent of 1/6 per yard run for pipes and 5/- per yard run for cable provided the old cable and pipes were delivered to the Company.

The Surveyor stated that in his opinion the Company were not entitled to ask the Council to provide a new main, and he suggested that they be informed that the Council intend to lower the existing main in its present position and formal notice be given accordingly pursuant to the provisions of the Electric Lighting Clauses Act, 1899.

After due consideration of the report of the Surveyor, your Committee

**RECOMMEND**—That action be taken in accordance with the Surveyor's suggestion.

- 12.—**QUEEN'S ROAD, PARK ROAD, and VIVIAN AVENUE IMPROVEMENT**: The Surveyor submitted plans and estimates for carrying out the first portion of the work in connection with the scheme for the widening and improvement of portions of Queen's Road, Park Road, and Vivian Avenue, the estimate providing for forming levelling and draining works only, the Surveyor advising the postponement of the work of kerbing, channelling, paving, etc., until building developments proceeded in the roads in question.

With regard to the scheme for dealing with Queen's Road, the Surveyor referred to the fact that there would be some credit due to the Council in respect of this road owing to the statutory obligation imposed upon the London Electric Railway Company to construct a bridge in the road and approaches thereto (fifty feet in width). He also referred to the agreement entered into in 1914 between the Railway Company and the Council whereby the Company undertook to increase the width of the bridge and approaches to sixty feet, the Council undertaking to pay the extra cost involved, and further to the liability of the Company to maintain the original road over the fifty feet bridge and approaches and the undertaking to maintain the extra width involved for a capital sum of £250.

In connection with the agreement referred to, the Surveyor reported that he had been approached by Mr. Rawlins, of Messrs. Rawlins, Culver & Co., on behalf of the Railway Company suggesting the advisability, in view of the altered conditions, of the parties concerned entering into a new agreement, and the Surveyor expressed the opinion that negotiations might proceed on the lines mentioned by Mr. Rawlins.

In regard to the estimated cost of the works proposed to be carried out at this stage in the roads in question, the Surveyor submitted the following figures:—

	£	s.	d.
Queen's Road	8199	12	6
Park Road and Vivian Avenue	9641	16	4
	<u>£17841</u>	<u>8</u>	<u>10</u>

He suggested that an application should be made to the Ministry of Transport for a grant in connection with Queen's Road works, this being a classified road, and that application be also made to the Unemployment Grants Committee for a grant in connection with Park Road, and that application be made to the Ministry of Health for sanction to a loan for the balance of the proposed expenditure.

After due consideration of the matter, your Committee

**RECOMMEND**—That the plans and estimates submitted by the Surveyor be approved, and that applications be made in due course to the Ministry of Transport, the Unemployment Grants Committee and the Ministry of Health in accordance with the Surveyor's suggestions.

Your Committee

**RECOMMEND further**—That the Surveyor have authority to continue negotiations with Mr. Rawlins in regard to an amended Agreement.

- 13.—**CLAREMONT ROAD**: The Surveyor submitted an application from Messrs. H. Langston & Co. in connection with the Handley Page Factory, for permission to construct a level crossing from the premises in question across Claremont Road to the Midland Railway sidings.

After due consideration of such application, your Committee are unable to recommend the Council to accede to the same.

- 14.—**MILL HILL**: Reference was made to various places in the Mill Hill district where widening works could be carried out with advantage and provide employment.

Your Committee instructed the Surveyor to bring up a report in regard to the suggested improvements.

- 15.—**HALL LANE**: Consideration was given to the question of proceeding with the widening works in Hall Lane.

It will be remembered that this scheme was under consideration when the Sunny Hill Field was acquired from Messrs. Hinge Bros. Your Committee

RECOMMEND—That the Surveyor negotiate with Messrs. Hinge Bros. with the view of arranging terms for the surrender of the necessary land for the carrying out of the proposed works.

- 16.—REQUISITIONS: The Surveyor submitted a requisition of goods and materials required by him, and the same was duly approved.

## Report of Special Committee re Education, No. 1.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 11th day of December, 1922. Present: Mr. Councillor Hill (Chairman), and Councillors Mrs. Bannister, Donald, Hearn, Soar and Sturgess. *Weeks.*

Your Committee beg to report as follows:—

- 1.—EDUCATION COMMITTEE: That they gave detailed consideration to the position of the Council as the Local Education Authority of the District and its relation to the Education Committee, and also considered a return of the action by other Education Authorities in connection with the duties of their Education Committees.

Your Committee decided to defer the consideration of a proposition for limiting the powers of the Hendon Education Committee to their next meeting.

## Report of Special Committee re Education, No. 2.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that following the meetings held on the 20th day of November, 1922, and 11th day of December, 1922, they again met at the Town Hall, Hendon, on the 8th day of January, 1923. Present: Mr. Councillor Hill (Chairman), Councillors Mrs. Bannister, Hearn, Soar, and Weeks, the Rev. Dr. Macgowan also attending, to finally consider the matter referred to them, which was as follows:—

“To enquire into the position of the Council as the Education Authority for the District and to report to the Council at its January meeting whether it is desirable that the Education Committee should become a reporting Committee of the Council.”

For the information of the Council, your Committee beg to report that Section 17 of the Education Act, 1902, under which the Scheme in accordance with which the present Education Committee is constituted, was made by the Council, has been repealed, but its provisions have been re-enacted by Sec. 4 of the Education Act, 1921, and Part 1 of the First Schedule to the same Act, and the law at present is that every Council having powers under the Act shall have an Education Committee constituted in accordance with the Act and all matters relating to the exercise by the Council of their powers under the Act or of any powers connected with education conferred by or under any other Act, Scheme or Order on the Council expressly as a local education authority or as a Council having powers under the Act except the power of raising a rate or borrowing money, shall stand referred to the Education Committee and the Council before exercising any such powers shall, unless in their opinion the matter is urgent, receive and consider the report of the Education Committee with respect to the matter in question. The Council is also empowered to delegate to the Education Committee with or without any restriction or condition as they think fit any such powers as aforesaid except the power of raising a rate or borrowing money.

Every scheme constituting an Education Committee must provide:—

- (a) For the appointment by the Council of at least a majority of the Committee and the persons so appointed shall be persons who are members of the Council;
- (b) For the appointment by the Council on the nomination or recommendation, where it appears desirable, of other bodies including associations of voluntary schools, of persons of experience in education and of persons acquainted with the needs of the various kinds of schools in the area for which the Council acts;
- (c) For the inclusion of women as well as men among the members of the Committee.

Such scheme is to be approved by the Board of Education.

Your Committee have carefully considered the matters referred to them and have been much assisted by a full and impartial statement volunteered by Mr. Councillor Hearn, who has been chairman of the Education Committee since its formation, and Councillor Mrs. Bannister, as to the present working of the Education Committee.

They have also had the Hendon Council unable to know what they only have delegated by the Hendon Council to the Hendon Council, Isleworth, Acton, remaining six cases confirmation by the Hendon Council.

They have also had returns from 20 Local Education Authorities of approximately the same size as the Hendon Council upon the question of delegation of powers. Your Committee considered it desirable to know what course had been adopted by these authorities. Out of the 20 authorities referred to, five only have delegated to their Education Committee all powers capable of delegation as has been done by the Hendon Council. These five are Tottenham, Edmonton, Enfield, Kettering and Bedford. Nine have delegated all powers subject to certain limitations and restrictions, these nine being: Heston and Isleworth, Acton, Willesden, Bromley, Ealing, Colchester, Ilford, Chiswick and West Ham, and in the remaining six cases the Education Committee is a reporting committee, all its decisions being subject to confirmation by the Council. These cases are Finchley, Erith, Leyton, East Ham, Batley (Yorks.) and Farnworth.

It will be seen that the majority of the Councils circularised, have delegated their powers subject to limitations, in most cases giving the Council control over the expenditure and executive officers, whilst five only adopt the course followed by the Hendon Council in 1903.

Your Committee are unanimously of opinion that whilst the delegation of all powers capable of delegation may have been justified in the year 1903 when the cost of education in the district was £8,266 there is not justification for it at the present time when the total cost of education in the district is £73,087, especially when each member of the Council, as a member of the Local Education Authority, is morally responsible for such expenditure.

Your Committee, after giving the matter careful consideration, beg to recommend as follows:—

- 1.—That the resolution of the Council passed on the 11th day of May, 1903, delegating to the Education Committee all powers capable of delegation be rescinded and that in lieu thereof the Council do delegate to the Education Committee all powers capable of delegation under the Education Act, 1921, except:
  - (A) The power of adopting, exercising or enforcing any rights, powers or duties not previously adopted, exercised or enforced by the Hendon Education Committee under present or future legislation.
  - (B) The power of adopting any scale of salaries.
  - (C) The power of appointing the chief administrative officer.
  - (D) The power of making any contract or payment (other than salaries) any item of which may involve an expenditure exceeding £100.

The above four exceptions to be subject to the Council's confirmation.

- 2.—That a new scheme ~~should~~ be made by the Council increasing the number of Council Members to 14 and restricting the number of co-opted members to six.

## Report of Finance Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 8th day of January, 1923. Present: Mr. Councillor Cartwright (Chairman), Councillors Donald, Fenn, Hearn, Rev. Dr. Macgowan, Roberts, Soar, Sturgess, and Weeks.

Your Committee beg to report as follows:—

- 1.—SHIREHALL LANE BRIDGE: Letter from the Ministry of Health transmitting formal sanction to the borrowing by the Council of the sum of £1,000 for the construction of a new bridge at Shirehall Lane. It will be remembered that the new bridge will be of a width of 50 feet and the Middlesex County Council have agreed to bear one-half the total cost which is £2,000.

Your Committee have duly noted this communication, and

RECOMMEND—That the question of raising the above loan be referred to the Accountant to report in due course.

- 2.—STATION ROAD IMPROVEMENTS: Letter from the Ministry of Health transmitting formal sanction to the borrowing by the Council of the sum of £15,271 for the reconstruction of Station Road, Hendon. The sanction was issued in accordance with the recommendation of the Ministry of Transport who had agreed to contribute a moiety of the cost. In addition, the Middlesex County Council agreed to allow interest to be charged in the Council's Main Road Accounts on the amount of the loan raised for the works.

Your Committee have duly noted this communication and

RECOMMEND—That the Accountant report in due course, as to raising the necessary loan.

- 3.—SUNNY HILL FIELDS: Letter from the Ministry of Health intimating that the Ministry had agreed to the application of the Middlesex County Council for sanction to borrow the sum of £1,218 for the purpose of a contribution towards the acquisition by the Hendon Council of Sunny Hill Fields. Your Committee have duly noted this communication.

- 4.—PAY ORDERS: The Accountant submitted pay orders amounting to £6,570 11s. 7d. on General Account and £125 1s. 5d. on North Circular Road Account.

Your Committee duly approved the same and gave authority for the necessary cheques to be drawn.

5.—LIGHTING: Letter from the North Middlesex Gas Company intimating that the price of gas would be reduced by one halfpenny per therm as from Christmas Quarter, and that the charge for public lighting would be adjusted to £5 17s. 6d. per lamp per annum.

Your Committee have duly noted this communication.

6.—TRANSPORT SERVICES: That they received a detailed report from the Accountant as to the cost of the Council's Steam Wagons, Steam Roller, Stables, and the Ford Ambulance and Sanitary Van, for twelve months to the 31st March, 1922.

Your Committee propose to give further consideration to the reports at their next meeting, and in the meantime the same will no doubt receive consideration by the various Committees concerned

7.—MIDDLESEX DISTRICT JOINT SMALLPOX HOSPITAL BOARD: Your Committee decided to adjourn the consideration of the report relative to the accounts of the Middlesex District Joint Smallpox Hospital Board to their next meeting.

8.—AUDITOR'S REPORT: In regard to a point referred to in the report of the District Auditor relative to the procedure in connection with the sale of drugs and dried milk at Maternity Centres, your Committee understand that arrangements have been made by the Committee concerned for stock to be taken quarterly instead of annually, but otherwise no variation is proposed in the existing arrangements.

9.—ENGINEER'S CERTIFICATES: The Engineer submitted certificates in favour of Contractors as follows:—

**BUILDING APPLICATIONS (Nos. 5690 and 5679):** Report from the Surveyor that Building Applications No. 5690 (New Church at the junction of Flower Lane and Lawrence Street) and also No. 5679 (New Hall and Garages at the junction of Lawrence Street and Flower Lane) which were before the last meeting of the Town Planning Committee, had now been re-deposited with certain alterations therein. In view of the fact that both applications were of an urgent character the Surveyor made enquiry whether the Council would consider the same in Committee this evening, and

IT WAS RESOLVED—That this course be adopted.

**TENDERS FOR PRIVATE IMPROVEMENT WORKS AND STATION ROAD RE-CONSTRUCTION:** The Surveyor intimated that he had prepared a report and also a schedule of the tenders received in response to the Council's advertisements for works of Private Street Improvement in Hodford Road, Golders Green, and Millway, Mill Hill, and also for the proposed re-construction of Station Road, Hendon, and

IT WAS RESOLVED—That the report in question be considered by the Council in Committee this evening.

**BRENT HILL HOUSING SCHEME (ROADS AND SEWERS):** The Surveyor reported that the whole of the works in connection with the construction of the roads and sewers on the Brent Hill Estate, including the sewers for the twenty additional houses shortly to be erected on the Estate in question had now been completed, and he submitted a further Certificate for £2,000 in favour of the Contractor (Mr. Howard Farrow).

After due consideration of the report of the Surveyor, upon the motion of Mr. Councillor Hill, seconded by Mr. Councillor Taylor,

IT WAS RESOLVED—That a Pay Order be issued and a cheque drawn in favour of Mr. Farrow for the amount named.

**EDUCATION COMMITTEE MINUTES:** The Minutes of the proceedings of the Hendon Education Committee at their meeting held on the 28th day of November, 1922, having been circulated amongst the members of the Council, upon the motion of Mr. Councillor Cartwright, seconded by Mr. Councillor Taylor,

IT WAS RESOLVED—That such Minutes be received.

#### IN COMMITTEE.—

**TENDERS FOR STATION ROAD RE-CONSTRUCTION:** The Surveyor submitted the following schedule of tenders received for the proposed re-construction works in Station Road, together with a report in regard thereto.

After due consideration of such report,

IT WAS RESOLVED—That the tender of Mr. C. Carter, amounting to the sum of £1,955 15s., be accepted for the proposed works in Hodford Road, and that of Mr. Thos. Adams at £3,366 17s. 9d. for the works proposed to be carried out in Millway, and that the Clerk prepare the necessary Contracts in connection therewith.

BUILDING APPLICATION No. 5690: Report from the Surveyor accompanied by the plans in connection with the Church proposed to be erected at the junction of Flower Lane and Lawrence Street.

It appeared from the report of the Surveyor that the applicant was prepared to surrender the necessary land in Flower Lane to widen the same to fifty feet, and further to make a substantial improvement at the junction of Flower Lane and Lawrence Street, which would also effect an improvement to the frontage in Lawrence Street.

After due consideration of the report of the Surveyor, upon the motion of Mr. Councillor Hill, seconded by Mr. Councillor Roberts,

IT WAS RESOLVED—That the plans in question be approved, subject to the execution of the necessary agreement relative to the dedication of land.

APPLICATION No. 5679: The Surveyor submitted the plans which had been re-deposited in connection with Application No. 5679 for a new Hall and Garages at the junction of Lawrence Street and Flower Lane, the application having been before the last meeting of the Town Planning Committee and disapproved in connection with the question of building line.

A report was also submitted by the Surveyor in connection with the amended proposal of the applicant from which it appeared that the building line in connection with the proposed Hall had been set back to the extent of 8ft. 6in. behind the building line of the existing shops in the vicinity, and further the applicant undertook to dedicate the land so released by his amended proposal, to the public as part of the highway.

After due consideration of the matter, upon the motion of Mr. Councillor Egan, seconded by Mr. Councillor Weeks,

IT WAS RESOLVED—That the plans, as amended, be approved, subject to the applicant entering into an agreement for the dedication of the land referred to.

## Report of Works and Sewage Disposal Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 22nd day of January, 1923. Present: Mr. Councillor Roberts (Chairman), Councillors Cartwright, Donald, Egan, Hill, Soar, Sturgess, Winny and Wise.

Your Committee beg to report as follows:—

### 1.—ALLOTMENTS:

- (A) **DAWS LANE** (1) Letter from the Ministry of Health declining to sanction loan of £2,550 for the acquisition by the Council of the land at Daws Lane, Mill Hill, for the purposes of allotments.

Report from the Clerk in regard to the proposal for the acquisition of this land out of Revenue Account, suggesting that the Council might, under the circumstances, inform the Ministry of Health that they proposed to acquire the land out of revenue.

It will be remembered that Messrs. Howard & Partners (the owners of the land) are pressing for a final decision. Your Committee desire, if possible, to preserve this land for the purpose of allotments and gave instructions for a provisional contract to proceed with Messrs. Howard and Partners in connection with the proposal to acquire the said land.

Your Committee instructed the Surveyor to negotiate further with Messrs. Howard & Partners upon the matter with a view of arranging for the acquisition of the land upon the lowest possible terms.

- (2) Letter from Mr. A. Bacon, on behalf of the Hale and District Allotment Association, in reply to the communication which your Committee authorised the Clerk to address to Mr. Bacon taking exception to the statements made by him in connection with matters appertaining to the collection of the rents of the Daws Lane Allotments, in which he furnished particulars of the matters in difference.

Your Committee have considered a report from the Accountant in regard to the matter, and

RECOMMEND—That the Clerk communicate with Mr. Bacon explaining the position.

- (B) **COOL OAK LANE**: (1) Letter from Mr. A. Peck, on behalf of the West Hendon Allotment Association, complaining as to overhanging trees on the Cool Oak Lane Allotments, and also calling attention to the defective condition of the fence in connection with such Allotments.

Report from the Surveyor suggesting that he should meet the representative of the Allotment Association relative to these complaints, and your Committee approved of the suggestion and authorised the Surveyor to carry out such works as may be found desirable.

- (2) Further letter from Mr. A. Peck relative to the suggestion of his Association for the provision of additional land for allotment purposes at Cool Oak Lane, having regard to the number of applications received by the Association for plots.

It will be remembered that the Council had this matter under consideration some little time ago upon representation being made to them by the West Hendon Allotment Association, no action, however, being taken in regard thereto at that time in view of the proposal of the Council to utilise certain land on the Brent Hill Estate, not required for housing purposes, for the provision of allotments, the Association being subsequently informed that allotment land would be available on the Brent Hill Estate.

They now made enquiry whether this additional land was intended to be provided in the place of the extension of the Cool Oak Lane Allotments, and in that event whether the Council would allow them to control such allotments as in the case of the existing allotments at Cool Oak Lane.

Your Committee have given this matter some consideration, but before finally deciding thereon have instructed the Surveyor to negotiate with Mr. MacIntyre as to releasing a further portion of the land (say 5 acres in extent) in his occupation at Cool Oak Lane.

With regard to the suggestion of the Association in connection with the allotments provided on the Brent Hill Estate it will be remembered that it was decided that preference should be given to the Council's Tenants on the Estate in question, and to persons deprived of their plots on the Neeld Estate owing to building development.

They, therefore,

RECOMMEND—That the Association be informed accordingly.

They further

RECOMMEND—That the Association be informed that the Council are endeavouring to obtain additional allotment land at Cool Oak Lane.

- (C) **THE VALE**: Letter from Mr. T. W. Giles, on behalf of the Child's Hill and District Horticultural Society, complaining of the condition of the roadway leading into The Vale Allotments from the road known as The Vale and suggesting that a coating of ashes should be spread thereon.

Report from the Surveyor in regard to the matter from which it appeared that the appropriate entrance to the allotments was in Cloister Road. Your Committee

RECOMMEND—That the Association be informed accordingly.

✓

Madam,

ly,

Y HUMPHRIS,

Clerk to the Council.

Chairmen of the Standing

the Council the Chairman  
re Brigade.

Your Committee consider that the Surveyor might spread a coating of ashes on the footpath leading to the allotments in question, and they

RECOMMEND—That this course be adopted.

- (d) **HOSPITAL FIELD:** Letter from Mr. G. P. Jones, Hon. Secretary of the Golders Green Allotment Association, in reference to the complaint of the Association as to the inconvenience to the allotment holders on the Hospital Field Allotments occasioned by the closing of the roadway at the end of Highfield Avenue, and suggesting the provision of an opening in the fence at the bottom of Woodville Gardens to enable a horse and cart to pass through to the allotments.

It will be remembered that your Committee had this matter under consideration at their last meeting when a communication was reported from Mr. W. A. Perkins, the late Chairman of the Golders Green Allotments Association. A report was also received from the Surveyor upon the matter.

It appeared from the report in question that permanent works under Section 150 of the Public Health Act, 1875, had recently been carried out in Woodville Gardens, and the Surveyor expressed the opinion that it was inadvisable to divert any considerable traffic over this road until the expiry of the term of maintenance. In view of the report of the Surveyor your Committee decided to adjourn the further consideration of the matter.

- (e) **LANDS CULTIVATION ORDERS:** (1) Letter from Mr. H. P. Merriman, on behalf of The Hampstead Garden Suburb Allotments Association, making enquiry whether the Council were taking action with a view to the retention of allotments held under the terms of the Lands Cultivation Orders in the cases where the land was not at present required for building development.

Report from the Clerk that he had informed Mr. Merriman, in reply, that the Council had approached the various owners of land in the district upon the subject, but the suggestion had not met with any great degree of success.

Your Committee confirmed the action of the Clerk.

- (2) The Clerk reported the receipt of a circular letter from the Ministry of Agriculture and Fisheries outlining the procedure to be adopted by the Council, on behalf of the Ministry, in connection with the withdrawal from land not later than the 25th March, 1923, at present utilised for the purpose of allotments under the terms of the Lands Cultivation Orders.

Report from the Clerk that action was being taken to comply with the requirements of the Ministry of Agriculture in connection with the matter.

Your Committee have duly noted the same.

- (f) **CENTRAL HENDON:** Letter from Mr. J. Baldwin, on behalf of the Central Hendon Allotment Association, in regard to a resolution passed at a meeting of the Association requesting the Council to endeavour to obtain additional land for the provision of permanent allotments, and suggesting the acquisition of land in the neighbourhood of Ashley Farm for the purpose.

After due consideration of the matter, your Committee

RECOMMEND—That the Surveyor make enquiry as to the possibility of securing further land in the vicinity referred to.

They RECOMMEND further—That Mr. Baldwin be asked to furnish particulars of the number of applicants for allotments in this locality.

- (g) **BRENT HILL ALLOTMENTS:** Report from the Surveyor that he had been approached by Messrs. Westley, Richards & Co. in connection with the land which had recently been provided by the Council for allotments on the Brent Hill Estate, adjoining their premises.

It appeared therefrom that Messrs. Westley Richards were concerned in connection with possible danger to which persons, working the allotments immediately adjacent to their premises, would be subject owing to the clay pigeon shooting on their land.

It was suggested that the difficulty might be met by letting to Messrs. Westley Richards twenty of the plots adjacent to their premises, and a plan was submitted showing this proposal, provided Messrs. Westley Richards were willing to cultivate the plots and provide the necessary fencing in connection therewith.

Your Committee

RECOMMEND—That the Surveyor negotiate with Messrs. Westley Richards & Co. with a view to arranging terms for the letting of the plots of land referred to.

- 2.—**BITTACY VIEW:** Letter from Mr. B. G. Drummond complaining of the percolation of rain through the southern wall of the premises in his occupation, and the property of the Council, viz., "Bittacy View," Mill Hill, and requesting the Council to take the necessary steps to remedy the matter.

After due consideration of a report from the Surveyor in regard thereto, your Committee

RECOMMEND—That Mr. Drummond be informed that the Council cannot see their way to undertake works of this character in view of the conditions of his tenancy.

- 3.—**SEAT—BRAMPTON GROVE, ETC.:** Letter from Mr. H. Joad, on behalf of the Hendon Ratepayers' Association, suggesting that the position selected for the seat recently placed by the Council in Brampton Grove was unsuitable and suggesting that the same should be removed to the opposite side of the road.

Report from the Surveyor in regard thereto, from which it appeared that prior to the fixing of the seat in its present position, consideration was given to the question of placing the same on the opposite side of the road, but the conclusion had been arrived at that the present position was more suitable.

Mr. Joad also referred to the unsatisfactory condition of the pavement in the Edgware Road between Station Road and Herbert Road, caused by water flowing down from the vacant land in the vicinity referred to after rainfall.

Report from the Surveyor that he was endeavouring to remedy the matter, and your Committee

RECOMMEND—That the Ratepayers' Association be thus informed.

4.—PUBLIC CONVENIENCES:

- (A) GOLDERS GREEN: Further letter from Mr. H. Joad, on behalf of the Ratepayers' Association, criticising the action of the Council in contributing towards the cost of the extension of the lavatories at the Golders Green Tube Station.

Your Committee have duly noted the same.

In connection with these lavatories, the Association requested that adequate notices indicating the position thereof should be displayed in the vicinity.

Your Committee understand that suitable notices will be provided in due course, and they

RECOMMEND—That the Ratepayers' Association be informed accordingly.

- (B) CENTRAL AND WEST HENDON WARDS: With regard to the provision of the public convenience in the Central Hendon Ward, now in course of construction, the Association expressed their appreciation of the action taken by the Council in connection with the matter; at the same time they urged that a convenience should be provided in the West Hendon Ward and suggested a site in the Edgware Road between Station Road and Park Road for the purpose.

Your Committee have noted the remarks of the Association in connection with the provision of the convenience in Central Hendon and with regard to the West Hendon Ward it will be remembered that the Surveyor is engaged in the preparation of alternative schemes for a convenience in this Ward. Your Committee

RECOMMEND—That the Association be informed accordingly.

5.—ELECTRIC LIGHT, GAS MAINS, AND TELEGRAPHIC LINES: The Surveyor submitted the under-mentioned applications for the provision of electric light, gas mains, and telegraphic lines, in the following roads in the district:—

- (1) Underground electric main in Bertram Road for the Hendon Electric Supply Company, Ltd.
- (2) New gas main in Finchley Lane, Alexandra Road, and Green Lane, for the North Middlesex Gas Company.
- (3) New gas main in Brent Street, for the North Middlesex Gas Company.
- (4) Underground telegraphic line on the south side of Wentworth Road, Golders Green, for H.M. Postmaster-General.
- (5) Underground telegraphic line on the south-west side of Woodstock Avenue, Golders Green, for H.M. Postmaster-General.
- (6) Underground telegraphic line on the east side of Hamilton Road, Golders Green, together with a telegraph post in Woodville Road, 100 yards east of Hamilton Road, for H.M. Postmaster-General.

Your Committee

RECOMMEND—That the applications be approved, subject to the usual conditions.

6.—CHILD'S HILL RECREATION GROUND:

- (A) RIFLE RANGE: Report from the Surveyor that the Hodford Rovers Football Club had made application for the use of the Rifle Range in the Child's Hill Recreation Ground, their present arrangement in regard thereto terminating on the 31st ult.

It will be remembered that the old arrangement provided for the use of the Range three evenings per week on payment of a sum of 1/- per evening. The present application was for Wednesday evenings only, and the Surveyor suggested that the same might be granted, a sum of 2/- per evening being charged for the concession.

After due consideration of the matter, your Committee

RECOMMEND—That the application be acceded to on the terms suggested by the Surveyor.

- (B) CRICKET PITCH: The Surveyor submitted an application from the West Hampstead Church Lads' Brigade for permission to use a Cricket Pitch in the Child's Hill Recreation Ground on alternate Saturdays during the coming season, a similar concession being granted to the organisation in question last year.

The Surveyor suggested that the consideration of the application should be deferred until such time as the other applications are received for the allocation of cricket pitches.

Your Committee

RECOMMEND—That the Surveyor's suggestion be approved, and that the Church Lads' Brigade be informed that their application will be considered at a later date, and that if found possible similar facilities will be granted to them as on the last occasion.

7.—COLINDALE AVENUE PLAYING FIELD: The Surveyor submitted an application from the West Hendon and Colindale Brotherhood for the use of the Playing Field in Colindale Avenue for the purpose of a Flower Show on Saturday, July 21st, the proceeds therefrom to be devoted to the District Nurse Fund and the Brotherhood Benevolent Fund.

After due consideration of such application, your Committee

RECOMMEND—That the same be accepted to.

8.—RE-NUMBERING—THE RIDGEWAY, GOLDERS GREEN: Report from the Surveyor suggesting the re-numbering of the houses in The Ridgeway, Golders Green.

Your Committee

RECOMMEND—That the Surveyor's suggestion be adopted, and that the necessary notices be served in due course.

9.—OUTFALL WORKS:

(a) Report from the Surveyor as to the desirability of reorganizing the working of the staff at the Outfall Works in view of the fact that the new works were now in full operation.

The Surveyor made reference to the existing staff engaged at the Works, and intimated that prior to the extended works being opened the men worked from 7 a.m. to 5 p.m. (Monday to Friday inclusive) and finished work at 1 p.m. on Saturday. It was now necessary to retain men on duty during the evenings and also on Saturday afternoons, and this had necessitated an increase in the wages bill in respect of overtime.

The Surveyor expressed the opinion that a system of shifts should be instituted, and he made the following proposal in regard to such a system:—

Shift No. 1, consisting of ten men to work from 7 a.m. to 5 p.m. on Monday to Friday inclusive, and on Saturday from 7 a.m. to 1 p.m., making 48 hours work each week as at present.

Shift No. 2, to comprise two men who would work from 1 p.m. to 10 p.m. on Monday to Saturday inclusive.

Shift No. 3, to comprise one man who would work from 10 p.m. to 7 a.m. from Monday to Saturday inclusive.

The Surveyor pointed out that the proposed re-organisation would not involve any increase in wages, and would dispense with payments for overtime, apart from Sunday work. A rota to be established so that the three shifts would be periodically undertaken by each man.

Dealing with Sunday work the Surveyor stated that in view of the nature thereof, he did not think that the payment of double time should be continued for the work, and considered that payment should be at the rate of time and a half.

Your Committee have given careful consideration to the report of the Surveyor, and they

RECOMMEND—That the suggestions contained therein be approved, and that the Surveyor make the necessary arrangements to carry the same into effect.

(b) The Surveyor submitted reports from the National Boiler Insurance Company relative to an inspection of the Boiler and Disinfector at the Outfall Works, from which it appeared that at the time of the inspection no repairs to the apparatus in question were required.

Your Committee have duly noted the same.

10.—OPEN AIR SWIMMING BATH—THE HYDE: In accordance with instructions the Surveyor submitted a report in regard to an interview with representatives of the Hendon Swimming Club relative to the suggestion made by the Club for transferring their Headquarters to the Swimming Bath at The Hyde for the coming season.

It appeared therefrom that the representatives of the Club had made certain suggestions in connection with the proposal, one of such suggestions being that the Club should be granted the exclusive use of the Bath on one Saturday evening during the season for the purpose of holding a Gala.

Your Committee

RECOMMEND—That this concession be granted.

The Club suggested that special season tickets should be issued to their members, available at any time with the exception of the time when the bath was reserved for mixed bathing only.

In this connection the Surveyor stated that the Council's existing charge for a season ticket was 15/- and the Club asked to be allowed a discount on this charge.

Your Committee

RECOMMEND—That the Council agree to issue season tickets to members of the Club at the reduced charge of 12/-, subject to a minimum number of 20 members agreeing to purchase such tickets.

In regard to the existing dressing accommodation at the bath, the Surveyor suggested, having regard to past experience that it would be advisable to consider the question of erecting a further row of dressing boxes at an approximate outlay of £400.

Your Committee consider that the suggestion of the Surveyor should be approved and have instructed him to obtain prices for the provision of the suggested boxes and to submit a further report thereon to the Council in Committee at the next ordinary meeting of the Council.

Reference was made to the question of installing a filtering apparatus in connection with the bath, and the Surveyor was instructed to report as to the cost involved in providing the same.

ALLOTMENTS COMMITTEE—APPOINTMENT OF CO-OPTED MEMBERS: In accordance with arrangements made at the Council Meeting on the 15th inst., at the conclusion of the meeting of your Committee this evening Mr. Councillor Roberts met the representatives of the various Allotment Associations in the district to proceed with the nomination of four co-opted members to serve on the Allotments Committee of the Council in accordance with the provisions of the Allotments Act, 1922.

After some discussion as to the method of procedure in connection with the matter, it was decided to determine the matter by taking a ballot, and the names of the following persons were submitted to the vote:—

Mr. Bacon, representing Mill Hill.  
 Mr. Finucane, representing Golders Green.  
 Mr. Morsman, representing West Hendon.  
 Mr. Warland, representing West Hendon (Colindale district).  
 Mr. Burness, representing Central Hendon.  
 Mr. Windust, representing Central Hendon.  
 Mr. Giles, representing Child's Hill.

The result of the ballot was as follows:—

Mr. Bacon	...	17	votes.
Mr. Finucane	...	12	"
Mr. Morsman	...	4	"
Mr. Warland	...	16	"
Mr. Burness	...	11	"
Mr. Windust	...	9	"
Mr. Giles	...	14	"

It was thereupon agreed that the names of Messrs. Bacon, Warland, Giles, and Finucane be submitted to the Council for appointment as Co-opted Members of the Council's Allotments Committee.

At the conclusion of the business,

IT WAS UNANIMOUSLY AGREED—That a vote of thanks be accorded to Mr. Councillor Roberts for presiding at the meeting.

## Report of Public Health Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 22nd day of January, 1923. Present: Mr. Councillor Hearn (Chairman), and Councillors Miss Growse, Mrs. Bannister, Mrs. Hargraves, Holt, Fenn, Taylor, and Weeks.

Your Committee beg to report as follows:—

### 1.—MEDICAL OFFICER'S ANNUAL REPORT:

(A) The Accountant submitted quotations received for printing of the Medical Officer's Annual Report as follows:—

Warden & Co.	6/8 per page.
C. Odell, Ltd.	5/- per page.

Your Committee decided to accept the quotation of Messrs. Odell, Ltd., for this work and gave authority for the same to be proceeded with.

(B) That they received a circular letter from the Ministry of Health as to the contents and arrangement of the Annual Report of the Medical Officer and have duly noted the same.

2.—VITAL STATISTICS: Report from the Medical Officer of Health that the death rate of the district for the period of six weeks was 12.81 per thousand and the birth rate for the same period was 13.26.

The death rate calculated on the deaths of residents only was 6.78 per thousand.

3.—INFECTIOUS DISEASE: Your Committee have received a report from the Medical Superintendent as to the incidence of infectious disease in the district and the cases under treatment at the Hospital and have duly noted the same.

4.—MILK AND DAIRIES ACT, 1922: That they received a report from the Medical Officer of Health in reference to the provisions of the Milk and Dairies Act, Section 2 (3) that all retail purveyors of milk were to be included in a separate register from wholesale traders and milk producers.

The Medical Officer had accordingly furnished application forms to all persons retailing milk in order that they might apply to be registered under the Milk and Dairies Amendment Act, 1922.

The applications received are as follows:—

2.—OPEN SPACE, GOLDERS GREEN: Letter from the Ministry of Health in reference to the Council's proposal to acquire land at Golders Green for an open space, stating that the District Valuer was in communication with the owner of the land and that an endeavour would be made to effect an early decision in the matter. Your Committee

RECOMMEND—That a further letter be addressed to the Ministry pressing for a decision and pointing out that land in the district was rapidly increasing in value.

3.—TOWN PLANNING SCHEME: Your Committee have given very careful consideration to reports from the Officers in reference to the question of Town Planning in Hendon. It will be remembered that after taking all the necessary preliminary steps under the then existing regulations of the Local Government Board the Council received authority from the Board on the 23rd day of July, 1914, to prepare a Town Planning Scheme in respect of an area known as Scheme No. 1 embracing that portion of the Urban District of Hendon comprising the whole of the Mill Hill Ward and the major portion of the Central Ward (excluding certain lands already fully developed). Steps were subsequently taken by the Council in connection with the preparation of a further Town Planning Scheme known as Scheme No. 2, in respect of an area comprising the remaining portion of the Central Hendon Ward, the Child's Hill Ward, Golders Green Ward, and Garden Suburb Ward (excluding certain developed lands).

These two schemes embraced practically the whole of the Council's area.

In view of the simplification of the procedure adopted by the Ministry of Health it may be taken that the two schemes could be dealt with at this stage as one, subject to certain modifications which the Ministry would be willing to make, but having regard to the abnormal developments which have taken place in the district since 1914 it is now necessary to consider whether any advantage would be gained by including in those areas lands which for all practical purposes are fully planned.

Your Committee have come to the conclusion that it will be wiser to recast the Town Planning Scheme for Hendon, and they submit herewith a map prepared by the Surveyor upon which is delineated the area which, in their opinion, should now be adopted as the Town Planning Scheme for Hendon.

The area included in this Scheme will be as follows:—

The whole of the lands comprised in the Mill Hill Ward of the Urban District of Hendon, such lands being bounded on the North by an imaginary line commencing at a point at the western boundary of the District in the centre of the Edgware Branch of the Great Northern Railway, continuing in an easterly direction along the centre of the said railway to a point opposite the centre of Deans Lane, thence in a southerly direction along the centre of Deans Lane to the public footpath leading from Orange Hill past Goldbeaters Farm, thence in an easterly direction along the centre of the said footpath to a point 330 yards or thereabouts, from the junction of the said footpath with Bunn Lane; then in a south-easterly direction along the rear of the houses and premises on the western side of Lyndhurst Avenue to a point in the centre of Woodcroft Avenue, 346 yards from the junction of Woodcroft Avenue and Bunn Lane, thence from the last-mentioned point in a straight line and in a south-easterly direction to a point on the western side of the Midland Railway, 606 yards, or thereabouts, south of the point where the Midland Railway intersects the Edgware Branch of the Great Northern Railway, thence across the Midland Railway at right angles, and thence in a south-easterly direction along the eastern boundary of the said railway to the boundary between fields numbered 642 and 666 on the 25 inch Ordnance Survey of 1896, thence in a north-easterly direction, along the last mentioned boundary to the boundary between fields numbered 641 and 666 on the said Survey, thence in an easterly direction along the said boundary to its junction with Hall Lane and Tithe ware Branch of the Great Northern Railway, thence in an easterly direction along the centre of the said railway to the boundary of the District, excluding certain lands held by the Crown known as the Mill Hill Depot Barracks, such excluded lands being cross hatched in black on the map hereinafter referred to.

The portions of the land comprising the West Hendon Ward of the Urban District of Hendon, bounded on the North by the Mill Hill Ward, on the East by an imaginary line drawn down the eastern boundary of the Midland Railway and on the South by the centre of the River Brent where it passes through the Brent Reservoir.

The whole of the lands comprising the Central Hendon Ward of the Urban District of Hendon being bounded on the North by the Mill Hill Ward, on the West by an imaginary line drawn down the eastern boundary of the Midland Railway and on the South by the River Brent, excluding certain lands in the occupation of the Hendon Urban District Council, such lands being cross hatched in black on the plan referred to.

(A) 20 HOUSES: Gas Light an house.

The Min that the light be arranged could be recog necessary nur

The Ministry requested that a fresh estimate might be obtained from the Gas Company for carcassing and service pipe and connection only, and that particulars as to the average length of service pipe per house within the house curtilage might be stated and the number of lighting points per house.

Report from the Clerk that he had requested the Architect to procure from the Gas Company a further estimate upon the lines of the Ministry's communication.

The Gas Company had accordingly submitted an estimate as follows:—

**SERVICE.**—To make the necessary connections in main and lay one-inch service to meter positions. Average length of services on private ground, 45 feet. £3 7s. per house.

**CARCASS.**—The carcass in iron barrel to supply points as follows:—

Pendent point	...	...	Living Room.
Pendent point	...	...	Hall.
Bracket point	...	...	Scullery.
Cooker point	...	...	Scullery.
Gas Copper point	...	...	Scullery.

Bracket point	...	...	Bedroom (2).
Bracket point	...	...	Bathroom.
			£3 10s.0d. per house.
			TOTAL £6 17s. 0d. per house.

Your Committee gave authority for the amended estimate of the Company to be transmitted to the Ministry of Health for their approval.

The Architect reported that Messrs. Perry Bros. had commenced work in connection with the 20 additional houses on the Brent Hill Estate on the 24th inst.

- (b) **BILLINGS CONTRACT:** Mr. G. Hornblower, the Architect, attended the meeting and reported that in connection with the adjustment of Messrs. J. E. Billing's account, for the completion of Houses, the same was now complete with the exception of the Metropolitan Water Board's charges and the adjustment of the cost of privet hedges.

He was pressing the Water Board to submit their complete accounts which they were now preparing.

- (c) **REPAIRS:** Report from the Surveyor as to complaints from tenants in regard to certain houses on the Brent Hill Estate.

The complaints related to water driving in beneath the doors and windows in times of wet weather.

Your Committee decided to request the Architect to make an inspection of the houses complained of, and report thereon.

- (d) **GARDEN SHEDS:** Letters from Mr. J. Covington, Mr. A. Miller, Mrs. Kirby, and Mr. J. Lambert applying for consent to the erection of sheds in the gardens of the houses occupied by them.

Your Committee received a report from the Surveyor thereon, from which it appeared that there was no objection to these applications; they therefore

**RECOMMEND**—That the same be approved.

- (e) **PATHWAY:** That they received a further communication from Mr. Harris and Mr. Walters in reference to the condition of the pathway.

Your Committee will recollect that this matter has been considered on a previous occasion and stands referred to the Outdoor Committee for inspection.

Your Committee desire to express the hope that an early meeting of the Committee will be arranged when an inspection of the Estate will no doubt take place.

- (f) **RENTS:** The Accountant reported in regard to the collection of rents.

In regard to the case referred to at the last meeting of the Committee, the tenant was reported to be still in arrear, and your Committee are informed that the matter has been referred to Mr. Bevir to collect the arrears. The action taken was approved.

- 2.—**CHILD'S HILL SCHEME:** Report from the Architect that works under Messrs. Ramsey's contract in connection with the Child's Hill Scheme had been completed. He also stated that the final accounts in connection with Mr. Ramsbotham's contract were ready for submission to the Ministry of Health.

The delay in this case also had been due to the negotiations with the Metropolitan Water Board in regard to the accounts for service supplies. It was agreed that the accounts should be considered by the Accountant of the Council and thereafter transmitted to the Ministry for approval.

- 3.—**HOUSING:** Letter from the Urban District Council of Brentford in reference to the Local Authorities (Assisted Housing Schemes) Regulations, 1919, dealing with estimates of annual deficit for the period ending 31st March, 1927.

Your Committee are informed that no such application has been received in respect of this district and have duly noted the communication.

- 4.—**BITTACY HILL SCHEME:** That they received a report from the Surveyor submitting plans and estimates for the erection of blocks of flats at Bittacy Hill, Mill Hill. The estimate provided for the erection of 28 of the two bedroom type and 24 of the three bedroom type.

After careful consideration of the report of the Surveyor, your Committee came to the conclusion that a further report should be submitted by the Accountant as to rentals, for consideration at a future meeting of the Committee.

Your Committee gave instructions for a precis of the report of the Surveyor to be circulated amongst the members.

- 5.—**PAY ORDER:** The Chairman of the Finance Committee submitted a Pay Order amounting in the total to £1,599 16s. 10d., and the same was approved.

The Chairman of the Public Health Committee reported as to the proposed expenditure for two stoves at Burroughs House at a cost amounting approximately to £14 and the same was approved.

## Report of Fire Brigade Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 29th day of January, 1923. Present: Mr. Councillor J. H. Sturgess (Chairman), and Councillors Miss Growse, Feun, Hearn, Hill, Holt, Rev. Dr. Macgowan, Reynolds, Taylor and Winny.

Your Committee beg to report as follows:—

- 1.—**PETROL LICENCES:** That they received applications for renewal of petrol licences for the year ending 31st December, 1923, as follows:—

Carter, G., Parson Street, Hendon,  
Grahame-White Company, London Aerodrome.  
F. W. Strong, Ltd., Stag Garage, Edgware.  
British Petroleum Company, Cricklewood Depot.

Your Committee have received a satisfactory report from the Inspector in regard to the applications, and

**RECOMMEND**—That such Licences be renewed and that the Common Seal of the Council be affixed thereto.

- 2.—**FIRE ESCAPE:** Letter from the Urban District Council of Barnet offering for sale a 45ft. hand fire escape.

Your Committee do not recommend the Council to consider the purchase of an additional fire escape of this type, and

**RECOMMEND**—That the Barnet Urban District Council be thanked for their offer and informed accordingly.

- 3.—**MEDALS—PRESENTATION OF:** Your Committee understand that arrangements have been made for the presentation of medals to certain of the firemen to take place prior to the public business at the next meeting of the Council. **NOTED.**

- 4.—**WATER PRESSURES:** The Chief Officer submitted a list of water pressures taken since the last meeting of the Committee and your Committee have duly noted the same.

- 5.—**FIRE HYDRANTS:** Report from the Chief Officer that a fire hydrant was required at Shirehall Lane at its junction with Elms Avenue.

Your Committee have received a report from the Surveyor upon this matter, and

**RECOMMEND**—That such hydrant be provided.

- 6.—**CENTRAL STATION STAFF:**

(A) The Chief Officer reported as to cases of illness among the staff at the Central Station, viz., Fireman Norton and Fireman Hill. **NOTED.**

(B) The Chief Officer submitted an application from Fireman Mercer, appointed as a single fireman and who had since married, to be granted an allowance in respect of married quarters occupied by him outside the station.

Your Committee have given consideration to this matter, but regret they are unable to recommend the Council to entertain the application.

- 7.—**MOTOR AMBULANCE:** Report from the Chief Officer that in his opinion the Council's Motor Ambulance needed overhauling and he suggested that the work should be carried out in February and that any necessary spare parts required should be replaced.

The work would be carried out by the Central Station Staff.

Your Committee approved of the proposal and decided to leave the question of the ambulance arrangements whilst the machine was being overhauled in the hands of the Surveyor and the Chief Officer to deal with.

8.—FIRE BOOTS: The Chief Officer submitted a requisition for fire boots for the following members of the Brigade:—

Fireman J. Comber.  
 " A. Stevens.  
 " W. D. Hockey.  
 " C. Mitchell.

Also repairs to fire boots for Firemen Mercer and Stevens.

Your Committee

RECOMMEND approval of the requisition.

9.—STORES REQUIRED: The Chief Officer submitted requisition of stores required for the Fire Brigade, and after consideration thereof your Committee

RECOMMEND approval of same.

10.—FIRES ATTENDED. The Chief Officer submitted a report as to fires attended by the Brigade since the last meeting of the Committee.

Your Committee desire to draw special attention to the occurrence of fires caused by foul chimneys and to draw public attention to the penalty incurred by the occupier of any premises permitting a chimney to be on fire.

In the cases referred to in the report of the Chief Officer, your Committee recommend that the Clerk communicate with the occupiers of the premises warning them against a repetition of the offence.

A report was also submitted as to petrol consumption, and duly noted.

11.—EDGWARE AND LITTLE STANMORE.—FIRE PROTECTION: That they gave further consideration to the communication from Mr. G. R. Mann, of Edgware, also to a letter from the Edgware and Little Stanmore Joint Lighting and Fire Committee making enquiry whether the Council would be prepared to extend fire protection to the adjacent parishes of Edgware and Little Stanmore and if so upon what terms and conditions.

Your Committee have received a report from the Chief Officer of the Fire Brigade as to the Staff available at the Central Station and the existing arrangements, and after careful consideration of the application your Committee have come to the conclusion that the Council cannot, with their existing staff, undertake additional fire protection responsibilities. They, therefore,

RECOMMEND—That the Edgware and Little Stanmore Joint Lighting and Fire Committee be informed that the Council regret their inability to entertain the application for fire protection at the present time.

12.—MOTOR AMBULANCE ARRANGEMENTS: That they received a report from the Chief Officer in reference to the arrangements in connection with the driving of the Council's motor ambulance.

Your Committee are informed that there are at the present time four qualified ambulance drivers and under existing arrangements an allowance of 2/6 is granted to the driver for each case removed outside duty hours, viz., before 8 a.m. and after 4 p.m. The drivers take duty night or day in turns.

From the report it appeared that during the year 1922, 398 cases were removed in the ambulance, of this number 224 were removed after the ordinary duty hours.

Your Committee have come to the conclusion that it is desirable in future to include these allowances in the wages paid to the drivers, and they, therefore,

RECOMMEND—That the wages of the Drivers, viz., Fireman Hockey, Fireman Norton, Fireman Hill and Fireman Hills be increased by the sum of 2/6 per week to be inclusive of all ambulance duties and that the arrangement for payment of 2/6 for special duty after hours be discontinued.

13.—BURNT OAK FIRE STATION: Your Committee have received a report in regard to the detachment and fire station at Burnt Oak, but in view of the forthcoming report upon the subject of fire protection generally, they have adjourned the consideration of this matter.

14.—FIRE PROTECTION OF THE DISTRICT: That they gave consideration to a detailed report from the Engineer of the Council upon the subject of fire protection of the district generally.

Your Committee have given consideration to a suggestion for enlarging the quarters at the Central Station to provide for additional staff, and also to the question of providing fire stations in other parts of the district.

Your Committee are of opinion that with the development of the district in the future it will be necessary to make further provision for fire protection. They, therefore,

RECOMMEND—That the Engineer submit a detailed report dealing with the enlargement of the Central Fire Station to provide quarters for additional staff, and also in regard to suggested sites in other convenient positions in the district.

Your Committee have instructed the Surveyor to circulate copies of his report upon this subject amongst the members of the Council.

## Report of General Purposes Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 5th day of February, 1923. Present: Mr. Councillor Hill (Chairman), and Councillors Miss Growse, Mrs. Bannister, Egan, Holt, Reynolds, Taylor, Winny, and Wise.

Your Committee beg to report as follows:—

- 1.—WARDS: Letter from the Hendon Ratepayers' Association suggesting that as the Council were dealing with the question of representation they should at the same time take into consideration the question of re-arranging the Wards in the district.

In view of the development of the district now proceeding, your Committee consider it inadvisable to deal with the question raised by the Ratepayers' Association at the present time and suggest that the Association be informed that the Council will take the matter into consideration at a later date.

- 2.—WIDENING OF QUEEN'S ROAD AND PARK ROAD: That they had under consideration the draft agreement as to the widening works contemplated in Queen's Road, Park Road, and a portion of Vivian Avenue, which had been amended by the Solicitors acting for Sir Audley Dallas Neeld and others.

Your Committee instructed the Clerk as to certain variations of the amendments made on behalf of the owners, and

RECOMMEND—That, subject to these variations being agreed to, the matter be proceeded with.

- 3.—PLAYING FIELD AT COLINDALE AVENUE: That they gave consideration to amendments made by the Treasury Solicitor in the draft of the lease of the land in Colindale Avenue acquired for the purpose of playing fields and instructed the Clerk as to the variations necessary in connection with such amendments.

- 4.—TRAMWAY QUEUES: Letter from the General Manager of the Metropolitan Electric Tramways, Ltd., in reply, as to the suggestion for forming queues to control the tramway passengers at the Cross Roads, Golders Green. The Company reminded the Council some time since they submitted a scheme of sidings on the spare ground now occupied by shrubs belonging to the Underground Company so that a proper loading and unloading station for trams could be put into operation. They suggested that the Council should give this matter further consideration as this would obviate the difficulty now experienced. The General Manager offered to attend a future meeting of the Committee to explain more fully the scheme proposed by the Tramway Company.

Your Committee think it desirable that the General Manager should be invited to attend and explain the project and they

RECOMMEND accordingly.

- 5.—LOCAL EMPLOYMENT COMMITTEES: Letter from the Minister of Labour in reference to the Local Employment Committees established throughout the country and intimating that it was proposed to re-appoint the Hendon Committee for a further period of three years.

The Minister expressed a desire that the Hendon Council should again be represented on this Committee.

It will be remembered that up to the present Mr. Knight (the Surveyor of the Council) has acted as a member, and your Committee

RECOMMEND—That he be re-appointed.

- 6.—HENDON JUVENILE SUB-COMMITTEE: That they had under consideration a communication from Mr. B. S. Gott, the Secretary of the Middlesex Education Committee, suggesting that as Miss M. E. Hodge had now left the district the Council should nominate someone for appointment on the Hendon Juvenile Sub-Committee in her stead.

Your Committee

RECOMMEND—That the matter be referred to the Hendon Education Committee with authority to nominate a representative from this district.

- 7.—ACCIDENT AMBULANCE: Letter from Mr. W. H. Kislingbury making suggestions in regard to this Ambulance which he considered would add to the comfort of patients conveyed in the vehicle.

Your Committee understand from the Surveyor that the ambulance will shortly be overhauled when Mr. Kislingbury's suggestions could be taken into consideration.

Your Committee

RECOMMEND—That Mr. Kislingbury be informed of this fact and that every effort will be made to mitigate the alleged discomfort referred to in his communication.

7.—**RELIEF WORKS:** Letter from the Unemployment Grants Committee as to the intention of the Government to grant further financial assistance to Local Authorities in respect of works put in hand for providing employment in the present emergency. Further grants would be, as before, a sum not exceeding 60 per cent. of the wages bill of unemployed men taken on for approved new works financed out of revenue or otherwise than by means of loan and put in hand specifically for the relief of unemployment.

Your Committee have duly noted this communication.

8.—**JOINT INDUSTRIAL COUNCIL:** Letter from the Secretary of the National Joint Industrial Council for Local Authorities Non-Trading Services Manual Workers as to proposed Conference to be held on the 8th inst., at the Guildhall, Westminster, to consider a proposal for the re-arrangement of the areas of the Provincial Councils which had been formed for the Counties of Essex and Middlesex and inviting the Council to appoint representatives to attend the proposed Conference.

Your Committee have no recommendation to make upon the matter.

9.—**DAWS FARM ESTATE:** That they had under consideration further communications from the Ministry of Health refusing to sanction the loan for the acquisition of the Daws Farm Estate for a pleasure ground and other purposes.

Your Committee are still of opinion that a further effort should be made to secure this Estate, and they

**RECOMMEND—**That a further communication be addressed to the Ministry of Health pressing that the matter should be proceeded with and that the same should form the subject of a Public Inquiry.

In connection with this matter, your Committee consider that the good offices of the Member for the Division should be requisitioned and that a communication be addressed to Sir Philip Lloyd-Greame explaining the circumstances and asking for his assistance.

10.—**LONDON ELECTRIC RAILWAY BILL:** That they had under consideration reports from the Officers in reference to this Bill and the plans deposited in connection therewith, it being proposed to seek Parliamentary Powers to authorise certain variations of the levels of a section of the Railway Extension to Edgware.

Your Committee are informed that the proposed variations of levels will affect one of the Council's public footpaths. Negotiations had been proceeding with the Engineer of the Company for dealing with this footpath by means of a proper protective clause, but such clause had not yet been finally conceded.

Your Committee gave the necessary instructions, if found necessary, to lodge a formal petition against the Bill.

11.—**LAND—WOODSTOCK AVENUE:** Report from the Surveyor that he had communicated with Colonel Warliker as to the decision of the Council to dispose of a piece of land at Woodstock Avenue for the sum of £550 freehold, but Col. Warliker had replied that he was not prepared to offer a larger sum than £500 for the land.

Your Committee instructed the Surveyor to again open up negotiations with Messrs. E. Owers and Company, making enquiry whether they would be prepared to give the sum of £550 for the land.

12.—**SALARIES OF OFFICERS:** That they had under consideration communications from Mr. A. O. Knight (the Engineer of the Council), and Mr. George Hails (the Accountant of the Council), suggesting that in view of the increase in the administrative duties attaching to their offices, that the Council might take into consideration the question of revising their present salaries and the granting of a scale on progressive basis.

In view of the fact that the present salaries were fixed on the recommendation of the Staff Committee, your Committee

**RECOMMEND—**That these communications be taken into consideration by that Committee and that the Staff Committee be requested to submit their recommendations thereon to the Council in Committee.

13.—**ESTIMATES FOR RATES:** That they had under consideration draft estimates prepared by the Accountant so far as the same related to matters coming under the consideration of your Committee.

Your Committee consider the draft estimates as submitted to be satisfactory.

These estimates will be incorporated with those of the remaining Committees and will finally be submitted to the Council as a whole for approval.

14.—**GAS REGULATION ACT, 1920:** Report from the Clerk as to correspondence from the Middlesex County Council on the subject of appointing a Gas Examiner for the Gas Companies supplying the Hendon area, viz., The Gas Light and Coke Company, The North Middlesex Gas Company and The Harrow and Stanmore Gas Company.

It will be remembered that in the early part of last year a combination of Local Authorities was proposed to arrange for the appointment of Joint Gas Examiner for the Gas Light and Coke Company's area.

The Council agreed to join that combination and to contribute a proportion of the cost incurred.

It is now understood that this arrangement did not materialise and that the London County Council and the whole of the Authorities in Middlesex (excluding Hendon and Hampton) had agreed to enter into an arrangement with the Middlesex County Council to appoint the necessary Gas Examiners to deal with the whole of the area of the County of Middlesex.

The Middlesex County Council now suggested that this Council should join the scheme and thus provide for the carrying out of the duties imposed by the Gas Regulation Act of 1920.

It was estimated that the cost of gas examination for the whole County would be £1,100 per annum, and the estimated cost to Hendon if they decided to join the combination would amount to an outlay of £78 per annum. Under this arrangement the gas supply of the three Companies supplying Hendon would be periodically examined.

In the circumstances your Committee think it desirable to agree to the proposal of the Middlesex County Council, and they

RECOMMEND—That the Council become parties to the combined arrangement for a period of one year.

## Report of Highways Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday the 5th day of February, 1923. Present: Mr. Councillor Egan (Chairman), Councillors Mrs. Bannister, Miss Growse, Holt, Hill, Reynolds, Taylor, Wise and Winny.

Your Committee beg to report as follows:—

### 1.—PUBLIC LIGHTING:

- (a) Letter from Mr. Paul Badcock drawing attention to the need of additional street lighting in that part of Wildwood Road between Meadway and the track of the Metropolitan Water Board.

It will be remembered that the Council recently dealt with the lighting of this road and agreed that lamps should be erected as developments took place therein. Your Committee

RECOMMEND—That Mr. Badcock be informed accordingly.

- (b) Letter from Mr. P. J. Tigg suggesting that as the gas mains had now been laid in Goodwyn Avenue, Mill Hill, a lamp should be erected at the corner of Newcombe Park. Your Committee

RECOMMEND—That Mr. Tigg be informed, in reply, that the matter will shortly receive attention.

- (c) Letter from Mr. J. Stobart Greenhalgh as to damage to the public lamp in Turner's Wood, and suggesting that the Council should consider the question of providing wire woven protectors for the lamps in isolated areas such as this locality.

Report from the Officers that on the receipt of the communication the matter had received attention. Your Committee have no recommendation to make at the moment for the fixing of wire protectors.

Mr. Greenhalgh also referred to the nuisance from the scattering of waste papers in the neighbourhood, and your Committee have noted the same.

- (d) Letter from Mr. W. Harte-Potts as to the necessity of placing a public lamp at the top of Golders Manor Drive (corner of Western Avenue). Your Committee

RECOMMEND—That one lamp be erected at this point.

- (e) Letter from Mr. C. M. Hailes suggesting the provision of improved lighting accommodation at the corner of Hoop Lane and Golders Way. Your Committee consider that the present lighting arrangements in this locality are quite adequate and cannot recommend the Council to provide an additional lamp.

Mr. Hailes also drew attention to the alleged defective condition of the road at the same spot. Your Committee gather that the defect was occasioned by a trench made by a statutory Company and that the matter has received attention.

- 2.—TREE—ARMITAGE ROAD: Letter from Messrs. Lewis & Burrows, Ltd., renewing their request for the removal of the small tree at the junction of Armitage Road and Golders Green Road. Your Committee understand that the Outdoor Committee propose shortly to deal with this question and therefore make no recommendation upon the matter.

- 3.—RESURFACING BRENT STREET: Letter from the Middlesex County Council transmitting the following resolution:—

"That the resolution adopted by the County Council on the 27th October, 1921, agreeing to allow the Hendon Urban District Council to charge in their Main Roads Maintenance Accounts a sum not exceeding £1,405, representing a moiety of the cost of resurfacing Brent Street (Main Class 1 Road), Hendon, between Bell Lane and Church Road, be amended by the substitution of £1,423 13s. 6d. for the figure appearing in the resolution."

Your Committee have noted the same with satisfaction.

4. GREENSWARD AT BITTACY HILL: Letter from Messrs. Cooper, Bake & Co. in further reference to the land opposite their client's premises at Bittacy Hill claimed by the Council as forming part of the public highway, giving detailed particulars of the documents under which they alleged their client possessed a Title to the strip of land and offering to produce the documents. Your Committee

RECOMMEND—That Messrs. Bevir & Son make an inspection of the documents and report thereon.

- 5.—PRIVATE STREET WORKS LOAN: Letter from the Ministry of Health relative to the proposed loans of £9,839 and £8,585 for Private Street Works, intimating that the Minister was unable to accede to the suggestion that sanction should be given before the Council had invited tenders for the works. The Ministry requested that the Department might be furnished, in due course, with the copies of the provisionally accepted tenders accordingly.

Your Committee, therefore,

RECOMMEND the issue of advertisements for tenders for the works and that the copies of those proposed to be accepted be transmitted to the Ministry in due course.

- 6.—ELMCROFT AVENUE: Letters from Mr. McKillop and other owners and occupiers in Elmcroft Avenue, Golders Green, calling attention to the unsatisfactory condition of the road and requesting the Council to carry out works of improvement therein.

Report from the Clerk that he had informed Mr. McKillop, in reply, that as Elmcroft Avenue was a private road the Council had no power to expend public monies in carrying out works of improvement therein. Your Committee

RECOMMEND—That the Surveyor make an inspection of the road and report whether the building development therein warranted procedure under Section 150 of the Public Health Act, 1875, requiring the carrying out of the permanent works.

- 7.—FOOTPATH TO WESSEX GARDENS SCHOOL: Letter from Miss A. J. Harvey calling attention to the muddy condition of the crossing between the Recreation Ground at Child's Hill and the footpath leading to the Wessex Gardens School. Your Committee understand that upon the receipt of the complaint the Surveyor put works of improvement in hand and they

RECOMMEND—That his action be confirmed.

- 8.—FOOTPATHS—CLOISTER ROAD, CHILD'S HILL: Letter from the Child's Hill and Golders Green Rate-payers' Association calling attention to the unsatisfactory condition of the footpaths in Cloister Road and the footpath leading to Cloister Road, and suggesting that the Council should tarpave the same. The Association also suggested that the site of the Shrubbery in Cloister Road should also be paved, the Shrubbery having disappeared. Your Committee

RECOMMEND—That the Surveyor prepare estimates of the cost of carrying out these proposals for consideration at the next Committee Meeting.

- 9.—CLASSIFICATION OF ROADS: Letter from the Ministry of Transport in reference to Grants from the Road Fund during the year 1923-24, stating that in the case of the County of Middlesex it appeared to be convenient that Urban Authorities should submit particulars of estimated expenditure on District and Subsidised Roads classified in Classes 1 and 2 direct to the Ministry and not through the County Council. Your Committee have instructed the Officers to act accordingly.

- 10.—FINCHLEY LANE IMPROVEMENTS: Letter from the Ministry of Transport as to the scheme for the widening and improvement of Finchley Lane, Hendon, proposed to be expedited for the relief of unemployment, at an estimated cost of £17,005 including £7,780 for surface water drainage works, making inquiry whether the Council would be prepared to proceed with the works in the event of a grant being made of 25 per cent. of the estimated expenditure on drainage works and 50 per cent. of the remainder of the estimated expenditure on the conditions usual in connection with such grants.

In regard to any land to be purchased for the works, the Minister would require to be supplied with a report by the District Valuer as to its value and the grant would be made in accordance with his valuation.

Your Committee

RECOMMEND the Council to proceed with the works and to accept the grants in aid above-mentioned.

11.—TREES:

- (A) LAWRENCE STREET: Letter from Messrs. Walton, Hassell & Port, Ltd., in further reference to the trees situate outside their premises at Lawrence Street, Mill Hill.

It will be remembered that the Council had this matter under consideration some little time ago and Messrs. Walton, Hassell & Co. were informed that the trees in question would be pruned at the proper season.

Your Committee

RECOMMEND—That the work be now carried out.

- (B) Letter from Messrs. D. Morris & Sons requesting the Council to remove the trees in the highway opposite their premises at 37, 39, and 41, The Broadway, Mill Hill. Your Committee cannot see their way to recommend the Council to remove the trees, but

RECOMMEND—That they be lopped in due course.

Report from the Clerk that he had referred the matter to the Surveyor, the Surveyor reporting that he had had an interview with Mr. Braithwaite in regard thereto.

Your Committee have left the matter in the hands of the Surveyor to negotiate further with Mr. Braithwaite and to submit a report thereon in due course.

- 13.—HIGHFIELD AVENUE: Letter from Mr. S. C. Mitchell in further reference to the complaint relative to the condition of Highfield Terrace.

It will be remembered that the Council have had this matter under consideration on more than one occasion and Mr. Mitchell has been referred to the Contractors engaged in connection with the extension of the tube railway in regard thereto.

Mr. Mitchell, before approaching the Contractors for the Railway Company upon the matter, asked to be furnished with further information in regard to the condition of the road.

Your Committee have given the matter further consideration and have nothing to add to their previous decision in regard thereto. They

RECOMMEND—That Mr. Mitchell be informed accordingly.

- 14.—EDGWARE ROAD:

- (A) Letter from Mr. R. Slone complaining of the dumping of Contractors' plant in the neighbourhood of the Cinema in Brent View Road, West Hendon.

Report from the Surveyor that the plant referred to was not owned by the Council, but that used by Messrs. Manders & Co. in connection with the Edgware Road Improvement Works, and it was anticipated that the same would shortly be removed.

Your Committee

RECOMMEND—That Mr. Slone be informed accordingly.

- (B) Letter from The Daimler Co., Ltd., complaining of an obstruction at the entrance gates of the premises lately occupied by the Aircraft Manufacturing Co. at The Hyde and now in their occupation.

Report from the Surveyor in regard to the matter, from which it appeared that the obstruction was caused by the Post Office Authorities who were carrying out works in the vicinity; the obstruction had now been removed.

Your Committee have duly noted the report of the Surveyor.

- 15.—HERMITAGE LANE: Letter from Mr. W. A. Kitcher, on behalf of the Child's Hill Ratepayers' Association as to the alleged untidy appearance of Hermitage Lane and suggesting that the Council should scavenge the road twice weekly and naming certain days for the purpose.

Report from the Surveyor that under the present arrangements the scavenging of Hermitage Lane was undertaken twice weekly. A suggestion was made with a view of meeting the wishes of the Ratepayers' Association that the work should be undertaken on Wednesdays and Saturdays in each week.

The Surveyor undertook to arrange accordingly, and your Committee

RECOMMEND—That the Ratepayers' Association be so informed.

- 16.—MOTOR TRAFFIC: Letter from Lt.-Col. T. French complaining of the traffic of heavy motor vehicles in Eastside Road, Golders Green, and advocating the provision of a notice board stating that the road was unsuitable for the class of traffic in question.

In view of the fact that Eastside Road is of a private character, over which the Council have no control, your Committee regret they are unable to recommend the Council to entertain the suggestion of Col. French. They

RECOMMEND—That he be informed accordingly.

- 17.—THE RIDGEWAY, MILL HILL: Letter from Mr. B. W. Law as to the alleged dangerous condition of the roadway adjacent to his premises at The Ridgeway, Mill Hill.

Your Committee have referred the matter to the Surveyor in order that he may submit a report thereon.

- 18.—COLINDEEP LANE: Consideration was given to representation made on behalf of the Hendon Ratepayers' Association suggesting the provision of lighting facilities in Colindeep Lane, between The Burroughs and Booth Road.

After due consideration of the matter, your Committee have requested the Surveyor to report as to the cost of the proposal at their next meeting.

- 19.—IMPROVEMENTS—FINCHLEY LANE AND PARSON STREET: Report from the Surveyor in regard to the scheme for improvement works in Finchley Lane and Parson Street, together with a new surface water drain in Finchley Lane, from which it appeared that the scheme had been approved by the Ministry of Transport, the estimates submitted to the Ministry being as follows:—

	£	s.	d.
Finchley Lane widening, resurfacing and surface water drainage ...	17005	0	0
Parson Street Improvement ...	1796	0	0
	£18801	0	0

Of this amount the Ministry of Transport had notified their intention of making the following grants:—

	£	s.	d.
Parson Street ...	4612	0	0
Finchley Lane Road Works ...	1945	0	0
Surface Water Drainage ...	6557	0	0
Total amount of Grants	£7455	0	0

The Surveyor stated that the amount which would have to be borne by the Council for the works out of loan would, therefore, be £11,346, of which £898 would be in respect of the proposed works in Parson Street, and £10,448 for the Finchley Lane Works, and application had been made to the Ministry of Health for a loan accordingly.

Having regard to the condition laid down by the Ministry of Transport in connection with their grant that the work should be put in hand within two months of the notification of such grant, the Surveyor suggested that he should be given authority to advertise for the necessary tenders for the works in order that no time should be lost in commencing the same after the receipt of the sanction of the Ministry of Health. The Surveyor also asked for authority to be given for the service of the necessary notices under Sections 1 and 2 of the Unemployed Relief Works Act, 1920.

In connection with this matter, the Clerk reported a communication from the Ministry of Labour in regard to a request received by them from the Ministry of Transport for the issue of Certificates under the sections of the Act referred to, and enclosing copies of the certificates issued by them in regard thereto.

After due consideration of the report of the Surveyor, your Committee approved of the suggestions contained therein, and recommend the issue of the necessary advertisement inviting tenders for the works in question, and also the service of the necessary notices under the Unemployed Relief Works Act, 1920.

20.—WIRELESS AERIAL: Report from the Surveyor as to an application received from Mr. C. E. Keates for consent to the placing of aerial wires across Brent Street, Hendon. Your Committee cannot see their way to accede to this application, and

RECOMMEND—That Mr. Keates be informed accordingly.

21.—CROSSING IN MILL HILL ROAD: Letter from the North Middlesex Gas Company as to construction of a paved crossing at the entrance to their Works and suggesting that such paved crossing should extend across the road and that the Council should contribute one-half of the cost of the work.

Your Committee

RECOMMEND—That the Gas Company be informed, in reply, that the Council cannot entertain their proposal.

22.—WIDENING OF HALL LANE: Report from the Surveyor as to his interview with Mr. Hinge as to the terms upon which he would surrender the land required by the Council for the widening and improvement of Hall Lane. Mr. Hinge considered that the Council should adhere to the original offer made by him to give up the land on payment by the Council of a sum of £250. On further consideration of the plan of the proposal, your Committee came to the conclusion that it would be advantageous to widen the road to a greater extent than originally proposed, making provision for a road 60 feet in width, and instructed the Surveyor to negotiate further with Mr. Hinge on these lines.

23.—FINCHLEY LANE AND BLIND LANE: Report from the Surveyor as to an interview with Mr. William Hollis as to giving up the land in Finchley Lane required in connection with the scheme of improvement in that road. Your Committee understand that Mr. Hollis is interested in the land between Blind Lane and the River and that he is willing to surrender the land required by the Council free of cost provided at the same time the Council settle a satisfactory boundary line in Blind Lane in accordance with a plan submitted.

Your Committee are favourably disposed to the proposition submitted, and

RECOMMEND—That the Surveyor have authority to resume negotiations with Mr. Hollis and report further.

24.—ESTIMATES—GENERAL DISTRICT RATE to 31st MARCH, 1924: Your Committee considered in detail the draft Estimates, appertaining to matters controlled by them, prepared by the Accountant in conjunction with the Surveyor, and consider such Estimates to be satisfactory, and they approve of the same for incorporation with the general estimates for submission to the Council.

25.—REQUISITIONS: The Surveyor submitted requisitions of materials and goods required in his Department, and your Committee approved of same.

## Report of Education Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report on the following matters dealt with at a Meeting of the Hendon Education Committee held on the 30th January, 1923.

- 1.—**SALARIES OF TEACHERS—STANDING JOINT COMMITTEE:** A letter was submitted from the above Committee transmitting copies of the resolutions passed at a meeting held at the Board of Education on the 5th instant. Resolution No. 1 which is applicable to the Committee reads:—

“ THAT the Representatives of the Local Education Authorities on the Standing Joint Committee dealing with the Salaries of Elementary School Teachers, accept the offer now made by the Teachers' Representatives on the Committee, to agree to an abatement of Five per cent. off the gross salary of each individual Teacher in the service of a Local Education Authority which has adopted the allocated Standard Scale, such abatement to be operative for the financial year beginning the 1st April, 1923, and ending 31st March, 1924. The Local Education Authorities' Representatives desire to place on record their appreciation of the public spirited action of the Teachers in thus voluntarily making a substantial contribution to the financial necessities of the Nation and of the Local Authorities, and recommend all Local Education Authorities to accept the Teachers' offer in a spirit of cordial good will.”

Your Committee

**BEG TO RECOMMEND—**THAT the abatement of Five per cent., as above, be accepted, that the recommendation as to the appreciation of the action of the Teachers expressed by the Local Education Authorities' Representatives be endorsed, and that the Hendon Teachers' Association, the Board of Education, and the Standing Joint Committee be informed accordingly.

- 2.—**COLINDALE—SITE:** The Sub-Committee gave consideration to the possible development of the Gold-beaters Estate and the Colindale District, and

**BEG TO RECOMMEND—**THAT the Secretary communicate with the various owners in the District as to the possibility of acquiring land for a School.

- 3.—**NEELD ESTATE—SITE:** Your Sub-Committee

**BEG TO RECOMMEND—**THAT negotiations be opened with a view to securing a site for a Public Elementary School on the above Estate.

- 4.—**CENTRAL SCHOOL:** The Committee have considered the above matter, and

**BEG TO RECOMMEND—**THAT owing to the immediate development of the District application be now made to the Board of Education for permission to proceed with the provision of the Central School in The Burroughs.

- 5.—**SECONDARY SCHOOL ACCOMMODATION—MILL HILL:** The immediate necessity for Secondary School accommodation in the above District has again occupied the attention of the Committee who are of opinion that the Board of Education and the Middlesex Education Committee should again be pressed to favourably consider the matter. The Committee **RECOMMEND** accordingly.

- 6.—**PROVISION OF MEALS—SECRETARY'S REPORT:** The Sub-Committee have had before them a lengthy report on the investigations of the Secretary into the cases reported by the Head Teachers, and also as to possible arrangements for meeting the needs of those children who require attention. (A copy of the report is enclosed).

The Sub-Committee have carefully considered the Report, and now

**BEG TO RECOMMEND—**THAT the necessary temporary arrangements be made for feeding certain children referred to therein at the discretion and under the supervision of the Head Teachers, the Medical Officer and the Secretary.

## Report of Finance Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 5th day of February, 1923. Present: Mr. Councillor Cartwright (Chairman), Councillors Mrs. Hargraves, Fenn, Hearn, Rev. Dr. Macgowan, Roberts, Soar, Sturgess, and Weeks.

Your Committee beg to report as follows:—

- 1.—**PARSON STREET IMPROVEMENT:** Letter from the Ministry of Transport relative to the Council's scheme for the proposed widening and re-construction works in Parson Street, Hendon, at an estimated cost of £1,796, agreeing to make a grant of 50 per cent., viz., £898 towards the proposed works.

Your Committee have duly noted this communication, and

**RECOMMEND—**That the Accountant take the necessary steps to raise the loan required in connection with the carrying out of the proposed works.

- 2.—**ACCOUNTS ORDER, 1922:** The Clerk reported a circular letter from the Ministry of Health accompanied by a copy of an Order issued by the Minister known as the Accounts (Payment into Bank) Order, 1922, such Order coming into operation on the 1st April, 1923.

The Ministry stated in their circular letter that Audit experience had shown the need for a record to be kept by every Officer of a Local Authority who paid money into a banking account of the Authority, or of their Treasurer, of the particulars required to be entered on the bank paying in slips and to produce the book containing these records for examination as and when required by the Authority or the District Auditor.

The Order in question therefore rendered this procedure necessary, and in addition to the particulars usually entered on a paying in slip required the responsible Officer to enter on the slip, in the case of each cheque paid in by him, some reference (such as the number of the receipt given or the name of the debtor) which it was stated would connect the cheque with the debt or debts in discharge or partial discharge of which it was received, the same particulars to be entered on the counterfoil or duplicate of the paying in slip.

In conclusion the Ministry stated that the Order applied to every Local Authority whose accounts were subject to audit by a District Auditor.

Your Committee have received a report from the Accountant, from which it appeared that the requirements of the Ministry contained in the Order referred to had been carried out for many years in connection with the banking of moneys on behalf of the Council.

They have, therefore, duly noted the contents of the communication from the Ministry.

- 3.—**MIDDLESEX DISTRICT JOINT SMALLPOX HOSPITAL BOARD:** That they gave further consideration to the question of the accounts of the Middlesex District Joint Smallpox Hospital Board, and it was ultimately decided to defer the final consideration of the matter for the present.

- 4.—**TRANSPORT SERVICES:** Further consideration was given to the report prepared by the Accountant as to the cost of the Council's Steam Wagons, Steam Roller, Stables, and the Ford Ambulance and Sanitary Van for twelve months to the 31st March, 1922.

Your Committee noted such report with satisfaction.

Reference was made as to the desirability of the Council considering the question of obtaining further Steam Wagons, and your Committee

**RECOMMEND—**That the Works Committee be asked to take the matter into consideration.

RECOMMEND—That the above-named Housing Bonds be redeemed and cancelled.

(b) Report from the Accountant as to a notification received by him for the transfer of Housing Bond No. 211.

Your Committee recommend approval of the transfer, and that the Common Seal of the Council be affixed to a new bond in due course.

6.—BRENT HILL HOUSING: Report from the Accountant in regard to an application from Mr. S. Painter, of 57, Sturgess Avenue, to purchase the house at present occupied by him.

The Accountant stated that he had approached the Ministry of Health with a view of ascertaining the procedure to be adopted in the event of the Council entertaining the application from which it appeared that it would be necessary to seek the services of the District Valuer to fix a price at which the sale should be effected.

After due consideration of the matter, your Committee

RECOMMEND—That a communication be addressed to the Ministry of Health informing them that the Council desired the District Valuer to name a price at which the premises referred to might be disposed of.

7.—PAY ORDERS: The Accountant submitted a Pay Order for the sum of £1,659 13s. 3d. in respect of the Council's current accounts and also one amounting to the sum of £116 17s. 7d. relating to the North Circular Road Account, the amounts being included in the accounts for payment submitted this evening. Your Committee gave authority for the issue of the necessary Pay Orders and for cheques to be drawn.

8.—INSURANCES: The Accountant submitted a communication from the Municipal and Mutual Insurance Company quoting terms in respect of the various Insurances effected by the Council.

Your Committee have no recommendation to make in regard thereto.

9.—ESTIMATES: That they gave consideration to draft estimates of the Committee's requirements for the year ending 31st March, 1924, and

RECOMMEND—That the same be approved as amended.

10.—TOWN PLANNING: In accordance with instructions received from the Town Planning Committee on Monday last the Surveyor submitted a report in regard to the extra staff which, in his opinion, it would be necessary to engage to prepare the surveys and maps required in connection with the proposed Town Planning Scheme of the Council in order that the same might be proceeded with in as short a time as possible.

It appeared from the report of the Surveyor that the minimum temporary staff which could deal with the matter would be two extra Assistants, one whose duties would comprise making all necessary surveys to bring the Ordnance Sheets up to date, and surveying and levelling to determine the exact lines of the proposed new roads, and the calculation of areas and determination of boundaries and preparing the originals of the various maps to be deposited with the Ministry of Health and the Middlesex County Council, and a Junior Assistant to be employed as a Draughtsman.

The Surveyor suggested that the appointments should be for a period of twelve months, with a salary in the case of the first-named Assistant to be designated a Town Planning Assistant, of £300 per annum, and a Draughtsman at £150 per annum.

After due consideration of the report of the Surveyor, your Committee

RECOMMEND—That the same be approved, and that an advertisement be issued inviting applications for the temporary appointments.

11.—PRIVATE STREET—APPORTIONMENTS: The Surveyor submitted apportionments in respect of the making up of the following private roads in the district under Section 150 of the Public Health Act, 1875, as follows:—

	s.	d.	
St. George's Road	26	9½	per foot frontage.
Templars Avenue	28	6¼	„ „
Highcroft Gardens	30	3¼	„ „
Woodville Gardens	30	5¼	„ „
Temple Gardens	30	3½	„ „
Leeside Crescent	31	0½	„ „

Your Committee

RECOMMEND—That such apportionments be approved, and that the necessary notices of apportionment of the expenses incurred in the making up of the roads referred to be served upon the owners of property therein in due course.

12.—SURVEYOR'S CERTIFICATE: The Surveyor submitted Certificate No. 3 in favour of Messrs. Manders and Company in respect of the Edgware Road Works amounting to the sum of £1,050.

The Certificate in question is included in the accounts submitted for payment, and your Committee have duly approved the same.

13.—STATEMENT OF RECEIPTS, ETC.: Your Committee have examined the Treasurer's Pass Book and Cash Books, and report that the total receipts from all sources since the last meeting amounted to the sum of £23,844 13s. 2d., making a total of £263,069 16s. 11d. for the current financial year.

**REPORT OF REQUISITIONS COMMITTEE:** The Requisitions Committee submitted the following report of a meeting held this evening.

### Report of Requisitions Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,

Your Committee beg to report that they met at the Town Hall this evening. Present: Mr. Councillor Soar (Chairman), and Councillors Cartwright, Egan, Hearn, Hill, Reynolds, Roberts, Sturgess, and Taylor.

Your Committee beg to report as follows:

**REQUISITIONS:** The Surveyor and the Chief Officer of the Fire Brigade submitted requisitions of goods required in their respective departments, and the Medical Officer of Health submitted a requisition for the provision of a new typewriter for use at Burroughs House, and your Committee

**RECOMMEND** approval thereof.

Upon the motion of Mr. Councillor Soar, seconded by Mr. Councillor Hill,

**IT WAS RESOLVED—**That the report of the Committee be received, approved, and adopted.

**TENDERS—ANNUAL SUPPLIES:** The Clerk reported the receipt of tenders (131 in number) in response to the Council's advertisement inviting tenders for annual supplies for the year ending 31st March, 1924, and upon the motion of Mr. Councillor Fenn, seconded by Councillor The Rev. Dr. Macgowan,

**IT WAS RESOLVED—**That the same be opened, scheduled, and referred to the respective Committees for consideration.

**CORRESPONDENCE:** The Clerk reported the receipt of various letters as detailed in his report book, and upon the motion of Mr. Councillor Cartwright, seconded by Mr. Councillor Taylor,

**IT WAS RESOLVED—**That the same be referred to the respective Committees for consideration in the usual way.

**EDUCATION SCHEME:** Letter from the Board of Education intimating that they were prepared to give publicity to the amended scheme submitted by the Council altering the number of the members of the Council and the Co-opted members on the Education Committee, and requiring certain procedure to be carried out by the Council in connection with the matter.

After due consideration thereof, upon the motion of Mr. Councillor Hill, seconded by Councillor The Rev. Dr. Macgowan,

**IT WAS RESOLVED—**That the Clerk take the necessary steps to comply with the requirements of the Board of Education (Mr. Councillor Fenn only dissenting).

**WEST VIEW ALLOTMENTS:** The land at West View held on lease by a notice requiring allotments, the land in question being Queen's Road.

In view thereof, the Clerk affected by the proposal.

Upon the motion of Councillor The Rev. Dr. Macgowan, seconded by Mr. Councillor Weeks,

**IT WAS RESOLVED**—That the Common Seal of the Council be affixed to the documents in question.

**UNDERGROUND TELEGRAPHIC MAINS:** The Surveyor reported two applications from H.M. Postmaster-General to lay underground telegraphic mains as follows:—

- (1) Along the North side of Hale Lane, Mill Hill, from No. 42 to No. 46.
- (2) On the West side of The Broadway, West Hendon, from Station Road to opposite No. 219.

After due consideration of the report of the Surveyor in regard thereto,

**IT WAS RESOLVED**—That the applications be approved, subject to the usual conditions.

**LOVEJOY ESTATE, MILL HILL:** The Surveyor intimated that he was in a position to submit a report as to his further negotiations with Mr. Howard relative to the acquisition by the Council of the land at Daws Lane, and

**IT WAS RESOLVED**—That the report be considered by the Council in Committee this evening.

**EDUCATION COMMITTEE MINUTES:** The Minutes of the proceedings of the Hendon Education Committee at their meeting on the 19th day of December, 1922, having been circulated amongst the members of the Council, upon the motion of Mr. Councillor Hearn, seconded by Councillor The Rev. Dr. Macgowan,

**IT WAS RESOLVED**—That such Minutes be received.

With regard to the Minutes of the Education Committee generally inquiry was made by Mr. Councillor Sturgess as to why the same were always received at so late a date, and upon the motion of Mr. Councillor Sturgess, seconded by Mr. Councillor Cartwright,

**IT WAS RESOLVED**—That the Education Committee be requested in future to transmit their Minutes to the Council as soon as practicable after the date of the meeting when the decisions contained therein are arrived at instead of retaining them until the following meeting for confirmation.

#### IN COMMITTEE—

**APPLICATION No. 5733:** The Surveyor submitted a report in regard to his negotiations with Mrs. Clay relative to application No. 5733 for a temporary wooden bungalow adjacent to her premises at Byron Road, Mill Hill, the application being under consideration by the Town Planning Committee at their last meeting and disapproved for the Surveyor to negotiate with Mrs. Clay in regard thereto.

The bungalow was intended, when completed, to accommodate the parents of Mrs. Clay who were in failing health, and it was deemed advisable, therefore, that they should reside in close proximity to their daughter.

It appeared from the report of the Surveyor that Mrs. Clay was willing to agree to certain conditions which he would require to be carried out in the event of the Council sanctioning the erection of the building, with the exception of the one relating to the question of drainage facilities. The Surveyor, in the conditions referred to, required the premises to be connected to the sewer, a condition which Mrs. Clay asked might be waived on the ground of expense, and a properly constructed earth closet substituted therefor.

After careful consideration of the matter, upon the motion of Mr. Councillor Egan, seconded by Mr. Councillor Hill

**IT WAS RESOLVED**—That the application be approved, together with the suggestion of Mrs. Clay in regard to the provision of an earth closet, the building being licensed as a temporary one only and the licence to remain in force during the occupation of the bungalow by the parents of Mrs. Clay.

DAWS LANE LAND: Report from the Surveyor in regard to his further negotiations with Mr. Howard relative to the acquisition of the land at Daws Lane, Mill Hill.

It will be remembered that the original price asked for the land by Mr. Howard was £2,550, but as a result of the Surveyor's negotiations with him he had agreed to accept a sum of £2,350 subject to the purchase being concluded at once.

In regard to proceeding with the purchase, the Works Committee at their last meeting had given instructions for a provisional contract to be entered into with Messrs. Howard & Partners in connection with the matter, and the necessary steps were being taken in regard thereto.

After due consideration of the report of the Surveyor, Mr. Councillor Hill moved:—

That the offer of Mr. Howard to dispose of the land to the Council for the sum of £2,350 be accepted, and that the purchase money be paid out of the Council's Revenue Account.

Mr. Councillor Winny seconded the motion.

Upon the motion being submitted to the meeting the Chairman declared the same to be carried unanimously.

OPEN AIR SWIMMING BATH—THE HYDE: In accordance with the instructions of the Works Committee at their last meeting the Surveyor submitted a report in regard to the tenders he had obtained for the provision of thirty additional dressing boxes in connection with the Swimming Bath at The Hyde, from which it appeared that the lowest tender was that of Mr. A. J. Hill, amounting to the sum of £320.

It was proposed that the cost incurred in providing the dressing boxes in question should be defrayed out of the balance of the loan relating to the Swimming Bath.

After due consideration of the matter,

IT WAS RESOLVED—That the tender of Mr. A. J. Hill be accepted for the work, and that the Clerk prepare the necessary contract in connection therewith.

TOWN PLANNING SCHEME: Consideration was given to paragraph No. 3 contained in the report of the Town Planning Committee of the 29th ulto. (Agenda page 309).

With regard to recommendation No. 1 of the report of the Committee,

IT WAS RESOLVED—That the word "Area" be substituted for the word "Scheme."

In view of the amount of work entailed in connection with the Town Planning Scheme for the district, reference was made to the desirability of securing the services of the Council's Consulting Engineer in connection with the matter, and upon the motion of Mr. Councillor Sturgess, seconded by Mr. Councillor Reynolds,

IT WAS RESOLVED—That Mr. Grimley be requested to co-operate with the Council's Engineer (Mr. Knight) in connection with the preparation of the Council's Town Planning Scheme.

Upon the motion of Mr. Councillor Reynolds, seconded by Mr. Councillor Egan,

IT WAS RESOLVED—That the paragraph, as amended, be approved and adopted.

OUTDOOR COMMITTEE: Reference was made to the desirability of convening a meeting of the Outdoor Committee to take place at an early date, and

IT WAS RESOLVED—That a meeting of the Committee in question be convened at an early date.

The Clerk reported that the Chairman of the Council (Mr. A. B. Soar) would be unable to attend this evening in view of the advice of his medical man, and letters from The Rev. Dr. W. S. Macgowan and Mr. Councillor Ford apologizing for absence were reported.

The Clerk read the notice convening the meeting.

**RESIGNATION OF MRS. G. HARGRAVES:** Report from the Clerk as to a communication from Mrs. G. Hargraves tendering her resignation of the office of Urban District Councillor for the Golders Green Ward of the Urban District of Hendon owing to the many and increasing calls upon her time, and transmitting cheque for £1 1s. 0d., the prescribed fine.

Letter from Mr. Councillor Ford expressing regret for his absence and a wish to associate himself with the expression of regret at Mrs. Hargraves retirement.

Upon the motion of Mr. Councillor Reynolds, seconded by Mr. Councillor Egan,

IT WAS RESOLVED—That the resignation be accepted with great regret and that the seat lately held by Mrs. Hargraves be declared vacant and that the Clerk, in due course, take the necessary steps in connection with the filling of the Casual Vacancy occasioned by such resignation.

IT WAS RESOLVED further—That a letter be addressed to Mrs. Hargraves with an expression of sincere regret that she has found it necessary to relinquish her seat on the Council and tendering the best thanks of the Council for the valuable services rendered by Mrs. Hargraves during her term of office.

It was moved by Mr. Councillor Cartwright, seconded by Mr. Councillor Sturgess, that the Council refund the fine of £1 1s. 0d. tendered by Mrs. Hargraves.

**PAY ORDER:** Mr. Councillor Cartwright submitted a Pay Order amounting to £1,317 13s. 1d. for current payments, and

IT WAS RESOLVED—That the same be issued and cheques drawn therefor in due course.

## Report of Works and Sewage Disposal Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 19th day of February, 1923. Present: Mr. Councillor Roberts (Chairman), Councillors Cartwright, Egan, Hill, Sturgess, Winny and Wise.

Your Committee beg to report as follows:—

### 1.—REFUSE REMOVAL:

- (1) Letter from Mr. H. P. Thompson as to alleged change of his dustbin by the Council's workmen at No. 25, Bridge Lane, Hendon, a dustbin of a smaller size, it was alleged, being substituted by the Council's workmen for the proper bin. Report from the Surveyor as to his inquiries into the matter, the men concerned maintaining that they had not substituted any other bin in this case. Your Committee

RECOMMEND—That Mr. Thompson be informed accordingly.

- (2) Letter from Mr. J. Lewis May as to alleged damage to his fence by the Dust Contractor at Mill Hill.

Report from the Surveyor that he had asked the Contractor for an explanation, but had not at present received a reply.

Your Committee deferred consideration of the matter for the Contractor's reply.

- ### 2.—ESTIMATES FOR 1923-24 FOR GENERAL DISTRICT RATE:
- That they had under consideration draft estimates prepared by the Accountant so far as they related to matters coming under the consideration of your Committee, and, subject to slight amendments therein, they consider the same to be satisfactory. The estimates will be incorporated with those of the other Committees and will be finally submitted to the Council as a whole for approval.

- ### 3.—PAY ORDER:
- An emergency Pay Order amounting to the sum of £170 4s. 5d. was submitted by the Accountant, and your Committee decided to approve same.

- ### 4.—MILL HILL WAR MEMORIAL:
- Letter from Mr. E. Simmonds, on behalf of the British Legion (Mill Hill Branch), making inquiry whether the Council would erect suitable posts and chains enclosing the Mill Hill War Memorial, thus protecting the same from damage by children and persons riding horseback. Your Committee think it would be an advantage if the Outdoor Committee made an inspection of the Memorial and decide as to the desirability of fencing or otherwise and they recommend accordingly.

- ### 5.—RENUMBERING:
- Letter from Mr. Leonard W. Green suggesting the renumbering of the portion of Montpelier Rise severed by the Tube extension works. Your Committee consider that it would be better to rename this portion of the road and suggest the adoption of the name "Montpelier Gardens," and

RECOMMEND—That this course be pursued subject to the assent of the property owners in the road.

- ### 6.—RENAMING PORTION OF BIGWOOD ROAD:
- Letter from the Hampstead Garden Suburb Trust suggesting the renaming of a portion of Bigwood Road, "Southway." Your Committee

RECOMMEND—That, subject to the owners of property in the section of road referred to being in agreement, the Council approve of the proposal.

- ### 7.—STEAM WAGONS:
- Report from the Surveyor as to the proposal discussed at the Finance Committee meeting that the Council procure additional Steam Wagons.

After due consideration thereof, your Committee

RECOMMEND—That the question be postponed for a period of six months.

- ### 8.—WEST HENDON CONVENIENCE:
- That they had under consideration plans prepared by the Surveyor for the provision of a suitable Convenience on the Council's land in the Main Edgware Road, for both sexes, at an approximate outlay of £2,000 and consider the same to be satisfactory. They

RECOMMEND—That the scheme be approved and submitted to the original Estate Owners (The Imperial Property Investment Company) with a view of obtaining their approval thereof.

- ### 9.—LAND IN DAWS LANE, MILL HILL:
- Report from the Surveyor as to his further negotiations with Messrs. Howard & Partners for the acquisition of the piece of land in Daws Lane, the owners now agreeing to accept the sum of £2,350 for the land. Your Committee instructed the Officers to proceed with the Contract for purchase at this figure.

Your Committee then sat as an Allotments Committee, in conjunction with the co-opted members (Messrs. Bacon, Wariand, Giles and Finucane) and dealt with the following matters:—

- ### 10.—ALLOTMENTS GENERALLY:
- Letter from the Board of Agriculture and Fisheries suggesting that the Council should endeavour to acquire the lands now held as temporary allotments either by purchase or hiring.

Report from the Clerk that he had informed the Ministry, in reply, that the Council had some time since approached the owners of the lands affected upon the subject, but in view of the fact that the lands were ripe for immediate building development the suggestion had met with only a small degree of success.

Your Committee approved of the Clerk's action.

- 11.—PERMANENT ALLOTMENTS: Letter from Mr. J. Baldwin (Central Hendon Allotments' Association) transmitting a list of applicants (51 in number) for Allotments, and suggesting that additional land should be obtained at Ashley Farm, Cranbourne Gardens and Princes Park Avenue. Your Committee

RECOMMEND—That the Surveyor open up negotiations for land near Ashley Lane, but consider that it would be impracticable to acquire land at Cranbourne Gardens or Princes Park Avenue.

Your Committee

RECOMMEND further—That Mr. Baldwin be informed as to the land still available for Allotments adjacent to the Brent Hill Housing Scheme.

- 12.—GARDEN SUBURB ALLOTMENTS: Letter from the Middlesex Agricultural Committee as to representations made by Mr. H. P. Merriman, on behalf of the Hampstead Garden Suburb Allotments and Horticultural Association, as to the need of permanent allotment land in the vicinity of the Suburb, and making enquiry whether the Allotments provided by the Council are sufficient for the requirements of the district.

It will be remembered that some time since this Association suggested the acquisition of certain land in the Urban District of Finchley, but when the Finchley Council were approached upon the matter they preferred to deal with the land themselves. Your Committee

RECOMMEND—That the Council again approach the Finchley Council upon the matter and that the Surveyor open up negotiations with the Hampstead Garden Suburb Trust, Ltd., as to any available land on their Estate which could be secured for Allotments.

Your Committee

RECOMMEND further—That Mr. Hart be informed as to the present position of the matter.

In regard to certain surplus land at the Outfall Works, the Surveyor reported that he had had an interview with Mr. Bamford (Land Valuation Department) and it was possible that an area of about five acres might be devoted to Allotments. Your Committee

RECOMMEND—That this matter be pressed forward for decision.

- 13.—DAMAGED CROPS: Letter from Mr. H. W. Gardner as to alleged damage to the growing crops on his Allotment by straying cattle, and claiming compensation amounting to £1 10s. 0d. The Officers reported that inquiry had been made into the matter and it appeared that the cattle were owned by Mr. Holdford. The claim had, therefore, been referred to him for settlement.

- 14.—ALLOTMENTS (COOL OAK LANE): Report from the Surveyor as to his negotiations with Mr. McIntyre, who expressed his willingness to release a further area of land at Cool Oak Lane, about nine acres in extent, subject to the remission of his rent thereof as from Michaelmas last.

Your Committee understand that the necessary fencing work will involve a sum of £85. They consider the offer made by Mr. McIntyre to be reasonable and

RECOMMEND—That the matter be agreed on the basis suggested and that the necessary fencing be erected in due course.

- 15.—LAND IN KINGSBURY ROAD: Report from the Surveyor as to an application from Mr. McIntyre to carry on the letting of the Allotments on the area (1½ acres in extent) in Kingsbury Lane from the 25th March next to Michaelmas, direct to the present tenants. Your Committee

RECOMMEND the Council to agree to this proposal.

- 16.—WESTLEY RICHARDS, LTD.: Report from the Surveyor as to his further negotiations with Messrs. Westley Richards, Ltd., as to the hire of a portion of the Allotment land adjacent to their shooting ground from which it appeared that they were willing to pay a rental of £15 for the land and to erect the necessary fencing. Your Committee

RECOMMEND the acceptance of these terms and that an Agreement be entered into accordingly.

- 17.—ALLOTMENTS IN SUNNINGFIELDS ROAD: Letter from Messrs. Blessley & Spyer to the Accountant giving six months notice to terminate the tenancy of Mr. W. Hinge's land, such notice to expire on the 29th September, 1923, and intimating that in the event of their succeeding in letting the land for building lease they might have to give three months notice to expire at an earlier date. Your Committee

RECOMMEND—That the Accountant negotiate with Messrs. Blessley & Spyer with a view to the retention of the land for Allotments.

- 18.—DAWS LANE ALLOTMENTS: Mr. Bacon drew attention to the defective condition of the gate to these Allotments and the Surveyor undertook to give the matter attention.

- 19.—ALLOTMENTS AT THE VALE: The question of improving the condition of the footpath leading to these Allotments was again under consideration, and it was agreed that the work should proceed.

20.—CHILD'S HILL ALLOTMENTS of the Child's Hill Allotment Commissioners. Your

- 20.—CHILD'S HILL ALLOTMENTS: Mr. Giles called attention to the dilapidated condition of the fencing of the Child's Hill Allotments, and it transpired that this fence was the property of the Ecclesiastical Commissioners. Your Committee

RECOMMEND—That the Surveyor call the attention of the Commissioners to the matter.

(The Co-opted Members then retired).

- 21.—TENDERS: That they gave consideration to a Schedule of Tenders received for Supplies for the half-year commencing 1st April, 1923. Your Committee

- (1) Mylesdown Estate, Mill Hill. Area about 50 acres.
- (2) Devonshire Farm Estate, Mill Hill. Area about 70 acres.
- (3) Nethercourt and Frith Grange Estates. Area about 75 acres.

Your Committee

RECOMMEND—That the Engineer prepare the necessary particulars and estimates in connection with the provision of main drainage facilities and submit them to the persons interested with a view of ascertaining to what extent they are prepared to contribute to the cost of the schemes.

23.—SEWAGE DISPOSAL WORKS: Report from the Engineer as to a recent analysis of effluent from the Works by Professor H. Kenwood, which your Committee are pleased to report is of a very satisfactory character.

Report was made as to coloured matter discharged into the sewers by the proprietors of a factory in the district, and your Committee authorised the Engineer to get into touch with them to secure the discontinuance of the discharge.

24.—SUNNY HILL FIELD: Report from the Surveyor as to the decision of the Council to erect gymnastic apparatus in this Playing Field before the coming summer, viz.:—

Two horizontal bars, two sets of parallel bars, two see-saws, and two swings.

He suggested that the Council should erect the two swings by their own workmen and that the quotation of Messrs. Spencer, Heather & George, of approximately £40, for the remaining apparatus be accepted. Your Committee

RECOMMEND—That the Surveyor's suggestion be approved and the work put in hand in due course.

25.—RENUMBERING GOLDERS GREEN ROAD: Report from the Surveyor as to the application of Messrs. W. J. Harris & Co. relating to the renumbering of a portion of the Golders Green Road, between Armistage Road and the Bridge carrying the railway over the road, the firm objecting to affix the letter A to the number assigned to their premises. Your Committee cannot see their way to undertake the renumbering suggested and instructed the Surveyor to explain the reasons to Messrs. Harris & Co.

26.—DAWS LANE: Representation was made to your Committee as to the unsatisfactory condition of the strips of private paving in this road and the Surveyor undertook to approach the Owners affected with a view of remedying the matter.

27.—REQUISITIONS: That they considered requisitions submitted by the Surveyor of materials and goods required in his Department, and

RECOMMEND approval of the same.

28.—ESTIMATES.—At the request of the Public Health Committee, your Committee considered draft estimates submitted by the Accountant for the year ending 31st March, 1924, in connection with the Removal of House Refuse, Disposal of House Refuse and Emptying of Cesspools.

Under the Council's Standing Orders questions relating to these matters stand referred to the Public Health Committee, but your Committee consider that in deference to the expressed wish of the Public Health Committee, and to regularize the matter, that the Standing Orders should be amended so as to provide for the consideration of these Estimates by the Works Committee in future. They

RECOMMEND accordingly.

In regard to the Estimates, your Committee consider that, subject to slight modification, they are satisfactory, and

RECOMMEND—That they be incorporated, as amended, in the full Estimates to be submitted to the Council for approval.

## Report of Public Health Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, The Burroughs, Hendon, on Monday, the 19th day of February, 1923. Present: Mr. Councillor F. W. Hearn (Chairman), and Councillors Miss Growse, Fenn, Holt, The Rev. Dr. Macgowan, Taylor, and Weeks.

Your Committee beg to report as follows:—

### 1.—DAIRIES, COWSHEDS, AND MILKSHOPS ORDER:

- (A) Mr. Bell attended the meeting of your Committee in accordance with the instructions issued relative to an infringement by him of the Dairies, Cowsheds, and Milkshops Order, in respect of premises now used by him at Dole Street Farm, he having failed to give notice of intention to occupy such premises as required under the Order.

After hearing the statements made by Mr. Bell your Committee informed him that in the circumstances the Council would take no further action in the matter, but they warned him against a repetition of the offence.

Your Committee

RECOMMEND—That the action taken be approved, and that the Clerk address a communication to Mr. Bell confirming the decision already conveyed to him.

- (B) Consideration was given to an application from Mr. Bell to be registered as a Dairyman and Purveyor of Milk in respect of premises at Dole Street Farm, Mill Hill, and your Committee

RECOMMEND—That the application be acceded to and that Mr. Bell be registered accordingly.

### 2.—VITAL STATISTICS: Report from the Medical Officer of Health that the death rate of the district for the past four weeks was 12.20 per thousand and the birth rate for the same period 14.46 per thousand.

Your Committee desire to point out that the death rate calculated on the deaths of residents only for the period referred to was 5.2 per thousand.

### 3.—INFECTIOUS DISEASE: A report was received from the Medical Superintendent as to the cases of infectious disease notified since the last meeting of the Committee, and also as to the cases under treatment at the Isolation Hospital.

It appeared from the report that with regard to the Isolation Hospital it had been necessary to re-open the new Ward, and further to engage temporarily an extra Nurse and Maid.

Your Committee have duly noted this report.

### 4.—MILK (SPECIAL DESIGNATIONS) ORDER, 1922: The Medical Officer of Health submitted a detailed report in regard to the provisions of the Milk (Special Designations) Order, 1922, issued by the Ministry of Health from which it appeared that the Order defined the four following special grades of milk.

1. "Certified" Milk.
2. Grade A (Tuberculin tested) milk.
3. Grade A milk.
4. Pasteurised Milk.

Under the terms of the Order, persons other than Milk Producers desirous of selling milk under the above named designations were required to obtain a licence from the Local Authority for the purpose, the licence to expire on the 31st day of December in each year, the fee therefor varying according to whether the milk was bottled on the premises for which the licence was issued or received on the premises ready bottled. In the latter case the fee would be 5/-, this class of licence has up to the present been the only one for which application has been made.

The following applications have been received:—

Name of Firm.	Address at which milk will be sold.	Grade of milk to be sold.
A1 and Dollis Dairies, Ltd.	3, Royal Parade, Temple Fortune	Certified Milk.
J. Richards, Ltd.	1, Ashbourne Parade	Certified Milk.
J. Richards, Ltd.	462, Finchley Road	Certified Milk.
J. Richards, Ltd.	223, Golders Green Road	Certified Milk.
J. Richards, Ltd.	1, Golders Green Parade	Certified Milk.
J. Richards, Ltd.	Church Road, Hendon	Certified Milk.
Express Dairy Co., Ltd.	Temple House, Finchley Road	Certified Milk and Grade A (Tuberculin tested)
Express Dairy Co., Ltd.	232, The Broadway, West Hendon	Certified Milk and Grade A (Tuberculin tested)
Express Dairy Co., Ltd.	48, Church Road, Hendon	Certified Milk and Grade A (Tuberculin tested)

Having regard to the report of the Medical Officer relative to these applications, your Committee RECOMMEND—That the same be approved and licences issued in respect thereof in due course.

Your Committee also had under consideration two further applications submitted by the Medical Officer but in view of his report in regard thereto, your Committee are unable to recommend the Council to issue licences in respect thereof, and they

RECOMMEND—That the applicants be informed accordingly and that the fees paid by them be funded and at the same time they be also informed that no objection will be raised to orders for specially designated milk being received at their premises provided the orders are executed from licensed premises.

With regard to the issue of future licences, your Committee are informed by the Medical Officer that under the terms of the Order the Council are empowered to invest your Committee with authority to issue the licences, and they

RECOMMEND—That the necessary authority be granted.

The Medical Officer referred to a request of the Ministry of Health whereby they required to be informed of the arrangements for sample testing the grades of milk for which licences were issued by the Local Authority, and also desired to be apprised of the estimated cost involved in carrying out this work.

With regard to the question of taking samples a work which will occupy a considerable amount of the time of the Sanitary Inspectors, the Medical Officer stated that he was unable to comply with the request of the Ministry until such time as they intimated the number of samples they would require to be taken.

Your Committee await a further report in regard thereto.

5.—HERIOT COITAGE—BRENT STREET:—Report from the Medical Officer of Health in regard to the premises known as Heriot Cottage, Brent Street, from which it appeared that the same were unfit for human habitation and he suggested that a Closing Order under Section 17 of the Housing, Town Planning etc. Act 1909 should be made in respect thereof.

After due consideration of the report of the Medical Officer, your Committee

RECOMMEND—That the Common Seal of the Council be affixed to a Closing Order under the Housing, Town Planning, etc., Act, 1909, and that the necessary notice be served upon the occupier of the premises in question in accordance with Section 17 of the Act referred to.

6.—ALBERT ROAD DITCH: Representation was made as to the unsatisfactory condition of the ditch at Albert Road, Hendon, and reports were received from the Medical Officer and the Surveyor upon the matter.

After careful consideration, your Committee

RECOMMEND—That in order to ensure free water way the Council undertake to cleanse the ditch periodically when required.

7.—DRAINAGE WORKS: Your Committee have received a report from the Sanitary Inspector as to drainage works carried out since the last meeting, and also as to a test applied to certain drains.

Your Committee have approved the report of the Inspector.

8.—STATUTORY NOTICES: Report from the Sanitary Inspector that in the following cases preliminary notices had been served but had not been complied with and he asked for authority to serve statutory notices if found necessary.

- 13, Ravenstone Road.
'Iris Villa,' The Hyde.
23, 53, and 60, Granville Road.

Your Committee

RECOMMEND—That the Inspector have authority to serve Statutory Notices if found necessary.

9.—SLAUGHTER HOUSE LICENCES: The Sanitary Inspector reported that application had been made by Mr. Holdstock for the renewal of his Slaughter House Licence in respect of Reets Farm, Kingsbury Lane, and also Mr. Goff in connection with Hale Lane Farm, Hale Lane, Mill Hill.

It appeared from the report of the Inspector that he had made an inspection of both premises and the same were found to be in a satisfactory condition.

Your Committee

RECOMMEND—That the licences in question be renewed for a further period of twelve months.

10.—RENT ACTS CERTIFICATES: A report was received from the Sanitary Inspector in regard to an application for the issue of a Certificate under Section 2 of the Increase of Rent and Mortgage Interest Restrictions Act in respect of premises known as 86, Audley Road, Hendon.

After consideration of such report, and being invested with power to act, your Committee gave authority for the issue of such Certificate.

11.—OVERCROWDING—MILL HILL DISTRICT: Report from the Sanitary Inspector in regard to alleged cases of overcrowding at certain premises in the Mill Hill District, and your Committee have duly noted the same.

In view of the report of the Surveyor in regard to the application, your Committee

RECOMMEND—That the same be approved.

### 3.—OPEN SPACE—GOLDERS GREEN:

- (a) Letter from the District Valuer intimating that he had been instructed by the Ministry of Health to apprise the Council of the result of his negotiations with the agent for the owner of the land proposed to be purchased by the Council for the provision of an open space at Princes Park Avenue, Golders Green.

It will be remembered that the Ministry of Health were advised by the District Valuer that the price proposed to be paid by the Council for the land was unduly high and the Ministry suggested that the Council should invoke the aid of the District Valuer in the matter and offered to arrange for his services to be placed at the disposal of the Council, a suggestion which the Council approved.

The District Valuer now stated that the agent for the owner of the land had intimated that as he had agreed the price with the Council no useful purpose would be served by discussing the matter, and that a less price than that proposed to be paid by the Council for the land would not be entertained.

Your Committee have duly noted the contents of the communication from the District Valuer.

- (b) At the same time a communication was reported to your Committee from the Ministry of Health transmitting sanction to the borrowing by the Council of the sum of £2,500 for the purchase of the land in question which your Committee have noted with satisfaction.
- (c) Letter from the Trust Officer, Public Trustee Office, on behalf of the late Mr. Beddington, the owner of the land, making enquiry whether the Council were prepared to proceed with the purchase, otherwise they would be compelled to take into consideration other offers received by them for the land.

In view of the fact that the Ministry of Health have now issued sanction to the necessary loan for the acquisition of the land, your Committee

RECOMMEND—That a contract be entered into for the purchase thereof.

### 4.—TOWN PLANNING:

- (a) The Clerk reported the receipt of the following communication from the Ministry of Health relative to the Town Planning (General Interim Development) Order, 1922:—

MINISTRY OF HEALTH,  
WHITEHALL, S.W. 1.

29th January, 1923.

TOWN PLANNING (GENERAL INTERIM DEVELOPMENT) ORDER, 1922.

Sir,—

The Minister thinks it desirable, in view of some cases which have recently come before him, to issue some further guidance to Local Authorities in connection with the administration of this Order.

If there is not an approved Town Planning Scheme in force, Local Authorities have no power to prevent development which complies with the bylaws or other statutory provisions in force: but, if a resolution to prepare a Town Planning Scheme has been passed, any person who develops without special consent is prejudiced if the particular development should contravene the Scheme ultimately approved. By the Interim Development Order, Local Authorities are enabled to give consent to development in anticipation of a Scheme; and a person who has received such consent is placed exactly in the same position, as regards compensation, as if the development had been undertaken before the resolution was passed.

The Minister considers that the presumption should always be in favour of the person who wishes to undertake development.

Town Planning is stages as may later be exercised over it to be exercised over of the various interests desirable that no obstacle detrimental to important

The Minister consent be refused only if they tend to include in their and he proposes to follow Order.

It is highly desirable indeed, and the Minister Local Authorities and achieving this result.

have recently come before him, with the administration of this

Local Authorities have no power statutory provisions in force: passed, any person who develops should contravene the Scheme Authorities are enabled to give who has received such consent as if the development had been

Town Planning is new, and it would not be right to attempt so close a control at the early stages as may later be warranted. Further, it would not be reasonable to expect as strict authority to be exercised over development before as after a Scheme has been approved, when the views of the various interests affected will have been heard and fully considered. It is also particularly desirable that no obstacles should be placed in the way of proposed development unless it is clearly detrimental to important local needs or interests.

The Minister considers therefore, that consent under the Interim Development Order should be refused only if the development contravenes a definite proposal which the Local Authority intend to include in their Town Planning Scheme, and this proposal is clearly of first importance; and he proposes to follow this course in deciding appeals which may be made to him under the Order.

It is highly desirable that cases should be settled locally, and that appeals should be very few indeed, and the Minister is satisfied that, with a reasonable spirit of compromise on the part of the Local Authorities and of those who wish to develop, there should not be any serious difficulty in achieving this result.

Any agreements between Local Authorities and developing owners in connection with the Order should always be put into writing.

I am, Sir,

Your obedient Servant,

I. G. GIBBONS,

Assistant Secretary.

To the Clerk to the  
Urban District Council.

Your Committee have duly noted the contents of this communication.

(b) Letter from the Clerk to the Urban District Council of Finchley, transmitting for the information of the Hendon Council, a copy of an advertisement appearing in the local papers circulating in the Finchley District relative to the intention of the Finchley Council to adopt a preliminary statement in connection with their Town Planning Scheme.

Your Committee have duly noted the same.

(c) Letter from Mr. H. R. Aldridge, National Housing and Town Planning Council, notifying the holding of a Conference upon the subject of Housing and Town Planning on the 22nd and 23rd prox., and inviting the Council to appoint representatives to attend the proposed Conference.

Your Committee have no recommendation to make in regard thereto.

5.—CONTRAVENTION OF BYE-LAWS: Report from the Surveyor in regard to a contravention of the Council's building bye-laws in respect of two houses erected by Messrs. Winter & Ward in Newcombe Park, Mill Hill, they having allowed the premises to be occupied without first giving notice to the Council of the completion of the same,

Your Committee

RECOMMEND—That Messrs. Winter and Ward be served with a notice to show cause why the work executed by them should not be removed, altered, or pulled down.

6.—WIDENING—JUNCTION OF CHURCH ROAD AND BRENT STREET: The Surveyor submitted a report in regard to his negotiations with the owners of the land at the junction of Church Road and Brent Street relative to the terms upon which they would be prepared to surrender a portion of their land and premises for the widening of the road in the vicinity referred to.

Having regard to the cost which would be involved in adopting the suggestions referred to by the owners, the Surveyor submitted a plan which he had prepared indicating a proposal which could be carried out without affecting the existing buildings.

After due consideration of the matter, your Committee

RECOMMEND—That the Surveyor's suggestion be approved, and that the necessary arrangements be made to carry the same out in due course.

7.—DOLLIS LANE, MILL HILL: Report from the Surveyor in regard to an application from Mr. D. Lombard, a resident of East Finchley, for permission to stand a Caravan, to be used for housing accommodation, on a site in Dollis Lane near the Railway Viaduct.

After due consideration of the report of the Surveyor, your Committee are unable to recommend the Council to accede to the application. They

RECOMMEND—That Mr. Lombard be informed accordingly.

8.—PREMISES—GOLDERS GREEN ROAD: Letter from Messrs. Browett, Taylor and Cordery, accompanied by a sketch plan making application for permission to cover in the yard at the rear of premises known as No. 127, Golders Green Road.

Report from the Surveyor in regard to the matter from which it appeared that he was of opinion that the proposal would not provide adequate air space for the building in question.

Having regard to the report of the Surveyor, your Committee

RECOMMEND—That Messrs. Browett, Taylor & Co. be informed that the Council regret they are unable to approve of their proposal.

9.—BROADWAY HALL, MILL HILL: Letter from the County Engineer and Surveyor intimating that plans had been deposited for provisional approval in connection with the music and dancing licence for the Hall in course of erection at the junction of Flower Lane and Lawrence Street.

The County Engineer referred to the provision made for two pairs of emergency exit doors on the south side of the building and stated that it was essential from a licensing point of view that the doors should open outwards and he made enquiry whether the Council had any objection to offer to the proposal.

Your Committee are informed by the Surveyor that the land adjoining the Hall is reserved for the construction of a road in connection with the land purchased by them at Daws Lane and it would not be possible under the Public Health Act to allow the exit doors to open outwards upon the proposed road.

They therefore

**RECOMMEND**—That the Surveyor communicate with the Surveyor of the County Council apprising him of the circumstances in connection with the matter.

- 10.—**TEMPORARY BUILDING—STATION ROAD**: The Surveyor submitted a letter from Mr. W. G. Bowling in regard to the notice served upon him to pull down and remove the temporary building at his premises in Station Road, Hendon (within a period of one month) having regard to the fact that the building had been used for purposes other than those for which it was licensed.

Mr. Bowling urged the Council to re-consider their decision in connection with the matter.

After due consideration thereof, your Committee

**RECOMMEND**—That Mr. Bowling be informed that if the Council were satisfied at the expiry of the notice referred to that the building had reverted to the use for which it was originally licensed they would consider the question of allowing the building to be retained.

- 11.—**BUILDING LINE—RHODES FARM, MILL HILL**: Letter from the Medical Research Council in regard to the erection of buildings at Rhodes Farm, Mill Hill, and asking the Council to define a building line in respect thereof.

Your Committee received a report from the Surveyor accompanied by a plan indicating the building line suggested by him in connection with the matter, and they

**RECOMMEND**—That the same be approved, and that the Surveyor acquaint the Medical Research Council with the proposal.

- 12.—**TEMPORARY BUILDING—GOLDERS GREEN ROAD**: Letter from Messrs. Wallace, Spiers & Co., Ltd., intimating that they had purchased the temporary building in the Golders Green Road, formerly in the occupation of Mr. Hugh Clark. They further stated that they proposed to use the same as a Coal Order Office, and made application to be furnished with a licence in respect of the temporary building in question.

Your Committee

**RECOMMEND**—That the licence issued to Mr. Hugh Clark be cancelled, and that a new one be issued in favour of Messrs. Wallace, Spiers & Co. for the period ending the 31st December next.

## Report of Housing Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 26th day of February, 1923. Present: Mr. Councillor Roberts (in the Chair), and Councillors Miss Growse, Mrs. Bannister, Cartwright, Hearn, Holt, Rev. Dr. Macgowan, Sturgess, and Wise.

Your Committee beg to report as follows:—

- 1.—**BRENT HILL SCHEME**: That they had under consideration correspondence with Messrs. J. E. Billings and Co., Ltd., and reports from the Architect in reference to the final accounts in connection with their Contract for the Brent Hill Estate Scheme.

Your Committee understand that these accounts are now in the hands of H.M. Office of Works with a view of settlement. Your Committee have issued instructions to the Architect in connection with this matter.

- 2.—**BRENT HILL (Additional 20 Houses)**: Report from the Architect that Messrs. Perry & Co.'s Contract for the additional twenty houses was proceeding, but had been retarded by the extremely wet weather. The firm hoped now to make rapid progress.

- 3.—**TENANTS COMPLAINTS**: Report from the Architect as to the result of his investigations of the penetration of water under certain of the doors of the houses at Brent Hill, and suggesting the provision of a larger weather board in these cases at a small outlay. Your Committee

**RECOMMEND**—That the Surveyor carry out this work by his own workmen.

In regard to the complaint of certain windows not being weather proof the Architect reported that the matter complained of was occasioned by ordinary condensation. He proposed in some cases to call upon Messrs. Billings & Co. to carry out slight pointing work.

He also undertook to make inquiry in regard to complaints as to the draining boards fixed in certain of the houses.

4.—**SURPLUS CASEMENTS**: Letter disposed of their offices at some other storage for the stone on the waste ground at the top

- 4.—**SURPLUS CASEMENTS:** Letter from Mr. George Hornblower intimating that Messrs. Billings & Co. had disposed of their offices at the Brent Hill Estate and desired that arrangements should be made for some other storage for the steel casements. Arrangements had been made for placing the casements on the waste ground at the top of St. David's Place.

Letter from the Ministry of Health suggesting that tenders should be invited for the purchase of the casements. They made inquiry whether the original makers had been approached with a view of taking the casements back into stock.

Report from the Architect that inquiry had accordingly been made of Messrs. Williams & Co., and they had expressed their willingness to make an offer for the casements. Your Committee noted the action taken and await a further report as to Messrs. Williams & Co.'s offer.

- 5.—**GAS SUPPLY:** Report from the Architect that the Gas Light & Coke Co. had agreed, subject to the acceptance of their specification and estimate for carcassing and the provision of gas service to the additional 20 houses at Brent Hill Estate, to supply the tenants with a prepayment meter, cooker and lighting fittings for each point without any additional charge beyond that provided in the charge for gas by a prepayment meter. The fittings and apparatus to remain the property of the Company and this arrangement to stand so long as the prepayment meter was used. Your Committee

RECOMMEND acceptance of this offer.

In regard to the quotation of the Gas Light and Coke Company of £6 17s. 0d. per house for carcassing and service pipe at present under the consideration of the Ministry of Health, a message had been received that although the Ministry considered the charge somewhat high the same would be approved and confirmed in writing in due course.

- 6.—**CLOISTER ROAD FINAL ACCOUNTS:** Report was made by the Architect that these accounts were now under examination by H.M. Office of Works. NOTED.
- 7.—**HOT WATER SERVICE—BRENT HILL HOUSING:** Letter from Messrs. Nicholls & Clarke notifying an assignment of a sum of £75 stated to be payable in respect of these Contract Works. NOTED.
- 8.—**ARCHITECT'S FEES:** Reference was made to outstanding fees and it was stated that the matter would be dealt with at the next Finance Committee meeting.

Letter from Mr. H. B. Pope (Quantity Surveyor) asking for payment on account of fees alleged to be due for the adjustment of the Brent Hill Farm Scheme account with the Improved Concrete Construction Company.

Your Committee instructed the Clerk to communicate with Mr. Hornblower in regard to this matter.

- 9.—**ASSISTED HOUSING SCHEME—SUBSIDY:** Letter from the Ministry of Health stating that the Minister was prepared on receipt of application to make advances within the financial year on account of the Exchequer Subsidy accruing in respect of that year.

Report from the Accountant that the necessary application had been made. NOTED.

- 10.—**CONVERSION OF DWELLING HOUSES INTO FACTORIES:** Letter from the Metropolitan Borough of Hackney recommending the introduction of legislation granting to Local Authorities powers to prevent the use of dwelling houses as factories or workshops and asking the Council to support the movement.

Your Committee have no recommendation to make upon the matter.

- 11.—**ESTIMATES—YEAR ENDING 31st MARCH, 1924:** The Accountant submitted an Estimate of the working of the two Housing Schemes during the next financial year showing an estimated surplus of £392.

Your Committee desire to be furnished with a return of the working of the schemes since their inception and

RECOMMEND—That the Accountant prepare such return for consideration at the next meeting of the Committee.

- 12.—**TARPAVING FOOTPATHS:** Report from the Surveyor with estimates for tarpaving footpaths at Cloister Road. Your Committee instructed the Surveyor to submit such estimates to the Highways Committee for consideration.

- 13.—**BITTACY HILL SCHEME:** The Surveyor submitted detailed estimates and plans for the erection of 28 two-bedroom flats and 24 three-bedroom flats on the site at Bittacy Hill, the total estimated cost being £18,760. Your Committee

RECOMMEND—That the Council approve of the scheme and that application be made to the Ministry of Health for sanction to the necessary loan in connection with the matter.

Your Committee

RECOMMEND further—That advertisements for tenders for the scheme be issued as soon as practicable.

With regard to a site for the erection of the proposed flats the Surveyor suggested that the road adjacent to the present station should be extended and the suggested new quarters erected to front the extended road in accordance with a plan submitted to your Committee.

After careful consideration of the report of the Surveyor, your Committee

**RECOMMEND**—That the proposal contained therein be approved, together with the plan submitted by the Surveyor, and that application be made to the Ministry of Health for sanction to the necessary loan for the provision of the additional accommodation referred to.

- (b) With regard to the question of obtaining sites for the erection of Sub-Stations in various parts of the district the Surveyor submitted a plan indicating certain sites which he suggested suitable for the purpose, and your Committee instructed him to negotiate with the land owners in regard to the sites in question.

## Report of General Purposes Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 5th day of March, 1923. Present: Mr. Councillor Hill (Chairman), and Councillors Miss Growse, Mrs. Bannister, Egan, Ford, Holt, Reynolds, Taylor, Winny, and Wise.

Your Committee beg to report as follows:—

- 1.—**TRAMWAY FACILITIES**: That they gave further consideration to the communication from Mr. C. J. Spencer (General Manager of the Metropolitan Electric Tramways, Ltd.) in reference to the suggested formation of queues at the Cross Roads, Golders Green, for the regulation of passengers on the tram cars, and Mr. Spencer attended the meeting to further explain the scheme submitted some time since for providing suitable sidings on the spare ground forming part of the Underground Company's premises which it was considered would obviate the difficulty now experienced.

After due consideration of Mr. Spencer's statement, your Committee came to the conclusion that it would be an advantage if the Outdoor Committee viewed the site for the proposed sidings, and they

**RECOMMEND** accordingly.

- 2.—**MESSRS. BILLINGS & CO.'S CONTRACT**: Letter from Messrs. De Buriatte & Bowen pressing for payment of moneys alleged to be due to Messrs. Billings & Co. under their contract for the Brent Hill Housing Scheme, which will be dealt with at the next Housing Committee Meeting.

- 3.—**LAND TAX REDEMPTION**: Letter from the London Electric Railway Company as to the desire of the Company to redeem the Land Tax upon that portion of the land (originally part of Hendon Public Park) and acquired for the purposes of the Tube Railway extension, and suggesting that the Council agree at the same time to redeem their proportion of the Land Tax charged on the remainder of the Park Lands at an approximate cost of £42 12s. 0d. The Company offered to carry the whole matter through.

Your Committee consider it desirable that the matter should be carried through on the lines suggested by the Railway Company and they

**RECOMMEND**—That the offer of the Company be accepted.

- 4.—**KING'S ROLL COMMITTEE**: Letter from Mr. W. R. Bousfield (Ministry of Labour Employment Exchange) expressing the opinion that if the Council agreed to the formation of a King's Roll Committee for Hendon they would be doing a public service and their Secretary would be willing to undertake the Secretarial work.

Your Committee

**RECOMMEND**—That Councillors Egan, Ford, Holt and Hearn be nominated to act on the Committee proposed to be formed, and that Mr. Bousfield be informed accordingly.

- 5.—**HENDON EMPLOYMENT COMMITTEE**: Letter from the Ministry of Labour intimating that the nomination of Mr. A. O. Knight as the Council's representative on the Hendon Employment Committee had been accepted and he had been informed of his appointment. Noted.

- 6.—**URBAN DISTRICT COUNCILS' ASSOCIATION CONFERENCE**: Letter from the Secretary of the Association intimating that the Annual Conference would be held at Llandudno on the 28th, 29th and 30th June next and expressing the hope that the Council would be again represented. Your Committee

**RECOMMEND**—That Mr. Councillor Reynolds and the Clerk attend the Conference as the representatives from this Council.

- 7.—**FLAG DAY**: Letter from the Secretary of the Hampstead General and North-Western Hospital as to proposal to hold a Flag Day in aid of the Funds of the Hospital on the 23rd May next and expressing the hope that the Council would offer no objection to a collection being made at Golders Green Tube Station. The Commissioner of Police required the authority of the Council as Golders Green was outside the area of the Borough of Hampstead.

Your Committee

RECOMMEND—That the Secretary be informed, in reply, that the Council offer no objection to the suggested collection at Golders Green Station.

8.—OLYMPIC GAMES: Letter from the British Olympic Association requesting the Council's co-operation in collecting Funds for the Olympic Games to be held in France in 1924, and expressing the hope that the Hendon public might be induced to contribute a sum of £60 towards this object.

Your Committee have no recommendation to make upon the matter.

9.—BURGESS' CHARITY: Letter from Mr. J. H. Sturgess intimating that the appointment of Mr. Councillor Roberts as a representative Trustee of the Burgess Charity on the 22nd May last was premature, as the actual scheme instituting the Charity was only approved on the 14th July last. To regularize the matter he suggested that the Council pass another Resolution confirming Mr. Roberts' appointment as a Trustee.

Your Committee

RECOMMEND—That the Council appoint Mr. Councillor Roberts as a representative Trustee of the Burgess Charity.

10.—REDISTRIBUTION OF SEATS: Letter from the Hendon Ratepayers' Association noting that the Council had deferred this question and requesting that when the matter was revived opportunity should be given to the Association and other kindred bodies in the district to consider the Council's proposals. The Association considered that if the question arose in the near future, one extra Member should be allotted to the Golders Green Ward, that Burnt Oak and Colindale be made a separate Ward with one Member and that the representation of the Mill Hill Ward be reduced by one Member.

Your Committee have noted this communication and think it desirable to inform the Association that the Council understand that a Local Inquiry will be held in regard to the application for an additional Member for Golders Green and the adjustment of boundaries between the Golders Green and Child's Hill Wards.

11.—LONDON & COUNTIES ELECTRICITY DISTRICT: Notice from the Secretary of the Electricity Commissioners as to proposed Local Inquiry to be held at the Offices of the Institution of Electrical Engineers, Savoy Place, Victoria Embankment, on Monday, the 12th day of March, 1923, at 10.30 a.m., to consider a scheme for the supply of Electricity for the Electricity District.

Your Committee

RECOMMEND—That copies of the scheme be procured for the information of the Members.

12.—ACCIDENTS:

(1) Letter from the Prudential Approved Societies as to an alleged accident to Harry Charles Bourne on the 15th September last when engaged on road work at Golders Green. Your Committee understand that this matter is being dealt with by the Insurance Company and have no recommendation to make thereon.

(2) Report as to claim made by Messrs. Appleton & Co. on behalf of Edward A. Smith, who was alleged to have sustained injury when engaged on the Arterial road works on the 11th September last from which it appeared in this case also that the matter was being dealt with by the Insurance Company.

13.—OVERSEERS: That they gave consideration to the question of appointing Overseers of the Parish for the ensuing year, and

RECOMMEND—That the following gentlemen be appointed Overseers of Hendon for the ensuing year:—

Mr. Charles Harrington Page.
„ Councillor Stephen Huntley Egan.
„ „ A. Burgess Soar.
„ „ Albert Edward Winny.
„ „ Walter Taylor.

Your Committee

RECOMMEND further that the best thanks of the Council be tendered to the retiring Overseers for the valuable services rendered by them during the past year.

14.—ELECTION STAFF: Your Committee

RECOMMEND—That the members of the staff desirous of acting in connection with the ensuing Council Elections be permitted to do so without condition.

15.—COTTAGE HOSPITAL MEETING: Your Committee have considered an application for the occasional use of a room at the Town Hall for Meetings of the Committee arranging a Gala in support of the Funds of the Local Cottage Hospital free of charge. Your Committee

RECOMMEND—That the application be acceded to.

16.—TELEPHONE EXCHANGE: Report from the Surveyor as to a communication from the London Telephone Service as to the naming of the Exchange to be established at Golders Green, it being proposed to adopt the name "Meadway." Your Committee have no observation to make upon the matter.

17.—LAND AT WESSEX GARDENS: Report from the Surveyor as to his further negotiations in connection with the proposed sale of land near Wessex Gardens School. Your Committee gave instructions for a further letter to be sent to Col. Warliker offering to dispose of the land to him at the sum of £550.

## Report of Highways Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 5th day of March, 1923. Present: Mr. Councillor Egan (Chairman), Councillors Mrs. Bannister, Miss Growse, Ford, Holt, Hill, Reynolds, Taylor, Wise and Winny.

Your Committee beg to report as follows:—

- 1.—**CLASSIFICATION OF ROADS, ETC.:** Circular letter from the Ministry of Transport in regard to the standardisation of Road Direction Posts and Warning Signs, and intimating that Identification Numbers had now been assigned to all Roads, including Classes 1 and 2 of the Ministry's Classification Scheme, and expressing the hope that the Council would co-operate in securing the indication of the route numbers upon the direction posts in the prescribed manner.

The Ministry transmitted Schedules indicating the numbers allotted to the District Roads in the Hendon District.

Letter from the Middlesex District Councils' Association upon the same subject.

Your Committee have referred these communications to the Surveyor for necessary action.

- 2.—**FINCHLEY LANE, ETC., IMPROVEMENTS:** Letter from the Ministry of Transport transmitting the Minister's formal approval of the putting into force by the Council of Section 2 of the Unemployment (Relief Works) Act, 1920, in pursuance of the Certificate received from the Minister of Labour as regards the land required in connection with the proposed works of improvement. Your Committee

**RECOMMEND—**That the necessary steps be taken in the matter as soon as the sanction to the loan has been received from the Ministry of Health.

3.—**TREES:**

- (1) Letter from Mr. R. M. Weeks (on behalf of the Trustees of the Wesleyan Methodist Church) asking for the removal of the tree opposite the Wesleyan Schools, it being considered that damage might arise to the School Building in the event of the tree falling.

Your Committee understand that the tree in question is not dangerous and, moreover, it is situate on private lands. They

**RECOMMEND—**That the Trustees get into touch with the landowner, suggesting the removal of the tree.

- (2) Letter from Mr. Thomas Carpenter calling attention to numerous elm branches overhanging Lawrence Street, Mill Hill, alleged to be dead which he considered a source of danger to the public and suggesting the removal of the same.

Your Committee understand that in this case also the trees are situate on private property, and

**RECOMMEND—**That Mr. Carpenter be so informed.

4.—**PRIVATE ROADS:**

- (1) **GOLDERS MANOR DRIVE:** Letter from Mr. T. Emery complaining of the deplorable condition of Golders Manor Drive and suggesting that the same be improved. The road in question is a private road and from the Surveyor's report thereon it appears that only one side thereof is developed with buildings. Your Committee cannot recommend the Council to put into operation the provisions of Section 150 of the Public Health Act, 1875, in this case, but suggest that the Owners should combine and carry out works of a temporary character.

- (2) **BEECHCROFT AVENUE:** Letter of a similar character from Mr. J. H. Collingwood complaining of the condition of this road. Report from the Clerk that he had informed Mr. Collingwood that the Council had this road under consideration in the early part of last year and at that time the Owners were averse to the carrying out of the permanent works the proposal was, therefore, deferred.

The Surveyor submitted plans and estimates for making up this road under Section 150 of the Public Health Act, 1875, and your Committee

**RECOMMEND—**That the Council approve same and that in due course notices be served upon the Owners of property in this road under the Section referred to.

- (3) **HODFORD ROAD (portion of):** Letter from Mr. L. V. Roberts calling attention to the bad condition of the lower part of Hodford Road. Report from the Surveyor that the section of road in question was of a private character. In view of the building developments in this road, your Committee

**RECOMMEND—**That the Surveyor prepare plans and estimates for making up of the same under Section 150 of the Public Health Act, 1875.

- (4) **GREENFIELD GARDENS:** Letter from Dr. M. S. Thomson expressing a wish to add his name to the list of residents making application for the making up of Greenfield Gardens. It will be remembered that instructions have been given to the Surveyor for the preparation of plans and estimates for making up this road under Section 150 of the Public Health Act, 1875, and your Committee

**RECOMMEND—**That Dr. Thomson be so informed.

## 5.—PUBLIC LIGHTING:

- (1) **LYNDALE:** Letter from Mr. Bernard Dicksee, of Lyndale, Child's Hill, again calling attention to the alleged inadequate lighting of Lyndale. He pointed out that no lamp existed in the road between the Stable to The Bungalow and one round the corner in Ranulf Road, and this portion of the road was very dark. Your Committee

RECOMMEND—That one additional public lamp be erected in this road in a position near the bend of the road.

- (2) **FOOTPATH ARCHES, THE HYDE:** Letter from The London Midland and Scottish Railway Company intimating that the Company would have no objection to the erection of a lamp to light the arches over the footpath, subject to an agreement in the usual form. Your Committee

RECOMMEND—That a further communication be addressed to the Company explaining that the difficulty in connection with the erection of a lamp arises owing to the absence of a gas supply and making inquiry whether the Company would be prepared to afford facilities in this direction.

- 6.—**FOOTPATH (FULLER STREET TO HEADING STREET):** Representation was made as to the dirty condition of the footpath which connects Fuller Street and Heading Street and suggesting that the condition of the same should be improved. Report from the Surveyor that this footpath was of a private character not under the jurisdiction of the Council. Your Committee

RECOMMEND—That the Sanitary Inspector submit a report upon the condition of the footpath from a sanitary point of view.

- 7.—**ROAD MAINTENANCE:** Letter from Bituloid Roads Colloidal, Limited, drawing attention to the economy effected by the use of the product known as Bituloid. Your Committee referred the same to the Surveyor for consideration.

- 8.—**PARK ROAD AND QUEEN'S ROAD WIDENING:** Letter from the Ministry of Transport (Roads Department) intimating that it was hoped at an early date to communicate the decision of the Minister to the Council's application for a Grant.

Your Committee have duly noted the same.

- 9.—**DISPLAY OF GOODS:** Letter from Mr. A. M. Krichefski as to his desire to exhibit goods on the footway outside his premises at Strathavon Terrace, Brent Street, Hendon, and making inquiry as to the limit of his forecourt.

Report from the Surveyor that he had informed Mr. Krichefski that the whole of the footpath opposite his premises was public property.

Your Committee approved of the Surveyor's action.

- 10.—**WIDENING OF STATION ROAD:** Report from the Surveyor in reference to his further negotiations for the land proposed to be acquired from the Hendon Alexandra Club required in connection with the widening and improvement works in Station Road from which it appeared that the valuation of the strip of land by the District Valuation Office was considerably lower than the price asked by the Club.

Your Committee decided to leave the matter in the hands of the Surveyor for further negotiations.

- 11.—**BLIND LANE:** Report from the Surveyor as to the further building developments in Blind Lane which rendered it necessary to proceed with the construction of the road. Strips of land for the widening of the old highway were being added thereto by the persons erecting buildings in the road.

After due consideration of the report, your Committee

RECOMMEND—That the Council undertake any necessary works to the roadway in question in conjunction with the works projected in Finchley Lane.

- 12.—**MAKING UP PRIVATE ROADS:** The Surveyor submitted plans and estimates for permanent works in the following Private Roads under Section 150 of the Public Health Act, 1875:—

Ravenscroft Avenue (second portion).  
Elmcroft Avenue.  
Beechcroft Avenue.  
Brookside Road.  
Clifton Gardens.

Your Committee

RECOMMEND—That the plans and estimates be approved and that the works be carried out under Section 150 of the Public Health Act, 1875, and for that purpose the necessary notices under the section referred to be served upon the Owners of the properties abutting upon the above-mentioned roads.

- 13.—**DEVONSHIRE PLACE:** Report from the Surveyor as to a Petition received from the residents in Devonshire Place, Child's Hill, calling attention to the bad condition of this road and requesting the Council to carry out permanent works therein.

After due consideration of the report of the Surveyor as to the condition of the road, your Committee

RECOMMEND—That the Surveyor prepare plans and estimates for making the same up under Section 150 of the Public Health Act, 1875.

- 14.—**PORTSDOWN AVENUE:** Report from the Surveyor as to Petition from residents in Portsdown Avenue requesting the Council to make the same up under Section 150 of the Public Health Act, 1875.

Your Committee understand the signed the Petition. Your Committee

Your Committee understand that sixteen out of the twenty owners of property in the road have signed the Petition. Your Committee

RECOMMEND—That the Surveyor prepare plans and estimates for making the same up under Section 150 of the Public Health Act, 1875.

- 15.—CRANBOURNE GARDENS: Report from the Surveyor as to Petition from residents in Cranbourne Gardens requesting the Council to make the same up under Section 150 of the Public Health Act, 1875.

Your Committee understand that more than half of the road is developed with buildings and building operations are proceeding fairly rapidly in the road, and it was probable that the same would be completely developed by the time the Ministry of Health's sanction had been received. Your Committee

RECOMMEND—That the Surveyor prepare plans and estimates for making up the same under Section 150 of the Public Health Act, 1875.

- 16.—LIGHTING COLIN DEEP LANE: Report from the Surveyor as to the suggestion for lighting Colin Deep Lane from St. Joseph's Convent to Booth Road, from which it appeared that no gas main existed beyond St. Joseph's Convent and the proposal would involve the laying of a main 4,000 feet long, mainly over the viaduct of the Midland Railway.

In view of this situation, your Committee do not think it possible to undertake the lighting of this road until further developments take place. They, therefore,

RECOMMEND—That the consideration of the matter be deferred for a period of six months.

- 17.—THE RIDGEWAY, MILL HILL: Report from the Surveyor that he had found it necessary owing to the recent heavy rains, combined with the traffic in the road, to fill up the footpath opposite Wentworth Hall, Mill Hill, to the road level and to make the roadway good. Your Committee approved of the Surveyor's action.

- 18.—ROAD ROLLER REPAIRS: Report from the Surveyor as to a breakdown of the tubes in the boiler of the Council's steam roller and that the same had been thoroughly overhauled. It would be necessary for the roller to go to the makers' works to be completely taken down and refitted. The roller had been in constant work for 12 years and had never previously been overhauled. An estimate of the cost of repairs had been procured from the makers. Your Committee

RECOMMEND—That a quotation for the work required be procured from a second firm and that the Chairman of the Committee be invested with power to accept the lowest quotation.

- 19.—CLOISTER ROAD (FOOTPATH FROM GRANVILLE ROAD TO CLOISTER ROAD):

- (A) Report from the Surveyor as to the estimated cost of paving this footpath amounting to the sum of £98. The Surveyor considered this to be a desirable improvement having regard to the fact that a large number of persons made use of the footpath. Your Committee

RECOMMEND—That this work be carried out.

- (B) With regard to the footpaths in Cloister Road which had been formed with limestone chippings and now needed repair the Surveyor expressed the opinion that if they were regulated and tarred later on in the proper season they should form satisfactory footpaths for some time to come. The real cause of the trouble in the road arose from the wide margins between the path and kerb (originally intended for greensward) such greensward having disappeared, leaving a mud track.

In regard to the circular garden at the top of Cloister Road the cost of removing the remains of the shrubs and tarpaving the whole area amounted to £20. Your Committee

RECOMMEND—That the Surveyor carry out his suggestions as to tarpaving works at the proper season, including the paving of the circular space referred to.

- 20.—HALE LANE: Representation was made as to the need of connecting the two lengths of footpath in Hale Lane, and your Committee

RECOMMEND—That the Surveyor have authority to carry out this work.

- 21.—CAB RANK, GOLDERS GREEN: Report from the Surveyor of the receipt of formal order of the Commissioner of Police slightly altering the position of the Cab Rank in North End Road, Golders Green.

Your Committee have no observations to make upon the matter.

- 22.—"DRIVE SLOWLY" NOTICES: Letter from Mr. J. C. St. Aubyn Angove suggesting the erection of warning boards at the Cross Roads, Golders Green. Your Committee suggest that the whole matter be considered by the General Purposes Committee and recommend accordingly.

- 23.—TREES:

- (1) Letter from Mrs. Magnus to the Surveyor asking that the elm tree in front of her house "Almora," Brent Street, Hendon, should be lopped and topped so as to remove the obstruction to light and air. Your Committee understand that the tree in question is a very old one and the Surveyor considers it advisable that the work should be done. Your Committee, therefore,

RECOMMEND—That the Surveyor have this work carried out.

- (2) Letter from Mr. C. Barrett, of 104, Bridge Lane, relative to the old oak tree on the public footpath immediately outside his house, suggesting that the same should be lopped so as not to exclude the light from his house. The Surveyor expressed the opinion that in view of the age of the tree this work should be done. Your Committee

RECOMMEND—That the work be carried out.

- 24.—HALL LANE WIDENING: Report from the Surveyor as to his further negotiations with Mr. Hinge as to surrendering the necessary land for the widening of Hall Lane to the increased width of 60 feet now suggested by the Council, from which it appeared that Mr. Hinge was willing to give up the land on payment by the Council of a sum of £250.

Your Committee consider this offer a reasonable one and recommend its acceptance.

In regard to the portion of the road leading from the "Greyhound" to the foot of the Hill, your Committee consider, in view of the increased traffic, that if practicable it is desirable to widen this portion also. Some years ago such a project was considered when an offer was made to give up the land for widening of the road, subject to extinguishing the footpath inside the boundary of the field, and your Committee have requested the Officers to report upon this matter at a future meeting of the Committee.

- 25.—HAMMERS LANE: Report from the Surveyor with plan of proposed improvement in Hammers Lane, Mill Hill, the owner of the land necessary being willing to surrender the land to the Council on condition that the Council erected a new fence on the new boundary.

The Surveyor pointed out that the improvement would be a very useful one as the present footpath was only two feet six inches wide and the additional four feet would prevent the public from having to step off the footpath into the roadway. The need for the improvement had become more pronounced since the advent of the motor bus traffic.

Your Committee understand that the new fencing would cost approximately £50 and the improvement would involve the removal of one of the lines of trees at this spot. Your Committee

RECOMMEND the Council to approve of this proposal, subject to the usual agreement with the owner.

Your Committee

RECOMMEND further—That the Surveyor make inquiry as to the possibility of obtaining a strip of land from the Grammar School Authorities on the opposite side of Hammers Lane with a view to widening the road on that side also.

- 26.—CRICKLEWOOD BROADWAY: Report from the Surveyor with plan received from the Engineer of the Willesden Council suggesting the provision of a Refuge in the centre of the road to safeguard pedestrians crossing the Edgware Road by Cricklewood Broadway and Chichele Road.

The estimated cost of the scheme, including the alterations of the tram lines, amounted to £400, and the Willesden Council make inquiry whether the Council would be prepared to make a contribution towards such outlay. The Middlesex County Council had also been approached to make a contribution.

Your Committee

RECOMMEND—That the final consideration of the matter be deferred pending the receipt of the decision of the Middlesex County Council upon the matter.

- 27.—TRIANGULAR ENCLOSURES IN THE RIDGEWAY, GOLDERS GREEN: Letter from Mr. T. C. Smith, of No. 50, The Ridgeway, Golders Green, as to the road charges apportioned upon him in respect of the triangular enclosure opposite his premises, agreeing to pay the road charges on condition:—

- (1) That the sum was spread over a period of three years by agreement.
- (2) That when the road which would run along the flank boundary of his premises was made up no sum should be apportioned upon him in respect of the frontage of the triangular garden at the corner of the road, or of the footpath which ran between the triangular garden and the boundary of his premises.
- (3) That the Council take over the triangular garden as public property and maintain the same.

In view of the previous decisions of the Council upon the matter, your Committee recommend acceptance of Mr. Smith's offer.

- 28.—REQUISITIONS: The Surveyor submitted requisitions for materials required in his Department, and your Committee approved same.

## Report of Staff Committee.

To the Chairman and Members of the Urban District Council of Hendon.

(Sitting as a Council in Committee).

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 26th day of February, 1923. Present: Mr. Councillor Roberts (Vice-Chairman, in the Chair), Councillors Cartwright, Egan, Hearn, Hill, Reynolds, Sturgess and Taylor.

Your Committee beg to report as follows:—

- 1.—SALARIES OF OFFICERS: That they gave careful consideration to letters from Mr. A. O. Knight, Engineer and Surveyor) and Mr. George Hails (Accountant), asking the Council to reconsider their Salaries and suggesting that the same might be placed on a progressive basis.

Your Committee are of opinion that the present time is not opportune for reconsidering the salaries of the two officers in question, but to avoid misunderstanding your Committee desire to intimate that in their opinion neither salary is to be considered a maximum, and they

RECOMMEND—That such salaries be reconsidered on or about the 1st January, 1924.

## Report of Finance Committee.

*To the Chairman and Members of the Urban District Council of Hendon.*

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday the 5th day of March, 1923. Present: Mr. Councillor Cartwright (Chairman), Councillors Donald, Fenn, Hearn, Roberts, Soar, Sturgess, and Weeks.

Your Committee beg to report as follows:—

1.—**PAY ORDERS:** The Accountant submitted a Pay Order for the sum of £1,690 5s. 8d. in respect of the Council's current accounts, and also a Pay Order for the sum of £63 13s. 0d. relating to the North Circular Road Account, both these amounts being included in the accounts submitted for payment this evening.

Your Committee gave authority for the issue of the necessary Pay Orders and for cheques to be drawn.

2.—**SURVEYOR'S CERTIFICATES:** The Surveyor submitted Certificates in favour of Contractors as follows:—

				£ s. d.
Messrs. A. Cole, Ltd. ... ..	Contract Works 110—			
	Certificate No. 1 ... ..			400 0 0
Carter, C. ... ..	Contract Works 113—

	Certificate No. 2 ... ..			266 5 0
Duncan, Watson & Co. ... ..	Electrical Installation, Town Hall—			
	Certificate No. 1 ... ..			134 0 8

Your Committee approved such Certificates which have been included in the accounts for payment submitted to them this evening.

3.—**ACCOUNTS:** The Clerk reported a statement of accounts to the 31st December, 1922, from the Colne Valley Water Company, The Gas Light and Coke Company, and the Harrow and Stanmore Gas Company.

Your Committee have referred the same to the Accountant.

4.—**RATE COLLECTION:** Letter from Mr. W. Routledge lodging a complaint relative to the action of the Rates Department in connection with the rates due from him.

Your Committee have received a report from the Accountant from which it appeared that every consideration was shown to Mr. Routledge in connection with the matter.

They have therefore no recommendation to make in regard thereto.

5.—**EPITOME OF ACCOUNTS:** Letter from the Ministry of Health requesting to be furnished with the epitome of the accounts of the Council for the year ended the 31st March, 1922.

Your Committee are informed by the Accountant that the required return has already been furnished to the Ministry of Health, they have therefore noted the contents of this communication.

6.—**FINCHLEY LANE, ETC., IMPROVEMENTS:** Letter from the Ministry of Transport relative to the application made by the Council to the Ministry of Health for sanction to the necessary loan for the proposed improvement works in Finchley Lane and Parson Street, from which it appeared that with a view to assisting the Council to make an early start with the work, they proposed to forward a recommendation to the Ministry of Health in connection with the matter.

In this connection it will be remembered that the Ministry of Transport impose a time limit for the carrying out of works in respect of which they make a grant, thus rendering it imperative to obtain the sanction of the Ministry of Health to the loan for the works without delay.

Your Committee have duly noted the contents of the communication from the Ministry of Transport.

7.—**COLNE VALLEY WATER BILL:** Letter from Messrs. E. Bevir & Son accompanied by a statement from the Parliamentary Agents of the apportionment of the costs of the joint opposition to the Colne Valley Water Bill, from which it appeared that the amount due from the Council in respect thereof was £156 3s. 4d.

Your Committee

**RECOMMEND—**That a cheque be drawn in favour of Messrs. Bevir & Son for the amount named.

8.—**MIDDLESEX DISTRICTS JOINT SMALLPOX HOSPITAL BOARD:** Letter from Mr. E. F. Collins, Clerk of the Board, intimating that it was estimated that the call to be made upon the Constituent Authorities for the half-year ending 30th September next, would be at the rate of ¼d. in the £ on the Assessable Value, the amount being payable by the 30th June, 1923.

With regard to the period ending on the 31st March, 1924, the Board intimated that it was not possible to definitely state whether or not a call would be made upon the Authorities for that period, but it was hoped that this would not be necessary.

Your Committee

RECOMMEND—That the account for the half-year ending 30th September next be paid in due course.

9.—LOAN ADVANCE FOR HOUSES: Letter from Mr. J. B. Lamb intimating that he had several plots of land in his possession at Mill Hill, and making enquiry in the event of him deciding to build thereon whether the Council would be prepared to render financial assistance in respect of such building operations.

Letter from Mr. W. Hollis in regard to the building operations undertaken by him on the Hill View Estate and making enquiry whether the Council would be prepared to render financial assistance to intending purchasers of the houses under the Small Dwellings Acquisition Acts, 1899 and 1919.

A further letter was also reported from Mr. J. Burridge applying for an advance from the Council to enable him to purchase a house.

Report from the Clerk that he had informed the writers of the communications referred to that the Council had given the matter consideration, but at the present time no scheme was in operation for rendering financial assistance in connection with the acquisition of houses.

It will be remembered that some little time ago the Accountant submitted a report in regard to the provisions of the Small Dwellings Acquisition Act, but no action was taken in regard thereto. Your Committee have requested the Accountant to re-issue the report for consideration by the members of the Council.

Your Committee

RECOMMEND—That Messrs. Lamb, Hollis, and Burridge be informed that the Council propose to re-consider the matter at an early date.

10.—EDUCATION COMMITTEE ESTIMATES: Consideration was given to the following communication from the Hendon Education Committee relative to the estimate of the Committee's requirements for the year ending 31st March, 1924.

HENDON EDUCATION COMMITTEE.

Copies of Resolutions passed by the Education Committee on Tuesday, the 27th February.

ELEMENTARY EDUCATION ACCOUNT:

(1) THAT the following figures be approved:—

Estimated Expenditure for the year	72960

	<hr/>

(2) THAT the Local Education Authority be asked to provide the sum of £17,000 on this Account for the Committee's requirements for the half-year ending 30th September, 1923.

HIGHER EDUCATION ACCOUNT:

THAT no requisition be made for rate aid on this Account for the half-year ending 30th September, 1923.

Report from the Accountant in regard thereto.

After due consideration of the matter, your Committee gave instructions for the Overseers to be informed that a sum of £17,000 was likely to be required for the purpose of Elementary Education for the half-year ending 30th September, 1923, it being understood that the Education Committee's Estimate would be considered by the Council on the 19th March, 1923.

11.—OPEN SPACE—GOLDERS GREEN: Letter from the Ministry of Health transmitting sanction to borrowing by the Council of the sum of £2,300 for the purchase of the land at Princes Park Avenue, Golders Green, for the provision of an open space.

Your Committee

RECOMMEND—That the Accountant take steps to raise a loan for the amount named when same becomes necessary.

Report from the Clerk suggesting that steps should be taken to apply to the Middlesex County Council for a contribution towards the purchase of the land.

Consideration was also given to the question of taking similar action in respect of the area of land at Bittacy Hill and The Hyde, proposed to be used for for the purpose of pleasure grounds.

Your Committee authorised the Clerk to make application to the Middlesex County Council for a contribution towards the acquisition of all three of the sites referred to.

12.—TENDERS—PRINTING AND STATIONERY: Report from the Accountant in regard to the tenders received in response to the Council's advertisement for the supply of stationery and the execution of printing work for a period of six months commencing on the 1st prox.

With regard to the supply of stationery, tenders were reported from the following firms:—

- Messrs. C. Knight & Co., Ltd.
- Messrs. C. Odell & Co., Ltd.
- Messrs. Ellams Duplicator Co., Ltd.
- Mr. D. Cohen.

It must be pointed out that so far as the last named tender is concerned the same only quotes for the supply of pencils, penholders, and pen-nibs, and in the case of Messrs. Ellams for typewriting materials only.

The Accountant therefore suggested that the tenders of Messrs. Knight & Co. and Messrs. C. Odell, Ltd., be accepted at the lowest prices quoted for the respective items.

Your Committee

RECOMMEND—That the Accountant's suggestion be approved, and that the necessary Contracts be prepared in connection with the matter for execution by Messrs. Knight and Odell.

Dealing with the execution of printing work, your Committee requested the Accountant to communicate with the firms tendering for this work with a view to obtaining further particulars as to the rate of wages paid by them to the workmen in their employ, and to report thereon to the Council in Committee on Monday next.

13.—UNEMPLOYMENT INSURANCE: The Accountant reported with reference to the application for the renewal of the Provisional Certificate under Part 2 (d) of the first schedule of the Unemployment Insurance Act, 1920, that a Certificate had been granted on the 28th February, 1923, applying as from the 3rd July, 1922, and remaining in operation until July, 1927, to individuals who

- (1) Are in one of the classes specified in the schedule to the Certificate, and
- (2) Who have completed three years permanent service with the Council, and
- (3) Have been identified either by the insertion of their names in a register or by an insertion in the appropriate marked wages book or other record of the Employer.

The Ministry also authorised the Council to identify in similar manner those of their permanent employees who hereafter complete three years service in any of the classes specified in the schedule and the certificate would apply to such employees as from the date of identification.

In either case the date on which three years permanent service was completed must also be inserted if the date was subsequent to the date of the Certificate.

SCHEDULE.

As to whole time employment of the permanent staff in any of the following capacities:—

- Ganger.
- Sewerman.
- General Labourer.
- Granite Spreaders.
- Road Sweeper.
- Mason and Mason's Labourer.
- Park-Keeper.
- Watchman.
- Foreman.
- Sewage Farm Labourer.
- Carman.
- Filler.
- Painter and Painter's Labourer.
- Farm and Stablemen.
- Motor Driver.
- Store Keeper.
- Clerk
- Member of Fire Brigade.

Your Committee have duly noted the same.

14.—INSURANCE—BRENT HILL FARM: Report from the Accountant that under the terms of the lease by which Messrs. W. J. Smith, Ltd., hold the premises known as Brent Hill Farm they were liable to insure the buildings thereat, and according to the terms of the lease the insurance was to be effected in "some well established office."

It appeared from the report of the Accountant that he had been in communication with Messrs. Smith, Ltd., upon the matter and they were at present insured under a Lloyds Underwriters Policy, the Premium therefor amounting to the sum of £6 5s. 0d. per annum. The Accountant suggested that it would be better if the Insurance was effected with one of the Companies with which the Council insured, the policy being taken out by the Council and the premium recovered from Messrs. Smith, to which arrangement they had agreed provided the premium did not exceed the amount already paid by them.

In this connection, however, the Accountant stated that the premium the Council would have to pay would be £8 nett per annum after the deduction of commission, the insurance being effected with the Atlas Assurance Company.

After due consideration of the matter, your Committee

**RECOMMEND**—That the Accountant negotiate with the Atlas Assurance Company with a view to effecting an insurance on Brent Hill Farm on the same terms as that at present paid by Messrs. Smith, viz., £6 5s. 0d. per annum, and failing the Company agreeing to these terms that an insurance with a premium of £8 per annum as stated by the Accountant be agreed to, the Council on their part agreeing to pay the difference of £1 15s. 0d. per annum.

- 15.—**TITHE REDEMPTION**: Report from the Accountant that the Ministry of Agriculture and Fisheries had issued provisional notices of the redemption of tithes amounting in total to £22 15s. 10d.

It appeared from the report of the Accountant that the tithes in question were to be extinguished over a period of fifty years at a total annual cost of £22 1s. 2d., the new charges to become operative as from the 1st April, 1923.

Your Committee have duly noted this report.

16.—**ALLOTMENTS**:

- (A) **WEST VIEW**: The Accountant suggested having regard to the fact that the lessors had given notice of their intention to take possession of certain of the plots on the West View Allotments, in connection with the road to be constructed from Brampton Grove to Queen's Road, that steps should be taken to secure a proportionate reduction in the rent paid by the Council for the allotment land at West View.

Your Committee

**RECOMMEND**—That the Accountant's suggestion be approved, and that steps be taken accordingly.

- (B) **RENTS**: A report was received from the Accountant upon the question of allotment rents generally suggesting the fixing of a uniform rent for the whole of the allotments under the control of the Council.

Your Committee consider that this is a question which should be dealt with by the Allotments Committee, and they

**RECOMMEND** accordingly.

- (C) **BIRKBECK ESTATE**: The Accountant also referred to the question of fixing a rent for the plots on the Birkbeck Estate, at present held under the terms of the Lands Cultivation Orders, but which the Council proposed to retain after the date of the expiry of the Orders referred to, viz., 25th March, 1923.

Your Committee

**RECOMMEND**—That the rent for a ten-pole plot on the allotments in question be at the rate of 10/- per annum.

- 17.—**SEARCH FEES**: The Accountant reported that a sum of £23 had been paid to the Middlesex Land Registry for fees in connection with tracing the ownership of certain plots where road charges were outstanding, it having been impossible to obtain the information hitherto.

It will be remembered that the Accountant was previously authorised to spend up to a sum of £10 in connection with the matter, and he now asked for authority to incur the further expense.

Your Committee

**RECOMMEND**—That the action taken by the Accountant be approved.

- 18.—**PRIVATE IMPROVEMENT AGREEMENTS**: The Accountant reported that certain agreements relating to the payment of private street improvement expenses by instalments would be submitted for sealing by the Council at their meeting on Monday next, which your Committee have duly noted.

- 19.—**ELECTION**: The Accountant referred to the question of the members of his staff assisting in connection with the forthcoming Council Elections.

In view of such report, your Committee consider that the members of the Accountant's staff should refrain from acting on the Election Staff.

- 20.—**RATES—REMISSION OF**: Report from the Accountant in regard to the remission of the rates on the Almshouses, Mill Hill, and the Middlesex Regimental Cottages for the half-year ended 30th September, 1922, and also in respect of the half-year ending on the 31st inst.

Your Committee

**RECOMMEND**—That the rates on the premises in question for the period named be remitted.

- 21.—**ARCHITECT'S FEES—HOUSING SCHEMES**: Consideration was given to a question raised as to the interpretation of the agreement with the Architect in connection with the Council's housing schemes, and your Committee are of opinion that the Architect is only entitled to fees on the actual completed cost of the works executed under his supervision.

- 22.—**STATEMENT OF RECEIPTS, ETC.**: Your Committee have examined the Treasurer's Pass Book and Cash Books, and report that the total receipts from all sources since the last meeting amounted to the sum of £7,553 6s. 11d., making a total of £270,623 3s. 10d. for the current financial year.

EDUCATION SECRETARY: Reference was made to the question of requiring the attendance of the Secretary of the Education Committee at the meetings of the Council, and Mr. Councillor Holt moved:—

That Mr. Anderson be asked to attend the meetings of the Council during the progress of matters affecting the Hendon Education Committee.

Mr. Councillor Fenn seconded the motion.

Upon the same being submitted to the meeting there voted in favour thereof, 6, viz.:—Councillors Fenn, Hill, Holt, Sturgess, Wise, and Winny, and against the motion, 10, viz.:—Councillors Mrs. Bannister, Miss Growse, Cartwright, Donald, Egan, Ford, Hearn, The Rev. Dr. Macgowan, Taylor, and Weeks.

The Chairman declared the motion to be not carried.

REPORT OF STAFF COMMITTEE: The Staff Committee reported that they held a meeting on the 26th ulto. to consider the communications received from the Accountant and Surveyor, relative to their salaries, and it will be remembered that the Committee were instructed to report their recommendations thereon to the Council in Committee.

Upon the motion of Mr. Councillor Hill, seconded by Mr. Councillor Holt,

IT WAS RESOLVED—That the report of the Committee be considered at the public Council Meeting.

Mr. Councillor Hill then moved:—

That the report of the Committee, appearing on page 364 of the Council's agenda, be received, approved, and adopted.

Mr. Councillor Ford seconded the motion.

Mr. Councillor Fenn thereupon moved:—

That the letters received from the Officers in question be read to the Council

Mr. Councillor Wise seconded the motion.

Upon the motion being submitted to the meeting the Chairman declared the same to be carried.

The letters having been read, Councillor Miss Growse moved:—

That the matter be again considered prior to the Summer Vacation, and that any adjustment made in the salaries of the Officers referred to should date from September next.

There being no seconder to the motion the consideration thereof was not proceeded with.

Mr. Councillor Fenn then moved:—

That the consideration of the matter be adjourned for a period of three months.

Mr. Councillor Weeks seconded the motion.

Upon the same being submitted to the meeting there voted in favour thereof, 9, viz.:—Councillors Miss Growse, Mrs. Bannister, Donald, Fenn, Holt, The Rev. Dr. Macgowan, Taylor, Winny, and Weeks, and against the motion, 6, viz.:—Councillors Cartwright, Egan, Ford, Hill, Hearn, and Sturgess.

The Chairman declared the motion to be carried.

Upon a vote being taken for the adoption of the report of the Committee, as amended, there voted in favour thereof, 11, viz.:—Councillors Miss Growse, Mrs. Bannister, Donald, Egan, Fenn, Holt, Hill, The Rev. Dr. Macgowan, Taylor, Winny, and Weeks, and against the adoption of the report, 3, viz.:—Councillors Ford, Hearn, and Sturgess.

DEATH OF MR. LILLEY: Prior to the conclusion of the ordinary proceedings of the Council a report was received as to the decease of Mr. Lilley, for many years associated with the Bench of Magistrates at Hendon, and upon the motion of Mr. Councillor Ford, seconded by Councillor The Rev. Dr. Macgowan,

IT WAS RESOLVED—That the sympathy of the Council be tendered to the Widow and Family of the late Mr. Lilley in their bereavement.

#### IN COMMITTEE—

BRENT HILL HOUSING: Consideration was given to the communication from Mr. Pope, referred to in paragraph No. 8 of the report of the Housing Committee relative to the payment of fees which he alleged were due to him as Quantity Surveyor in connection with the adjustment of the Brent Hill Housing Account with the Improved Concrete Construction Company.

Mr. Councillor Sturgess moved:—

That a communication be addressed to Mr. Pope repudiating liability in connection with the matter.

Mr. Councillor Ford seconded the motion.

Upon the motion being submitted to the meeting the Chairman declared the same to be carried unanimously.

LAND AT WESSEX GARDENS: Report from the Surveyor in regard to his further negotiations with Colonel Warliker relative to the acquisition by him of the land belonging to the Council at Wessex Gardens for which Colonel Warliker offered a sum of £500.

At the meeting of the General Purposes Committee on Monday last the Surveyor was instructed to inform Colonel Warliker that the Council would be prepared to dispose of the land for the sum of £550, and as a result thereof Colonel Warliker now offered a sum of £525 for the land.

After due consideration of the amended offer of £525, upon the motion of Mr. Councillor Hill, seconded by Mr. Councillor Ford,

IT WAS RESOLVED—That the same be accepted, subject to the approval of the Ministry of Health to the transaction.

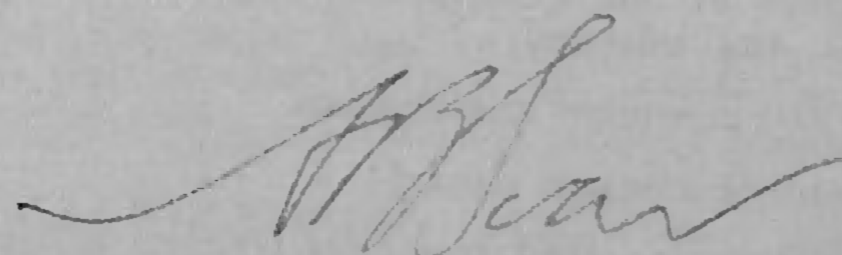

OUTDOOR COMMITTEE: With regard to the meeting of the Outdoor Committee which it was proposed should be held on Thursday next, the 15th inst.,

IT WAS RESOLVED—That the meeting be postponed until after Easter.

PRINTING TENDERS: In accordance with the instructions of the Finance Committee on Monday last the Accountant reported that he had been in communication with Messrs. Warden and Odell, the firms tendering for the execution of the Council's printing work, with a view to obtaining further particulars as to the rate of wages paid to the workmen in their employ, and communications were reported from the firms in question in reply to the enquiry made by the Accountant.

After due consideration of the matter, upon the motion of Mr. Councillor Ford, seconded by Councillor The Rev. Dr. Macgowan,

IT WAS RESOLVED—That Messrs. Warden and Odell be required to produce copies of the scale of wages paid to their workmen, and that the matter be further considered at the Special Meeting of the Council proposed to be held on Monday next.

Mr. G. Hails (Accountant),  
Dr. T. S. McIntosh (Medical Officer of Health).

The Clerk read the notice convening the meeting.

**ESTIMATES FOR GENERAL DISTRICT RATE:** The Council considered detailed Estimates for General District Rates for the year ending 31st March, 1924, as passed by the respective Committees of the Council and some amendments were made therein.

**IT WAS RESOLVED**, upon the motion of Mr. Councillor Cartwright, seconded by Mr. Councillor Hill,

That such Estimates, as amended, be approved and that a General District Rate of 1/6 in the £ be prepared to meet the expenses of the Council for the half-year ending 30th September, 1923.

It was decided to hold a Special Meeting of the Council on Thursday, the 5th proximo, to Seal the said Rate.

**EDUCATION COMMITTEE'S ESTIMATES:** The Estimate received from the Hendon Education Committee of their financial requirements for Elementary Education for the period to the 30th September, 1923, was submitted, amounting to the sum of £17,000, no requisition being made for rate aid on account of Higher Education.

**IT WAS RESOLVED**, upon the motion of Mr. Councillor Hill, seconded by Councillor The Rev. Dr. Macgowan,

That such Estimate be approved and that a Precept upon the Overseers for £17,000 be issued and the Common Seal of the Council affixed thereto in due course.

**PRINTING TENDERS:** The tenders of Messrs. J. H. Warden & Co., Ltd., and Messrs. C. Odell, Ltd., were again under consideration, and correspondence as to rates of wages paid by the respective firms was considered.

It was moved by Mr. Councillor Cartwright,

That the tender of Messrs. J. H. Warden & Co., Ltd., for the printing of the Council's Agendas and Minutes only be accepted.

Mr. Councillor Reynolds seconded the motion.

Mr. Councillor Ford moved as an amendment

That the tender of Messrs. C. Odell, Ltd., be accepted for the whole of the printing work of the Council.

The amendment was seconded by Mr. Councillor Fenn.

Upon the amendment being put there voted for it fourteen, viz.:—Councillors Miss Growse, Mrs. Bannister, Donald, Fenn, Ford, Hill, Glanville, Holt, Hearn, The Rev. Dr. Macgowan, Sturgess, Weeks, Winny and Wise, and against it, four, viz.:—Councillors Egan, Cartwright, Taylor and Reynolds.

The Chairman declared the amendment to be duly carried.

The amendment was then put as the substantive motion and again declared to be carried, the members voting as before.

A suggestion was made that the details of the tenders should be incorporated in the Council's Minutes but it was decided to follow the usual procedure.

PURCHASE OF LAND AT MILL HILL: The Contract for the purchase from Messrs. Howard of the land in Daws Lane, Mill Hill, at present used for allotments, for the sum of £2,350, was submitted.

IT WAS RESOLVED, upon the motion of Mr. Councillor Ford, seconded by Mr. Councillor Fenn,

That the Common Seal of the Council be affixed to such Contract, and the Seal was thereupon affixed.

## Report of Works and Sewage Disposal Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 19th day of March, 1923. Present: Mr. Councillor Roberts (Chairman), and Councillors Cartwright, Donald, Egan, Glanville, Hill, Reynolds, Sturgess, Winny, and Wise.

Your Committee beg to report as follows:—

### 1.—ALLOTMENTS:

- (A) Letters from Mr. C. F. Windust in reference to the constitution of the Committee appointed by the Council to deal with this matter.

Your Committee have duly noted the contents of Mr. Windust's communications.

- (B) GARDEN SUBURB: Report from the Surveyor as to a communication received from Mr. J. C. S. Soutar, intimating that the Garden Suburb Trust had no land available which could be offered to the Council for the purpose of allotments. Noted.

- ### 2.—REFUSE REMOVAL:
- Letter from Mr. J. L. May in further reference to the alleged damage to the garden fence at his house at Mill Hill by the Contractor in carrying out the removal of house refuse.

Your Committee

RECOMMEND—That a communication be addressed to the Contractor asking for an explanation of the matter.

- ### 3.—HENDON PARK:
- Letter from Mr. H. Thompson complaining of annoyance owing to the close proximity of a football pitch to the garden of his house at Park View Gardens.

Report from the Surveyor that the pitch could not conveniently be moved, but he would instruct the Groundsman to remove the goal posts after use.

Your Committee

RECOMMEND—That Mr. Thompson be informed accordingly.

- ### 4.—CHILD'S HILL RECREATION GROUND:
- Letter from Mr. W. A. Kitcher (Child's Hill Ratepayers' Association) in reference to the See-Saw at the Child's Hill Recreation Ground which the Association suggested should be altered to obviate danger to children using the same.

Your Committee consider that the alteration suggested would not remedy the complaint of the Association. They

RECOMMEND—That the Association be informed that if desired the Council will remove the See-Saw from the Recreation Ground.

- ### 5.—LAND AT THE HYDE:
- That they gave consideration to <sup>a proposal to</sup> allocate a portion of the land at the Hyde for the purpose of a Recreation Ground, but after careful consideration of the report of the Surveyor, your Committee decided to defer the consideration of the matter to the next meeting.

- ### 6.—BITTACY HILL LAND:
- That they gave consideration to a report with reference to the question of defining the area of the land at Bittacy Hill, Mill Hill, to be utilized for the purpose of a Recreation Ground.

Your Committee understand that the Block Plan of the land will have to be re-submitted to the Ministry of Health for re-allocation, in view of the Scheme for erection of flats. They have, therefore, decided to adjourn the matter pending the decision of the Ministry of Health in regard thereto.

- ### 7.—DAWS FARM ESTATE:
- That they received a report from the Clerk in reference to his negotiations with the Ministry of Health in regard to their decision relative to the proposal for the acquisition of the Daws Farm Estate, Mill Hill.

It now appeared that the Ministry would be prepared to hold a Local Inquiry.

Your Committee have received a report from the Surveyor as to his communication with the Vendors and a further reply had been promised in regard to the Estate.

Your Committee instructed the Clerk to again communicate with the Ministry as soon as the Vendors representatives had furnished the necessary information.

- ### 8.—BIGWOOD ROAD:
- Letter from the Hampstead Garden Suburb Trust with reference to proposals for the re-naming of a portion of Bigwood Road to Southway, transmitting letters from residents in the road agreeing to this proposal.

After due consideration of the communication, your Committee recommend the Council to offer no objection thereto.

- ### 9.—TELEGRAPHIC LINE:
- Letter from H.M. Postmaster-General applying for consent to the laying of an overground telegraphic line in Tennyson Road, Mill Hill.

Your Committee have instructed the Surveyor to make enquiry of the Post Office Authorities whether they would be prepared to lay an underground cable in this locality.

- 10.—GAS MAIN: Letter from 18in. gas main in the Edg

10.—GAS MAIN: Letter from the Gas Light and Coke Company applying for consent to the laying of an 18in. gas main in the Edgware Road.

Your Committee are informed that the main will be situated within the repairing area of the Willesden District Council and offer no objection to the proposal.

11.—DUST VANS: The Surveyor submitted estimates received for the supply of new dust vans, viz. :—

		£	s.	d.
Bristol Wagon & Carriage Co.	...	A	103	10 0
Eagle Engineering Co.	...	B	95	0 0
G. Rowe & Sons	...	A	90	0 0
		B	87	10 0

A ... With Canvas Covers.  
B ... With Sliding Covers.

Report from the Surveyor that the Canvas Covers had been found to be most satisfactory, and he suggested that two vans should be obtained for the refuse removal work.

Your Committee

RECOMMEND—That two Dust Vans be procured from Messrs. George Rowe & Sons, one with canvas cover fittings and one with steel sliding covers.

12.—STEAM WAGONS: The Surveyor submitted a report on the examination of the Council's Steam Wagons by the Vulcan Boiler and General Insurance Co., the same being reported to be in order. Noted.

13.—ANNUAL TENDERS: Report from the Surveyor as to a communication received from the South of England Agricultural Machinery Company withdrawing their tender for Castings accepted at the last meeting. Your Committee recommend the acceptance of the next tender submitted by Messrs. Woodrow and Co., of 34, High Holborn, W.C., and that a Contract be prepared with that firm.

14.—MAIN SEWERAGE EXTENSIONS: Report from the Surveyor as to his further negotiations with the owners of the Mylesdown and Devonshire Farm Estates. It will be remembered that the approximate outlay involved in connection with this scheme will be £20,000. The owners of the Mylesdown Estate offered to contribute 20 per cent. of the cost, and it was considered probable that the owners of the Devonshire Farm Estate would contribute a like sum.

Your Committee

RECOMMEND—That the Surveyor continue his negotiations and endeavour to secure total contributions amounting to 45 per cent. of the outlay. Subject to a satisfactory issue from the negotiations, your Committee consider that the Council should proceed with the provision of the Main Sewers on the Owners entering into a proper Agreement and Bond, and provided further that the Ministry of Health agree to sanction the necessary loan.

15.—BRENT STREET CONVENIENCE: Report from the Surveyor that some slight delay had occurred in the progress of these works owing to a strike of Bricklayers. Arrangements had now been made to carry on the works with other labour.

In regard to the sanitary fittings, the Surveyor submitted quotations from six of the leading manufacturers of this class of goods. Your Committee gave instructions for the acceptance of the quotation of Messrs. G. Jennings & Co., of Lambeth, the price being well within the provisional sum included in the contract.

16.—WEST HENDON CONVENIENCE: Report made that this scheme was now under consideration by the Ministry of Health, the original Freeholders of the land in the Edgware Road having announced their intention to issue a licence in accordance with the Council's request.

17.—WIDENING STATION ROAD BRIDGE: Report from the Engineer as to his further correspondence with the London Midland and Scottish Railway Company relating to the widening of this Bridge, and Mr. S. S. Grimley (the Council's Consulting Engineer) attended the meeting to discuss the scheme.

It is calculated that the cost of the scheme will be about £12,000 and it is anticipated that substantial contributions to the improvement will be made by the Middlesex County Council and the Ministry of Transport.

Your Committee consider that it is of great importance that this long delayed scheme should proceed, and

RECOMMEND—That when the plans have been prepared the Middlesex County Council and the Ministry of Transport be approached upon the matter.

In regard to the maintenance of the road over the Bridge, your Committee suggest that the London Midland and Scottish Railway Company be approached and asked to subscribe a capital sum for the maintenance instead of an annual payment as at present, on the understanding that the Council accept the liability for the upkeep of the road in the future.

18.—FINCHLEY LANE IMPROVEMENTS: The Surveyor submitted the following Schedule of Tenders for these works:—

## Report of Public Health Committee.

To the Chairman and Members of the Urban District Council of Hendon.

Ladies and Gentlemen,—

Your Committee beg to report that they met at the Town Hall, Hendon, on Monday, the 19th day of March, 1923. Present: Mr. Councillor Hearn (Chairman), and Councillors Miss Growse, Mrs. Bannister, Ford, Fenn, Holt, The Rev. Dr. Macgowan, Taylor, and Weeks.

Your Committee beg to report as follows:—

- 1.—VITAL STATISTICS: Report from the Medical Officer of Health that the birth rate of the district for the past four weeks was 13.79 per thousand, and the death rate for the same period 11.98 per thousand.

Your Committee desire, however, to point out that the death rate calculated on the deaths of Hendon residents only for the period in question was the same as on the last occasion, viz., 5.2 per thousand.

- 2.—INFECTIOUS DISEASES: The Medical Officer reported as to the cases of Infectious Disease notified since the last meeting of the Committee, and also as to the cases under treatment at the Isolation Hospital.

Your Committee have duly noted the contents of the report.

- 3.—DRAINAGE WORK AND DRAINAGE PLANS: Report from the Sanitary Inspector in regard to the drains at certain premises which it was proposed to relay in accordance with plans submitted by the Inspector.

A report was received from the Inspector in regard to a test applied to the drains of certain premises in the district.

Your Committee have approved of the report of the Inspector.

The Inspector also reported that in accordance with instructions a Statutory Notice had been served upon the owner of the premises known as 6, Yew Grove, Cricklewood, under Section 41 of the Public Health Act, 1875, to relay or amend the existing drainage system.

It appeared from the report of the Inspector that he had been in communication with the owners of the property and they were willing to have the work executed, but asked that it might be deferred until the premises were vacated by the present tenant.

In view of the fact that the time given in the Statutory Notice had expired the Inspector asked for authority, in the event of the owners failing to proceed with the work, to take steps to enforce compliance with the notice referred to.

Your Committee approve of the proposal of the Inspector, and

RECOMMEND—That action be taken accordingly if found necessary.

- 4.—STATUTORY NOTICES: Report from the Sanitary Inspector that in the following cases preliminary notices had been served and had not been complied with and he asked for authority to serve Statutory Notices:—

Prospect Cottage, Russell Road	...	(Notice under Section 91 of the Public Health Act, 1875).
32, Telford Road, West Hendon	...	(Notice under Section 91 of the Public Health Act, 1875).
"The Laurels," Algernon Road	...	(Notices under Sections 91 and 36 of the Public Health Act, 1875).
199, Cricklewood Lane	... ..	(Notices under Sections 91 and 36 of the Public Health Act, 1875).
93, Granville Road, Child's Hill	...	(Notices under Sections 91 and 36 of the Public Health Act, 1875).
180 and 182, Cricklewood Lane	...	(Notice under Section 36 of the Public Health Act, 1875).
10, North Street, Hendon	... ..	(Notice under Section 36 of the Public Health Act, 1875).

Your Committee

RECOMMEND—That the Sanitary Inspector have authority to serve Statutory Notices if found necessary.

With regard to one of the premises referred to above, viz., "The Laurels," Algernon Road, authority was given to the Inspector to open up the drains under Section 41 of the Public Health Act, 1975.

5.—PETROL CONSUMPTION: Reference was made to the question of the consumption of petrol in connection with the Ambulance and Ford Van used for the Public Health services, and your Committee consider that the report hitherto submitted to the Fire Brigade Committee in connection with the matter should in future be submitted to them and they have given instructions accordingly.

6.—MILK (SPECIAL DESIGNATIONS) ORDER, 1922:

(A) Letter from the Ministry of Health in regard to certain procedure which it was required should be adopted in connection with Certified Milk.

Your Committee have duly noted the same.

(B) The Medical Officer submitted an application from the Manor Farm Dairy for a supplementary licence to sell pasteurised milk in this district, the original licence in connection with the matter being issued by the Urban District Council of Finchley, their business premises being situate within that district.

Your Committee approved of the application, and authorised the issue of the necessary licence.

7.—MATERNITY AND CHILD WELFARE: The Maternity and Child Welfare Committee had under consideration a report from the Medical Officer of Health relative to the work undertaken by the Health Visitors and Midwife during the past four weeks, and the same was duly noted.

 Mr. H. Humphris (Clerk),  
 Mr. A. O. Knight (Engineer and Surveyor),  
 Mr. G. Hails (Accountant),  
 Dr. T. S. McIntosh (Medical Officer of Health).

MINUTES: The Minutes of the last Ordinary Meeting of the Council held on the 12th day of March, 1923, and of the Special Meetings held on the 19th day of March and the 5th day of April, 1923, were submitted for confirmation.

Upon the motion of Mr. Councillor Weeks, seconded by Mr. Councillor Hill,

IT WAS RESOLVED—That such Minutes be confirmed.

APOLOGY FOR ABSENCE: The Clerk reported a communication from Councillor The Rev. Dr. Macgowan regretting his inability to be present at the meeting owing to his absence from the district.

REPORT OF WORKS AND SEWAGE DISPOSAL COMMITTEE: The Works and Sewage Disposal Committee submitted a report of a meeting of the Committee held on the 19th ulto. (Agenda page 387).

Upon the motion of Mr. Councillor Cartwright, seconded by Mr. Councillor Egan,

IT WAS RESOLVED—That the report of the Committee be received.

CHILD'S HILL RECREATION GROUND: Upon consideration of paragraph No. 4 of the report of the Committee in regard to the communication from the Child's Hill Ratepayers' Association relative to the See-saw at the Child's Hill Recreation Ground.

Mr. Councillor Fenn moved:—

That the matter be referred back to the Committee for further consideration and that the Outdoor Committee view the position of the See-saw and submit a report to the Council thereon.

Mr. Councillor Taylor seconded the motion.

Before putting the motion to the meeting a request was made that the communication from the Child's Hill Ratepayers' Association should be read to the Council.

The request having been complied with the motion was then put to the meeting and there voted in favour thereof, 6, viz.:—Councillors Fenn, Hearn, Holt, Taylor, Wise and Weeks, and against the motion, 7, viz.:—Councillors Cartwright, Egan, Hill, Reynolds, Roberts, Sturgess and Winny.

The Chairman declared the motion to be not carried.

Mr. Councillor Fenn thereupon further moved:—

That the matter be referred to the Outdoor Committee.

Mr. Councillor Taylor seconded the motion.

Upon the same being submitted to the meeting there voted in favour thereof, 6, viz.:—Councillors Mrs. Bannister, Miss Growse, Ford, Fenn, Holt, and Taylor, and against the motion, 8, viz.:—Councillors Cartwright, Egan, Hearn, Hill, Reynolds, Roberts, Winny and Weeks.

The Chairman declared the motion to be not carried.

Mr. Councillor Weeks then moved:—

That the Ratepayers' Association be informed that if the residents of Child's Hill require the See-Saw to be removed the Council will consider the question of removing the same.

Mr. Councillor Fenn seconded the motion.

Upon the same being submitted to the meeting there voted in favour thereof, 5, viz.:—Councillors Fenn, Holt, Taylor, Wise and Weeks, and against the motion, 7, viz.:—Councillors Cartwright, Egan, Ford, Hill, Reynolds, Roberts and Winny.

The Chairman declared the motion to be not carried.

**WAR MEMORIAL—GOLDERS GREEN:** Upon consideration of paragraph No. 20 of the report of the Committee relative to the War Memorial at Golders Green, the Clerk reported a communication from Mr. Brook Flowers intimating that the Memorial would be unveiled by H.R.H. Princess Louise, Duchess of Argyll, on Saturday, the 21st inst., at 4.30 p.m., and intimating that invitations to the Ceremony would shortly be issued to members of the Council.

Mr. Brook Flowers also stated that it was proposed to invite the Chairman of the Council to receive the site and memorial from Mr. Councillor Reynolds on behalf of the War Memorial Committee.

The communication was duly noted.

A report was received from Mr. Councillor Reynolds in regard to the proposed function, and it was agreed that certain members of the Fire Brigade, under the direction of Chief Officer Adams, should attend the ceremony.

Upon the motion of Mr. Councillor Roberts, seconded by Mr. Councillor Reynolds,

**IT WAS RESOLVED**—That the report of the Committee be approved and adopted. (Councillors Fenn and Holt dissenting).

**REPORT OF PUBLIC HEALTH COMMITTEE:** The Public Health Committee submitted a report of a meeting of the Committee held on the 19th ulto. (Agenda page 390).

Upon the motion of Mr. Councillor Hearn, seconded by Mr. Councillor Holt,

**IT WAS RESOLVED**—That the report of the Committee be received.

After due consideration of such report, upon the motion of Mr. Councillor Hearn, seconded by Mr. Councillor Fenn,

**IT WAS RESOLVED**—That the report of the Committee be approved and adopted.

**REPORT OF CHAIRMAN—YEAR 1922-23:** The Chairman intimated that as his term of office was drawing to a close he desired to submit an epitome of the work of the Council during the past year.

The following report was thereupon presented by the Chairman:—

**REPORT OF CHAIRMAN. YEAR 1922-23.**

TOWN HALL,

HENDON, N.W. 4.

9th April, 1923.

To the Urban District Council of Hendon.

Ladies and Gentlemen,

The Officials of the Council have, as usual, prepared for the Chairman's report, a mass of information and statistics, but on this occasion I do not propose to read them in full but to give you a short epitome of the principal items and then a few words on my own account.

**PUBLIC HEALTH DEPARTMENT.**—The work of this department has gone smoothly and much good work has been done. Statutory Notices, where necessary, complied with, without law proceedings, only two closing orders, one of which meant demolition.

New Isolation Hospital arrangements going forward, meanwhile additions have been made to the old temporary hospital.

The new up-to-date Ambulance for infectious diseases has been a valuable acquisition.

**HOUSING.**—The Child's Hill scheme has been completed, also the Brent Hill scheme (except 20 houses now proceeding). The Ministry of Health's sanction for these 20 was very hard to get and needed a vast amount of correspondence and visits to Westminster, but by sheer persistence we succeeded in overcoming the official opposition. We have now got as far as we can go with subsidised houses unless new legislation changes the position. One hundred and ninety-five houses have been built providing for 1,000 inhabitants.

A scheme for 52 flats at Bittacy Hill is now before the Ministry of Health. If we are allowed to build these it is anticipated that the rents will cover all costs.

**FIRE BRIGADE.**—The new Leyland Motor Fire Engine has proved very satisfactory and gives us security in case of accident to the Merryweather machine or in case of simultaneous fires occurring. Happily so far no fires of any magnitude have occurred.

Additional quarters at the Central Station are now needed for the enlarged staff and will be got on with as soon as the Ministry of Health give their sanction. It is also intended to secure sites for out-stations to cope with the new developments coming on.

**ALLOTMENTS.**—The war time allotments has been secured.

**ALLOTMENTS.**—The war time allotments ceased on 25th March last, but additional land for permanent allotments has been secured.

Seven hundred and sixty-three new plots have been provided since April, 1922. There are now 2,117 plots in all, but there are signs that supply has practically overtaken demand as 300 plots are unlet.

**OPEN SPACES.**—The Ministry has now approved the loan for the acquisition of an open space at Princes Park Avenue, which will be available shortly;  $3\frac{1}{2}$  acres, £2,300.

**SEWAGE DISPOSAL.**—£24,330 has been spent on the completion of the extension to the Sewage Disposal Works. This extension, which was started before the war and stopped by orders from above, has come none too soon. Recently on some wet days the flows to be dealt with have exceeded seven million gallons per day—the average daily dry weather flow being about  $2\frac{1}{2}$  million gallons.

**MAIN ROADS.**—The three miles of the Edgware Road will have been re-made (in wood paving on 9 in. reinforced concrete foundation) and finished in a few weeks from now at a cost of about £98,000.

Four thousand pounds has been spent on repaving a portion of Finchley Road, and a contract has been let for the much-needed reconstruction of Station Road for £24,000. Finchley Lane widening and improvements will cost £14,000.

**NORTH CIRCULAR ROAD.**—The work of constructing this Arterial Road, which is being carried out by the Council on behalf of the Middlesex County Council, has gone steadily forward during the year. The whole excavation and foundation work is completed and most of the kerbing and channelling and the road is being surfaced with tarred macadam. There is every probability that this road will be entirely completed by the end of the present year. The whole of the work is being carried out by the Council by direct labour and the approximate amount spent on wages and materials to date is £40,000.

**TOWN PLANNING.**—As the provisions of the Town Planning Act of 1919 are from the 1st January of the present year compulsory measures, the Council are taking steps to prepare and complete a Town Planning Scheme for the undeveloped portions of the district as rapidly as possible. The area to be included in the Town Planning Scheme has been defined, the necessary plans prepared and advertisements issued and Map No. 1 showing this area is at present before the Ministry for approval.

**SWIMMING BATH.**—The Open Air Bath at The Hyde opened last June, and in spite of the inclement summer, was much appreciated, 5,691 passing the turnstile. Thirty additional dressing boxes will be ready for the opening next month. The Hendon Swimming Club make it their headquarters this year and it is hoped that the Schools will also make organised use of it.

**PUBLIC CONVENIENCES.**—That at Brent Street is approaching completion as well as that at Golders Green. A site in the Edgware Road, West Hendon, has been secured and it is hoped that we shall be allowed to get on with the construction soon.

**PUBLIC WORKS.**—Important road widenings have been carried out during the year. These, with the North Circular Road and the Underground Railway extension have much mitigated unemployment in the district.

**HOUSE REFUSE.**—Mechanical in addition to horse transport has assisted to meet the rapidly increasing demands. There are about 12,000 houses per week to clear for the portion of the district dealt with by direct labour, and during the year 30,000 cubic yards of refuse has been dealt with.

**BUILDINGS.**—10 New Streets have been laid out.

481 New Houses and Shops built and 322 in course of construction.

126 Garages, and

1463 Plans passed.

**LONDON ELECTRIC RAILWAY.**—Hendon was growing gradually when the coming of the Underground Railway to Golders Green gave it a sudden forward impetus. Golders Green is, however, at the extreme S.E. corner of the Parish. Edgware is at the extreme N.W. corner, so that the new extension will cut through the centre and open up for building something like 3,000 acres of what are at present pasture. The near future is bound, therefore, to make Hendon a very important place. The cutting of the first sod will be an important event in local history. I was present as Chairman of the Council.

In addition to the railway construction which is proceeding apace, a vast amount of work has had to be done or superintended by the Council in the way of road, sewer and surface water diversion, road construction, widening, bridging and levelling. Incidentally we acquire much land free of cost for road widening and improvements, including some roadside waste over which the Council (or the Local Board) had a costly and unsuccessful law suit years ago.

**1921 CENSUS.**—From the recently published Census report I cull the following:—"The most prominent amongst the intercensal changes is that recorded against the Hendon Urban District the increase of 17,207 persons is numerically the highest recorded in the County."

1891	...	...	16,000
1901	...	...	22,000
1911	...	...	38,000
1921	...	...	56,000

In 1931, what shall we say, 80,000, 100,000?

Dwellings	...	10,794	increase 3,456 since 1911.
Families per dwelling	...	1.2	
Persons per family	...	3.96	
Rooms per person	...	1.27	

From these figures it is evident that such cases as there may be of overcrowding must be confined to very small areas.

**ROYAL COMMISSION.**—To my mind the overwhelmingly important matter that I have had to deal with has been the London County Council's claims on Greater London.

The six volumes of minutes of the Royal Commission containing 978 pages of closely printed matter and 14,204 Questions and Answers and the memos. of the cases of the numerous authorities and personalities heard before the Commission have involved much hard reading and thought.

My ordeal in the witness chair was short and easy, which I attribute in large measure to the strength of our case and the very able way in which the necessary statistics and arguments had been prepared in the first place by our able officials and the full discussions and editing of them by our Council.

Two paragraphs (59 and 84) of our case, which were put in on my personal suggestion, seem to have caught the eye of the Royal Commission. At any rate the grouping of small separate Urban Districts into larger units is recommended, page 80 (306) page 81, and the Question of County Borough power for these larger units is referred to the new Royal Commission recently appointed.

It is to be noted that throughout the proceedings from time to time Hendon was constantly being mentioned as the lowest rated district in Greater London.

I think the House Agents and property owners of Hendon ought to pay a generous voluntary rate for the advertisement.

As regards equalisation of rates. In Question 9704 I was asked "You are one of the richer areas and you bear your share towards helping the poor parts of the County?" I replied "We do not contest the broad principle that the rich should help the poor, but the difficulty is in applying it justly."

In the majority report this reply is reprinted and with a few other opinions is taken as a text in the following remarks and conclusions.

Finally, a moderate recommendation of partial equalisation is made to which little objection can be raised. It differs totally from the London County Council's proposal, principally in that the doling out of the pooled equalisation rate is recommended to be based partly on the night population and partly on the day population and partly on the density of the night population of the various areas concerned.

The London County Council's proposal was to dole it out in proportion to the average three years expenditure of the areas, in short, the more spent and the more wasted the larger the share of the grant receivable (and the greater the economy in spending the less the grant). It seems strange that the able and talented advisors of the London County Council could have seriously put forward so crude and absurd a proposal.

Practically on all points the London County Council have had a serious snub and it is to be hoped that the hot heads making such proposals will accept the situation and turn their attention, as suggested by the Royal Commission, to the reform of their own arrangements.

It has been a matter of wonder to me that the ratepayers of Hendon have not seriously risen to the situation. Had the London County Council been successful there can be no manner of doubt that our rates would have gone up at least 6/- in the £.

I remember the time when Hendon went nearly mad over proposals by the Council to enter into a municipal scheme which might have involved for a few years 3d. to 6d. on the rates. Now, at a time when proposals have been seriously made to upset our local government, and involve us in an increased rate ten or a dozen times greater, very few ratepayers trouble their heads about it, and elections take place in which an absurdly small proportion of the electorate trouble even to vote.

My year of office is ending. I entered upon it with considerable hesitation and I am glad that it is over, but it has been a very happy year and I have no regrets. I should have liked to have had more time to give to the work but have endeavoured to do my best. The Council and the Officials have helped me through and I thank you all.

I have been greatly impressed with the beauties of Hendon in the past. I am absolutely certain that in the future Hendon will take a leading place in the Greater London area. I have tried to uphold the dignity of Hendon and I hope that one of my successors, as Chairman, in the not distant future will be able to hold the office as Mayor of the County Borough of Hendon.

Upon the motion of Mr. Councillor Hearn, seconded by Mr. Councillor Roberts,

**IT WAS UNANIMOUSLY RESOLVED**—That the best thanks of the Council be tendered to the Chairman (Mr. Councillor A. B. Soar) for the valuable work undertaken by him during the past year and that such resolution be recorded on the Minutes of the Council.

**CORRESPONDENCE:** The Clerk reported the receipt of various letters as detailed in his report, and

**IT WAS RESOLVED**—That the same be referred to the respective Committees for consideration in the usual way.
