The County Council have not in the past favoured the making of grants in respect of film displays, but each application of this nature is given individual consideration, and so far as the lectures are concerned it is not the practice of the County Council to make grants unless the local authority intimate that they do not object to the holding of the lecture.

The Town Council offered no objection to a similar lecture in February last. (P.H. & M.S.C., 6/2/33—8).

(A). *Market Facilities—Watling Estate.*

In accordance with the Committee's instructions (Hi.C., 9/10/33—2 (C)) the Borough Surveyor submitted a plan of the Watling Estate with the existing open spaces indicated thereon.

The Committee have given careful consideration to the question of taking steps to overcome the present unsatisfactory conditions existing in Watling Avenue, by reason of unlicensed street traders and itinerant vendors, and have instructed the Borough Surveyor to prepare, and submit to the next meeting, a plan indicating the portions of Watling Avenue which could be allocated for street trading purposes and the number of stalls which could be accommodated.

† **(B).** *Unlicensed Street Trading.*

CONSIDERED : Reports of the Street Trading Inspector regarding the under-mentioned persons who were observed to be trading from stationary positions in Watling Avenue without street trading licences :—

(1) George Sellick,

* 5.—PUBLIC LIGHTING:

† (**A**). *Accommodation Roads off Watling Avenue.*

(*i*). *Back Lane.*

SUBMITTED: Further report of the Borough Surveyor with regard to the suggested installation of public lighting in the above accommodation road, together with a plan shewing the present development. (Hi.C., 29/5/33—5 (A); 4/7/33—3 (C)).

The proposal would necessitate the breaking up of a considerable length of the existing concrete carriageway and the Borough Surveyor suggests, in order to reduce to a minimum the length of road to be broken up, that he should endeavour to obtain permission to place the necessary main on vacant land owned by the London County Council.

RESOLVED TO RECOMMEND—**That the report of the Borough Surveyor be approved.**

† (*ii*). *Market Lane.*

SUBMITTED: Report of the Borough Surveyor on a letter from Mr. A. Abrahamson asking the Council to provide public lighting in the accommodation road known as Market Lane.

RESOLVED TO RECOMMEND—**That no action be taken in the matter.**

† (**B**). *Kingsbury Road.*

SUBMITTED: Report of the Borough Surveyor to the effect that The North Metropolitan Electric Power Supply Company are prepared to erect four lamps along the side of Kingsbury Road within the Council's area, of a type similar to those which have been erected for the Kingsbury Council along the remainder of the road.

The proposal will involve a capital expenditure in connection with the provision of the lamps and services of £30, and an annual maintenance cost of £17 10s. 0d. per lamp per annum, compared with £3 17s. 6d. per annum for each of the existing five gas lamps.

The Committee are of opinion that it is desirable that the standard of lighting of this road should be uniform, and

RESOLVED TO RECOMMEND—**That the offer of The North Metropolitan Electric Power Supply Company be accepted, and that the Borough Surveyor be authorised to take all necessary steps in connection therewith.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

† (**C**). *Brent Hill Estate.*

SUBMITTED: Report of the Borough Surveyor on a letter from the Hendon Electric Supply Company, Limited, suggesting that a new type of lantern with glass globe and prismatic reflector should be substituted for the existing lighting in respect of the 17 lamps erected on the Brent Hill Estate under an agreement entered into on the 13th March, 1922.

The proposal will involve a capital expenditure of £36 11s. 0d. and the cost of current, based on 4,000 lighting hours per annum, would be £3 6s. 0d. per lamp per annum.

The Company require the Council to provide the lamps and to undertake the maintenance of the lamps and fittings, such new terms to operate for a period of three years, from the 1st January, 1934, and thereafter to continue from year to year subject to termination by three months' notice.

The Committee are of opinion that improved lighting on this estate is desirable, and accordingly

RESOLVED TO RECOMMEND—

(*a*) **That the proposal of the Hendon Electric Supply Company, Limited, be approved and adopted and that the Council enter into an agreement with the Company on the lines indicated;**

(*b*) **That the Corporate Seal be affixed to the agreement.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

† (**D**). *Wakeman's Hill Parade, Edgware Road.*

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

* 6.—TRAFFIC CONTROL:

† (**A**). *Finchley Road—Refuges.*

SUBMITTED: Letter from the Golders Green and District Ratepayers' Association drawing attention to the danger to pedestrians, particularly children attending schools in the vicinity, wishing to cross Finchley Road at points between Golders Green Station and the Orpheum Cinema. The Association ask the Council to erect refuges in Finchley Road at its junction with Corringham Road, Hoop Lane, Bridge Lane and Childs Way.

The Committee are informed that owing to the existence of the tramway track the suggestion that refuges be erected is impracticable. They, therefore,

RESOLVED TO RECOMMEND—**That the Association be informed accordingly.**

† (**B**). *Edgware Road—Junction with Sheaveshill Avenue.*

SUBMITTED: Letter from the Colindale and District Ratepayers' Association stating that the continuing increase of traffic at the above junction is causing the Association some concern from the point of view of the safety of pedestrians, and they enquire whether the Council is prepared to put forward an application for the services of a constable for traffic duty at this point. Previous applications put forward by the Council for the services of a constable for traffic control duty at more heavily trafficked junctions have proved abortive. The Committee, therefore,

RESOLVED TO RECOMMEND—**That the Association be informed that the Council are unable to accede to their request.**

† (**C**). *Junction of Edgware Road and Watling Avenue*

SUBMITTED: Letter from the Hendon Chamber of Commerce suggesting the provision of a refuge at the above junction in the position indicated on a plan which accompanied the letter. The site suggested is on a portion of the Edgware Road for which the Middlesex County Council is the Highway Authority and to whom, therefore, the application should be submitted.

RESOLVED TO RECOMMEND—**That the Hendon Chamber of Commerce be so informed.**

(**D**). *Taxi-Cab Stands, Golders Green.*

REPORTED: That the Commissioner of Police had cancelled the Regulation, made by him on the 29th August last, appointing a standing for four hackney carriages—1 in Golders Green Road and 3 in Limes Avenue (Hi.C., 9/10/33—4 (A))—and that he had made a new Regulation appointing a standing for seven hackney carriages at Golders Green Road and Limes Avenue in three portions as follows:—

2nd Portion :—

(E). *Stopping Places for Omnibuses and Tramcars.*

(i) Junction of Finchley Road with Cricklewood Lane and Hermitage Lane.

(ii) Junction of Edgware Road with Station Road, ~~*Edgware*~~ *HENDON.*

SUBMITTED : Letter from the Ministry of Transport stating that after consulting the London and Home Counties Traffic Advisory Committee, the Minister had decided that the following revised stopping places should be put into operation for an experimental period commencing on the 15th November, or the date on which traffic light signals are brought into use at the above junctions, whichever is the earlier :—

In Cricklewood Lane :—

Inward-bound omnibuses to make a tail stop at tramway standard No. 90, as at present.

Outward-bound tramcars to make a head stop at the southern boundary wall of No. 177, as at present.

Outward-bound omnibuses to make a tail stop north and clear of Milton Road (opposite No. 212, Edgware Road).

In Station Road :—

Omnibuses proceeding to Hendon to stop outside the Broadway Florist's Premises.

Omnibuses proceeding to Edgware to stop outside No. 2.

It is proposed to review the working of the stopping places in question at the end of three months and the Ministry desire to be furnished with any observations the Council may have to make thereon before the expiration of this period.

The Committee propose giving the matter further consideration before the expiration of the experimental period.

7.—TRAFFIC CONDITIONS AT GOLDERS GREEN:

Parking Places and Hackney Carriage Stands.

SUBMITTED: Letters from the Ministry of Transport and the Commissioner of Police of the Metropolis in reply to the representations put forward by the Council asking that the necessary steps be taken with a view to (i) the existing parking place for Class "A" vehicles in North End Road being converted into a taxi-cab stand, and (ii) the taxi-cab stand in West Heath Drive being converted into a parking place for Class "A" vehicles. (Hi.C., 11/9/33—6 (B)).

The Minister of Transport, in accordance with the provisions of Section 10 (4) of the London Traffic Act, 1924, proposes to seek the advice of the London and Home Counties Traffic Advisory Committee upon the Council's proposals.

The Commissioner of Police stated that until recently taxi-cabs were using the parking place as a "feed" rank, with the result that private cars were prevented from making use of it, but that this practice has now been discontinued and the parking place is consequently being used extensively by private cars. In view of this and also of the fact that a new cab rank has recently been appointed in Limes Avenue, the Commissioner is of opinion that any alteration in the present arrangements would be unwarranted. **Noted.**

* 8.—PRIVATE STREET IMPROVEMENTS:

† **(A).** *St. Margaret's Road, Edgware.*

SUBMITTED: A summary of the replies received from the frontagers of the above road to the questionnaire enquiring whether they desired the road to be made up as soon as possible.

At the present time there are 42 frontagers, of whom 23 are in favour of the road being made up, and 11 against, whilst 8 did not reply to the questionnaire.

Letters were also submitted from (1) Mr. G. Palliser urging the making up of the road as soon as possible, and (2) Mr. S. C. Prior, who owns a considerable frontage on to the road, stating that he objects to the road being made up in view of the present undeveloped state of the road.

The Borough Surveyor has called the attention of the Committee to the fact that only 45 per cent. of the road is developed and points out that if private improvement works are carried out at the present time it will be necessary to open up the road to meet the needs of future development and it would also have to be made up to a specification to stand the heavy traffic which future building development would necessitate. He also points out that if the first portion only is made up at the present time a special specification, which would cost considerably more than the usual specification, should be adopted in order that the newly-made road might stand the heavy builders traffic in connection with future development.

Having regard to the desire of the majority of the present frontagers that the road should be made up, the Committee

RESOLVED TO RECOMMEND—**That the frontagers be informed as to the estimated cost per foot if the road is made up to a special specification at the present time, and the estimated cost they will be called upon to pay if the making up of the road is deferred until building development is completed, and that they be asked to intimate in the light of such information whether they would be prepared to agree to the road being made up as soon as possible to the special specification and to pay the increased cost which would be involved.**

Making up of Green Lane, Edgware.

† **(B).** Under an arrangement entered into by A. W. Curton, Ltd., with the Hendon Rural District Council prior to the transfer of Edgware, the above road, which is now being made up, is to be taken over by the Council on completion.

The specification provides for tarpaving being laid between the paving and the kerb.

An application has now been received from A. W. Curton, Limited, for permission to lay turf instead of tarpaving for the margins.

The Borough Surveyor has drawn the Committee's attention to the fact that as a result of future development Green Lane will ultimately be a road of considerable importance and the provision of a grass margin will probably result in heavy maintenance costs. The Committee are of opinion, however, that grass margins will add to the amenities of the road, and after careful consideration they

RESOLVED TO RECOMMEND—**That A. W. Curton, Limited, be informed that the Council are prepared to agree to the margins being laid in turf, subject to the turf being approved by the Borough Surveyor.**

[*Having considered the matter, the Finance and General Purposes Committee on financial and other grounds Recommend that the proposal be not approved.*]

Highwood Grove, Mill Hill.

† **(C).** SUBMITTED : Report of the Borough Surveyor on a petition from residents asking that the pavements to be constructed in the above road, which is now being made up, should be laid out in red and green materials.

RESOLVED TO RECOMMEND—**That paving stones of red colour be laid and the margins constructed of green asphalte.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

Making up of Aerodrome Road, Hendon.

† **(D).** SUBMITTED : Report of the Borough Surveyor on a letter from P. H. Edwards, Limited, asking whether the Council would entertain taking over the section of Aerodrome Road between the Bye-Pass Road and the Railway Bridge.

The making up and taking over of the section of the road in question would undoubtedly improve the conditions in the vicinity. The Committee, therefore,

RESOLVED TO RECOMMEND—**That the Council will be prepared to approve the proposal, subject to P. H. Edwards, Limited, entering into a satisfactory agreement undertaking to pay to the Council the cost of making up the road, and also making any necessary arrangements with the Air Ministry.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

Taking over of Selborne Gardens.

† **(E).** SUBMITTED : Report of the Borough Surveyor on his inspection of the above road. The carriageway now appears to be in a reasonable condition, but the Borough Surveyor informs the Committee that before the road can be taken over by the Council the tarpaving of the margins should be taken up and relaid with proper materials and to correct levels, and crossings constructed opposite the various garage entrances.

RESOLVED TO RECOMMEND—**That the Council will be prepared to take over the road after the works indicated above have been carried out to the satisfaction of the Borough Surveyor.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

† (F). *Taking over of The Greenway, Montrose Park Estate.*

SUBMITTED : Report of the Borough Surveyor on a letter from Mr. T. E. Carpenter, on behalf of Mr. E. Streather, asking the Council to re-consider its decision not to make any allowance towards the cost of making up the above road in respect of the frontage of the Park vested in the Council. (Hi.C., 30/5/32—8 (A.); 6/2/33—13 (A)).

RESOLVED TO RECOMMEND—**That the Council adhere to its previous decision.**

† (C). *Making up and Taking over of Private Streets.*

SUBMITTED : Report of the Borough Surveyor on a letter from Mr. T. E. Carpenter stating that his client, Mr. E. Streather, is prepared to agree to the suggested heads of agreement adopted by the Council for making up private streets by estate developers with a view to such streets being taken over by the Council as public highways (Hi.C., 9/10/33—5 (F)), provided the commission payable to the Council is reduced from £3 per cent. to 30/- per cent.

RESOLVED TO RECOMMEND—**That the Council adhere to its previous decision.**

† (H). *Plans and Estimates.*

SUBMITTED : Report of the Borough Surveyor, together with plans and estimates for making up the following roads under Section 150 of the Public Health Act, 1875 :—

	Estimated Cost. £
Vaughan Avenue	1,535
Edgeworth Avenue	1,707
Edgeworth Crescent	2,293
Faber Gardens	1,562
Rookery Way	1,430

Lynton Avenue	2,242
Clovelly Avenue	637
The Loning	796
Goodyers Gardens	512
Farm Avenue	1,153
Silkfield Road	1,160

The Borough Surveyor has informed the Committee that Faber Gardens and portions of Edgeworth Avenue and Vaughan Avenue can be laid out with grass margins, but that the remaining roads included in the group are unsuitable for the provision of grass margins by reason of the insufficient width of the footpaths.

The Council will be liable for sums, estimated at £36 10s. 0d. in respect of Woodfield Avenue and £24 10s. 0d. in respect of Clovelly Avenue, in connection with the frontage of Colindale School.

RESOLVED TO RECOMMEND—

(*a*) **That the plans and estimates be approved.**

(*b*) **That notices under Section 150 of the Public Health Act, 1875, be served on the frontagers of the roads in question and that a period of three months be allowed to the frontagers to carry out the works.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal and Recommend that application be made to the Minister of Health for sanction to a loan of £19,180 for a period not exceeding seven years.*]

† (I). *Dedication of Private Streets.*

CONSIDERED: Report of the Borough Surveyor as to the desirability of dedicating the following streets as public highways:—

The Rise,
Edgwarebury Gardens,
Glendale Avenue,
Ashcombe Gardens, } Edgware.
New Brent Street (part) Hendon.

RESOLVED TO RECOMMEND—**That the streets indicated above be now dedicated as public highways and the necessary notices posted.**

(J). *Roads on Golders Green Estate.*

SUBMITTED: Report of the Borough Surveyor stating that an inspection has been made of Pennine Drive and the roads on the southern half of the above Estate, but that John Laing and Sons, Limited, have not yet completed the repairs necessary before the roads can be taken over. **Noted.**

* 9.—FOOTPATH—WILLIFIELD WAY TO ERSKINE HILL:

SUBMITTED: Borough Surveyor's report on a letter from The Second Hampstead Tenants, Limited, asking the Council to reconsider its decision not to take over the above footpath. (Hi.C., 11/9/33—9).

RESOLVED TO RECOMMEND—**That the Council re-affirm its previous decision.**

* 10.—STATION ROAD, MILL HILL—IMPROVEMENT:

SUBMITTED: Report of the Borough Surveyor stating that the above road is getting into a very unsatisfactory condition and that it should be properly reconstructed. He has accordingly submitted plans for carrying out improvement works at an estimated cost of £2,107.

RESOLVED TO RECOMMEND—**That the scheme as submitted, at an estimated cost of £2,107, be approved and that the Finance and General Purposes Committee be requested to make the necessary financial provision.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal, and Recommend that application be made to the Minister of Health for sanction to a loan of £2,107 (including £15 for the cost of raising the loan, etc.) for a period of 15 years*]

* 11.—HOLDERS HILL ROAD—IMPROVEMENT:

SUBMITTED: Report of the Borough Surveyor, together with plans and estimates for the reconstruction and widening of Holders Hill Road from the Great North Way to Frith Lane, including the section of Dollis Road vested in the Council.

The scheme provides for a round-about system at the junction of Holders Hill Road, Dollis Road and Devonshire Road in accordance with the suggestion of the Ministry of Transport.

This scheme is the next in order of priority of works on County Roads included in the three year programme which was approved by the Council on the 20th June, 1932:—

The estimated cost of the work is as follows:—

	£
Cost of works	27,816
Compensation to owners of land (estimated)	3,624
	31,440
Clerk of Works, printing, stationery, cost of raising loan, etc.	650
	£32,090

The Borough Surveyor points out that it will be necessary to make an Order under the Public Works Facilities Act for the compulsory acquisition of land required for the scheme, but that it would be desirable to defer making such Order until the scheme has been submitted to and approved by the Middlesex County Council.

RESOLVED TO RECOMMEND—**That the scheme be approved and submitted for the approval of the Ministry of Transport and the Middlesex County Council.**

[Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.]

* 12.—CLAREMONT ROAD IMPROVEMENT:

Claim for Compensation.

SUBMITTED: Report of the Borough Surveyor stating that John Laing & Son Limited, had now agreed to a settlement of the whole of their claim arising out of the above improvement scheme for a sum of £414 including interest up to and including the 5th September last, subject to payment of interest from that date at 3½ per cent. on £400 until completion. The terms of settlement have been approved by the District Valuer.

On the 26th June last (Hi. C., 29/5/33—8) the Council decided to refer the original claim for a much greater amount for determination by the Official Arbitrator under the Acquisition of Land (Assessment of Compensation) Act, 1919.

RESOLVED TO RECOMMEND—**That the terms of settlement indicated above be approved and that any previous resolution of the Council inconsistent with the action now contemplated be varied accordingly.**

[Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.]

* 13.—BRENT STREET, HENDON:

(B). *Footpath Improvement.*

On the 2nd October last (Hi.C., 11/9/33—13), the Council approved the carrying out of an improvement to the footpath of Brent Street near Holmbush Court at the cost of the Middlesex County Council subject to the formal resolution being passed by the County Council.

It was reported to the Committee that the necessary resolution was passed by the Middlesex County Council on the 26th October last. **Noted.**

(2) Two plantations situated in the carriageway of Brent Street commencing opposite Victoria Road and extending in a northerly direction for a distance of approximately 70 yards.

(3) A piece of land forming the forecourt of the premises known as No. 84, Church Road, Hendon.

[Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal subject to no action being taken until the Middlesex County Council undertake to accept financial responsibility.]

* 15.—HALE LANE, EDGWARE:

Surplus Land.

REPORTED: The following resolution passed by the Middlesex County Council on the 26th October last:—

"That the County Council approves of the Hendon Town Council taking over for use as a garden the small piece of land in Hale Lane, Edgware, between the old highway and the new road, as shown on the plan now submitted, on the understanding that the County Council retain the freehold and have the right of entering upon the land at any time; and that any necessary agreement in a form approved by the County Solicitor, be sealed with the Common Seal of the County Council."

The Borough Surveyor reported that there would appear to be no objection to the freehold of the land remaining vested in the County Council, but he points out that as the land is to be laid out and maintained by this Council reasonable security of tenure should be ensured.

RESOLVED TO RECOMMEND—

(*a*) **That the Council agree to the terms laid down by the Middlesex County Council subject to the agreement providing for a period of not less than three years certain and reasonable notice being given thereafter of the County Council's intention to re-enter upon the land;**

(*b*) **That the Corporate Seal be affixed to any necessary documents.**

[Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.]

* 16.—STURGESS AVENUE AND NICOLL PLACE:

Grass Margins.

The Committee gave further consideration to the question of relaying the margins of the footways on the Brent Hill Housing Estate. (Hi.C., 9/10/33—10).

The Borough Surveyor reported that the total area of the margins to be relaid in the four roads (Sturgess Avenue, Nicoll Place, Daniel Place and St. David's Place) amounts to 4,407 square yards, and his estimate of the cost is as follows:—

Re-laying with green asphalte	£1,100
Re-laying with turf (initial cost)	£ 725

RESOLVED TO RECOMMEND—**That the margins of the four roads in question be relaid with turf and the Borough Surveyor instructed to put the work in hand at the earliest suitable time.**

[Having considered the matter in its financial bearing, the Finance and General Purposes Committee Recommend that the margins be relaid with green asphalte.]

RESOLVED TO RECOMMEND—**That the Association be informed that the matter is receiving the attention of the Council and that all necessary steps are being taken to expedite the completion of the widening of the portion of the footpath in question.**

* 19.—FOULING OF FOOTPATHS BY DOGS:

SUBMITTED: Letter from The Edgware and Stanmore Chamber of Commerce complaining of the fouling of streets in Edgware by dogs and enquiring whether there is any bye-law in force to deal with the matter.

The Good Rule and Government Bye-Laws made by the Council on the 11th September last contain a bye-law dealing with the fouling of footways by dogs on leads.

These Bye-laws, however, have not yet been confirmed by the Secretary of State and are, therefore, inoperative.

RESOLVED TO RECOMMEND—**That the Edgware and Stanmore Chamber of Commerce be informed accordingly.**

20.—TRAVELLING FACILITIES:

Extension of Omnibus Service No. 226.

REPORTED: Letter from The London Passenger Transport Board intimating their intention to extend the above single deck omnibus service from the Golders Green Estate, via Claremont Road, Cricklewood Lane, Oak Grove and Richborough Road, returning via Cricklewood Broadway to Cricklewood Lane. **Noted.**

In this connection the following resolution passed by the Middlesex County Council on the 26th October last, approving the proposals, was submitted:—

"*That an intimation be given to the Hendon Town Council that the County Council approves of the Local Authority entering into a "Give-and-Take" arrangement with the Greater London Investment Company in connection with the widening of Highwood Hill, providing for a conveyance by the Company of an approximate area of* 150 *yards super in exchange for a strip of approximately* 50 *yards super at the back of the recess in the highway, and in consideration of the Local Authority carrying out fencing and paving works at an estimated cost of* £180.

22.—EDGWARE ROAD—WIDENING OF FOOTPATH:

* 23.—IMPROVEMENTS ON COUNTY ROADS:

SUBMITTED: Report of the Borough Surveyor, together with a schedule of works each not exceeding a cost of £250 which had been approved by the County Council for inclusion in their application for a block grant for the current year, subject to the submission of plans and estimates. in the case of Hendon Park where old public footpaths exist, it is questionable as to whether prosecutions can be undertaken under the Bye-laws.

RESOLVED TO RECOMMEND—**That the Town Clerk be instructed to submit a report as to the legal position.**

* 8.—BOWLING GREENS :

† (A). *Mill Hill Bowling Club.*

SUBMITTED : Letter from the Hon. Secretary of the above Club in further reference to the question of the renewal of the lease for the use of the Bowling Green in Mill Hill Park.

The Club point out that the increase in the rent from £90 to £140 creates a financial difficulty, particularly in view of the fact that the Club's membership includes retired pensioners residing at the Cottage Homes.

In view of their present financial standing the Club state that a rent of £110 per annum is the utmost they can afford to pay. (E.P. & A.C., 9/10/33—2 (A)).

RESOLVED TO RECOMMEND—**That the Mill Hill Bowling Club be informed that the Council regret they are unable to depart from their previous decision in the matter.**

Clitterhouse Lane Open Space	10
West Hendon Playing Fields	6
Mill Hill Park	2
Copthall Open Space	6
Montrose Avenue Open Space	2
	—
	26
	—

It is suggested that the various clubs be required to hire the posts at a fee of £1 per season, such fee to be added to the rent of the pitch—the posts to be removed by the Council's staff and stored until again required for use.

The Committee are of opinion that this procedure will eliminate complaints from residents, arising from unorganised games on the football pitches. (E.P. & A.C., 9/10/33—(6)).

RESOLVED TO RECOMMEND—**That the estimate amounting to £124 be approved, and that the Borough Surveyor be instructed to make the necessary arrangements above suggested.**

* 12.—LAND—COLINDALE AVENUE :

Adjoining British Museum Repository.

The Chairman reported on a letter received from H.M. Office of Works containing revised conditions in connection with the Council's negotiations for the lease of the above land for recreational purposes. The area of the land is approximately 2 acres and H.M. Office of Works are prepared to grant a lease for a period of 21 years at a yearly rental of £65, on the understanding that the ground is not used for the purpose of organised games (no objection would be made to the playing of games by small parties of children), and that a Park-keeper shall be on duty between the hours of 7 a.m. to 5 p.m. in Winter and until 9 p.m. in Summer. The Office of Works originally suggested the erection of iron standards with barbed wire along the top of the walls, the cost thereof to be borne by the Council, but they are prepared to postpone for the time being the proposed work subject to the Council agreeing to put such work in hand at any time upon request.

A report by the Borough Surveyor thereon was also submitted. (E.P. & A.C., 29/5/33—(6)).

RESOLVED TO RECOMMEND—

(i) **That the Council agree to take a lease of the land at a rental of £65 per annum upon the above-mentioned terms and conditions.**

Whilst the County Council appreciate the wording of the Sub-Section, they are of opinion that in order to administer the West Middlesex Drainage System to the best advantage they should have full plans of all sewers connected to the system.

They recognise, however, that to ask for all such details would be unreasonable at this stage but intimate that if complete plans and sections of any proposed extensions or new sewers were submitted it would enable such records as exist to be kept up to date and the information would form the nucleus of a more complete record which could be elaborated as opportunity arose.

In view thereof the hope was expressed that the Borough Council would adopt this course and in the first instance forward to the County Council's Engineers plans and sections of all new sewers which would eventually communicate with the County Council's works.

RESOLVED TO RECOMMEND—

* 11.—SWIMMING POOL, ETC. :

The Committee had under consideration the Borough Surveyor's report deferred from the last meeting.

A map of the district was submitted showing the site of the proposed bath at Mill Hill, the existing bath at West Hendon and a suggested site in Hendon Way, near Highfield Avenue. The Borough Surveyor suggested that with baths in existence at these sites, the provision of further facilities near the centre of the district, such as Copthall Park or Sunny Hill Fields, would not likely to be justified from a financial point of view.

The following policy was therefore proposed :—

1. Construct the proposed bath at Mill Hill so that it is ready for next season (the revised plans have been forwarded to the Ministry and it is hoped to receive the loan sanction without delay).
2. Modernize the bath at West Hendon by the provision of a filtration plant, sun beaches, and additional dressing facilities, etc.
3. Proceed with the preparation of a scheme for an Open Air Bath on the site referred to at Hendon Way, provision to be made for a Children's Swimming Pool, Sun Beaches, Medical Baths and the bath equipped for various forms of Sport.

RESOLVED TO RECOMMEND—**That the policy suggested by the Borough Surveyor be approved and adopted.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

* 4.—REETS FARM HOUSING SCHEME :

† (A). *Approval of Scheme.*

SUBMITTED : Letter from the Ministry of Health stating that the Minister had approved the Council's proposals for the erection of 138 houses on the Reets Farm site and that he agreed to the acceptance of the tender amounting to £41,689 15s. 2d.

The letter states that as regards the 46 two-bedroomed houses to be erected under the Housing (Financial Provisions), Act, 1924, on receipt of an undertaking that the special conditions specified in section 3 (1) of the Act of 1924 will be duly observed, and provided the houses comply with the prescribed conditions as to size, construction, density, etc., the Minister will recognise them as eligible for Exchequer contribution under the Act on the condition that they are completed by the 31st March next.

With regard to the 53 two-bedroomed houses, 20 three-bedroomed houses and 9 four-bedroomed houses required for re-housing persons who will be displaced under the Elm Terrace and Hermitage Lane Slum Clearance Schemes and from individual houses to be demolished as a result of Demolition Orders, the Department state that on receipt of a copy of a resolution of the Council undertaking that the special conditions specified in section 27 of the Housing Act, 1930, will be complied with, and provided the houses comply with the prescribed conditions as to size, construction, density, etc., the Minister will be prepared to undertake the payment of the appropriate contribution under section 26 of the 1930 Act, subject to compliance with the provisions of that section and the special conditions provided by section 27.

The contribution will be based upon the number of persons displaced up to a maximum of 375 persons, which is the number of persons for whom the houses will provide alternative accommodation on the standard prescribed by section 37 of the Act.

Approval to the erection of the four-bedroomed houses is given on the understanding that they will be let and continue to be let only to large families.

With regard to the remaining 10 houses included in the contract (to replace families already accommodated in existing Council houses), the Department state that the Minister cannot recognise these as eligible for Exchequer contribution, but as they are necessary to the econ-

omic development of the site, he will raise no objection to the houses being provided for letting at economic rents.

RESOLVED TO RECOMMEND—

(*a*) **That in connection with the 46 houses to be erected under the Housing (Financial Provisions) Act, 1924, the Council agree to observe the special conditions specified in section 3 (1) of the Act, and that the undertaking in the form prescribed be given to the Minister of Health;**

A total length of approximately 1480 feet would be required for the Kingsbury Road Estate at an estimated cost of £239, and in connection with the Bittacy Hill Estate 806 feet would be required at an estimated cost of £155.

RESOLVED TO RECOMMEND—**That the Borough Surveyor's report and estimates be approved and that he be instructed to make the necessary arrangements on the lines indicated therein.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

SUBMITTED: Report of the Borough Surveyor, giving details of houses which had been re-decorated, and stating that the work comprised in the current year's programme for the re-decoration of Council houses will be completed on the 8th December next, and that of the 27 painters and labourers at present employed, 50% will be paid off during the present week and the remainder during the following week.

The Committee feel that every effort should be made to retain these men in employment as far as possible, and with this end in view, they

RESOLVED TO RECOMMEND—**That it be referred to the Mayor, the Chairman of the Committee, and the Chairman of the Finance and General Purposes Committee to consider the possibility of proceeding with the work included in the programme laid down for 1934/35, and that they be authorised, if deemed desirable, to instruct the Borough Surveyor to put the work in hand.**

* 4.—PERMANENT ALLOTMENTS:

(B. & T.P.C., 16/10/33—9).

In the circumstances it would appear desirable for the Council to accept a free dedication of the land at the present time, with an indemnity to the owner against future road charges in respect of the two flank frontages created by the new road, and the Committee

RESOLVED TO RECOMMEND **accordingly.**

[Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.]

* 7.—FINCHLEY NURSERIES:

Development.

SUBMITTED: Report of the Borough Surveyor on a letter received from Mr. Leslie Raymond relating to the proposed development of the above estate. It will be recalled that at the last meeting a plan was submitted which provided for the development of the estate at a density of 9½ houses to the acre. A claim was also submitted in respect of the 2.35 acres of land required in connection with the Riverside Walk. (B. & T.P.C., 16/10/33—page 936, Application No. A.3001).

The applicant now suggests, without prejudice, that he should be allowed to develop the estate with 127 houses and that the 2.35 acres of land be conveyed to the Council for the sum of £250.

RESOLVED TO RECOMMEND—**That the applicant be informed that the Council will be prepared to give favourable consideration to a lay-out plan submitted on the following basis:—**

(*a*) The freehold of the land required for a riverside walk shall be conveyed to the Council at the price of £250;

(*b*) The area of the estate thus left available for development shall be developed at a density of 9 to the acre;

(*c*) The general lay-out plan shall be to the Council's approval and the Council shall have the right to approve the elevations and materials of construction of the houses to be erected.

[Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.]

* 8.—HIGHWOOD HILL ESTATE:

Surface Water Sewerage.

In connection with Application No. A. 2736 recommended for approval, the Borough Surveyor reported that there is an old culvert nine inches in diameter running through the site. The applicants have agreed to relay such culvert with a diameter of 12 inches but the development in the area of Highwood Hill will necessitate a further increase in the capacity of the pipe and the applicants are prepared to relay it to a diameter of fifteen inches, subject to the Council paying a sum of £50 towards the extra costs incurred.

RESOLVED TO RECOMMEND—**That the Council accept the offer and that a contribution of £50 be made towards the cost of the work involved.**

[Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.]

* 9.—FLATS, JUNCTION OF NORTH END ROAD WITH WEST HEATH AVENUE:

SUBMITTED: Report of the Borough Surveyor on an application from Messrs. Webb & Ash for permission to erect a block of 65 flats on the site of the premises known as "Annandale" at the junction of North End Road with West Heath Avenue. The site in question is not included in the Town Planning Scheme.

The Committee are of opinion that any block of flats on this site should be limited to four storeys and that the two projecting wings should be omitted from the proposal, also the building line to West Heath Avenue should be maintained at the present figure.

RESOLVED TO RECOMMEND—**That the application be disapproved and that the applicants be informed accordingly.**

* 10.—APPLICATIONS FOR INTERIM DEVELOPMENT ORDERS:

† **(A).** *Land—Cricklewood Lane.*

SUBMITTED: Report of the Borough Surveyor on an application received from Messrs. Cluttons relative to certain land in Cricklewood Lane between the existing houses facing Cricklewood Lane and the back of the houses built in Harman Drive. There is already a strip of land 50 feet in width connecting this piece of land to Cricklewood Lane. Messrs. Cluttons have intimated the conditions under which they would restrict the land if it were used for the purpose of shops or showrooms, garages and workshops.

The Committee are of opinion that before dealing with the application, Messrs. Cluttons should obtain an expression of opinion from the owners of the three houses affected in Harman Drive.

RESOLVED TO RECOMMEND—**That Messrs. Cluttons be informed accordingly.**

† **(B).** *Land—Finchley Road, Golders Green.*

SUBMITTED: Report of the Borough Surveyor on an application received from Miss Christy for permission to use a piece of land situate at the rear of Finchley Road and Llanvanor Road for the purpose of stables for riding ponies.

Provided the stables are limited to a small number of horses and the rest of the ground laid out in a suitable manner and kept in good condition there would not appear to be any objection to the proposal.

RESOLVED TO RECOMMEND—**That Miss Christy be informed that the Council are prepared to consider a scheme on the lines above indicated, subject to the submission of plans and elevations for the Council's approval.**

† **(C).** *Land—Junction of Brent Street and Queen's Road.*

SUBMITTED: Report of the Borough Surveyor on an application received from Mr. F. R. G. Wills for permission to develop the property known as "Goodyers" for a block of 20 flats, two storeys in height.

RESOLVED TO RECOMMEND—**That the applicant be informed that the Council are prepared to consider a scheme as suggested, subject to a building line of not less than 20 feet and to the submission of plans and elevations for the Council's approval.**

† **(D).** *Land—Junction of Watford Way with Aerodrome Road, Hendon.*

SUBMITTED: Report of the Borough Surveyor on an application received from Mr. L. H. Pickworth for permission to develop the above land for the purpose of a petrol filling station.

The proposals are unsuitable for a business of this character and in addition the development would appear to interfere with the proper development of Aerodrome Road and the accommodation road leading to the backs of the houses in Watford Way.

RESOLVED TO RECOMMEND—**That such application be disapproved.**

† (E). *Licensed Premises—Junction of Graham Road with Hendon Way, Hendon.*

SUBMITTED: Report of the Borough Surveyor on an application received from Mr. R. G. Muir, together with a revised lay-out plan in respect of licensed premises on the above site. (B. & T.P.C., 16/10/33—4).

As a result of negotiations with the applicant the proposal has been amended as indicated in the Borough Surveyor's report and the prospect of any serious depreciation occurring in the value of adjacent residential property has been removed.

The Committee also considered the Petition submitted on behalf of residents in the neighbourhood, objecting to the proposal.

RESOLVED TO RECOMMEND—**That an Interim Development Order be granted containing special conditions controlling the use of flood lighting and "Neon" lighting, also the right to make future extensions along the Graham Road frontage.**

† (F). *Hampstead Borough Council's Housing Scheme—Westcroft Farm Estate, Cricklewood.*

SUBMITTED:—

(i) Letter, dated the 13th November, 1933, from the Minister of Health in reply to the representations put forward in accordance with resolution No. 477 passed by the Council on the 30th October, 1933, requesting the holding of a public inquiry in connection with the proposals of the Hampstead Borough Council. The Minister states that unless the Borough Council of Hampstead should find it necessary to proceed with their application for confirmation of the Compulsory Purchase Order, the Minister would not appear to have any jurisdiction in the matter, apart from any possible appeal against a refusal to grant permission for the proposed development under Section 10 of the Town and Country Planning Act, 1932, and the Town and Country Planning (General Interim Development) Order, 1933.

(ii) Letter, dated the 20th November, 1933, from the Minister of Health forwarding copy of a letter and notice of appeal made to him by the Hampstead Borough Council under Section 10 (5) of the Town and Country Planning Act, 1932, against the refusal of the Council to grant permission for development to proceed under the protection of the Town and Country Planning (General Interim Development) Order, 1933.

The Minister asks to be furnished with the Council's observations on the appeal as soon as practicable.

The Town Clerk reported as to the Council's position in the matter. (B. & T.P.C., 16/10/33—5).

RESOLVED TO RECOMMEND—**That an Interim Development Order be granted subject to certain modifications to the scheme already agreed to by the Architect to the Hampstead Borough Council.**

30*th October*, 1933.

Present: Alderman A. J. Reynolds (Chairman), The Deputy Mayor (Alderman C. C. Cartwright, M.B.E., J.P.), Councillors P. Lightfoot and H. G. Potter, J.P., F.S.I.

COUNTY BOUNDARIES:

Middlesex—Hertfordshire.

SUBMITTED: Letter from the Middlesex County Council referring to the letter conveying the decisions of the Minister of Health on the County Council's proposals under Section 46 of the Local Government Act, 1929, and inviting the Council to submit particulars of any instances in which, in their opinion, the County boundary should be altered to remove existing administrative difficulties or where otherwise they consider the boundary could with advantage be rectified, with the reasons for such suggested alterations.

In this connection the Borough Surveyor submitted a plan shewing proposals for certain alterations to the County Boundary.

RESOLVED—**That the plan now submitted be approved and transmitted to the Middlesex County Council.**

Boundaries Committee.

1.—APPOINTMENT OF CHAIRMAN:

RESOLVED—**That Alderman A. J. Reynolds be re-appointed Chairman of the Committee.**

2.—BOROUGH BOUNDARIES:

Hendon—Finchley.

It will be remembered that the decision of the Minister of Health (4/8/33), on the proposals of the County Council affecting the Borough boundary in the Nether Court Area, was to transfer to Finchley the area acquired by that Council for an open space except that a building depth of 180 feet to Frith Lane should remain in Hendon. (B.C., 18/9/33).

On this decision the County Council in a letter dated the 1st November, represented to the Minister that a more satisfactory new boundary along Frith Lane "would be coincident with the western boundary of the open space as it will exist after the portions which the Finchley Council propose to sell have been disposed of, but cutting through the one property in private ownership along a line parallel to and at a distance of approximately 150 feet from the road."

A communication was addressed to the Minister by the Town Clerk urging the desirability of the maintenance of a building depth of 180 feet.

The Minister has now decided (22/11/33) to concur "*in the suggestion of the County Council that the boundary should be a building depth of* 150 *feet to the east of Frith Lane except in the two places where the Finchley Open Space extends to the lane.*" **Noted.**

RATING. & VALUATION COMMITTEE.

MATTERS REFERRED TO IN M.S.

WATLING ESTATE.

Assessments.

SUBMITTED: Report of the Chief Rating and Valuation Officer to the effect that it will be recalled that the Valuer of the London County Council asked for a reduction of at least £1 rateable value in respect of each house on the Watling Estate (R.& V. Cttee 18/7/33, page 19.)

After negotiation with the London County Council a request was received for a reduction in 195 cases. It was pointed out on behalf of this Authority that in 56 cases there could not be a reduction on the basis of the County's own arguments.

The County Valuer eventually agreed and the Chief Rating and Valuation Officer accepted reductions of £1 in 139 cases on the basis of the whole of the remaining 3,900 properties on the Estate remaining undisturbed. This being the most satisfactory settlement.

RESOLVED: THAT THE ACTION OF THE CHIEF RATING AND VALUATION OFFICER BE APPROVED.

The Club extended a cordial invitation to members of the Council to attend.

APOLOGIES FOR ABSENCE were submitted on behalf of Alderman S. H. Egan, J.P., Councillors E. Holt, J.P., and S. E. Sharpe.

MINUTES—CONFIRMATION:

Moved by Councillor Ford, seconded by Councillor Scott, and

29.—RESOLVED—**That the Minutes of the First Quarterly Meeting of the Borough Council held on the 9th day of November, 1933, and of the Special Meeting held on the 27th day of November, 1933, be confirmed.**

DEPUTATIONS :

The Mayor reported that the Deputations referred to under items 3 (a) and (b) on the Agenda were not in attendance, and it was agreed to proceed with the next business pending the arrival of the Deputations.

QUESTION :

Councillor Gilpin asked the Chairman of the Estates, Parks and Allotments Committee the following question, pursuant to notice duly given in accordance with Standing Order No. 25 :—

" Whether he is aware that £150 damages were recently awarded to a boy using the swings in the Borough of Walthamstow in respect of injuries which he sustained when he fell from a swing in a Recreation Ground of which the Borough Council were the owners; whether he is aware that the said injuries were due to the floor being made of concrete; and that the jury, in returning their verdict, said they were agreed that the defendants were responsible for providing proper and adequate supervision; and whether he is satisfied that the floor of the swings under the control of the Hendon Borough Council is, and will be, of suitable material and that proper and adequate supervision is employed in connection with such swings and similar apparatus."

The Chairman of the Committee (Councillor Arter) replied as follows :—

" The subject matter of the question has been under the notice of the Committee who consequently are aware of the general circumstances as set out in the question. The children's playgrounds under the control of the Borough Council are not made of concrete. The Committee are fully satisfied that these grounds are made of a suitable material. Regarding supervision, it is undesirable to express at this juncture any opinion and I regard it as somewhat unfortunate that the matter should have been brought up because the case in question is to be the subject of an appeal; it is *sub judice* and, therefore, it cannot be discussed."

Alderman Latham gave notice that he would raise the question generally on the report of the Estates, Parks and Allotments Committee.

EDUCATION COMMITTEE :

In reply to Councillor Pugh who enquired whether there was someone in regular attendance for the supervision of children, the Chairman of the Committee replied in the negative.

Replying to Councillor Ford, the Chairman of the Committee stated that the procedure as to supervision, so far as the above Park was concerned, was no different from that in operation in the other Parks under the Council's control.

AMENDMENT moved by Alderman Latham, seconded by Alderman Connell:—

THAT it be an instruction to the Estates, Parks and Allotments Committee to consider and report upon the present supervision of the playgrounds under the control of the Council with reference to the decision in the Walthamstow case.

NATIONAL UNEMPLOYED WORKERS' MOVEMENT—CHRISTMAS RELIEF:

At 6.55 p.m. a Deputation consisting of Mr. R. Burke and Mr. H. Kaufman representing the West Hendon Branch of the National Unemployed Workers' Movement appeared before the Council.

Mr. Burke and Mr. Kaufman addressed the Council and urged that the unemployed and their dependants should receive consideration at Christmas time by the provision of adequate relief, and requested that the following additional Christmas allowances should be made:—

(i) An additional allowance of 1/6d. for each child;

(ii) An additional Christmas allowance of 5/- for unmarried and unemployed men;

(iii) An additional allowance of 10/-and 1 cwt. of coal for unemployed married couples.

The Mayor informed the Deputation that the Council had no power to grant relief of the nature suggested by them, and that it was a matter for the Public Assistance Committee. He further stated that the Council could only provide work. He understood that the Borough Surveyor could provide work for a small number of suitable men and application should be made to him at the Town Hall during the next few days.

The Mayor thanked the members of the Deputation for their attendance and at 7.7 p.m. they withdrew.

In response to a request by Alderman Latham that more specific information should be given as to the number of men for whom work could be provided and the nature of the work, the Borough Surveyor stated that a road improvement scheme had been approved, and, if the Council thought fit, he could start with about 20 men between now and Christmas, but he did not think more than that could be done.

It was intimated that 32 names had been obtained of children who would use the Crèche if provided, and the Deputation suggested that pending the establishment of a permanent Crèche negotiations should be entered into for the use of suitable accommodation, which was stated to be available, at the Watling Centre.

The Mayor thanked the members of the Deputation for their attendance, and at 7.45 p.m. they withdrew.

7.—CHOICE OF EMPLOYMENT CONFERENCES:

REPORTED: That, at a meeting of the Education Committee held on 17th October, 1933, the opinion was expressed that it was placing an unduly heavy burden on the Chairman of the Juvenile Employment Sub-Committee to be called upon to interview the whole of the parents and school leavers as has been the case during the past two years, and suggesting that a ROTA should be substituted therefor.

The General Post Office has, however, loaned to the London Education Authority a limited number of demonstration telephone sets for a period of six months in accordance with a scheme similar to that put into operation in Hendon two years ago.

II. DEFECTS OF SPEECH AMONGST SCHOOL CHILDREN :

SUBMITTED : Report (copy herewith), of the School Medical Officer on a survey made of children attending the elementary schools suffering from defects of speech. It has been found that at the present time there are 193 cases, the most common defect being that of stammering, and unless treated at a fairly early age the disability tends to become permanent and a grave handicap.

The services of specially qualified teachers to deal with speech defects are available and various Education Authorities throughout the Country are instituting remedial classes with most encouraging results.

The School Medical Officer pointed out that the course would not interfere to any extent with the child's normal schooling, attendance only being required at a special class for one hour on two half days each week; the usual practice being to conduct three sessions each half day with an attendance of not more than 9 at each of the sessions.

The School Medical Officer recommends :—

(1) That a suitable person be appointed to act as Instructor.

(2) That two classes per week be established of approximately $2\frac{3}{4}$ hours duration with at least one additional half-day per month for the interviewing of parents and teachers.

(3) That the remuneration to be paid to the Instructor be at the rate of 17s. 6d. per half day to include travelling expenses.

RESOLVED TO RECOMMEND **to the Education Committee that the recommendations of the School Medical Officer be approved and adopted and a report presented on the results achieved at the expiration of twelve months.**

Present: Alderman W. H. N. Shakespeare, M.C., A.F.C., J.P. (Chairman), Councillor V. Samuel (Vice-Chairman), The Mayor (Alderman C. C. Cartwright, M.B.E., J.P.), Alderman A. J. 1.—REQUISITIONS:

Requisitions amounting to £1,443 16s. 2d. were submitted and **approved.**

★2.—STREET TRADING:

† (A). **Application for Licence.**

CONSIDERED: The following application for a street trading licence, together with the observations of the Borough Surveyor thereon:—

Name and Address of Applicant.	Description of Site.	Commodity proposed to be sold.	Days and Times.
Taylor, John William, 9, Crispin Road, Burnt Oak	On the carriageway on the south side of Abbots Road, Burnt Oak, at a point midway between Goldbeaters Grove and Wolsey Grove. (Stall on wheels:—length 4 ft. 6 ins.; height 5 ft. 4 ins.; width 2 ft. 9 ins.)	Confectionery	Monday to Saturday, 11 a.m. to 8 p.m.

RESOLVED TO RECOMMEND—**That, subject to the Commissioner of Police offering no objection, the application be granted and the necessary licence issued.**

† (B). **Watling Avenue.**

Pursuant to the Committee's instructions, the Borough Surveyor submitted a plan of the section of Watling Avenue between Edgware Road and Orange Hill Road, shewing the existing forecourts used for trade purposes, the sites at present licensed for street trading purposes, and also indicating two lines of stalls each 3 ft. 6 ins. in width along each side of the carriageway adjacent to the kerb.

The existing carriageway is 30 feet between kerbs, and allowing for the two lines of stalls and persons who would stand or walk at the back of the stalls, the carriageway would be reduced to a width sufficient only to permit of one line of traffic in each direction without adequate room for passing.

In the opinion of the Committee, to permit street trading on the lines indicated in this thoroughfare would create serious congestion, and be extremely dangerous to traffic and persons using the highway, and to a large extent would render it impossible for some of the traders to carry on their businesses.

The Committee have also considered the possibility of allowing street trading on one side of the road only, and also on alternate sides, and after full consideration

RESOLVED TO RECOMMEND—**That street trading licences be not granted for pitches on the carriageway on the portion of Watling Avenue between Edgware Road and Orange Hill Road shown on the plan now submitted.**

★3.—**PUBLIC LIGHTING:**

† **(A).**

(*i*). **Steps between Deansbrook Road and Fairfield Crescent.**
(*ii*). **Footpath—Deansbrook Road to Elmer Gardens.**

SUBMITTED: Letter from the Edgware Ratepayers' Association asking the Council to erect street lamps to light the above mentioned steps and footpath.

The Borough Surveyor reported that he had fixed a lamp to light the flight of steps but the provision of the necessary service to light the footpath would involve an expenditure of £12.

RESOLVED TO RECOMMEND—**That the footpath in question be lighted and that an expenditure of the sum of £12 in connection therewith be approved.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

† **(B).** **Station Road, Edgware—Parade Lighting.**

SUBMITTED: Report of the Borough Surveyor on an application for sanction to the installation of parade lighting on the section of Station Road, Edgware, between Manor Park Crescent and a point opposite the Railway Hotel. No cost will fall upon the Council in connection with the proposed lighting scheme.

RESOLVED TO RECOMMEND—**That the proposed lighting scheme be approved subject to the applicants entering into an agreement completely indemnifying the Council from liability in respect of all claims arising out of or in connection with the lamps included in the scheme.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal subject to indemnities being obtained from the Statutory Companies concerned or to the applicants' indemnity being covered by insurance.*]

† **(C).** **Junction of Edgwarebury Lane and Hale Lane, Edgware.**

SUBMITTED: An application from the Gas Light & Coke Company for permission to the installation of parade lighting in front of the shops at the junction of Edgwarebury Lane and Hale Lane, together with the report of the Borough Engineer thereon.

RESOLVED TO RECOMMEND—**That the proposed lighting scheme be approved subject to the owners of the shops in question entering into an agreement completely indemnifying the Council from liability in respect of claims arising out of or in connection with the lamps included in the scheme.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal subject to indemnities being obtained from the Statutory Companies concerned or to the owners' indemnity being covered by insurance.*]

(D). *The Burroughs Cross Roads.*

SUBMITTED: The following resolution passed by the Hendon Ratepayers' Association:-

"*That the attention of the Hendon Borough Council be called to the inadequate lighting at the cross roads The Burroughs, especially regarding the direction boards which are very indistinct at night. In the opinion of the Association illuminated road signs and direction boards are essential at such a busy point.*"

The erection of illuminated road signs and direction boards at this junction is a matter for the Middlesex County Council.

The Committee, therefore

RESOLVED—**That the Borough Surveyor be instructed to report regarding the lighting of the cross roads, and that the question of the erection of illuminated road signs and direction boards be referred to the Middlesex County Council.**

Park Road.

(E).

The attention of the Committee was called to the lighting of Park Road, Hendon, from the Cottage Hospital to the end of Sturgess Avenue, and the Committee have instructed the Borough Surveyor to submit a report thereon.

★4.—**TRAFFIC CONTROL:**

† (A). **Refuge—Entrance to Temple Fortune Lane.**

SUBMITTED: Letter from the Hampstead Garden Suburb Residents' Association calling attention to the position of the refuge at the entrance to Temple Fortune Lane and stating that some cars entering the Lane pass on the left of the refuge and some on the right, thereby confusing motorists and occasioning danger to pedestrians.

RESOLVED TO RECOMMEND—**That the Borough Surveyor be instructed to erect a "Keep Left" sign in a suitable position.**

† (B). **Traffic Signals.**

(*i*). **Junction of Edgware Road and Station Road, Hendon.**

(*ii*). **Junction of Finchley Road, Cricklewood Lane and Hermitage Lane.**

On the 2nd October last (Hi. C., 11/9/33—5 (B)), the Council, on the recommendation of the Committee, decided to press the County Council to approve the signals proposed to be erected at the above-mentioned junctions to rank for a financial contribution in the current year's estimates. In this connection a letter was submitted from the County Council stating that for financial reasons it is not possible to approve of any additional points being put in hand this year.

The Committee are of opinion that the erection of traffic signals at these junctions is a matter of extreme urgency, and accordingly

RESOLVED TO RECOMMEND—**That the Middlesex County Council be urged to reconsider their decision, and to agree to the signals being erected forthwith to rank for a financial contribution in the current year's estimates.**

† (*iii*). **Junction of Hendon Way and The Vale, Golders Green.**

SUBMITTED: Letters as follows:—

(*a*) from the Middlesex County Council stating that the County Council approved the erection of traffic actuated control signals at the above junction with the road works and white lines at an estimated cost of £502 10s. 0d., but that as The Vale is a District Road the County Council considered that this Council should contribute 25% of the balance of the cost of the installation and future maintenance after deducting the Ministry of Transport's grant of 60% and enquiring whether the Council are prepared to contribute on this basis;

(*b*) from the County Engineer suggesting that pedestrian signals should be incorporated in the scheme for this road junction and enquiring whether the Council are prepared to bear the cost of their provision and future maintenance (the signals being eligible for a 60% grant) if the County Council agree to include their erection with the traffic signals.

RESOLVED TO RECOMMEND—**That the Middlesex County Council be informed that the Council are prepared to agree to contribute on the basis indicated in (a) above towards the cost of installation and future maintenance of traffic actuated control signals at this junction, but that the Council are not prepared to agree to their proposals regarding the pedestrian signals.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

† (C). **Watford Way—Mill Hill Park Crossing.**

SUBMITTED: Letters as follows:—

(*a*) from the Middlesex County Council agreeing to waive condition " C " of the County Council's resolution of the 27th October, 1932 (reported to the Council on the 12th December, 1932—Hi. C., 21/11/32—4 (C)), which required this Council to indemnify the County Council against any claims which may arise in consequence of the erection of the signals.

(*b*) from the Ministry of Transport, in reply to the application put forward by the Council for financial assistance towards the cost of erecting pedestrian operated signals at the above crossing, stating that experience has shown that on roads where the speed of traffic is high, primary signals are required in the centre of the road as well as on the footways, and that in order to effect this it is necessary to make provision on either side of the central signal for two lines of traffic, which means that the carriageway must be 44 feet in width. The Ministry suggest that the Council should co-operate with the Middlesex County Council and arrange for the carriageway to be widened, with a central refuge, which would probably eliminate the necessity for signals.

The Committee agree with the suggestion contained in the letter from the Ministry of Transport, and

RESOLVED TO RECOMMEND—**That the Borough Surveyor be instructed to confer with the County Engineer on the lines suggested.**

(D). " One-Way " Traffic Schemes.

† **(*i*). Hartley Avenue, Mill Hill.**

REPORTED : Letter from the Ministry of Transport stating that the Minister proposes to ask the London & Home Counties Traffic Advisory Committee to review the working of the " one-way " traffic system now in experimental operation in Hartley Avenue with a view to determining whether the existing arrangements should now be placed upon a permanent basis.

The Minister of Transport desires to be furnished with the Council's observations on the working of the scheme.

RESOLVED TO RECOMMEND—**That the Minister of Transport be informed that in the opinion of the Council the existing arrangements are satisfactory and should be placed on a permanent basis.**

† **(*ii*). Orange Hill Road and Deans Lane.**

SUBMITTED : Letter from the Ministry of Transport transmitting draft Regulations proposed to be made by the Minister of Transport, acting on the advice of the London and Home Counties Traffic Advisory Committee, to provide for the introduction of " one-way " traffic working on either side of the shrubbery in Orange Hill Road and Deans Lane, near Deansbrook Road.

The draft Regulations provide that every vehicle entering any part of a street specified in column 1 of the Schedule (set out hereunder) shall, between the point of its entry therein and the point of its departure therefrom, follow the route or direction prescribed in column 2 of the schedule.

(1). Street.	(2). Prescribed Route or Direction which all vehicles shall follow.
The part of Orange Hill Road which passes to the East of the shrubbery between Deansbrook Road and Abbots Road.	From North to South.
The part of Orange Hill Road which passes to the West of the shrubbery between Abbots Road and Deansbrook Road.	From South to North.

(1). Street.	(2). Prescribed Route or Direction which all vehicles shall follow.
The part of Deans Lane which passes to the East of the Shrubbery immediately North of the junction of Deans Lane with Deansbrook Road.	From North to South.
The part of Deans Lane which passes to the West of the shrubbery immediately North of the junction of Deans Lane with Deansbrook Road.	From South to North.

Any representations the Council may desire to make on the proposed Regulations must be forwarded to the Ministry not later than the 31st instant.

RESOLVED TO RECOMMEND—**That the Ministry of Transport be informed that the Council approve the proposed regulations.**

† (E). **Junction of Parson Street and Great North Way.**

SUBMITTED: Letter from the Hendon Ratepayers' Association asking that, if possible, part of the sum allocated to be spent on the suggested widening of the road and construction of a round-about at the junction of Holders Hill Road, Dollis Road and Devonshire Road (Hi. C.,20/11/33—11), be spent on recognised danger points in the district which, in the opinion of the Association, require immediate attention, one point being the junction of Parson Street and Great North Way.

RESOLVED TO RECOMMEND—**That the Association be informed that the Council are unable to comply with their request.**

★5.—**PARKING PLACES:**

Extension of Time Limit.

SUBMITTED: Letter from the Hendon Ratepayers' Association requesting that the hours during which vehicles may wait on Parking Places within the Borough be extended from 8 p.m. until midnight.

The Council are at present awaiting the decision of the Ministry of Transport on an application transmitted in June last for the hours for the parking places in North End Road and Hoop Lane to be extended from 7 p.m. until 11 p.m. (Hi. C., 29/5/33—3 (B) (ii)).

The Committee, therefore

RESOLVED TO RECOMMEND—**That the Association be informed that their request will receive attention when the Minister's reply to the application referred to above has been received.**

★6.—**TRAFFIC CONDITIONS AT GOLDERS GREEN:**

Parking Places and Hackney Carriage Stands.

Pursuant to the resolution passed by the Council on the 2nd October last (Hi.C., 11/9/33—6 (B)), the Minister of Transport and the Commissioner of Police of the Metropolis were requested to take steps with a view to the parking place for Class "A" vehicles in North End Road being converted into a taxi-cab stand, and the taxi-cab stand in West Heath Drive being converted into a parking place for Class "A" vehicles.

Subsequently the Commissioner of Police appointed a standing for seven taxi-cabs at Golders Green Road and Limes Avenue and at the last meeting of the Council a letter was reported from the Commissioner of Police stating that in view of the fact that the practice of taxi-cabs using the parking place in North End Road had been discontinued and that the parking place is now being used extensively by private cars, and also having regard to the appointment of the new cab rank in Limes Avenue, the Commissioner was of opinion that any alteration in the present arrangements would be unwarranted. (Hi.C., 20/11/33—7).

A letter was submitted from the Ministry of Transport stating that in view of the altered circumstances indicated in the letter from the Commissioner of Police, it appeared to the Minister that there is now no need for further action in regard to the Council's suggestion, and enquiring whether in these circumstances the Council desire that the proposal put forward, pursuant to the resolution passed on the 26th June last (Hi.C., 29/5/33—3 (B) (iii)), that taxi-cabs should not be permitted to stand upon parking places should be proceeded with.

RESOLVED TO RECOMMEND—**That the Ministry of Transport be informed that in view of the fact that additional taxi-cab standings have been appointed the Council concur in the Minister's view that there is no necessity to pursue the matter further.**

★7.—TRAVELLING FACILITIES:

(A). *Extension of Omnibus Service No.* 226.

REPORTED: Letter from the London Passenger Transport Board stating that the above service would be extended to Cricklewood Broadway as from Wednesday, the 17th instant. (Hi.C., 20/11/33—20). **Noted.**

(B). **Roadside Shelters for Omnibus Passengers.**

(*i*). *London Passenger Transport Board.*

SUBMITTED: Letter from the London Passenger Transport Board transmitting an illustration of a type of shelter the Board desire to erect in connection with their passenger services, and stating that in due course they would forward a detailed list of the sites in respect of which they desired the permission of the Council to the erection of such shelters.

Noted.

† (*ii*). **"The Bell," Brent Street.**

SUBMITTED: Resolution passed by the Hendon Ratepayers' Association asking the Council to consider the question of erecting a shelter for omnibus passengers near "The Bell," Brent Street. (Hi.C., 9/1/33—12 (B)).

Having regard to the proposals of the London Passenger Transport Board referred to above, the Committee

RESOLVED TO RECOMMEND—**That the Association be informed that the matter will receive further consideration on receipt of the detailed list of sites referred to in the letter from the London Passenger Transport Board.**

† (C). **Train Service from Golders Green and the Provision of an Enclosed Waiting Room.**

SUBMITTED: Letter from the Golders Green Estate Ratepayers' Association asking the Council to support the representations the Association had made to the London Passenger Transport Board asking the Board to take steps to obviate the overcrowding of trains from Golders Green, between 7.45 and 9.15 a.m., and also to provide an enclosed waiting room for the convenience of passengers wishing to travel after the rush hours when the train services are less frequent.

A copy of the Board's reply to the Association was also submitted. The Board state that whilst it is appreciated that trains arriving at Golders Green Station during the morning peak period are very well loaded, the conditions would not appear to be as alleged by the Association, and also draw attention to the fact that between 8.30 a.m. and 9.3 a.m. four trains are put into the southbound service at Golders Green for the convenience of passengers joining the line at that station, and that the present time-table provides for five 7-car through trains between 8 a.m. and 10 a.m. instead of the five 6-car trains which were in operation prior to the 27th November.

With regard to the question of the provision of a waiting room, the Board state that the service is so frequent that it is necessary for passengers to spend but a few minutes on the platforms whilst waiting for trains.

RESOLVED TO RECOMMEND—**That no action be taken in the matter.**

★S.—PRIVATE STREET IMPROVEMENTS:

(A). *Grove Road and Fernhurst Gardens, Edgware.*

The Committee's attention was called to the desirability of making up a further portion of Grove Road and also Fernhurst Gardens, Edgware, but after considering the observations of the Borough Surveyor it was decided to take no action at the present time.

(B). *Making up of St. Margaret's Road, Edgware.*

SUBMITTED: Letters from (a) Mr. S. C. Prior objecting to the making up of the above road, and (b) Mr. Leslie Raymond stating that one of his clients had acquired a considerable area of land in St. Margaret's Road, for immediate development, and that he and another client, who also owned land with a frontage on to the road, were in favour of the road being made up as soon as possible to the special specification referred to in the recommendation made to, and adopted by, the Council at its last meeting. (Hi.C., 20/11/33—8 (A)).

RESOLVED—**That consideration of the letters be deferred until the replies have been received from the whole of the frontagers to the Council's questionnaire.**

† (C). **Taking over of Farm Road, Edgware.**

SUBMITTED: Report of the Borough Surveyor on an application from Mr. W. Thorpe asking the Council to take over the above road as a public highway and to commence scavenging the road immediately.

RESOLVED TO RECOMMEND—**That Mr. Thorpe be informed that the Council will be prepared to take over the road after it has been made up in accordance with the terms of the Council's resolution of the 30th October last.** (Hi.C., 9/10/33—5 (F)).

† (D). **Taking over of Old Rectory Gardens, Edgware.**

SUBMITTED: Report of the Borough Surveyor on a letter from Mr. Leslie Raymond suggesting that the above road should be taken over as a public highway.

RESOLVED TO RECOMMEND—**That Mr. Raymond be informed that the Council will be prepared to take over the road after it has been made up in accordance with the terms of the Council's resolution of the 30th October last.** (Hi.C., 9/10/33—5 (F)).

† (E). **Making up of Roads on Moat Mount Estate—Croft Close and Westfield Road.**

SUBMITTED: Report of the Borough Surveyor on a letter from Messrs. Bostock and Hollins regarding the making up of the two roads mentioned above.

RESOLVED TO RECOMMEND—**That the Council enter into an agreement with Messrs. Bostock & Hollins for the making up and taking over of Croft Close and Westfield Road in accordance with the terms of the resolution passed on the 30th October last** (Hi.C., 9/10/33—5 (F)), **and that the Corporate Seal be affixed thereto.**

† (F). **Plans and Estimates.**

SUBMITTED: Report of the Borough Surveyor, together with plans and estimates for making up the following roads under Section 150 of the Public Health Act, 1875:—

	Estimated Cost. £
Farm Road (part—1st portion from Hale Lane)	1,721
West Way	2,675
Meadow Gardens	1,599
Oakwood Drive	1,371
Stanway Gardens	1,432
Deans Way	2,181
Laneside	978
Orchard Crescent	1,868
Grange Hill	1,360
Grange Close	253

The Borough Surveyor states that the roads included in the above group are unsuitable for the provision of grass verges by reason of the insufficient width of the footpaths.

RESOLVED TO RECOMMEND—

(*a*) **That the plans and estimates be approved.**

(*b*) **That notices under Section 150 of the Public Health Act, 1875, be served on the frontagers of the roads in question and that a period of three months be allowed to the frontagers to carry out the works.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal and Recommend that application be made to the Minister of Health for sanction to a loan of £15,438 for a period not exceeding seven years.*]

★9.—FOOTPATHS:

† (A). **Devonshire Road to Holders Hill Road.**

SUBMITTED: Report of the Borough Surveyor on a petition from residents in Devonshire Road asking that arrangements be made to enable the footpath, which connects Devonshire Road with Holders Hill Road, to be used by perambulators, etc., and that the stile which is across the end of the footpath be removed.

The footpath in question is in the nature of a field track, and the Committee are informed that the Council have no power to take action to comply with the request of the petitioners.

RESOLVED TO RECOMMEND—**That the petitioners be informed accordingly.**

† (B). **Orchard Crescent to Hale Lane, Edgware.**

SUBMITTED: Report of the Borough Surveyor on a petition from residents in Orchard Crescent and the neighbouring districts complaining of the condition of a right-of-way from Orchard Crescent to Hale Lane, and the deposit of refuse thereon.

In the opinion of the Borough Surveyor it is inadvisable to undertake the making up of this path at the present time having regard to the incomplete development in Hale Lane.

RESOLVED TO RECOMMEND—**That the report of the Borough Surveyor be approved and the petitioners informed accordingly.** [REFERRED BACK]

★10.—POLLARD ROAD, WEST HENDON:

Passageway.

SUBMITTED: Petition from residents in Pollard Road, West Hendon, protesting against the action of the owner of No. 36, Pollard Road in erecting a gate across the passageway between his premises and No. 38, Pollard Road. The petitioners state that for forty years they have enjoyed free access to their back gardens across a piece of land which existed between Nos. 30 and 38, prior to the recent erection thereon of three houses, leaving a passageway between Nos. 36 and 38.

The Town Clerk has reported that there is not sufficient evidence to show the existence of a public right of way, but that if the petitioners claim they have a private right of way, it is not a matter within the jurisdiction of the Council.

RESOLVED TO RECOMMEND—**That the petitioners be informed accordingly.** [REFERRED BACK]

11.—FORECOURTS ADJOINING HIGHWAYS:

In accordance with the resolution passed at the last meeting, the Town Clerk submitted a report as to the legal position with regard to forecourts which have been used as part of the highway. **Noted.**

12.—HOLDERS HILL ROAD IMPROVEMENT:

REPORTED: That A. J. Reynolds, Limited had communicated with the Minister of Transport and the Middlesex County Council objecting to the above improvement scheme—

approved by the Council at the last meeting (Hi.C., 20/11/23—11)—for the reasons indicated in their letter, but they had since intimated to the Borough Surveyor that they had decided to withdraw their objection.

RESOLVED—**That the Minister of Transport and Middlesex County Council be notified accordingly.**

13.—TRAFFIC SIGNS:

(*i*) *North End Road.*
(*ii*) *Brent Street and The Burroughs.*
(*iii*) *Hendon Central Circus.*

SUBMITTED: Report of the Borough Surveyor on letters as follows:—

(*a*) the Automobile Association suggesting that Ministry of Transport "school signs" should be erected in North End Road on each side of the King Alfred School;

(*b*) Hendon Ratepayers' Association asking that cautionary notices directing pedestrians where to cross the road should be erected at the following points:—

(i) Junction of North Circular Road and Hendon Way;
(ii) Junction of Golders Green Road and North Circular Road;
(iii) The Burroughs, near the War Memorial;
(iv) Brent Street, near "The Bell."

The Middlesex County Council is the Highway Authority having the control of the three first-mentioned road junctions, and the Association's request so far as these junctions are concerned should, therefore, be dealt with by that authority.

(*c*) The County Engineer suggesting that the standard pedestrian crossing signs should be erected at the end of Vivian Avenue, Hendon Way and Watford Way where they join The Circus. The expenditure involved would be eligible for a 60 per cent. grant, but as the signs are for local purposes the balance of the cost would fall upon the Local Authority.

The Borough Surveyor estimates the cost of providing the signs at the three points in question at about £9.

RESOLVED—**That the letters be referred for consideration by the Sub-Committee appointed to consider the schedule of existing traffic signs at present being prepared by the Borough Surveyor.**

★14.—GREEN LANE, EDGWARE:

† **(A). Grass Verges.**

CONSIDERED: Letter from A. W. Curton, Limited, asking that the Council's decision not to agree to the margins of Green Lane being laid in turf, should be re-considered. Messrs. Curton, Limited state that from a study of the map it will be seen that this road cannot become a main road leading from Station Road to the Watford Bye-Pass. They also point out that Green Lane is of a highly residential character, and that the proposed grass verges would be 5 feet 6 inches in width with a paved footpath 6 feet in width, whereas a tarmac and paving footway from 12 to 13 feet in width would detract from the amenities of the road.

After consideration of the observations of the Borough Surveyor and an examination of the map shewing the Green Lane area, the Committee

RESOLVED TO RECOMMEND—**That the Council re-affirm its previous decision.**

† **(B). Widening.**

SUBMITTED: Letter from Messrs. Done, Hunter & Company enquiring what contribution the Council would be prepared to make towards the cost of widening the section of Green Lane, between Spur Road and the foot of Brockley Hill, if the owners give up the frontage for the purpose of the widening.

The Borough Surveyor reported that the best way of dealing with the matter would be for the owners to give up the required width as and when development takes place and for the road to be made up under the provisions of Section 150 of the Public Health Act, 1875, when development is practically completed.

RESOLVED TO RECOMMEND—**That the report of the Borough Surveyor be approved and that Messrs. Done, Hunter & Company be informed accordingly.**

★15.—COLINDEEP LANE IMPROVEMENT :

SUBMITTED : Report of the Borough Surveyor on letters from (a) Douglas Martin, Limited, on behalf of their client, Mr. Carl Jensen, agreeing to accept five pounds and costs in settlement of the claim for compensation in respect of the piece of land numbered 2 on the plan referred to in the Compulsory Purchase Order, and (b) from Mr. Leslie Raymond claiming a sum of £350 in respect of compensation for the loss of 185 square yards of land taken from his client for the purposes of the improvement works.

RESOLVED TO RECOMMEND—

(*a*) **That the terms of settlement (above indicated) regarding the land taken from Mr. Carl Jensen, be approved, and that the Corporate Seal be affixed to any necessary documents;**

(*b*) **That in the event of failure to arrive at a settlement on more reasonable terms of the claim put forward by Mr. Leslie Raymond, the matter be referred for determination by the Official Arbitrator under the Acquisition of Land (Assessment of Compensation) Act, 1919.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

★16.—CLAREMONT ROAD IMPROVEMENT :

Claim for Compensation.

SUBMITTED : Report of the Borough Surveyor regarding the claim for compensation, amounting to £140, plus Solicitor's costs and Architect's fees, put forward by Messrs. J. D. Mathews & Son on behalf of Handley Page, Limited in respect of land taken for the purposes of the road improvement.

An offer of £50, inclusive of costs, has been made on behalf of the Council and Messrs. Mathews & Son have requested to be allowed to appear before the Committee to state their case.

RESOLVED TO RECOMMEND—**That Messrs. Mathews & Son be informed that unless the Council's offer is accepted the matter must be submitted to arbitration.**

17.—ROAD AND RAIL TRAFFIC ACT, 1930—SECTION 30 :

Weak Bridges.

SUBMITTED :—

(*a*) Letter from the Association of Municipal Corporations transmitting a copy of a letter addressed by the Ministry of Transport to all County Councils setting out the procedure to be adopted in connection with Section 30 of the above-mentioned Act — which empowers the bridge authority of any bridge over which a road passes to prohibit or restrict the use on certain bridges of vehicles the weight of which exceeds certain limits as defined in the Act.

(*b*) Letter from the County Engineer asking for a list of bridges on Class I. and Class II. roads which the Council consider it desirable to schedule, and the maximum weight which should be allowed.

The Borough Surveyor reported that when the new bridge in Colindeep Lane is completed, he did not think it would be necessary to schedule any bridges on classified roads in the Council's area. **Noted.**

Highways.

★18.—PENSHURST GARDENS, EDGWARE:

Trees and Streams.

SUBMITTED: Report of the Borough Surveyor on a letter from Mr. F. Charlton Fry regarding the planting of trees in the above road, and also calling attention to the danger caused by the present unprotected condition of the two streams.

The question of planting trees will be considered after the road has been taken over by the Council, and with regard to the streams referred to the Borough Surveyor reports that these will require some protection before Penshurst Gardens is dedicated as a public highway.

RESOLVED TO RECOMMEND—**That Mr. F. Charlton Fry be informed accordingly.**

★19.—ANNUAL CONTRACTS:

SUBMITTED: Letter from Constable, Hart & Company, Limited, stating that legislation involving increased taxation which became operative on January 1st, 1934, and limitation of speeds and axle weights had had the effect of increasing their costs for transport of materials in this area by 2/2d. per ton from the date mentioned, and having regard to the fact that such legislation had been effected subsequent to the submission of their annual tender for 1933/34, they enquired whether the Council would allow this increase on their present prices.

RESOLVED TO RECOMMEND—**That Constable, Hart & Co., Ltd., be informed that the Council are unable to depart from the terms of the existing contracts.**

★20.—TELEPHONE KIOSK, HALE LANE:

SUBMITTED: Report of the Borough Surveyor on an application from the London Telephone Service for permission to erect a telephone kiosk in Hale Lane, Mill Hill, on the greensward outside the premises of Rawlplug, Limited.

SUBMITTED: The following resolution passed by the Middlesex County Council on the 21st December last:—

"That an intimation be given to the Hendon Town Council that the County Council approves of the Local Authority accepting the offer of Streather and Hogan to dedicate land between the existing road line and the proposed widening line on the eastern side of Edgware Road, between The Greenway and Greenway Gardens, and approves of the Town Council constructing, in accordance with the Co-ordination Agreement, crossings to Southbourne Close and The Greenway, at a cost not exceeding £185."

RESOLVED TO RECOMMEND—

(*a*) **That the Corporate Seal be affixed in due course to all necessary documents in connection with the dedication of the land in question;**

(*b*) **That the Borough Surveyor be instructed to take the necessary steps for carrying out the works involved at a cost not exceeding the sum approved by the Middlesex County Council.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

In view of the acquisition by the Council of land near the Railway, East of and adjoining the above, for a public open space and the close proximity of the Montrose Avenue Open Space, and having regard to the rental, restrictions and conditions proposed by H.M. Office of Works for a lease of their land, the Committee

RESOLVED TO RECOMMEND—**That no further action be taken in the matter.**

★3.—MILL HILL PARK:

Miniature Golf Course.

SUBMITTED: Report of the Borough Surveyor, together with an estimate amounting to £138 for the cost of completing the Golf Course. The estimate provides for preparing and turfing the nine greens, etc., fixing wire net fencing to the railings along the Watford Bye-Pass Road frontage and the provision of a paybox and necessary equipment. (E.P. and A.C., 29/3/33—3 (B)).

RESOLVED TO RECOMMEND—**That the estimate be approved and the Borough Surveyor instructed to make the necessary arrangements for the completion of the work.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

★4.—WOODFIELD HOUSE:

Messrs. Duncan, Tucker & Co.	348	0	0
Messrs. G. E. Gray, Ltd.	312	15	0

The tender of Messrs. G. E. Gray, Ltd. is based on very much lighter scantling of timber than specified, and the Committee

RESOLVED TO RECOMMEND—

(i) **That the tender of Messrs. Duncan, Tucker & Co., amounting £348, be accepted;**

(ii) **That the Corporate Seal be affixed to the necessary documents.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal and understand that an additional expenditure of £100 is probable on work to be carried out by direct labour on foundations, brick walls, etc.*]

★5.—MONTROSE AVENUE OPEN SPACE:

Watling Association.

SUBMITTED: Report of the Borough Surveyor on letters received from the Watling Association requesting the Council to re-consider its decision not to allow Sports Meetings in the above open space and asking the Council to receive a deputation from representatives of the various Societies.

The Committee are informed that it is not possible to develop this land as a playing field or keep to the contracts entered into for pitches, etc., if this ground is to be handed over for Sports Meetings, Fêtes, etc. (E.P. & A.C., 11/9/33—6 (A)).

RESOLVED TO RECOMMEND—**That the Watling Association be informed that the Council regret they are unable to depart from their previous decision in the matter and that no useful purpose would be served by a deputation.**

★6.—CLITTERHOUSE LANE OPEN SPACE:

† **(A). Farm Buildings.**

SUBMITTED: Report of the Borough Surveyor on a letter received from the Golders Green Estate Ratepayers' Association asking the Council to remove the farm house and out-buildings. (E.P. & A.C., 3/7/33—3 (B)).

RESOLVED TO RECOMMEND—**That the Borough Surveyor be instructed to submit a further report, together with plans and estimates for the conversion of the buildings.**

† **(B). Use of Dressing Room.**

★7.—BASING HILL RECREATION GROUND:

† **(A). Footpath—Hendon Way to Armitage Road.**

SUBMITTED: Report of the Borough Surveyor on a letter received from the Golders Green Ratepayers' Association suggesting that a public right of way should be made from Hendon Way through the above recreation ground to Armitage Road, to be open at all times.

This ground has no public footpaths through it and is closed at night at the regulation hours.

If the right of way were made, it would be necessary to fence it, in order that the grounds could be closed and the estimated cost for the provision of such fencing is £75. The permission of the Ecclesiastical Commissioners would also be required in view of the restricted use of the ground for an open space.

RESOLVED TO RECOMMEND—**That the suggestion be disapproved.**

† **(B). Cycling upon Footpaths.**

SUBMITTED: Report of the Borough Surveyor as to a complaint received from Mr. W. Brough in regard to persons cycling upon footpaths in the above recreation ground and quoting one particular case of an errand boy riding a certain tradesman's delivery cycle in the ground.

★10.—LAND FOR SPORTS AND RECREATION GROUND:

Hendon Municipal Officers' Sports Association.

SUBMITTED: Report of the Borough Surveyor to the effect that a piece of land approximately 5 acres in extent situate at Woodfield House, is available and would be suitable for the above Association, and it is suggested that one or two rooms on the ground floor at Woodfield House could be utilised for dressing room accommodation until such time as the Council require the premises for other purposes. 11.—EDGWAREBURY LANE, STONE GROVE, POLLARD ROAD AND COURT WAY OPEN SPACES:

Progress Reports.

SUBMITTED: Report of the Borough Surveyor as to progress made in connection with the development and lay-out of the above open spaces. **Noted.**

★12.—PRINCES PARK RECREATION GROUND:

SUBMITTED: Report of the Borough Surveyor, together with a plan showing the drainage of the above recreation ground which passes through a field drain into the garden of premises known as No. 40, Princes Park Avenue. It is reported that heavy rain causes flooding of the garden of this house and of the adjacent property. Recent investigations reveal that the land drain, which replaced the old watercourse, was at some time cut off and allowed to terminate in a soak away which does not function properly in times of heavy rain owing to the nature of the subsoil.

Whilst the matter is in no way the Council's responsibility there is no doubt that the bulk of the water entering the gardens comes from the recreation ground and in order to provide an efficient outlet it is suggested that a drain be laid from the garden of No. 40, Princes Park Avenue, through to the surface water sewer in Princes Park Avenue. The estimated cost of laying this drain is £57, and it will be necessary to obtain the formal consent of the owner of the premises before this work is carried out and an agreement entered into to secure the Council's rights in connection therewith.

RESOLVED TO RECOMMEND—**That the estimate amounting to £57 be approved and, subject to the execution of the necessary agreement in a form to be approved by the Town Clerk, authority be given to the Borough Surveyor to arrange for the work to be carried out.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

★13.—HENDON PARK:

Cycling upon Footpaths.

SUBMITTED: Report of the Town Clerk to the effect that the Council's bye-laws prohibiting cycling on pathways in the pleasure grounds do not extend to prohibit the use of any public right of way across a pleasure ground. They are, therefore, inapplicable to the public footpath through Hendon Park.

It would appear that the only way of dealing with persons who cycle on these footpaths is under Section 54 (7) of the Metropolitan Police Act, 1839, which provides as follows:—

> "Every person who shall lead or ride any horse or other animal or draw or drive any cart or carriage, sledge, truck or barrow upon any footway or kerbstone .... shall be liable to a penalty of not more than 40/-."

"Carriage" used in the above Section includes a bicycle.

RESOLVED TO RECOMMEND—**That the attention of the Police be called to the matter.**

RESOLVED TO RECOMMEND—

(i) **That allotments be let rent free to existing unemployed persons for a further period of 12 months, subject to the satisfaction of the Town Clerk as to the legal position; tenants becoming employed shall pay rent as from the nearest quarter day.**

(ii) **That copies of the above resolution be circulated to the Secretaries of the Allotment Societies and to the Federation.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal and Recommend that arrangements be made for the tenancies of all new allotments let under this scheme to expire on the 31st December, 1934.*]

15.—THE VALE :

Entrance from Hendon Way.

SUBMITTED : Report of the Borough Surveyor to the effect that in view of the construction of the new entrance from Hendon Way to the Clitterhouse Lane Open Space, it will be necessary to do away with the cart track into the above Allotments, otherwise the open space will not be able to be locked up at the scheduled hours. A hand gate will be provided for pedestrians only at this entrance.

It is suggested that the existing cart track be continued through plot No. 36 of the Hospital Field Allotments into the existing road to Hendon Way.

The Hendon Federation of Allotment Societies have asked for consideration to be deferred until the next meeting to enable them to give the matter their attention.

★16.—DAWS LANE :

Land between Allotment Ground and the Observatory.

SUBMITTED : Report of the Borough Surveyor on an application received from the Secretary of the Hendon Federation of Allotment Societies suggesting that the small triangular piece of land between the allotment ground and the observatory and fronting the Watford Bye-Pass Road should be used to replace plots recently taken for the additional firemen's cottages at Hartley Avenue. The area of the land in question is approximately 70 poles.

RESOLVED TO RECOMMEND—**That the above suggestion be approved and that authority be given for such plots to be rent free for a period of 12 months owing to the state of the ground.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

1.—REPORT OF HOUSING SUB-COMMITTEE:

At the last meeting, the report of the Housing Sub-Committee was referred back for further consideration. (Hsg.C., 27/11/33—2).

An amended report has now been submitted, but the Committee have deferred consideration thereof until the next meeting for full details relating to the 44 applications for houses recommended for cancellation and the Sub-Committee's reasons therefor to be supplied to all members of the Committee.

★2.—COUNCIL HOUSES—NEW TENANTS:

Disinfection and Period of Quarantine.

Pursuant to the Committee's instructions (Hsg.C., 16/10/33—2) the Medical Officer of Health submitted the following report:—

The question of bug infestation is giving rise to difficulties in many districts, and varying methods of tackling the problem of their destruction have been adopted.

I recommend that when a tenant is being transferred from any other house in the district to a Council house, or removes from one Council house to another, that notice of such projected removal be given to the Senior Sanitary Inspector by the Housing Manager as early as possible, so that the house to be vacated can be inspected, and if upon inspection any evidence of infestation is discovered, that continuous efforts be made to disinfest the furniture by the use of spraying by Solution "D" or other insecticides, after which, on the day of removal, the personal clothing and bedding be removed to the Disinfecting Station for disinfection and be returned to the new house: the clothing in which the tenants remove from one house to the other to be collected as quickly as possible and be disinfected and returned.

In cases where a Council house becomes infested whilst occupied, the same method be adopted, with the additional precaution of using a "Blow Lamp" to all crevices and around all skirting boards and picture rails. In badly infested houses, which would not yield to this treatment, that Cyanide Gas be employed.

A difficulty arises in Cyanide disinfection owing to the dangerous nature of the Gas. In cases where this process is employed the tenant of the infested house must vacate the premises for a period of 24 hours, and the houses on either side must be vacated for a period of approximately 9 hours.

So far 7 houses have been successfully treated in this way, and the tenants of all the houses made arrangements to leave their homes for the work to be done.

The question of affording shelter for these tenants and their children during the process of disinfestation by Cyanide Gas has arisen and I have considered what could be done in this direction. There is the question of setting aside Council houses for this purpose or using any available and suitable premises belonging to the Council, or the erection of a Cleansing Station with suitable accommodation. It does not appear to me that at present any of these courses would be justifiable because of the small number of cases which so far has had to be dealt with in this manner. I would, therefore, suggest

that all cases be first dealt with on the lines I have suggested and that when Cyanide Gas must be used the best possible arrangements be made with the tenants for offering facilities for the work to be done.

As regards the Clearance Area recently represented to the Ministry, should the representation be upheld I suggest that precisely the same proceedings be adopted in the case of all displaced tenants who remove into Council houses, except where Cyanide Gas is employed. In such cases, No. 12, Elm Terrace, which is a detached house standing apart from any of the other property, should be the first to be vacated, after which it should be used for disinfestation purposes The furniture belonging to any of the families found to be infested should first be moved into No. 12, Elm Terrace, which would be properly prepared, sealed up, and made gas-tight, and suitable for the articles removed therein to be disinfested by Cyanide Gas; after this has been done the articles would be delivered to the new Council house. There would be no need to disinfect the premises vacated as they would ultimately be demolished.

From inspections and enquiries made for the purpose of the Enquiry, many of the tenements were found to be free from any infestation by bugs.

Suitable arrangements would have to be made for the suggested removal work and with Messrs. H. W. Seymour, Chiswell House, 133/9,Finsbury Pavement, E.C. 2, the Cyanide Disinfection firm, for the disinfestation when Cyanide Gas has to be used.

I am of opinion that the methods suggested in this report will give a high degree of safety with a minimum of inconvenience and expense.

RESOLVED TO RECOMMEND—

(*a*) **That the report of the Medical Officer of Health be approved and adopted and a further report submitted after the expiration of a period of six months;**

(*b*) **That in the case of houses requiring treatment by Cyanide Gas, authority be given for any necessary arrangements to be entered into with Messrs. H. W. Seymour.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

The Committee understand that it has been the practice in the past to point out to applicants when their plans require submission to the County Council for the purpose of compliance with the licencing regulations, and

RESOLVED TO RECOMMEND—**That the County Council be informed accordingly.**

★5.—**COLIN PARK ESTATE :**

† **(G). Montrose Park Estate, Edgware Road.**
Land Fronting the Edgware Road, between Greenway Gardens and The Greenway.
Applicant—Mr. W. F. Thorpe.

On the 25th November, 1929, the Council approved the issue of an Interim Development Order under which the land in question could be developed for factory purposes. A portion of the land, viz., between The Greenway and the south-eastern boundary of the estate, has already been so developed.

In July, 1933, approval was given for the development of the remainder of this land for residences and a portion of this land has been subsequently developed by the construction of Greenway Close and the erection of 26 houses thereon.

Application is now made for the release of the remainder of the vacant land approved for residential purposes in July, 1933, and for an interim development order for the erection of a factory—Application No. A.3192.

RESOLVED TO RECOMMEND—

(ii) **That the application of Mr. Guilford E. Lewis be disapproved.**

★12.—MOAT MOUNT GOLF COURSE EXTENSION:

With regard to the lease of the land recently acquired at Moat Mount, Clause 3 of the schedule to the lease provides for a Golf Course expert, to be approved by the Council, to be engaged to advise as to the work necessary to put the premises into proper condition to be used as an addition to the existing golf course.

In this connection a letter was submitted from the Solicitors to the Lessees intimating that Captain Allport, the Secretary of the Golf Club, who is considered fully capable of carrying out the alterations, had consulted a golf course expert and plans for the lay out would be submitted to the Committee of the Golf Club.

Captain Allport is confident that the intended works will be done in a workmanlike manner and to the full satisfaction of the Council.

It is suggested that the expert who has already informally advised in the matter should be treated as the expert engaged under Clause 3 of the Schedule.

RESOLVED TO RECOMMEND—**That the Solicitors to the Lessees be informed that subject to the receipt of a report from the golf club expert who has already informally advised in the matter, to the effect that he considers the proposed lay-out to be the best method of dealing with the land for the purposes of an extension of the Golf Course, the Council agree to regard the covenant as being satisfied.**

The Borough Treasurer reported that he had been in communication with the printers and that an additional 40 copies of the Agenda could be supplied at a cost of £1.

★14.—FREEDOM OF THE BOROUGH:

SUBMITTED: The following report of the Town Clerk:—

Before the Municipal Corporations Act of 1835, subject to the provisions of the respective Charters, freemen were admitted by custom of the particular Borough and generally by birth, servitude to a freeman, purchase, gift or marriage, and were a constituent part of the Corporation, enjoying special rights in the corporate property.

In 1835 they ceased to be part of the corporate body but their existing rights were preserved.

The Municipal Corporations Act of 1882, enacted that no person should be admitted a freeman by gift or by purchase, and provided for the enrolment by the Town Clerk of all claims admitted by the Mayor to freedom in respect of birth, servitude or marriage. Rights and privileges were preserved to freemen admitted before the Act of 1835, and to those who might have been (otherwise than by gift or purchase) admitted if that Act and the 1882 Act had not been passed.

The Honorary Freedom of Boroughs Act, 1885 (Section 1), provides the power to the Council to grant the freedom of the Borough, and sets out the procedure necessary in the matter.

> "Notwithstanding anything in the Municipal Corporations Act, 1882, or "any other statute, to the contrary, the council of every borough may from "time to time by the authority of not less than two-thirds of their num-"ber present and voting at a meeting of the council specially called for "the purpose with notice of the object, admit to be honorary freemen of "the borough persons of distinction and any persons who have rendered "eminent services to the borough, provided that the admission of such "persons to be freemen shall not confer the right of voting for any such "borough in parliamentary or other elections, or of sharing in the benefit "of any hereditaments, common lands, or public stock of such borough or "the council thereof, or of any property held in whole or in part for any "charitable use or trust."

Stamp duty (£3) is payable on admission and it is usual to pay this and the cost of the casket (if any) out of the general rate fund.

The Local Government Act of 1933, which comes into force on the 1st June, 1934, repeals the provisions referred to above but they are re-enacted in substantially the same form in Part XIV. of the Act.

Having considered the report and being aware of the procedure involved, the Committee

RESOLVED TO RECOMMEND—

(1) **That all necessary steps be taken with a view to conferring the freedom of the Borough upon Lieutenant Colonel F. W. Hearn, and**

(2) **That the Council appoint a Special Committee, consisting of His Worship the Mayor, the Deputy Mayor and the Chairman of the Finance Committee, to give effect to the above recommendation.**

17.—AUDITOR'S REPORT:

SUBMITTED: The following report on the Audit of Accounts for the year ended 31st March, 1933:—

2, Lancaster Place,
Hampstead, N.W. 3.
3rd January, 1934.

The Mayor, Aldermen and Burgesses of the Town Council of the Borough of Hendon.

Ladies and Gentlemen,

I have to report that I have completed the audit of the accounts for the year ended 31st March, 1933. The Charter creating the Urban District of Hendon as a Municipal Borough came into force on the 9th November, 1932, therefore the accounts for the period from 1st April to 8th November, 1932, were those of the late Hendon Urban District Council.

ARREARS OF RATES:

The Rating Accounts shew an increase in the amount of uncollected Rates at 31st March, 1933, as compared with the corresponding figure at the end of the previous year, viz.:—

Year.	Total Amount of Rate.	Arrears at end of year.	Percentage of arrears to total amount of Rate.
	£ s. d.	£ s. d.	
1932/3	676,191 17 3	10,665 1 6	1.58
1931/2	646,905 5 7	7,829 7 11	1.21

The sum of £10,665 1s. 6d. includes £1,489 12s. 7d. in respect of rates upon shops at Golders Green. These shops were re-assessed in the month of March, 1933, but time did not permit the rates upon the increased assessments to be collected before the close of the year.

PRIVATE STREET WORKS:

I have discussed with the Town Clerk and the Borough Treasurer, charges amounting to £1906 18s. 0d. shewn by the accounts to be due from frontagers of land in respect of the cost of Private Street Works apportioned between the year 1896 and the year 1917. There is difficulty in recovering the charges owing to the fact that the names of the frontagers cannot be ascertained. Some of the land is utilized for the purpose of allotments, the rents of which are being collected by the Council and are being applied in reduction of the sums due from the frontagers concerned.

The position in regard to the charges mentioned herein has been, I understand, reported upon from time to time to the Council.

I desire to express my thanks to the officials of the Council for the assistance rendered by them at the audit.

I am, Ladies and Gentlemen,

Your obedient Servant,

J. H. EASTON,
District Auditor.

Noted.

Report referred to in item 11 of the Report of the meeting of the Finance and General Purposes Committee held 22nd January, 1934 - (Minutes, page 204).

LAND - CENTRAL HENDON.

The land referred to comprises 13¼ acres known as Hendon Grove, recently purchased by John Laing & Sons, Ltd. with a view to residential development at 12 houses to the acre.

John Laing & Sons, Ltd. offer to sell the property to the Council for a sum representing the cost to them plus a profit of £3,000 or thereabouts; the estimated cost of acquisition by the Council being £26,000 - £27,000.

The Committee had before them a plan showing the land referred to coloured green, together with adjoining properties, Church Farm coloured blue and Hatchcroft coloured yellow, and they are of opinion that it is desirable to obtain immediate possession of Hendon Grove 13¼ acres, and ultimately Church Farm and Hatchcroft; such lands to be acquired for general purposes.

RESOLVED TO RECOMMEND-

(1) THAT HIS WORSHIP THE MAYOR AND THE CHAIRMAN OF THE FINANCE AND GENERAL PURPOSES COMMITTEE BE AUTHORISED TO APPROVE TERMS FOR THE ACQUISITION OF 13¼ ACRES OF LAND KNOWN AS HENDON GROVE AT A COST NOT EXCEEDING £27,000.

(2) THAT AUTHORITY BE GIVEN FOR THE BOROUGH SURVEYOR TO ENTER INTO NEGOTIATIONS WITH A VIEW TO ACQUIRING THE ADJOINING PROPERTIES REFERRED TO AND IN THE EVENT OF ANY URGENCY IN THE MATTER HIS WORSHIP THE MAYOR AND THE CHAIRMAN OF THE FINANCE AND GENERAL PURPOSES COMMITTEE BE GRANTED POWER TO ACT.

★2.—DAY NURSERY, WATLING ESTATE

SUBMITTED: Report of Medical Officer of Health with regard to the suggested Day Nursery on the Watling Estate.

It appears from enquiries made that at the present time there are 47 mothers (with 61 children under 5 years of age) who intimate they would be prepared to utilise a Day Nursery. There are also other mothers desirous of going out to work and who would apparently make use of the facilities. The Medical Officer mentioned, however, that it was impossible to estimate what use would be made of such an establishment as such factors as the charge to the parent, accessibility of the premises, and the fluctuation in unemployment had to be taken into account.

With regard to premises, it will be recalled that when the deputation from the Provisional Day Nursery Committee attended before the Council they suggested the Watling Centre at Orange Hill Road but the Medical Officer expressed the view that this building was not suitable, having regard to the construction and the many activities for which it is already utilised.

The Medical Officer stated that the following points appeared to be of primary importance should it be decided to establish the Day Nursery:—

(i) That the building be centrally situated.

(ii) That the building should be surrounded by adequate ground, be capable of extension and situated to afford the open air facilities which the children on the Estate now enjoy.

(iii) That the charge per day be small as the mothers are now able to make arrangements for the children at a low cost, and in addition their earning capacity at daily work is not great.

Having carefully considered the matter,

RESOLVED TO RECOMMEND—

(1) **That the Provisional Day Nursery Committee be informed that provided they can suggest suitable premises the Council will assist them to run a Day Nursery on the same lines precisely as the one at West Hendon.**

(2) **That in the event of the Committee agreeing to establish a Day Nursery on the lines indicated the approval of the Ministry of Health be sought to the making of a grant by the Council under Section 101 (4) of the Local Government Act, 1929.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

★3.—DISTRICT NURSING ASSOCIATIONS—APPLICATION FOR GRANT:

(i) In accordance with instructions a report was submitted with regard to the above. (P.H. & M.S.C., 8/1/34—4).

The Medical Officer referred to the activities of the Associations in the district (8 in number) and mentioned certain instances where he considered it would be of value for the Council to have a call upon the services of such Associations.

With regard to the question of a grant by the Council the view was expressed that this should only be made subject to the Associations agreeing to amalgamate under one name, viz. :—" The Hendon Borough Nursing Association," and be controlled by one Committee on which the Council should be represented.

RESOLVED TO RECOMMEND—**That the Medical Officer confer with the Associations on the lines indicated and report further thereon in due course.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

(ii) SUBMITTED: Letter from The Golders Green Estate and District Nursing Association with certain statistics in relation to their application for a grant and suggesting the attendance of the Association Nurse at the sessions at the appropriate Health Centre.

Pursuant to the resolution passed at the last meeting (Hi.C., 8/1/34—3 (D)) the Borough Surveyor reported regarding the lighting at the above junction and suggested he should negotiate with the North Middlesex Gas Company with a view to the provision of a more powerful type of lamp for this crossing and other points within the Company's lighting area.

† (B). **Stopping Places for Omnibuses and Tramcars.**

(*i*). *Junction of Finchley Road with Cricklewood Lane and Hermitage Lane.*

(*ii*). *Junction of Edgware Road with Station Road, Hendon.*

On the 11th December last (Hi.C., 20/11/33—6 (E)) the Committee reported that they proposed giving further consideration to the revised stopping places suggested by the Minister of Transport and which have been in operation at the above junctions since the 15th November last.

In connection with the stopping places at the junction of Edgware Road with Station Road, Hendon, a letter was submitted from the Ministry of Transport suggesting that the stopping arrangements should be revised as follows:—

In Station Road:—

Omnibuses proceeding to Hendon to make a tail stop at the north-eastern end of Deerfield Club, instead of outside the Broadway Florists' premises;

Omnibuses proceeding to Edgware to make a head stop before reaching and clear of the entrance to the Express Dairy Company's premises, instead of outside No. 2.

RESOLVED TO RECOMMEND—**That the Ministry of Transport be informed that the Council have no observations to offer in regard to the proposed stopping places.**

★5.—**TRAVELLING FACILITIES:**

Tramway Service, Edgware Road.

SUBMITTED: Letter from the Colindale and District Ratepayers' Association transmitting a copy of a letter which had been addressed by the Association to the Middlesex County Council invoking their support with a view to the tramway service along Edgware Road being augmented. The Association is of opinion that the existing service is inadequate, having regard to the development which has taken place in recent years in the Burnt Oak, Colindale and West Hendon areas and the erection of factories along the Edgware Road and North Circular Road, with the consequent increase in the number of persons desirous of travelling by tramcar.

In reply to an enquiry by the Town Clerk, the London Passenger Transport Board had stated that no curtailment of the service operating from Edgware to Hendon had taken place. The Board agreed that very heavy traffic is experienced for short periods during the peak hours and investigations were being made with a view to effecting any improvements which may be found desirable.

The Town Clerk has called the attention of the Committee to Section 30 of the London Passenger Transport Act of 1933, which empowers a local authority at any time to apply to the Rates Tribunal with respect to the withdrawal or reduction of any services or facilities provided by the Board, or with respect to the need for the provision of new or improved services or facilities affecting the area of the authority.

The Committee feel that it would be undesirable to put forward an application to the Rates Tribunal in the absence of specific information as to the need for an augmentation of the tramway service. They accordingly

RESOLVED TO RECOMMEND—**That the Colindale and District Ratepayers' Association be asked to furnish for the Council's consideration, specific information to justify the need for an improved service.**

[AMENDED]

★6.—**PRIVATE STREET IMPROVEMENTS.**

(A). *Making up and taking over of Private Streets.*

On the 30th October last (Hi.C., 9/10/33—5 (F)) the Council approved in principle terms of agreement to be entered into by estate developers desirous of making up roads with a view to such roads being taken over by the Council on completion.

In this connection letters were submitted from (a) Councillor A. W. Curton referring to the discussion which took place when the Committee's recommendation was adopted by the Council, and asking that the matter should receive further consideration, and (b) the Ministry of Health asking to be furnished with the Council's observations on a letter the Department had received from Messrs. Carpenters, on behalf of Mr. Edward Streather, calling attention to the terms of the proposed agreement and stating that Mr. Streather regards the contribution of 3 per cent. towards establishment charges as excessive, but that he would be prepared to agree half that figure.

The Committee gave lengthy consideration to the matter and ultimately decided to defer further consideration to the next meeting for the agreement in its completed form to be submitted for approval and to enable the Borough Surveyor to submit details of the costs of a number of roads which have recently been made up under Section 150 of the Public Health Act, 1875, and also the Colindeep Lane Improvement Scheme.

† **(B). Footpaths.**

(*i*). *Willifield Way to Erskine Hill.*
(*ii*). *Orchard Crescent to Hale Lane, Edgware.*

A letter was submitted from The Second Hampstead Tenants, Limited, asking the Council to make up and take over as a public highway the footpath running from Willifield Way across the end of Coleridge Walk and Wordsworth Walk to Erskine Hill, Hampstead Garden Suburb.

This matter was before the Council on the 2nd October last (Hi.C., 11/9/33—9), when it was decided not to accede to the request, and this decision was re-affirmed on the 11th December last. (Hi.C., 20/11/33—9).

The Committee also gave further consideration to the question of making up the footpath leading from Orchard Crescent to Hale Lane, Edgware, which was referred back at the last meeting of the Council. (Hi.C., 8/1/34—9 (B)).

RESOLVED TO RECOMMEND—**That the Borough Surveyor be instructed to submit a report dealing with the whole of the footpaths within the Borough, and that the Second Hampstead Tenants, Limited and the signatories to the petition, which was presented in connection with the footpath leading from Orchard Crescent to Hale Lane, be informed that the question of dealing with footpaths as a whole is receiving the attention of the Council, and that they will be notified when a decision has been arrived at.**

† **(C). Hampstead Borough Council Housing Scheme— Taking over of Roads.**

SUBMITTED : Report of the Borough Surveyor on a letter from the Hampstead Borough Council enquiring whether, in the event of the roads on their housing scheme at Cricklewood being made up to the Council's requirements, the Council will be prepared to take them over on completion as public highways.

RESOLVED TO RECOMMEND—**That the Hampstead Borough Council be informed that the Council will be prepared to take over the roads in question, subject to such roads being constructed in accordance with the Council's standard requirements, and to the Borough Surveyor being satisfied, when the housing scheme is completed, that the roads are in good condition and fit to be taken over as public highways.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

(D). *Fernhurst Gardens, Edgware.*

SUBMITTED : Letter from Mr. D. Jarrett complaining of the condition of Fernhurst Gardens, Edgware, and also a report of the Borough Surveyor regarding certain negotiations he is at present undertaking in connection with the development of the frontage on to the road.

RESOLVED—**That consideration of the matter be deferred until the next meeting.**

† (E). **Asmuns Place, Hampstead Garden Suburb.**

SUBMITTED: Report of the Borough Surveyor on a letter from Mr. J. C. S. Soutar of the Hampstead Garden Suburb Trust, asking the Council to make up and take over the road known as Asmuns Place. The Borough Surveyor submitted a plan shewing the existing road which has a carriageway of 15 feet in width with grass verges on either side. The Committee are of opinion that the carriageway should be widened to 20 feet. They accordingly

RESOLVED TO RECOMMEND—**That Mr. Soutar be informed that the Council will be prepared to consider making up and taking over the road, subject to the Hampstead Garden Suburb Trust agreeing to the carriageway being widened to 20 feet.**

† (F). **Greenway Close, Hendon.**

SUBMITTED: Letter from Mr. W. F. Thorpe stating that his client is prepared to enter into the agreement required by the Council for the making up of the road known as Greenway Close, Hendon. The Borough Surveyor reported that the plans of this road had not been approved by the Buildings and Town Planning Committee, but that subject to such approval, there would appear to be no objection to the agreement being entered into.

RESOLVED TO RECOMMEND—**That, subject to the plans of the road being approved, the necessary agreement be entered into and that the Corporate Seal be affixed thereto.**

† (G). **St. Margaret's Road, Edgware.**

SUBMITTED: Summary of the replies received from the frontagers in the above road to the Council's questionnaire enquiring whether they desired the road to be made up as soon as possible to the special specification and to pay the increased cost involved, or whether they desired the making up of the road to be deferred until building development is completed and the road made up to the normal specification.

A letter was also submitted from Mr. Leslie Raymond, whose clients have acquired the undeveloped land fronting on to the road, stating that his clients were prepared to enter into an agreement with the Council undertaking to discharge the increased cost of the special specification, subject to such increased charge not exceeding 7/- per foot frontage, and also to the work being put in hand not later than the end of July next.

The number of frontagers in favour of the road being made up as soon as possible to the special specification is not sufficient to justify the adoption of that course, and the Committee, therefore,

RESOLVED TO RECOMMEND—**That the road be made up in accordance with the usual procedure when building development has reached a more advanced stage.**

(H). *Tenders for making up Roads.*

SUBMITTED: Tenders for making up the following roads under the provisions of Section 150 of the Public Health Act, 1875:—

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

7.—LAWRENCE STREET IMPROVEMENT:

Progress Report.

REPORTED: That work is proceeding on the above scheme and that 22 local men are at present employed on the work, which is being carried out departmentally as a large proportion of the expenditure involved relates to the purchase of materials. **Noted.**

★8.—CLAREMONT ROAD IMPROVEMENT:

Claim for Compensation.

On the 11th December last (Hi.C., 20/11/33—12) the Council agreed to a settlement of the claim of John Laing & Son, Limited, for compensation in respect of the land taken for the widening of Claremont Road. The terms of settlement did not include payment by the Council of Solicitor's costs and Surveyor's fees. A letter has now been received from Douglas Martin, Limited, asking that the usual costs be paid.

The Borough Surveyor reports that the claim could be justified and he recommends payment accordingly.

RESOLVED TO RECOMMEND—**That in connection with the claim in question the Council approves payment of Solicitor's costs in accordance with the Solicitor's Remuneration Act, and Surveyor's fees based on Ryde's Scale, and that any resolution of the Council inconsistent therewith be varied accordingly.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

★11.—WISE LANE, MILL HILL:

SUBMITTED: Report of the Borough Surveyor, together with a plan shewing the work proposed to be carried out to form a footpath on the south-west side of Wise Lane, over land recently acquired by the Council.

In the preparation of the scheme, the Borough Surveyor has had regard to the desirability of retaining the rural character of the lane as far as possible, and constructional works have, therefore, been reduced to a minimum. The cost of the work is estimated at £500.

RESOLVED TO RECOMMEND—**That the scheme as submitted be approved, and that the Finance and General Purposes Committee be requested to make the necessary financial provision.**

[Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal and Recommend that the cost involved be defrayed out of revenue.]

★12.—DIRECTION SIGNS:

SUBMITTED: Letter from Rolls-Royce, Limited, asking for permission to place signs directing people to the Company's works in Claremont Road, on land vested in the Corporation at the junction of Claremont Road and the North Circular Road.

In the opinion of the Committee, direction signs of the character proposed on or adjacent to the public highways are undesirable.

RESOLVED TO RECOMMEND—**That permission be not granted.**

★15.—PENSHURST GARDENS, EDGWARE:

SUBMITTED: Report of the Borough Surveyor stating that as the above road will be taken over at an early date as a public highway it is desirable that the two places where streams pass under the road should be fenced off to prevent danger to the public. He, therefore, suggested that notices under Section 30 of the Public Health Acts Amendment Act, 1907, should be served on the owners concerned.

RESOLVED TO RECOMMEND—**That notices under Section 30 of the Public Health Acts Amendment Act, 1907, be served upon the owners concerned calling upon them to fence off the dangerous points in question for the protection of persons lawfully using the road, and that a period of twenty-eight days be specified in the notices for carrying out the work.**

★16.—DIVERSION OF FOOTPATHS:

Estates, Parks & Allotments Committee.

REPORT No. 1.

5th February, 1934.

Present : Councillor E. Arter, M.C., M.I.A.E. (Chairman), Councillor R. A. B. Teare, M.B.E. (Vice-Chairman), Alderman (Mrs.) S. J. Bannister, L.L.A., and W. Taylor, J.P., Councillors F. J. Collins, E. Holt, J.P., H. L. K. Johnson, A. A. Naar, M.B.E., J. H. Rodway, S. E. Sharpe and J. M. Spreull, C.A.

An apology for absence was received from Councillor B. J. Monro, J.P.

1.—REQUISITIONS :

SUBMITTED : Requisitions amounting to £29 4s. 10d. **Approved.**

★2.—SUNNY HILL FIELDS :

★3.—BOWLING GREENS :

† (A). **Mill Hill Bowling Club.**

CONSIDERED : Further representations from the above Club with regard to the Council's terms in connection with the renewal of the lease. (E.P. & A.C., 20/11/33—8 (A)).

The Club intimate that it is impossible for them to meet the increase in the rent from a minimum of £90 per annum or on the basis of 26/- per member, whichever is the greater, to a minimum of £140 per annum or on the basis of £2 per member, whichever is the greater.

They point out that there is no possibility of meeting the increase in rent by way of increased membership, which is at present 67 (all playing members) and is as much as five rinks can accommodate. If the Council make no reduction in the rent, it is feared that the Club will have to close down.

The Club now offer £110 per annum or 30/- per member, whichever is the greater (excluding Sunday play).

The Club further point out that the delay in carrying out the work of re-conditioning the green will delay the opening of the Club until probably as late as the 1st June, and as this is no fault of the Club they suggest that a *pro rata* reduction in rent be made in respect of the first year.

The Committee are informed that the work of re-conditioning the greens will be completed in time for the Club to re-open on the 1st May, and after careful consideration of the whole of the circumstances of the case, the Committee

RESOLVED TO RECOMMEND—**That the Hon. Secretary of the Club be informed that the Council are prepared to agree to the Club's suggestion and vary their previ-**

ous decision to the extent that payment be made of a minimum rent of £110 per annum or 30/- per Club Member, whichever shall be the greater, and that Sunday play be allowed.

CONSIDERED: Further representations from the above Club with regard to the Council's terms in connection with the rent paid by the above Club for the use of the green at Child's Hill. (E.P. & A.C., 20/11/33—8 (B)).

In view of the concession made to the Mill Hill Club, the Committee

RESOLVED TO RECOMMEND—**That the Hon. Secretary of the Child's Hill Club be informed that the Council are prepared to vary their previous decision to the extent that payment be made of a minimum rent of £50 per annum or 30/- per Club Member, whichever shall be the greater, and that Sunday play be allowed.**

[Having considered the matter in its financial bearing, the Finance and General Purposes Committee Recommend that a lease for a period of 7 years without a break be granted at an annual rental of £60, subject to the whole cost of improvements and maintenance being borne by the Club.]

The Committee approve in principle to the provision of such kiosks, and

REPORT OF SUB-COMMITTEE.

5th February, 1934.

Present: Councillor H. G. Potter, J.P., F.S.I. (in the Chair), Alderman H. Connell and Councillor J. M. Spreull, C.A.

REFERENCE (W. & F.B.C., 27/11/33—5 (D)).

"SUBMITTED: Fire Superintendent's observations on Ministry of Health Circular No. 1356, dated 2nd November, 1933, together with a proposal for revising the charges and rules relating to the Council's Ambulance service.

RESOLVED—That the matter be referred to a Sub-Committee, consisting of the Chairman of the Committee (Councillor H. G. Potter, J.P., F.S.I.), Alderman H. Connell, and Councillor J. M. Spreull, C.A., for consideration and report."

REPORT.

The Circular deals mainly with the question of reciprocal arrangements between Local Authorities for the use of Ambulances, and the Minister desires to be assured that satisfactory arrangements exist.

The Minister states that cases of difficulty have occurred owing to lack of adequate arrangements between adjoining authorities and points out the desirability of securing an ambulance service with the minimum delay. Local Authorities are accordingly requested to consider whether the provision at present available is adequate, and in doing so it appears to the Minister that it should be clearly understood that no rule should be applied to restrict the use of an ambulance to the area of the employing Authority and that no sick person should be required to change from one ambulance to another on the way to Hospital.

The following reciprocal arrangement which covers both private cases and street accident (or public) cases already exists between this authority and Finchley :—

> The charge made by the Authority whose ambulance is used is 10/- per call, plus 1/- for each mile travelled outside the area of that Authority. In street accident cases no charge is made by either Authority.

The Council in March last (W. & F.B.C. 13/3/33—4) approved the following arrangements with the London County Council with regard to the removal of public cases from Hospital :—

> Persons meeting with accidents or suffering from sudden illnesses in the streets or elsewhere, who have been conveyed to hospital by ambulance and who after treatment require conveyance by ambulance to their homes or to Hospitals in the district in which they normally reside, shall be so conveyed in ambulances supplied by the Authority of the district in which they reside.

The Sub-Committee have considered the question of entering into reciprocal arrangements with other adjoining authorities on the basis set out above, and have

RESOLVED TO RECOMMEND—

(1) **That steps be taken by the Town Clerk with a view to concluding uniform arrangements with all contiguous authorities on the lines of the existing arrangements with the London County Council and the Finchley Borough Council as indicated above.**

(2) **That the Ministry of Health be informed of the existing arrangements and of the further action proposed to be taken.**

The Council in October last (Retiring Mayor's Report, 9/11/33 — 10) approved arrangements with the Hospital Savings Association with regard to payment of charges on behalf of their contributors as follows :—

> Cases conveyed to places within the Borough—7/6d.
>
> Cases conveyed to places outside the Borough—Minimum charge, 10/-, plus one half the difference between 10/- and the total charge, calculated on a mileage rate of 1/- with a maximum of £1.

Cancelled			35
			360

With regard to the 35 applications recommended for cancellation, 7 of the applicants have removed from the addresses shewn on the application forms and cannot be traced; 5 do not comply with the Council's qualification regulations; 2 applications have been withdrawn; 1 application has been cancelled on the ground that the applicant's income is sufficient to enable him to obtain suitable accommodation without recourse to a Council House; in 16 cases the applicants' present accommodation is considered to be sufficient and the rent reasonable; and in 4 cases the present accommodation and rent paid is considered satisfactory and the applicants' wages sufficient to enable other than accommodation on the Council's housing estates to be obtained.

With a few exceptions, the order of priority in the respective groups coincides with the date of application. It will be appreciated, however, that houses will not necessarily be allocated to applicants strictly in the order in which they appear on the lists, as the accommodation becoming available will have a material bearing on the allocation; but the order of priority set out in the lists will be followed as far as possible.

RESOLVED TO RECOMMEND—

(i) **That the order of priority for the allocation of Council Houses as set out on the lists, regard being had to the accommodation becoming available and the needs of the applicant, be approved and adopted.**

(ii) **That the 35 applications above referred to and indicated on the list submitted to the Committee, be cancelled without prejudice to the consideration of any fresh application which may be submitted.**

The Council will remember that 46 of the Houses included in the Reets Farm Scheme are being erected under the provisions of this Act to qualify for subsidy and it is anticipated that these will be completed by the 31st March.

In case, however, it should be found not possible to complete the 46 houses in question by the prescribed date, the Committee

RESOLVED TO RECOMMEND—**That at the earliest moment that it appears to the Borough Surveyor that it would not be possible to complete the 46 houses qualifying for subsidy by the 31st March next, the Town Clerk be authorised to apply to the Minister of Health for an extension of the period within which to complete the houses.**

2.—TOWN PLANNING SCHEME—REVISION:

SUBMITTED: Letter from the Ministry of Health dated the 16th January (together with the report of the Town Clerk) returning the Hendon Town Planning Scheme for revision to secure conformity with the Town and Country Planning Act, 1932, and re-submission, after compliance with the appropriate regulations, before the 16th April, 1935.

The Minister refers to the various changes which have been made as the result of correspondence and conferences in connection with the scheme approved by the Council in 1928, and points out that the various modifications must be incorporated in the revised Scheme. It is also suggested that there would be advantage in now combining Hendon and Edgware in one and the same Scheme.

As regards the possible responsibility of the Middlesex County Council under the Scheme the Minister contemplates, although the County Council are not committed, that any proposals in the Scheme affecting roads maintained by the County Council will be omitted and left to be dealt with under independent powers, thus removing any necessity for the County Council to be included in the Hendon Scheme as a Responsible Authority. In this connection a letter has been received from the Solicitor to the County Council intimating that he is taking the instructions of the County Council as to whether, where building lines are secured on Arterial Roads, they propose that these roads shall be dealt with by the Scheme or independently.

It will be necessary before passing the resolution making the revised scheme for the Council to consult interested local authorities and to take steps to secure the co-operation of owners or other persons interested in the land proposed to be included in the scheme.

The Borough Surveyor intimated that there were matters in connection with the revision upon which he would report to the Committee in due course, and submit the revised plans of the scheme.

In the meantime the revision of the scheme will proceed as expeditiously as possible, and an amended draft will be submitted for consideration as soon as practicable. **Noted.**

★3.—PROPOSED HENDON TOWN PLANNING SCHEME NO. 2:

Land already built upon.

SUBMITTED: Report of the Borough Surveyor (B. & T.P.Cttee., 15/1/34—7 (C)), together with a map of the borough showing the areas excluded from the original Town Planning Scheme owing to the advanced stage of development.

The Council will remember that under the Town and Country Planning Act of 1925 (now repealed) the powers of planning were practically limited to land which was in course of development or appeared likely to be used for building and that one of the main purposes of the Town & Country Planning Act, 1932, was to extend the planning powers to areas already built upon.

The Committee, on the report of the Borough Surveyor are satisfied, particularly in view of recent incidences of re-development, that it would be expedient to include the built up areas of the Borough (with the exception of the area comprising the Garden Suburb developed under the Hampstead Garden Suburb Act, 1906), in a Town Planning Scheme, and accordingly

RECOMMEND—

(i) **That the Town Council of the Borough of Hendon resolve—**

That a Scheme, to be known as the Hendon Town Planning Scheme No. 2, be prepared in respect of the areas of land within the Borough already built upon, delineated and coloured pink on the map submitted.

(ii) **That notice of the passing of the above resolution be published in accordance with Article 10 (2) of the Town & Country Planning Regulations, 1933.**

(iii) **That the Resolution of the Council dated the 2nd October, 1933** (B. & T.P.Cttee., 18/9/33—11), **relating to the preparation of a Town Planning Scheme to be known as Scheme No. 2, for the inclusion of an area comprising 20.8 acres or thereabouts of land adjacent to the Hendon Aerodrome, be rescinded, such land now being included in the new scheme above referred to.**

★4.—TOWN AND COUNTRY PLANNING ACT, 1932:

† (A). "Ivy House," North End Road, Colders Green.

SUBMITTED: Report of the Borough Surveyor on a letter from Messrs. C. Kirby & Partners on behalf of the Trustees of the Manor House Hospital, enquiring whether the Council would raise any objection to the development of the above property as an extension of the Hospital.

RESOLVED TO RECOMMEND—**That the applicants be informed that, subject to the general lay-out plan and the plans and elevations of the buildings being approved, and to adequate measures being taken to protect the adjacent residential property the Council will be prepared to consider the grant of an Interim Development Order for the purpose indicated.**

† (B). Road No. 9.

SUBMITTED: Report of the Borough Surveyor to the effect that at the request of the Minister of Health he attended on the 16th ultimo a conference together with the Chairman of the Committee and the Borough Surveyor to the Finchley Borough Council.

The Finchley Council are anxious to delete this road from their scheme, and it was suggested at the Conference that subject to the Finchley Council producing a satisfactory scheme for linking up the existing road known as Gordon Road with Westbury Road a sufficient outlet would be given to this part of the area of both Authorities, and the extension of road No. 9 into Finchley could be dispensed with. It is understood that the Minister of Transport had expressed a view that road No. 9 at its original width was not necessary for general traffic requirements.

It is suggested that the matter be left in abeyance until the formal proposals of the Finchley Borough Council can be submitted to this authority, and

RESOLVED TO RECOMMEND **accordingly.**

★6.—LICENSED PREMISES AT THE CORNER OF GRAHAM ROAD AND HENDON WAY:

Hendon Ratepayers' Association.

SUBMITTED: Letter from the Hon. Secretary of the above Association with the following resolution passed at their meeting held on the 24th ultimo:—

"That this Association desires to protest to the Hendon Borough Council regarding its action in granting an Interim Development Order in connection with the proposed erection of premises, to be used as a licensed house at the junction of Watford Way and Graham Road, as in our opinion a licensed house in this locality is not needed, and would seriously depreciate the value of surrounding property."

RESOLVED TO RECOMMEND—**That the Hon. Secretary, Hendon Ratepayers' Association, be informed that the Council have already agreed to the issue of an Interim Development Order containing special conditions for the development of this site for the erection of licensed premises.**

★7.—EXTENSION OF GROVE ROAD, EDGWARE:

★9.—SHOPS, STATION ROAD, EDGWARE:

SUBMITTED: Report of the Borough Surveyor to the effect that on the 19th March, 1931, the Hendon Rural District Council approved plans for the erection of five lock-up shops fronting Station Road, between the Vicarage and the accommodation road leading to the backs of the adjacent shops. There is a note on this plan stating it is approved subject to any maps prepared and notices served under the Council's Town Planning Scheme. Work has recently been commenced on the erection of these lock-up shops.

It is understood that the land in question was sold to the present owners by the Rev. H. A. H. Lea who imposed a restriction that the land should not be used for building purposes, which was subsequently modified to allow one storey buildings, without living accommodation, to be erected thereon. The Rev. Lea has been approached with a view to obtaining a further release of the restrictions on this land and he is quite prepared to enter into negotiations with a view to fixing an additional price to be paid for the removal of such restrictions.

The Architects to the owners of the shops have intimated that in view of the heavy consideration which their clients have paid they are unable to incur any further expense in the matter.

RESOLVED TO RECOMMEND—**That the owners of the shops be informed that the buildings in course of erection have not been approved under the Council's Town Planning Scheme, and are objected to on the ground of elevation, and if completed as proposed, will become a contravention of the Town Planning Scheme.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

RESOLVED—**That the matter be referred to the Highways Committee for consideration.**

† (B). Polling District.

SUBMITTED: The following report of the Town Clerk in connection with the desirability of constituting a polling district for the Woodside Park Estate:—

REPORT.

The Mill Hill Ward is at present divided into three Polling Districts as follows:—

Polling District and Letter.	Electorate, 1933—Register. Parliamentary.	Local Government.	Polling Place.
Mill Hill—East, S. ...	1857	1378	St. Paul's C. of E. School, The Ridgeway.
Mill Hill—South, TA. ...	2362	1988	Meads Council School, Watling Estate.
Mill Hill—West, TB. ...	7949	5977	Hartley Hall, Flower Lane.
	12,168	9,343	

Since the creation of these polling districts an entirely new housing development has taken place on the Woodside Park Estate, at present situate in the Mill Hill East Polling District, and the electors in that area (already numbering 520 Parliamentary and 398 Local Government) occupy an isolated position.

In these circumstances it is clear that the existing arrangements for polling are inadequate and it is suggested that the area should be constituted a new Polling District.

RESOLVED TO RECOMMEND—

(1) **That for the purposes of Municipal Election, the Mill Hill East Polling District be divided so as to constitute an additional Polling District to be known as Mill Hill Woodside, to comprise the following area:—**

So much of the Mill Hill Ward as constituted by Charter, dated the 15th August, 1932, creating the Municipal Borough of Hendon, as lies East of a line commencing at the Dollis Brook on the Northern (Hendon—Finchley) Boundary at a point opposite the hedge dividing fields numbered 187a and 188 on the Ordnance Survey Map, 1914, thence continuing in a Southerly direction along the hedge forming the

Western boundary of the houses in Pyecombe Corner, Rodmell Slope, Offham Slope and Folkington Corner, thence proceeding in an Easterly direction along the hedge forming the Southern boundary of the houses in Folkington Corner and Cissbury Ring South and the Northern boundary of field numbered 196 on the said map to the hedge dividing fields numbered 196 and 194 on the said map, thence proceeding in a Southerly direction along the hedge dividing fields numbered 196 and 194 on the said map to the watercourse which divides fields numbered 194 and 195 on the said map, thence proceeding along such watercourse in an Easterly direction to the boundary of the Borough at Dollis Brook.

(2) **That the constitution of the Mill Hill Woodside Polling District be notified to the Middlesex County Council with a request for its adoption as a Polling District for the purposes of Parliamentary and County Council Elections.**

The Polling District thus proposed to be constituted would be :—

Polling District.	Electorate, 1933—Register. Parliamentary.	Local Government.	Polling Place.
Mill Hill Woodside ...	520	398	Sales Office, Lullington Garth.

Mr. McGregor and Mr. Carson addressed the Council and requested that consideration should be given to the following matters :—

1. The provision of a public library in the vicinity of Burnt Oak;

6. The improvement of the public lighting throughout the Borough;

7. Unemployment Bill. Attention was called to the reference to customary rates of wages in the Bill, and the Council were urged, in the event of the Bill being passed in its present form, not to employ men direct from Training Camps; but should such men be employed that Trades Union rates of wages be paid;

REETS FARM HOUSING SCHEME :

Labour Conditions.

Councillor Pugh referred to the statements made by the members of the Deputation which had appeared before the Council regarding the labour conditions on the Reets Farm Housing Scheme, and intimated that in consequence of the question having been raised in the Housing Committee he got into touch with the National Federation of Building Trade Employers and the National Federation of Building Trade Operatives. He ascertained that, apart from the fact that the contractor concerned was only permitting ½ hour instead of one hour for dinner, there was no violation of the Agreement arrived at between the parties, which was being complied with in every detail. Not a single complaint had been received by any of the Trade Unions.

When the firm's attention was drawn to the period allowed for dinner, the matter was immediately rectified.

It was agreed that a statement over the signature of the Mayor should be supplied to the Press containing the information given to the Council by Councillor Pugh.

The Borough Treasurer submitted a report on the financial aspects of the scheme in view of the cost revealed by the tenders.

In the original estimate a sum of £3,000 was provided for filters and pumps and it is anticipated that this figure will not require amendment.

It will be observed that the amount of the lowest tender is £16,255 7s. 6d., to which must be added a sum for contingencies, Clerk of Works, etc., estimated at £894 12s. 6d., making a total of £17,150.

RESOLVED TO RECOMMEND—

(1) **That the tender of Bolton & Lakin, Limited, be accepted, subject to the usual financial enquiries proving satisfactory and to the Ministry of Health issuing the necessary loan sanction.**

(2) **That application be made to the Ministry of Health for sanctions to loans amounting to £20,150 (which includes the filters and pumps) in accordance with the following allocation and that the resolution of the Council of the 24th October 1932** (W. & F.B.C., 10/10/32—6 (B)), **be varied accordingly :—**

£	
16,320	for a period of 30 years.
830	for a period of 20 years.
3,000	for a period of 10 years.
£20,150	

(With regard to the value of the site the Borough Surveyor is still negotiating with the County Valuer).

15.—PUBLIC CLOCK :

SUBMITTED : Report of the Borough Surveyor with regard to the above matter. (W. & F.B.C., 12/2/34—7).

RESOLVED TO RECOMMEND—

(1) **That the proposals be approved and an advertisement issued inviting tenders for the suggested works.**

(2) **That the Finance and General Purposes Committee be requested to make the necessary financial provision.**

[*Having considered the matter in its financial bearing, the Finance and General Purposes Committee concur in the proposal.*]

★20.—REFUSE:

Periodical Special Collection.

CONSIDERED: Borough Surveyor's further report (circulated to the Members of the Committee in accordance with instructions at the last meeting).

The Borough Surveyor previously reported that the yearly cost of the proposed collection would be £792 but this did not include garden refuse. It appears to be extremely difficult to form an estimate as to how far a service in respect of the removal of garden refuse would be used. Difficulty would also be experienced with regard to disposal, as this type of refuse could not be dealt with at the Refuse Disposal Works and it would be necessary to pay for the disposal of the refuse at a tip.

The estimated cost to the Council of collecting and disposing of this refuse is approximately 10/- per yard. The Borough Surveyor therefore suggested that, in the event of the Council undertaking a collection, the charge to the householders should be at the same figure and he referred to the question of collecting the money, a matter which would require consideration.

Having again considered all the facts in relation to the matter the Committee adhere to their previous decision that no action be taken in connection with the suggested special collection of refuse, and they

RECOMMEND **accordingly.** [Referred Back - Page 401]

★22.—BAKING AND DELIVERY OF BREAD ON SUNDAY:

SUBMITTED: Petition from the Finchley, Barnet, Hendon and District Master Bakers' Association, praying (*inter alia*)—

1. That steps may be taken to prohibit the increasing practice of Sunday baking and delivery of new bread which is taking place within the Borough contrary to the provisions of the Bread Act of 1836, and the Lord's Day Observance Act of 1871, and

7. That the terms, provisions and penalties of the aforementioned Acts be strictly enforced within the Borough, and that the Council consider such alterations and additions thereto as would involve or construe same that

(*a*) It shall be unlawful to sell or deliver new bread on Sundays.

(*b*) New bread shall be deemed to be bread baked after 6 p.m. on Saturdays.

(*c*) This Act shall not apply to hotels, restaurants, or other places where the bread is sold to customers for consumption on the premises.

(*d*) Exemptions.—All Sundays before Bank Holidays, or where through unavoidable circumstances a baker is unable to finish his usual round on the Saturday; this exemption not to be more than four times in any one year.

(*e*) Penalties.—First offence, Five Guineas; Second offence, Ten Guineas; Third offence, Twenty Guineas; Fourth offence, Fifty Guineas; Fifth or subsequent offence, Six months imprisonment.

The general law on the matter in question is contained in Section 14 of the Bread Act of 1836, which is to the following effect :—

No person exercising or employed in the trade or calling of a baker shall on the Lord's Day make or bake any bread or shall on any part of the said day after the hour of 1.30 p.m. sell or expose for sale any bread or in any other manner exercise the trade or calling of a baker save and except so far as may be necessary to prepare for the following day's baking.

It would seem that any individual who is either an aggrieved person or acts as a common informer may institute a prosecution provided the complaint is made within 48 hours after the offence or within such reasonable time as to the justices shall seem fit. Upon conviction within 6 days from the commission of the offence penalties (1st offence 10/-; 2nd £1; 3rd and subsequent offences £2) may be imposed and costs and expenses are recoverable.

A Local Authority, being a corporate body, cannot sue as common informer for the penalties imposed by the Act. The Town Council have, therefore, no power to take the action suggested in paragraph 1 of the petition and the suggestions in paragraph 7 would necessitate legislation.

RESOLVED TO RECOMMEND—

(1) **That the Association be informed that if legislation is introduced to give effect to the suggested amendments and provides for enforcement by the Council, the matter will receive consideration;**

(2) **That in the meantime it be suggested to the Association that they should consider whether steps should not be taken by their own members to act in the capacity of common informers.**

In connection with the above an application was made for the use of Hendon Park for an open air service on the 13th May, at which it was proposed to present the colours to the Borough.

Notes Number.	
	Expenditure (Increases).—
1/2	The increase for Salaries, Superannuation and Wages is mainly due to increments in accordance with Scales, and to the Library being opened on Wednesday afternoons.
4	A provision of £130 is made for decorations at the Central Library.
5	The contributions to the Renewals Fund have been increased to equalise charges for decorations and special repairs.
	Expenditure (Decreases).—
7	Last year's working shows that a reduction of £20 can be made for Printing, Stationery, etc.
8	Last year's figure for Furniture and Fittings included £100 for the purchase of a piano, and £100 for catalogue cabinets.
	Income (Decreases).—
11	The decrease in fines and sundry receipts is attributed to the fall in circulation, and to a tendency for borrowers to return books when due.

WORKS AND FIRE BRIGADE COMMITTEE.

MEMORANDUM.

Expenditure (Increases).—

1 Increase for Wages due to general development of the following services:—

	£
House Refuse Removal	150
Refuse Destructor Works	533
Haymaking and Grass Cutting	200
New Convenience—Orange Hill Road	160
Fire Brigade (including additional Firemen at Mill Hill)	773
Sundry Accounts	133
	£1949

6 Provision for upkeep of new mechanical sewer Flushing Tank. This method of sewer flushing dispenses with the use of horse transport.

13 Minor increases amounting to £53 for Heating, Lighting and Cleaning covering a number of Accounts.

15/16 The increase of £30 for replacement of Fire Hydrants, and £50 for fixing new Fire Hydrants, will enable the same amount of work being carried out as last year.

20 The increase for Uniforms, Clothing and Boots allows for equiping the additional firemen at Mill Hill, and also fitting out the Dustmen and Lorry Drivers with jackets.

22 Increase for rents of new cottages at Mill Hill Fire Station, and for rates on the extended portion of the Outfall Works. The former item is recoverable (see Income Notes).

23 Increase for depreciation of New Motor Fire Engine. This takes the place of the old Merryweather Engine which was fully written down.

Increases for the following items are based upon last year's experience:—

		£
3	Work done by Pagefield Lorries	368
5	Work done by Diema Tractor	35
9	Tools and Plant	50
12	Disinfectants and Chemicals	100
19	Haymaking and Grass Cutting	39
25	Analysts Fees	25
		£617

28/34 These special provisions, amounting to £3696, are of a non-recurring nature, and have been approved by the Committee.

Expenditure (Decreases).—

2 Decrease for Team Labour mainly due to the increased employment of Mechanical Plant instead of Horses (see note as to Sewer Flushing Tank).

4 Decrease in running costs of Morris Refuse Van, based on last year's results.

8 Decrease in depreciation contribution for Cesspool Machine—6 months only required in 1934/35.

10 Minor nett decreases for Materials covering a number of Accounts.

11 It is estimated that a sum of £200 (as against £380 provided last year) will enable the necessary work of re-building manholes to be carried out.

17 Decrease for Rental and Upkeep of Fire Alarms, based on last year's charges (after allowing a margin for additional alarms coming into operation).

18 Decrease due to items in the nature of renewals (viz., Tyres, etc.) now being charged to the Renewals Fund.

35/40 These special items, amounting to £1354, were non-recurring, and now disappear from the Estimates.

Income (Increases).—

41 Increase for rents recoverable in respect of new cottages at Mill Hill Fire Station (see note to Item 22).

43 New provision for rent of Sewage lands occupied by Council's Stables and Allotments. These items are in the nature of transfers between accounts.

44 New provision for transfer between accounts for rent of Garages at Destructor Works, occupied by Pagefield Lorries and other motor vehicles belonging to the Council.

45 It is anticipated that, under normal weather conditions, the Open Air Bath fees will show an increase over last year's estimate. The actual receipts for last year were considerably in excess of the estimate, due to the abnormally dry and hot summer.

46 Increase in fees from Public Conveniences as a result of the opening of new conveniences at Orange Hill Road and Cricklewood Lane.

48 Increase in *ex-gratia* payments estimated to be received against expenses of attending fires.

49 The amount receivable from Kingsbury Council for fire protection service is based upon that Authority's increased Rateable Value.

50 Increase in fees for use of Ambulances, due to increased ambulance service.

51 Increase in amounts recoverable from adjoining Authorities as a result of new houses to be drained into the Corporation's sewers.

52 Increase in sales of ashes, clinker, etc., from Refuse Destructor Works, due to increased volume of refuse to be dealt with.

53 Provision for credit in respect of charges made to sundry accounts for handling materials at Depôts.

54 Estimated increase for hay to be made during next season, and new provision for credit in respect of charges made to Parks and Open Spaces for cutting grass.

Income (Decreases).—

55 Decrease in income from sale of old Fire Brigade equipment.

Details of Rates Levied to 30th September, 1934.

Purposes for which the General Rate for Six Months to 30th September, 1934, was made; estimated sum required for each purpose; and approximate pence in the £ now levied.

The following statement shows how the rate demanded is made up. It sets out the rate in the pound which would be required to meet the nett expenses of each of the principal services, after allowing for specific Government Grants towards the expenses of the services marked * but without allocation to particular services of the Government Grants under the Local Government Act, 1929.

The Government Grants under the Act of 1929, being in aid of local government expenses generally, cannot be allocated to any particular service. They reduce, by the amount shown, the total rate in the pound which would otherwise be demanded.

(B). *Welsh Harp Sports Stadium.*

The Town Clerk read the following letter from the Ministry of Health :—

22nd March, 1934.

Sir,

Appeal of Messrs. The Welsh Harp Stadium Limited, and Messrs. The Grand Union Canal Company, under Section 10 (5) of the Town and Country Planning Act, 1932, against the refusal of the Hendon Borough Council to permit development in connection with a proposed greyhound racing track and sports stadium north of the North Circular Road and eastwards of Edgware Road under the protection of the Town and Country Planning (General Interim Development) Order, 1933.

I am directed by the Minister of Health to say that he has considered the report of his Inspector, Mr. C. H. Eyles, after his visit to the locality on the 1st instant to hear representations and inspect the site in connection with the above appeal.

The site comprises land formed by the filling-in of the original bed of the River Brent and the adjoining low-lying land, and is partially within an area allocated in the Hendon Borough Council's Town Planning Scheme primarily for residential purposes but in which other development, with due regard to amenity, may take place with the consent of the Council or the Minister on appeal.

The land adjoining the site appears to have been developed wholly for industrial purposes with the exception of that on the north side, on which there have been erected a number of small dwelling-houses.

The Minister has carefully considered the arguments and evidence put forward at the Inquiry and has come to the conclusion that the proposed development would not materially affect the amenities of the locality. He understands that a considerable amount of support for the project is forthcoming from the occupiers of the neighbouring residential properties and that little objection has been raised by local residents.

It appears to the Minister that facilities for travelling to and from the site, which include the Edgware section of the tube railway and omnibus routes on the Edgware Road, are likely to be adequate for the requirements of the proposed track and stadium without causing undue traffic difficulties or inconvenience, and that, from the traffic point of view, the site is not unfavourably situated.

In these circumstances the Minister feels that he must agree to the development and allow the erection of the buildings in accordance with the plans thereof submitted with the appeal, subject to compliance with a proper lay-out plan, including provision for a parking-place and suitable entrance and exits, and with the bye-laws and statutory provisions in force in the district and applicable to the development. It is not clear to the Minister, however, whether the plans submitted purport to show the precise position of the proposed buildings and the intended site and lay-out of the entrances, exits and car park and he is, therefore, asking the appellants to furnish him with a detailed lay-out plan for the purpose of the permission to be granted, after submitting it (or a copy) to your Council to enable them to furnish the Minister with any observations they may have to make thereon.

A copy of this letter is being sent to Messrs. Coward, Chance & Company, the Solicitors to the appellants. **Noted.**

EASTER RECESS:

Moved by Councillor Rice, seconded by Alderman Maughan, and

204.—RESOLVED—**That the Mayor, or in his absence the Deputy Mayor, be vested with power to deal with all matters which may arise during the Easter Recess.**

9th April, 1934.

Present : Alderman W. H. N. Shakespeare, M.C., A.F.C., J.P. (Chairman), Councillors W. R. Clemens, F.C.A., and C. Pinkney.

Traffic Signs.

The Sub-Committee was appointed to consider the existing traffic signs throughout the Borough and to submit recommendations for consideration by the Highways Committee. (Hi.C., 11/9/33—15).

The report of the Sub-Committee was dealt with as follows :—

The Sub-Committee had before them a schedule of the existing traffic signs prepared by the Borough Surveyor. The attention of the Sub-Committee was called to the Road Traffic Bill now before Parliament, and having regard to the possibility in the event of the Bill becoming law in its present form of certain of the traffic signs at present authorised becoming obsolete, and also of additional new signs being required, the Sub-Committee, with a view to obviating any unnecessary expenditure on the purchase and erection of signs which may be superseded, have deferred further consideration of the matter until the proposals in the Bill take a more definite form.

The progress of the Bill will be carefully watched and a meeting of the Sub-Committee convened as soon as it appears that a good purpose would be served thereby.

RESOLVED TO RECOMMEND—**That the report of the Sub-Committee be approved and adopted.**

★5.—TRAFFIC CONTROL:

† (A). **Junction of Finchley Road, Bridge Lane and Temple Fortune Lane.**

The Borough Surveyor reported that he had been in communication with the Ministry of Transport regarding the above junction and submitted a plan indicating proposals for re-siting the islands at present erected at the junction.

The Borough Surveyor suggests that in the first instance the islands should be constructed of temporary materials in the positions indicated on the plan, and the matter re-considered after experience has been gained of the revised working.

RESOLVED TO RECOMMEND—**That the suggestion of the Borough Surveyor be approved and that he be authorised to take all necessary steps for giving effect thereto.**

(B). *Mill Hill Park Crossing—Watford Way.*

The Borough Surveyor submitted a letter from the Ministry of Transport in reply to the representations put forward asking the Department to approve the erection of pedestrian operated traffic signals at the above crossing.

The Ministry state that there would appear to be three ways of dealing with the problem of pedestrians crossing at this point, as follows:—

1. By means of a subway.
2. By the provision of pedestrian signals.
3. By widening the road to allow the provision of refuges on which traffic control signals could be erected if necessary.

The Ministry state that the first method would afford facilities for people desiring to cross the road from one part of the Park to the other part, but the level of the Park on each side is below the level of the road and a large slope would be made on each side of the subway which would necessitate pedestrians using the road making a long walk to avail themselves of the use of the subway, and it is felt, therefore, that the subway would not be much use to pedestrians in this case.

The provision of traffic signals under Scheme No. 2 would not appear to be satisfactory in a road of the nature of Watford Way which carries a heavy volume of fast moving traffic.

With regard to the third method, the Ministry state that no good purpose would appear to be served in pressing this scheme any further in view of the decision of the County Council, and that it appears, therefore, that the question of arriving at a solution of the problem should be deferred until the results of the experiments now being carried out with pedestrian crossing places are known. **Noted.**

† (C). **Traffic Signals.**

(*i*). **Junction of Station Road and Edgware Road, Hendon.**

SUBMITTED: Letter from the Middlesex County Council agreeing to the installation of traffic signals at the above junction and asking the Council to re-submit the matter on the basis of traffic actuated signals instead of fixed cycle signals. (Hi.C., 6/3/34—4 (A) (i)).

RESOLVED TO RECOMMEND—**That the Borough Surveyor be authorised to submit a revised scheme to the Middlesex County Council on the lines indicated.**

(*ii*). *Junction of Finchley Road, Cricklewood Lane and Hermitage Lane.*

SUBMITTED: Letter from the Middlesex County Council approving the erection of traffic control signals at this junction and intimating that it is hoped to obtain authority to place the contract at an early date. (Hi.C., 6/3/34—4 (A) (ii)). **Noted.**

SUBMITTED: Plan shewing the position of the refuge to be constructed by the Middlesex County Council in Watford Way, opposite Messrs. Woolworth's premises, in respect of which the Council have agreed to carry out the necessary lighting arrangements. (Easter Recess Report—paragraph 15). **Noted.**

† (E). **Junction of Hoop Lane and Golders Green Road, and Hoop Lane and Finchley Road.**

SUBMITTED: Letter from Mr. E. The proposed Consolidation Regulations, a draft of which was submitted to the Committee, amend the hours of parking at the following parking places within the Borough, as shown hereunder:—

The scheme provides for the construction of a 50 ft. road, consisting of a 30 ft. carriageway and footpaths on either side, 10 feet in width, which is the general standard for the whole length of Deans Lane. The Borough Surveyor estimates the cost at approximately £6,650.

Before the scheme can be carried out it will be necessary to obtain the approval of the Middlesex County Council and the Ministry of Transport and also to enter into an agreement with the Railway Company.

The Borough Surveyor reports that if these proposals are carried out the new green asphalt will be in very much better condition than the old tarpaved portion of the footways. He, therefore, suggests, having regard to the large amount of pedestrian traffic along these roads, that a fresh scheme should be prepared providing for artificial stone footways 5 feet 6 inches in width, the remaining portion of the footways to be laid with green coloured asphalt. (*a*) North End Road.—Boundary between the existing Garden Suburb Ward and Child's Hill Ward to be adjusted to the centre of the road.

Wards.	Councillors.
BURNT OAK	Pinkney, Pugh, Sharpe.

				To Central.— Longfield Avenue ...	52

	6,293		8,485		

The Members for Mill Hill indicated their approval of the minor adjustment of boundaries with the West Hendon and Central Wards referred to in the report of the Councillors of the Central Group Wards.

With regard to any further alterations of boundaries, apart from the transfer to Burnt Oak of that part of Mill Hill South Polling District which forms part of the Watling Housing Estate, the Councillors were of opinion that no change should be made at present as they contemplated that future development in Edgware and Mill Hill would in a few years necessitate changes involving the constitution of an additional Ward.

In these circumstances, the changes proposed would leave the electorate of the Wards, on the current register, approximately as follows :—

BURNT OAK WARD :		EDGWARE WARD :		MILL HILL WARD :	
As at present constituted ...	6,371	As at present constituted ...	3,388	As at present constituted	9,343

★20.—STANDING ORDERS AND INSTRUCTIONS TO COMMITTEES:

† (A). Deputations.

REFERENCE—F. & G.P.C., 19/3/34—28.

Directions were given to " the Town Clerk to submit a revised draft Standing Order at the next meeting of the Committee."

REPORT.

The existing Standing Order No. 6 is as follows :—

> Any deputations from Ratepayers or others or any other person desiring an interview with the Council, shall give at least four clear days' notice to the Town Clerk prior to any meeting they may wish to attend, in order that the Town Clerk may insert the same in due course in the Notices of Meetings sent to the Members.

If the Mayor is of opinion that the matter to be brought forward by such deputation or person is of a frivolous character he may intimate that such deputation or person will not be received and no notice thereof shall be inserted in the Notice of the Meeting but the matter shall be reported to the Council.

The members of a deputation shall not exceed four in number, only two of whom shall speak and each speech, inclusive of the reading of the Memorial shall not be of more than ten minutes duration.

Motions shall not be moved nor speeches made until the deputation as such shall have withdrawn and any questions which members of the Council may wish to ask shall be asked through the Mayor or Chairman.

Pursuant to the above reference the Town Clerk submitted the following revised draft Standing Order :—

6.—DEPUTATIONS.

(*a*) Committees may receive deputations on matters within their orders of reference, provided that a Memorial in writing setting out the reasons why the deputation wishes to attend, shall first have been submitted.

Deputations shall not ordinarily be heard at meetings of the Council but if the Committee concerned are of the opinion that the Memorial is one which should be brought before the Council, the Committee may invite the deputation to attend the next meeting of the Council when the Council shall decide whether such deputation shall be heard.

(*b*) If the matter in question solely concerns any particular Ward, the members of the Council for that Ward shall be invited to attend the Committee meeting at which the Memorial is to be considered or the deputation received.

(*c*) A deputation shall not exceed 4 in number and only two members thereof shall be permitted to address the Council, or Committee as the case may be, except in reply to questions from members of the Council or of the Committee. After such address the deputation shall withdraw and the Council or Committee as the case may be, shall then proceed to deliberate.

RESOLVED TO RECOMMEND—**That a Standing Order in the following form be approved and adopted** :—

6.—DEPUTATIONS :

(*a*) Committees may receive deputations on matters within their orders of reference, provided that a memorial in writing setting out the reasons why the deputation wishes to attend, shall first have been submitted.

Deputations shall only be received by the Council upon the recommendation of the Committee concerned and where the Committee so recommend the Town Clerk shall invite the deputation to attend at the next meeting of the Council.

(*b*) If the matter in question solely concerns any particular Ward, the members of the Council for that Ward shall be invited to attend the Committee meeting at which the Memorial is to be considered or the deputation received.

(*c*) A deputation shall not exceed 4 in number, of whom not more than one shall be a non-resident of the Borough, and only two members thereof shall be permitted to address the Council, or Committee as the case may be, except in reply to questions from members of the Council or of the Committee. After such address the deputation shall withdraw and the Council or Committee as the case may be, shall then proceed to deliberate.

† (B). **Contracts.**

SUBMITTED: Town Clerk's report with regard to the necessity for the adoption of Standing Orders relating to Contracts in pursuance of Section 266 of the Local Government Act, 1933, together with the Standing Order in model form issued by the Minister of Health.

RESOLVED TO RECOMMEND—

(1) That the model be referred to each of the Standing Committees of the Town Council and to the Chief Officers for immediate report as to the administrative effect.

(2) That pending the adoption of new Standing Orders in relation to tenders and contracts the existing statutory requirements and Standing Orders of the Council with regard to tenders and contracts, shall be regarded as the Standing Orders of the Council applicable thereto.

† (C). **Interest in Contracts.**

SUBMITTED: The following report of the Town Clerk:—

Members will probably have had an opportunity of reading the report of the Law Committee of the Association of Municipal Corporations issued with the Agenda on the 21st March, on various aspects of the Local Government Act of 1933.

Sections 76 and 95 of the Act give power to Local Authorities to make standing orders providing for the exclusion of a member from a meeting of the Council or Committee whilst any contract, proposed contract or other matter in which he is interested is under consideration. The disqualification from discussion or voting is placed in general terms upon any member who "has any pecuniary interest, direct or indirect, in any contract or proposed contract or other matter," and this is further defined to the intent that a person shall be treated as having a pecuniary interest

(*a*) If he or his nominee is a member of a company or other body with whom the contract is made or is proposed to be made or who has a direct pecuniary interest in the matter;

(*b*) If he is a partner of a person with whom the contract is made or is proposed to be made or who has a direct pecuniary interest in the matter;

(*c*) If he is in the employment of any such person;

(*d*) In the case of married persons living together, if his spouse has to his knowledge an interest in any such contract or matter.

On the other hand

(*a*) He is not regarded as having an interest by reason of his being a member of or employed by a public body with whom the contract is made. For example, a person who is a member of the council and of a joint board of which the council is a constituent authority will not be prohibited from voting in respect of a contract between them;

(*b*) A member of a company or other body is not treated as interested if he has no beneficial interest in any shares or stock of the company or body, *e.g.*, if he is a bare trustee;

(*c*) The section does not apply to an interest in a contract or other matter which a member has as ratepayer or inhabitant of the area or as an ordinary consumer of gas, electricity or water, or to an interest in any matter relating to the terms on which the right to participate in any service, including the supply of goods, is offered to the public.

A member with a pecuniary interest is under two obligations

(*a*) He must as soon as possible after the commencement of the meeting disclose the fact that he is interested; and

(*b*) He must not take part in the consideration or discussion or vote upon any question with reference to the contract or other matter.

Where a member has an interest in a company or firm which frequently contracts with the Council in order to obviate repeated disclosures a general notice may be given in writing to the Town Clerk and having given such notice the member need not disclose the fact to the Council or Committee whenever the making or enforcing a contract arises, but he will remain disqualified from discussing or voting upon the matter.

A register is to be kept by the Town Clerk in which all disclosures of interest are to be entered and the book is to be open for inspection by members.

The penalty on summary conviction for acting in contravention of the provisions is up to £50 unless the member can prove that he did not know that a contract, proposed contract, or other matter in which he has an interest was the subject of consideration. Proceedings can however only be instituted by or on behalf of the director of public prosecutions.

RESOLVED TO RECOMMEND—**That the following Standing Order be approved and adopted.**

> "A member who has a pecuniary interest in a contract, a proposed contract or other matter which comes under consideration at a meeting of the Council or a Committee shall retire if he is requested to do so either by the Mayor or Chairman or by a majority of the other members present."

(D). *Maintenance and Repair of Buildings.*

Instruction 4 to the Works and Fire Brigade Committee.

SUBMITTED: Reference from the Public Health and Medical Services Committee (16/4/34—12) regarding the desirability of an amendment of the above Instruction to provide for the maintenance and repair of the hospital and clinics, to be referred to them.

RESOLVED—**That the matter be referred to the appropriate Officers for consideration and report.**

★21.—BYE-LAWS FOR GOOD RULE AND GOVERNMENT:

WIRELESS LOUDSPEAKERS, GRAMOPHONES, ETC.

SUBMITTED: Letter from the Home Secretary intimating that he had now decided that the nuisance caused to residents by the inconsiderate use of wireless loudspeakers and gramophones by their neighbours is a matter which can properly be dealt with by a good rule bye-law under Section 23 of the Municipal Corporations Act, 1882, and for this purpose a model form of byelaw has been issued.

If the Council desire to adopt a bye-law for this purpose full information must be furnished as to the need, stating the number of complaints received and whether such complaints have been confined to particular parts of the area.

In this connection six complaints are on record (four within the last two years) and come from five (of the nine) Wards in the Borough.

RESOLVED TO RECOMMEND—**That the following draft bye-law in model form be approved and submitted for the provisional approval of the Secretary of State.**

(1) No person shall

(*a*) in any street or public place or in or in connection with any shop, business premises or other place which adjoins any street or public place and to which the public are admitted, or

(*b*) upon any other premises

by operating or causing or suffering to be operated any wireless loudspeaker, gramophone, amplifier or similar instrument make or cause or suffer to be made any noise which shall be so loud and so continuous or repeated as to be or cause a nuisance to occupants or inmates of any premises in the neighbourhood.

Provided that no proceedings shall be taken against any person for any offence against this bye-law in respect of premises referred to in paragraph (b) thereof, unless the nuisance be continued after the expiration of a fortnight from the date of the service on such person of a notice alleging a nuisance, signed by not less than three householders residing within the hearing of the instrument as aforesaid.

(2) Any person offending against the foregoing Bye-Law shall be liable to a penalty not exceeding £5.

(3) As from the date on which these Bye-Laws come into force, the Bye-Law made by the Council on the 26th March, 1934, under Section 23 of the Municipal Corporations Act, 1882, as to wireless loudspeakers and gramophones shall be and is hereby repealed.

22.—PARLIAMENTARY REPRESENTATION:

REFERENCE—F. & G.P.C., 19/3/34—26.

"That the Town Clerk report . . . . . as to procedure for an application for the constitution of the Borough of Hendon as a Parliamentary Borough."

REPORT.

The present position as regards representation in Parliament is governed by the Representation of the Peoples Act, 1918. Section 37 (2), as to the distribution of seats, provides that "each of the areas mentioned in the first column of the second part of the ninth schedule . . . . shall be a Parliamentary County . . . . divided into the divisions specified therein and each such division shall return one member":—

Extract.

9th Schedule.

Part II.

Name of Parliamentary County.	Total Number of Members for Parliamentary County.	Divisions of Parliamentary County.	Contents or Boundaries of Divisions.
Middlesex	10	Hendon (with 9 other divisions)	Hendon. Hendon Rural. Kingsbury.

The proposal for the constitution of the Borough of Hendon as a Parliamentary Borough would necessitate an amendment of the Act of 1918 and this would not appear to be a matter which could proceed by way of private bill. An application or representation can, of course, be made to the Secretary of State, Home Department, but from a conversation in that quarter it is understood that nothing would be done as regards the redistribution of seats until the review of the County Districts under the Local Government Act of 1929 is complete. The Home Office understand that about one half of the County Councils have completed the reviews of their districts up to the present time, and it was emphasised in the conversation that if and when any redistribution is considered it must be done as a whole and not in respect of individual or isolated cases.

A private member's bill entitled Representation of the People (Redistribution of Seats) Bill was introduced in Parliament on the 19th March, seeking to establish an Electoral Distribution Commission to prepare Schemes and determine every ten years the number of members and constituencies. **Noted.**

23.—BILLS IN PARLIAMENT:

The following reports of the Town Clerk were submitted and **noted**:—

(1) ROAD TRAFFIC BILL:

(Government Measure introduced in the House of Commons on the 26th March, read the second time on the 10th April and referred to Standing Committee C).

The principal provisions of this bill so far as the powers and duties of the Council are concerned appear to relate to the placing of traffic signs on or near any length of road in a built up area where a system of street lighting is maintained in respect of which a speed limit of 30 miles per hour is proposed.

A direction that a length of road in a built up area shall be excluded notwithstanding the existence of a system of street lighting, or that a length of road shall be deemed to be a road in a built up area notwithstanding that a system of lighting is not provided, may be given by means of an order made by the Minister after consultation with the London & Home Counties Traffic Advisory Committee.

Other provisions of direct bearing on the Council's services relate to:—

(*a*) the exemption of fire engines and ambulances from speed limits;

(*b*) the maintenance or operation of weighbridges—this being an extension of the power to erect weighbridges under the Act of 1930.

(2) SHOPS BILL:

(This is a Private Bill which originated in the House of Lords on the 22nd February last. After amendment it was referred to the House of Commons on the 28th March. Second reading due 30th April).

The main provisions of the bill seek to restrict the normal maximum working hours of persons under the age of 18 engaged in any retail trade or business to 48 hours (74 hours at present permitted) and to restrict overtime to occasions of seasonal or exceptional pressure to the extent of 12 hours in each week for a period of not more than 6 weeks (consecutive or otherwise) and not exceeding a period of 50 working hours per year.

Until the 27th December, 1936, 52 hours is substituted for 48, and in respect of overtime 24 hours is a maximum for any year and 8 for any week for any period of 6 weeks.

Restrictions are imposed on night employment to the extent that 11 consecutive hours, including the hours of 10 p.m. to 6 a.m., must be available for rest, but the hour between 5 and 6 a.m. may be excluded in the cases of persons employed in the delivery of milk and bread.

Saving provisions are included in respect of the catering trade and theatres.

Suitable and sufficient means of ventilation, reasonable temperature, sanitary accommodation, washing, lighting and facilities for the taking of meals must be provided by the occupiers of all shops.

(3) PUBLIC MEETING ACT (1908) AMENDMENT BILL:

(This is a Private Bill introduced on the 24th November, 1933. Due for reading on the 27th April).

Under the 1908 Act disorderly conduct at a public meeting for an election to Parliament is an illegal practice under the Corrupt and Illegal Practices Prevention Act of 1883 which prescribes fines. For disorderly conduct at other meetings a fine up to £5 may be imposed.

The bill seeks to make disorderly conduct at a meeting for an election to a Local Government office an illegal practice and for this purpose applies the provisions of the Municipal Elections (Corrupt and Illegal Practices) Act of 1884.

(4) CANDIDATES' (LOCAL GOVERNMENT) ELECTION DEPOSIT BILL:

(Private Bill introduced on the 12th February, 1934, due for second reading on 25th April).

This Bill provides for deposits, in the case of County Council Elections of £10 and Local Government Elections £5.

The deposit is returnable in cases of withdrawal of candidature and where after going to the poll the candidate polls at least 1/8th of the total number of votes polled.

(5) REPRESENTATION OF THE PEOPLE (RE-DISTRIBUTION OF SEATS) BILL:

(This is a Private Bill introduced on the 19th March, 1934. Due for reading on the 4th May).

The bill provides for the constitution of an Electoral Distribution Commission to prepare schemes every 10 years for the distribution of seats in Parliament.

The Commission is to consist of the Chairman and four others appointed by the King and shall hold office for a period of 7 years.

The distribution of seats is to be based on a quantum ascertained by taking the number of registered electors other than those of the City of London and the Universities and dividing by 650. The number of Members for a County shall be equal to the number ascertained by dividing the number of registered electors by the quantum. When the remainder after so dividing exceeds one half the quantum there shall be one additional Member.

No constituency shall return more than one Member to Parliament.

(6) REPRESENTATION OF THE PEOPLE (DISFRANCHISEMENT OF NEGLIGENT ELECTORS) BILL:

(This is a Private Bill introduced into the House of Commons on the 10th April. Due for second reading on the 27th April).

The Bill provides that after an Election the Returning Officer shall furnish to the Registration Officer a list of persons who have not recorded their votes and within 14 days it is the duty of the Registration Officer to inform the electors concerned that unless he receives satisfactory evidence of failure to vote owing to illness, other disability, or other reasonable unavoidable cause, or a fee of 5/- in lieu thereof, his name will be omitted from the next register of electors. The proposed disqualification is for one year only.

★24.—TRAVELLING FACILITIES:

SUBMITTED: Letter from the Finchley Borough Council enclosing copy correspondence with the Ministry of Transport regarding the Petition for the proposed electrification of part of the system of the London and North Eastern Railway Company and the extension of the Highgate Tube (F. & G.P.C., 19/6/33—C (4)), requesting the Council to support the following Resolution and inviting them to appoint a representative to accompany a Deputation to wait upon the Standing Joint Committee of the Main Line Companies and the London Passenger Transport Board with a view to pressing forward the need for improved transport facilities contemplated by the Petition.

"This Council views with grave concern the information contained in a letter dated 22nd February, 1934, from the Minister of Transport upon the subject of Travelling Facilities.

In reply it desires to remind the Minister:—

(1) *that the lack of facilities in the area included in the petition to which he refers was recognised by the London and Home Counties Traffic Advisory Committee in their report to the Ministry of Transport in 1926;*

(2) *that the London & North-Eastern Railway in 1929 advertised a scheme affecting the area of the petitioners and providing for the electrification of the suburban lines therein;*

(3) *that the constitution of the London Passenger Transport Board has removed one of the principal difficulties enumerated in the London and Home Counties Traffic Advisory Committee's Report upon travelling facilities in North London, in which a scheme of co-ordination of passenger traffic is recommended;*

(4) *that during the past ten years several important deputations from local authorities and other Bodies led by Members of Parliament, have waited upon the Minister of Transport withthe object of impressing upon him the urgent need of reform in the transport system throughout the area in question.*

The Council in making an emphatic protest against an indefinite delay, earnestly request the Minister to impress upon the Standing Joint Committee of the London Passenger Transport Board the acuteness of the problem and the immediate necessity to repair the failure on the part of the responsible undertakers in the past to anticipate and provide for the ever-increasing demands of the travelling public throughout the area in question."

RESOLVED TO RECOMMEND—**That the Council endorse the above resolution of the Finchley Borough Council and that His Worship the Mayor (Alderman C. C. Cartwright, M.B.E., J.P.) be appointed the Council's representative on the proposed Deputation.**

25.—POSTAL FACILITIES, EDGWARE:

SUBMITTED: Letters from the Rt. Hon. Sir Philip Cunliffe-Lister and the Surveyor to the General Post Office regarding the following improved facilities in the Harrow and Wembley Postal Districts, which includes the Edgware and Burnt Oak Wards:—

Letters posted between 11.0 a.m. and noon will be delivered the same day in London and the Home Counties; between 3.0 and 4.0 p.m. will secure delivery throughout London the same day and will fall into the Scotch, Irish and Continental night mails; and between 6.0 and 7.0 p.m. will secure first delivery the next morning throughout England and Wales; whilst letters posted in time for the last collection from street boxes, to be made between 9.15 and 10 p.m., will be delivered by first post the next morning throughout London and in many places in the Home Counties.

As regards the delivery of letters, the most important change is the provision of a late evening (additional) delivery commencing at 7 p.m. This delivery has been arranged with the specific objects of accelerating correspondence which hitherto has not reached

addressees until the following morning, and of enabling letters posted in London between 2.0 and 3.0 p.m. (except Saturdays) to be delivered the same evening. (On Saturdays every endeavour will be made to maintain this connection, but it cannot be guaranteed).

Letters posted in the street boxes for local delivery between 8.0 and 8.15 a.m. will be delivered by the second post commencing at 9.30 a.m.; between 11.0 a.m. and noon will be delivered by the afternoon post commencing at 4.0 p.m.; between 4.0 and 5.0 p.m. will be delivered the same evening, and between 9.15 and 10.0 p.m. will be delivered by first post the next morning.

Commencing on Sunday, the 13th May, an improved scheme of Sunday letter collections will be introduced, and, in place of the single collection now made from street boxes between 6.0 and 7.0 p.m., there will be two collections. The first, from a restricted number of boxes suitably situated throughout the district, will be made between 4.0 and 5.0 p.m. All letters falling into this collection will normally be delivered throughout England and Wales by first post next morning and will secure inclusion in the Scotch, Irish and Continental Night Mails. The second collection will be made from all street boxes between 7.0 and 8.0 p.m. and letters thus posted will be delivered by first post next morning throughout London and in the Home Counties generally. This new system of collections will also apply on Good Friday and Bank Holidays. **Noted.**

★26.—OLD CONTEMPTIBLES' ASSOCIATION—HENDON BRANCH:

In connection with the proposed service in the Hendon Central Recreation Ground on Sunday, the 13th May, at which the colours of the Hendon Branch of the Old Contemptibles' Association will be presented to the Mayor for safe custody by the Town Council, an application has been received from the Branch for permission to take a collection in the park on behalf of the Branch Funds.

Byelaw No. 32 with respect to Pleasure Grounds provides:—

"A person shall not solicit or collect money . . . . in the pleasure ground in connection with any meeting, performance, exhibition, representation or demonstration or otherwise howsoever . . . ."

RESOLVED TO RECOMMEND—**That the Branch be informed that the Council regret they are unable to accede to their request.**
