The Friary Estate (Mr. Simmons Offer).

The Chairman having read the following correspondence, viz.:

Okehampton, Friern Park, North Finchley,
August 28th, 1909.

Dear Mr. Barfield,—About a month ago I was reading an article in a London paper regarding London parks and open spaces, and of the beauties of London, and it was said that a Cabinet Minister held London to be one of the most beautiful cities of the world. I do not think he could have seen all the cities in the world, but in one thing I agree with him, which is that London has beautiful parks and open spaces, and I am willing to accept his statement that such parks and open spaces number 300.

Now, Sir, with your permission, I should like to assist in starting the fourth century, and to do so in your and my parish, and I beg, therefore, to make the following offer through you, as representing the parish of Friern Barnet.

An exceptional opportunity now offers for the acquisition of a very pretty and suitable property, The Friary, the estate of the late Mr. Richardson, and I am prepared to provide the purchase money, under certain conditions, and to dedicate it to the inhabitants of Friern Barnet as a public park for all time.

It was my privilege some two years ago to be instrumental in the provision of a public park for my native town in Devon, and it has given so much pleasure to its recipients and to myself that I think I cannot do better than to give the same assistance to the place which has now been my home for so many years.

I am writing this before leaving home for a holiday on the Continent.

I am, dear Sir, yours faithfully,

SYDNEY SIMMONS.

Thatcham, Whetstone,
10th September, 1909.

THE FRIARY.

Dear Mr. Simmons,—I am obliged by your very kind letter, which I received on my return to Town, and I will take an early opportunity of informing the District Council of your generous offer.

In your letter you mention that you propose to make the gift subject "to certain conditions." I think I know what these are, but when you next write me I should like you to state them exactly, in case I have not gathered them quite correctly.

£	s.	d.	Debit Folio Ledger.	MINUTES.	Credit Folio Ledger.	£	s.	d.

The purchase has now been completed, and the total sum the Council have paid for purchase, fixtures, insurance, and legal expenses is £7,796 5s. 7d. Towards this sum the Middlesex County Council has made a grant of £1,875.

I do not quite know how you would propose to deal with this latter sum. Of course a very considerable amount would have to be expended in forming the estate into a public park, and if you feel so disposed, the County Council contribution would be devoted to that purpose.

Perhaps you will kindly let me know your views.

With kind regards, I am, yours faithfully,

J. C. F. Barfield.

14th September, 1909.

Re The Friary.

Dear Mr. Barfield,—In answer to yours of the 10th inst., received this morning, respecting my offer, I now enclose the following conditions :—

(1) I propose to give the cost of the Friary estate to be used as a public park for all time, with nothing to do with any legal expenses—£7,500.

(2) The amount received from the Middlesex County Council, £1,875, to be used for the laying out of the park.

(3) The park to be for ever maintained by and at the expense of the District Council.

(4) No houses to be built on the ground except such lodge or lodges for the use of those employed in the park.

(5) No allotments of any kind.

(6) No large trees to be cut down.

(7) One part of land to be laid out and used for pleasure and recreation of the general public.

(8) One part for cricket especially for young people under the age of 17.

(9) Any special cricket matches to be arranged for a certain number of days only each year by a committee,

(10) Tennis Courts and gymnasium.

(11) The present building on the estate to be used for refreshments and a lounge or shelter, and caretakers. To be altered to suit requirements.

I hope to return home by the 25th.

Yours truly,

Sydney Simmons.

Dist. Cls. A. Shaw & Sons, Fetter Lane, E.C. L° (S4083—03).

The Council hereby accepts such offer, and agrees to the conditions stated in Mr. Simmons' letter of the 14th September, 1909, and directs a copy of this Resolution, sealed with the Seal of the Council, to be forwarded to him.
