LONDON BOROUGH COUNCIL

CIVIC NEWS

The real message of Christmas

CHRISTMAS is a time for merrymaking and mirth. A time for eating and drinking. There's fancy ties and granny's pies, and folks stealing a kiss or two.

It is also a period of upheaval, especially for mum. And even more, it is full of commercialism. Vast sums of money are spent in a festival which theoretically should last one day only.

Yet in between all the fun, let Christmas be a time for remembering the people who are not with us to enjoy it. And let us remember too the people for whom Christmas is just another working day. In particular the doctors, nurses, midwives, ambulancemen, firemen the police and all other people who play a major part in helping US to enjoy ourselves.

And in the background, church bells throughout the London Borough of Barnet, as indeed in all the world, will once more ring out a message.

While we are in the middle of eating and drinking let more people pause for a moment and consider what that message is all about.

For, despite the hurly-burly of life today as we approach the '70s, the message of the bells never changes. The bells remind us all of peace and goodwill to all men.

May your Christmas then, be full of fun and safety in the home and on the roads. And may you not forget not only the true meaning of it all but think in particular of those who cannot share it.

From all of us—the Mayor, Alderman, Councillors Officers and Staff—to all of you, a happy and joyous Yule-tide and a successful New Year.

DETAILS ANNOUNCED FOR REFUSE OVER CHRISTMAS

BARNET London Borough Council's Engineer and Surveyor, Mr. G. A. Pentecost is hoping that townspeople will co-operate with the council in the special arrangements he has made for refuse collection over the Christmas period.

The arrangements are, as usual, subject to weather conditions and incidence of sickness.

Householders are requested to keep their bins available for collection over the Christmas holidays in case of unforeseen difficulties which may result in the day of collection being altered.

In effect, the plans mean that refuse will be collected one day earlier before Christmas, and one day later after.

Mr. George Purbrick sweeps up his last mountain of leaves.

Retires after 38 years

THE MOUNTAIN of leaves are being moved by Mr. George Purbrick of 23 Wilberforce Road, N.W.9, who retires on his 65th birthday—December, 3 1969, after 38 years service with the Council.

Mr. Purbrick, one of ten children, came to Hendon with his family before the First World War and married his wife, Alice, who has also just retired as a Supervisor of office cleaning.

Joining the old Hendon Urban District Council on July 22, 1931 he worked on road repairing until, while on duty, was seriously injured in a road accident sixteen years ago, and from then on has been a Road Sweeper.

His brother, Leslie, also worked for the Council as an electrician and now is employed by the Greater London Council.

In retirement, Mr. Purbrick intends to cultivate his hobby, gardening and take trips with his wife throughout the surrounding countryside, as both he and his wife have a great love of the country.

Collection days are as follows:

Introducing more council members

Alderman A. D. Cohen, M.A., J.P.

Plenty of moral support

IT IS often said that wives can be of great encouragement to their husbands, especially when their husbands are engaged in public life.

This is certainly so in the case of Alderman A. D. Cohen's wife. While he is speaking in the Council Chamber playing his part in the running of the town's affairs, Mrs. Cohen often sits in the Public Gallery giving Alderman Cohen moral support.

Alderman Cohen was elected as a Councillor to the former Finchley Borough Council as a Liberal member in May 1957, serving the Bishop Ward. He was for two years Chairman of its Finance Committee and Leader of the Council for the last two years of its existence as a local authority, and was subsequently elected as a Councillor for the Finchley East Ward of the Barnet London Borough Council in 1964. He became an Alderman in 1965. Of the Committees on which he serves, his main interests are in the fields of Finance, Planning and Children.

Alderman Cohen, who is 39, has lived in the Borough all his life, has been a Justice of the Peace since 1966 and serves on the bench at Highgate Court, and was recently appointed to the City of London.

He was an Exhibitioner of Trinity Hall, Cambridge, and went on to take an honours degree there. He is in the veneer and plastic manufacturing trade and frequently travels abroad on export missions. He is the former Chairman of the Association of British Veneer Manufacturers and Vice-President of the European Association of Veneer and Plywood Manufacturers.

Alderman Cohen finds that his main form of exercise today is squash, although other interests include skiing and tennis. He represented the Signals Corps in the latter sport while serving the Army. Shortly after the war he was commissioned in the Army.

Alderman Arthur Paul, O.B.E., J.P.

A man who knows the borough well

ALDERMAN PAUL has lived in the Borough for more than 34 years. Representing the Burnt Oak Ward, he was elected a Councillor of the Borough of Hendon in May 1949. He was appointed an Alderman in 1958 and became Mayor of Hendon in the same year. In 1959/60, Alderman Paul was chosen to be Deputy Mayor.

While a member of the Council of the Borough of Hendon, he served on all committees of that Council and was a member of the five authorities set up to form the new London Borough of Barnet.

In May 1964, Alderman Paul was elected a Councillor of the London Borough of Barnet, again representing the Burnt Oak Ward. In July 1966 he was appointed an Alderman. He serves on the Education, Libraries and Arts, Children's and Appeals Committees.

He is a Governor of Cophall Girl's School, Woodcroft Secondary Modern and Woodcroft Junior and Infants' Schools, Barnfield Junior and Infants' Schools, Goldbeaters Junior and Infants' School, St. James' R.C. and Annunciation R. C. Schools.

Alderman Paul was appointed a Justice of the Peace for the Gore Division of Middlesex in 1952. He has also been a member of the King's Cross and District Local Appeals Tribunal of the Ministry of Pensions and National Insurance (now Ministry of Social Security) since 1948, and serves too on the Hendon and Harrow Local Employment Committee.

A member of the Labour Party for 48 years and a Trade Unionist for 50 years, Alderman Paul is Vice-Chairman of the Burnt Oak Ward and a member of the General Management Committee of the Hendon North Constituency Party. He is President of the Watling Community Association.

Alderman Cedric Reynolds, J.P.

Seven short of his '50'

ALDERMAN Cedric Reynolds is only seven short of his "50" with the Labour Party at Divisional and Local Levels.

Alderman Reynolds has served with the London Borough since its formation in 1964. He is a former member of the Barnet Urban District Council, where he represented the East Arkley Ward for 13 years. He was for nine years the Chairman of the Highways and Town Planning Committee and was Chairman of the Council for the Municipal Year 1959/60.

A married man with two sons and two daughters, Alderman Reynolds has lived within the Borough all his life. He was educated at Merchant Taylor's School. For the past 38 years he has been a resident of Totteridge where he is President of the Totteridge Sports Club. His interests include drama, chess, reading biography, watching rugby football (he is Vice-President of Barnet Rugby Football Club) and tennis.

Alderman Reynolds has pursued his interests in Highways and Town Planning during his term of office with the London Borough. He is a member of the following committees. Buildings and Town Planning and its Northern Planning Sub-Committee, Education and its Works and General Purposes Sub-Committee and also the Joint Consultative Sub-Committee, Establishment and its Whitley Joint Sub-Committee, and the Northern Area Road Safety Committee.

Apart from his work for the London Borough Council, Alderman Reynolds, who has been a Magistrate since 1950, is Chairman of the Barnet and South Mimms Bench. He also is a Member of the Domestic Court and of the Juvenile Court Panel and a Licensing Justice.

Until its dissolution he was for ten years Chairman of the Local Advisory Committee.

Books for your Christmas reading

LIBRARIES throughout the London Borough of Barnet are well stocked with books for Christmas this year.

Here is a selection of ideas:

BUDAY, George
The History of the Christmas card 1964

An authoritative study of the Victorian and Edwardian Christmas card, illustrated from many public and private collections, including that of Queen Mary.

COLLINS, Philip Editor
English Christmas: an anthology 1956

A selection of seasonal prose and poetry written by English authors between the 14th and 20th centuries. Includes both popular and less well known extracts.

FIELD, Xenia Editor
Carving meat and poultry 1966
A clearly illustrated, practical guide. For use all the year round—not just at Christmas.

GODDARD, Helen Snow Wilson
The gardener's Christmas book 1967
Written by an American lecturer on flower arrangement for the American market, nevertheless contains some

useful ideas for Christmas decorations using evergreens and garden materials. Instructions are clear, photographs helpful and American spelling interesting.

GOOD HOUSEKEEPING
Easy stages cook book 1968
A large and varied collection of recipes arranged in order of difficulty of execution. Well presented instructions complemented by good photographs.

HOLE, Christina
Christmas and its customs 1957
A brief, readable study of the season.

JACQUES, Reginald & WILLOCKS, David
Carols for Christmas: fifty Christmas carols 1961
Chosen and arranged for carol services and concerts, this collection includes many traditional carols, most of which are arranged for mixed voices. (An appendix contains the text of the Nine Lessons).

LISTAITE, M. Gratia
A new look at Christmas decorations 1957
Based on a series of exhibitions called "Christmas around the world" at the Museum of Science and Industry in

Chicago, this book includes descriptions of national traditions and customs as well as instructions for making decorations.

The OXFORD book of carols 1964
Probably the best known and most widely used collection of carols.

PERRY, Margaret
Christmas magic: the art of making decorations and ornaments 1965
Another American book, which does however include an appendix giving sources of materials in the United Kingdom. A variety of ideas including mobiles and some traditional Scandinavian decorations.

POSTGATE, Raymond
The plain man's guide to wine 1965
Exactly what Mr. Postgate says it is "... a plain guide for the would-be wine drinker who comes fresh to the subject, not a reference work for the subject..." Includes a useful chapter on spirits.

REEVES, James
The Christmas book 1968
A beautifully produced anthology of stories, carols and poems carefully selected to include something for all members of the family.

ROBERTS, Charles
Card games up-to-date
Clear instructions for almost fifty well-known card games.

SANSOM, William
Christmas 1968
A beautifully printed and well illustrated book about Christmas—its

customs, traditions, literature, dishes and entertainment. A feast of a book.
SMITH, Verena
Tinfoil decorations for Christmas 1967

A useful booklet (one of a series) containing several ideas for decorations. Both diagrams and photographs are very clear. Instructions must be read carefully.

WOMAN'S OWN
Book of cake decorating and cake making 1966
A well illustrated and comprehensive guide to the subject for both the beginner and accomplished cook. Contains basic cake recipes and clear instructions for decoration and piping techniques.

WOOD, Margaret
Plays for Christmas and Easter 1966
Contains three Christmas plays for mixed casts of 10, 14 and 23 characters. Written for reading or performance by secondary school pupils.

WYKES, Alan
Party games 1963
Approximately 200 games (for various age groups) are clearly described and explanatory diagrams included where necessary.

WYON, Olive
The world's Christmas 1964
Seventeen stories from different parts of the world, some suitable for reading to children, others for the adult reader. Includes a brief introduction to the origins and traditions of the festival.

DECIMAL CURRENCY CHANGE-OVER

CAR MECHANICS

ARE YOU worried about the change-over to Decimal Currency? Are you concerned about breaking down on the M.1 in your car without having a clue as to what the mechanical trouble is? Or are you currently nestling into that fireside chair and thinking of holidays abroad next year?

Whatever the problem, the Barnet Education Committee can help. Already, plans are well under way to organise a wider-than-ever range of part-time and short full-time courses, many of which begin in the spring and summer terms of 1970.

So if you are looking for the opportunity of spending your leisure time in a new or existing field of study, the following list of some of the courses for which enrolment is soon due to take place will be of interest to you.

200,000 BULBS PLANTED READY FOR THE SPRING

TWO HUNDRED thousand bulbs and plants have already been planted for spring throughout the borough.

The bulk planting for spring display is carried out in the latter end of September and early October so that the plants are established before the onset of winter.

Spring bedding is always planned starting from the previous season and the schemes are worked out by early May of any given year.

As much interest as possible is put into each scheme to show the public the newer types and varieties of flowers and plants that are available. In the main, two varieties of tulip are used per bed, each being at a different height so as to give a greater area of display.

Recently the introduction of lily-flower tulips to beds has been carried out as these are more graceful than the ones previously used.

In certain areas experimental bedding is carried out and one scheme which will be introduced this spring includes the use in one bed of white double arabis, together with blue pansies and these are under-planted with the early red tulip and the blue grape hyacinth.

The following varieties have already been planted out in beds throughout Barnet ready for spring:—83,000 wall-flower plants; 8,000 daisy plants; 20,000 polyanthus; 16,000 pansies; 2,000 myosotis; 1,650 forget-me-nots; 21,000 bellis; 45,000 tulips in 16 varieties and 23,000 daffodils in eight varieties.

GRAHAME PARK— £10m tender is accepted

BARNET London Borough Council, at their meeting on November 25 accepted one of two alternative tenders submitted to them by Wates Construction Limited amounting to £10,818,496. The tender accepted is the higher of the two, and does not allow for any delay on the execution of the contract in so far as inclement weather is concerned.

This decision is subject to the concurrence of the Greater London Council with whom Barnet Council are partners in the development of Grahame Park. The contract is for four and half years and is for municipal buildings and shops as well as Council housing.

NON LOCAL AUTHORITY HOUSING

Selected Housing Associations are to be consulted with a view to them producing sketch designs and layouts for the development of the central sector of approximately 2.5 acres. The respective Chief Officers are to report further to the Grahame Park and Burnt Oak Developments

Committee regarding land representing the southern sector of ten acres for non-local authority housing for sale and the northern sector of approximately the same area for Housing Society development.

FURTHER ACTION

The Borough Estates Officer is making formal application for outline planning application regarding the Petrol Filling Station on Grahame Park and following this the Town Clerk will advertise for tenders for a building lease for the site selected. If planning permission is granted the site will be available for the construction of a petrol filling and service station, car showrooms and accommodation for a resident employee of the Company who will run the premises. The Town Clerk is also to invite offers by public advertisement for a lease of premises for use as a public house.

ALL EMBRACING

The Grahame Park development is all embracing including: Schools, Welfare and Health Centres, Library, Day Nursery, Community Centre, etc.

He handles Press & general inquiries

THERE are occasions when members of the public require information. These inquiries, together with Press inquiries, are handled by the council's new Press and Information Officer, Mr. T. E. Bevin, and his staff in the Information Section of the Town Clerk's department.

The section is housed at Ravensfield House, The Burroughs, Hendon, N.W.4, during normal office hours. In addition, an Emergency Telephone Operators service is provided each day from 5.30 p.m. to 9 a.m. next day.

Mr. Bevin, who is 33, took up his appointment with the borough on October 1. He is a West Midlander by birth and spent 17 years in journalism before joining Local Government early in 1968 as Public Relations Officer to Ebbw Vale U.D.C., Monmouthshire.

For six years he edited a weekly newspaper and on appointment, he was the youngest weekly newspaper editor in the country. He holds a N.A.L.G.O. award for public relations.

EDUCATION COMMITTEE MEETS IN FEBRUARY

YOU are invited to attend the meeting of the Education Committee to be held at the Town Hall, The Burroughs, Hendon, N.W.4, on Wednesday, February 4, 1970.

The chairman of this committee is Ald J. L. Freedman.

Alderman Arthur Paul, O.B.E., J.P.

ciation, and a Vice-President of the Borough of Barnet Overseas Student's Friendship Association.

Married with one son, Alderman Paul is a chorister and a member of the Parochial Church Council of St. Giles, Cripplegate. During the War he served with the R.A.F.

In the New Year Honours this year Alderman Paul was awarded the O.B.E. for Public Services.

Alderman Cedric Reynolds, J.P.

of the Ministry of Social Security, of which Committee he was a member since 1950. He is a member of the North West Metropolitan Regional Hospital Board, and for 12 years was

a member of the Barnet Group Hospital Management Committee and Chairman of each of its Hospital Committees in turn. He is at Present Chairman of the Hendon Group Hospital Management Committee.

Alderman Reynolds is Governor of the following schools: East Barnet Grammar School and John Hampden Secondary Modern School, Hendon College of Technology and the New College of Speech and Drama. He is Manager of St. Andrew's School, Totteridge.

For 43 years he has actively served his party and despite being a senior partner in a firm of London solicitors, as well as being a director of a number of companies, he still manages to devote a great deal of time to public life. He is President of the Monkrith Boys Club, East Barnet.

YOU COULD SAVE LIVES

HOW many times do we hear of people having blood transfusions, or see our friends and relatives in hospital having to take blood?

Yes, blood saves lives, and **you** in fact could save the life of your mother, father, or any relative, friend, or even a person whom you will probably never see.

Blood donors are urgently needed at all times. Sessions are held at the Regional Transfusion Centre, Deansbrook Road, Edgware, telephone number 01-952 5511, or at any other centre in the area.

Alternatively, an enrolment form may be obtained from any Post Office.

Remember — **BLOOD DONORS SAVED LIVES.**

Chance to see East Finchley ideas

MEMBERS of the public will have the opportunity of "seeing for themselves" new proposals affecting the East Finchley Shopping Centre.

A display of maps and illustrations is to be staged in the Lecture Room of East Finchley Library from December 8 to December 31 inclusive, during the hours of 9 a.m. to 7 p.m. Monday to Friday and 9 a.m. to 6 p.m. on Saturdays.

Written representations containing views and comments are invited and should be sent to the Town Clerk, The Burroughs, Hendon, N.W.4, by February 28, 1970.

COUNCIL MEETINGS

You are invited to attend a meeting of the Council of the London Borough of Barnet held at the Town Hall, Hendon, N.W.4, at 7.00 p.m. on Tuesday, December 16th, 1969 and February 3rd, 1970.

Copies of Committee Reports are available in all public libraries before the Council Meeting takes place, and for members of the public, attending the meetings of the Council.

READY FOR ACTION!

IF NORTH-west London is to be faced with a shivering ice and snow winter this year—and we have already had a sample—the London Borough of Barnet is ready for action.

Three thousand two hundred tons of salt have already been stock-piled by the Borough Engineer and Surveyor, Mr. G. A. Pentecost, in readiness for snow and ice.

Dealing with snow clearance is a mammoth task and twenty-four Atkinson Gritters stand ready should the Borough Engineer and Surveyor re-

ceive a warning from the London Weather Centre of the Meteorological Office.

There are nearly 400 miles of roads in the Borough and priority is given to trunk roads (including the M.1 Motorway) and major roads to ensure a flow of traffic and the minimum of delays.

Whilst private householders are not individually supplied with salt, attention is given to all roads in the London Borough as soon as main roads are cleared. With heavy falls, or continuous showers, action must be repeated on major roads to ensure they are kept clear.

In addition, sixty-five salt bins are placed in strategic positions on the public highways.

Even before snow is forecast, if it is imminent, drivers and vehicles stand by ready to move off at a moment's notice to keep highways in Barnet clear.

JAB CENTRES— WHERE TO TAKE CERTIFICATES

ENQUIRIES are regularly made at the Town Hall, The Burroughs, Hendon, London, N.W.4, as to where vaccination certificates should be taken for authentication.

Vaccination certificates can be authenticated, provided they are signed by a doctor practising in the London Borough area, at one of the three following centres of the Health and Welfare Department of the Council:—

Gateway House, 322 Regent's Park Road, Finchley, N.3.
Telephone—01-349 9121.
Church Farm, Church Hill Road, East Barnet, Herts.
Telephone—01-368 1116/7.
Green Shield House, Station Road, Edgware, Middx.
Telephone—01-952 7722.

The Child Artists

AN exhibition of children's paintings opened at East Finchley Library, High Road, N.2, on Saturday, December 6.

The paintings are the result of a competition organised by the Barnet Association for the Advancement of State Education. This competition was held at the Finchley Carnival this year, and was entered by a number of local schoolchildren. They painted their entries at the Carnival, painting quickly and directly, without drawing outlines first. They worked on trestle tables, closely packed together, and with a limited range of colours.

The results are inventive, colourful and delightful and will be on show at East Finchley Library until Saturday, December 27. The exhibition will be open from 9 a.m.-7 p.m. on Mondays-Fridays, and 9 a.m.-6 p.m. on Saturdays.
