# BARNET CIVIC NEWS

*The Worshipful the Mayor of the London Borough of Barnet, Alderman K. G. Pamplin, J.P.*

The opportunity has been afforded to me by the first edition of the "Barnet Civic News" to send to all the citizens of the London Borough of Barnet my good wishes.

The London Borough of Barnet has exercised the present form of control for some six months, and during that time a vast amount of work and energy has been put in by the elected representatives and officers of the new Borough to make it an efficient unit of local government. Nowadays local government is big business and Barnet, with an area of 34 square miles and a population of 318,000, ranks as the tenth largest Borough in the whole of the United Kingdom.

The object of this publication is to bring to the notice of all the residents of this Borough the facilities which are available throughout the Borough and to give information concerning the Council.

I wish the "Barnet Civic News" all success for the future.

K. G. PAMPLIN, Mayor.

## COUNCIL MEETINGS

Meetings of the Council of the London Borough of Barnet will be held at the Town Hall, Hendon, N.W.4, at 7 p.m. on MONDAYS as shown below:—

25th October, 1965  
13th December, 1965  
7th February, 1966  
28th March, 1966  
16th May, 1966  
23rd May, 1966  
(Annual Meeting)  
18th July, 1966

Copies of Council Minutes are available in all public libraries before the Council Meetings take place, and for members of the public attending meetings of the Council.

## MAKE SURE OF YOUR VOTE

Now is the time for you to ensure that your name appears in the next Register of Electors to be published on 15th February, 1966, and to check this when the Registers are on deposit during the period 28th November to 16th December, 1965, at the Council Offices, principal post offices and libraries.

All householders in the London Borough of Barnet should have received, during a three week period commencing 10th September, 1965, a buff-coloured "Form A" which should be completed as soon as possible, in any event on or before 10th October, 1965, and returned to the Town Clerk, as Electoral Registration Officer, at the Town Hall, Hendon, London, N.W.4. This is an annual procedure, because the Register of Electors is revised once every year.

When completing this form, the notes printed on the right-hand side for guidance should be carefully studied.

Each year when the Forms "A" are sent, you must be sure to see that your name is included, or you may not be registered in the new list, and then will not be able to vote.
