Hadley Dec" the 10. 1780, ala Monthly Vestry held in the Church, Inevent the following Gentlement The Rev. M. Colleell. Minister Andrew Hopegood Esq." M. John Engenton. M. Ilaggan Churchwarden Culling Smith Log". M."M." Element Overseers of " Poor. M. Robert Bishop M. Castey. The following Revolves were agreed on -Resolved That the present State of the Poor in the Hork-house of this Parish, as appeared on inspection of them Yesterday by the Majority of the Gentlemen now Present, is highy disgraceful to the Parish .-Presolved, That it appears to this Vestry that the present thate of Profligacy and Idleness which reigns in the House, is owing To the insufficiency of the Person employ'das Mistrefs, herself a Sauper of the Parish, to afsist the present acting Overseen William Element, who from his Avocations in Life, is prevented from visiting the House so frequently, as under such bineumstances it ought to be visited.

I Resolved That to the want of a proper Person to afsiol the wick and weak in the House, the loss of one Child lately, is in a great mea I sure to be allowbuled, and that the Life of another is at this moment at stake .-Resolved That the Profils anising from the Employment of the Toor in the House, considering their respective Ages, might berend erd much greater if a Person well qualify'd and properly excite by a decent Salary to do the Duties of Mistrefs of the House was hired for that Purpose. Resolved Therefore that Culling Smith the Overver of The present year first named in the Marrant from the Justices, But who has hither to been prevented from acting, be requested immediately to a forme the Power he has from such Nomination

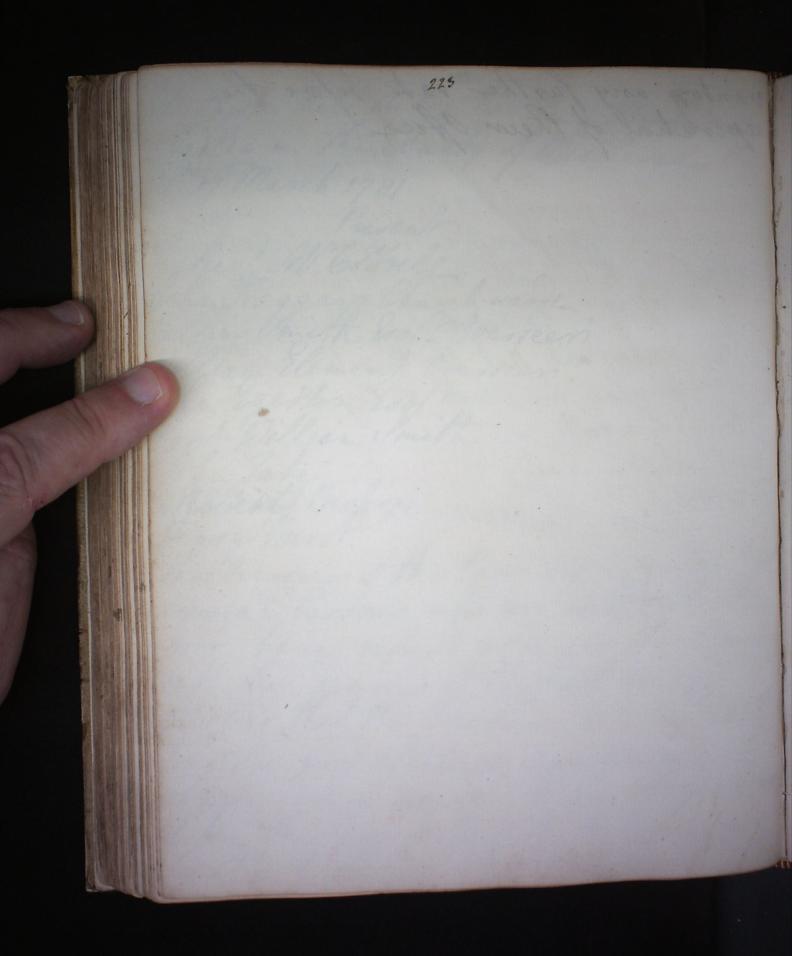

and to conduct the future management of them, which cannot fail to tend to the Gredit of the Parish, and the well doing of the rising Generation of the loor. Revolved and Order'd That the Overseers do employ a proper Person as Master or Mishef of the Mork-house at a Salary not exceeding twelve Guineas of "Annum; and that if such a Personis not immediately to be found by other means, that he Advertise . 2 for one in some of the Public Sapers, afoid the vick esolved and Order'd, That in all Contracto for supplying the Poor with Provision or other Necessanies, that no advantage be given na great mea R this moment to any Parishionen, but that the respective Anticles be bought at the lowest rices they can be procured for of equal Goodness, it loyment of the appearing to this Testry that the Price given for Meat for theleve , might be rend of the flouse, is much greater than it ought to be, \_ no perty exciti Resolved and Order'd, That the Cow house belonging to the House was the Mork-house, which has been in a great measure destroy'd by the Poupers for the sake of the Fuel it furnished, be immee Overvur of dialely Repaired in a proper Manner, but at the least the Justices, expence that may her ---requested Nomenation
