District Committees.

Councillor Stutters had given notice of his intention to move the following resolution —

That the Council strongly protest against the suggestion made at the last meeting of the County Insurance Committee that the

£	s.	d.	Debit Folio Ledger.	MINUTES.	Credit Folio Ledger.	£	s.	d.

District Committees should be abolished, and that their work should be handed over to the County Committee, on the grounds:- (a) That the Act promises local control to a substantial extent; (b) That the County Committee have held back from the District Committees the principal work they were created to perform; and (c) That, so far as the Barnet District Committee is concerned with an area of 30,000 inhabitants, they are prepared to undertake any duties which the Act or scheme can legally delegate to them; and that copies of this resolution be sent to the Clerk of the Herts County Council, the Secretary to the Insurance Commissioners and to the Chancellor of the Exchequer.

The Clerk reported that, at a recent meeting of the County Insurance Committee, it had been decided not to discontinue the District Committees.

Councillor Stutters being absent, and the motion not being moved by any other member in his stead,

it was, in pursuance of Standing Order 24, considered as dropped.

Housing of the Working Classes.

In accordance with notice duly given,

Councillor Humphreys moved, and Councillor Stephens seconded,

That the Clerk be directed to inform the Local Government Board, in reply to their several communications upon the question of the provision by the Council of working class dwellings in this district, that the majority of the members of the Council have no intention of taking advantage of any opportunity offered to them to build houses for the working classes.

Councillor Ford moved, and Councillor Debenpo seconded, an amendment—

That the Clerk be directed to inform the Local Government Board; in reply to their several communications upon the question of the provision by the Council of working class dwellings in this district, that the Council will be willing to consider the advisability of erecting houses for the working

classes when a reasonable number of the latter, residing in the district, apply for the same, providing that suitable houses can be built and let at such rents as will ensure them not being a charge upon the rates.

There voted for the amendment 5 against it 2. On being put as the substantive motion Councillor Passingham moved an amendment

That the Clerk be directed to inform the Local Government Board, in reply to their several communications upon the question of the provision by the Council of working class dwellings in this district, that the Council do not desire to build houses for the working classes without first satisfying themselves that there is a need for such houses which is not met by private enterprise.

The amendment was not seconded.

The substantive motion was then put and there voted for it 5, against it 2, and it was declared carried.

resolution in favour of this Bill
Councillor Passingham moved,
Councillor Brown seconded and
it was

Resolved unanimously That
in the opinion of this Council it
is imperatively necessary that the
law in regard to the proof of Public
Rights of Way should be simplified,
and the expence of litigation reduced
in view of the frequency with
which disputes arise in regard
to such ways, and, in order
that this may be brought about,
the Council urges upon His Majesty's
Government the importance of
providing facilities for the passage
of the Public Rights of Way Bill,
which the Council regrets has
not yet been placed upon the
Statute Book, and that copies of
this Resolution be forwarded to

in respect thereof, and that it would therefore be convenient if the proposals of the Council were first discussed with the representatives of the County Council so that the claims of this improvement to be included in any scheme submitted to the Board might be considered by the County Council but adding that, if a large proportion of the estimated cost of the suggested improvement was attributable to the erection of the proposed new bridge to carry the Great Northern Railway over the road, the Board could not at the present time encourage an application for assistance towards works of that character.

The letter was referred to the General Purposes Committee for consideration.

North Metropolitan Electric Power Supply Bill.

A letter, dated the 9th instant, from the Clerk of the County Council, was read, enquiring whether the Council would like to seal the Petition of the County Council against this Bill, and, if so, asking to be informed in

£	s.	d.	Debit Folio Ledger.	MINUTES.	Credit Folio Ledger.	£	s.	d.

what manner the Bill would injuriously affect the Council.

Councillor Passingham moved Councillor Porter seconded and it was

Resolved unanimously That the Clerk ask the Clerk of the County Council for a copy of the Petition and that he be directed to interview the County Council's Parliamentary Agents with a view of obtaining further information on the matter.

Sewage Disposal Works.

A letter, dated the 10th instant, from the County Council, was read, forwarding a copy of the County Surveyor's Report as to the necessity of two additional filters being provided at the Works.

The letter was referred to the Farm Committee for consideration.

Slaughterhouse Licence.

A letter, dated the 14th instant from Mr. J. H. Stuart, was read, making application for a renewal of his slaughterhouse licence.

Resolved That a licence be granted for the period ending 31st December

next, and that the seal of the Council be affixed thereto.

Hadley Common Rights

A letter, dated the 14th instant, from Mr. G. D. Byfield, was read, stating that, in connection with property belonging to him, there were three freehold rights in respect of Hadley Common, which he thought it probable the Council would like to acquire so as to increase their interest in the Common to strengthen their position in dealing with any matter that might arise in connection with the Common, and that he would feel disposed to accept a nominal sum of £50 for the same.

The letter was referred to the General Purposes Committee for consideration.

Recreation Ground

A letter, dated the 14th instant, from the New Barnet and District Tradesmen's Association, was read, asking the Council to proceed with the proposal to provide a Recreation Ground as they believed the same would be an asset to the District.

Use of Council Chamber.

A letter, dated the 15th instant, from Mr J. H. A. Marchand J.P., C.C., was read, applying for the use of the Council Chamber on some Wednesday in February or March, for the purpose of holding a private meeting in the nature of a Masonic Lecture, and stating that he would be prepared to pay a reasonable rental, say 10/6, for the use of the room.

Councillor Humphreys moved, and Councillor Ford seconded,

That the application be not acceded to.

Councillor Smith moved and Councillor Stephens seconded, an amendment –

That the application be granted subject to the payment of £1.1.0.

There voted for the amendment 6 against it 3.

On being put as the substantive motion, Councillor Frusher, moved an amendment-

That the amount of the payment be 15/- instead of £1.1.0.

The amendment was not seconded.

Electric Lighting.

Letters, dated the 15th and 17th instant, from the North Metropolitan Electric Power Supply Company, were read, enclosing plans for the erection of a transformer kiosk in Station Road.

Resolved unanimously That the plans be approved.

Workmen's Wages.

A letter, signed by 22 of the Council's workmen, was read, applying for an increase of wages on the ground of the increased cost of living.

The letter was referred to the General Purposes Committee.

"The Grange," East Barnet.

In accordance with notice duly given,

Councillor Stephens moved, and Councillor Humphreys seconded,

That an offer of £1,500 be made

Workmen's Wages.

The Sub-Committee appointed to consider the application of the workmen for an increase of wages reported that they had carefully considered the matter, and, in order to obtain a closer knowledge thereof and of the reasons for the application, they had interviewed nearly the whole of the workmen, who stated that the application was made solely on the ground of the increased cost of living.

The Sub-Committee recommended:-

(a) That the wages of the following

Supply of Electricity in Greater London.

A letter, dated the 8th instant, from the London County Council was read, stating that a special committee ~~meeting~~ of that Council had had under consideration for some time the subject of the supply of electricity in Greater London, which committee had submitted a preliminary report, a copy of which accompanied the letter, which indicated the general outlines of a scheme which they thought should be adopted in

regard to London and certain adjacent districts, and they proposed to submit to the County Council during the autumn their definite and detailed proposals with a view to application being made to Parliament in the session of 1915 for the requisite powers, and adding that in view of the fact that the scheme included the districts of a number of local authorities outside the County of London, the Committee would like to have the opportunity of conferring with representatives of such authorities before submitting their complete proposals to the County Council, and asking whether this Council would be prepared to appoint one or two representatives to attend a conference at the offices of the County Council with the Chairman and Vice-Chairman of the special Committee on Friday next, the 16th instant, at 11 o'clock a.m.

Councillor Brown moved, Councillor Debenham seconded, and it was

Resolved unanimously That the Chairman of the Council and the

to be worked to the best possible advantage, and (c) the Council to pay to them, before the summons was withdrawn, the costs incurred by the Board in connection with the summons, which amounted to £11.

Councillor Scales moved, and Councillor Passingham seconded

That the terms be accepted subject to the substitution of the word "reasonable" for the words "all possible" in (a) and to the costs being limited to £3-3-0, the costs of the adjournment.

Councillor Stephens moved, and Councillor Porter seconded, an amendment –

That the terms be accepted unconditionally.

There voted for the amendment 4 against it 4 and it was declared not carried.

On the motion being put there voted for it 5 against it 4 and it was declared carried.
