FORM OF REGISTER.

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt" of the Register (see first page), show the nature of the qualification of an elector as follows:—

For Men.	For Women.
R = Residence qualification.	Rw = Residence qualification.
B = Business premises qualification.	Bw = Business premises qualification.
O = Occupation qualification.	Ow = Occupation qualification.
D = Qualification through wife's occupation.	Dw = Qualification through husband's occupation.

NM = Naval or military voter.

The entry of the appropriate Index letter or letters against a name in the column 2 (*a*) headed "Parliamentary" indicates that the elector is a parliamentary elector, and the entry of the appropriate letter or letters against a name in the column 2 (*b*) headed "Local Govt." indicates that the elector is a local government elector (for headings, see first page of Register). Where no Index letter is entered in one or other of those columns against a name, the elector is not entitled to the franchise to which the column relates.

NOTE.—†Persons against whose names the mark † is placed are not entitled to vote in respect of that entry at elections of County Councillors.

§Persons against whose names the mark § is placed are not entitled to vote in respect of that entry, in the case of a Borough *or* Urban District, at elections for Borough *or* District Councillors as the case may be.

*Persons against whose names the mark * is placed will vote at another polling place at Parliamentary elections.

REGISTER OF ELECTORS, 1938.

(IN FORCE 15th OCTOBER, 1938, TO 14th OCTOBER, 1939.)

FINCHLEY

PARLIAMENTARY DIVISION OF MIDDLESEX.

FINCHLEY (NORTH—No. 2).

PARLIAMENTARY POLLING DISTRICT F.

POSTAL DISTRICTS: NORTH FINCHLEY, N. 12, and WHETSTONE, N.20.

FORM OF REGISTER.

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—

For Men.	For Women.
R = Residence qualification.	Rw = Residence qualification.
B = Business premises qualification.	Bw = Business premises qualification.
O = Occupation qualification.	Ow = Occupation qualification.
D = Qualification through wife's occupation.	Dw = Qualification through husband's occupation.

NM = Naval or military voter.

The entry of the appropriate Index letter or letters against a name in the column 2(*a*) headed "Parliamentary" indicates that the elector is a parliamentary elector, and the entry of the appropriate letter or letters against a name in the column 2 (*b*) headed "Local Govt." indicates that the elector is a local government elector (for headings, see first page of Register). Where no Index letter is entered in one or other of those columns against a name, the elector is not entitled to the franchise to which the column relates.

NOTE.—†Persons against whose names the mark † is placed are not entitled to vote in respect of that entry at elections of County Councillors.

§Persons against whose names the mark § is placed are not entitled to vote in respect of that entry, in the case of a Borough *or* Urban District, at elections for Borough *or* District Councillors as the case may be.

*Persons against whose names the mark * is placed will vote at another polling place at Parliamentary elections.

FORM OF REGISTER.

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—

REGISTER OF ELECTORS, 1938.

(IN FORCE 15th OCTOBER, 1938, TO 14th OCTOBER, 1939.)

FORM OF REGISTER.

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—

REGISTER OF ELECTORS, 1938.

(IN FORCE 15th OCTOBER, 1938, TO 14th OCTOBER, 1939.)

FINCHLEY

PARLIAMENTARY DIVISION OF MIDDLESEX.

FRIERN BARNET (CENTRAL)
PARLIAMENTARY POLLING DISTRICT N.

POLLING PLACE: AT OR NEAR THE LECTURE HALL, BELLEVUE ROAD, FRIERN BARNET.

PARISH OF FRIERN BARNET.
FRIERN BARNET ELECTORAL DIVISION
SOUTH WARD OF THE URBAN DISTRICT OF FRIERN BARNET.

POSTAL DISTRICT: NEW SOUTHGATE, N.11 AND NORTH FINCHLEY, N.12.

FORM OF REGISTER.

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—

For Men.	For Women.
R = Residence qualification.	Rw = Residence qualification.
B = Business premises qualification.	Bw = Business premises qualification.
O = Occupation qualification.	Ow = Occupation qualification.
D = Qualification through wife's occupation.	Dw = Qualification through husband's occupation.

NM = Naval or military voter.

The entry of the appropriate Index letter or letters against a name in the column 2 (*a*) headed "Parliamentary" indicates that the elector is a parliamentary elector, and the entry of the appropriate letter or letters against a name in the column 2 (*b*) headed "Local Govt." indicates that the elector is a local government elector (for headings, see first page of Register). Where no Index letter is entered in one or other of those columns against a name, the elector is not entitled to the franchise to which the column relates.

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—

The Register contains the names in Street order of all persons entitled to vote as parliamentary and as local government electors.

The Index letters in columns 2 (*a*) headed "Parliamentary," or 2 (*b*) headed "Local Govt." of the Register (see first page), show the nature of the qualification of an elector as follows:—
