Gentlemen,

I have the honour to report that I have concluded the Audit and examination of your accounts and those of your officers for the year ended at March 31st last. There were no especial matters in connection with the accounts to which it is necessary to make particular reference, & no occasion was found to make either disallowance or surcharge at the audit.

No ratepayer attended the audit for the purpose of objecting to any item of the accounts, but a letter was sent me by Mr. Albert P. Baggs, Hon: Secretary of the Friern Barnet Ratepayers Association, calling my attention to the agreement between yourselves and your Clerk and objecting to the terms of your Clerks ~~agreement~~ engagement. The agreement referred to was produced to me at the audit and it appeared to me that the terms of your clerks engagement were legal and reasonable.

I have the honour to be,
Gentlemen
Your obedient servant
(sd) Francis Gaskell
District Auditor
