**The Barnet (Charged-for Parking Places) (Amendment No.18) (Experimental)
Order 2016**

EXPLANATORY NOTE

(This Note is not part of the Order, but it is intended to indicate its general purport).

This Order makes changes to the Charged-for Order noted above, to introduce new new type of parking permit.

LONDON BOROUGH OF BARNET

The Barnet (Charged-for Parking Places) (Amendment No.18) (Experimental) Order 2016

STATEMENT OF REASONS

In order to provide improved parking opportunities to staff working at schools situated within Controlled Parking Zones (CPZs) in the borough, and to assist those schools in recruiting and retaining teaching staff, the general effect of the Order will be to, on an experimental basis for a period of up to 18 months, introduce a "schools' permit" which would entitle vehicles displaying the permit to be parked in selected on-street resident permit parking places during their operational periods.

The "schools' permit" will initially be introduced as a pilot and will be available to eligible schools meeting the agreed criteria in the NW2 and NW7 postcode areas only. The permits will cost £190 per annum, and the number of permits issued to a school will not exceed a number equal to 40% of the total number of staff employed on a full time basis.

LONDON BOROUGH OF BARNET

**The Barnet (Charged-for Parking Places) (Amendment No.18) (Experimental)
Order 2016**

**STATEMENT OF REASONS
FOR PROCEEDING BY WAY OF EXPERIMENT
AND OF INTENTION TO MAKE PERMANENT ORDER**

Due to the nature of the amendments and their purpose it is considered appropriate that these changes shall be introduced experimentally in order to monitor and review the impact of the measures on the local community.

If the experimental schemes prove to be a success the Council intends to promote a Traffic Order under Section 6 of the Road Traffic Regulation Act 1984 to make the scheme permanent
