## PART II - DESIGNATION OF PARKING PLACES

### Designation of parking places and parking areas

3. (1) Each area on a highway marked out and signed for the use therein of specified classes of vehicles following the conditions specified in this Order in relation to that parking place or parking area and identified as such by way of a map tile label and/or the map schedule legend in the map based schedule to this Order, is a designated parking place or parking area.
- (2) Unless otherwise so identified, a parking place or parking area shall be bounded on one side of its length by the edge of the carriageway and be an area marked out to a road marking and/or depicted by a regulatory sign, either in accordance with the Traffic Signs Regulations and General Directions 2002 or, if applicable, by virtue of any special authorisation given by the Secretary of State for Transport.

### Vehicles for which parking places and parking areas are designated

4. (1) Each parking place or parking area identified as such in the map tile relating to that parking place or parking area, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order may be used, subject to the provisions of this Order, for the leaving during the permitted hours of passenger vehicles, goods carrying vehicles the overall height of which does not exceed 2.30 metres, motor cycles or disabled persons vehicles.
- (2) Each parking place or parking area identified as a relevant parking place for valid permit holders in the map tile relating to that parking place or parking area, by reference to the map schedule legend and/or map tile label in the map based schedule to this Order may be used, subject to the provisions of this Order, for the leaving during the permitted hours of such vehicles as are described in Article 4(1) which display in the manner specified in Article 5 a valid permit issued in respect of that vehicle.
- (3) Each parking place identified as a payment parking place or a shared use parking place in which a parking payment applies in the map tile relating to that parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order may be used, subject to the provisions of this Order, for the leaving during the permitted hours of passenger vehicles and goods carrying vehicles which either:
  - a. display in the manner specified in Article 7(c) a valid ticket parking meter ticket or debit/credit card parking meter ticket;
  - b. indicate on a hand held device a payment having been made, using either the telephone payment parking system or through an authorised agent; or
  - c. display in the manner specified in Article 64(7) a valid parking voucher, or parking vouchers.

### Permits to be displayed on vehicles left in parking places or parking areas

(Registration and Licensing) Regulations 1971<sup>(a)</sup>;

“valid permit” shall mean any permit or voucher issued under the provisions of this Order and identified as such under column 2 of Schedule 6 to this Order that is required to be displayed in a vehicle left in any parking place or parking area identified under column 1 of that Schedule where that permit complies with the provisions of this Order and the conditions stated in column 3 of that Schedule;

“valid permit holder” means a person to whom a valid permit has been issued under the provisions of this Order;

“valid voucher holder” means any residents permit holder who is also a visitor voucher holder;

"visitor voucher" means a voucher granted to a resident in accordance with Article 61(4) authorising parking subject to the provisions of this Order;

"visitor voucher holder" means a person to whom a visitor voucher has been issued under the provisions of Article 61(4);

- (2) Any reference in this Order to a numbered Article or Schedule shall, unless the context otherwise requires, be construed as a reference to the Article or Schedule bearing that number in this Order.
- (3) Any reference in this Order to any enactment shall be construed as a reference to that enactment as amended, applied, consolidated, re-enacted by or as having effect by virtue of any subsequent enactment.
- (4) The restrictions, prohibitions and requirements imposed by this Order are in addition to and not in derogation of any restriction, prohibition or requirement imposed by any other enactment and any exception or exemption from the provisions of this Order is without prejudice to the provisions of any other enactment.
- (5) The designations and provisions imposed by this Order do not apply to any street or length of any street which is part of the Transport for London Road Network.
- (6) Any restrictions, prohibitions or requirements imposed by any traffic order made under section 9, 14, 16A or 32 and 35 of the Act of 1984 are not included in the map based schedule to this Order.

---

a SI 1971/450 as amended

5. Subject to the provisions of Article 7:

- (1) At all times during which a vehicle is left in a relevant parking place identified as such in the map tile relating to that relevant parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order, during the permitted hours the driver thereof shall cause to be displayed on the front windscreen of the vehicle a valid permit issued in respect of that vehicle, so that all the particulars referred to in:
- a. Article 29 for business permits;
  - b. Article 34 for residents' permits;
  - c. Article 39 for doctor's permits;
  - d. Article 44 for builder's permits;
  - e. Article 48 for carer's permits;
  - f. Article 51 for essential service vouchers;
  - g. Article 55 for member's permits;
  - h. Article 60 for community permits;
  - i. Article 63 for visitors vouchers; or
  - j. Article 65 for parking vouchers;
- are readily visible from the front or near-side window of the vehicle;

#### Amount of the charge at payment parking places

6. (1) The charges payable for the leaving of a vehicle in accordance with the provisions of this Order in a parking place identified as a payment parking place, or a shared use parking place that permits payment parking as indicated in the map tile relating to that parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order, shall be the tariffs indicated by the location code on the parking place sign placed adjacent to the parking place and/or the ticket parking meter or debit/credit card parking meter and on the map tile label in the map based schedule to this Order applying to the parking place in which the vehicle is left.
- (2) The charges payable at a payment parking place are determined by the location code as identified in the foregoing paragraph of this Article. Each location code as listed in column 1 of Schedule 8 has an associated tariff code listed in column 2 of that Schedule. The tariff code so determined is then identified in column 1 of Schedule 9 to this Order to indicate the associated tariffs applicable to that tariff code set out in column 2 of that Schedule, which are the tariffs applicable to that payment parking place as identified by that location code.

#### Payment of the charge in respect of payment parking places

7. Subject to the provisions of Articles 5, 12 and 22:

- (a) The charge shall be payable on the leaving of the vehicle in a payment parking place by:
- (i) the insertion in a ticket parking meter relating to that parking place of any combination of coins of the denomination of five pence, ten pence, twenty pence, fifty pence, one pound or two pounds together making up the amount of the charge for the period for which payment is being made and where more than one coin is required for payment of that charge the coins shall be inserted in the parking meter one immediately

after the other;

- (ii) payment being made through a debit/credit card parking meter through the utilisation of a payment card making up the amount of the charge for the period for which payment is being made, in accordance with the instructions on the debit/credit card parking meter;
  - (iii) payment being made using the telephone payment system or payment being made at an authorised agent;
  - (iv) displaying or causing to be displayed in the vehicle in accordance with the provisions of Article 64(7), a valid parking voucher, or parking vouchers.
  - (v) Where a parking voucher or parking vouchers have been displayed in accordance with the provisions of (iv) above, it shall be as though the charge has been paid on the leaving of the vehicle in the payment parking place.
- (b) Upon payment of the charge for a vehicle left in a payment parking place:
- (i) the driver thereof shall display or cause to be displayed on the vehicle, in accordance with the provisions of the next following paragraph, the ticket issued by the ticket parking meter or debit/credit card parking meter on payment of the charge in accordance with the provisions of the last foregoing paragraph;
  - (ii) an indication that payment has been made using the telephone payment parking system or at an authorised agent and the parking period for which payment has been made shall appear on a hand held device; or
  - (iii) the driver thereof shall display or cause to be displayed in the vehicle, in accordance with the provision of Article 64(7), a valid parking voucher or parking vouchers.
- (c) The ticket or parking voucher/s referred to in the last preceding paragraph shall be displayed on the vehicle in respect of which it was issued at all times during which the vehicle is left during the permitted hours in the parking place on the front of the vehicle so that all the particulars on that side of the ticket or parking voucher/s which bears the indication that an charge has been paid are readily visible from the front of the vehicle.

#### Penalty charge payable at parking places and parking areas

8. (a) If a vehicle is left in a parking place identified as a payment parking place in the map tile relating to that parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order during the permitted hours for longer than the period for which payment was made, or
- (i) without displaying a ticket purchased from a ticket parking meter or debit/credit card parking meter;
  - (ii) without a record of payment via the telephone payment parking

system or authorised agent appearing on a hand held device; or  
(iii) without displaying a valid parking voucher or parking vouchers,  
a penalty charge shall be payable.

- (b) If a vehicle is left in a parking place or parking area, identified as a valid permit holders relevant parking place in the map tile relating to that relevant parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order, during the permitted hours without a valid permit being displayed then a penalty charge shall be payable.

#### Alteration of position of a vehicle in a parking place

9. Where any vehicle is standing in a parking place in contravention of the provisions of Article 12(3) or of the provisions of Article 19, a civil enforcement officer may alter or cause to be altered the position of the vehicle in order that its position shall comply with those provisions.

#### Removal of a vehicle from a parking place or a parking area

10. Where a civil enforcement officer is of the opinion that any of the provisions contained in Articles 5, 7, 13, 17 or 22(3) have been contravened or not complied with in respect of a vehicle left in a parking place or parking area they may remove or cause to be removed the vehicle from the parking place or parking area and, where it is so removed, shall provide for the safe custody of the vehicle.

#### Movement of a vehicle in parking place or parking area in an emergency

11. A police constable in uniform or a civil enforcement officer, may move or cause to be moved, in case of emergency, to any place he thinks fit, any vehicle left in a parking place or a parking area.

#### Exemptions from charges

12. (1) (a) Notwithstanding the foregoing provisions of this Order a vehicle which displays in the relevant position a valid disabled person's blue badge issued by any local authority may be left in a parking space provided that the use of that part of the parking space in which the vehicle is left has not been suspended.
- (b) Notwithstanding the foregoing provision of this Order a motorcycle left in a parking space identified as a payment parking place in the map tile relating to that parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order shall be exempt from all charges provided that the use of that part of the parking space in which the motor cycle is left has not been suspended.
- (c) No charge or penalty charge shall be incurred or payable in respect of any vehicle left in a parking space in accordance with the foregoing provisions of this paragraph and the foregoing provisions of this Order shall apply accordingly.
- (2) Without prejudice to the generality of this article a vehicle to which this Article

applies shall stand in a parking place in accordance with the provisions of Article 19 and wholly within the limits of the parking place.

## PART III - SUPPLEMENTARY PROVISIONS

### Section 1 General

#### Period for which a vehicle may be left after the penalty charge has been incurred before incurring a further penalty charge notice

13. Any vehicle left in a parking place or parking area in contravention of the provisions of this Order during the permitted hours may incur a penalty charge issued by a civil enforcement officer. The period for which a vehicle may be left in a parking place or parking area identified as such in the map tile relating to that parking place or parking area, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order during the permitted hours after the penalty charge has been incurred shall not exceed one hour. After the issue of the initial penalty charge on a vehicle, a further penalty charge in respect of the same offence may be incurred for each 24 hour period thereafter during which the same vehicle remains in the same parking place or parking area in contravention of the provisions of this Order.

#### Restrictions on the removal of valid permits, tickets, badges or notices

14. (1) Where a valid permit, ticket or disabled badge has been displayed on a vehicle in accordance with the provisions of Article 5, 7(b) or 12(2)(a), no person, not being the driver of the vehicle, shall remove the valid permit, ticket, or disabled persons blue badge from the vehicle unless authorised to do so by the driver of the vehicle.
- (2) Where a notice has been attached to a vehicle in accordance with the provisions of Article 8, no person, not being the driver of the vehicle, shall remove the notice from the vehicle unless authorised to do so by the driver of the vehicle. Provided that nothing herein shall apply to a civil enforcement officer or a police constable in uniform or a person removing the vehicle in pursuance of an arrangement made by a police constable by or under regulations in pursuance of powers contained in sections 99, 100, 101 and 102 of the Act of 1984, as amended.

#### Indications by ticket parking meter, debit/credit card parking meter or parking voucher/s

15. (1) Payment of the charge for a vehicle left in a parking place identified as a payment parking place in the map tile relating to that parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order shall be indicated by:
  - (a) the issue by a ticket parking meter or debit/credit card parking meter relating to that parking place of a ticket indicating that the charge relating to that parking place has been paid in respect of a period, and the day and time by which the period for which payment of the charge was made will expire and by the display of that ticket in the manner specified in Article 7(c); or
  - (b) an indication that:
    - (i) payment has been made using the telephone payment parking

- system and the parking period for which payment has been made appearing on a hand held device; or
    - (ii) payment has been made at an authorised agent and a receipt being issued by said authorised agent, indicating that the charge relating to the relevant parking place has been paid in respect of a period, and the day and time by which the period for which payment of the charge will expire; or
  - (c) the display of a parking voucher or parking vouchers in accordance with the provisions of Article 64(7).
- (2) The expiry of the period for which the charge has been paid in respect of a vehicle left in a parking place identified as a payment parking place in the map tile relating to that parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order shall be indicated when:
  - (a) there is displayed on the vehicle a ticket issued by a ticket parking meter or debit/credit card parking meter relating to that parking place showing the day and time by which the period for which payment was made will expire, and the day so shown is the day on which the vehicle is so left and the time shown on the clock of the said ticket parking meter or debit/credit card parking meter is later than the time shown on the ticket;
  - (b) there is displayed on a hand held device showing the day and time by which the period for which payment was made by the charge will expire, and the day so shown is the day on which the vehicle is so left and the time shown on the clock of the hand held device is later than the expiry time of the period for which payment was originally paid; or
  - (c) there is displayed on the vehicle a parking voucher, or parking vouchers indicating the day and time by which the period for which payment was made will expire, and the day indicated is the day on which the vehicle is so left and the time shown on the parking voucher, or parking vouchers, for which payment was made has expired.
- (3) The expiry of the period mentioned in Article 13 (being the period for which a vehicle may remain in a parking place identified as such in the map tile relating to that parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order after the penalty charge has been incurred) shall be indicated:
  - (a) when there is displayed on the vehicle a ticket issued by a ticket parking meter or debit/credit card parking meter relating to that parking place showing the day and time by which the period for which payment was made will expire, and the day so shown is not the day on which the vehicle is so left;
  - (b) when there is displayed on a hand held device an indication that payment has been made using the telephone payment parking system or through an authorised agent, showing the day and time by which the period for which payment was made by the charge will

expire, and the day so shown is not the day on which the vehicle is so left; or

- (c) where there is displayed on the vehicle a parking voucher, or parking vouchers, showing the day and time by which the period for which payment was made by the charge will expire, and the day so shown is not the day on which the vehicle is so left.

Ticket parking meter or debit/credit card parking meter ticket indications as evidence

- 16. (1) If at any time while a vehicle is left in a payment parking place identified as such in the map tile relating to that parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order during the permitted hours no ticket issued by a ticket parking meter or debit/credit card parking meter relating to the parking place is displayed on that vehicle, or no valid parking voucher is, or no valid parking vouchers are displayed on that vehicle, and no indication that payment has been made using the telephone payment parking system, or at an authorised agent, shall appear on a hand held device, in accordance with the provisions of Article 7(b), it shall be presumed unless the contrary is proved that the charge has not been duly paid.
- (2) (a) If at any time while a vehicle is left in a parking place identified as a payment parking place in the map tile relating to that parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order during the permitted hours the ticket issued by a ticket parking meter or debit/credit card parking meter relating to that parking place and displayed on the vehicle in accordance with the provisions of Article 7(b) and the clock on the ticket parking meter or debit/credit card parking meter by which such ticket was issued gives the indication mentioned in Article 15(2), it shall be presumed unless the contrary is proved that the charge has been duly paid in respect of that vehicle, and that the period for which payment was made by the charge has already expired; or
- (b) If at any time while a vehicle is left in a parking place identified as a payment parking place in the map tile relating to that parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order during the permitted hours the indication that a payment has been made using the telephone payment parking system appears on a hand held device in accordance with the provisions of Article 7(b) and the clock on the hand held device by which payment was indicated gives the indication mentioned in Article 15(2), it shall be presumed unless the contrary is proved that the charge has been duly paid in respect of that vehicle, and that the period for which payment was made by the charge has already expired.
- (3) If at any time while a vehicle is left in a parking place identified as a payment parking place in the map tile relating to that parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order during the permitted hours the ticket issued by a ticket parking meter or debit/credit card parking meter relating to that parking place and displayed on the vehicle in accordance with the provisions of Article 7(b)

and the clock on the ticket parking meter or debit/credit card parking meter by which such ticket was issued gives the indication mentioned in Article 15(3), that indication shall be used in any proceedings for a contravention under Section 47(1) of the Act of 1984 as amended:

- (a) of leaving a vehicle in that parking place for longer after the penalty charge has been incurred than the time authorised by Article 13, be evidence that it was so left, and
  - (b) of failing duly to pay the penalty charge, be evidence that charge was incurred.
- (4) If at any time while a vehicle is left in a parking place identified as a payment parking place in the map tile relating to that parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order during the permitted hours, an indication that payment has been made using a telephone payment parking system, and the parking period for which payment has been made appears on a hand held device; in accordance with the provisions of Article 7(b) and the clock on the hand held device gives the indication mentioned in Article 15(3), that indication shall be used in any proceedings for a contravention under Section 47(1) of the Act of 1984 as amended:
- (a) of leaving a vehicle in that parking place for longer after the penalty charge has been incurred than the time authorised by Article 13, be evidence that it was so left, and
  - (b) of failing duly to pay the penalty charge, be evidence that charge was incurred.
- (5) If at any time while a vehicle is left in a parking place identified as a payment parking place in the map tile relating to that parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order during the permitted hours, the parking voucher or parking vouchers displayed on the vehicle in accordance with the provisions of Article 64(7) and the parking voucher or parking vouchers gives the indication mentioned in Article 15(3), that indication shall be used in any proceedings for a contravention under Section 47(1) of the Act of 1984 as amended:
- (a) of leaving a vehicle in that parking place for longer after the penalty charge has been incurred than the time authorised by Article 13, be evidence that it was so left, and
  - (b) of failing duly to pay the penalty charge, be evidence that charge was incurred.

No ticket to be displayed other than that obtained on payment of the charge

17. No person shall display on a vehicle left in a parking place identified as a payment parking place in the map tile relating to that parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order during the permitted hours any ticket issued by a ticket parking meter or debit/credit card parking meter relating to that parking place other than the ticket issued by such a ticket parking meter or debit/credit card parking meter upon payment of the initial charge in respect of that vehicle.

#### Interval before a vehicle may again be left in a parking place

18. Without prejudice to the provisions of Article 22, no vehicle, which has been taken away from a parking space in a payment parking place during the permitted hours, after the charge has been incurred, shall until the expiration of a period of no return to that parking place, as stated on a sign in the vicinity of that parking place and/or on the map tile related to that parking place by way of the map schedule legend and/or map tile label in the map based schedule to this Order, again be left in that parking place during the permitted hours.

#### Manner of standing in a parking place

19. Every vehicle left in a parking place in accordance with the foregoing provisions of this Order shall so stand:
  - (a) in that parking place as identified by means of appropriate road markings and/or the placing of an appropriate sign nearby, as to be in accordance with that identification and/or sign; and
  - (b) that every part of the vehicle is within the limits of a parking place or parking space, as the case maybe.

#### Power to suspend the use of a parking place or parking area

20. (1) Any person duly authorised by the Council or the Commissioner of Police of the Metropolis may suspend the use of a parking place or parking area or any part thereof whenever they consider such suspension reasonably necessary:
  - (a) for the purpose of facilitating the movement of traffic or promoting its safety;
  - (b) for the purpose of any building operation, demolition or excavation adjacent to the parking place or within a parking area, the maintenance, improvement or reconstruction of the highway or the cleansing of gullies in or adjacent to the parking place or within a parking area, the laying, erection, alteration or repair in or adjacent to the parking place or within a parking area of any sewer or of any main, pipe or apparatus for the supply of gas, water or electricity or of any telecommunication system or the placing, maintenance or removal of any traffic sign;
  - (c) for the convenience of occupiers of premises adjacent to the parking place or a parking area on any occasion of the removal of furniture to or from one office or dwelling-house adjacent to the parking place or a parking area from or to a depository, another office or dwelling house;
  - (d) on any occasion on which it is likely by reason of some special attraction that any street will be thronged or obstructed; or

- (e) for the convenience of occupiers of premises adjacent to the parking place or a parking area at times of weddings or funerals, or on other special occasions.
- (2) A police constable in uniform may suspend for not longer than twenty-four hours the use of a parking place or a parking area or any part thereof whenever he considers such suspension reasonably necessary for the purpose of facilitating the movement of traffic or promoting its safety.
- (3) Any person or police constable suspending the use of a parking place or parking area or any part thereof in accordance with the provisions of this Article shall thereupon place or cause to be placed in or adjacent to that parking place or parking area or that part thereof, as the case maybe, a traffic sign indication that waiting by vehicles is prohibited.

Provided that, if the parking place is a payment parking place as identified by the map tile relating to that parking place by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order, the person or police constable authorising or causing such suspension may also place or cause to be placed over or on all the ticket parking meters or debit/credit card parking meters relating to that parking place, a hood or other cover indication that the use of that parking place is suspended and that waiting by vehicles is prohibited.

- (4) On any suspension of the use of a parking place or any part thereof in accordance with the provisions of paragraph (1) of this Article any person duly authorised by the Council may in the case of a parking place identified as a payment parking place in the map tile relating to that parking place by reference to the map schedule legend and/or map tile label where the use of all the parking spaces which are within that parking place is suspended, temporarily remove all the ticket parking meter or debit/credit card parking meters relating to that parking place and any post, bracket or other support on which such ticket parking meter or debit/credit card parking meters are fitted, and shall thereupon place or cause to be placed in or adjacent to that parking place a traffic sign of the description referred to in paragraph (3) of this Article.
- (5) No person shall cause or permit a vehicle to wait;
  - (a) in a parking place, identified as a payment parking place in the map tile relating to that parking place by reference to the map schedule legend and/or map tile label, during such period as there is in a parking space in that parking place or adjacent to that parking space a traffic sign placed in pursuance of paragraph (3) or paragraph (4) of this Article;
  - (b) in any part of a parking place not being a parking space during such period as there is in or adjacent to that part of the parking place a traffic sign placed in pursuance of paragraph (3) of this Article;

Provided that nothing in this paragraph shall apply -

- (i) in respect of any vehicle being used for fire brigade, ambulance or police purposes or any vehicle which is waiting for any reason specified in Article 22(1)(b), (c), (d) or (e); or
- (ii) to anything done with the permission of the person suspending the use of the parking place or part thereof in pursuance of paragraph (1) of this Article or a police constable in uniform or a civil enforcement officer.

#### Restriction on the use of a parking place or parking area

21. During the permitted hours no person shall use any parking place or parking area or any vehicle while it is in a parking place or parking area in connection with the sale or offering or exposing for sale of any goods to any person in or near the parking place or parking area or in connection with the selling or offering for sale of their skill in handicraft or their services in any other capacity:

Provided that nothing in this Article shall prevent the sale of goods from a vehicle -

- (a) if the vehicle is a passenger vehicle, a goods carrying vehicle, a motor cycle or a disabled person's vehicle and the goods are immediately delivered at or taken into premises adjacent to the vehicle from what the sale is effected; or
- (b) if the vehicle is one to which the provisions of Article 22 (1)(h) or (i) apply.

#### Restriction on waiting by a vehicle in a parking place or parking area

22. (1) Notwithstanding the foregoing provisions of this Order any vehicle may wait during the permitted hours in any part of a parking place or parking area if the use of that part has not been suspended and if:
- (a) the vehicle is waiting for a period not exceeding two minutes, or such longer period as a police constable in uniform or a civil enforcement officer may approve, to enable a person to board or alight from the vehicle or load thereon or unload therefrom their personal luggage. Provided that if the said person is a person suffering from any disability or injury which seriously impairs their ability to walk or who is blind, the vehicle may wait for as long as may be necessary to enable that person to board or alight from the vehicle or load thereon or unload therefrom their personal luggage;
  - (b) the vehicle is waiting owing to the driver being prevented from proceeding by circumstances beyond their control or to such waiting being necessary in order to avoid an accident;
  - (c) the vehicle is being used for fire brigade, ambulance, police or medical practitioner purposes, or, not being a passenger vehicle, is being used in the service of a local authority in pursuance of statutory powers or duties provided that in all the circumstances it is reasonably necessary for such duties for the vehicle to wait in the place in which it is waiting;
  - (d) the vehicle is waiting only for so long as may be necessary to enable

it to be used in connection with the removal of any obstruction to traffic;

- (e) the vehicle is waiting:
    - (i) while postal packets addressed to premises adjacent to the parking place or parking area in which the vehicle is waiting are being unloaded from the vehicle or, having been unloaded therefrom, are being delivered; or
    - (ii) while postal packets are being collected for loading on the vehicle from premises or posting boxes adjacent to the parking place or within the parking area in which the vehicle is waiting or, having been so collected, are being loaded thereon;
  - (f) the vehicle not being a passenger vehicle is waiting only for so long as may be reasonably necessary to enable it to be used for any purpose specified in Article 20(1)(b);
  - (g) the vehicle is in actual use in connection with the removal of furniture to or from one office or dwelling-house adjacent to the parking place or within the Parking area from or to a depository, another office or dwelling-house;
  - (h) in any other case the vehicle is waiting for the purpose of delivering or collecting goods or loading or unloading the vehicle at premises adjacent to the parking place or within a parking area in which the vehicle is waiting and the vehicle does not wait for a period exceeding forty minutes or the period during which the vehicle is exempt from payment of the charge by virtue of Article 12(1) whichever is the longer or for such longer period as a police constable in uniform or a civil enforcement officer may approve; or
  - (i) the vehicle is waiting otherwise than in a parking space if goods are being sold or offered or exposed for sale from the vehicle by a person who is licensed by the Council to sell goods from a stationary vehicle on a pitch situated in the parking place or parking area.
- (2) No charge or charge specified in the foregoing provisions of this Order shall be payable in respect of any vehicle waiting in a parking place in accordance with the foregoing provisions of this Article.
  - (3) Except as provided by this Order, the driver or person in charge of a vehicle shall not cause or permit a vehicle to wait in a parking place or parking area during the permitted hours.
  - (4) Nothing in the foregoing provisions of this Order shall be taken as authorising anything which would be a contravention of any Regulation made or having effect as if made under Section 23 of the Act of 1984.

Manner of waiting in a parking place or parking area

23. No person shall cause or permit a vehicle to wait in a parking place or a parking area by virtue of Article 19 or by virtue of the provisions of sub-paragraph (e), (f), (h) or (i) of paragraph (1) of Article 22 of this Order otherwise than in compliance with Articles 85 and 86 of the Act of 2004.

Installation of ticket parking meter or debit/credit card parking meters, placing of traffic signs, etc

24. The Council shall:
- (a) where a ticket parking meter or debit/credit card parking meter is operational for the purposes of allowing payment to be made to enable a vehicle to be left in a parking place identified as a payment parking place in the map tile relating to that parking place, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order, maintain in proper working order the ticket parking meter and/or debit/credit card parking meter;
  - (b) place and maintain traffic signs indicating the limits of each parking place or each parking space and each parking area; and
  - (c) place and maintain in or in the vicinity of each parking place or at the entrance to each parking area identified as such in the map tile relating to that parking place or parking area, by reference to the map schedule legend and/or the map tile label in the map based schedule to this Order traffic signs indicating that such parking place or parking area may be used during the permitted hours for the leaving of the vehicles specified in Article 4(1);
  - (d) carry out such other work as is reasonably required for the purposes of the satisfactory operation of a parking place or parking area.

**Section 2 - Business Permits**

Application for and issue of business permits

25. (1) Any person whose workplace is within a street or part of street identified as being within a controlled parking zone as identified in Schedule 5 to this Order and who is the owner of a vehicle of the class as specified in Article 4(1) of this Order, may apply to the Council for the issue of a business permit in respect of that vehicle for the use of any relevant parking place within which a business permit is valid as indicated by column 1 of Schedule 6 to this Order where a business permit is included under column 2 of that Schedule and subject to the conditions stated under column 3 of that Schedule subject to the provisions of this Order and any such application shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied.
- (2) The Council may at any time require an applicant for a business permit or a

business permit holder to produce to an officer of the Council such evidence as they may reasonably call for to verify any particulars or information given to them or in respect of any business permit issued or to be issued by them as they may reasonably call for to verify that the permit is or will be valid

- (3) On receipt of an application duly made under the foregoing provisions of this Article and upon receipt of the appropriate charge specified in paragraph (5) of this Article, the Council, upon being satisfied that the applicant is employed at a workplace within the controlled parking zone and is the owner of a vehicle of the class specified in paragraph (1) of this Article, shall issue to the applicant thereof -
- (a) one business permit for the leaving of the vehicle to which such business permit relates by the owner of such vehicle or by any person using such vehicle with the consent of the owner other than a person to whom such vehicle has been let for hire or reward during the permitted hours in a parking space in any relevant parking place within the controlled parking zone to which the business permit relates, such relevant parking place being identified on the map tile to which that relevant parking place relates as determined from the map schedule legend and/or map tile label in the map based schedule to this Order showing the same permit identifier as is shown on the face of that business permit;
- (b) Provided that, subject to the provisions of Article 28, the Council shall not issue a business permit to a person whose workplace is within a controlled parking zone which would be valid for any period during which any other permit issued to that permit holder is or would be valid within that controlled parking zone;
- (4) The maximum number of business permits which shall be issued to a business address within a street or part of a street in a controlled parking zone, as identified in a table for that controlled parking zone in Schedule 5 to this Order, at any one time shall be three.
- (5) The charge for a business permit referred to in paragraph (3) of this Article for a business permit identified in column 1 of Schedule 4 to this Order for the category of permit identified in column 2 shall be as set out in column 3 and the permit will be valid, subject to the provisions of this Order, for the period stated in column 4 of that Schedule.

#### Refund of charge paid in respect of a business permit

26. (1) A business permit holder who surrenders a business permit to the Council before it becomes valid shall be entitled to a refund of the charge paid in respect thereof.
- (2) A business permit holder who surrenders a business permit to the Council after it has become valid shall be entitled to a refund of part of the charge paid in respect thereof calculated in accordance with the provisions of the next following paragraph.

- (3) The part of the charge which is refundable under the provisions of the last foregoing paragraph shall, in the case of a business permit for which an annual charge has been paid as set out in Schedule 4 to this Order, be calculated as a sum equal to one twelfth of the annual charge paid in respect of each complete month which remains unexpired at the time when the permit is surrendered to the Council.

#### Surrender withdrawal and validity of business permits

27. (1) A business permit holder may surrender a business permit to the Council at any time and shall surrender a business permit to the Council on the occurrence of any one of the events set out in paragraph (3) of this Article or in accordance with the provisions of paragraph (5) of this Article.
- (2) The Council may, by notice in writing served on the business permit holder by sending the same by the postal service to the business permit holder at the address shown by that person on the application for the business permit or at any other address believed to be that person's place of abode, withdraw a business permit if it appears to the Council that any of the events set out in paragraph (3)(a), (b), (d) or (g) of this Article has occurred and the business permit holder shall surrender the permit to the Council within 48 hours of the receipt of the aforementioned notice.
- (3) The events referred to in the foregoing provisions of this Article are -
  - (a) the business permit holder vacating the retail premises or ceasing to work at a business address within the controlled parking zone;
  - (b) the business permit holder ceasing to be the owner of the vehicle in respect of which the business permit was issued;
  - (c) the withdrawal of such business permit by the Council under the provisions of paragraph (2) of this Article;
  - (d) the vehicle in respect of which such business permit was issued being adapted or used in such a manner that it is not a vehicle of the class specified in Article 25(1);
  - (e) the issue of a duplicate business permit by the Council under the provisions of Article 28;
  - (f) the business permit ceasing to be valid pursuant to the provisions of paragraph (4) of this Article;
  - (g) the maximum number of permits issued to any one business address exceeds three under the provisions of Article 25 (4).
- (4) Without prejudice to the foregoing provisions of this Article and the provisions of the next following paragraph, a business permit shall cease to be valid at the expiration of the period specified in column 4 of Schedule 4 to this Order in relation to that business permit, or on the occurrence of any one of the events set out in paragraph (3)(a), (b), (c), (d) or (e) of this

Article, whichever is the earlier.

- (5) Where a business permit is issued to any person upon receipt of a payment and the payment is subsequently dishonoured the business permit shall cease to be of any effect and the Council shall by notice in writing served on the person to which such business permit was issued by sending the same by the postal service to the business permit holder at the address shown by that person on the application for the business permit or at any other address believed to be that person's place of abode, require that person to surrender the business permit to the Council within 48 hours of the receipt of the aforementioned notice.

#### Application for the issue of duplicate business permits

28. (1) If the figures or particulars on the business permit have become illegible or the colour of the business permit has become altered by fading or otherwise, the business permit holder shall surrender it to the Council, who upon receipt of the business permit, shall issue a duplicate business permit, and upon such issue the business permit shall become invalid.
- (2) If a business permit is mutilated, accidentally defaced, lost or destroyed, the business permit holder may apply to the Council for the issue of a duplicate business permit and the Council, upon being satisfied as to such loss or destruction, shall issue a duplicated business permit, so marked, and upon such issue the original business permit shall become invalid.
- (3) The provisions of this Order shall apply to a duplicate business permit and an application therefore as if it were a business permit or, as the case may be, an application therefore.
- (4) The cost of a duplicate business permit issued in accordance with paragraph (2) of this Article will be as set out in Schedule 4 to this Order for a duplicate business permit.

#### Form of business permits

29. A business permit shall be in the form determined by the Council and shall include inter alia the following particulars:
  - (a) (i) the registration mark of the vehicle in respect of which the business permit has been issued; or  
(ii) an identification mark as specified by the Council;
  - (b) the period during which, subject to the provisions of Article 25(3), the business permit shall remain valid;
  - (c) an indication that the business permit has been issued by the Council; and
  - (d) the parking places to which it relates as indicated by the permit identifier.

### **Section 3 – Residents' Permits**

#### Application for and issue of residents' permits

30. (1) (a) Any resident of any household within a street or part of street identified as being within a controlled parking zone in Schedule 5 to this Order; and
- (b) any resident whose household, or person whose workplace, is within a street or part of street identified as being within the Event Day controlled parking zone in Schedule 5 of this Order, all of whom shall be considered as a resident of that controlled parking zone for the purposes of this Order; and
- who is the owner of a vehicle of the class as specified in Article 4(1) of this Order, may apply to the Council for the issue of a residents' permit for the use of any relevant parking place in respect of that vehicle within which a residents' permit is valid as indicated by column 1 of Schedule 6 to this Order where a residents' permit is included under column 2 of that Schedule and subject to the conditions stated under column 3 of that Schedule subject to the provisions of this Order and any such application shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied.
- (2) The Council may at any time require an applicant for a residents' permit or a residents' permit holder to produce to an officer of the Council such evidence as they may reasonably call for to verify any particulars or information given to them or in respect of any residents' permit issued or to be issued by them as they may reasonably call for to verify that the residents' permit is or will be valid.
- (3) On receipt of an application duly made under the foregoing provisions of this Article and upon receipt of the appropriate charge specified in paragraph (5) of this Article, the Council, upon being satisfied that the applicant is a resident and is the owner of a vehicle of the class specified in paragraph (1) of this Article, shall issue to the applicant thereof -
- (a) one residents' permit for the leaving of the vehicle to which such permit relates by the owner of such vehicle, or by any person using such vehicle with the consent of the owner other than a person to whom such vehicle has been let for hire or reward, during the permitted hours in a parking space in any relevant parking place within the controlled parking zone to which the resident permit relates, such relevant parking place being identified on the map tile to which that relevant parking place relates as determined from the map schedule legend and/or map tile label in the map based schedule to this Order showing the same permit identifier as is shown on the face of the residents' permit.
- (b) Provided that, except for residents of streets or parts of streets falling within a controlled parking zone that is also within the Event Day controlled parking zone and subject to the provisions of Article 33, the Council shall not issue a residents' permit to any resident which would be valid for any period during which any other residents' permit issued to that resident is or would be valid; and

- (4) Without prejudice to the foregoing provisions of this Article and the provisions of the next paragraph, a essential service voucher shall cease to be valid at the expiration of the period specified in column 4 of Schedule 4 to this Order, or on the occurrence of any one of the events set out in paragraphs (2) and (3) of this Article.
- (5) Where an essential service voucher is issued to any person upon receipt of a cheque and the cheque is subsequently dishonoured, the essential service voucher shall cease to be of any effect and the Council shall, by

notice in writing served on the person to whom such essential service voucher was issued by sending the same by the postal service to the resident at the address shown by that person on the application for the essential service voucher or at any other address believed to be that person's place of abode, require that person to surrender the voucher to the Council within 48 hours of the receipt of the aforementioned notice.

- (6) When a vehicle is parked in a relevant parking place and an essential service voucher is displayed, if any of the details exposed by scratching off the silver coating are not visible, or where more than one of each of the particulars referred to in Articles 51(1)(b), 51(1) (c), and 51(1) (d) are exposed, then the voucher shall be deemed to be invalid.

#### Form of essential service vouchers

51. (1) A essential service voucher shall include the following particulars:-
- (a) an indication that the essential service voucher was issued by the Council;
  - (b) the month;
  - (c) the day of the week;
  - (d) the date of the month;
- (2) The details required by paragraph (1)(b), (1)(c) and (1)(d) shall be exposed by scratching off the silver coating.

### **Section 8 - Member's Permits**

#### Application for and issue of Member's permits

52. (1) Any Member who is the owner of a vehicle of the class as specified in Article 4(1) of this Order, may apply to the Council for the issue of a Member's permit for the use of any relevant parking place within which a Member's permit is valid as indicated by column 1 of Schedule 6 to this Order where a Member's permit is also included under column 2 of that Schedule and subject to the conditions stated under column 3 of that Schedule subject to the provisions of this Order in any street or part of street included in a controlled parking zone as indicated in Schedule 5 to this Order in respect of that vehicle and any such application shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied.
- (2) The Council may at any time require an applicant for a Member's permit or a Member's permit holder to produce to an officer of the Council such evidence as they may reasonably call for to verify any particulars or information given to them or in respect of any Member's permit issued or to be issued by them as they may reasonably call for to verify that the Member's permit is or will be valid.
- (3) On receipt of an application duly made under the foregoing provisions of

this Article and upon receipt of the appropriate charge specified in paragraph (5) of this Article, the Council, upon being satisfied that the applicant is a Member and is the owner of a vehicle of the class specified in paragraph (1) of this Article, shall issue to the applicant thereof -

- (a) one Member's permit for the leaving of the vehicle to which such permit relates by the owner of such vehicle or by any person using such vehicle with the consent of the owner other than a person to whom such vehicle has been let for hire or reward during the permitted hours in a parking space in any relevant parking place or payment parking place identified as such on the map tile related to that relevant parking place or payment parking place by reference to the map schedule legend and/or map tile label in the map based schedule to this Order.
- (4) The maximum number of annual permits which shall be issued to any Member shall be one.
- (5) The charge for a Member's permit referred to in paragraph (3) of this Article for a Member's permit identified in column 1 of Schedule 4 to this Order for the category of permit identified in column 2 shall be as set out in column 3 and the permit will be valid, subject to the provisions of this Order, for the period stated in column 4 of that Schedule.

#### Surrender, withdrawal and validity of Member's permits

53. (1) A Member permit holder may surrender a Member's permit to the Council at any time and shall surrender a Member's permit to the Council on the occurrence of any one of the events set out in paragraph (3) of this Article or in accordance with the provisions of paragraph (5) of this Article.
- (2) The Council may, by notice in writing served on the Member permit holder by sending the same by the postal service to the Member permit holder at the address shown by that person on the application for the Member's permit or at any other address believed to be that person's place of abode, withdraw a Member's permit if it appears to the Council that any of the events set out in paragraph (3)(a), (b) or (d) of this Article has occurred and the Member's permit holder shall surrender the Member's permit to the Council within 48 hours of the receipt of the aforementioned notice.
- (3) The events referred to in the foregoing provisions of this Article are -
- (a) the Member permit holder ceasing to be a Member;
  - (b) the Member permit holder ceasing to be the owner of the vehicle in respect of which the Member's permit was issued;
  - (c) the withdrawal of such Member's permit by the Council under the provisions of paragraph (2) of this Article;
  - (d) the vehicle in respect of which such Member's permit was issued being adapted or used in such a manner that it is not a vehicle of the class specified in Article 52 (1);

- (e) the issue of a duplicate Member's permit by the Council under the provisions of Article 54;
  - (f) the Member's permit ceasing to be valid pursuant to the provisions of paragraph (4) of this Article.
- (4) Without prejudice to the foregoing provisions of this Article and the provisions of the next paragraph, a Member's permit shall cease to be valid at the expiration of the period specified in column 4 of Schedule 4 to this Order, or on the occurrence of any one of the events set out in paragraph (3)(a), (b), (c), (d) or (e) of this Article, whichever is the earlier.

#### Application for the issue of duplicate Member's permits

54. (1) If the figures or particulars on the Member's permit have become illegible or the colour of the Member's permit has become altered by fading or otherwise, the Member permit holder shall surrender it to the Council, who upon receipt of the Member's permit, shall issue a duplicate Member's permit, and upon such issue the Member's permit shall become invalid.
- (2) If a Member's permit is mutilated, accidentally defaced, lost or destroyed, the Member permit holder may apply to the Council for the issue to them of a duplicate Member's permit and the Council, upon being satisfied as to such loss or destruction, shall issue a duplicated Member's permit and upon such issue the Member's permit shall become invalid.
- (3) The provisions of this Order shall apply to a duplicate Member's permit and an application therefore as if it were a Member's permit or, as the case may be an application thereof.

#### Form of Member's permits

55. (1) A Member's permit shall be in the form determined by the council and shall include the following particulars:
- (a) the registration mark of the vehicle in respect of which the Member's permit has been issued;
  - (b) the period during which, subject to the provisions of Article 53 the Member's permit shall remain valid; and
  - (c) an indication that the Member's permit has been issued by the Council.

### **Section 9 – Community Permits**

#### Application for and issue of community permits

56. (1) Any person who satisfies the Council that they undertake religious or faith duties within the community as confirmed by the said person's recognised place of worship and who is the owner of a vehicle of the class as specified in Article 4(1) of this Order, may apply to the Council for the issue of a

community permit in respect of that vehicle, for the use of any relevant parking place within which a community permit is valid as indicated by column 1 of Schedule 6 to this Order where a community permit is also included under column 2 of that Schedule and subject to the conditions stated under column 3 of that Schedule subject to the provisions of this Order in any street or part of street included in a controlled parking zone as indicated in Schedule 5 to this Order in respect of that vehicle and any such application shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied.

- (2) The Council may at any time require an applicant for a community permit or a community permit holder to produce to an Officer of the Council such evidence as they may reasonably call for to verify any particulars or information given to them or in respect of any community permit issued or to be issued by them as they may reasonably call for to verify that the permit is or will be valid
- (3) On receipt of an application duly made under the foregoing provisions of this Article and upon receipt of the appropriate charge specified in paragraph (5) of this Article, the Council, upon being satisfied that the applicant is eligible and is the owner of a vehicle of the class specified in Article 4(1) of this Order, shall issue to the applicant thereof -
  - (a) one community permit for the leaving of the vehicle to which such permit relates by the owner of such vehicle during the permitted hours in a parking space in any relevant parking place identified as such on the map tile related to that relevant parking place by reference to the map schedule legend and/or map tile label in the map based schedule to this Order.
  - (b) Provided that, subject to the provisions of Article 59, the Council shall not issue a community permit to a person which would be valid for any period during which any other permit issued to that permit holder is or would be valid;
- (4) The maximum number of community permits which shall be issued to any Place of Worship address at any one time shall be three.
- (5) The charge for a community permit referred to in paragraph (3) of this Article for a community permit identified in column 1 of Schedule 4 to this Order for the category of permit identified in column 2 shall be as set out in column 3 and the permit will be valid, subject to the provisions of this Order, for the period stated in column 4 of that Schedule.

#### Refund of charge paid in respect of a community permit

57. (1) A community permit holder who surrenders a community permit to the Council before it becomes valid shall be entitled to a refund of the charge paid in respect thereof.
- (2) A community permit holder who surrenders a community permit to the Council after it has become valid shall be entitled to a refund of part of the

charge paid in respect thereof in accordance with the provisions of the next following paragraph.

- (3) The part of the charge which is refundable under the provisions of the last foregoing paragraph shall in the case of a community permit for which an annual charge was paid as set out in Schedule 4 to this Order, shall be calculated as a sum equal to one twelfth of the annual charge paid in respect of each complete month which remains unexpired at the time when the permit is surrendered to the Council.

#### Surrender, withdrawal and validity of community permits

58. (1) A community permit holder may surrender a community permit to the Council at any time and shall surrender a community permit to the Council on the occurrence of any one of the events set out in paragraph (3) of this Article or in accordance with the provisions of paragraph (5) of this Article.
- (2) The Council may, by notice in writing served on the community permit holder by sending the same by the postal service to the community permit holder at the address shown by that person on the application for the community permit or at any other address believed to be that person's place of abode, withdraw a community permit if it appears to the Council that any of the events set out in paragraph (3)(a), (b), (d) or (g) of this Article has occurred and the community permit holder shall surrender the permit to the Council within 48 hours of the receipt of the aforementioned notice.
- (3) The events referred to in the foregoing provisions of this Article are –
  - (a) religious/faith duties cease to be carried out by the community permit holder within the London Borough of Barnet;
  - (b) the community permit holder ceasing to be the owner of the vehicle in respect of which the community permit was issued;
  - (c) the withdrawal of such community permit by the Council under the provisions of paragraph (2) of this Article;
  - (d) the vehicle in respect of which such community permit was issued being adapted or used in such a manner that it is not a vehicle of the class specified in Article 56 (1);
  - (e) the issue of a duplicate community permit by the Council under the provisions of Article 59;
  - (f) the community permit ceasing to be valid pursuant to the provisions of paragraph (4) of this Article;
  - (g) the maximum number of permits issued to any one place of worship address exceeds three under the provisions of Article 56 (4).
- (4) Without prejudice to the foregoing provisions of this Article and the provisions of the next following paragraph, a community permit shall cease

to be valid at the expiration of the period specified in column 4 of Schedule 4 to this Order, or on the occurrence of any one of the events set out in paragraph (3)(a), (b), (c), (d) or (e) of this Article, whichever is the earlier.

- (5) Where a community permit is issued to any person upon receipt of a cheque and the cheque is subsequently dishonoured the community permit shall cease to be of any effect and the Council shall by notice in writing served on the person to which such community permit was issued by sending the same by postal service to the community permit holder at the address shown by that person on the application for the community permit or at any other address believed to be that person's place of abode, require that person to surrender the community permit to the Council within 48 hours of the receipt of the aforementioned notice.

#### Application for the issue of duplicate community permits

59. (1) If the figures or particulars on the community permit have become illegible or the colour of the community permit has become altered by fading or otherwise, the community permit holder shall surrender it to the Council, who upon receipt of the community permit, shall issue a duplicate community permit and upon such issue the community permit shall become invalid.
- (2) If a community permit is mutilated, accidentally defaced, lost or destroyed, the community permit holder may apply to the Council for the issue of a duplicate community permit and the Council, upon being satisfied as to such loss or destruction, shall issue a duplicated community permit, so marked, and upon such issue the original community permit shall become invalid.
- (3) The provisions of this Order shall apply to a duplicate community permit and an application therefore as if it were a community permit or, as the case may be, an application therefore.
- (4) The cost of a duplicate community permit issued in accordance with paragraph (2) of this Article will be as set out in Schedule 4 to this Order for a duplicate permit.

#### Form of community permits

60. A community permit shall be in the form determined by the Council and shall include inter alia the following particulars:
  - (a) the registration mark of the vehicle in respect of which the community permit has been issued;
  - (b) the period during which, subject to the provisions of Article 58 (3), the community permit shall remain valid;
  - (c) an indication that the community permit has been issued by the Council;

### **Section 10 - Visitor Vouchers**

Application for and issue of visitor vouchers

61. (1) (a) Any resident of any household within a street or part of a street identified as being within a controlled parking zone in Schedule 5 to this Order; and
- (b) any resident whose household, or person whose workplace, is within a street or part of street identified as being within the Event Day controlled parking zone in Schedule 5 of this Order, all of whom shall be considered as a resident of that controlled parking zone for the purposes of this Order ;

on payment of the charge specified in paragraph (6) of this Article, may apply to the Council for the issue of visitor vouchers for a vehicle of a class as specified in Article 4(1) of this Order.

- (2) Applications for visitor vouchers referred to in paragraph(1) of this Article shall be made on a form issued by and obtainable from the Council and shall include the particulars and information required by such form to be supplied.
- (3) The Council may at any time require an applicant for a book of visitor vouchers to produce to an officer of the Council such evidence in respect of an application for a book of visitor vouchers made to them as they may reasonably call for to verify any particulars or information given to them or in respect of any book of visitor vouchers issued by them as they may reasonably call for to verify that the book of visitor vouchers is valid.
- (4) Upon receipt of an application duly made under the foregoing provisions of this Article and upon the receipt of the appropriate charge specified in paragraph (6) of this Article, the Council on being satisfied that the applicant is a resident so entitled to a visitor voucher shall issue to the applicant one or more books of visitor vouchers for the leaving in any relevant parking place designated in whole or in part as a parking place or parking area for which a visitors voucher is valid as indicated by column 1 of Schedule 6 to this Order where a visitors voucher is included under column 2 of that Schedule and subject to the conditions stated in column 3 of that Schedule for vehicles belonging to or being used by a person or persons visiting that resident; provided that the Council may at its absolute discretion limit the number of visitor vouchers that are issued in respect of a particular household and, in the case of the Event Day controlled parking zone household or workplace, to a maximum number as stated in column 2 of Schedule 4 as applicable to that household or workplace in any 12 month period.
- (5) A visitor voucher shall be valid for the controlled parking zone indicated on a particular day if and only if on the face of the visitor voucher there is indicated as required, the day, date, and month in question and that face contains no other writing or remark.
- (6) The visitor voucher must be displayed in the vehicle in accordance with the instructions printed on the back of the visitor voucher.

- (7) The charge for visitors vouchers referred to in paragraph (1) of this Article for a visitor's voucher identified in column 1 of Schedule 4 to this Order for the category of voucher identified in column 2 shall be as set out in column 3 and the voucher will be valid, subject to the provisions of this Order, for the period stated in column 4 of that Schedule.

Surrender, withdrawal and validity of visitor vouchers.

62. (1) A resident may surrender unused visitor vouchers to the Council at any time and shall surrender unused visitor vouchers to the Council on the occurrence of any one of the events set out in paragraph (3) of this Article or in accordance with the provisions of paragraph (5) of this Article.
- (2) The Council may, by notice in writing served on the resident by sending the same by the postal service to the resident at the address shown by that person on the application for the voucher or at any other address believed to be that person's place of abode, withdraw unused visitor vouchers if it appears to the Council that the resident has ceased to live in a house or, in the case of the Event Day controlled parking zone, ceased to live in a house or to work at a workplace within a street or part of a street set out in Schedule 5 to this Order and the resident or person, as the case may be, shall surrender the unused visitor vouchers to the Council within 48 hours of the receipt of the aforementioned notice.
- (3) The events referred to in the foregoing provisions of this Article are -
- (a) the visitor voucher holder ceasing;
    - (i) to be a resident; or
    - (ii) in the case of an Event Day visitors voucher only, ceasing to be a resident or ceasing to work at a workplace;
  - (b) the withdrawal of such visitor voucher by the Council under the provisions of paragraph (2) of this Article;
  - (c) the resident's voucher ceasing to be valid pursuant to the provisions of paragraph (4) of this Article; and
  - (d) the maximum number of sheets of vouchers issued to any one household in a calendar year exceeds the maximum stated in column 2 of Schedule 4 to this Order.
- (4) Without prejudice to the foregoing provisions of this Article and the provisions of the next paragraph, a visitor voucher shall cease to be valid at the expiration of the period specified in column 4 of Schedule 4 to this Order, or on the occurrence of any one of the events set out in paragraphs (2) and (3) of this Article.
- (5) Where a visitor voucher is issued to any person upon receipt of a payment and the payment is subsequently dishonoured, the visitor voucher shall cease to be of any effect and the Council shall, by notice in writing served on the person to whom such visitor voucher was issued by sending the same by postal service to the resident at the address shown by that person

on the application for the visitor voucher or at any other address believed to be that person's place of abode, or in the case of an Event Day visitor voucher, that person's place of abode or workplace, require that person to surrender the voucher to the Council within 48 hours of the receipt of the aforementioned notice.

- (6) When a vehicle is parked in a parking place or a parking area designated in whole or in part as a relevant parking place, such relevant parking place being identified on the map tile to which that relevant parking place relates as shown in the map schedule legend and/or map tile label for that relevant parking place and a visitor voucher is displayed, if any of the details exposed by scratching off the silver coating are not visible, or where more than one of each of the particulars referred to in Articles 63(c), 63 (d), and 63(e) are exposed, then the voucher shall be deemed to be invalid.

#### Form of visitor vouchers

63. (1) A visitor voucher shall include the following particulars:-
  - (a) an indication that the visitor voucher was issued by the Council;
  - (b) the zone to which the visitor voucher applies;
  - (c) the month;
  - (d) the day of the week;
  - (e) the date of the month;
- (2) The details required by the paragraphs (1)(c), (1)(d) and (1)(e) of this Article shall be exposed by scratching off the silver coating.

### **Section 11 - Parking Vouchers**

#### Application for and issue of parking vouchers

64. (1) Anyone, on payment of the charge specified in paragraph (6) of this Article, may apply to the Council for the issue of a sheet or additional sheets of 4 parking vouchers.
- (2) Applications for parking vouchers referred to in paragraph (1) of this Article shall be made on a form issued by the Council and shall include the particulars and information required by such form to be supplied.
- (3) Upon receipt of an application duly made under the foregoing provisions of this Article and upon the receipt of the appropriate payment specified in paragraph (6) of this Article, the Council or its approved distributor, shall issue to the applicant one or more sheets of parking vouchers for the leaving of vehicles in a parking space in any payment parking place referred to in the map based schedule to this Order.
- (4) A parking voucher shall be valid on a particular day if and only if on the face of the parking voucher there is indicated as required, the hour and

minute to the nearest 5<sup>th</sup> minute, date, and month of arrival to the payment parking place and that face contains no other writing or remark other than the vehicle registration number.

- (5) The parking voucher must be displayed in the vehicle in accordance with the conditions of use printed on the back of the parking voucher.
- (6) The charge for a sheet of parking vouchers referred to in paragraph (1) of this Article shall be as specified in column 3 of Schedule 7 to this Order and each parking voucher shall remain valid for use, subject to the provisions of this Order, up to the expiry date as indicated in column 4 of Schedule 7 to this Order.
- (7) When a vehicle is parked in a parking place designated in whole or in part as a shared-use parking place where payment parking applies or a payment parking place, such parking place being identified on the map tile to which that parking place relates as such and as shown in the map schedule legend and/or map tile label for that parking place and a parking voucher is displayed or parking vouchers are displayed, if any of the details exposed by scratching off the silver coating are not visible, or where more than one of each of the particulars referred to in Articles 65(b), 65 (c), 65, (d) and 65 (e) are exposed, then the voucher shall be deemed to be invalid.

#### Form of parking vouchers

65. (1) A parking voucher shall include the following particulars:-
- (a) an indication that the visitor voucher was issued by the Council;
  - (b) the month;
  - (c) the date of the month;
  - (d) the minute of the hour (in 5 minute increments)
  - (e) the hour
  - (f) the vehicle registration number
- (2) The details required by the paragraphs (1)(b), (1)(c), (1)(d) and (1)(e) shall be exposed by scratching off the silver coating.
- (3) The details required by the paragraph (1)(f) shall be written in by the parking voucher holder in ink in the space provided.

### **Section 12 - Revocations**

#### Revocations

66. Without prejudice to the validity of anything done or to any liability incurred in respect of any act or omission before the coming into operation of this Order, the

Orders specified in Schedule 1 and any amendments to the Orders are hereby revoked in their entirety.

**LONDON BOROUGH OF BARNET**  
**THE BARNET (CHARGED-FOR PARKING PLACES) CONSOLIDATION**  
**TRAFFIC ORDER 2014**

**STATEMENT OF REASONS**

The general effect of the Order will be to enable all existing prohibitions, restrictions and provisions relating to charged-for parking places in the London Borough of Barnet, currently in place by virtue of existing Traffic Management Orders relating to those prohibitions, restrictions and provisions, to be revoke and reintroduced without any change of substance into a new map-based Traffic Management Order.
