#### **4.9 Service 15 - Horticulture, Arboriculture, Landscaping and Ecology**

Weed control should be delivered three times per annum by the application of non-residual chemical weed killers or herbicides, Glyphosate or equivalent, on all hard standings, channels, footways, laybys and other paved areas, kerbs, structures, filter drains and gravel areas (including central reservations), and around street furniture.

In addition to all the hard standings on the 765km of public highway (see Table 1 for details), weed control should also be applied to all public rights of way footways 95km (see Table 2 for details and Appendix 2 for a full list of footpaths), as well as to a 1m wide strip around the perimeters of all the *Employer's* car parks (total 4km, see Appendix 3 for a full list of car parks).

<b>TOTAL</b>	<b>27,822</b>		<b>23,588</b>

Vulnerable gullies are those gullies that have been classified by the *Employer* because when not in working order they are associated with flooding of adjacent property and hence they require an increased level of cleansing. Appendix 6 details the locations of vulnerable gullies.

The *Employer* may issue Task Orders to carry out cleaning of all vulnerable grilles in the Borough. There are grilles at some 25 locations in the Borough, as per Appendix 7. These grilles are located at the start of culverted watercourses and consequently it is important that they are cleaned regularly to avoid local flooding. In the last year the Priority 1 grilles have been cleaned 12 times.

Dear Sir/Madam

We, FM Conway Limited ("the Guarantor"), understand that you have agreed to enter into a Framework Agreement reference number TFL\_SCP\_000252 ("the Framework Agreement") with CONWAY AECOM Limited ("the Contractor") under which the Contractor has agreed to provide works or services in accordance with the terms and conditions of the Framework Agreement and call off contracts ("Call Off Contracts") issued pursuant to the Framework Agreement on the condition that the obligations of the Contractor under the Framework Agreement and all Call Off Contracts be guaranteed by a Guarantor.

We are the holder of the equal shares in CONWAY AECOM Limited, and we warrant to you that this description of our relationship with/to the Contractor is true and accurate in all material respects.

Terms defined in the Framework Agreement have the same meanings in this Guarantee unless otherwise defined in this Guarantee.

**WE HEREBY AGREE AND UNDERTAKE** with you as follows:-

- (a) We unconditionally guarantee to you and to each Employer who enters into a Call Off Contract on demand:
  - (i) the proper, complete and punctual performance by the Contractor of any and all its obligations, undertakings and responsibilities under the Framework Agreement and any and all Call Off Contracts and we shall forthwith make good any default thereunder on the part of the Contractor;
  - (ii) the due and punctual payment by the Contractor of all sums, liabilities, awards, losses, damages, costs, charges and expenses that may be or become due and payable under or arising out of the Framework Agreement and any and all Call Off Contracts in accordance with their terms or otherwise by reason or in consequence of any such default on the part of the Contractor when and as the same shall become due for performance or payment (as the case may be).

- (b) As a separate and primary obligation we unconditionally guarantee to you and to each Employer who enters into a Call Off Contract that in the case of default by the Contractor in making any of the payments or in performing any of the obligations, undertakings and responsibilities set out in paragraph (a) above, we shall on demand pay all sums and observe and perform any or all of such obligations, undertakings and responsibilities as if we instead of the Contractor were the primary obligor. Any payment under this Guarantee shall be made by us in pounds sterling or in any currency which may from time to time replace pounds sterling.
- (c) This Guarantee shall be a continuing security and shall remain in full force and effect until all obligations to be performed or observed by the Contractor under or arising out of the Framework Agreement and any and all Call Off Contracts have been duly and completely performed and observed and the Contractor shall have ceased to be under any actual or contingent liability thereunder.
- (d) Any demand or other notice made under this Guarantee shall be duly made if sent by first class recorded delivery post to us.
- (e) This Guarantee may be enforced after first notifying the Contractor of the relevant default but without taking any proceedings or demanding upon, enforcing or exhausting any right or remedy against the Contractor or any other person or taking any action to enforce any other security, bond or guarantee or making or filing any claim in a bankruptcy, liquidation, administration or insolvency of the Contractor or any person.
- (f) If any sum due or purportedly due under this Guarantee is not or would not be recoverable under a guarantee for any reason whatsoever, whether or not known to you or any Employer, such sum shall still be recoverable from us as a sole principal debtor upon the terms of this Guarantee.
- (g) All Call Off Contracts issued pursuant to the Framework Agreement are within the scope of this Guarantee.

PROVIDED THAT:

1. We shall be under no greater obligation or greater liability under this Guarantee than we would have been under the Framework Agreement or relevant Call Off Contract if we had been named as the Contractor in the Framework Agreement or relevant Call Off Contract.
2. Our obligations hereunder are those of primary obligor and shall remain in full force and effect and shall not be terminated, reduced, discharged or otherwise affected by:
  - (a) any alteration or variation to the terms of the Framework Agreement or any Call Off Contract made by agreement between you (or the relevant Employer under a Call Off Contract) and the Contractor (including, without limitation, any increase in the Contractor's obligations under the Framework Agreement or any Call Off Contract or any alteration in the extent or nature or sequence or method or timing of the works or services to be carried out under the Framework Agreement or any Call Off Contract) or any novation of the Framework Agreement or any Call Off Contract (in whole or in part); or

- (b) any time being given to the Contractor or any other indulgence, waiver, concession, forbearance or forgiveness to the Contractor (whether express or by conduct) or any other thing done, omitted or neglected to be done under the Framework Agreement or any Call Off Contract; or
- (c) any other bond, security or guarantee now or hereafter given for all or any part of the obligations of the Contractor under the Framework Agreement or any Call Off Contract; or
- (d) the release or waiver of any such bond, security or guarantee referred to in paragraph 2(c) above; or
- (e) any amalgamation, reconstruction or dissolution including, without limitation, winding-up of the Contractor; or
- (f) the Winding-up, bankruptcy, administration, receivership or insolvency of the Contractor; or
- (g) any legal limitation, disability or incapacity relating to the Contractor or discharge by operation of law or any change in the constitution, name or style of the Contractor or any other person (whether or not known to you or any Employer); or
- (h) any total or partial invalidity in, irregularity affecting or unenforceability of any of the obligations of the Contractor under the Framework Agreement or any Call Off Contract; or
- (i) the termination or partial termination of the Framework Agreement or any Call Off Contract or the cessation of any works or services for any reason or the making of any variation to the works or services in accordance with the Framework Agreement or any Call Off Contract; or
- (j) any claim or enforcement of payment from the Contractor or any other person; or
- (k) any act or omission which would not have discharged or affected the liability of a sale principal debtor instead of a guarantor or any act or omission, matter or thing which, but for this provision, might operate to exonerate, discharge, reduce or extinguish our liability under this Guarantee.

3. So long as we remain under any actual or contingent liability under this Guarantee, we shall not exercise any right of subrogation or any other right or remedy which we may have against the Contractor in respect of any payment made by or sum recovered from us pursuant to or in connection with this Guarantee or prove in any liquidation of the Contractor in competition for any sums or liabilities owing or incurred to us by the Contractor in respect of any such payment by or recovery from us or take or hold any security from the Contractor in respect of any liability of ours hereunder. We shall hold any monies recovered or security taken or held in breach of this provision in trust for you or the relevant Employer under the Call Off Contract (as the case may be).

4. Except where prevented from doing so by law, we waive and agree not to enforce or claim the benefit of any and all rights we have or may from time to time have as guarantor under any applicable law which is or may be inconsistent with any of the provisions of this Guarantee.
5. This Guarantee is irrevocable.
6. Save that any Employer who has entered into a Call-Off Contract with the Contractor has the right to enforce the terms of this Guarantee in accordance with the Contracts (Rights of Third Parties) Act 1999 ("Third Party Act"), the parties do not intend that any of the terms of this Guarantee are enforceable by virtue of the Third Party Act by any person not a party to it.
7. Notwithstanding clause 6, the parties are entitled to vary or rescind this Guarantee without the consent of any or all Employers (other than you).
8. This Guarantee, executed and delivered as a deed, is governed by and shall be construed in accordance with the law of England and Wales. The courts of England shall have exclusive jurisdiction to settle any dispute which may arise out of or in connection with this Guarantee except that you and (where relevant) any Employer have the right in your/their absolute discretion to enforce a judgment and/or to take proceedings in any other jurisdiction in which we are incorporated or in which any of our assets may be situated. You and we agree to submit to that jurisdiction.
9. You will be entitled to assign the benefit of this Guarantee in whole or in part but we may not assign the benefit and/or delegate the burden of this Guarantee in whole or in part or enter into any transaction which would result in any of those benefits and/or burdens passing to another person.
10. If any provision (in whole or in part) of this Guarantee is found by any court, tribunal, administrative body or authority of competent jurisdiction to be wholly or partly illegal, invalid or unenforceable then that provision shall, to the extent required, be severed from this Guarantee and shall be ineffective, without, so far as is possible, modifying any other provision of this Guarantee and this shall not affect any other provisions of this Guarantee which shall remain in full force and effect.
